\*WAIVER OF RECONSIDERATION No. 1) per Motions before Adjournment.

## STATEMENT OF COUNCIL MEMBER KAY EVERETT

On November 22, 2000, the Detroit City Council was requested to rezone a portion of the property generally located on the east side of Telegraph Road between West Eight Mile Road and Frisbee Avenue from R1 (Single-Family

Residential District) to PD (Planned Development District) to allow for the construction of a Super Kmart Center and three free-standing commercial buildings; and the proposal of the Planning and Development Department to amend the Master Plan of Policies to allow for this development.

I support this proposed development for many reasons. This development provides a positive direct economic impact to the city via generating an estimated \$400,000 annually in City of Detroit real estate and property taxes, an estimated \$100,000 in the City of Detroit income taxes, and \$1.5 million in state sales taxes that would be reinvested in services and infrastructure improvement. Secondly, it provides retail within the City of Detroit limits.

Although, I initially did not support this development, over the past several days I have been convinced otherwise. Several concessions have been made by Kmart to enhance the development. There are assurances in the City Council's closing resolution that if citizens have damages as a result of this development, Council would address the citizens' issues.

Some decisions are very difficult, as a Detroit City Council Member, I must have a vision for the greater good of the city as a whole.

Therefore, I support the proposed Super Kmart development.

## STATEMENT OF COUNCIL MEMBER NICHOLAS HOOD III IN SUPPORT OF REZONING BONNIE BROOK GOLF COURSE TO ALLOW FOR THE DEVELOPMENT OF A SUPER K MART CENTER AND THREE FREE STANDING COMMERCIAL BUILDINGS November 22, 2000

Today, I voted to support the rezoning of the Bonnie Brook Golf Course to allow for the development of a Super Kmart and three free standing commercial buildings. The proposed project will contribute to the economic revitalization of Detroit by providing jobs and essential retail services for City residents. This development will also act as a catalyst to spur further commercial retail projects within the City and reassure developers that the City is committed to commercial development expansion.

Super Kmart representatives, the Michigan Department of Environmental Quality and the City of Detroit Department of Environmental Affairs have satisfactorily addressed my concerns about exacerbated flooding in that area. Both Kmart and operators of the Bonnie Brook Golf Course will construct environmentally friendly detention ponds to assist in alleviating flooding on the property.

STATEMENT OF COUNCIL MEMBER  
KENNETH V. COCKREL, JR.

ON PLANNED SUPER K-MART AT  
BONNIE BROOK GOLF CLUB SITE

Today, a majority of City Council voted to approve a zoning ordinance and other legislation that will facilitate construction of a Super K-Mart at the Bonnie Brook Golf Club site on Telegraph and 8-Mile Road. Despite the clear need for increased retail development within our city, other concerns forced me to vote "no" on this proposal.

This project has been mired in controversy since its inception and has generated a tremendous amount of opposition from residents who live near the site. Though neighbors raised concerns about increased crime, noise, and traffic, the major concern has been with the fact that this site is a flood plain. Some neighbors have said they fear that bulding a K-Mart on this site will increase flooding in the area immediately adjacent to Bonnie Brook, damaging their homes.

To its credit, K-Mart invested a tremendous amount of time and money analyzing the flood plain to determine its store's potential environmental impact. The company's plans to build a detention basin that would place no additional pressure on the city's water and sewerage lines are to be commended. However, significant questions about "stormwater" run-off *[and how homeowners would be compensated if they did sustain damage that was traceable to K-Mart]* were not answered to my satisfaction.

While I applaud K-Mart's prior investment in Detroit and its plans to build and open additional stores here, the potential impace on the environment and on nearby homes must be weighed carefully. Because the company's plans did not make me 100% comfortable, I had to vote "no" on this project.

STATEMENT OF COUNCIL  
MEMBER ALBERTA TINSLEY-TALABI  
REGARDING THE EIGHT MILE &  
TELEGRAPH ROADS SUPER  
K-MART DEVELOPMENT

The Super K-Mart Development proposed for West Eight Mile and Telegraph Roads, on the surface, certainly addresses the need for quality neighborhood retail services in the City of Detroit. Undoubtedly, this development will add to the tax base and the number of jobs available to residents of the city. In fact, I voted in support of the Super K-Mart Store now located on West Seven Mile and Meyers for these reasons. However, I voted "No" on the West Eight Mile and Telegraph proposal because of what appears to be an over concentration of major retail in one area while none exists in other parts of the city.

I believe that city leaders must balance corporate investment with the overall

needs of the city and its citizens. The K-Mart Corporation has recently closed two stores on the eastside; none exists in the southwest section of the city. Yet the company proposed adding to the general area already served by the successful West Seven Mile location, the proposed store on West Eight Mile and Telegraph. Given the need for major retail throughout the city, coupled with the divisiveness in the community, I did not think it would be good policy to support this proposed development.

Retail development in urban areas is definitely a good corporate investment. The K-Mart Corporation started in the city and it makes sense to have a strong corporate commitment to the city. I look forward to working with the company as they fulfill their promise to open additional new stores. However, I simply believe that city government is duty-bound to balance corporate investment with the needs of the city and its citizens.

STATEMENT OF COUNCIL MEMBER  
BRENDA M. SCOTT  
REGARDING THE PROPOSAL  
DEVELOPMENT AT THE  
BONNIE BROOK GOLF COURSE SITE

In response to the overwhelming community opposition to the proposed retail development I voted "NO".

The residents adjacent to and in the most immediate vicinity expressed, in no uncertain terms, that they had serious reservations about putting a retail development in a flood plain area. Most felt that doing so would have an adverse impact on their properties because the area currently experiences some street and basement flooding.

Certainly, given the vast amount of available urban land in this "world class" city of Detroit one could have selected land that would not require the destruction of lush greenspace or the re-zoning of a residential area.

My "no" vote should not be construed to mean that I do not support the K-mart Corporation or their corporate vision to build other stores in Detroit. Quite the contrary, I support retail development when it is a win-win situation for everone, especially the citizens whom I am elected to represent.

STATEMENT OF COUNCIL MEMBER  
KAY EVERETT  
ON THE PROPOSED DEVELOPMENT  
OF A SUPER KMART AT  
BONNIE BROOK

On November 22, 2000, the Detroit City Council was requested to rezone a portion of the property generally located on the east side of Telegraph Road between West Eight Mile Road and Frisbee Avenue from R1 (Single-Family Residential District) to PD (Planned

Development District) to allow for the construction of a Super Kmart Center and three free-standing commercial buildings; and the proposal of the Planning and Development Department to amend the Master Plan of Policies to allow for this development.

I support this proposed development for many reasons. This development provides a positive direct economic impact to the city via generating an estimated \$400,000 annually in City of Detroit real estate and property taxes, an estimated \$100,000 in City of Detroit income taxes, and \$1.5 million in state sales taxes that would be reinvested in services and infrastructure improvement. Secondly, it provides retail within the City of Detroit limits.

Although, I initially did not support this development, over the past several days I have been convinced otherwise. Several concessions have been made by Kmart to enhance the development. There are assurances in the City Council's closing resolution that if citizens have damages as a result of this development, Council would address the citizens' issues.

Some decisions are very difficult, as a Detroit City Council Member, I **must** have a vision for the greater good of the city as a whole.

Therefore, I support the proposed Super Kmart development.

Re: Calvin Pinkston v Eric Christian and the City of Detroit Case No.: 00-014612 NI, File No.: A34000.000050 (DAB), CLIS No.: 00-7908

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body. We, therefore, request authorization to agree to entry of an Order of Dismissal and to enter into an Agreement to Arbitrate on the terms and conditions set forth in the following resolution and, upon certification by the Law Department that the arbitrators have announced a decision requiring the City to pay a designated sum to the Plaintiff, that your Honorable Body direct the Finance Director to honor a draft drawn by Meadowbrook Claims Service payable to Calvin Pinkston and his attorneys, Fried, Saperstein, Abbatt & Rockind, P.C., in the amount the City is to pay the Plaintiff pursuant to the arbitrators' decision, but said draft may not exceed Twenty-Five Thousand Dollars (\$25,000.00).

Re: Commercial Strip Revitalization Program - Memorandum of Understanding. (SUBMITTING RESOLUTION FOR APPROVAL)

In accordance with the City Council discussion on November 17, 2000, submitted herewith is a resolution authorizing the Council President to sign a Memorandum of Understanding setting forth the intent of the City Council, the Mayor, and the Detroit Community Development Funders' Collaborative to establish and implement a Commercial Strip Revitalization Program for the City of Detroit (Attachment A).

Also attached is a revised Memorandum of Understanding (Attachment B) reflecting two changes as a result of the discussion on November 17:

The page references for Exhibit A have been corrected and now indicate page 12 instead of page 10;

Language has been added to Section 5 on the City Council's responsibilities to indicate that the Council will provide input to the Office of Neighborhood Commercial Revitalization (ONCR) and the Advisory Board on the criteria for selection of districts.

Please note that the Program Recommendations (Attachment C) have also been revised to include similar language on opportunity for the Council to provide input on the criteria for district selection (see page 7, Other Roles and Responsibilities).

Respectfully submitted,  
MARSHA S. BRUHN,  
Director

By Council Member Scott:

Resolved, That the Detroit City Council agrees to be a partner with the Mayor and the Detroit Community Development Funders' Collaborative in implementing a Commercial Strip Revitalization Program for the City of Detroit, and authorizes the Council President, on behalf of the City Council, to sign the Memorandum of Understanding, in accordance with the foregoing communication.

**Attachment B**

**MEMORANDUM OF UNDERSTANDING**

This Memorandum of Understanding is dated this \_\_\_\_\_ day of \_\_\_\_\_, 2000, by and among the Mayor of the City of Detroit (the Mayor), the City Council of the City of Detroit (City Council), and the Local Initiatives Support Corporation, a New York non-profit corporation, whose primary address is 733 Third Avenue, New York, NY 10017-3204, (hereafter referred to as "LISC"), on behalf of the Detroit Community Development Funders' Collaborative, a program undertaken by LISC (hereafter referred to as "the Collaborative"), all of which are collectively referred to herein as the "Parties".

Whereas, the Parties recognize that the City of Detroit (the City) suffers from an extreme shortage of viable neighborhood commercial areas which provide retail and service businesses to the residents of the City's neighborhoods; and

Whereas, the Parties have determined that it is critical to the long term economic well being of the City of Detroit, its neighborhoods, and its residents, that a neighborhood commercial area revitalization program be undertaken to encourage business retention and expansion in the City's neighborhood commercial areas; and

Whereas, the Parties have mutually developed a recommendation for a Neighborhood Commercial Strip Revitalization Program (hereafter referred to as the "Program"), set forth in greater detail in Exhibit A, a copy of which is attached to this Memorandum of Understanding, and which is intended to create opportunities for new, as well as expanded, small and minority owned businesses, provide neighborhood residents with increased shopping opportunities, complement the growing residential development within the City of Detroit, remove slums and blight, assist low and moderate income individuals, and promote economic development; and

Whereas, in order to undertake the implementation of the Program, the Parties desire to set forth their respective intentions and mutual understandings regarding the Program;

Now, Therefore, each of the Parties do hereby set forth their intent to establish and implement the Program as follows:

(1) The Mayor will create and oversee an office whose responsibility is to manage the Program. The office will be known as the Office of Neighborhood Commercial Revitalization ("ONCR") and will be staffed by a Director and staff to be appointed by the Mayor. The Mayor will have general oversight over the program and will insist on accountability and results by the ONCR staff and by the designated local districts. The Mayor will appoint three (3) members to the ONCR Advisory Board, and confirm the five (5) at-large members appointed to the ONCR Advisory Board. The Mayor is committed to multiple year funding of the Program as outlined on page 12 of Exhibit A and will participate in an annual performance review of the Program.

(2) The ONCR will have responsibility for the daily management of the Program, including the following:

- (a) establishment and implementation of a competitive selection process for the selection of designated local districts;
- (b) contracting for and providing for delivery of architectural design services, training and technical assistance to the

local district organizations which manage the local district programs.

(d) contracting for and providing for delivery of training and technical assistance to businesses located in non-designated areas;

(e) providing funding for district marketing, promotion and for facade improvements for businesses located within designated local districts;

(f) establishment of a capital assistance program;

(g) coordination of existing services and resources offered by local agencies to small businesses within the City;

(h) marketing the Program to potential applicants for designation as local districts;

(i) serving as an advocate for City services on behalf of the designated local district programs;

(j) establishment of a corporate partners program to identify and recruit corporate partners to provide human and technical resources to designated local districts.

The ONCR will also be responsible for ensuring regular reporting by the designated local districts and for reporting to the Parties, which shall include the following:

(a) review and approval of the designated local district annual action plans;

(b) establishment of performance criteria for each designated local district and a reporting system for designated local districts;

(c) submission of a semi-annual report to each of the Parties describing the progress of the Program and the performance of each designated local district.

(3) The ONCR will be advised by an Advisory Board which shall consist of eleven (11) members each of whom shall be appointed for a term of three (3) years, as follows:

- Mayor - appoints 3 members;
  - City Council - appoints 3 members;
  - Detroit Community Development Funders' Collaborative - appoints 2 members, one of whom shall be a representative of Detroit LISC;\*
  - Detroit Renaissance - appoints 1 member;\*
  - Booker T. Washington Business Association - appoints 1 member;\*
  - Community Development Advocates of Detroit - appoints 1 member.\*
- \* subject to confirmation by the Mayor and City Council.

Additionally, the director of each designated local district organization and a representative of the capital assistance fund management entity will serve as non-voting ex-officio Advisory Board members.

(4) The Advisory Board of the ONCR will establish general policy and direction for the Program by:

(a) working with ONCR staff to establish criteria for the competitive selection of the designated local districts;

(b) selecting the designated local districts in accordance with the established criteria;

(c) advising the ONCR on the design of the capital assistance program;

(d) recommending methods for the delivery of training and technical assistance;

(e) assisting in the monitoring and evaluation of the performance of the Program and the individual designated local districts.

(5) The City Council will appoint three (3) members to the Advisory Board and confirm the appointment of the five (5) at-large members to the ONCR Advisory Board. It will have continued input into the evolution of the Program through its appointment, monitoring and budget approval functions. In addition, the City Council will provide input to the ONCR and Advisory Board on the criteria for selection of districts. The City Council has already allocated the sum of Four Hundred Ninety Thousand (\$490,000.00) dollars for commercial strip revitalization program start-up, which it intends to transfer to a new appropriation designated for ONCR, and is committed to multiple year funding of the Program as set forth on page 12 of Exhibit A.

(6) The Mayor and City Council, to ensure the long-term success of the Program, are committed to multiple year funding of the Program. The Mayor and City Council intend to provide funding to the Program for at least five (5) years for Program services, subject to an annual performance review of each designated local district and the continued availability of Community Development Block Grant funds. The funds provided by the Mayor and the City Council will be administered directly by the ONCR. The proposed annual budget allocation is set forth on page 12 of Exhibit A.

(7) LISC, on behalf of the Collaborative, is committed to providing multiple year funding of the Program. LISC, on behalf of the Collaborative, shall provide the Program with up to Six Hundred Twenty Five Thousand (\$625,000.00) dollars per year for three consecutive years, beginning at the time of the selection of the designated local districts. Such funding commitment is contingent upon satisfactory annual Program performance and the availability of funds raised by the Collaborative. The proposed annual budget allocation is set forth on page 12 of Exhibit A. The funds shall be used to support the staff and operating expenses of each designated local district, and will

flow directly from LISC to each designated local district. The Collaborative shall participate in an annual performance review of the Program, which includes a review of each designated local district. The annual allocation for each designated local district will be contingent on a satisfactory review by the ONCR and ONCR Advisory Board and favorable recommendation by the ONCR. Annual commitment of Collaborative funds shall be made at the sole discretion of LISC on behalf of the Collaborative, based upon the satisfactory performance review by the ONCR and ONCR Advisory Board. The funding commitment to be provided by LISC on behalf of the Collaborative will be administered directly by LISC.

(8) Each designated local district organization will be responsible for coordinating the commercial revitalization activities in its district and meeting annual performance goals as specified in the annual action plan submitted to the ONCR and the Advisory Board. Each local district organization will submit annual district action plans which are consistent with the Program's principles and policies, and shall be responsible for achieving results in accordance with its plan. The Parties expect that each local district organization will market and promote the Program and the services offered by the City of Detroit and that each organization will work with local businesses to take advantage of these and other City services.

(9) Reports setting forth the performance of each designated local district shall be submitted by each district to the ONCR at least twice per year, using the criteria that shall be developed by ONCR and the Advisory Board. ONCR shall submit semi-annual reports to each of the Parties setting forth the progress and performance of the Program. The Parties will review these reports and make recommendations to ONCR. The Parties may use these reports to determine future funding and to determine continued status as designated local districts.

(10) If the goals and objectives of the Program are significantly altered, funding commitments of any of the Parties may be revised or revoked at any of the Parties' sole discretion.

IN WITNESS WHEREOF, the Parties have executed the Memorandum of Understanding on the date set forth above.

Honorable City Council:

Re: Implementation of Fringe Benefit Improvements for Police and Fire Department Executives.

On November 8, 2000, your Honorable Body approved a resolution implementing various fringe benefit changes for non-union uniformed Police and Fire Executives. However, one additional change was inadvertently omitted from the schedule of changes.

This change, which reduces the number of months counted in the determination of average final compensation for pension purposes from sixty (60) months to thirty-six (36) months, must be made by ordinance. However, due to the long period of time that has passed and the time which still appears necessary to complete the formal ordinance passage process, and because the unionized subordinate personnel have already received this benefit change, the executives have been and are disadvantaged by their inability utilize this benefit at this time.

Therefore, in accordance with the similar practice for unionized employees whose settled labor agreements require

long periods of time to complete the formal signing and ratification process, we are recommending that your Honorable Body approve the attached resolution to provide for "interim entitlement" of this benefit for these executives.

Respectfully submitted,

ROGER N. CHEEK

Labor Relations Director

By Council Member Scott:

Whereas, It is the longstanding policy of the City of Detroit to pass on to non-union Police and Fire Executives the fringe benefit changes received by their unionized subordinates, and

Whereas, It would cause an unreasonably long delay to withhold implementation until formal ordinances have been prepared and presented to your Honorable Body for approval,

Now, Therefore Be It Resolved, That the number of months counted in the determination of average final compensation for pension purposes be reduced from sixty (60) months to thirty-six (36) months for non-union uniformed Police and Fire Executives, in accordance with the foregoing communication, and be it further

Resolved, That the Finance Department is hereby authorized to honor payrolls and vouchers in accordance with the foregoing communication, this resolution, and standard City procedures, and be it further

Resolved, That this action be taken with a waiver of reconsideration.

Honorable City Council:

Re: A resolution to amend the Detroit Master Plan of Policies in the vicinity of Telegraph and West Eight Mile Roads to allow for construction of a Super K-Mart Center and related commercial buildings (Revised Master Plan Change #31)

Attached for your consideration and action is a proposed Amendment to the Detroit Master Plan of Policies for a portion of the Bonnie Brook Golf Course generally located on the east side of Telegraph Road between West Eight Mile Road and Frisbee Avenue. Adoption by your Honorable Body of this resolution would enable the rezoning of a portion of the golf course to a PD (Planned Development) zoning district classification and permit the construction of a Super K-Mart Center and three free-standing commercial buildings. This Amendment is a revised proposal to replace the original

document dated on January 31, 2000, which was not adopted. The revised proposal differs from the original version in that the total square footage of the three commercial outlots has been reduced from approximately 21,000 to approximately 18,000 square feet, the Super K-Mart Center has been reduced in size from 147,700 to 142,495 square feet and no longer includes an auto service center, and the amount of parking spaces has been reduced from 892 to 867.

The subject area to be changed, which covers 15.24 acres, is generally bounded by the eastward extension of a line approximately half-way between Chippewa and Fargo Avenues on the north, the northward extension of Appleton Avenue on the east, the eastward extension of Pembroke Avenue on the south, and Telegraph Road on the west. The subject area is shown on the Master Plan of Policies Map 310-6, West Sector, Redford Subsector, "Generalized Existing Land Use and Proposed Land Use." Presently the subject area is designated as "POS" Permanent Open Space. It is recommended that the land use designation for the subject area is changed to "GC" General Commercial. The subject area on the West Sector "Generalized Rezoning Concept" map is recommended to be changed from an R1 (Single-Family Residential) to a PD (Planned Development) zoning district classification.

The Super K-Mart revised site plan drawn by Richard L. Bowen & Associates and dated 8/29/00 shows the construction of a Super K-Mart Center on the above mentioned site which is located at the southern end of Bonnie Brook Golf Course. Immediately south of the subject site is the Hidden Pines Apartment complex on the north side of Frisbee Avenue. To make way for the Super K-Mart development, the existing Bonnie Brook Golf Course clubhouse and storage building are to be demolished and rebuilt north of the subject property as part of a separate rezoning proposal. The remaining approximately 50 acres of the golf course would then be reconfigured and reduced from 18 holes to nine holes.

The proposed Super K-Mart development is appropriate for this location for a variety of reasons. First, it has been discussed on many occasions about the lack of retail options in the City of Detroit, and in northwest Detroit in particular. In the pamphlet *New Markets: The Untapped Retail Buying Power in America's Inner Cities* produced by the U.S. Department of Housing and Urban Development, it is stated that the difference between household's retail buying power and total retail sales in Detroit during 1998 was \$1.4 billion. Retailers have recently recognized this section of northwest Detroit as an

under-served market and since 1995 new commercial developments such as Topinka's Plaza at Telegraph and West Seven Mile have opened. The proposed commercial site is also near the intersection of two major highways (Telegraph and West Eight Mile Roads) that carry a huge volume of traffic, lending an opportunity to draw customers from a wider market area. The proposed Super K-Mart would also provide a significant economic impact by creating an estimated 450 jobs and contributing to the tax base.

In addition to the previously stated reasons, Kmart Corporation has addressed potential environmental issues with its plan to include a detention basin to prevent flooding and it has received a permit from the Michigan Department of Environmental Quality and approval from the Detroit Environmental Affairs Department. Moreover, the proposed commercial site currently has just one owner, which reduces costs and delays associated with land assembly.

In summary, it is our belief that the proposed Super K-Mart development, with proper environmental safeguards, would become a major asset for northwest Detroit by providing more local retail options for area residents. We, therefore, recommend that the land use in the Master Plan of Policies for the subject area be changed from "POS" Permanent Open Space to "GC" General Commercial.

PAUL A. BERNARD  
Director

A Resolution to Amend the Detroit  
Master Plan of Policies in the Vicinity  
of Telegraph and West Eight Mile  
Roads to Accommodate the  
Construction of a  
Super K-Mart Center**

By Council Member Mahaffey:

Whereas, The Detroit Master Plan of Policies, adopted August 5, 1992, consists of policies and methods for improving the City of Detroit as a place for people to live and work based upon their needs and desires; and

Whereas, The Detroit Master Plan of Policies is approved and adopted as a major reference for evaluating proposed development activities and/or action programs such as neighborhood plans, urban renewal plans, zoning amendments, property acquisition or disposition, and construction of public or private facilities; and

Whereas, the Detroit Master Plan of Policies is continuously studied and amended so it reflects the desires of residents, businesses, and industries of the City of Detroit; and

Whereas, Kmart Corporation has proposed a Super K-Mart Center on a portion of the current Bonnie Brook Golf Course; and Whereas, the site of the proposed development is currently designated for open space use; and

Whereas, the proposed Super K-Mart Center would provide significant retail options for residents of an under-served section of northwest Detroit; and

Whereas, the proposed Super K-Mart Center would create an estimated 450 jobs and pay taxes to the City of Detroit; and

Whereas, Kmart Corporation has addressed potential environmental issues associated with flooding by its plan to build a detention basin and it has received a permit from the Michigan Department of Environmental Quality and approval from the Detroit Environmental Affairs Department.

Now, Therefore, Be It Resolved, The Detroit Master Plan of Policies is amend-

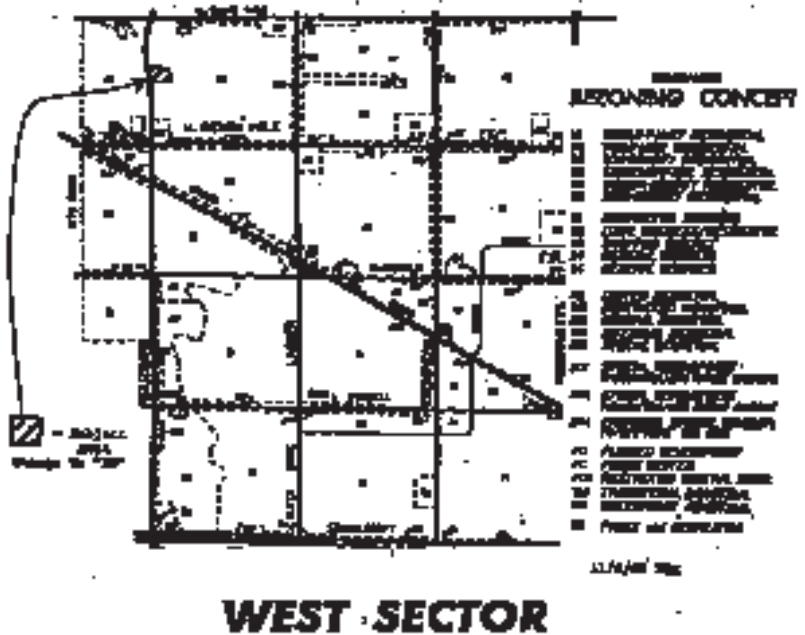

ed as follows:

1. The first map to be modified is the West Sector, Redford Subsector, Map 310-6, "Generalized Existing Land Use and Proposed Land Use": for the area bounded by the eastward extension of a line approximately half-way between Chippewa and Fargo Avenues, the northward extension of Appleton Avenue, the eastward extension of Pembroke Avenue, and Telegraph Road, which is now shown as "POS" Permanent Open Space, map is changed to show "GC" General Commercial.

2. The second map to be modified is the West Sector "Generalized Rezoning Concept": for the area bounded by the eastward extension of a line approximately half-way between Chippewa and Fargo Avenues, the northward extension of Appleton Avenue, the eastward extension of Pembroke Avenue, and Telegraph Road, which is now shown as "R1" Single-Family Residential, map is changed to show "PD" Planned Development.

**STATEMENT FOR THE RECORD ON  
 8 MILE/TELEGRAPH SUPER KMART  
 BY PRESIDENT PRO TEM  
 MARYANN MAHAFFEY**

After much research and deliberation I am voting 'yes' on the Super Kmart proposal. As I have stated many times, my main concern with this proposal was the issue of flooding and possible harm to the already vulnerable Rouge River and homes in our fine, stable neighborhoods surrounding that area.

Experts testify and research indicates that the Kmart development will be a positive improvement over current conditions. The two problems with the Rouge River in Wayne County and at the Bonnie Brook site are the quantity and quality of water. The quantity results from water coming downstream from Oakland County as they continue to develop new housing along the river without the proper controls. One solution would be for Oakland County to adopt the control standards set forth in the Wayne County Ordinance on Storm Water Management. The experts tell me that Detroit instead needs a series of smaller basins along the river to deal with the quality of water.

The measures that Kmart has taken by including detention basins, as well as bioretention basins will not solve all the

problems existing along the Rouge River, but it will be a great improvement over what currently exists. I am satisfied that this project will not bring river water into the city's sewer system, and it will not increase the rate or amount of water flowing into the river. It is also important to note that Kmart will be approximately 10 feet below the level of the closest homes in the area, therefore, any flooding would cause several feet of water in Kmart before any homes would be affected by flooding.

My decision was not a result of being swayed by the threat of Kmart leaving the city, or future developers seeing Detroit as a "developer unfriendly" city. It is our job as elected officials to make sure that the concerns of residents are addressed and the quality of life in our neighborhood is protected.

Honorable City Council:

Re: Surplus Property Sale By Development Agreement. Development Disposition: Parcel 51 — West Portion of Bishop Playfield

On July 30, 1997 (JCC, Pages 2060 & 2061) your Honorable Body authorized the sale of Parcel 51 to Tabernacle Missionary Baptist Church, a Michigan Ecclesiastical Corporation for the construction of a Church facility with meeting halls, classrooms and off-street parking.

Tabernacle Missionary Baptist Church has informed the Planning & Development Department (P&DD) that due to unavoidable circumstances they were not able to complete the project within the time allotted in the present Development Agreement. The delay stemmed from a review of the preliminary design for the new structure. At that time, a modification in the overall design was recommended. The design changes, by

necessity, delayed Tabernacle's ability to prepare complete applications for financing for area banks. Financing is nearing completion and all efforts are on target for Spring 2001 groundbreaking. Consequently, the church is now requesting an eighteen (18) month extension.

The Planning & Development Department has reviewed the request of the Church and has determined it to be reasonable and consistent with the terms and conditions set forth in the Development Agreement.

We, therefore request that your Honorable Body adopt the attached resolution authorizing an amendment to the Development Agreement to extend the completion period of the development.

Re: Petition No. 3216 — Greektown Casino, L.L.C./Marie T. Racine, P.C., for air-rights easement for skywalk over Brush St.

Petition No. 3216 of "Greektown Casino, L.L.C./Marie T. Racine, P.C.," is a request to amend Petition No. 58 filed in 1998 requesting the transfer from the "Downtown Development Authority (DDA)" to "Greektown Casino, L.L.C." the encroachment approved by your Honorable Body on March 3, 1993 J.C.C. Pgs. 375-377 authorizing the City Engineering Division — DPW to issue permits to the "Downtown Development Authority (DDA) together with 400 Monroe Associates" to construct and maintain a pedestrian bridge encroaching overhead (with footings and piers) across Brush Street, 48 feet wide, between E. Lafayette and Monroe Avenues, linking the "International Center Parking Structure" and the "International Center Building & Hotel."

The Petition was referred to the City Engineering Division — DPW for investigation and report. This is our report.

In April 1997, Greektown Casino, L.L.C. purchased from the DDA the Monroe Avenue Parking Garage located at Brush and Monroe Streets. The DDA is obligated to transfer the pedestrian skywalk bridge to Greektown Casino, L.L.C., the owner of the Skywalk and 400 Monroe Limited Partnership, the owner of the International Center Building. City Council approval is necessary for the assignment and transfer of the encroachment as adopted on March 3, 1993 J.C.C. Pgs. 375-377.

Honorable City Council:

Re: Transfer of Jurisdiction and Campus Martius Redevelopment Agreement with MDOT; Cancellation of MDOT PO #2535599 regarding transfer of jurisdiction of Grand River

The City has negotiated an agreement with the Michigan Department of Transportation ("MDOT"), entitled "Transfer of Jurisdiction and Campus Martius Redevelopment Agreement," CPO #2539378, that will result in the transfer of jurisdiction of several streets in the City of Detroit, as follows:

1. MDOT will transfer to the City legal jurisdiction of certain streets in the Campus Martius area. This transfer will permit the expeditious reconfiguration of the streets around Campus Martius and the re-establishment of the Campus Martius Park. These streets are: Woodward between Michigan and Jefferson; Fort Street between Griswold and Woodward; Cadillac Square between Woodward and Randolph; and Michigan between Griswold and Woodward.

2. The City will transfer to MDOT legal jurisdiction of the following streets; Davison from the I-96 right-of-way to Rosa Parks; Woodward from Adams to Grand River; and Fort Street from the northeast bound on-ramp to I-75 (terminus of M-85) to Clark Street.

As part of the transfer, MDOT will assume the obligations for reconstructing Fort Street and the related bridges on Fort Street, and bringing the portions of Woodward and Davison transferred to MDOT up to MDOT standards, at a cost estimated by MDOT of over \$85 million. To assist in the financing of the improvements to Fort Street, the related bridges, and the portions of Davison and Woodward transferred to the State, the City will forego ten percent (10%) of its share of Michigan Transportation Fund (Public Act 51 funds) over the next 10 years. That amount is estimated to be approximately \$61 million.

In a related matter, on September 28, 2000, your Honorable Body approved contract number 2535599 pursuant to which MDOT was to transfer jurisdiction of Grand River (M-5) to the City. However, upon further discussion, the City and MDOT have agreed that it is in the best interest of both parties for MDOT to retain jurisdiction of Grand River. Therefore, we are requesting that your Honorable Body rescind the resolution dated September 28, 2000.

An appropriate resolution is attached for consideration by your Honorable Body. A waiver of reconsideration is respectfully requested.

Respectfully submitted,  
STEPHANIE R. GREEN  
Interim Director-DPW

By Council Member Scott:

Resolved, in accordance with the foregoing communication, the Transfer of Jurisdiction and Campus Martius Redevelopment Agreement between the City of Detroit, by and through the Department of Public Works, and the Michigan Department of Transportation, CPO #2539378, is approved; and

Resolved Further, in approving this resolution the Detroit City Council understands that MDOT policies and procedures necessitate direct and substantial involvement of the City prior to making any decision or implementing any plan with respect to an extension of the Davison Freeway; and

Resolved Further, the Detroit City Council joins the Mayor in finding that Davison should not be considered for freeway development; and

Resolved Further, the Detroit City Council requests to be kept informed of all proposals regarding future development of or improvements to Davison; and

Resolved Further, the resolution adopted by this City Council on September 28, 2000, approving Contract Number 2535599, is rescinded.

**TRANSFER OF JURISDICTION AND  
CAMPUS MARTIUS  
REDEVELOPMENT AGREEMENT**

CAB

Control Section \_\_\_\_\_  
Job Number \_\_\_\_\_  
Contract 00-\_\_\_\_\_

THIS CONTRACT is made and entered into this date of \_\_\_\_\_, by and between the MICHIGAN DEPARTMENT OF TRANSPORTATION, hereinafter referred to as the "DEPARTMENT;" and the CITY OF DETROIT, hereinafter referred to as the "CITY;" for the purpose of fixing the rights and obligations of the parties in agreeing to the transfer of legal jurisdiction of roads between the parties within the CITY in connection with the redevelopment of the Campus Martius area within the CITY.

WITNESSETH:

WHEREAS, the CITY is planning a major redevelopment of the land adjacent to DEPARTMENT roadways in the Campus Martius area within the CITY; and

WHEREAS, the parties agree that such redevelopment will have structural and traffic impacts on such roadways, such that they will no longer function as state trunklines; and

WHEREAS, the parties also acknowledge and agree that the public interest would be better served if jurisdiction of several CITY streets were to be transferred to the DEPARTMENT's control; and

WHEREAS, the DEPARTMENT is willing to allow the CITY to proceed with the

Campus Martius development, under certain conditions as herein set forth; and

NOW, THEREFORE, in consideration of the premises and of the mutual undertakings of the parties and in conformity with applicable law, it is agreed:

1. The parties agree to the transfer of legal jurisdiction of the following roadways ("**CAMPUS MARTIUS ROADS**") from the DEPARTMENT to the CITY, as shown on "**EXHIBIT II**" attached herein and made a part hereof:

A. Woodward Avenue (M-1) between the center line of Michigan Avenues (US-12) and the center line of Jefferson Avenue (M-10), approximately 0.24 miles;

B. Fort Street (M-3) between the center line of Griswold Street and the center line of Woodward Avenue (M-1), approximately 0.05 miles; continuing easterly along Cadillac Square between the center line of Woodward Avenue (M-1) and the center line of Randolph Street (M-3), approximately 0.17 miles;

C. Michigan Avenue (US-12) between the center line of Griswold and the center line of Woodward (M-1), approximately 0.07 miles.

2. The parties agree to the transfer of legal jurisdiction of the following streets ("**NEW DEPARTMENT ROADS**") from the CITY to the DEPARTMENT as shown on "**EXHIBIT I**" attached herein and made a part hereof:

A. West Davison Street from the I-96 right-of-way easterly to the centerline of Rosa Parks Street (approximately 1.9 miles);

B. Woodward Avenue approximately from the centerline of Adams southerly to centerline of Grand River Avenue (approximately 0.23 miles);

C. West Fort Street from the northeast bound on-ramp to I-75 (terminus of M-85) to the centerline of Clark Street (approximately 4.09 miles).

3. In consideration for the benefits to be received by the CITY in connection with the redevelopment of Campus Martius, the CITY and the DEPARTMENT also agree to the following:

A. 1. Subject to adjustment as set forth in the following paragraphs, the CITY agrees to an annual reduction of ten percent (10%) of the CITY's share of funds received from the Michigan Transportation Fund in connection with Public Act 51 of 1951, as amended, to defray the cost to the DEPARTMENT for improving the NEW DEPARTMENT ROADS, including bridges related to the NEW DEPARTMENT ROADS. The annual reduction shall begin as of July 1, 2001, and shall continue for a period of ten (10) years, which sum is expected to total Sixty-One Million Dollars (\$61,000,000.00) based on the CITY's allocation of Public Act 51 funds as of the execution date of this contract. The

DEPARTMENT has estimated the cost for improving the NEW DEPARTMENT ROADS, including the related bridges, to be in excess of Eighty-Five Million Dollars (\$85,000,000.00). The reduction in the CITY's share of the Act 51 Funds will allow the DEPARTMENT to start and complete the improvements to the NEW DEPARTMENT ROADS much sooner than would otherwise be possible.

2. The DEPARTMENT acknowledges that the CITY's local participation share for the improvements to be made to the NEW DEPARTMENT ROADS is included within the ten percent (10%) reduction of Act 51 funds. In other words, the CITY's local participation share will either be paid by the DEPARTMENT, or if accounting procedures require the CITY to actually pay its local participation share for such improvements, then the ten percent (10%) annual reduction obligation of the CITY will be offset by the amount of such payment. The CITY's local participation obligations will not otherwise be affected by this contract or the reduction of Act 51 funds pursuant to this contract. In addition, once the DEPARTMENT has incurred cumulative project costs for improvements to the NEW DEPARTMENT ROADS equal to the total amount of Act 51 funds to be transferred from the CITY under the terms of this contract, then statutory Act 51 cost participation by the CITY for improvements to the NEW DEPARTMENT ROADS shall resume. The CITY and the DEPARTMENT agree to cooperate in terms of the mechanics of accounting for the reduction of Act 51 funds (and any adjustments thereto) pursuant to this contract in order to accommodate each party's respective accounting requirements; however, in any event the parties agree that such accounting will reflect the original amount as well as any reductions and/or adjustments.

3. In the event that Public 51 of 1951 is amended or replaced with any other law providing a different scheme for the distribution or expenditure of taxes and fees restricted to transportation purposes under Const 1963 Art 9 sec. 9, the annual payments of ten percent (10%) of the CITY's Act 51 funds shall be made or taken from such restricted transportation funds as are otherwise made available to or for the CITY.

B. 1. *Davison Street reimbursements.* The DEPARTMENT agrees to reimburse the CITY for its expenditures of local "match" of federal aid for recent improvements made by the CITY to West Davison Street (the CITY's local match for such improvements is estimated at approximately \$350,000.00), provided, however, that the DEPARTMENT shall be entitled to offset such reimbursement by the expenditures the DEPARTMENT incurs for additional safety and traffic improve-

ments that will need to be undertaken by the DEPARTMENT to ensure that West Davison Street functions as a state trunkline. In no event shall the City be obligated to reimburse the DEPARTMENT for such DEPARTMENT expenditures. The funds for the reimbursement shall be drawn from or credited against the funds provided by the CITY under section 3.A. of this contract, according to accounting procedures agreed to by the DEPARTMENT and CITY under Section 3.A. of this contract.

2. *Fort Street reimbursements.* The DEPARTMENT agrees to reimburse the CITY for the cost the CITY has incurred for engineering design work for rehabilitation of bridges between Clark Street and Schaefer Highway on Fort Street. The cost, estimated at approximately \$300,000.00, will be verified by invoices produced by the CITY and reviewed by the DEPARTMENT. The reimbursement will be made no later than the CITY's Fiscal Year 2001. The funds for the reimbursement shall be drawn from or credited against the funds provided by the CITY under section 3.A. of this Contract, according to accounting procedures agreed to by the DEPARTMENT and the CITY under section 3.A. of this contract.

C. If upon the expiration of 90 days after execution of this contract the CITY has not presented a plan agreeable to the DEPARTMENT to improve the reliability of electric power service for powering existing state trunkline signals, the CITY agrees to discuss allowing the DEPARTMENT to use an alternative energy source other than that provided by the CITY for powering state trunkline signals and lighting.

4. The parties agree to promptly execute quitclaim deeds and/or other documents necessary to transfer title to any right-of-way held in fee simple by the DEPARTMENT and by the CITY, as follows. The DEPARTMENT agrees to promptly transfer any right-of-way held in fee simple associated with the CAMPUS

MARTIUS ROADS to the CITY. The CITY agrees to promptly transfer any right-of-way held in fee simple associated with the NEW DEPARTMENT ROADS to the DEPARTMENT. Failure to receive such documents shall not affect the transfer of legal jurisdiction of the roads as set forth in the following section, nor prohibit either party from implementing improvements or modifications to the roads it has acquired under this contract.

5. Upon transfer of legal jurisdiction of the CAMPUS MARTIUS ROADS from the DEPARTMENT to the CITY, which shall occur when this contract is binding in accordance with the following section, the parties acknowledge and agree that the CITY is authorized to implement improvements and modifications to the CAMPUS MARTIUS ROADS with or without the consent of the DEPARTMENT.

6. This contract shall become binding on the parties hereto and of full force and effect upon the signing thereof by the duly authorized official(s) for the CITY and for the DEPARTMENT; upon the adoption of a resolution of the Detroit City Council approving this contract and authorizing the signatures thereto of the respective official(s) of the CITY, a certified copy of which resolution shall be attached to this contract; and with approval by the State Administrative Board and the State Transportation Commission, evidence of which shall also be attached to this contract.

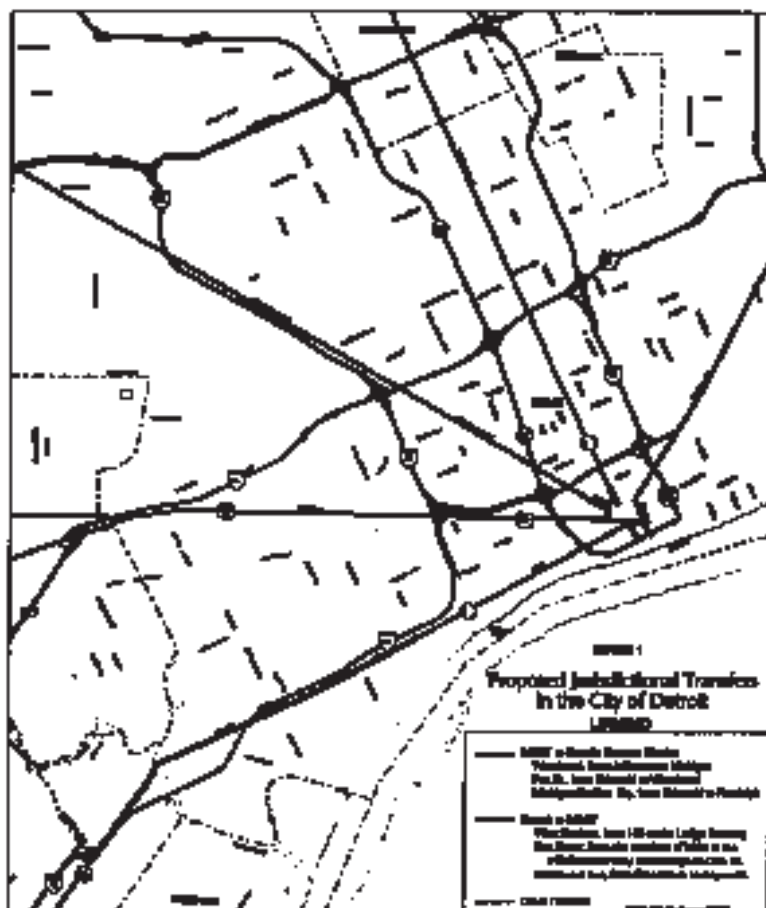

IN WITNESS WHEREOF, the parties hereto have caused this contract to be executed the day and year first above written.

(D) THE DESIGN TREATMENT LEVEL OF THE WARREN-PRENTIS HISTORIC DISTRICT SHALL BE CONSERVATION AS PROVIDED FOR IN SECTION 25-2-2 OF THIS CODE.

(E) THE DEFINED ELEMENTS OF DESIGN, AS PROVIDED FOR IN SECTION 25-2-2 OF THIS CODE, SHALL BE AS FOLLOWS:

(1) **HEIGHT.** THE SINGLE AND MULTIPLE FAMILY RESIDENTIAL STRUCTURES IN THE WARREN-PRENTIS HISTORIC DISTRICT, EXCLUDING ANY STRUCTURES ALTERED IN HEIGHT, RANGE FROM TWO (2) TO FOUR (4) STORIES TALL, OFTEN ON HIGH BASEMENTS. RESIDENTIAL BUILDINGS CONSTRUCTED AS SINGLE-FAMILY DETACHED HOUSES ARE TWO (2) TO TWO AND ONE-HALF (2-1/2) STORIES TALL. ADDITIONS TO EXISTING BUILDINGS SHALL BE RELATED TO THE EXISTING STRUCTURE. OTHER BUILDING TYPES IN THE WARREN-PRENTIS HISTORIC DISTRICT ARE BETWEEN ONE (1) AND FOUR (4) STORIES IN HEIGHT. PARAPET WALLS OF ONE-STORY CONTRIBUTING COMMERCIAL BUILDINGS INCREASE WALL HEIGHT WHERE THEY EXIST. A FULL-STORY ROOFTOP ADDITION SITS ATOP THE FORMER INDUSTRIAL BUILDING AT 460 WEST CANFIELD. THE FORMER DETROIT CENTRAL HIGH SCHOOL HAS A HIGH BASEMENT AND ITS TOWER RISES TO A HEIGHT OF ONE HUNDRED FORTY-SEVEN (147) FEET.

(2) **PROPORTION OF BUILDINGS' FRONT FACADES.** THE TYPICAL FRONT FACADE OF A SINGLE OR TWO-TO-FOUR UNIT RESIDENTIAL BUILDING IN THE WARREN-PRENTIS HISTORIC DISTRICT IS APPROXIMATELY AS TALL TO ITS EAVES AS IT IS WIDE. THE TERRACE BUILDING ON WEST HANCOCK AVENUE AND THIRD AVENUE IS SIGNIFICANTLY WIDER THAN TALL. MULTISTORY APARTMENT BUILDINGS THAT CONTRIBUTE TO THE WARREN-PRENTIS HISTORIC DISTRICT ARE GENERALLY TALLER THAN WIDE, WITH THE EXCEPTION OF LARGER APARTMENT BLOCKS THAT APPEAR AS TALL AS WIDE. THOSE APARTMENT BUILDINGS THAT ARE U-

SHAPED IN PLAN, WHICH MAY RESULT IN CONFIGURATIONS THAT ARE WIDER THAN TALL, HAVE THE COMPONENT END FACADES OF THE "U" FACING THE STREET THAT ARE TALLER THAN WIDE. PROMINENT SIDE ELEVATIONS OF APARTMENT BUILDINGS ON CORNER LOTS ARE OFTEN WIDER THAN TALL. COMMERCIAL BUILDINGS ON WOODWARD AVENUE, CASS AVENUE, WEST WARREN AVENUE, AND THIRD AVENUE CONTRIBUTE TO A CONTINUOUS HORIZONTAL STREETScape WHERE THEY ABUT. OTHER COMMERCIAL BUILDINGS DISPERSED THROUGHOUT THE DISTRICT RANGE IN PROPORTION, FROM SMALL SCALE BUILDINGS THAT ARE AS TALL AS WIDE TO LARGER BUILDINGS THAT ARE WIDER THAN TALL. THE DETROIT POLICE PRECINCT STATION AT 4747 WOODWARD AVENUE IS WIDER THAN TALL. OTHER BUILDINGS CONSTRUCTED FOR INSTITUTIONAL USE, INCLUDING THOSE FOR RELIGIOUS, PHILANTHROPIC AND EDUCATIONAL ORGANIZATIONS, VARY IN THEIR PROPORTIONS, DEPENDING ON FUNCTION, AGE AND STYLE.

(3) **PROPORTION OF OPENINGS WITHIN THE FACADES.** IN RESIDENTIAL BUILDINGS, OPENINGS AMOUNT TO BETWEEN TWENTY PERCENT (20%) AND THIRTY-FIVE PERCENT (35%) OF THE FRONT FACADE, WITH THE MAJORITY RANGING FROM TWENTY-FIVE PERCENT (25%) TO THIRTY PERCENT (30%). MOST WINDOW OPENINGS ARE RECTANGULAR AND FILLED WITH DOUBLE-HUNG SASH WINDOWS, ALTHOUGH IT IS NOT UNCOMMON FOR A GROUPING OF WINDOWS THAT ARE INDIVIDUALLY TALLER THAN WIDE TO FILL A SINGLE OPENING WHICH IS WIDER THAN TALL. SOME BUILDINGS DISPLAY ARCHED OPENINGS, DEPENDING ON STYLE. COMMERCIAL BUILDINGS GENERALLY HAVE A HIGHER PERCENTAGE OF OPENINGS, OFTEN DISPLAYING LARGE STOREFRONT WINDOWS. SOME INDUSTRIAL-TYPE WINDOWS STILL REMAIN IN THE DISTRICT, BUT MANY WERE REPLACED WHEN THE FUNCTIONS OF THOSE BUILDINGS CHANGED, SUCH AS THE FORMER INDUSTRIAL BUILDINGS AT 460 WEST CANFIELD AVENUE AND THE FORMER GOODRICH BUILDING AT 4809 WOODWARD AVENUE.

(4) **RHYTHM OF SOLIDS TO VOIDS IN FRONT FACADES.** WHILE THE WARREN-PRENTIS HISTORIC DISTRICT IS COMPOSED OF SEVERAL BUILDING TYPES WITH MANY SIZES AND TYPES OF WINDOWS, THE OVERALL IMPRESSION IS ONE OF REGULAR, REPETITIVE OPENINGS

ARRANGED HORIZONTALLY WITHIN THE FACADES. A REPETITIVE FLOW OF STOREFRONT OPENINGS, WHERE THEY EXIST, CREATE A RHYTHM ALONG THE COMMERCIAL FRONTAGE. EARLY MODERN-STYLE BUILDINGS, SUCH AS 60 WEST HANCOCK AVENUE AND THE DETROIT POLICE PRECINCT STATION AT 4747 WOODWARD AVENUE, EXHIBIT IRREGULAR WINDOW ARRANGEMENTS BUT THESE ARE NONETHELESS ARRANGED HORIZONTALLY IN ROWS. MANY LATE VICTORIAN BUILDINGS IN THE DISTRICT DISPLAY ARRANGEMENTS OF OPENINGS THAT OFFER MORE VARIETY IN TYPE AND PLACEMENT, WHICH ARE TYPICAL FOR THE AGE AND STYLE OF THE BUILDINGS.

(5) **RHYTHM OF SPACING OF BUILDINGS ON STREETS.** IN THE WARREN-PRENTIS HISTORIC DISTRICT, THE SPACING OF BUILDINGS ON STREETS IS GENERALLY DETERMINED BY FUNCTION. ON EAST-WEST STREETS THAT ARE PRIMARILY RESIDENTIAL, LOT SIZES AND SETBACKS FROM SIDE LOT LINES DETERMINE THE SPACING OF BUILDINGS. THERE IS A GENERAL REGULARITY IN THE WIDTHS OF SUBDIVISION LOTS FROM ONE BLOCK TO ANOTHER. DETACHED SINGLE DWELLINGS, TWO (2) TO FOUR (4) UNIT FLATS, AND SMALL APARTMENT BUILDINGS ON EAST-WEST STREETS, WHETHER THEY ARE CENTERED ON THEIR FORTY (40) FOOT TO FIFTY (50) FOOT LOTS OR PLACED SLIGHTLY CLOSER TO ONE SIDE, CREATE A REGULAR RHYTHM ALONG THE STREET. ALONG SECOND AVENUE, THE SPACING OF LARGER APARTMENT BUILDINGS WITH LIMITED SPACE BETWEEN THEM, AND THE FEW REMAINING INTERMINGLED VICTORIAN HOUSES, CREATE A RHYTHM ALONG THE STREETScape. THE TERRACE BUILDING AT THE CORNER OF WEST HANCOCK AVENUE AND THIRD AVENUE CREATES A FLOWING RHYTHM AROUND THAT CORNER, AS DO THE COMMERCIAL BUILDINGS ON CORNER LOTS. WHERE LATER BUILDINGS, INCLUDING FULL-LOT APARTMENT BUILDINGS AND LARGER COMMERCIAL OR INDUSTRIAL BUILDINGS, REPLACED EARLIER BUILDINGS, THEY ARE FREQUENTLY BUILT UP TO THE FRONT LOT LINES, CREATING AN INCONSISTENT RHYTHM. WHERE BUILDING DEMOLITION HAS OCCURRED, SUCH AS ON THE NORTH SIDE OF WEST FOREST AVENUE BETWEEN WOODWARD AVENUE AND SECOND AVENUE, THE ORIGINAL RHYTHMIC PROGRESSION OF BUILDINGS HAS BEEN DISRUPTED.

(6) **RHYTHM OF ENTRANCE AND/OR PORCH PROJECTIONS.** PORCH AND ENTRANCE TYPES RELATE TO THE TYPE AND STYLE OF THE BUILDING. ON RESIDENTIAL STREETSCAPES, PROJECTING PORCHES ARE MAJOR ELEMENTS; WHEN IN A ROW THEY CREATE A RHYTHMIC PROGRESSION ALONG THE STREET. ENTRANCES ON MULTISTORY APARTMENT BUILDINGS GENERALLY DO NOT PROJECT; THEY FREQUENTLY RECEDE INTO THE FACADE AND HAVE NO CONSISTENT PLACEMENT FROM ONE BUILDING TO THE NEXT. CONSEQUENTLY, A STRONG RHYTHM IS NOT CREATED. WHERE COMMERCIAL BUILDINGS LINE THE STREETS IN NUMBERS, AN IRREGULAR RHYTHM IS CREATED BY MULTIPLE ENTRANCES.

(7) **RELATIONSHIP OF MATERIALS.** THE MAJORITY OF RESIDENTIAL BUILDINGS ARE FACED WITH BRICK, OFTEN COMBINED WITH MASONRY AND/OR WOODEN TRIM, ARCHITECTURAL ELEMENTS AND DETAILS. THE HOUSE AT 110 WEST FOREST AVENUE IS THE ONLY WOOD FRAME BUILDING IN THE DISTRICT. MANY STOREFRONTS OF BRICK COMMERCIAL BUILDINGS HAVE LARGE PLATE GLASS WINDOWS. THE MAJORITY OF ROOFS VISIBLE FROM THE STREET ARE COVERED IN ASPHALT, BUT SLATE ROOFS ALSO EXIST; ALTHOUGH ONE METAL ROOF AND SEVERAL BRONZE BALCONIES EXIST IN THE DISTRICT, THEY ARE ATYPICAL. WROUGHT IRON BALCONETS AND RAILINGS ORNAMENT SEVERAL APARTMENT BUILDINGS. TILE IS USED ON THE FACADE OF THE FORMER GOODRICH BUILDING AT 4809 WOODWARD AVENUE.

(8) **RELATIONSHIP OF TEXTURES.** THE MAJOR TEXTURAL RELATIONSHIP IS THAT OF BRICK LAID IN MORTAR, OFTEN JUXTAPOSED WITH WOOD AND/OR SMOOTH, CARVED OR MOLDED CAST STONE ELEMENTS AND TRIM. TEXTURED BRICK AND BRICK LAID IN PATTERNS CREATES CONSIDERABLE INTEREST WHERE IT EXISTS. WHERE THEY EXIST, SLATE ROOFS HAVE PARTICULAR TEXTURAL VALUE, AS DOES THE ONE METAL ROOF. ASPHALT SHINGLES GENERALLY HAVE LITTLE TEXTURAL INTEREST, EVEN WHERE THEY PURPORT TO IMITATE SOME OTHER VARIETY OF ROOFING.

(9) **RELATIONSHIP OF COLORS.** NATURAL BRICK COLORS, SUCH AS RED, YELLOW, BROWN AND BUFF, PREDOMINATE IN WALL SURFACES. NATURAL STONE COLORS ALSO EXIST, INCLUDING GRAY, BEIGE, BROWN AND RED. ROOFS, THE

MAJORITY OF WHICH ARE ASPHALT SHINGLE, ARE IN NATURAL COLORS, SUCH AS TILE AND SLATE COLORS, NATURAL AND STAINED WOOD COLORS. PAINT COLORS OFTEN RELATE TO STYLE. THE BUILDINGS DERIVED FROM CLASSICAL PRECEDENTS, PARTICULARLY THOSE OF COLONIAL REVIVAL, NEO-COLONIAL AND RENAISSANCE REVIVAL STYLES, GENERALLY HAVE WOODWORK PAINTED WHITE, CREAM, OR IN THE RANGE OF THOSE COLORS. COLORS KNOWN TO HAVE BEEN IN USE ON SIMILAR BUILDINGS OF THIS STYLE IN THE EIGHTEENTH OR EARLY TWENTIETH CENTURIES MAY BE CONSIDERED FOR APPROPRIATENESS. BUILDINGS OF VERNACULAR ENGLISH REVIVAL STYLES GENERALLY HAVE PAINTED WOODWORK AND WINDOW FRAMES OF A DARK BROWN OR CREAM COLOR. VICTORIAN BUILDINGS DISPLAY A BROAD COLOR PALETTE. WHERE THEY EXIST AS DECORATION VISIBLE ON THE FRONT FACADE, TILE AND STAINED GLASS CONTRIBUTE TO THE ARTISTIC INTEREST OF THE BUILDING. THE ORIGINAL COLORS OF ANY BUILDING, AS DETERMINED BY PROFESSIONAL ANALYSIS, ARE ALWAYS ACCEPTABLE FOR THAT BUILDING, AND MAY PROVIDE GUIDANCE FOR SIMILAR BUILDINGS.

(10) **RELATIONSHIP OF ARCHITECTURAL DETAILS.** THE ARCHITECTURAL ELEMENTS AND DETAILS OF EACH STRUCTURE GENERALLY RELATE TO ITS STYLE. SOME INDIVIDUAL BUILDINGS WITHIN THE WARREN-PRENTIS HISTORIC DISTRICT REPRESENT THE PINNACLE OF PERIOD STYLES. THESE BUILDINGS INCLUDE THE RICHARDSONIAN ROMANESQUE FORMER DETROIT CENTRAL HIGH SCHOOL; THE NEO-CLASSICAL FORMER FIRST CHURCH OF CHRIST, SCIENTIST; THE NEO-GOTHIC FIRST UNITARIAN-UNIVERSALIST CHURCH; THE ITALIANATE/SECOND EMPIRE FORMER THOMPSON HOME FOR OLD LADIES; THE COLONIAL REVIVAL FORMER BUTLER HOUSE; AND THE EARLY MODERN/ARTS AND CRAFTS FORMER CHILDREN'S AID SOCIETY. CHARACTERISTIC OF LATE VICTORIAN PERIOD HOUSES ARE MULTIPLE ROOF SHAPES AND WALL PLANES, A VARIETY OF TEXTURAL AND COLORISTIC EFFECTS, AND DECORATIVE WOODEN ELEMENTS. APARTMENT BUILDINGS ARE GENERALLY RICH IN CAST STONE OR WOOD STYLISTIC DETAIL; PORCHES, WINDOW FRAMES, CORNICES, AND DORMER WINDOWS ARE COMMONLY, ALTHOUGH NOT ALWAYS, TREATED. CHARACTERISTIC ELEMENTS AND

DETAILS DISPLAYED ON VERNACULAR ENGLISH REVIVAL-INFLUENCED BUILDINGS INCLUDE ARCHED WINDOWS AND DOOR OPENINGS, STEEPLY PITCHED GABLES, AND TOWERS. ARTISTIC TOUCHES, INCLUDING STAINED GLASS AND TILE, PROVIDE ARTISTIC DECORATION. PRAIRIE STYLE AND ARTS AND CRAFTS STYLE BUILDINGS FEATURE WIDE PORCHES AND OVERHANGS. COMMERCIAL BUILDINGS ALONG WOODWARD AVENUE, CASS AVENUE, THIRD AVENUE, AND WARREN AVENUE RANGE IN STYLE FROM NEO-GEORGIAN TO ART DECO AND ART MODERNE. BUILDINGS CONSTRUCTED FOR RELIGIOUS PURPOSES INCLUDE THE LATE GOTHIC REVIVAL FIRST UNITARIAN-UNIVERSALIST CHURCH; THE NEO-CLASSICAL REVIVAL FORMER FIRST CHURCH OF CHRIST, SCIENTIST; AND THE ENGLISH REVIVAL STYLE FORMER BERA TABERNACLE. IN GENERAL, THE DISTRICT IS RICH IN LATE VICTORIAN ARCHITECTURAL STYLES, AND IN LATE NINETEENTH AND EARLY TWENTIETH CENTURY REVIVAL STYLISTIC EXPRESSIONS OF THE MODERN MOVEMENT.

(11) **RELATIONSHIP OF ROOF SHAPES.** THE WARREN-PRENTIS HISTORIC DISTRICT IS PRIMARILY COMPOSED OF RESIDENTIAL BUILDINGS DISPLAYING A VARIETY OF ROOF SHAPES RELATING TO STYLE. COMMON ARE THE USE OF MULTIPLE ROOF SHAPES OVER VICTORIAN BUILDINGS. COMMERCIAL BUILDINGS THROUGHOUT THE DISTRICT, AS WELL AS MANY TWO (2) TO FOUR (4) UNIT DWELLINGS AND APARTMENT BUILDINGS, HAVE FLAT ROOFS THAT ARE NOT VISIBLE FROM THE STREET. HOWEVER, SEVERAL APARTMENT BUILDINGS BEAR PARAPET WALLS WITH STYLISTIC ELEMENTS, SUCH AS GABLES AND DECORATIVE PEDIMENTS, CREATING INTERESTING SILHOUETTES.

(12) **WALLS OF CONTINUITY.** THE FACADES OF BUILDINGS WITH COMMON SETBACKS ON RESIDENTIAL STREETS, AS WELL AS THE CONTINUOUS FACADES OF COMMERCIAL BUILDINGS, WHERE THEY EXIST IN ROWS, CREATE THE PRIMARY WALLS OF CONTINUITY IN THE DISTRICT. MATURE TREES, WHERE THEY ARE PLANTED IN ROWS EITHER ON THE BERM LYING BETWEEN THE PUBLIC SIDEWALKS AND CURBS, OR IN ROWS ON THE FRONT LAWNS OF A NUMBER OF ADJACENT PROPERTIES, CREATE A STRONG SECONDARY WALL OF CONTINUITY. PUBLIC STREET LIGHTING, SIGN POSTS AND PARKING METERS GENERALLY DO NOT CON-

TRIBUTE TO A WALL OF CONTINUITY BECAUSE OF THEIR DIFFERENT STYLES, HEIGHTS, AND IRREGULAR PLACEMENT THROUGHOUT THE DISTRICT.

(13) **RELATIONSHIP OF SIGNIFICANT LANDSCAPE FEATURES AND SURFACE TREATMENTS.** THE OVERALL IMPRESSION IS THAT RESIDENTIAL STREETSCAPES RUNNING EAST-WEST BETWEEN CASS AND THIRD AVENUES ARE ABUNDANTLY PLANTED WHEREAS THE NORTH-SOUTH STREETSCAPES ARE NOT. TYPICAL TREATMENT OF INDIVIDUAL RESIDENTIAL PROPERTIES IS A SHALLOW, FLAT, FRONT LAWN AREA IN GRASS TURF, SUBDIVIDED BY A STRAIGHT WALK LEADING TO THE FRONT ENTRANCE. GARAGES, WHERE THEY EXIST, ARE LOCATED AT THE REAR OF THE LOT OFF THE ALLEY. WHILE A PATTERN OF CONTINUOUS FRONT LAWNS EXISTS ON WEST FOREST AVENUE AND PRENTIS AVENUE BETWEEN SECOND AND THIRD AVENUES, LOW FRONT YARD FENCES AND HEDGES ALONG SIDE LOT LINES EXIST ON PRENTIS AVENUE BETWEEN CASS AND SECOND AVENUES. HEDGES ALONG FRONT LOT LINES ARE COMMON ON WEST HANCOCK AVENUE BETWEEN SECOND AND THIRD AVENUES. HEDGES ALONG THE FRONT LOT LINES ON SECOND AVENUE COMMONLY SCREEN APARTMENT BUILDINGS FROM THE PUBLIC RIGHT-OF-WAY. THE FRONT YARD OF THE BUILDING LOCATED ON THE SOUTHWEST CORNER OF SECOND AVENUE AND WEST FOREST AVENUE, KNOWN AS THE FOREST APARTMENTS, IS FENCED WITH WROUGHT IRON PICKETS BETWEEN BRICK WALL PIERS. IN GENERAL, THERE IS A WIDE RANGE IN THE TYPE OF FENCING, WITH BLACK WROUGHT IRON AND CHAIN-LINK COMMON. DRIVEWAYS ARE RARE, ALTHOUGH A FEW EXIST WHERE APARTMENT BUILDINGS AND COMMERCIAL BUILDINGS HAVE OFF-STREET PARKING IN THE REAR. SMALLER APARTMENT BUILDINGS, SUCH AS THOSE ON HANCOCK AVENUE BETWEEN SECOND AND THIRD AVENUES, GENERALLY HAVE SHALLOW FRONT LAWNS. THE FULL-LOT BUILDINGS ARE SOMETIMES BUILT UP TO THE FRONT LOT LINE, ABUTTING THE PUBLIC SIDEWALK. A FEW MODERATE TO LARGE APARTMENT BUILDINGS HAVE FRONT COURTYARDS THAT ARE ATTRACTIVELY LANDSCAPED WITH GRASS TURF AND PLANTINGS. THE ONE LARGE-SCALE VICTORIAN SCHOOL BUILDING IN THE DISTRICT HAS A GRADED, BROAD GRASS TURF

FRONT LAWN IN KEEPING WITH ITS SCALE AND IMPORTANCE, AND A LARGE PAVED PARKING LOT IN THE REAR. OTHER BUILDINGS CONSTRUCTED FOR INSTITUTIONAL USE HAVE SHALLOW LAWNS. COMMERCIAL AND INDUSTRIAL BUILDINGS ARE GENERALLY PLACED ON THE FRONT LOT LINE ABUTTING A WIDE SIDEWALK. THE PLACEMENT OF TREES ON THE TREE LAWN OR IN PLANTERS BETWEEN THE PUBLIC SIDEWALK AND CURB VARIES FROM BLOCK TO BLOCK AND STREET TO STREET, AND IS NOT CONSISTENT. THERE IS A LACK OF STREET TREES IN SOME BLOCKS. REPLACEMENT TREES SHOULD BE CHARACTERISTIC OF THE AREA AND PERIOD. IF AMERICAN ELMS ARE PLANTED, THEY SHOULD BE DISEASE RESISTANT. GRANITE CURBS SHOULD BE RETAINED WHERE THEY STILL EXIST.

(14) **RELATIONSHIP OF OPEN SPACE TO STRUCTURES.** THE WARREN-PRENTIS HISTORIC DISTRICT HAS AS ITS MAIN OPEN SPACE VACANT LOTS RESULTING FROM BUILDING DEMOLITION, SOMETIMES IN USE AS PARKING LOTS. LARGE OPEN SPACES ARE ASSOCIATED WITH THE ONE LARGE-SCALE LATE VICTORIA SCHOOL BUILDING IN THE DISTRICT, IN THE FORM OF A LARGE FRONT LAWN OF GRADED GRASS TURF AND A REAR PARKING LOT. FRONT LAWNS ARE SHALLOW, WHERE THEY EXIST. ONE (1) TO FOUR (4) UNIT DWELLINGS USUALLY HAVE REAR YARDS.

(15) **SCALE OF FACADES AND FACADE ELEMENTS.** THE WARREN-PRENTIS HISTORIC DISTRICT IS PART OF A NEIGHBORHOOD OF SMALL TO MODERATELY SCALED SINGLE-FAMILY HOUSES AND TWO (2) TO FOUR (4) UNIT DWELLINGS, SMALL TO MODERATELY SCALED APARTMENT BUILDINGS WITH A FEW U-SHAPED APARTMENT BUILDINGS OF LARGE SCALE, AND LOW TO MODERATELY SCALED COMMERCIAL, INSTITUTIONAL AND INDUSTRIAL BUILDINGS. THERE IS ONE LARGE SCALE LATE VICTORIAN SCHOOL BUILDING IN THE DISTRICT. IN GENERAL, THE INDIVIDUAL BUILDINGS IN THE WARREN-PRENTIS HISTORIC DISTRICT WERE DESIGNED WITH ELEMENTS AND DETAILS THAT ARE APPROPRIATELY SCALED, DEPENDENT ON THE STYLE AND FUNCTION OF THE BUILDING.

(16) **DIRECTIONAL EXPRESSION OF FRONT ELEVATIONS.** DIRECTIONAL EXPRESSION OF FRONT ELEVATIONS IS A RESULT OF THE STYLE OF ARCHITECTURE OF INDIVIDUAL BUILDINGS OR THE JUXTAPOSITION OF SEVERAL BUILDINGS. MOST SIN-

GLE FAMILY HOUSES AND TWO (2) TO FOUR (4) UNIT RESIDENTIAL BUILDINGS IN THE WARREN-PRENTIS HISTORIC DISTRICT GIVE THE IMPRESSION OF NEUTRALITY IN DIRECTIONAL EXPRESSION, ALTHOUGH ELEMENTS ABOVE THE ROOFLINE IN VICTORIAN BUILDINGS MAY ADD A SENSE OF VERTICALITY. MULTISTORY APARTMENT BUILDINGS ARE USUALLY VERTICAL IN DIRECTIONAL EXPRESSION; THEY TEND TO HAVE SIDE ELEVATIONS THAT ARE HORIZONTAL IN DIRECTIONAL EXPRESSION. WHERE THEY EXIST IN ROWS, COMMERCIAL BUILDINGS ARE HORIZONTAL IN DIRECTIONAL EXPRESSION BUT, INDIVIDUALLY, MAY BE NEUTRAL. THE TERRACE BUILDING AT THE SOUTHEAST CORNER OF WEST HANCOCK AVENUE AND THIRD AVENUE IS HORIZONTAL IN DIRECTIONAL EXPRESSION.

(17) **RHYTHM OF BUILDING SET-BACKS.** ONE (1) TO FOUR (4) UNIT RESIDENTIAL BUILDINGS ON EAST-WEST STREETS ARE UNIFORMLY SET BACK FROM THE FRONT PROPERTY LINE, RESULTING IN A CONSISTENT RHYTHM. SMALL SCALE APARTMENT BUILDINGS GENERALLY FOLLOW A UNIFORM SET BACK CONSISTENT WITH THE ONE (1) TO FOUR (4) UNIT BUILDINGS ON THE EAST-WEST STREETS. LARGER OR FULL-LOT APARTMENT BUILDINGS GENERALLY HAVE LESS SET BACK OR NO SET BACK FROM THE FRONT PROPERTY LINE AND, WHERE LOCATED ON EAST-WEST RESIDENTIAL STREETS, BREAK THE UNIFORMITY OF THE FORMER SET BACK PATTERNS. APARTMENT BUILDINGS ON SECOND AVENUE HAVE SHALLOW SET BACKS; THOSE ON THIRD AVENUE EXTEND FROM THE FRONT LOT LINE. COMMERCIAL BUILDINGS FREQUENTLY HAVE NO SET BACKS FROM THE FRONT LOT LINE, BUT RESULT IN A UNIFORM FLOW WHERE THEY ABUT OTHER COMMERCIAL BUILDINGS OF SIMILAR SET BACK.

(18) **RELATIONSHIP OF LOT COVERAGES.** THE RELATIONSHIP OF LOT COVERAGE FOR THOSE BUILDINGS CONTRIBUTING TO THE WARREN-PRENTIS HISTORIC DISTRICT IS GENERALLY A RESULT OF BUILDING TYPE AND LOT SIZE. THE SINGLE AND TWO (2) TO FOUR (4) UNIT RESIDENTIAL STRUCTURES PRIMARILY LOCATED ON WEST FOREST AVENUE AND PRENTIS AVENUE RANGE IN LOT COVERAGE FROM APPROXIMATELY FIFTEEN PERCENT (15%) TO APPROXIMATELY FORTY-FIVE PERCENT (45%), MOST FALLING INTO THE TWENTY-FIVE PERCENT (25%) TO THIRTY-FIVE PERCENT (35%) RANGE. APARTMENT

BUILDINGS THROUGHOUT THE DISTRICT RANGE FROM APPROXIMATELY FIFTY PERCENT (50%) TO NINETY PERCENT (90%) LOT COVERAGE, AND THE LARGER BUILDINGS GENERALLY EXTEND TO THE REAR LOT LINES WITH EITHER LIGHT COURTS OR CENTRAL COURTYARD SPACES. COMMERCIAL BUILDINGS CONTRIBUTING TO THE WARREN-PRENTIS HISTORIC DISTRICT HAVE RANGES OF LOT COVERAGES FROM APPROXIMATELY FIFTY PERCENT (50%) TO ONE HUNDRED PERCENT (100%). THEY ARE TYPICALLY PLACED AT THE FRONT LOT LINE, BUT MAY NOT ENTIRELY FILL THE LOT AT THE REAR. LOT COVERAGE FOR THOSE BUILDINGS CONSTRUCTED FOR INSTITUTIONAL USE IN THE DISTRICT VARIES CONSIDERABLY.

(19) **DEGREE OF COMPLEXITY WITHIN THE FACADES.** THE FACADES WITHIN THE WARREN-PRENTIS HISTORIC DISTRICT RANGE FROM VERY SIMPLE TO QUITE COMPLEX, DEPENDING ON STYLE, BUT ARE GENERALLY STRAIGHTFORWARD IN THEIR ARRANGEMENTS OF ELEMENTS AND DETAILS. OVERALL, THERE IS A LOW DEGREE OF COMPLEXITY.

(20) **ORIENTATION, VISTAS, OVER-VIEWS.** BUILDINGS GENERALLY FACE THE STREETS WITH SOME EXCEPTIONS. THE EAST-WEST STREETS ARE MORE HEAVILY RESIDENTIAL WHILE THE NORTH-SOUTH STREETS CONTAIN A GREATER NUMBER OF USES. HIGH DENSITY RESIDENTIAL USES DOMINATE SECOND AVENUE AS WELL. THE LANDMARK TOWER OF THE FORMER DETROIT CENTRAL HIGH SCHOOL CAN BE SEEN FROM BEYOND THE BORDERS OF THE DISTRICT. THE FORMER BEREA TABERNACLE CHURCH AND 818 WEST HANCOCK AVENUE ARE PHYSICALLY SEPARATED FROM THE REST OF THE DISTRICT BY THE WIDENING OF THIRD AVENUE AT ITS NORTHERN END.

(21) **SYMMETRIC OR ASYMMETRIC APPEARANCE.** FRONT FACADES OF BUILDINGS RANGE FROM COMPLETELY SYMMETRICAL TO ASYMMETRICAL, DEPENDING ON ARCHITECTURAL STYLE. A GREAT VARIETY OF ARCHITECTURAL STYLES AND BUILDING TYPES EXIST WITHIN THE DISTRICT, ALTHOUGH MOST ARE CLASSICALLY INSPIRED AND, THUS, TEND TO BE SYMMETRICAL.

(22) **GENERAL ENVIRONMENTAL CHARACTER.** THE WARREN-PRENTIS HISTORIC DISTRICT IS A DENSE, URBAN, MIXED USE DISTRICT PRIMARILY COMPOSED OF RESIDENTIAL STRUCTURES BUT ALSO CONTAINING

COMMERCIAL, INSTITUTIONAL, AND RELIGIOUS BUILDINGS AS WELL AS VACANT LAND. ITS BUILDINGS REFLECT THE AREA'S DEVELOPMENT AS ONE OF RAPID GROWTH, INTENSIFICATION OF LAND USE, SUDDEN DECLINE AND RECENT REVITALIZATION. THE VITALITY OF THE DISTRICT IS A RESULT OF THE MIXTURE OF USES AND THE CORRESPONDINGLY DIVERSE PHYSICAL APPEARANCE OF ITS ARCHITECTURAL RESOURCES. ITS PROXIMITY TO WAYNE STATE UNIVERSITY, THE CULTURAL CENTER, AND THE DETROIT MEDICAL CENTER RESULT IN ITS BEING A LOCUS FOR HUMAN ACTIVITY.

**Section 2.** All ordinances, or parts of ordinances, that conflict with this ordinance are repealed.

**Section 3.** This ordinance is declared necessary for the preservation of the public peace, health, safety, and welfare of the People of the City of Detroit.

**Section 4.** In the event that this ordinance is passed by a two-thirds (2/3) majority of City Council Members serving, it shall be given immediate effect and become effective upon publication in accordance with Section 4-116 of the 1997 Detroit City Charter. Where this ordinance is passed by less than a two-thirds (2/3) majority of City Council Members serving, it shall become effective no later than thirty (30) days after enactment in accordance with Section 4-115 of the 1997 Detroit City Charter.

#### City of Detroit City Council Historic Designation Advisory Board

November 21, 2000

Honorable City Council:

Re: Historic Designation Advisory Board submitting its final report on the proposed Motor City Missionary Baptist Church Historic District.

At the direction of the Historic Designation Advisory Board at its meeting of August 8, 2000, I am pleased to submit to your Honorable Body the board's final report on the proposed Motor City Missionary Baptist Church Historic District. The recommendation of the Advisory Board is for designation and, therefore, a draft ordinance of designation is attached. The ordinance has been approved as to form by the Law Department.

Also attached with the Board's final report is a copy of the minutes of the public hearing held by the Advisory Board on this matter. The designation was requested by the church pastor Rev. Juanita Haynes, who, along with Betty Lowe, co-director of the church's Historical Program, acted as ad hoc representatives to the Advisory Board; both are in favor of the proposed district.

If you should have any questions, I may be reached at 4-3487.

Respectfully submitted,

Director

By Council Member Scott:

**AN ORDINANCE to amend Chapter 25, Article II, of the 1984 Detroit City Code by adding Section 25-2-135 to establish the Motor City Missionary Baptist Church Historic District, to establish rehabilitation as the design treatment level for the district, and to define the elements of design for the district.**

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

**Section 1.** Chapter 25, Article II, of the 1984 Detroit City Code be amended by adding Section 25-2-135 to read as follows:

**SEC. 25-2-135. MOTOR CITY MISSIONARY BAPTIST CHURCH HISTORIC DISTRICT.**

(A) A HISTORIC DISTRICT TO BE KNOWN AS THE MOTOR CITY MISSIONARY BAPTIST CHURCH HISTORIC DISTRICT IS HEREBY ESTABLISHED IN ACCORDANCE WITH THE PROVISIONS OF THIS ARTICLE.

(B) THIS HISTORIC DISTRICT DESIGNATION IS HEREBY CERTIFIED AS BEING CONSISTENT WITH THE DETROIT MASTER PLAN.

(C) THE BOUNDARIES OF THE MOTOR CITY MISSIONARY BAPTIST CHURCH HISTORIC DISTRICT ARE AS SHOWN ON THE MAP ON FILE IN THE

OFFICE OF THE CITY CLERK, AND SHALL BE: ON THE EAST, THE CENTERLINE OF 28TH STREET; ON THE SOUTH, THE SOUTH LINE, EXTENDED EAST AND WEST, OF LOT 371 OF HAMMOND AND RICH'S SUBDIVISION (LIBER 6, PAGE 67); ON THE WEST, THE CENTERLINE OF THE NORTH-SOUTH ALLEY LYING BETWEEN 28TH STREET AND 30TH STREET; AND ON THE NORTH, THE NORTHLINE, EXTENDED EAST AND WEST, OF LOT 377 OF THE HAMMOND AND RICH'S SUBDIVISION. THE LEGAL DESCRIPTION IS AS FOLLOWS: LOTS 371 THROUGH 377, INCLUSIVE, OF HAMMOND AND RICH'S SUBDIVISION (LIBER 6, PAGE 67).

(D) THE DESIGN TREATMENT LEVEL OF THE MOTOR CITY MISSIONARY BAPTIST CHURCH HISTORIC DISTRICT SHALL BE REHABILITATION AS PROVIDED FOR IN SECTION 25-2-2 OF THIS CODE.

(E) THE DEFINED ELEMENTS OF DESIGN, AS PROVIDED FOR IN SECTION 25-2-2 OF THIS CODE, SHALL BE AS FOLLOWS:

(1) **HEIGHT.** THE MOTOR CITY BAPTIST CHURCH BUILDING IS ONE (1) TALL SINGLE-STORY SPACE WITH AN EIGHTY (80) FOOT TALL, MULTI-STAGED ENTRANCE TOWER RISING ABOVE THE PEAK OF THE ROOF AT THE FRONT FACADE. THE RECTORY IS ONE AND ONE-HALF (1-1/2) STORIES TALL AND THE SCHOOL IS TWO (2) STORIES TALL ON A HIGH BASEMENT.

(2) **PROPORTION OF BUILDINGS' FRONT FACADES.** THE FRONT FACADE OF THE MOTOR CITY MISSIONARY BAPTIST CHURCH BUILDING IS SLIGHTLY WIDER THAN TALL TO ITS EAVES, BUT WITHIN ITS FRONT TOWER, IS SIGNIFICANTLY TALLER THAN WIDE. THE FRONT FACADE OF THE RECTORY IS WIDER THAN TALL TO ITS EAVES BUT IS APPROXIMATELY AS TALL AS IT IS WIDE TO THE PEAK OF THE FRONTAL GABLE. THE FRONT FACADE OF THE SCHOOL IS WIDER THAN TALL.

(3) **PROPORTION OF OPENINGS WITHIN THE FACADE.** ALL SIGNIFICANT OPENINGS IN THE CHURCH BUILDING ARE TALLER THAN WIDE AND ARE OFTEN LANCET-ARCHED AND SUBDIVIDED BY TRACERY AND/OR LEADED GLASS. OPENINGS AMOUNT TO APPROXIMATELY THIRTY PERCENT (30%) OF THE FRONT FACADE OF THE CHURCH BUILDING AND APPROXIMATELY THIRTY PERCENT (30%) OF ITS SIDE ELEVATIONS. OPENINGS AMOUNT TO APPROXIMATELY TWENTY-FIVE PERCENT (25%) OF THE FRONT FACADE OF THE RECTORY. WINDOWS ARE OF THE

DOUBLE-HUNG SASH VARIETY WHICH ARE TWICE AS TALL AS WIDE, BUT, ON THE FIRST STORY, ARE ARRANGED IN A GROUPING WIDER THAN TALL. WINDOW OPENINGS IN THE SCHOOL BUILDING ARE TWICE AS TALL AS WIDE, CONTAIN DOUBLE-HUNG SASH WINDOWS, AND ARE OFTEN GROUPED IN TWOS OR THREES. OPENINGS IN THE FRONT FACADE OF THE SCHOOL BUILDING AMOUNT TO APPROXIMATELY TWENTY-FIVE PERCENT (25%) TO THIRTY PERCENT (30%) OF THE FRONT FACADE.

(4) **RHYTHM OF SOLIDS TO VOIDS IN FRONT FACADES.** THE RHYTHM OF VOIDS IN THE SOLIDS IS CREATED BY THE FORMAL ARRANGEMENT OF WINDOWS AND ENTRANCES WITHIN THE THREE (3) ARTICULATED SECTIONS OF THE CHURCH. THE ENTRY IN THE LOWER STAGE OF THE CENTRAL TOWER IS COMPOSED OF DOUBLE DOORS WITH A BLIND LANCET-ARCHED TRANSOM ABOVE. THE SECOND STAGE OF THE TOWER IS COMPOSED OF TWO (2) LANCET-ARCHED TREFOIL WINDOWS AND, ABOVE THEM, THREE (3) MORE LANCET-ARCHED OPENINGS. THE FINAL STAGE, OR BELFRY, IS ARRANGED WITH A PAIR OF LANCET-ARCHED TREFOIL WINDOWS BENEATH A GABLE; THE FRONTAL ELEVATION OF THE BELFRY IS NOT INTACT. THE LOWER HALF OF THE TOWER IS FLANKED BY LARGE, ELONGATED LANCET-ARCHED GOTHIC WINDOWS IN THE SIDE VESTIBULES. THE SIDE ELEVATIONS OF THE CHURCH BUILDING CONSIST OF FIVE (5) EVENLY SPACED, TALL LANCET-ARCHED WINDOWS SIMILAR TO THE SINGLE WINDOWS IN THE VESTIBULES ON THE FRONT FACADE. WINDOW OPENINGS ARE ARRANGED HORIZONTALLY IN ROWS IN THE RECTORY, RESULTING IN RELATIVELY LARGE AREAS OF SOLID SPACE. THE RECTORY FEATURES A PAIR OF ONE-OVER-ONE DOUBLE-HUNG SASH WINDOWS CENTERED IN THE PROJECTING GABLE OF THE HALF-STORY ABOVE THE FRONT PORCH. BENEATH, AT FIRST STORY LEVEL, IS A GROUPING OF THREE (3) ONE-OVER-ONE DOUBLE-HUNG SASH WINDOWS AND, TO ITS NORTH, A SINGLE DOOR ENTRANCE. RECESSED ON THE SOUTH SIDE OF THE RECTORY IS A SINGLE SIDE DOOR THAT FACES FRONTALLY. OPENINGS IN THE FRONT FACADE OF THE SCHOOL ARE ARRANGED SYMMETRICALLY IN HORIZONTAL ROWS, RESULTING IN A RHYTHMIC PATTERN CREATED BY THE GROUPING OF WINDOWS. THE ENTRANCE TO THE SCHOOL IS COMPOSED OF A PAIR OF WOOD-FRAMED DOUBLE DOORS

FLANKED BY NARROW SIDELIGHTS BENEATH A LARGE SHALLOW-ARCHED TRANSOM. OPENINGS ABOVE THE ENTRANCE IN THE CENTRAL BAY CONSIST OF GROUPING OF THREE (3) DOUBLE-HUNG SASH WINDOWS WITH TRANSOMS ABOVE. FENESTRATION TO THE SIDES OF THE CENTRAL BAY CONSIST OF TWO (2) STORIES OF SIMILAR GROUPINGS OF THREE-OVER-ONE DOUBLE-HUNG SASH WINDOWS, WITH A SIMILAR SINGLE WINDOW AT THE EXTREME ENDS OF THE FACADE. UPPER SASHES AND TRANSOMS, WHERE THEY EXIST, ARE FURTHER SUBDIVIDED. BASEMENT WINDOWS IN THE SCHOOL BUILDING ARE LOCATED BENEATH THE ROWS OF MULTI-WINDOW GROUPINGS.

**(5) RHYTHM OF SPACING OF BUILDINGS ON STREETS.** THE MOTOR CITY MISSIONARY BAPTIST CHURCH HISTORIC DISTRICT IS COMPOSED OF THREE (3) DISTINCT BUILDINGS INCLUDING A CHURCH, A RECTORY, AND A SCHOOL WHICH ARE SPACED INCONSISTENTLY ON THEIR LOTS. THE RECTORY AND CHURCH MAINTAIN SIDE YARDS. THE PARKING LOT TO THE NORTH OF THE CHURCH CAUSES A LARGE BREAK IN THE PROGRESSION OF BUILDINGS ON THE STREET.

**(6) RHYTHM OF ENTRANCE AND/OR PORCH PROJECTIONS.** NO SPECIFIC RHYTHM IS CREATED BY THE PORCH PROJECTIONS AMONGST THE THREE (3) BUILDINGS IN THE DISTRICT. THERE ARE THREE (3) STEPS IN A CONCENTRIC PATTERN LEADING TO THE ENTRANCE OF THE CHURCH IN THE PROJECTING TOWER. THERE ARE STEPS LEADING TO THE BROAD FRONT PORCH OF THE RECTORY AND TO A SIDE PORCH ON ITS SOUTH SIDE. FINALLY, THERE ARE STEPS BETWEEN PORCH WALLS LEADING TO THE CENTRAL ENTRANCE OF THE SCHOOL BUILDING.

**(7) RELATIONSHIP OF MATERIALS.** THE MOTOR CITY MISSIONARY BAPTIST CHURCH BUILDING AND RECTORY ARE WOOD FRAME STRUCTURES WITH CLAPBOARD AND PATTERNED SHINGLE CLADDING. GALVANIZED METAL CORNER BUTTRESSES RISE ABOVE THE WOODEN FIRST FLOOR PIERS OF THE CHURCH BUILDING. THE CHURCH BUILDING RESTS ON BRICK FOUNDATIONS AND THE RECTORY HAS BRICK PORCH PIERS. THE SCHOOL BUILDING IS BRICK WITH MASONRY TRIM AND CONCRETE STEPS. GLASS IS ALSO A MAJOR MATERIAL AS USED IN WINDOWS OF ALL THREE (3) BUILDINGS. ROOFS OVER THE CHURCH BUILDING AND RECTORY ARE ASPHALT SHINGLED.

**(8) RELATIONSHIP OF TEXTURES.** SEVERAL DIFFERENT TEXTURAL EFFECTS ARE CREATED BY THE TYPE, THE TREATMENT, AND THE JUXTAPOSITION OF MATERIALS. THE MAJOR TEXTURAL EFFECT IS THAT CREATED BY HORIZONTAL WOOD SIDING JUXTAPOSED WITH PATTERNED SHINGLES AND OTHER WOODEN OR WOOD-LIKE ELEMENTS OF THE CHURCH AND RECTORY. THE BRICK AND MORTAR JOINTS OF THE SCHOOL BUILDING ARE CONTRASTED WITH THE TEXTURE OF CAST MASONRY TRIM. ASPHALT SHINGLES OF THE ROOFS DO NOT CONTRIBUTE TO TEXTURAL INTEREST.

**(9) RELATIONSHIP OF COLORS.** THE CHURCH BUILDING AND THE RECTORY ARE PAINTED WHITE. THE ROOF COLOR OF THE CHURCH BUILDING IS BLACK; THAT OF THE RECTORY IS RED. THE NATURAL RED BRICK OF THE SCHOOL BUILDING IS CONTRASTED WITH BEIGE STONE TRIM. THE PAINT COLOR OF THE WINDOW FRAMES IS LARGELY WORN OFF BUT APPEARS TO BE PALE YELLOW.

**(10) RELATIONSHIP OF ARCHITECTURAL DETAILS.** ARCHITECTURAL ELEMENTS AND DETAILS OF THE CHURCH BUILDING ARE LARGELY ARCHITECTONIC IN CHARACTER AND IN KEEPING WITH THE VICTORIAN GOTHIC STYLE. ITS FACE IS COMPOSED OF A TALL, SQUARE, CENTRAL ENTRANCE TOWER AND PITCHED ROOF VESTIBULES THAT FLANK IT. THE LANCET-ARCHED, TRACERIED TRANSOM OVER THE ENTRANCE DOORS IS SHELTERED BY A SHALLOW GABLED HOOD SUPPORTED ON THREE (3) SIMPLE CURVED BRACKETS, ABOVE WHICH IS SCALLOPED SHINGLING. THE TOWER IS BUTTRESSED AT THE FIRST FLOOR WITH CANTED WOODEN PIERS SUPPORTING OCTAGONAL, GALVANIZED METAL CORNER BUTTRESSES RESULTING IN CONICAL FINIALS. ABOVE THE OPEN, LANCET-ARCHED BELFRY IS A TALL, TAPERING SPIRE. WOODEN FASCIA BOARD BENEATH THE EAVES OF THE MAIN GABLED ROOF AND VESTIBULE ROOFS ARE DECORATED WITH BLIND ARCADING AND SUPPORTED BY REGULARLY SPACED CURVED BRACKETS. THE RECTORY, A QUEEN ANNE VICTORIAN COTTAGE, EXHIBITS CRAFTSMAN INFLUENCE ON THE FIRST FLOOR AND A PORCH FROM A 1917 MODIFICATION. ITS ATTIC STORY FEATURES A FRONTAL GABLE PROJECTION CLAD IN IMBRICATION CONSISTING OF WOODEN FISH-SCALE SHINGLES ALTERNATING WITH ROWS OF DIAMOND SHAPED SHINGLES. A WINDOW HOOD WITH A SLIGHTLY PROJECTING MANSARD ROOF SUP-

PORTED ON BRACKETS RESTS ABOVE THE WINDOW ARRANGEMENT IN THE FRONTAL GABLE. THE SCHOOL BUILDING IS COLLEGIATE GOTHIC IN STYLE. ITS DETAILING INCLUDES STYLIZED BRICK WALL BUTTRESSES, BLIND TRACERY, BLIND LANCET ARCHES, AND A PARAPET WALL REFLECTIVE OF THE COLLEGIATE GOTHIC STYLE.

(11) **RELATIONSHIP OF ROOF SHAPES.** THE MAIN ROOF OF THE MOTOR CITY MISSIONARY BAPTIST CHURCH BUILDING IS A STEEPLY PITCHED FRONTAL GABLE ROOF. VESTIBULES THAT FLANK THE CENTRAL TOWER HAVE SIMILARLY PITCHED SLOPES. THE BROACH SPIRE RISES ABOVE GABLES OF THE BELFRY AND CORNER PINNACLES PROJECT FROM THE UPPER STAGE OF THE TOWER. A FIVE-SIDED ROOF COVERS THE SMALL APSE PROJECTION AT THE REAR OF THE CHURCH BUILDING. THE RECTORY FEATURES A FRONT FACING GABLE ROOF INTERSECTED BY A STEEPLY PITCHED GABLE ROOF FORMING GABLE PROJECTIONS OVER THE SIDE ELEVATIONS. THE FRONT PORCH IS SHELTERED BY A SHED ROOF. THE FLAT ROOF OF THE SCHOOL IS NOT VISIBLE FROM THE STREET.

(12) **WALLS OF CONTINUITY.** NO WALL OF CONTINUITY IS CREATED BY THE BUILDINGS DUE TO THEIR DIFFERING SETBACKS. A SECONDARY WALL OF CONTINUITY CONSISTING OF THE MATURE TREES PLANTED IN THE LAWN BETWEEN THE CURB AND THE PUBLIC SIDEWALK EXISTS IN FRONT OF THE RECTORY AND THE CHURCH BUILDING.

(13) **RELATIONSHIP OF SIGNIFICANT LANDSCAPE FEATURES AND SURFACE TREATMENTS.** THE MOTOR CITY MISSIONARY BAPTIST CHURCH BUILDING IS SET BACK SLIGHTLY FROM THE FRONT PROPERTY LINE, ALLOWING SPACE FOR A CONCRETE HANDICAPPED RAMP ON THE SOUTH SIDE OF THE FRONT FACADE THAT EXTENDS TO AN ENTRANCE ON THE SOUTH ELEVATION. THE AREA IN FRONT OF THE ENTRANCE OF THE CHURCH BUILDING IS PAVED IN CONCRETE. A WIDE CONCRETE SIDEWALK RUNS FROM THE STREET CURB TO THE STAIRS OF THE CHURCH. THE FRONT YARD OF THE RECTORY IS GRASS TURF; A CONCRETE DRIVEWAY EXTENDS ALONG ITS SOUTH ELEVATION TO A ONE-CAR GARAGE AT THE ALLEY. A CHAIN LINK FENCE SPANS THE SPACE BETWEEN THE CHURCH BUILDING AND RECTORY. CHAIN LINK FENCING ALSO SURROUNDS THE PAVED PARKING LOT IN

FRONT OF THE SCHOOL BUILDING AND THE REAR YARD OF THE CHURCH BUILDING.

(14) **RELATIONSHIP OF OPEN SPACE TO STRUCTURES.** THE MAJOR OPEN SPACE WITHIN THE DISTRICT IS CREATED BY A PARKING LOT IN FRONT OF THE SCHOOL BUILDING. SHALLOW OPEN SPACE EXISTS IN FRONT OF THE RECTORY AND CHURCH BUILDING. THE CHURCH BUILDING HAS A SMALL TURF YARD IN THE REAR; THE RECTORY HAS AN AMPLE TURF BACK YARD. OPEN SPACE OCCURS IMMEDIATELY OUTSIDE THE CHURCH COMPLEX AS A RESULT OF BUILDING DEMOLITION.

(15) **SCALE OF FACADES AND FACADE ELEMENTS.** THE MOTOR CITY MISSIONARY BAPTIST CHURCH IS THE DOMINANT EDIFICE IN THE THREE-BUILDING COMPLEX. THE CHURCH BUILDING IS A SMALL SCALE RELIGIOUS STRUCTURE COMPOSED OF SUITABLY SCALED ELEMENTS, SUCH AS THE CENTRAL ENTRANCE TOWER, GABLES, TRACERY WINDOWS, SPIRE, BRACKETS, AND BLIND ARCADING. THE RECTORY IS A SMALL-SCALE RESIDENTIAL STRUCTURE. THE SCHOOL BUILDING IS SMALL IN SCALE FOR A SCHOOL BUILDING OF ITS PERIOD AND HAS LARGE GROUPINGS OF WINDOWS.

(16) **DIRECTIONAL EXPRESSION OF FRONT ELEVATIONS.** THE DIRECTIONAL EXPRESSION OF THE MOTOR CITY MISSIONARY BAPTIST CHURCH IS EMPHATICALLY VERTICAL. THE DIRECTIONAL EXPRESSION OF THE RECTORY IS NEUTRAL, WHILE THE SCHOOL BUILDING IS HORIZONTAL.

(17) **RHYTHM OF BUILDING SETBACKS.** THE MOTOR CITY MISSIONARY BAPTIST CHURCH IS SET BACK ONLY SLIGHTLY FROM THE PROPERTY LINE. THE SCHOOL TO THE NORTH OF THE CHURCH IS SITUATED ON THE REAR OF ITS LOT, CREATING OPEN SPACE IN FRONT, AND THE SETBACK OF THE RECTORY TO ITS SOUTH IS CONSISTENT WITH OTHER RESIDENTIAL PROPERTY ON THE BLOCK.

(18) **RELATIONSHIP OF LOT COVERAGES.** NOT APPLICABLE DUE TO SINGLE COMPLEX DISTRICT.

(19) **DEGREE OF COMPLEXITY WITHIN THE FACADES.** THE FACADE OF THE MOTOR CITY MISSIONARY BAPTIST CHURCH IS STRAIGHTFORWARD IN ITS ARRANGEMENT OF ELEMENTS AND DETAILS. THE RECTORY IS MORE COMPLEX AS AN ASSIMILATION OF TWO (2) STYLISTIC PERIODS. THE SCHOOL IS STRAIGHTFORWARD IN ITS SYMMETRY AND STYLISTIC DETAIL. OVERALL, THERE IS A LOW DEGREE OF COMPLEXITY WITHIN THE THREE-BUILDING COMPLEX.

(20) **ORIENTATION, VISTAS, OVER-VIEWS.** THE MOTOR CITY MISSIONARY BAPTIST CHURCH HISTORIC DISTRICT FACES 28TH STREET, A NORTH-SOUTH RESIDENTIAL THOROUGHFARE. THE CHURCH IS LOCATED IN THE MIDDLE OF THE BLOCK, AND ITS TOWER IS VISIBLE FROM THE IMMEDIATE VICINITY, RESULTING IN ITS PROMINENCE AMONGST ITS SMALL SCALE RESIDENTIAL NEIGHBORS.

(21) **SYMMETRIC OR ASYMMETRIC APPEARANCE.** THE MOTOR CITY MISSIONARY BAPTIST CHURCH IS SYMMETRICAL IN APPEARANCE, AS IS THE SCHOOL BUILDING TO ITS NORTH. THE RECTORY IS ASYMMETRICAL BUT BALANCED.

**Planning & Development Department**

November 16, 2000

Honorable City Council:

Re: Sale of Property By Development Agreement. Kales Building — 76 West Adams Avenue.

The Planning and Development Department (P&DD) requests approval for the sale of 76 Adams Avenue, aka "Kales Building" to Kales Building, L.L.C. by Development Agreement for the price of \$135,000.00. The Kales Building L.L.C. proposes to renovate the now vacant city owned structure into 85 market rate resi-

dential apartment units, along with a commercial/office component on the ground and second floors.

**Background:**

The Kales Building has been in City ownership since 1993 and is located at the northeast corner of Adams and Park Streets on Grand Circus Park. The building was originally constructed in 1914 as headquarters for the S.S. Kresge Company. The building has 18 floors, contains approximately 143,900 square feet and has been vacant since 1986.

**Request for Proposals (RFP) Process:**

The offering package was released on June 18, 1999. Advertisements were placed in the Michigan Chronicle and the Detroit Legal News. Approximately 500 notices were distributed to contractors and developers. Interested parties were able to obtain copies of the RFP package from the P&DD, or the Greater Downtown Partnership (Partnership) and their respective web sites. More than 800 inquiries were made to the web sites during the advertising period, which lasted until August 6, 1999.

Six (6) proposals were submitted by the August 6, 1999 deadline. A review team, consisting of representatives from the P&DD, the Partnership, and the Downtown Development Authority (DDA) evaluated the responses and interviewed the proponents. Three (3) of the developers subsequently withdrew their proposals, leaving the review team to evaluate the following proposals: 1) Kales Building L.L.C., 2) RSP Development, and 3) Shape of Future Things to Come.

**Evaluation of Proposals:**

The Review Team proceeded to evaluate the proposals based on the following criteria: 1) Developer capacity to secure financing to expeditiously complete the project, 2) Consistent with Reinvestment Strategy for the Lower Woodward District, 3) Quality of finished product, 4) Parking solution for the building users, 5) Project schedule, 6) Adherence to City of Detroit Executive Orders 4 and 22, and 7) Purchase Price.

**Recommendation:**

The Review Team initially reviewed each submitted proposal, and then interviewed all of the individual development teams. After requesting additional information and feedback, the Review Team undertook additional review of the materials submitted. Upon further review, and with the proper assurance from the financial institutions of project feasibility and funding, along with the ability to complete and market the project and fulfill all other requirements of the RFP, the Review Team recommended the sale of the Kales Building to Kales Building L.L.C.

**Project Description:**

Kales Building L.L.C. proposes to spend approximately 10.4 million dollars

in order to renovate the Historic Kales Building into 85 quality market rate residential apartment units (floors 3 thru 18), 6,400 square feet of retail space (floor 1), and 7,000 square feet of office space (floor 2). The apartment mix will consist of: twenty (20) one bedroom units (1,000 s.f.), thirty-three (33) two bedroom units (1,100 s.f.), and thirty-two (32) three bedroom units (1,280 s.f.). A 24-hour valet parking service will be available for tenants. Kales Building L.L.C. will complete construction and will have the building fully occupied 24 months after signing the development agreement. The Development team consists of Ferlito Construction Company, The Brinker Group, The Cornerstone Company, and Park Rite, Incorporated.

If you should have further questions or require additional information regarding this proposal, please contact Mr. James Marusich, Project Manager, of my Development Staff at 224-3517.

Respectfully submitted,  
**PAUL A. BERNARD**  
 Director

By Council Member Hood:

Resolved, That this offer by Kales Building L.L.C., a Michigan Corporation, to purchase and redevelop the Kales Building, 76 West Adams Avenue, is in satisfactory form; and

That the disposal of this property by RFP is an appropriate method for the property available for redevelopment; and

That the offered aggregate price of \$135,000.00 plus the commitment to fully develop the property for use in connection with the Redevelopment Strategy for Downtown Detroit is acceptable.

Under the terms of the applicable portions of the City Code (Sections 2-1-15(a), 2-1-15(b) and 2-1-15(c)), City Council may waive 1) the costs of environmental inquiry, if any; 2) costs of environmental assessments, if any; and 3) action to recover all costs associated with the remediation of or response activity at a facility from the present owner (as that term is defined in 1980 PA 87, as amended). In this case, we respectfully submit that the conditions for such waiver are met, because your Honorable Body has previously declared the project necessary and essential to the interests of the public peace, health, safety and welfare of the City, and the acquisition is being accomplished by the exercise of the City's power of eminent domain in a manner consistent with the Uniform Condemnation Procedures Act, 1980, PA 87. In addition, as noted above, no evidence of recognized environmental conditions were found for these properties, except in certain cases, conditions that could be anticipated with residential or commercial use.

Accordingly, for those properties listed above, your Honorable Body is respectfully requested to adopt the attached resolution authorizing waiver of such costs associated with the properties in the City's good faith offer, appraisal, and declaration of taking, with respect to the present owner only, 1980 PA 87, as amended, provides that the condemning authority must state its intent to "waive or reserve" recovery of response costs from the property owner in the appraisal of the property and the good faith offer. MCL Section 213.55. A decision is needed by your Honorable Body at this time in order to comply with the requirements of the

statute. A waiver of reconsideration is also hereby respectfully requested.

Re: Application for Brownfield Redevelopment Grant Funds. New Amsterdam Project, 6134 Second Avenue and 6200 2nd Avenue

The State of Michigan has made available grant funding for the investigation and clean up of contaminated sites where clean up activities will result in economic development. The funding is allocated through the Michigan Department of Environmental Quality's Brownfield Redevelopment Program, under the authority of 1994 PA 451, as amended, Part 196.

For some time now, the City has been working with The Farman Group with respect to the development of lofts at several parcels in the New Center area. Your Honorable Body has also approved a Section 108 loan and EDI grant application for \$10,700,000 for this project. In addition, the application process requires a resolution by your Honorable

Also, the resolution must include a statement that the proposed development is consistent with local development plans.

Honorable City Council:

Re: Jamal Harper, et. al. vs. City of Detroit Police Officer Tiffany Jordan, et. al. Case No. 99 922340 NO. File No. 97-8274 (PGR). CLIS No. 9907131.

On November 13, 2000, a mediation panel evaluated the above-captioned lawsuit and awarded Twenty Thousand Dollars (\$20,000.00) in favor of Plaintiffs. We, therefore, request your Honorable Body to authorize acceptance of the mediation award; and, in the event that Plaintiffs accept the award, direct the Finance Director to issue a draft in the amount of Twenty Thousand Dollars (\$20,000.00) payable to Jamal Harper and Christopher Harper and their attorneys, Christopher J. Re: Woodrow Iverson v Detroit Police Officers Amir Smith and John Doe. Case No.: 00-005613 NO, File No.: 00-2466 (GH), CLIS No.: 00-7628.

On November 7, 2000, a mediation panel evaluated the above-captioned lawsuit and awarded Twelve Thousand Five Hundred Dollars (\$12,500.00) in favor of Plaintiff. Based upon our review of the facts and particulars of this lawsuit, which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body, it is our considered opinion that acceptance of the mediation award is in the best interest of the City of Detroit.

We, therefore, request your Honorable Body to authorize acceptance of the mediation award; and, in the event that Plaintiff accepts the award, to deem such acceptance as a settlement and to direct the Finance Director to issue a draft in the amount of Twelve Thousand Five Hundred Dollars (\$12,500.00) payable to

November 28, 2000

Honorable City Council:

Re: Request of Beacon Sign Company to erect an identification sign on the grounds of 67 E. Kirby (Children's Museum) in a PC (Public Center District) zoning classification (Recommend Approval).

Beacon Sign Company is requesting a permit to erect an identification sign on the grounds of 67 E. Kirby. This property is located in a PC (Public Center District) zoning classification. PC zoning districts are located in areas used for governmental, recreational, and cultural purposes of particular or special civic importance, and the controls of the PC district are designed to ensure a completely harmonious, pleasing, and functional public center. Section 111.0200 of the Zoning Ordinance requires City Council approval of the design, appearance, and location of any sign proposed in a PC district after receiving a report and recommendation from the City Planning Commission.

The proposed sign would be located on the lawn facing Kirby near the front entrance to the Children's Museum. The sign would be approximately 3 feet high atop a 1-foot high base, and 5 feet wide. The sign would be made of welded aluminum containing the wording "Children's Museum" "Free to the Public" and "Detroit Public Schools" and a graphic containing a pony. The color of the sign would be black with white lettering and graphics.

City Planning Commission staff has reviewed the proposal and illustrations and finds that they are appropriate for the PC district. We further find that the design, appearance and location of the proposed sign would be consistent with the spirit, purpose and intent of the PC

district. We, therefore, recommend approval of the design, appearance and location of the sign and submit the attached resolution for your consideration.

Respectfully submitted,  
MARCUS D. LOPER  
Deputy Director

By Council Member S. Cockrel:

Whereas, the City Planning Commission staff has reviewed the design, appearance, and location of the proposed sign and finds that they are consistent with the spirit, purpose and intent of the district as indicated in the foregoing communication;

Honorable City Council:

Re: Request to amend the 2000-2001 Official Compensation Schedule to adjust rates for classifications in the Forensic Services Division of the Police Department.

Ms. Gloria Reynolds, Second Deputy Chief, requested a review of the compensation of Chemist and Serologist titles in the Forensic Division of the Police Department. The work of this Division has grown in strategic value over the years, as have the standards and methods for performing the work.

The recommendations in the attached Schedule A are pursuant to extensive review of the essential duties and responsibilities of the classifications; the knowledge, skills and abilities required to perform such duties, and market data pertaining to salaries typically paid to employees performing this kind of work. The recommendations include rates for a new classification, Forensic Laboratory Manager (25-80-61), the specifications for which address regulatory guidelines and the managerial needs of the Division.

The Police Department concurs with the recommendations and requests approval of the compensation rates.

Honorable City Council:

Re: Public Hearing on Request by Jefferson Avenue Housing Development Corporation for Establishment of East Village Area as Neighborhood Enterprise Zone in Accordance with Public Act 147 of 1992.

In response to Jefferson Avenue Housing Development Corporation's request for designation of the East Village area as Neighborhood Enterprise Zone, the Planning & Development Department, in conjunction with the Assessments Division of the Finance Department, have reviewed the Master Plan and the neighborhood preservation and development goals of the City, and find that approval of the aforementioned request would be consistent with the Master Plan and the neighborhood preservation and development goals.

Public Act 147 of 1992, commonly referred to as the Neighborhood Enterprise Zone (NEZ) Act, in Section 3(1) states "the governing body of a local governmental unit by resolution may designate one (1) or more neighborhood enterprise zones." Prior to acting upon the resolution establishing an NEZ, a public hearing must be held, and the City Clerk must provide written notice to the assessor and to the governing body of each taxing unit that levies an ad valorem tax within the proposed NEZ, said notice to be made not less than 60 days prior to your Honorable Body's passage of a resolution designating an NEZ.

The proposed area is 104.59 acres in size and is generally bounded by Kercheval on the north, Jefferson Avenue on the south, the alley between Hurlbut and Cadillac on the east, and the alley between Fischer and Burns the west.

Attached for your consideration please find a copy of a resolution establishing a date and time for the public hearing together with a legal description of the proposed NEZ.

Re: Permission to Accept Grant Award: Bureau of Justice Assistance (BJA) Local Law Enforcement Block Grant (LLEBG) Program for Fiscal Year 2000/2001.

The City of Detroit, Police Department, is eligible for a non-competitive grant award from the Bureau of Justice (BJA) under the Local Law Enforcement Block Grant (LLEBG) Program in the amount of \$5,352,209. As the recipient, the Department agrees to provide a cash match of \$594,690. Funding from this grant will continue to assist the department in the implementation of the new Computer Aided Dispatch/Records Management System. The Project Director for this award is Inspector Fred Campbell, of the Technical Services Division.

This is the second year that BJA has implemented an Internet-based system to support the LLEBG Program for Fiscal Year 2000. An agency is deemed to have accepted the award upon logging onto the LLEBG Program via the Internet and sup-

plying the required information. Thus, endorsement by the Mayor and Chief of Police of a grant award form is no longer required.

Due to time restrictions, the Department tentatively accepted the grant award on September 22, 2000, pending approval of the Board of Police Commissioners and City Council. The BJA has designated August 31, 2000 as the official award date. The Department has 90 calendar days from August 31, 2000 to draw down the funds for this award. Inspector Campbell is the Department's authorized designee to enter the information via the Internet.

The Board of Police Commissioners has approved this grant award. Therefore, it is respectfully requested that your Honorable Body adopt the attached resolution authorizing the Department to register/accept this grant award. Furthermore, it is suggested that at the time a budget is formulated and presented to an advisory committee and a public hearing is held, the Department shall present the budget to City Council with a resolution to proceed with the grant award.

(1) The first maturity date or mandatory sinking fund redemption date for the Bonds shall not be later than April 1, 2002 (except for Bonds issued in more than one series, which shall have first maturity dates as determined by the Finance Director at the time of sale thereof), and the final maturity dates for the Series 2000-B Bonds and the Series 2000-C Bonds shall not be later than April 1, 2030.

Registered Owner specified above, or registered assigns, on the Maturity Date specified above, unless redeemed prior to thereto as hereinafter provided, the Principal Amount specified above together with interest thereon [at the Interest Rate per annum specified above] from the Date of Original Issue specified above, or from the most recent Interest Payment Date to which interest has been paid, until the Principal Amount specified above is paid in full. [Interest is payable semiannually on April 1 and October 1 in each year commencing on April 1, \_\_\_\_ (each an "Interest Payment Date").] The interest so payable, and punctually paid or duly provided for, will be paid, as provided in the hereinafter defined Resolution, to the person in whose name this Bond is registered on the books maintained for such purpose by the hereinafter defined Paying Agent (the "Bond Registry"), on the close of business on the Regular Record Date for such interest payment, which shall be the fifteenth day (whether or not a business day) of the calendar month immediately preceding such Interest Payment Date. Any such interest not so punctually paid or duly provided for shall herewith cease to be payable to the Registered Owner on such Regular Record Date, and may be paid to the person in whose name this Bond is registered at the close of business on a Special Record Date for the payment of such defaulted interest to be fixed by the Paying Agent, notice of which shall be given to Registered Owners at least seven days before such Special Record Date, or may be paid at any time in any other lawful manner.

The principal of this Bond is payable in lawful money of the United States of America upon presentation and surrender of this Bond at the designated corporate trust office of U.S. Bank Trust National Association, Detroit, Michigan, as registrar, transfer agent and paying agent under the Resolution (such bank and any successor as paying agent, the "Paying Agent"). Interest shall be computed on the basis of a 360-day year consisting of twelve 30

day months. For prompt payment of this Bond, both principal and interest, the full faith, credit and resources of the City are hereby irrevocably pledged.

[Variable Interest Rate Provisions]

This Bond is one of a series of bonds of even Date of Original Issue aggregating the principal amount of \$\_\_\_\_\_ (the "Bonds"), issued pursuant to and in accordance with Act 202 Public Acts of Michigan, 1943, as amended, and Act 279, Public Acts of Michigan, 1909, as amended, and pursuant to and in accordance with a Resolution duly adopted by the City Council of the City on \_\_\_\_\_, 1999, and a Sale Order of the Finance Director of the City issued on \_\_\_\_\_, (collectively, the "Resolution"). [Redemption Provisions]

This bond is payable out of the Debt Retirement Fund of the City for this issue, and the City is obligated to levy annually sufficient taxes to provide for the payment of the principal of and interest on the bonds of this issue as they mature without limitation as to rate or amount.

Reference is hereby made to the Resolution for the provisions with respect to the nature and extent of the security for the Bonds, the manner and enforcement of such security, the rights, duties and obligations of the City, and the rights of the Paying Agent and the Registered Owners of the Bonds. As therein provided, the Resolution may be amended in certain respects without the consent of the Registered Owners of the Bonds. Copies of the Resolution are on file and available for inspection at the office of the Finance Director and at the principal corporate trust office of the Paying Agent.

The City and the Paying Agent may treat and consider the person in whose name this Bond is registered on the Bond Registry as the absolute owner hereof, whether this Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal hereof and interest hereon and for all other purposes whatsoever, and all such payments so made to such person or upon his order shall be valid and effectual to satisfy and discharge the liability hereon to the extent of the sum or sums so paid.

The registration of this Bond is transferable only upon the Bond Registry by the Registered Owner hereof or by his attorney duly authorized in writing upon the

presentation and surrender hereof at the designated corporate trust office of the Paying Agent together with a written instrument of transfer satisfactory to the Paying Agent, duly executed by the Registered Owner hereof or his attorney duly authorized in writing, and thereupon one or more fully executed and authenticated Bonds in any authorized denominations of like maturity and tenor, in equal aggregate principal amount shall be issued to the transferee in exchange therefor as provided in the Resolution upon the payment of the charges, if any, therein prescribed.

It is hereby certified, recited and declared that all acts, conditions and things required to exist, happen and to be performed, precedent to and in the issuance of the Bonds do exist, have happened and have been performed in due time, form and manner as required by the Constitution and statutes of the State of Michigan, and that the total indebtedness of the City, including the Bonds does not exceed any constitutional, statutory or charter limitation.

This Bond is not valid or obligatory for any purpose until the Paying Agent's Certificate of Authentication on this Bond has been executed by the Paying Agent.

Section 308. **Registration.** The City and the Paying Agent may treat and consider the Bondowner of any Bond as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal (and premium, if any) thereof and interest thereon and for all other purposes whatsoever, and all such payments so made to such Bondowner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

Section 309. **Mutilated, Destroyed, Stolen or Lost Bonds.** (a) Subject to the provisions of Act 354, Public Acts of Michigan, 1972, as amended and any other applicable law, if (i) any mutilated Bond is surrendered to the Paying Agent or the City and the Paying Agent and the City receive evidence to their satisfaction of the destruction, loss or theft of any Bond and (ii) there is delivered to the City and the Paying Agent such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice to the City or the Paying Agent that such Bond has been acquired by a bona fide purchaser, the City shall execute and the Paying Agent shall authenticate and deliver in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Bond, a new Bond of like tenor and principal amount,

bearing a number not contemporaneously outstanding.

(b) If any such mutilated, destroyed, lost or stolen Bond has become or is about to become due and payable, the City in its discretion may, instead of issuing a new Bond, pay such Bond.

(c) Any new Bond issued pursuant to this Section in substitution for a Bond alleged to be mutilated, destroyed, stolen or lost shall constitute an original additional contractual obligation on the part of the City, and shall be equally secured by and entitled to equal proportionate benefits with all other Bonds issued under this Resolution.

**Section 310. Book-Entry Only System Permitted.** (a) If determined by the Finance Director, the Bonds shall be issued to a securities depository selected by the Finance Director (the "Security Depository") to be held pursuant to the book-entry-only system maintained by the Security Depository and registered in the name of the Security Depository or its nominee. Ownership interests in Bonds held under such book-entry-only system shall be determined pursuant to the procedures of the Security Depository and Article 8 of the applicable Uniform Commercial Code (such persons having such interests, "Beneficial Owners").

(b) If (i) the City and the Paying Agent receive written notice from the Security Depository to the effect that the Security Depository is unable or unwilling to discharge its responsibilities with respect to the Bonds under the book-entry-only system maintained by it or (ii) the Finance Director determines that it is in the best interests of the Beneficial Owners that they be able to obtain Bonds in certificated form, then the City may so notify the Security Depository and the Paying Agent, and, in either event, the City and the Paying Agent shall take appropriate steps to provide the Beneficial Owners with Bonds in certificated form to evidence their respective ownership interests in the Bonds. Whenever the Security Depository requests the City and the Paying Agent to do so, the Finance Director on behalf of the City and the Paying Agent will cooperate with the Security Depository in taking appropriate action after reasonable notice to make available Bonds registered in whatever name or names the Beneficial Owners transferring or exchanging Bonds shall designate.

(c) Notwithstanding any other provision of this Resolution or the Sale Order to the contrary, so long as the Bonds are held pursuant to the book-entry-only system maintained by the Security Depository:

(i) all payments with respect to the principal and interest on such Bonds and all notices with respect to such Bonds

shall be made and given, respectively, to the Security Depository as provided in the representation letter from the City and the Paying Agent to the Security Depository with respect to such Bonds; and

(ii) all payments with respect to principal of the Bonds and interest on the Bonds shall be made in such manner as shall be prescribed by the Security Depository.

#### **ARTICLE IV SPECIAL COVENANTS**

**Section 401. Tax Exemption Covenant.** The City covenants that it will not take any action, or fail to take any action required to be taken, if taking such action or failing to take such action would adversely affect the general exclusion from gross income of interest on the Bonds (determined by the Finance Director to be issued on a tax-exempt basis), from federal income taxation under the Code.

**Section 402. Arbitrage Covenant.** (a) The City will not directly or indirectly (1) use or permit the use of any proceeds of the Bonds (determined by the Finance Director to be issued on a tax-exempt basis) or other funds of the City or (2) take or omit to take any action required by Section 148(a) of the Code in order to maintain the exclusion from gross income of the interest on the Bonds (determined by the Finance Director to be issued on a tax-exempt basis) for federal income tax purposes. To that end, the City will comply with all requirements of Section 148 of the Code to the extent applicable to the Bonds and the requirements set forth in the Non-Arbitrage and Tax Compliance Certificate of the City.

(b) Without limiting the generality of subsection (a), above, the City agrees that there shall be paid by the City from time to time all amounts, if any, required to be rebated to the United States pursuant to Section 148(f) of the Code. This covenant shall survive payment in full or defeasance of the Bonds.

(c) Notwithstanding any provision of this Section, if the City obtains an opinion of Bond Counsel to the effect that any action required under this Section is no longer required, or that some further action is required, to maintain the exclusion from gross income of the interest of the Bonds (determined by the Finance Director to be issued on a tax-exempt basis) for federal income tax purposes pursuant to Section 103 of the Code, the City may conclusively rely on such opinion in complying with the provisions hereof.

#### **ARTICLE V FUNDS AND ACCOUNTS; DISPOSITION OF BOND PROCEEDS**

**Section 501. Establishment of Accounts and Funds.** The City hereby establishes and creates the following spe-

cial, separate and segregated accounts and funds which shall be held for and on behalf of the City by a bank or banks or other financial institution which the Finance Director or Treasurer of the City designates as depository of the City:

- A. Debt Retirement Fund;
- B. Bond Issuance Fund;
- C. Construction Fund; and
- D. Escrow Fund.

The Finance Director is hereby authorized to establish such accounts, subaccounts or funds as shall be required for each series of the Bonds, if any, to accommodate the requirements of such series of Bonds, including, but not limited to, such accounts, subaccounts or funds necessary to facilitate the allocation and use of bond proceeds to finance the Projects or the purchase and payment of variable rate bonds.

**Section 502. Debt Retirement Fund.**

From the proceeds of the sale of the Bonds there shall be set aside in the Debt Retirement Fund the accrued interest and premium, if any, received from the purchasers of the Bonds at the time of delivery of the Bonds. General funds of the City, proceeds of all taxes levied pursuant to Section 301 hereof and any amounts transferred from the Construction Fund under Section 505 hereof shall be used to pay the principal of and interest on the Bonds when due. The foregoing amounts shall be placed in the Debt Retirement Fund and held in trust by the Paying Agent, and so long as the principal of or interest on the Bonds shall remain unpaid, no moneys shall be withdrawn from the Debt Retirement Fund except to pay such principal and interest. Any amounts remaining in the Debt Retirement Fund after payment in full of the Bonds and the fees and expenses of the Paying Agent shall be retained by the City to be used for any lawful purpose.

**Section 503. Bond Issuance Fund.**

From the proceeds of the Bonds there shall be set aside in the Bond Issuance Fund a sum sufficient to pay the costs of issuance of the Bonds. Moneys in the Bond Issuance Fund shall be used solely to pay expenses of issuance of the related series Bonds. Any amounts remaining in the Bond Issuance Fund after payment of issuance expenses shall be transferred to the Construction Fund.

**Section 504. Escrow Fund.** After making the deposits required by Sections 502 and 503, there shall be deposited from the remainder of the proceeds of the sale of the Series 2000-C Bonds and any moneys transferred by the City at the time of delivery of the Series 2000-C Bonds from the debt retirement fund for the Refunded Bonds, into the Escrow Fund (which shall be maintained in cash or invested in direct obligations of or obligations guaranteed by the United States of America, not

redeemable at the option of the issuer), an amount, as hereinafter described, sufficient to pay the principal of and interest on the Refunded Bonds as they become due and, except as otherwise herein provided, shall be used only for such purposes. The Escrow Fund shall be irrevocably held by U.S. Bank Trust National Association, Detroit, Michigan as escrow trustee (the "Escrow Trustee") in trust pursuant to an escrow deposit agreement between the City and the Escrow Trustee (the "Escrow Agreement"), which Escrow Agreement shall irrevocably direct the Escrow Trustee to take all necessary steps to pay the principal of and interest on the Refunded Bonds when due and to call for redemption the Refunded Bonds in whole or in part, as and when specified in the Escrow Agreement. The amounts, including the investments thereof, held in the Escrow Fund shall be such that the cash and investments and income received thereon will be sufficient, without any reinvestment, to pay the principal of and interest on the Refunded Bonds when due at maturity or by redemption as required by this Section. Any balance remaining in the Escrow Fund after payment in full of principal and interest on the Refunded Bonds shall be applied as provided in the Escrow Agreement.

The Escrow Trustee means and includes any company into which the Escrow Trustee may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which the Escrow Trustee may sell or transfer all or substantially all of its corporate trust business, provided such company shall be a trust company or bank which is qualified to be a successor to the Escrow Trustee as determined by the Finance Director, shall be authorized by law to perform all the duties imposed upon it by this Resolution, shall be the successor to the Escrow Trustee without the execution or filing of any paper or the performance of any further act, anything herein to the contrary notwithstanding.

The Council hereby authorizes the Finance Director to negotiate and approve the form of and to execute the Escrow Agreement with the Escrow Trustee for and on behalf of the City.

**Section 505. Construction Fund.** After making the deposits required by Sections 502 and 503 the remainder of the proceeds of the sale of the Series 2000-B Bonds shall be deposited in the Construction Fund. Except for investment pending disbursement and as hereinafter provided, moneys in the Construction Fund shall be used by the City solely and only to pay the costs of the Projects as such costs become due and payable and, if necessary, to rebate arbitrage earnings,

if any, to the United States Department of Treasury as required by the Code. The Finance Director is hereby authorized and directed to expend money from the Construction Fund for costs of the Projects, including reimbursement to the City for moneys previously expended in anticipation of issuance of the Series 2000-B Bonds, to the extent reimbursement for such Project expenditures has been properly induced by resolution of the City Council in accordance with the Code. Gross proceeds or disposition proceeds, as defined in the regulations under Code Sections 141 and 148, respectively, resulting from any sale of any portion of the Projects shall be deposited in separate accounts established in the Construction Fund and used in the discretion of the Finance Director to pay additional costs of Voter Authorized Projects or transferred to the Debt Retirement Fund and used to pay the principal of or interest on the Bonds. The Finance Director shall assure that such gross proceeds or disposition proceeds are invested and expended in accordance with the requirements specified in Section 506 hereof and in the Non-Arbitrage and Tax Compliance Certificate. Upon payment of all costs of the Projects, any balance in the Construction Fund shall be transferred to the Debt Retirement Fund or used in any other manner which in the opinion of nationally recognized bond counsel is permitted by law and which will not cause the interest on the Bonds (issued on a tax exempt basis) to become includible in gross income for federal income tax purposes.

**Section 506. Investment of Monies in the Funds and Accounts.** (a) The Finance Director shall direct the investment of monies on deposit in the Funds and Accounts established hereunder, and the Paying Agent, upon written direction or upon oral direction promptly confirmed in writing by the Finance Director, shall use its best efforts to invest monies on deposit in the Funds and Accounts in accordance with such direction.

(b) Monies on deposit in the Funds and Accounts may be invested in such investments and to the extent permitted by applicable law.

#### **ARTICLE VI THE PAYING AGENT**

**Section 601. Paying Agent.** The Paying Agent for the Bonds shall act as bond registrar, transfer agent and paying agent for the Bonds and shall be initially U.S. Bank Trust National Association, Detroit, Michigan, or such other bank or trust company located in the State of Michigan which is qualified to act in such capacity under the laws of the United States of America or the State of Michigan. The Paying Agent means and includes any company into which the

Paying Agent may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which the Paying Agent may sell or transfer all or substantially all of its corporate trust business, provided, that such company shall be a trust company or bank which is qualified to be a successor to the Paying Agent as determined by the Finance Director, shall be authorized by law to perform all the duties imposed upon it by this Resolution, and shall be the successor to the Paying Agent without the execution or filing of any paper or the performance of any further act, anything herein to the contrary notwithstanding. The Finance Director is authorized to enter into an agreement with such a bank or trust company, and from time to time as required, may designate a similarly qualified successor Paying Agent and enter into an agreement therewith for such services.

#### **ARTICLE VII**

##### **SUPPLEMENTAL RESOLUTIONS**

**Section 701. Supplemental Resolutions Not Requiring Consent of Holders of the Bonds.** The City may without the consent of any Bondowner adopt resolutions supplemental to this Resolution for any one or more of the following purposes:

(i) to confirm or further assure the security hereof or to grant or pledge to the holders of the Bonds any additional security;

(ii) to add additional covenants and agreements of the City for the purposes of further securing the payment of the Bonds;

(iii) to cure any ambiguity or formal defect or omission in this Resolution;

(iv) to amend provisions in the Resolution relating to rebate to the United States Government or otherwise, which in the opinion of Bond Counsel are required in order to maintain the exclusion of interest on the Bonds from gross income for federal income tax purposes; and

(v) such other action not materially, adversely and directly affecting the security of the Bonds;

provided that (A) no supplemental resolution amending or modifying the rights or obligations of the Paying Agent shall become effective without the consent of the Paying Agent and (B) the effectiveness of any supplemental resolution is subject to Section 702 to the extent applicable.

**Section 702. Opinion and Filing Under Act 202.** Before any supplemental resolution under this Article shall become effective, a copy thereof shall be filed with the Paying Agent and as provided in Act 202, if applicable, together with an opinion of Bond Counsel that such supplemental resolution is authorized or permitted by

this Article; provided that, Bond Counsel in rendering any such opinion shall be entitled to rely upon certificates of the Finance Director or other City official, and opinions or reports of consultants, experts and other professionals retained by the City to advise it, with respect to the presence or absence of facts relative to such opinion and the consequences of such facts.

**ARTICLE VIII  
DEFESANCE**

Section 801. **Defesance.** Bonds shall be deemed to be paid in full upon the deposit in trust of cash or direct obligations of, or obligations the principal of and interest on which are unconditionally guaranteed by, the United States of America, or any combination thereof, not redeemable at the option of the issuer thereof, the principal and interest payments upon which, without reinvestment thereof, will come due at such times and in such amounts, as to be fully sufficient to pay when due, the principal of such Bonds and interest to accrue thereon, as confirmed by a verification report prepared by an independent certified public accountant; provided, that if any of such Bonds are to be called for redemption prior to maturity, irrevocable instructions to call such Bonds for redemption shall be given to the Paying Agent. Such cash and securities representing such obligations shall be deposited with a bank or trust company and held for the exclusive benefit of the Owners of such Bonds. After such deposit, such Bonds shall no longer be entitled to the benefits of this Resolution (except for any rights of transfer or exchange of Bonds as therein or herein provided for) and shall be payable solely from the funds deposited for such purpose and investment earnings, if any, thereon, and the lien of this Resolution for the benefit of such Bonds shall be discharged.

**ARTICLE IX  
REIMBURSEMENT PROVISIONS**

Section 901. **Advancement of Costs of the Projects.** At the direction of the Finance Director, the City may advance certain costs of the Projects from the City's general fund prior to the issuance of the Series 2000-B Bonds. The City intends to reimburse itself for any costs of the Projects paid or incurred by the City prior to the issuance of the Series 2000-B Bonds with proceeds of the Series 2000-B Bonds. A reimbursement allocation is an allocation in writing that evidences the City's use of the proceeds of the debt to be issued for the Projects to reimburse the City for a capital expenditure made pursuant to this Resolution.

(e) The expenditures described in (b) above are "capital expenditures" as defined in Treas. Reg. §1.150-2(h) with respect to abusive uses of such proceeds, including but not limited to using funds corresponding to the proceeds of the borrowing in a manner that results in the creation of replacement proceeds (within Treas. Reg. §1.148-1) within one year of the reimbursement allocation described in (d) above.

(g) Expenditures for the Projects to be reimbursed from the proceeds of the borrowing that are subject to the limitations set forth in this Resolution do not include (i) costs for the issuance of the debt, (ii) an amount not in excess of the lesser of \$100,000 or five percent (5%) of the proceeds of the borrowing, or (iii) preliminary expenditures not exceeding twenty percent (20%) of the issue price of the bor-

rowing within the meaning of Treas. Reg. §1.150-2(f) (such preliminary expenditures include architectural, engineering, surveying, soil testing and similar costs incurred prior to construction of the Projects, but do not include land acquisition, site preparation, and similar costs incident to commencement of construction).

Credit Enhancement; Remarketing Agreement; and Interest Rate Exchange Agreements.** (a) There is hereby authorized to be obtained municipal bond insurance or other credit enhancement or a combination thereof to secure the payment of all or part of the Bonds, if, and provided that, it shall be determined by the Finance Director that such cost of such Municipal Bond Insurance Policy or other credit enhancement or a combination thereof is less than the interest rate savings therefrom or otherwise that it is in the best interest of the City. Such municipal bond insurance or other credit enhancement providers may be afforded certain rights and remedies to direct the proceedings with respect to the enforcement of payment of the Bonds as shall be provided in the documents relating thereto. In the event a commitment for a Municipal Bond Insurance Policy is obtained or a commitment for other credit enhancement is obtained, the Finance Director is hereby authorized, to approve the terms, perform such acts and execute such instruments that shall be required, necessary or desirable to effectuate the terms of such commitment and the transactions described therein and in this Resolution and the Sale Order provided that such terms are not materially adverse to the City.

(b) In the event that any of the Bonds are issued bearing on a variable rate basis and are subject to tender for purchase from time to time by the holders thereof as determined in the Sale Order, the Finance Director is authorized in his discretion to enter a Remarketing Agreement for tendered bonds with a qualified firm, chosen by the Finance Director, as remarketing agent.

(d) In connection with the execution of any of the agreements authorized by this Section, the Finance Director is authorized to include therein such covenants as shall be appropriate.

**Section 1002. Approval of Other Documents and Actions; Treasury Approval.** The Mayor, the Finance Director, the Treasurer and the City Clerk are hereby authorized and directed on behalf of the City to take any and all other actions, perform any and all acts and execute any and all documents that shall be required, necessary or desirable to implement this Resolution.

The Finance Director is authorized to file applications with and to pay the related fees, if any, to the Michigan Department of Treasury at his discretion under Act 202 for an Order or Orders of Approval or an Exception or Exceptions from Prior Approval to issue all or a portion of the Bonds and for an Order or Orders of Approval to enter into one or more Interest Rate Exchange Agreements, remarketing agreements, letters of credit and reimbursement agreements, and such waivers or other Treasury approvals as necessary to implement the sale, delivery and security for the Bonds, and as required by the Michigan Department of Treasury and Act 202.

**Section 1003. Continuing Disclosure Undertaking.** The City shall enter into a continuing disclosure undertaking pursuant to Rule 15c2-12 promulgated by the Securities and Exchange Commission (the "Rule") for the benefit of the holders and beneficial owners of the Bonds as to which the Rule is applicable, as more specifically set forth in Exhibit A hereto (the "Undertaking"); provided, however, that the terms of the Undertaking are subject to completion and modification prior to delivery of the Bonds by the Finance Director to such extent as the Finance Director shall deem necessary to comply with law or market requirements of the Underwriters. The Finance Director is authorized to execute and deliver the Undertaking after completion and modification as provided in this Resolution and the Sale Order.

**Section 1004. Delegation of City to, and Authorization of Actions of the Mayor and the Finance Director.** (a) Prior to the sale date for the Bonds, the Mayor and/or the Finance Director may cause the preparation and approve the form and distribution of a preliminary and a final official statement and other offering materials to be used in conjunction with the sale or offering of the Bonds, and the Mayor or Finance Director shall deem the preliminary official statement "final" for purposes of Rule 15c2-12 of the Securities and Exchange Commission.

(c) Except as otherwise provided herein, all determinations and decisions of the Finance Director with respect to the issuance and sale of the Bonds or the negotiation, execution or delivery of Interest Rate Exchange Agreements as permitted or required by this Resolution shall be confirmed by this Finance Director in a Sale Order or Sale Orders, and such confirmations shall constitute determinations that any conditions precedent to such determinations and decisions of the Finance Director have been fulfilled.

**Section 1005. Act 202 Approval of the Bonds.** The Bonds shall neither be sold nor issued until the issuance of the Bonds as provided herein shall have been approved in accordance with the applicable provisions of Act 202.

**Section 1006. Approving Legal Opinions with Respect to the Bonds.** Sale of the Bonds determined by the Finance Director to be issued on a tax-exempt basis shall be conditioned upon receiving, at the time of delivery, the approving opinion of Bond Counsel, approving legality of the Bonds and the exclusion from gross income of the interest paid thereon from federal and State income taxation only.

**Section 1007. (h) *Amendments to the Undertaking.* Amendments may be made in the specific types of information provided or the format of the presentation of such information to the extent deemed necessary or appropriate in the judgment of the Disclosure Representative on behalf of the City, provided that the City agrees that any such amendment will be adopted procedurally and substantively in a manner consistent with the Rule, including, any interpretations thereof by the SEC, which, to the extent applicable, are incorporated herein by reference. Bondholders, as determined by parties unaffiliated with the City (such as independent legal counsel), but such interpretations may be changed in the future. If the accounting principles to be followed by the City in preparing the Audited Financial Statements are modified, the annual financial information for the year in which the change is made shall present a comparison between the financial statements as prepared on the prior basis and the statements as prepared on the new basis, and otherwise shall comply with the requirements of the Rule, in order to provide information to investors to enable them to evaluate the ability of the City to meet its obligations. A notice of the change in accounting principles shall be sent to each NRMSIR or the MSRB and the SID.

IN WITNESS WHEREOF, the City of Detroit has caused this Undertaking to be executed by its authorized officer.

November 29, 2000

Honorable City Council:

Re: Request for Closed Session of Detroit City Council to Discuss Pending Litigation in the Matter of City of Detroit v Detroit Plaza Limited Partnership et. al., James Blaine, Beztak Land Company, and Beztak Limited Partnership As Well As Land Acquisition Related to the Proposed Third Amendment to the Casino Development Agreements.

Pursuant to your Honorable Body's request, the Law Department has prepared the appropriate resolution calling for a closed session on the above referenced matter. The resolution sets the closed session for Thursday, November 30, 2000 at 11:00 a.m.

Act 267 of the Public Acts of 1976, commonly referred to as the "Open Meetings Act," allows a public body, upon a two-thirds roll call vote of its members:

To consider the purchase or lease of real property up to the time an option to purchase or lease that real property is obtained. MCL 15.268(d)

Further, Act 267 of the Public Acts of 1976 permits a public body, upon a two-thirds roll call vote of its members to:

To consult with its attorney regarding

trial or settlement strategy in connection with specific pending litigation, but only if an open meeting would have a detrimental financial effect on the litigating or settlement position of the public body. MCL 15.268(e)

It is the opinion of the Law Department that an open meeting would have a detrimental financial effect on the City of Detroit in the on-going litigation referenced above. We, therefore, respectfully request adoption of the attached resolution calling for a closed session to discuss both pending litigation and the status of on-going land acquisition related to the proposed Third Amendment to the Casino Development Agreements.

Respectfully submitted,  
MATTHEW SCHENK

Legislative Assistant  
Corporation Counsel

By Council Member S. Cockrel:

Resolved, That pursuant to Public Act No. 267 of the Public Acts of 1976, MCL 15.268(e) and MCL 15.268(d), a closed session of the Detroit City Council is hereby called for Thursday, November 30, 2000 at 11:00 a.m. for the purpose of discussing the litigation in the matter of City of Detroit v Detroit Plaza Limited Partnership et. al., James Blaine, Beztak Land Company, and Beztak Limited Partnership as well as the status of ongoing land acquisition related to the proposed Third Amendment to the Casino Development Agreements.

### Library Department

November 28, 2000

Honorable City Council:

Re: Detroit Public Library Water & Fire Emergency Contracting.

This letter is to provide an overview of the damage to Main Library caused by the rainstorm of July 28 and the electrical explosion and fire on September 28 of this year. Additionally, the attached resolution authorizes an amendment to the fiscal year 2000-01 budget to provide additional funding required for the continuation of all work related to the complete restoration and remediation of Main Library.

On Friday, July 28, city storm drains backed up during an extremely heavy storm. This backup caused water to enter Main Library through the drains on the first basement level. Main Library was constructed with two basement levels and they are identified as levels "A" and "B". The water traveled through areas of level "A" and seeped through the floor to the second basement, level "B". When water entered level "B" it dripped down the facing of book stacks causing many books to become damp or wet. The drain back up resulted in bacterial contamination that had to be removed through stringent cleaning and disinfecting. All affected books and shelves were removed and cleaned. Floor tiles, which had been installed with asbestos adhesive, had to be removed and replaced. Damage was incurred on the north and south wings of Main Library on both A and B levels.

On Thursday, September 28, employees from the Public Lighting Department were working on an electrical transformer that provides electrical service to the entire cultural center area. The transformer exploded and ignited a fire that caused additional damage to the south side of level A. Also, smoke, soot and residue from the transformer explosion and fire entered the ventilation system.

Since these two occurrences we have been in a recovery mode.

- More than 1,000,000 books were transported away for reprocessing and decontamination.
- The carpet, drapes and stage in Friends Auditorium were damaged by the water and have to be replaced. The carpet removal necessitated the removal and storage of all auditorium seats.
- Shelving on levels "A" and "B" were removed and cleaned.
- Floor tile on levels "A" and "B" was removed and replaced.
- Books exposed to the explosion are being chemically cleaned to remove residue from the fire and transformer.
- Many areas of Main Library were washed and painted to remove soot and fire residue.
- The entire air ventilation system in Main Library has been cleaned to remove toxic residue from the transformer and the fire.
- A masonry wall and bookshelves damaged by the explosion has been replaced.

Insurance is maintained on both the building and the book collections that will pay for restoration and remediation. However, work was required immediately and invoices for the recovery have been paid from budgeted operating funds approved for fiscal year 2000-01. The total of the invoices paid to date is \$6,196,573. Invoices have also been submitted in the amount of \$2,395,165 that are awaiting spending authority. Additionally, we currently have invoices totaling \$3,541,775 that are yet to be processed. This brings the total estimated cost to date to \$12,133,512. It is estimated that in addition to these amounts an additional amount of \$12,500,000 will be needed to completely restore and remediate Main Library, bringing the total estimated cost to \$24,633,512. An estimated total of the same amount will allow for insurance reimbursement for anticipated revenue in Main Library Appropriation — 00189. The Detroit Library Commission has consistently been apprised of and approved all expenditures related to the recovery from the fire and water damage.

Your Honorable Body is requested to adopt the attached resolution, with Waiver of Reconsideration.

Honorable City Council:  
 Re: I-94 North Industrial Park Project  
 Waiver Requests/Environmental.

Your Honorable Body adopted a resolution of necessity on August 4, 1999 (JCC 2294-2295), with respect to certain parcels of land to be acquired as a part of the above-referenced project.

Requests for authorization to waive various costs related to environmental matters with respect to a number of properties in this project area were approved by your Honorable Body on November 29, 1999 (JCC 3475) and on August 2, 2000. The City's environmental consultants have now obtained access to certain additional parcels in the project area.

The purpose of this letter is to provide a report on the environmental condition of certain properties to be acquired pursuant to the resolution of necessity, as required pursuant to Section 2-1-13(C) of the 1984 Detroit City Code, as amended (the "City Code"). In addition, the purpose of this letter is to request that your Honorable Body authorize waiver of the following in the City's good faith offer, appraisal, and declaration of taking: 1) the costs of environ-

mental inquiry, if any; 2) costs of environmental assessments, if any; and 3) action to recover all costs associated with the remediation of or response activity at a facility from the present owner (as that term is defined in 1980 PA 87, as amended), for certain of the privately owned parcels of land in the project area, as described more fully herein.

A Phase I Environmental Assessment of each of the parcels included in this request has been conducted in accordance with current ASTM standards, and in accordance with the requirements of the Detroit City Code.

With respect to the following parcels, the Phase I did not disclose 1) that these parcels had been used for any purposes other than residential/vacant, nor did it indicate 2) evidence of any recognized environmental conditions:

Under the terms of the applicable portions of the City Code (Sections 2-1-15(a), 2-1-15(b) and 2-1-15(c), City Council may waive 1) the costs of environmental inquiry, if any; 2) costs of environmental assessments, if any; and 3) action to recover all costs associated with the remediation of or response activity at a facility from the present owner (as that term is defined in 1980 PA 87, as amended). In this case, we respectfully submit that the conditions for such waiver are met, because your Honorable Body has previously declared the project necessary and essential to the interests of the public peace, health, safety and welfare of the City, and the acquisition is being accomplished by the exercise of the City's power of eminent domain in a manner consistent with the Uniform Condemnation Procedures Act, 1980, PA 87. In addition, as noted above, no evidence of recognized environmental conditions were found for these properties, except in certain cases, conditions that could be anticipated with residential or commercial use.

Accordingly, for those properties listed above, your Honorable Body is respectfully requested to adopt the attached resolution authorizing waiver of such costs associated with the properties in the City's good faith offer, appraisal, and declaration of taking, with respect to the present owner only, 1980 PA 87, as amended, provides that the condemning authority must state its intent to "waive or reserve" recovery of response costs from the property owner in the appraisal of the property and the good faith offer. MCL Section 213.55. A decision is needed by your Honorable Body at this time in order to comply with the requirements of the statute. A waiver of reconsideration is also hereby respectfully requested.

Respectfully submitted,

 Director

By Council Member K. Cockrel, Jr.:

Whereas, the Planning and Development Department has submitted a report regarding the environmental assessments conducted with respect to the parcels described in Exhibit A, which are

a part of I-94 Industrial Park project area; and

Whereas, the results of said environmental assessments do not indicate any recognized environmental conditions, except, in certain cases, those which could be anticipated with residential or commercial use, or those for which the current owner is unlikely to be liable; and

Whereas, the project has been declared necessary and essential to the interests of the public peace, health, safety and welfare of the City, and the acquisition is being accomplished by the exercise of the city's power of eminent domain in a manner consistent with the Uniform Condemnation Procedures Act, 1980, PA 87; and

Whereas, based upon the foregoing, the conditions of Article 1, Division 2, Section 2-1-15 of the 1984 Detroit City Code, as amended, for granting a waiver of certain claims have been met;

Now Therefore Be It Hereby Resolved, that, with respect to the present owner of each parcel listed on Exhibit A, waiver of the following costs in the City's good faith offer, appraisal, and declaration of taking be and is hereby authorized: 1) the costs of environmental inquiry, if any; 2) costs of environmental assessments, if any; and 3) action to recover all costs associated with the remediation of or response activity at that parcel.

**Planning & Development Department**

November 21, 2000

Honorable City Council:

Re: Amending Renaissance Zone Application

**Background**

On September 29, 2000 the City of Detroit submitted applications to create two new Renaissance Zones and expand the Southwest Delray Zone. Tiger Stadium and Harridon Terminal would be the new zones and the Southwest Delray Zone would expand to include Meridian International.

**Issues**

**DEVELOPMENT AGREEMENTS**

During a preliminary review of the applications, the staff of the Michigan Economic Development Corporation (MEDC) brought to our attention that the application to create the new Tiger Stadium zone had the potential to encounter a problem surfacing in other urban and rural Renaissance Zones throughout the state. In Grand Rapids, Lansing, and Montcalm - Gratiot County there have been instances when privately held parcels in designated Renaissance Zones never realized the intent of the legislation to spur new development. It seems some owners have been content to reap the tax benefits afforded by receiving a Renaissance Zone designation but have not actively pursued developing the site to create businesses and generate jobs. Without a development agreement or other similar binding contract, the recourse of the State in these instances is minimal. Once the Renaissance Zone designation has been given it can not be removed.

Since the 4.5 acres of privately held property in the proposed Tiger Stadium zone is not governed by a development agreement at this time, the MEDC staff was of the opinion that the potential exists for a situation similar to those in Grand Rapids and Lansing to occur.

**OTHER APPLICATIONS**

The two other areas proposed for Renaissance Zone designation were also discussed with the MEDC staff. Their questions for Meridian and Harridon Terminals focused on, understanding the level of commitment for implementing the plans described in the application, the need for infrastructure upgrades and potential impacts on the areas adjacent to the proposed zones. These questions were answered to the satisfaction of the MEDC.

**Recommendation**

Since it is the intent of MEDC and the City to minimize the loss of tax revenue if new development is not forthcoming in newly designated Renaissance Zones, the previously adopted application should be amended to remove 4.5 acres of privately owned property from the Tiger Stadium Renaissance Zone. These acres could be added at a later date as part of an expansion application when development agreements are in place. This approach offers flexibility and the poten-

tial to address the privately held acreage at a later date without compromising the Tiger Stadium zone and is therefore the recommended approach.

A resolution is attached to modify the proposed Tiger Stadium Renaissance Zone boundaries and a waiver of reconsideration is requested.

Respectfully submitted,  
 PAUL A. BERNARD  
 Director

**A RESOLUTION TO MODIFY THE APPLICATION TO CREATE A TIGER STADIUM RENAISSANCE ZONE**

By Council Member S. Cockrel:

Whereas, the legislature amended Public Act 376 to allow those cities and counties that previously established Renaissance Zones to amend their development plans to add new zones, adjust the boundaries, and extend the duration of these areas, and

Whereas, the Detroit City Council adopted a resolution to approve and submit to the State for the creation of two new Renaissance Zones and the expansion of the Southwest Delray Renaissance Zone, and

Whereas, the Tiger Stadium Zone as originally proposed would include 4.5 acres of privately held property without a development agreement in place to guide the creation of new development consistent with the intent of the Renaissance Zone legislation, and

Whereas, rest of the proposed Tiger Stadium Renaissance Zone is publicly owned with a reuse plan the City is committed to, and

Whereas, the modified zone boundaries are: Michigan Ave., on the south; Cochran Ave. on the west; the Fisher freeway service drive on the north; and Trumbull Ave. on the east, and

NOW THEREFORE BE IT RESOLVED that the City of Detroit requests the State of Michigan to modify the aforementioned application to reflect the new boundaries of the Tiger Stadium Renaissance Zone.

**Recreation Department**

October 30, 2000

Honorable City Council:

Re: Authorization to submit a grant to the Michigan Department of Natural

Resources for the dredging of Grayhaven Mooring Facility

The Detroit Recreation Department is hereby requesting the authorization of your Honorable Body to submit a grant application in the amount of \$229,500 to the Michigan Department of Natural Resources, to fund emergency dredging work at the Grayhaven Mooring Facility, under the 2000 Emergency Dredging Grant Program.

The Emergency Dredging Grant program is designed to mitigate financial burdens on local governments that operate recreational harbors constructed with assistance from the Michigan State Waterways Commission. Grayhaven is such a facility. The issue of marina dredging has reached an emergency level because of a very low water level in the Great Lakes and the associated rivers, including the Detroit River. As a result, fixed keeled sailboats, of 6-7 foot draft, cannot access the fairways (aisleways between the docks) of the marina. Boats are temporarily moored at the end of the main docks, because they cannot access the fairways and the slips where they normally dock. The proposed dredging would lower the bottom of the marina basin floor by approximately 3 feet (as per engineer's recommendation). The completion of this work would enable the Grayhaven Marina to be fully operational by the 2001 boating season.

The total cost for this project is \$306,000, of which \$76,500 would be contributed from city matching funds. Items to be covered by the grant include:

- \$ 5,000—Environmental testing
- 15,000—Engineering costs
- 126,000—Dredging costs
- 160,000—Transportation & Disposal of dredging materials

With your authorization, the Recreation Department will submit a request to the Michigan Department of Natural Resources in the amount of \$229,500 (Appropriation #10539; Organization #398403). The City match of \$76,500 will come from the Department's Capital Budget (Appropriation #00905). We respectfully request your approval to apply for this grant, by adopting the following resolution, with a Waiver of Reconsideration.

Director

STATEMENT OF COUNCIL MEMBER NICHOLAS HOOD, III VOTING AGAINST THE THIRD AMENDMENT TO THE CASINO DEVELOPMENT AGREEMENT

Today I voted not to approve the resolution to amend the casino development agreements, which would extend the time for the City to acquire the land along the east riverfront.

Last year I voted in favor of a resolution to extend the time period for the City to acquire the land with the understanding that all of the land would be obtained by December 31, 2000. However, over 30% of the land has still not be acquired. While I support the concept of local developers receiving a distribution, I feel that the City should cut its losses and consider building the permanent casinos at another location.

The most important concern for casino operators is that a site be selected so that a permanent casino entertainment district can be established. This location does not have to be on the east riverfront. Instead, the permanent casinos could be located on the riverfront that is west of Joe Louis Arena or on several other available sites in the City.

STATEMENT FOR THE RECORD ON 3RD AMENDMENT TO CASINO DEVELOPMENT AGREEMENT BY PRESIDENT PRO TEM. MARYANN MAHAFFEY

Today City Council was asked to approve a third amendment to Casino Development Agreements. This amendment would change the expiration date from December 31, 2000 to December 31, 2001. I voted "no" on this amendment for several reasons.

The main purpose for this amendment is a time extension in order to acquire property along the riverfront, which will be used for the location of permanent casinos. All along I have stated my opposition to casinos being located along Detroit's treasured riverfront. Therefore, I saw no reason to approve an amendment which would extend the amount of time given to acquire riverfront land.

The extended length of time and litigation that has come as a result of trying to acquire the properties along the riverfront support my position that this land is unsuitable for the purpose of casinos. As stated in section 2.03 of the April 23, 1999 Conveyance Agreement "...In the event an action shall be commenced and one or more sites selected by the City shall be determined to be unsuitable, it shall be the obligation of the City to provide one or more alternate suitable sites..." I believe it is time for the City to begin to identify alternative sites, including the current location of temporary casinos.

Furthermore, in the first amendment of the casino development agreements, it requires that the permanent casinos be in operation for not more than 48 months. At the end of 2001, the expiration date of the third amendment to the casino development agreements, MGM Casino will have been in operation approximately 30 months. This will leave only 18 months to complete a casino originally planned for completion within four years. This presents a whole new problem for the casinos, as well as the City.

I did fully support the portion of the amendment which will now allow local investors to receive payments, especially since they should have been allowed to receive payments all along. However, I believe this goal could have been met without being attached as a part of the time extension.

STATEMENT BY COUNCIL MEMBER BRENDA M. SCOTT ON THE THIRD AMENDMENT TO CASINO DEVELOPMENT AGREEMENTS

I voted 'NO' on the amendment which would have given the City an additional year to finalize the Waterfront Reclamation and Casino Development Project. I have never supported Casinos on the East Riverfront.

The Waterfront Project will have a tremendous negative impact on the Lafayette/Elmwood community. Also by clustering all three casinos on the East Riverfront it will isolate the casinos from the rest of the downtown area. Therefore preventing the casinos from being a catalyst for spin-off development in downtown Detroit.

When I was elected by the citizens of Detroit to serve on City Council, I vowed to the citizens that I would always put them first. I believe the Waterfront Reclamation and Casino Development Project is **not** in the best interest of the citizens who reside in the surrounding neighborhoods.

**City Planning Commission**

November 28, 2000

Honorable City Council:

Re: Memorandum of Understanding establishing a commercial strip revitalization program.

On Wednesday, November 22nd, the Detroit City Council passed a resolution agreeing to the signing of a Memorandum of Understanding establishing a commercial strip revitalization program (see attached resolution and Memorandum of Understanding).

In the Memorandum of Understanding between the Detroit City Council, the Mayor, and the Local Initiative Support Corporation (LISC), a transfer of \$490,000 is to take place after all parties sign the agreement setting up the commercial strip revitalization program. These funds were allocated by City Council for the purpose of facilitating a commercial strip revitalization program during the Community Development Block Grant budget years of 1999-2000 (\$200,000), and 2000-2001 (\$290,000). The funds were put in City Council Appropriation 10127 pending final recommendations of City Council's Neighborhood Commercial Strip Revitalization Task Force on how the dollars should be expended.

Since that time, a joint program has been designed involving the Task Force, the Neighborhood Commercial Network, the Local Initiative Support Corporation (LISC), and the Mayor's Office, that all the above-mentioned parties believe best meets the need identified by Council when it allocated these funds.

According to the Memorandum of Understanding, the Detroit City Council intends to transfer the funds identified as commercial strip revitalization program start-up to a new appropriation designated for the soon-to-be-created Office of Neighborhood Commercial Revitalization (ONCR). Council also committed to multiple year funding of the program as set forth on page 12 of Exhibit A of the Memorandum of Understanding.

Therefore, on behalf of the City Council, we request that your department take the appropriate steps to process the transfer

of the funds from the City Council appropriation to a new appropriation for the ONCR. Attached is a resolution to implement these actions once Budget and Finance sign-offs are received.

Re: Authorization to submit a grant application to the Michigan Department of Transportation, Transportation Enhancement Program, for the rehabilitation of the Loiter Way Bus Stop/Shelter No. 7 Belle Isle.

The Detroit Recreation Department is hereby requesting authorization of your Honorable Body to submit a grant application to the Michigan Department of Transportation, under the 2001 Transportation Enhancement Program, for the rehabilitation of the historic Loiter Way Bus Stop/Shelter No. 7 on Belle Isle.

The Loiter Way Bus/Stop Shelter No. 7 was constructed in 1908 as a picnic shelter, bus stop and comfort station facility for the Conservatory and Aquarium. The structure is historic and was important in the designation of Belle Isle to the National Register of Historic Places in 1973. The years have taken a toll on this building, and it is in dire need of rehabilitation. Currently the shelter portion of the building is closed to public use. The restrooms are operational, but in poor condition. A grant from the MDOT Transportation Enhancement Program, under the category of rehabilitation for historic transportation structures, would fund 80% of the cost of the project. This project will restore the building fully to public use, including provisions for barrier free access to the facility. With your authorization, the Department will submit a request to the Michigan Department of Transportation in the amount of \$600,000. The City match of \$120,000 will come from the Departments Capital Budget in FY 2001/02, Appropriation No. 00905.

The Recreation Department respectfully requests that your Honorable Body adopt the following Resolution authorizing the submission of the grant application, with a Waiver of Reconsideration.

### RESOLUTION

By COUNCIL MEMBER MAHAFFEY,  
Joined By ALL COUNCIL MEMBERS:

WHEREAS, The Executive Director of the Detroit Housing Commission has advised members of the Detroit City Council that the Commission intends to seek amendments to existing ordinances to permit the maximum "separation" permitted under the Housing Facilities Act, PA 18 of 1933, as amended; MCL125.651, *et seq*; and

WHEREAS, "Separation" as sought by the Detroit Housing Commission staff will result in the elimination of the traditional and statutory legislative oversight, monitoring and approval by the Detroit City Council regarding public housing and Detroit Housing Commission policies, programs, developments and fiscal management of publicly owned and operated housing; and

WHEREAS, There is no provision in the Housing Facilities Act, as amended, that mandates the manner and extent of "separation" that the Detroit Housing Commission seeks. Further, there is no federal mandate for the creation of a public housing authority to supercede the Detroit Housing Commission as it is currently authorized and to sever the legislative authority of the Detroit City Council, as the local governing body authorized by state law to determine which and to what extent any additional powers it will grant or withhold from the current Commission. Moreover, the Detroit Housing Commission has successfully corrected operational and management deficiencies that threatened to place the Housing Department and Commission under federal receivership in 1996; and

WHEREAS, The City Council takes legislative notice of statistics provided by both the Detroit Housing Commission and staff of the Planning and Development Department that there is a critical shortage of 162,000 housing units for individuals and families with incomes at or below 30% of the area median income; given this statistic the Detroit City Council is steadfast in its determination that it will retain its oversight, monitoring and budgetary responsibilities over the Detroit Housing Commission in order to insure that safe, sanitary and affordable housing is available through the development, management and maintenance of publicly owned housing. Such oversight continues to be necessary given the scarcity of, and

need to preserve all available federal operating subsidies for occupied housing units. Accordingly, THEREFORE BE IT

RESOLVED, That the Detroit City Council is opposed to further amendments to ordinances, agreements, policies or procedures that will result in the creation of a public housing authority, or further remove the Detroit Housing Commission from the legislative oversight and responsibilities of the City Council.

Adopted as follows:

Yeas — Council Members Cleveland, K. Cockrel, Jr., S. Cockrel, Everett, Hood, Mahaffey, Scott, and President Hill — 8.
