**PUBLIC COMMENT**

**MS. FANNIE DILWORTH:** Complaint of water pipes being dug up and electric wires were cut from the house that she just purchased. Line Item for Public Health and Safety Standing Committee on January 14, 2013 and City Planning Commission directed to assist Ms. Dilworth, per Council Member Gary Brown; no contact information nor address of complaint was given to Clerk.

**MR. ROBERT BROWN, Detroit Eagles Athletic Club (Linwood):** Request for assistance of securing funding for senior citizens in area of Linwood regarding Neighborhood Stabilization Development Program. Line Item for Planning & Economic Development Standing Committee on January 10, 2013, per Council Member Saunteel Jenkins.

**MS. VALERIE GLENN:** Made her comments for the people in the gallery and the community, not withstanding the fact that she fully supports Council Members Jones, Kenyatta, and Watson. Ms. Glenn is against the following: elimination of the Law Department and Krystal Crittendon, 10 year lease or sell of Belle Isle, the implementation or recognition of the Miller/Canfield contract, and the support of any aspect of the emergency manager law. Made recommendation that none of the following six (6) individuals are even elected or appointed to anything, Council President Pugh, Council Members Brown, Cockrel, Jenkins, Spivey, and Tate.

**MR. NICHOLAS AGGOR:** Requested to submit School Program he created to the City Council, so Council can get funding to implement his program. Mr. Aggor was directed to speak with Ms. Carolyn Banks, who is a School Board Member; nothing submitted to Clerk.

**MR. KEITH HINES, Diamond II Productions:** Had some letter from his attorney to Dennis Archer pertaining to the sales ordinance that Mr. Hines wanted to give to Council Member JoAnn Watson as a gift. Mr. Hines turned around to speak with the citizens who were attending the City

Council meeting. Complained that the meeting held for Hantz Farms was a violation of the Open Meetings Act.

**MR. RHENE LEE:** Felt this farce of a merry-go-around of the emergency manager is ridiculous. Felt the City should just go into Receivership/bankruptcy and take the control out of the hands of those that can not be trusted and put it into the hands of our judicial system; that will allow the City government to go forward and start taking care of the City and City Council can put their focus towards rezoning, safety, get focus off of financial issues, and then can stop being bogged down.

**MR. SAM HALPERT:** From Georgetown University law center in Washington, D.C. as part of a fact finding mission being ran by his Human Rights Institute. Mr. Halpert has come before the City Council and its citizens to hear about the human right to water. For anyone interested in being involved, can talk to Mr. Halpert and his colleagues after the Council's meeting.

**MS. PERSONS:** Stated she is not saying good morning to anyone that is sitting at the City Council's table because it's only three City Council Members that are taking care of the people in the City of Detroit. Ms. Persons is so sick and tired of the stuff that is going on down here.

**MR. STEPHEN BOYLE:** Following up on the Hantz Farms an eviction notice was signed for those people who are residents and the spaces that are being demolished by Hantz Farms and that is forcing them into homelessness with no opportunity to find a place to stay. Mr. Boyle was thankful to hear about the Orion Music Festival coming to Belle Isle. Against the passing of Senate Bill 865.

**MS. JOCELYN HARRIS:** Coming before City Council as a citizen, as a mother, as a grandmother, and as a lifelong Detroit, and extremely concerned about the crime rate in our City. Council Member Saunteel Jenkins will work with Ms. Harris.

**MS. CECILY McCLELLAN:** Demanded City Council to go after revenues owed to the City of Detroit. Against having an emergency manager for the City of Detroit.

**MS. ANGELA KINGS:** Asked question of when the streetlights on Shoemaker to Cadillac Avenue will be turned back on in that area. Line Item for Public Health

and Safety Standing Committee on January 14, 2013 for follow up and administration was directed to assist Ms. King, per Council President Charles Pugh; no contact information was submitted to Clerk.

**MS. CHRIS GRIFFINS:** Stated we must fight against emergency manager for the City of Detroit. Felt Krystal Crittendon, Corporation Counsel, City of Detroit's Law Department should not be considered for dismissal.

**MS. CYNITRA ANDERSON:** Used to be a longtime resident of the City of Detroit and served her country. Ms. Anderson is a disabled veteran. Against having a financial manager. Complaint against the parking in the City of Detroit and Ms. Anderson to follow up with a resolution regarding the parking issue that she received in the mail.

**MR. ED McNEIL:** Felt the City of Detroit needs to go bankrupt and get somebody in here from the Federal end that could look at what's going on in the City of Detroit. Stated there is a lot of corruption that's going on currently right now.

**MR. MORRIS MAYS:** Stated any state law affecting the City of Detroit is only supposed to be voted by the people of Detroit and City Council is not supposed to be at this Council Table voting against the people.

**MOTHER RUEDELL HOLMES** had been in the hospital for a short time, but she is at home resting now, so we hope that we could see her back at the City Council meeting soon reclaiming her spot as that final speaker in public comment, so our prayers certainly go out for her speedy recovery, per Council President Charles Pugh.

Honorable City Council:

Re: Proposed Ordinance to Amend Chapter 47 of the 1984 Detroit City Code, *Retirement Systems*, Article II, *Defined Benefit/Defined Contribution (Annuity) Plan of the General Retirement System*.

The above-referenced proposed ordinance was requested by the Mayor's Office. The proposed ordinance has been approved as to form.

Pursuant to the applicable provisions of the 2012 Detroit City Charter, the above-referenced proposed ordinance is being submitted to your Honorable Body for consideration and passage. This proposed ordinance amends Chapter 47 of the 1984 Detroit City Code, *Retirement Systems*, Article II, *Defined Benefit/Defined Contribution (Annuity) Plan of the General Retirement System*, by amending Sections 47-2-4, 47-2-5, 47-2-6, and 47-2-7 to provide that a member shall neither earn any service credit nor accrue any credited service during the period of February 1, 2013 through January 31, 2014.

Because the City continues to experience severe financial challenges characterized by substantial current operating deficits in the General Fund and substantial accumulated deficits, which impair the City's ability to adequately fund core municipal services that are essential to the public health, safety, and welfare of the People of the City of Detroit, the Administration has requested that this proposed ordinance be introduced at your January 8, 2013 Formal Session. Further, the Administration has requested that, at your January 8, 2013 Formal Session, a public hearing for this proposed ordinance be scheduled for January 15, 2013 at the Committee of the Whole.

We are available to answer any questions that you have concerning this proposed ordinance. Thank you for your consideration.

Respectfully submitted,  
KRYSTAL A. CRITTENDON  
Corporation Counsel

By Council Member Spivey:  
**AN ORDINANCE to amend Chapter 47 of the 1984 Detroit City Code,**

***Retirement Systems, Article II, Defined Benefit/Defined Contribution (Annuity) Plan of the General Retirement System, by amending Sections 47-2-4, 47-2-5, 47-2-6, and 47-2-7 to provide that a member shall neither earn any service credit nor accrue any credited service during the period of February 1, 2013 through January 31, 2014.***

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

**Section 1.** Chapter 47 of the 1984 Detroit City Code, *Retirement Systems, Article II, Defined Benefit/Defined Contribution (Annuity) Plan of the General Retirement System*, be amended by amending Sections 47-2-4, 47-2-5, 47-2-6 and 47-2-7, to read as follows:

**Sec. 47-2-4. Service Retirement.<sup>80</sup>**

(a) *Retirement after thirty years service.*<sup>81</sup> Any member who has accumulated at least thirty or more years of credited service regardless of age, or, for any members hired under a collective bargaining agreement, any member who was hired on or after the date specified in the applicable collective bargaining agreement who has accumulated at least thirty or more years of credited service and has attained age fifty-five, may retire upon written application filed with the Board setting forth the date on which the member desires to be retired. The date of retirement shall be effective not less than thirty, nor more than ninety, days subsequent to the execution and filing of the application for retirement. On the specified date, the member shall be retired notwithstanding age or the fact that during such period of notification the member may have separated from City service. Upon retirement, the member shall receive a retirement allowance as provided in Section 47-2-5 of this Code.

(b) *Retirement at age sixty-five with eight years of service; at age sixty with ten years of service.*

(1) *Sixty-five and eight.* Any member who has attained sixty-five years of age and has at least eight years of credited service may retire upon written application filed with the Board setting forth an anticipated retirement date.

(2) *Sixty and ten.* Any member who has attained sixty years of age and has at least ten years of credited service may retire upon written application filed with the Board setting forth an anticipated retirement date.

(3) Any such anticipated retirement date shall not be less than thirty nor more than ninety days subsequent to the filing of the application. On the specified date, the member shall be retired, notwithstanding that during such period of notification he or she may have separated from City service. Upon retirement, the former

member shall receive the retirement allowance provided for in Section 47-2-5<sup>82</sup> of this Code.

(c) Retirement after twenty-five years of service without attaining age sixty years; reduced pension.

(1) *Early Retirement.* Any member of the Retirement System who is on the payroll on or after July 1, 1992, and who has twenty-five years of credited service and has not attained sixty years of age, shall have option of early retirement by accepting an actuarially reduced retirement allowance as determined by the Board of Trustees after consultation with the Board's Actuary, notwithstanding the age of the member who elects early retirement. Said election shall be made within ninety days of separation from City service. Actuarial tables provided by the Board's Actuary shall always provide this actuarially reduced retirement allowance at no cost to the employee.

(2) Employees utilizing the early retirement provision in this Section 47-2-4(c)(1) will not be entitled to the fringe benefits, if any, accruing to employees who qualify for a normal service retirement until such time as they would have qualified for a normal service retirement under 47-2-4(a) or (b) of this Code. However, employees may maintain health care benefits, if any, through the City's *COBRA* program, or its equivalent, until that time.

(d) *Retirement allowance: age forty and eight years of service; ten years of service regardless of age.*<sup>81</sup>

(1) *Eligibility.*

a. Any member hired before July 1, 1980 who has reached forty years of age and has acquired eight or more years of credited service shall be eligible to receive benefits provided by Section 47-2-4(d)(2) of this Code.

b. Any member hired on or after July 1, 1980 who has acquired ten years of credited service shall be eligible to receive the benefits provided by Section 47-2-4(d)(2) of this Code regardless of age.

c. Any non-union member hired on or after July 1, 1980 but before March 31, 1992 who has acquired ten years of credited service regardless of age or has reached age forty with eight or more years of credited service, whichever is earlier, shall be eligible to receive benefits provided by Section 47-2-4(d)(2) of this Code.

(2) *Benefits.*

a. Any member described in Section 47-2-4(d)(1)<sup>84</sup> of this Code who leaves City employment on or before June 30, 1992 but prior to the date the member would have first become eligible to retire as provided in Section 47-2-4(a),<sup>85</sup> (b)<sup>86</sup> or (c)<sup>87</sup> of this Code, for any reason except discharge for reasons covered by the State Forfeiture Law,<sup>88</sup> retirement or death, shall be entitled to a retirement

allowance based upon one point five percent (1.5%) of average final compensation for the first ten years of service and one point six three percent (1.63%) for service in excess of ten years. There shall be no charge to the base pension upon which future increases are based.

b. Any member described in Section 47-2-4(d)(1) of this Code who leaves City employment on or after July 1, 1992, but prior to the date the member would have first become eligible to retire as provided in Section 47-2-4(a), (b) or (c) of this Code, for any reason except discharge for reasons covered by the State Forfeiture Law,<sup>89</sup> retirement or death, shall be entitled to a retirement allowance computed according to Section 47-2-5<sup>90</sup> of this Code.

c. The retirement allowance shall begin on the first day of the calendar month following the month in which the retirement application is filed with the Board, on or after that date on which the member would have been eligible to retire with an unreduced service retirement under Section 47-2-4(a) or (b) of this Code, had City employment continued or on the date when age sixty is reached, whichever is earlier. Unless otherwise provided in this Article, no service credit shall be earned for the period of absence from City employment and such person's beneficiary shall not be entitled to any other benefit afforded in this Article except those benefits afforded either in Section 47-2-4 or in Section 47-2-5 of this Code notwithstanding termination of membership.

(3) *Withdrawal of accumulated contributions.* Upon separation from City employment, members who qualify for benefits pursuant to Section 47-2-4(d)(1) of this Code may withdraw their 1973 *Defined Contribution Plan* accumulated contributions and all other funds standing to their credit in the Annuity Savings Fund at that time without affecting their benefits under Section 47-2-4(d)(2) or 47-2-5 of this Code.

(e) A member shall neither earn any service credit nor accrue any credited service during the period of February 1, 2013 through January 31, 2014.

**Sec. 47-2-5. Service Retirement Allowance.**<sup>91</sup>

Upon retirement, a member who meets the qualifications set forth in Section 47-2-4(a), (b) or (c) of this Code, shall receive a *Straight Life Retirement Allowance*, and shall have the right to elect to receive in lieu of the *Straight Life Retirement Allowance*, a reduced retirement allowance under an option provided for in Section 47-2-9 of this Code.

The *Straight Life Retirement Allowance* shall consist of:

(a) An Annuity which shall be the actuarial equivalent of the members accumu-

lated contributions in the 1973 *Defined Contribution Annuity Savings Fund* at the time of retirement; and

(b) A *Basic Pension* of twelve dollars (\$12.00) per annum multiplied by the number of years, and fractions of years of credited service, not to exceed ten (10) years; and

(c) A *Membership Service Pension*.

(1) For members who retire on or before June 30, 1992, a membership service pension of one point five percent (1.5%) of Average Final Compensation for the first ten (10) years of service and one point six three percent (1.63%) for service in excess of ten (10) years.

(2) For members who retire on or after July 1, 1992 but prior to July 1, 1998, a membership service pension of one point five percent (1.5%) of Average Final Compensation for each year of service for the first ten (10) years plus one point seven percent (1.7%) of Average Final Compensation for each year of service in excess of ten (10) years up to twenty (20) years of service, plus one point nine percent (1.9%) of Average Final Compensation for each year of service in excess of twenty years. In no event shall benefits paid by the Retirement System exceed ninety percent (90%) of Average Final Compensation.

(3) For members who retire on or after July 1, 1998, a membership service pension of one point six percent (1.6%) of Average Final Compensation for each year of service for the first ten (10) years plus one point eight percent (1.8%) of Average Final Compensation for each year of service in excess of ten (10) years up to twenty (20) years of service, and plus two percent (2%) of Average Final Compensation for each year of service in excess of twenty (20) years up to twenty-five (25) years, plus two point two percent (2.2%) of Average Final Compensation for each year of service in excess of twenty-five (25) years. In no case shall benefits paid by the Retirement System exceed ninety percent (90%) of Average Final Compensation.

(d) With respect to regular service retirees under Section 47-2-4(a) and (b) of this Code only and excluding persons who receive vested benefits under Section 47-2-4(c) and (d) of this Code, in no case shall the total of the annual *Straight Life Pension* be less than three hundred sixty dollars (\$360.00) times each of the first ten (10) years of service at retirement plus one hundred twenty dollars (\$120.00) for each year of service in excess of ten (10) years. Effective July 1, 2007, each year of service in excess of ten (10) shall be calculated using two hundred twenty-five dollars (\$225.00).

The recalculation of the pension benefit shall include previous pension improvement factors but shall not include special

increases granted by prior separate ordinances.

(e) If a retiree dies before receipt of *Straight Life Retirement* allowance payments in an aggregate amount equal to, but not exceeding, the retiree's accumulated contributions in the *Annuity Savings Fund* at the time of retirement, the difference between these accumulated contributions and the aggregate amount of *Straight Life Retirement* allowance payments received, shall be paid to such person or persons nominated by written designation duly executed by the retiree and filed with the Board. If there is no such designated person or persons surviving the retiree, such difference shall be paid to his or her estate. In no case shall any benefits be paid under this section because of the death of a retiree if the retiree had elected any of the Options provided for in Section 47-2-9 of this Code.

(f) A member shall neither earn any service credit nor accrue any credited service during the period of February 1, 2013 through January 31, 2014.

#### **Sec. 47-2-6. Disability Retirement.<sup>95</sup>**

(a) *Duty Disability; Eligibility.* Upon the application of a member or the member's department head, a member who becomes totally and permanently incapacitated for duty in the employ of the employer shall be retired by the Board; provided, such incapacity is found by the Board to be the natural and proximate result of the actual performance of duty, without willful negligence on the part of the member; provided further, that the Retirement System Medical Director shall certify to the Board after a medical examination, that such member is mentally or physically totally and permanently incapacitated for the further performance of duty to the employer, and that such member should be retired from City service.

(b) *Duty disability; Benefits.<sup>96</sup>* Upon retirement for disability as provided in Section 47-2-6(a) of this Code, a retiree shall receive the following benefits:

(1) Any member who is eligible for a *Service Retirement* under Section 47-2-4(a) or (b) of this Code shall receive a *Service Retirement Allowance* as provided in Section 47-2-5<sup>97</sup> of this Code and shall have the right to elect an option provided for in Section 47-2-9<sup>98</sup> of this Code.

(2) Any member prior to eligibility for a *Service Retirement* under Section 47-2-4(a) or (b) of this Code shall receive a *Disability Retirement Allowance* to begin as of the date of disability. In no case shall the *Disability Retirement Allowance* be retroactive to more than six months before the date the application for Disability Retirement is filed with the Board, or prior to the date the member's name last appeared on a City payroll with pay, whichever is later. The *Disability*

*Retirement Allowance* shall continue until the member reaches eligibility for *Service Retirement* or recovers prior to that event. Upon reaching eligibility for *Service Retirement*, he or she shall receive a pension as provided in Sections 47-2-5(b) — (e) of this Code, together with an annuity which shall be the equivalent of the annuity which would have been received had contributions to the *Annuity Savings Fund* continued. Said contributions are to be based on the final compensation at the date of disability and the annuity percentage in effect for the employee on the July first prior to the effective date the employee is added to the disability retirement payroll, provided, said July first is at least six months prior to the effective date at least six months prior to the effective date that the employee is added to the regular retirement payroll. In computing the pension, membership service credit shall be given for the period a *Duty Disability Retirement Allowance* is received. The *Disability Retirement Allowance* shall consist of:

~~aa.~~ a. A *Cash Refund Annuity*<sup>99</sup> which shall be the actuarial equivalent of the member's accumulated contributions in the *Annuity Savings Fund* at the time of retirement. If a retiree dies before receipt of annuity payments in an aggregate amount equal to, but not exceeding, the retiree's accumulated contributions, the difference between the accumulated contributions and the aggregated amount of annuity payments received shall be paid in a single lump sum to such person or persons nominated by written designation duly executed and filed with the Board. If there is no such designated person surviving the retiree, such difference shall be paid to the retiree's estate.

~~bb.~~ b. In addition to the *Annuity*, a *Pension*<sup>100</sup> of sixty-six and two-thirds of the member's Average Final Compensation at the time of disability, subject to the provisions of Sections 47-2-13 and 47-2-14 of this Code. This *Pension* shall in no event exceed fifty-seven hundred dollars (\$5,700.00) per annum.

~~cc.~~ c. For members who retired on disability on or after January 1, 1999, a pension, in addition to the *Annuity*, of sixty-six and two-thirds of the member's average compensation at the time of disability subject to the provisions of Sections 47-2-13 and 47-2-14 of this Code. This *Pension* shall in no event exceed nine thousand dollars (\$9,000.00) per annum.

(c) *Non-Duty Disability; Eligibility.*<sup>101</sup> Upon the application of a member or the member's department head, a member who has at least ten years of credited service who becomes totally and permanently incapacitated for duty as a result of causes which do not occur in the actual performance of duty to the employer, may be retired by the Board if the Medical Director certifies to the Board after exam-

ination that such member is mentally or physically totally incapacitated for the further performance of duty, that such incapacity is likely to be permanent, and that such member should be retired.

(D) *Non-Duty Disability; Benefits.*<sup>102</sup> Upon retirement for disability as provided in Section 47-2-6(c) of this Code, a member shall receive the following benefits:

(1) After attaining sixty years of age, a member shall receive a *Service Retirement Allowance* as provided in Section 27-2-5 of this Code and shall have the right to elect an Option as provided in Section 47-2-9<sup>103</sup> of this Code.

(2) Prior to age sixty, a member shall receive benefits as provided in Section 47-2-6(d)(2)~~aa-cc~~ a-d<sup>104</sup> of this Code:

~~aa.~~ a. A *Cash Refund Annuity*<sup>105</sup> which shall be the actuarial equivalent of the member's accumulated contributions in the *Annuity Savings Fund* at the time of retirement. In the event a retiree dies before the total of the *Cash Refund Annuity* payments received equals or exceeds the amount of his or her accumulated contributions at the time of retirement, the remainder shall be paid in a single lump sum to such person or persons nominated by written designation duly executed by the member and filed with the Board. If there is no such designated person or persons surviving, any such remainder shall be paid to the retiree's estate.

~~bb.~~ b. In addition to the *Annuity*, a *Disability Pension*<sup>106</sup> which shall be based on the Service Retirement factors in effect on the effective date of disability. The service retirement factors shall be multiplied by the Average Final Annual Compensation multiplied by the number of years and fractions of years of service credited to the retiree. In addition, a basic pension of twelve dollars (\$12.00) per annum for a maximum of ten years of credited service shall be added for a total not to exceed one hundred twenty dollars (\$120.00) and adjustments thereto, as calculated pursuant to applicable provisions of the Detroit City Charter, as amended, and the 1984 Detroit City Code, ~~as amended.~~ Said *Disability Pension* shall begin as of the date of the disability. However, in no case shall the pension begin more than six months before the date the application for disability retirement was filed with the Board, or prior to the date his or her name last appeared on a City payroll with pay, whichever is later. Payment of the *Disability Pension* shall continue to age sixty. Said *Disability Pension* shall not exceed thirty-nine hundred dollars (\$3900.00) per annum, and shall be subject to the provisions of Sections 47-2-13 and 47-2-14 of this Code.

~~cc.~~ c. A member who retired on disability on or after January 1, 1999 shall

receive a *Disability Pension* as provided for in Section ~~47-2-6(d)(2)~~ 47-2-6(d)(2)b of this Code. Said *Disability Pension* shall not exceed six thousand dollars (\$6,000.00) per annum, and shall be subject to the provisions of Sections 47-2-13 and 47-2-14 of this Code.

~~d. d.~~ Effective July 1, 1967, notwithstanding the limitations contained in ~~47-2-6(d)(2)~~ 47-2-6(d)(2)b of this Code, disability retirees under Section 47-2-6(c) of this Code, who retired 1) prior to August 13, 1953, shall receive a supplementary *Pension* of forty dollars (\$40.00) per month; or 2) after August 13, 1956 and prior to July 1, 1966, shall receive a supplementary pension of twenty dollars (\$20.00) per month.

~~e. e.~~ Upon *Attaining Age Sixty*, the retiree shall receive a *Pension* computed according to the provisions of Section 47-2-5(b)-(e) of this Code; provided, that no service credit shall be given for the time a *Disability Pension* provided for in Section 47-2-6(d)(2)b of this Code was received. Upon attaining age sixty, the retiree shall have the right to make an election under Section 47-2-9 of this Code.

(e) A member shall neither earn any service credit nor accrue any credited service during the period of February 1, 2013 through January 31, 2014.

**Sec. 47-2-7. Accidental Death Benefit; Performance of Duty.**<sup>107</sup>

If a member is killed in the performance of duty in the service of the employer, or dies as the result of illness contracted or injuries received while in the performance of duty in the service of the employer, and such death, illness, or injuries resulting in death, is found by the Board to have resulted from the actual performance of duty in the service of the employer, the following benefits shall be paid, subject to Section 47-2-13 of this Code:

(a) *Annuity Savings Fund*.<sup>108</sup> accumulated savings in the members *Annuity Savings Fund* at the time of death shall be paid in a single lump sum to such person or persons as the member nominated in a writing duly executed and filed with the Board. In the event there is no designated person or persons surviving the member, the accumulated contributions shall be paid to the member's estate.

(b) A *Pension*<sup>109</sup> of one-third of the final compensation of said member shall be paid to the surviving spouse to continue until remarriage. If an unmarried child, or children under age eighteen also survive the deceased member, each surviving child shall receive a pension of one-fourth of said final compensation, to be divided equally. Upon such such child's adoption, marriage, attainment of age eighteen, or death, whichever occurs first, such child's pension shall terminate and there shall be a redistribution by the Board to the surviving eligible children under age eighteen. In no event shall any child receive a pen-

sion of more than one-fourth of said final compensation.

(c) *No Surviving Spouse; Children*.<sup>110</sup> If there is no surviving spouse, or if such surviving spouse dies or remarries before the youngest surviving child of a deceased member shall have attained the age of eighteen, any unmarried child or children under age eighteen, if any, shall receive a *Pension* equal to one-fourth of the deceased member's final compensation; provided, that if there are more than two such surviving children, each shall receive a pension of an equal share of one-half of said final compensation. Upon any such child's adoption, marriage, attainment of age eighteen, or death, whichever occurs first, the child's *Pension* shall terminate and there shall be a redistribution by the Board to the surviving eligible children under age eighteen. In no case shall any such child's *Pension* be more than one-fourth of the deceased member's final compensation.

(d) *Annual Limit*.<sup>111</sup> The total amount payable under Section 47-2-7(b) and (c) of this Code on account of the death of a member, shall not exceed nine thousand dollars (\$9,000.00) per annum.

(e) *Dependent Father and/or Mother*.<sup>112</sup> If the deceased member has no surviving spouse or children eligible for pensions under this section, a *Pension* equal to one-sixth of the deceased member's final compensation shall be paid to the member's surviving dependent father and/or mother; that in no case shall either parent's *Pension* exceed fifty dollars (\$50.00) per month. Payment to a dependent parent or parents shall be contingent upon a finding by the Board of Trustees after investigation that such parent or parents were actually dependent upon said deceased member through a lack of earning power resulting from physical or mental disability.

(f) *Section 47-2-13 of this Code Applicable*.<sup>113</sup> The benefits provided in Section 47-2-7 of this Code shall be subject to Section 47-2-13 of this Code.

(g) A member shall neither earn any service credit nor accrue any credited service during the period of February 1, 2013 through January 31, 2014.

**Section 2.** All ordinances, or parts of ordinances, that conflict with this ordinance are repealed.

**Section 3.** This ordinance is declared necessary for the preservation of the public peace, health, safety, and welfare of the People of the City of Detroit.

**Section 4.** In accordance with Section 4-118(3) of the 2012 Detroit City Charter, this ordinance shall be become effective on February 1, 2013.

#### Law Department

December 3, 2012

Honorable City Council:

Re: Proposed Ordinance to Amend Chapter 13 of the 1984 Detroit City Code, *Civil Service and Personnel Regulations*, Article II, *Hours of Work and Method of Payment*, to Provide for Reduction in Hours for Non-Union Executive and Legislative Branch City Employees Necessitated By Shortfall in Revenue.

The above-referenced proposed ordinance was requested by the Mayor's Office. The proposed ordinance has been approved as to form.

Pursuant to the applicable provisions of the 2012 Detroit City Charter, the above-referenced proposed ordinance is being submitted to your Honorable Body for consideration and passage. This proposed ordinance amends Chapter 13 of the 1984 Detroit City Code, *Civil Service and Personnel Regulations*, Article II, *Hours of Work and Method of Payment*.

In particular, this proposed ordinance will amend Chapter 13 of the 1984 Detroit City Code, *Civil Service and Personnel Regulations*, Article II, *Hours of Work and Method of Payment*, by amending Section 13-2-18, *Reduction in hours for City employees due to revenue shortfall; authorization and implementation; parity required for non-union Executive and Legislative Branch City employees; section not applicable to City elected officials; commensurate action on 36th District Court budget*, to authorize a continuation of reduction in hours for all non-union Executive Branch and Legislative Branch

City employees to terminate not later than December 31, 2013, at 11:59 p.m., which: 1) will continue the policy established under this section for the prior reduction in hours that the Mayor and the City Council cooperate to ensure that the reduction in hours is shared by both branches of City government so that all non-union Executive Branch City employees and all non-union Legislative Branch City employees receive the same reduction in hours during the effective dates of any Executive Order and of any City Council resolution; 2) will reiterate that this section does not apply to City elected officials whose compensation is determined by the Elected Officials Compensation Commission; but that City elected officials may voluntarily return a commensurate portion of their salary, as a gift, to the City's General Fund; and 3) will continue the policy established under this section for the prior reduction in hours that, while this section is implemented through Executive Order of the Mayor for non-union Executive Branch City employees and through resolution of the City Council for non-union Legislative Branch City employees, the City is required, as the funding unit for the 36th District Court, to take action, in accordance with Sections 8-201 through 8-213 of the 2012 Detroit City Charter, to decrease the Court's budget in an amount that is commensurate and reflective of a twenty percent (20%) reduction in hours for the Court's non-judicial employees, provided, that the 36th District Court remains solely responsible, as required by the Michigan Revised Judicature Act, being MCL 600.1 *et seq.*, and Michigan Supreme Court Administrative Order No. 1998-5, for allocating appropriated City funds for Court operations; and to eliminate the requirement that step increases and merit increases continue during the reduction in hours.

The Administration has requested that this proposed ordinance be introduced at your Special Session, which is scheduled for December 11, 2012. Further, the Administration has requested that, at your December 11, 2012 Special Session, a public hearing for this proposed ordinance be scheduled for January 8, 2013.

We are available to answer any questions that you have concerning this proposed ordinance. Thank you for your consideration.

Respectfully submitted,

**AN ORDINANCE to amend Chapter 13 of the 1984 Detroit City Code, *Civil Service and Personnel Regulations*, Article II, *Hours of Work and Method of Payment*, by amending Section 13-2-18, *Reduction in hours for City employees due to revenue shortfall;***

*authorization and implementation; parity required for non-union Executive and Legislative Branch City employees; section not applicable to City elected officials; commensurate action on 36th District Court budget, to authorize a continuation of reduction in hours for all non-union Executive Branch and Legislative Branch City employees to terminate not later than December 31, 2013, at 11:59 p.m., which: 1) will continue the policy established under this section for the prior reduction in hours that the Mayor and the City Council cooperate to ensure that the reduction in hours is shared by both branches of City government so that all non-union Executive Branch City employees and all non-union Legislative Branch City employees receive the same reduction in hours during the effective dates of any Executive Order and of any City Council resolution; 2) will reiterate that this section does not apply to City elected officials whose compensation is determined by the Elected Officials Compensation Commission, but that City elected officials may voluntarily return a commensurate portion of their salary, as a gift, to the City's General Fund; and 3) will continue the policy established under this section for the prior reduction in hours that, while this section is implemented through Executive Order of the Mayor for non-union Executive Branch City employees and through resolution of the City Council for non-union Legislative Branch City employees, the City is required, as the funding unit for the 36th District Court, to take action, in accordance with Sections 8-201 through 8-213 of the 2012 Detroit City Charter, to decrease the Court's budget in an amount that is commensurate and reflective of a twenty percent (20%) reduction in hours for the Court's non-judicial employees, provided, that the 36th District Court remains solely responsible, as required by the Michigan Revised Judicature Act, being MCL 600.1 et seq., and Michigan Supreme Court Administrative Order No. 1998-5, for allocating appropriated City funds for Court operations; and to eliminate the requirement that step increases and merit increases continue during the reduction in hours.*

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

**Section 1.** Chapter 13 of the 1984 Detroit City Code, *Civil Service and Personnel Regulations*, Article II, *Hours of*

*Work and Method of Payment*, be amended by amending Section 13-2-18, *Reduction in hours for City employees due to revenue shortfall; authorization and implementation; parity required for non-union Executive and Legislative Branch City employees; section not applicable to City elected officials; commensurate action on 36th District Court budget*, to read as follows:

**CHAPTER 13. CIVIL SERVICE AND PERSONNEL REGULATIONS**

**ARTICLE II. HOURS OF WORK AND METHOD OF PAYMENT**

**Sec. 13-2-18.** *Reduction in hours for City employees due to revenue shortfall; authorization and implementation; parity required for non-union Executive and Legislative Branch City employees; section not applicable to City elected officials; commensurate action on 36th District Court budget.*

(a) Due to fiscal difficulties incurred by an actual or a projected shortfall in revenue, all non-union Executive and Legislative Branch City employees shall be required to take a reduction in hours, through budget-required furlough, as defined in Section 13-2-1 of this Code, which shall be implemented as follows:

(1) The pay period to commence reduction in hours, the percentage in reduction of hours, and the pay period to terminate reduction in hours shall be delineated:

(a) For non-union Executive Branch City employees by the Mayor through the issuance of an Executive Order; and

(b) For non-union Legislative Branch City employees by the City Council through adoption of a resolution;

(2) The resulting reduction in pay from the reduction in hours shall not reduce the City employee's hourly pay rate set forth in the current Official Compensation Schedule, as amended, or the applicable Official Compensation Schedule that is in effect during the next fiscal year;

(3) The implementation of this section shall not change the accrual of vacation leave time, sick leave time, and non-banked time, including holiday, excused-time days, funeral leave, and jury duty for any City employee who is affected by this section;

(4) Where hours to be worked are reduced, the resulting reduction in compensation or wages shall not exceed ~~ten~~ ~~(40)~~ ~~twenty~~ percent (20%) of the actual compensation established by the Official Compensation Schedule of the affected City employee as of July 1st of the current fiscal year, or the actual compensation established by the Official Compensation Schedule for the affected City employee as of July 1st of the next fiscal year, if the reduction in hours is extended as provided for in Subsection (a)(7) of this section;

~~(5) All non-union City employees shall continue to receive step increases or merit increases as specified in the current Official Compensation Schedule as amended, or in the applicable Official Compensation Schedule if the reduction in hours is extended as provided for in Subsection (a)(7) of this section, based upon the compensation rate or compensation as set forth in the Official Compensation Schedule for the affected employee as of July 1st of the current fiscal year, or the actual compensation established by the Official Compensation Schedule for the affected employee as of July 1st of the next fiscal year, if the reduction in hours is extended as provided for in Subsection (a)(7) of this section, provided, that the compensation, compensation rate, or actual compensation for the affected City employee shall be adjusted to reflect the reduction in hours after the merit increase or step increase is added to the previous compensation, compensation rate, or actual compensation;~~

~~(6)~~(5) The implementation of this section shall not be a factor for purposes of pension computation under Chapter 47 of this Code, *Retirement Systems*, for any non-union City employee who is affected by this section; and;

~~(7)~~(6) Any reduction in hours implemented pursuant to this section shall terminate not later than ~~June 30, 2012~~ December 31, 2013, at 11:59 p.m.

(b) It is the intent of this section that all non-union Executive Branch City employees and all non-union Legislative Branch City employees receive a reduction in hours for the same length of time during the effective dates of any Executive Order or any City Council resolution and that the Mayor and the City Council cooperate to ensure that the reduction in hours is taken by City employees in both branches of City government for the same length of time, provided, that the Mayor and the City Council may elect to place their administrators, administrative personnel, and other non-union City employees on different schedules for their reduction in hours.

(c) This section shall not apply to City elected officials whose compensation is determined by the Elected Officials Compensation Commission in accordance with Section 5c of the Michigan Home Rule City Act, MCL 117.5c, and Chapter 2, Article III, Division 2, of this Code, provided, that neither state law nor this Code prohibit City elected officials from voluntarily returning their salary, or a portion thereof, that is commensurate with the reduction in hours for administrators, administrative personnel, and other non-union employees, as a gift to the City's general fund.

(d) When this section is implemented through Executive Order of the Mayor for

non-union Executive Branch City employees and through resolution of the City Council for non-union Legislative Branch City employees, the City, as the funding unit for the 36th District Court, shall take action, in accordance with Sections 8-201 through ~~8-211~~ 8-213 of the ~~1997~~ 2012 Detroit City Charter, to decrease the Court's budget in an amount that is commensurate and reflective of a ~~ten~~ twenty percent ~~(10%)~~ (20%) reduction in hours for the Court's non-judicial employees, provided, that the 36th District Court remains solely responsible, as required by the Michigan Revised Judicature Act, being MCL 600.1 *et seq.*, and by Michigan Supreme Court Administrative Order No. 1998-5, for allocating appropriated City funds for Court operations.

**Section 2.** All ordinances, or parts of ordinances, that conflict with this ordinance are repealed.

**Section 3.** This ordinance is declared necessary for the preservation of the public peace, health, safety, and welfare of the People of the City of Detroit.

**Section 4.** Where this ordinance is passed by a two-thirds (2/3) majority of the City Council Members serving, it shall be given immediate effect and shall become effective upon publication in accordance with Section 4-118(1) of the 2012 Detroit City Charter. Where this ordinance is passed by less than two-thirds (2/3) majority of City Council Members serving, it shall become effective thirty (30) days after publication in accordance with Section 4-118(2) of the 2012 Detroit City Charter.

Honorable City Council:

Re: Permission to accept an Eastern District of Michigan Project Safe Neighborhoods Initiative Grant from the Children's Aid Society of Michigan (CAS).

The Detroit Police Department has been selected to receive \$158,765.17 in grant funding, with no required match, from the Eastern District of Michigan Project Safe Neighborhoods. This Initiative has three goals: 1) aggressively promote the message that all firearm-related violent crime will be met with strict enforcement and swift and certain punishment; 2) encourage citizens to work with local, state and federal law enforcement to address firearm-related violent crime in their communities; and 3) promote gun safety in the community.

The time period for the grant is October 1, 2012 through September 30, 2014. The Federal Award Number is 2012-GP-BX-0011. Sergeant Jason Sloan, of the Criminal Investigations Bureau, will serve as the project director for the grant. The Children's Aid Society (CAS) will serve as the fiscal agent for the grant. The appropriation number for the grant is 13590.

Participation requires the approval of your Honorable Body, via adoption of the attached resolution. The Board of Police Commissioners has been notified of the funding and approved participation.

If you have any questions or concerns, regarding this matter, please feel free to contact me at 596-1800, Monday through Friday, 9:00 a.m. to 5:00 p.m.

Honorable City Council:

Re: Beautification Project at the Sixth and Eighth Precinct-Donation of a View Scan Weapons Detection Systems Unit.

Mr. John Rademaker, Director of Business Development with View Systems, Inc. has indicated that upon learning of the Sixth/Eighth Precincts Beautification Project, he decided to donate a View Scan Weapons Detection System unit (WDS) to the Detroit Police Department (DPD) free of charge. Mr. Rademaker has estimated the value of this donation at \$13,800. View Systems Inc. would install the equipment at the entrance of the Sixth and Eighth Precincts. View Systems, Inc. would warranty the unit for three years and provide a free service agreement for five years.

The WDS is a walk-through scanner which uses advanced magnetic technology to pinpoint threatening objects while ignoring common items such as coins, body piercing and small keys. It creates an image that appears on a monitor. Indicators point to spots on the image that appears on a monitor. Indicators point to spots on the image where metal is detected. The photos and information can be stored for months or years. The current metal detector at the District does not have these capabilities, nor is it currently operational. WDS is a passive device and does not generate any active electromagnetic fields, making it safe for pregnant women and people with medical implants such as pacemakers.

The Board of Police Commissioners has already approved this request. Therefore, I now request approval from your Honorable Body to accept the donation and adopt the enclosed resolution.

If you have any questions or concerns, regarding this matter, please feel free to contact me at 596-1800, Monday through Friday, 9:00 a.m. to 5:00 p.m.

WHEREAS, The Council is in agreement with the goals stated in that document at Section II.6 regarding the Purchasing Function; and

WHEREAS, The Council adopted on December 11, 2012 a resolution indicating its intention to adopt as soon as possible an ordinance or ordinances that will put into effect certain of the principles relating to threshold requirements for approval of contracts by Council as stated in Section II.6; and

WHEREAS, The Council also intends to adopt, as soon as practicable, further ordinances that will put into practice additional principles expressed in Section II.6 of the MOU that have not already been included in the Council's resolution of December 11, 2012; and

WHEREAS, Where Charter revision or amendment will be required in order to permit the adoption of the required ordinance or ordinances the Council hereby expresses its intention to propose such ordinance revisions or amendments to the Charter for a vote of the people at the earliest possible date or to effect such revisions or amendments pursuant to such other procedure as may be permitted by law;

NOW THEREFORE BE IT RESOLVED, That the Council hereby requests that ordinances and resolutions in proper form be prepared by the Law Department and presented to the Council; and

BE IT FURTHER RESOLVED, These ordinances and resolutions should provide for or, in the event that Charter changes may be necessary, initiate the necessary Charter amendment or revision procedure to:

1) Amend the outsourcing portion of the Purchasing Ordinances and such Charter provisions as may be implicated

in such a way that reliance on quality of service and economic considerations is required as the primary determinant as to whether an outsourcing initiative is undertaken. Language will be included to give labor unions a reasonable opportunity to bid on outsourced work.

2) Allow Purchasing to engage in inter-governmental procurement activities, including, but not limited to, joining cooperatives such as MiDeal-State of Michigan, when there is economic advantage to the City without subjecting the related contracts to the City's RFP process.

3) Amend the emergency contract approval process to enable rapid Reform Program procurement and contracting on account of financial emergency, specifically including provisions which provide that any contract submitted to the appropriate City Council subcommittee with sufficient documentation and not disapproved by City Council within 15 calendar days of submission shall be deemed approved by the City Council. This process is to be utilized for the balance of the 2013 calendar year.

By COUNCIL MEMBER SPIVEY:

WHEREAS, In accordance with Section 2421 of the Michigan Public Health Code, MCL.333.2421, the City Detroit opted to create a local health department with necessary powers and duties for implementation and enforcement of the Public Health Code, MCL 333.1101 *et seq.*, within the City of Detroit; and

WHEREAS, Section 2406(d) of the Public Health Code, MCL 333.2406(d), provides that a "local governing entity" means "in the case of a single city health department, the mayor and city council of the city;" and

WHEREAS, Section 2411(2) of the

Public Health Code, MCL 333.2411(2), provides that, "where the local governing entity of a local health department includes a city, the powers and duties vested in the mayor and city council shall be divided as provided by law and the city charter;" and

WHEREAS, In accordance with MCL 333.2411(2) and Section 7-102 of the 1974 Detroit City Charter, the Department of Health was included as Section 50 in the original Executive Organization Plan; and

WHEREAS, Subsequent amendments of the original Executive Organization Plan renamed the department as the Department of Health and Wellness Promotion and placed the department under Section 170 of the Plan; and

WHEREAS, In accordance with Section 7-102 of the 2012 Detroit City Charter, the Mayor has proposed an Amendment to the Executive Organization Plan, which would:

(1) Reassign the Animal Control Functions of Environmental Health Services from the Department of Health and Wellness Promotion, Agency 25, located in Section 170 of the Executive Organizational Plan to the Police Department, Agency 33, located in Section 270 of the Executive Organization Plan;

(2) Reassign the Facilities Management Function of Administrative Services from the Department of Health and Wellness Promotion, Agency 25, located in Section 170 of the Executive Organization Plan, to the General Services Department, Agency 47, located in Section 165 of the Executive Organization Plan, under its Facilities Planning and Management Division; and

(3) Cease the Pharmacy Function of Personal Health Services performed by the Department of Health and Wellness Promotion, Agency 25, located in Section 170 of the Executive Organization Plan; and

(4) Cease the X-Ray Function of Personal Health Services performed by the Department of Health and Wellness Promotion, Agency 25, located in Section 170 of the Executive Organization Plan; and

(5) Cease the Biostatistics Function of Planning and Evaluation performed by the Department of Health and Wellness Promotion, Agency 25, located in Section 170 of the Executive Organization Plan; and

(6) Cease the Nutrition Function of Planning and Evaluation performed by the Department of Health and Wellness Promotion, Agency 25, located in Section 170 of the Executive Organization Plan to carry out the State's plan to contract with a non-profit corporation for delivery of the service;

WHEREAS, The Mayor has filed the

Amendment with the City Council on September \_\_\_\_, 2012;

WHEREAS, Section 7-102 of the Charter requires that the Amendment be made public and that the City Council study and conduct hearings on the Amendment and may request that the Mayor made modifications to such amendment; and

WHEREAS, Pursuant to Section 7-102 of the Charter, sixty (60) business days after the filing of the Amendment, which is November \_\_\_\_, 2012, the Amendment shall become effective with such modifications that are accepted by the Mayor, unless the amendment is disapproved by a Resolution adopted by a two-thirds (2/3) majority of the City Council members serving.

NOW, THEREFORE, BE IT RESOLVED, That:

(1) The Amendment shall be made available by the City Clerk for reference by all interested persons and copies of the Amendment shall be available in Neighborhood City Halls and in the Sociology and Economics Department of the Detroit Main Public Library;

(2) The City Clerk is hereby authorized and directed to publish notice of the filing of the Amendment and a Public Hearing thereon along with the Summary of the Amendment in two daily newspapers of general circulation in the City of Detroit.

(3) A Public Hearing on the Amendment shall be held on October 17, 2012 at 10:20 a.m., in the City Council Committee Room, 13th Floor, Coleman A. Young Municipal Center, Detroit, Michigan.

(4) Said notice shall be substantially in the following form:

**A RESOLUTION STRONGLY SUPPORTING A COMMUNITY BENEFITS AGREEMENT BETWEEN THE WEST GRAND BOULEVARD COLLABORATIVE AND THE HENRY FORD HEALTH SYSTEM FOR THE CARDINAL MEDICAL WAREHOUSE AND DISTRIBUTION CENTER DEVELOPMENT PROJECT**

By Council Member Watson; Joined By Council Member Jones and President Pugh:

Whereas, The Detroit City Council approved Henry Ford Health Systems' (HFHS) rezoning request on December 11, 2012, advancing its plans to construct a 273,520 square foot medical and surgical supply warehouse and distribution center; and

Whereas, The impact on the host community where the proposed warehouse would be located has been of great concern to area residents, community groups and business as it combines pre-existing residential with a large scale construction project, warehouse operations and significant truck traffic accessing the site; and

Whereas, During the rezoning process, City Council held discussions and encouraged the parties to implement sustainable benefits to the community and address its

concerns; and

Whereas, To that end, the West Grand Boulevard Collaborative, a grassroots community group formed in 2004, has been actively working with HFHS to formalize the interaction between HFHS and the community with the goal of a formal Community Benefits Agreement (CBA); and

Whereas, During the rezoning process, City Council adopted a resolution strongly supporting a CBA to protect and stabilize the residential community that currently exists within and surrounding the project area and were encouraged that discussions between the community and HFHS were ongoing; and

Whereas, City Council continues to support the adoption of a CBA for this project to strengthen the community and the City as a whole and the presence or absence of such will be factor in the consideration of future requests from HFHS; and

Now, Therefore Be It

Resolved, That the Detroit City Council strongly supports the finalization of a Community Benefits Agreement establishing a contractual relationship between the aforementioned parties that will improve the economic and environmental status of the community in which it is located; and

Be It Further

Resolved, That the Detroit City Council will take into consideration the presence or absence of a CBA as one factor while deliberating future requests from HFHS relative to this project; and

Be It Finally

Resolved, That a copy of this resolution be sent to the Mayor's Office, the West Grand Boulevard Collaborative and Henry Ford Health System.

**TESTIMONIAL RESOLUTION Honoring the 100th Anniversary of the Birth of**

**MOTHER ROSA LOUISE PARKS**

By COUNCIL MEMBER WATSON, Joined By ALL COUNCIL MEMBERS:

WHEREAS, Mother Parks was born Rosa Louise McCauley on February 4, 1913 in Tuskegee, Alabama to the proud parentage of James McCauley, a carpenter and Leona McCauley, a school teacher. At the age of two she, her mother and younger brother, Sylvester, moved to live with her grandparents on their farm in Pine Level, Alabama. When she was 11 years old her mother enrolled her in the Montgomery Industrial School for Girls, a private school founded by progressive

and liberal minded women from the Northern States in the United States. The school operated under a belief system that fostered selfworth, which was consistent with young Rosa's upbringing; and

WHEREAS, After attending Alabama State Teachers College, Mrs. Parks met and in 1932 married Raymond Parks and they settled in Montgomery. The couple joined the local chapter of the NAACP in 1944 and worked quietly for many years to improve the plight of People of Color in the segregated South. Mr. and Mrs. Parks served as NAACP investigators in the case of Recy Taylor, an Alabama woman who was kidnapped and raped by six white men. Two all white, all male juries refused to indict the men. Some scholars consider this case the launching pad for the activism that led to the modern day Civil Rights Movement. Mrs. Parks, during an interview reported, "I worked on numerous cases with the NAACP, but we did not get the publicity. There were cases of flogging, peonage, murder, and rape. We didn't seem to have too many successes. It was more a matter of trying to challenge the powers that be, and to let it be known that we did not wish to continue being second-class citizens"; and

WHEREAS, In August of 1955, Mother Rosa Parks, along with her husband Raymond Parks attended the Highlander Folk School, which was a center located in Tennessee, for social justice training. On December 1, 1955, Mrs. Parks' display of civil disobedience by refusing to give up her seat to a white male passenger on a bus Montgomery, Alabama, was an heroic challenge to the city's segregation laws. Mother Parks was arrested, jailed and on December 5, 1955, she was found guilty of violating Montgomery's bus ordinance and fined \$14. The bus incident led to the formation of the Montgomery Improvement Association, led by the young Pastor of the Dexter Avenue Baptist Church, Rev. Dr. Martin Luther King, Jr. The Association called for a boycott of the city-owned bus company. The boycott lasted 381 days and brought Mother Rosa Parks, Dr. King, and their cause to the attention of the world. The NAACP consulted with two brilliant attorneys that they regularly worked with, Robert Carter and Thurgood Marshall. The case was filed in U.S. District Court in February of 1956; and on November 13, 1956, the U.S. Supreme Court declared Alabama's racial segregation laws for public transit unconstitutional. It stated that the bus segregation laws in the City of Montgomery "deny and deprive plaintiffs and other Negro citizens similarly situated of the equal protection of the law and due process of law secured by the Fourteenth Amendment" (Browder vs. Gayle, 1956). It took one month after the ruling for the decision to reach the City

of Montgomery, Alabama and the boycott ended the very next day; and

WHEREAS, The ruling by the U.S. Supreme Court put an end to racial segregation on public transportation, but it did not end racial prejudice. Violence broke out all across the South. Mother Parks, as a result of her arrest, was fired from her job at the Montgomery Fair department store and Mr. Parks left his job voluntarily after his employer informed him that he was not to discuss his wife or her legal troubles. Later that year, in 1957, Mr. and Mrs. Parks left Alabama and moved to Hampton, Virginia where Mother Parks found employment at the Hampton Institute. They moved again, that same year and settled in Detroit, Michigan; and

WHEREAS, In 1965, Mother Rosa L. Parks was hired by the newly-elected U.S. Representative — Congressman John Conyers, Jr. She held the position of Legislative Assistant in his office until 1988, when she retired. After her retirement, Mrs. Parks continued to work for social justice and equality. After the death of her husband in 1977, Mrs. Parks (along with Elaine Eason Steele) co-founded the Rosa and Raymond Parks Institute for Self-Development and Social Change. The Institute sponsors an annual summer program for teenagers called "*Pathways to Freedom*". The youth tour the country and learn the history of their country and of the civil rights movement. In 1980 the Detroit News and Detroit Public Schools established the Rosa L. Parks Scholarship Foundation to honor Mrs. Parks; and

WHEREAS, Mother Rosa Parks continued to be a drum major for justice throughout the remainder of her life. She worked on behalf of the Southern Christian Leadership Council, which established an annual Rosa Parks Freedom Award in her honor. She worked and advocated for the implementation of Reparations and used her voice to oppose South African apartheid. She was a supporter of *Keep the Vote — No Takeover* and filed an amicus brief to support the Right to Vote in Detroit. She was a proponent of Planned Parenthood and women's rights. Mother Parks was honored on September 9, 1996, by President William Jefferson Clinton, with the highest honor that can be bestowed by the executive branch, the Presidential Medal of Freedom. The U.S. legislative branch also presented her with their highest award in 1997, the Congressional Gold Medal. Time Magazine in 1999 named Rosa Parks one of the 20 most influential people of the 20th century; and

WHEREAS, Mrs. Parks spent most of her years residing in the City of Detroit, where she died on October 24, 2005 peacefully at her home at the age of 92. After her death, her casket was placed in

the rotunda of the United States Capitol for two days, so the nation could pay its respects to the woman whose courage changed the lives of so many. She is the only woman and second African American in history to lie in state at the Capitol, an honor usually reserved for Presidents; and NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council honors the *Centennial Anniversary* of the "Queen Mother of the Civil Rights Movement," Mother Rosa Louise Parks, who is universally celebrated and revered for her life-long leadership as Mother of the Civil Rights Movement.

**TESTIMONIAL RESOLUTION  
FOR  
EASTERN HIGH SCHOOL  
Founded in 1895**

By COUNCIL MEMBER COCKREL, JR.:

WHEREAS, Eastern High School was founded in 1895 and located on the corner of E. Grand Boulevard and Mack Avenue, as a brand new high school. The school opened at its new location in 1901. The enrollment reached 319 students in 1902; and

WHEREAS, A new building wing was added to the rear of the school in 1920 providing rooms for studies in biology, geology, and a new gymnasium. The new lunch room was relocated to the basement of the building; and

WHEREAS, Eastern High School officially adopted the colors of Orange and Black as its colors, the same colors as Princeton University. Eastern's fight song was awarded second place in a contest by Princeton for the school song; and

WHEREAS, Eastern High School became the first and major academic high school on the east side of Detroit, with Cass Tech becoming the major high school on the west side; and

WHEREAS, A new Eastern High School was built in 1968 at Mt. Elliott and East Lafayette, becoming the new site, and in 1969 following the tragic death of Dr. Martin Luther King, Jr. the new Eastern was re-named Martin Luther King, Jr. High School. Meanwhile at the old site a special monument has been erected indicating that the site was the location for the school site of the old Eastern High School; and

WHEREAS, The Eastern High School Alumni Association was formed in 1920 and continued to meet in the new high school. Eastern High Alumni total a couple thousand graduates; and

WHEREAS, The current committee for this special event includes Chair Ed Deeb, Nancy Linhard, Barbara Chandler, Toyia Edmondson, Dolores Martin, Norma Krussman, Jackie Butler, Dr. Art Carter, Dominic Catanzaro, Alvin Derrickson, Dr. Deborah Jenkins, Kenguamo Jones, Mary Jane Masinick and Carol Weaver; and

WHEREAS, On November 10, 2012 a special dedication ceremony at Martin Luther King, Jr. High School will name a wing at the high school for Eastern High School. The Detroit Public Schools will sponsor a reception, the Martin Luther King, Jr. Jazz Band the King High Dancers will perform for the alumni of both schools. NOW THEREFORE BE IT

RESOLVED, That the Honorable Detroit City Council express their gratitude to Eastern High School for their contributions in the lives of many in the City of

Detroit and being respectful of its accomplishments over the years.

**RESOLUTION  
IN MEMORIAM  
DR. MARIA LOUIS  
GOODLOE-JOHNSON**

By COUNCIL MEMBER JONES:

WHEREAS, Dr. Maria L. Goodloe, a native of Omaha, Nebraska, received her Bachelor of Science Degree in Special Education from the University at Lincoln and moved to Colorado in 1980 to attend graduate school and earn her master's degree. She graduated from the University of Northern Colorado at Greeley in 1981, and began teaching special education, as well as coaching soccer and cross-country in the Aurora Public Schools; and

WHEREAS, Dr. Goodloe's master's degree is in Educationally Handicapped, K-12. Dr. Goodloe became assistant principal for Curriculum and Instruction at Broomfield High School in the Boulder Valley School. She served as assistant principal for two years and then was appointed interim principal for one year. Dr. Goodloe was the youngest African-American female selected as high school principal in the state of Colorado. She served as principal of Broomfield High School for four years while working full-time on her doctorate. Dr. Goodloe earned her Ph.D. in Educational Administration, Supervision, Curriculum and Instruction. She served as Director of Secondary Instruction for the St. Vrain Valley School District for five years prior to moving to Texas, and

WHEREAS, Dr. Goodloe has delivered numerous presentations and was honored as a recipient of the "1996 Trailblazers Award" by AAUW in Denver and received the Girl Scout "Women's Leadership Circle", "1999 Women of Distinction Award" for outstanding leadership and role model in the Denver Metro Area. Dr. Goodloe received the Alumni Achievement Award from the University of Nebraska at Lincoln (UNL) in May 2000. She was an active member of the Alpha Kappa Alpha Sorority, Inc., the Charleston Rotary Club, the Charleston Education Foundation and the Trident United Way; and

WHEREAS, Dr. Goodloe joined the Corpus Christi Independent School District in 1999 and served as Assistant Superintendent for Instruction and School Services. Dr. Goodloe is a 2003 graduate of the Broad Center for Superintendents, a national training program of School District CEOs. Dr. Goodloe joined the Charleston County School District in

October 2003, as the Superintendent of Schools. In 2007, Dr. Goodloe was selected as the Superintendent of Seattle Public School District where she served until March 2011. She accepted a position as Deputy Chancellor, Instructional Support and Educational Accountability at Michigan Education Achievement System. Dr. Goodloe assisted in a program which will develop a new set of public schools to help teachers aid children to acquire academic gains. This program will be applied under performing Detroit schools in the 2012-2013 system and will expand throughout Michigan; NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council, Office of Councilwoman Brenda Jones, hereby joins with family in honoring the legacy of the later Dr. Maria Louis Goodloe-Johnson. May we continue to honor her.

Council Member Spivey, on behalf of Council President Pugh, moved for adoption of the following resolution:

**TESTIMONIAL RESOLUTION  
FOR  
DETROIT TOGETHER MEN'S CHORUS  
30th Anniversary Holiday Concert  
BY COUNCIL PRESIDENT PUGH:**

WHEREAS, The beginning of a men's chorus in Detroit may have been inspired by the founding of the San Francisco Gay Men's Chorus and their national tour in 1981 that led to the creation of many "gay" choruses around the country; the idea for a men's chorus in Detroit was born out of a love of a few men for singing together, and

WHEREAS, After a constitution for Detroit Together — A Chorus was completed in October, 1982 that emphasized a desire to bring people together, hence the name, to provide entertainment to the community, and to be a source of fellowship and support for its members. The first Holiday concert was held in December, 1982 at Todds, and

WHEREAS, The Chorus, now known as Detroit Together Men's Chorus (DTMC) has continued to provide not only entertainment and fellowship for its members over the years, but has used music to bring healing and bridge the divisions that have too often existed in the Detroit metropolitan area between city and suburb, or gay and straight communities, and

WHEREAS, DTMC has represented Detroit at a number of national gatherings of GALA (Gay and Lesbian Association) of Choruses in New York, Denver, Seattle, Orlando, San Jose, Montreal; as well as inviting groups to Detroit to share their music from Rochester, New York, Chicago, Cleveland, Cincinnati, as well as the Grand Rapids Women's Chorus and Sister Women's Chorus from Lansing. In addition, DTMC has provided music for numerous events and groups throughout the Detroit Metropolitan area, such as Toledo, Ohio, and Windsor, Ontario as well

as scheduling two annual concerts, and WHEREAS, There is much greater acceptance of people who identify as gay, lesbian, bisexual or transgender now than in 1982. Today, there is a continued need for DTMC to share the music that touches our hearts, changes the world, and bring our community together to bridge the barriers that divide us. NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council hereby congratulates the Detroit Together Men's Chorus on their 30th Anniversary Holiday Concert. We wish them much success in the future and look forward to many more years of music from Detroit Together Men's Chorus.

**TESTIMONIAL RESOLUTION  
FOR  
DEACON B. T. RIMSON, JR.**

By COUNCIL MEMBER SPIVEY:

WHEREAS, Deacon B. T. Rimson, Jr. — affectionately known as B.T., accepted the Lord and became one of the youngest deacons to ever be ordained at the tender age of 14; and

WHEREAS, Deacon B. T. Rimson has been a loyal and very dedicated member of New Jerusalem Church of God in Christ for many years of his life. Just about every time the doors of New Jerusalem open, you will see Deacon B. T. Rimson. Before he accepted the Lord as his personal saviour, he was carrying chairs, mopping floors, and he has served as the church janitor; and

WHEREAS, He has been the Chairman of the Deacon Board for over 20 years. He was the second Youth Department President, President of the YPWW and taught Sunday School. He has served on the Testimonial Dinner Committee when the late Elder W. A. Pattersosn, Sr., became Bishop. He served faithfully as the Chairman for the Annual Men's Day and the Pastor's Anniversary Committee for over 40 years. Because of his love for God and the saints, he has always shown brotherly love and gone above and beyond. He has driven the saints to and from church as well as purchased food for the less fortunate during the holidays; and

WHEREAS, Deacon B. T. Rimson, being a Godly man has never wavered in his loyalty to New Jerusalem and has always respected the leadership of the late Bishop W. A. Patterson, Sr., Superintendent Milton Hawkins and currently serving with the same enthusiasm, passion and loyalty, Pastor Darryl Clark; and

WHEREAS, Deacon B. T. Rimson has

been married to his teenage girlfriend, Mother Irveene Rimson for 51 years and the father of one son, Elder Derek Rimson. He has sung with the world famous Southwest Michigan State Choir. He served as the Chairperson with the late Dr. Mattie Moss Coark, the New Jerusalem Ensemble and traveled extensively throughout the United States. He served our country in the United States Army and retired from Ford Motor Company after giving them 41 years of dedicated service. NOW THEREFORE BE IT

RESOLVED, The Detroit City Council joins in with New Jerusalem Church of God in Christ, family and friends as they celebrate and honor Deacon B. T. Rimson as the Senior Citizen of the year. May he continue to expound on God's Word with clarity and conviction as he continues to teach and set an example of the duties of a Deacon at the age of 75 years young. *For those who have served well as a deacon gain a good standing for themselves*

*and great boldness in the faith that is in Christ Jesus. Timothy 3:13.*

Adopted as follows:

Yeas — Council Members Brown, Cockrel, Jr., Jenkins, Jones, Spivey, Tate, Watson, and President Pugh — 8.

Nays — None.

And the Council then adjourned.

**City of Detroit  
Airport Department - Administration**  
December 5, 2012

Honorable City Council:

Re: Authorization to Amend the FY 2012-13 Budget for the Airport Department.

The Airport Department is requesting authorization to amend its Fiscal Year 2012-13 Adopted Budget to increase projected revenues and offsetting appropriations by \$500,000. The current budget was a subsidy-only partial fiscal year budget. At the time of adoption, the Administration was aggressively pursuing a business partner to take over Airport operations. The Administration anticipated that negotiations would result in an agreement by December 31, 2012. As the target date approaches negotiations are continual but no agreement has been entered. The airport is operational and at

this time the Department requests to increase its FY 2012-13 Department Appropriation 00223 from \$275,000 to \$775,000, an increase of \$500,000. The Department anticipates collecting this revenue by the end of the fiscal year.

Increase Revenue Appropriation No.  
00223 Airport Operations \$500,000  
Increase Appropriation No.  
00223 Airport Operations \$500,000

The attached resolution authorizes an increase in revenues and appropriations for the Airport Department. A waiver of reconsideration is requested.

Respectfully submitted,  
JASON WATT  
General Manager  
Coleman A. Young Municipal Airport

Approved:

FLOYD STANLEY  
Deputy Budget Director  
CHERYL R. JOHNSON  
Finance Director

By Council Member Cockrel, Jr.:

Whereas, It is the intention of the City of Detroit to provide adequate funding for the operations of the Airport Department for the fiscal year beginning July 1, 2012 and ending June 30, 2013.

Now, Therefore, Be It

Resolved, That the Budget Department be and is hereby authorized to amend the 2012-2013 budget as follows:

Increase Revenue Appropriation No.  
00223 Airport Operations \$500,000  
Increase Appropriation No.  
00223 Airport Operations \$500,000

And Be It Further,

Resolved, That the Finance Director be and is hereby authorized to increase the necessary accounts and honor vouchers and payrolls when presented in accordance with the foregoing communications and regulations of the City of Detroit.

**RESOLUTION TO ADOPT 70/30 OPTION FOR MEDICAL BENEFITS PLANS, OR CONTRIBUTIONS THERETO, FOR CITY OF DETROIT ELECTED OFFICIALS, APPOINTEES, AND EMPLOYEES**

By COUNCIL MEMBER JONES:

WHEREAS, On September 27, 2011, Public Act 152 of 2011, known as the "Michigan Publicly Funded Health Insurance Contribution Act" (the "Act"), became effective and has been codified as MCL 15.561 through MCL 15.569;

WHEREAS, The purpose of the Act, among other things, as provided for in its Preamble, is "to limit a public employer's expenditures for employees medical benefit plans;"

WHEREAS, Unless, under Section 8(1) of the Act, MCL 15.568(1), a local unit of government opted out from the requirements of the Act for the next succeeding year by a 2/3 vote of its governing body or, under Section 4 of the Act, MCL 15.564, a local unit of government opted to pay no more than eighty percent (80%) of the total costs of all medical benefit plans for, or contributions to, its employees who would pay no more than twenty percent (20%) beginning January 1, 2012 by a majority vote of its governing body, commonly known as the "80/20 Option," Section 3 of the Act, MCL 15.563, provided for a default "Hard cap;"

WHEREAS, Section 9 of the Act, MCL 15.569, provides that failure of a public employer to comply with the requirements of the Act would have permitted the state treasurer to reduce Economic Vitality Incentive Program payments that was received by the local unit of government pursuant to Public Act 63 of 2011 by ten percent (10%);

WHEREAS, After the Act became effective, the Administration determined that it was in the best interest of the City of Detroit to adopt the 80/20 Option for medical benefits plans, or contributions thereto, for City of Detroit elected officials, appointees, and employees;

WHEREAS, On or about December 12, 2011, the Detroit City Council adopted a resolution for the 80/20 Option for medical benefits plans, or contributions thereto, or City of Detroit elected officials, appointees, and employees;

WHEREAS, Section 3 of the Act, MCL 15.563, *Public employer contribution to medical benefit plan; limitation on amount*, provides, in pertinent part, that "[a] public employer may allocate its payments for medical benefit plan costs among its employees and public officials as it sees fit;"

WHEREAS, Section 4 of the Act, MCL 15.564, *Public employer contribution to medical benefit plan; limitation on percentage of annual costs*, provides, in pertinent part, that "[t]he public employer may

allocate the employees' share of total annual costs of the medical benefit plans among the employees of the public employer as it sees fit;"

WHEREAS, The City continues to experience severe financial challenges characterized by substantial current operating deficits in the General Fund and substantial accumulated deficits, which impair the City's ability to adequately fund core municipal services that are essential to the public health, safety, and welfare of the People of the City of Detroit; and

WHEREAS, The Administration has determined that, due to the financial challenges facing the City of Detroit, it is in the best interest of the City to adopt a 70/30 Option for medical benefits plans, or contributions thereto, for City of Detroit elected officials, appointees, and employees;

NOW, THEREFORE, BE IT RESOLVED That, effective February 1, 2013, the Detroit City Council hereby adopts the 70/30 Option for medical benefits plans, or contributions thereto, or City of Detroit elected officials, appointees, and employees.

**City Planning Commission**

November 16, 2012

Honorable City Council:

Re: Request of Southwest Housing Solutions Corporation to rezone property located at 3932 Porter Street, which is generally located on the northeast corner of Porter Street and Hubbard Avenue from an R2-H (Two Family Residential District) to a P1 (Open Parking District) zoning classification. (RECOMMEND APPROVAL).

**REQUEST**

Southwest Housing Solutions Corporation has petitioned for an amendment to District Map No. 41 of the Detroit Zoning Ordinance (Chapter 61, Article XVII of the 1984 Detroit City Code) to show a P1 (Open Parking District) zoning classification where an R2-H (Two-Family Residential District-Historic) zoning classification is presently shown on the vacant lot located at 3932 Porter Street.

The request is being made to allow for an accessory parking lot with landscaping

and a decorative wrought-iron fence approximately 6 feet in height to serve the residents residing in the petitioner's Whitdell Apartment building located at 1250 Hubbard. The residential structure does not have access to a secured parking lot and the tenants' vehicle are being broken into.

#### **PROPOSAL**

The petitioner, Southwest Housing Solutions Corporation, owns the Whitdell Apartment Building located at 1250 Hubbard Avenue, which has 34 units consisting of 1, 2 and 3-bedroom units. The multiple-family residential structure provides affordable housing to low-medium income families and individuals in the area. Located in the Hubbard Richard National Historic District, the Whitdell Apartment Building renovation project totaled approximately \$5.7 million. Currently, the facility does not have a secured parking lot for its residents. As a result, they must park on the street, which is congested with parked cars on both sides of the streets and unsecure.

The 27-space parking lot would include landscaping along the rights-of-way, decorative outdoor lighting, and trees within the interior of the lot. A 21-foot wide side setback would be provided along the Porter Street right-of-way with landscaping and a decorative 6-foot high wrought-iron fence.

The ingress and egress would be through a 25-foot wide curb-cut onto Porter Street in addition, a 6-foot high decorative wood fence would be provided along the northern boundary of the site that abuts an existing residential home located at 1422 Hubbard Avenue. An enclosed trash dumpster sized 10 x 10 feet would be provided in the northeast corner of the site.

#### **ANALYSIS**

The lot, located at 3932 Porter Street on the northeast corner of Hubbard and Porter 'streets is zoned R2-H (Two-Family Residential District-Historic) and allows the use of off-street parking on a conditional basis in certain situations other than the present scenario (Sec. 61-12-219 (9)).

The Proposed P1 (Open Parking District) would change the permissibility of a "parking lot or parking area for operable private passenger motor vehicles' from a conditional use to a by-right use.

In this instance, the P1 (Open Parking District) would serve to alleviate the neighborhood from cars parking on both sides of the streets. The proposed rezoning from an R2-H (Two-Family Residential District Historic) District to a P1 (Open Parking District) would not create any non conforming uses.

The Zoning Ordinance in Section 61-14-222 required a ten (10) foot-wide setback for accessory parking lots that abut

residential areas with an existing structure. In addition, a five (5) foot-wide setback is required along any public right-of-way not exceeding 60-feet in width. Section 61-13-81, P1 District Requirements, mandates that the front setback must be equal with the existing setback of th residential structure along Porter Street. Lastly, a 6-foot high opaque fence is required within the ten (10) foot-wide side yard.

According to the submitted site plans, the petitioner has provided the required landscaping per square foot with 783 square feet of interior landscaping versus the required 486 square feet required for 27 spaces or 18 square feet per parking space. In addition, the plan specifies a 6-foot high decorative wrought-iron fence along Porter Street as well as a decorative wooden fence along the northern boundary that abuts the residence on Hubbard. The site plan displays landscaping within and along the periphery of the proposed P1 District.

In additional only a five (5) foot-wide setback is require along the public right of way on Porter, but the plan provides 21 feet. Lastly, the Detroit Historic Commission will also have to review and approve the plans once the rezoning has been approved by the Commission and the City Council.

#### **PUBLIC HEARING**

During the City Planning Commission public hearing held on September 20th and continued on October 3rd, no one from the public spoke regarding the proposal. Commissioners' questions included whether any buildings in the area were scheduled to be demolished, if the petitioner owned the building on the northwest corner of Hubbard and about the overall character of the area. The petitioner and staff responded to questions and stated that the petitioner owns the building at the northwest corner of Hubbard and Porter. The multiple family 7-unit structure will be renovated this year.

The existing area is in the Hubbard-Farms Historic District and in close proximity to Western International High School, a new recreation center, Clark Park, and the newly renovated Amelia Earhart Junior High School.

#### **MASTER PLAN DETERMINATION**

The subject site is located with Neighborhood Cluster 5 of the Hubbard-Richard subsector of the Detroit Master Plan of Policies. The existing land use designation for the subject area is vacant and the future land use designation is RLM (Low-Medium Density Residential). The Planning and Development Department determined that the proposal is consistent with the Master Plan.

#### **RECOMMENDATION**

The City Planning Commission (CPC) staff recommends approval of the rezon-

ing proposal for the property located at 3932 Porter Street, which is generally located on the northeast corner of Porter Street and Hubbard Avenue from an R-2H (Two-Family Residential District) to a P1 (Open Parking District) zoning classification.

November 16, 2012

Honorable City Council:

Re: Request of Southwest Housing Solutions Corporation to rezone property located at 3881, 4007, 4013 and 4019 35th Street, which is generally located to the north of Michigan Avenue on the northwest corner of Jackson Street and 35th Street from an R2 (Two-Family Residential District) to a P1 (Open Parking District) zoning classification (Recommend Approval).

**REQUEST**

Southwest Housing Solutions Corpora-

tions has petitioned the City to amend District Map No. 42 of the Detroit Zoning Ordinance to show a P1 (Open Parking District) zoning classification where an R2 (Two-Family Residential District) zoning classification is presently shown on the four vacant lots located at 3881, 4007, 4013 and 4019 35th Street. The request is being made to allow for an accessory parking lot with landscaping and an opaque fence to serve the existing 5716 Wellness Center located on Michigan Avenue and 35th Street. The facility is an integrated healthcare building that houses organizations providing mental and physical healthcare services to residents in southwest Detroit. It currently houses medical and behavioral counseling services for residents in the community. Please see **Attachment A** for the hearing notice and zoning map of the subject area.

#### **PROPOSAL**

The petitioner, Southwest Housing Solutions Corporation, recently renovated 5716 Wellness Center, to provide integrated healthcare services to over 10,000 residents in the area. The Albert Kahn building, purchased in 2008 and located on the northwest corner of Michigan Avenue and 35th Street, was originally a cigar factory. The \$12 million dollar renovation of the historic building took approximately 1 year to complete and was a collaboration of non-profit and for-profit organizations and institutions to create a center of services for the community. In 2009, City Council designated the property as the San Telmo Cigar Company Historic District (Ord. No. 06-09, effective June 16, 2009).

The 4-story, 50,000 square foot building opened its doors in March of 2011 and is home to the administrative offices of Southwest Housing Solutions, Covenant Community Care, Children, Youth and Families (CYF), Moms and Babes Too, Children's Outreach, Life Directions and Madonna University Southwest (Detroit) Women's Educational Empowerment Program (SWEEP) (**Please see attachment B**).

Currently, the facility uses a parking lot in the rear of the existing building, but that lot has reached its full capacity. The four lots located at 3881, 4007, 4013 and 4019 35th Street on the northwest corner of 35th Street and Jackson Street are zoned R2 (Two-Family Residential District) and the Zoning Ordinance allows the use of off-street parking on a conditional basis in certain situations other than the present scenario (Sec. 81-12-219(9)). Please see **Attachment C, D and E** for rezoning application, site plans and The Wellness Center Campus Master Plan.

The subject properties are owned by the petitioner and currently contain unde-

veloped vacant lots. The lots are immediately adjacent to existing residential structures. The four lots will be paved, landscaped and used to provide additional parking for the employees of the 5716 Wellness Center.

The 20-space parking lot would include internal landscaping, outdoor lighting, landscaping and trees along the existing rights-of-way along Jackson Street and 35th Street. An electronic two-aisle gate would be provided for secure ingress and egress from the parking lot onto Jackson Street. A 10-foot wide side setback would be provided on the west side of the site that abuts the existing residential property located at 4025 35th Street. Further, a 6-ft. high opaque fence would be required per Section 61-14-222, Residential Screening in the Zoning Ordinance. In addition, a ten (10) foot-wide setback is required for parking lots adjacent to residential lots with existing structures. The petitioner is submitting the rezoning request to provide for additional space that is needed to meet the increased demand for employee parking at the 5716 Wellness Center.

#### **ANALYSIS**

The proposed P1 (Open Parking District) would change the existing conditional use of a parking lot or parking area for operable private passenger motor vehicles to a by-right use. As designed, the P1 (Open Parking District) classification is intended to serve as a buffer between non-residential districts and residential districts. In addition, it allows the parking of operable vehicles on a by-right basis.

In this instance, the P1 (Open Parking District) would serve to buffer the neighborhood from cars parking on the streets and the additional traffic generated from the 5716 Wellness Center. The proposed P1 District would provide for ingress and egress on Jackson Street and divert additional traffic from 35th Street. The proposed rezoning from a R2 (Two-Family Residential District) District to a P1 (Open Parking District) would not create any non-conforming uses.

The Zoning Ordinance in Section 61-14-222 requires a ten (10) foot-wide side setback for accessory parking lots that abut residential area with an existing structure. Section 61-13-81, P1 District Requirements, mandate that the front setback must be equal with the existing setback of the residential structure along 35th Street. Lastly, a 6-foot high opaque fence is required within the ten (10) foot-wide side yard.

According to the submitted site plans, the petitioner has provided the required side and front setbacks for the proposed P1 District. In addition, the plan displays the required 6-foot high opaque fence,

landscaping and edge treatments within and along the periphery of the proposed P1 District.

**PUBLIC HEARING**

During the City Planning Commission public hearing held on September 6, 2012, two people spoke against the proposal. Mr. Odea Nowden, Sr. and Mr. Odea Nowden, Jr. The two residents that live in the surrounding area of the proposed rezoning voiced their concerns with the lack of maintenance of vacant lots and number of surface parking lots in the area.

As a result, the petitioner held a community meeting at 5716 Wellness Center on Monday, September 17, 2012. Three residents attended including Mr. Odea Nowden, Sr. of 4024 35th Street, Alford Nowden of 4025 35th Street (renter and brother of Odea Nowden, Sr.) and Odea Nowden, Jr. of 4019 Campbell. The residents' concerns included the lack of parking for their home at 4025 35th Street and maintenance of the lots.

CPC staff stated that the proposal would provide a solution to vacant lots with high grass and illegal dumping. In addition, the resident has an alley behind the property used for parking. The petitioner's architect visited the home and discovered that three abandoned vehicles were parked in the alley behind his home. Once removed, the renter would have ample room to park his vehicle.

**MASTER PLAN DETERMINATION**

The Planning and Development Department submitted a report regarding the compliance of the proposal to the Master of Policies (**See attachment**). The subject properties are located in the Neighborhood Cluster 5, Condon Neighborhood Area of the Master Plan. The future general land use is RLM (Low-Medium Density Residential). P&DD determined that the rezoning **does not** conform to the future land use designation of RLM. However, since the proposed P1 District is less than 10 acres in size it would not significantly change the overall land use characteristics of the surrounding area, so a Master Plan amendment is not required.

**RECOMMENDATION**

The City Planning Commission (CPC) staff recommends approval of the rezoning proposal for the property located 3881, 4007, 4013 and 4019 35th Street, which is generally located to the north of Michigan Avenue on the northwest corner of Jackson Street and 35th Street from R2 (Two-Family Residential District) to P1 (Open Parking District).

Re: Property For Sale By Development Development: 4239, 4245 & 4251 Military.

We are in receipt of an offer from Zion Evangelical Lutheran Church of Detroit, a Michigan Ecclesiastical Corporation, to purchase the above-captioned property for the amount of \$1,600 and to develop such property. This property contains approximately 3,237 square feet and is zoned R-2 (Two-Family Residential District).

The Offeror proposes to develop the property as greenspace to enhance their adjacent property. This use is permitted as a matter of right in a R-2 zone.

We, therefore, request that your Honorable Body adopt the sale and authorize the Planning & Development Department's Director, or his authorized designee, to issue a quit claim deed to the property and such other documents as may be necessary to effectuate the sale.

Respectfully submitted,  
MARJA M. WINTERS

Deputy Director

By Council Member Jenkins:

Resolved, That in accordance with the Offer to Purchase and the foregoing communication, the Planning & Development Department's Director, or his authorized designee, be and is hereby authorized to issue a quit claim deed to the property

more particularly described in the attached Exhibit A, and such other documents as may be necessary to effectuate the sale, with Zion Evangelical Lutheran Church of Detroit, a Michigan Ecclesiastical Corporation, for the amount of \$1600.

December 7, 2012

Honorable City Council:

Re: Request for Authorization to Change Scope of an Economic Development Initiative-Special Project Grant from the Department of Housing and Urban Development (HUD) for the City of Detroit (B-08-SP-MI-0522).

On October 19, 2010, your Honorable Body approved the Planning and Development Department's request for authorization to accept an Economic Development-Special Project Grant from HUD for infrastructure improvements to continue the revitalization of the Brush Park Historic District Neighborhood (B-08-SP-MI-0522) in the amount of \$196,000.00. This Economic Development-Special Project Grant application was approved by HUD.

The City of Detroit through its Planning and Development Department initially proposed to accept this grant in the amount of \$196,000.00 to reconstruct two (2) residential alleys in the Brush Park Historic District Neighborhood. However, with no new residential infill projects in the immediate future, the Planning and Development Department would like to amend of the scope of this grant so that it can be used as a part of the Link Detroit! Project. The Link Detroit! Project is a series of greenways, streetscapes, bicycle paths, and associated infrastructure improvements that will connect the Midtown area to Eastern Market and continue on to the already completed Detroit RiverWalk. Phase IV if this project will pass through the Brush Park Historic District Neighborhood and this grant can be used for street and sidewalk improvements to help implement a bike and walking trail.

The Planning and Development Department requests this Honorable Body's authorization to accept this grant by supporting the attached resolution.

Respectfully submitted,

ROBERT ANDERSON

Director

By Council Member Jenkins:

Whereas, The Planning and Development Department has received authorization to accept an Economic Development Initiative-Special Project Grant for the infrastructure improvements to continue the revitalization of the Brush Park Historic District neighborhood

Whereas, The Planning and Development Department has requested to change the use of the funds from alley reconstruction to infrastructure improvements as a part of the Link Detroit! Project

Whereas, The Link Detroit! Project is vital to connecting Midtown to Eastern Market and the Detroit Riverwalk along with providing residents and visitors better access to the Detroit's commercial, recreational, educational, and cultural offerings

Resolved, The Mayor of the City of Detroit, or his designee, is hereby authorized to change the scope of an Economic Development Initiative-Special Project Grant (B-08-SP-MI-0522) in the amount of \$196,000.00 for infrastructure improvements as a part of the Link Detroit! Project to continue the revitalization of the Brush Park Historic District neighborhood; and be it further

Resolved, That the Finance Director is hereby authorized to establish an appropriation and to honor vouchers when submitted in accordance with the terms and conditions set forth in the Grant Agreement between the Department of Housing and Urban Development (HUD) and the City of Detroit for the Economic Development Initiative-Special Project No. B-08-SP-MI-0522.

#### **Taken from the Table**

Council Member Jenkins moved to take from the table an ordinance to amend Chapter 61 of the 1984 Detroit City Code, 'Zoning', commonly known as the Detroit Zoning Ordinance, by amending Article XVII, District Map No. 4, to modify the approved plans for an existing PD (Planned Development District) zoning classification for property generally located on the north side of Mack Avenue between John R Street and Woodward Avenue by amending ordinance No. 03-12 to allow the proposed grocery store at 115 Mack Avenue to be included as part of its operation the sale of beer and wine for consumption on the premises, laid on the table November 7, 2012, which motion prevailed.

The Ordinance was then placed on the order of third reading.

THIRD READING OF ORDINANCE.

The title to the Ordinance was read a third time.

The Ordinance was then read.

The question being "Shall this Ordinance Now Pass"?

#### **City Planning Commission**

December 18, 2012

Honorable City Council:

Re: Motor City Casino request to conduct a Site Plan review for the design of the parking lot generally bounded by Spruce Street, the Lodge Freeway, and Brooklyn Avenue (RECOMMEND APPROVAL).

#### **BACKGROUND**

Motor City Casino (MCC) was issued a building permit to build a surface parking lot in the area bounded by Spruce Street, Brooklyn Street, Pine Street and the Lodge Freeway Service Drive on December 1, 2011. This replaces a gravel-surfaced lot that was unofficially used by employees. The land is zoned SD5 (Special Development District — Casinos) and PD (Planned Development). The portion of the site between vacated Pine Street and the vacated east-west alley south of Pine Street is incorrectly shown as R2 (Two-Family Residential) due to a scrivener's error. City Planning Commission (CPC) staff is in the process of correcting this. This area was shown as parking at the time of the rezonings to PD and SD5. They have since constructed the parking lot but without the interior landscaping that was shown on the permit drawings, required in Sec. 61-14-223 and with less right-of-way screening that is required in Sec. 61-14-221; they also constructed the parking lot on the land including the south of vacated Pine Street without securing a building permit.

The portion of the parcel that is presently zoned PD is in the process of being rezoned to SD5.

We anticipate that rezoning request and the Planning Commission's support of it will soon be approved by Law for your consideration.

#### **PROPOSED DEVELOPMENT**

The parking lot is proposed to have a total of 186 parking spaces. It is used by employees on all shifts as an overflow parking lot when there are big events at the Sound Board or conventions hosted at the complex. It is presently developed with a five-foot buffer, landscaped with grass, along the northern and southern edges. The western edge south of vacated alley south of Spruce Street, across from the

adjacent commercial and school uses, is landscaped with shrubs. Between that alley and Spruce Street there are no shrubs or trees, both of which are required along all public streets. Fifteen trees have been planted in the berm adjacent to the Lodge Service Drive. Presently, there is no interior landscaping as defined by the ordinance.

Proposed is 2,837 square feet of interior and edge landscaping, shown to consist of juniper bushes but subsequently modified to rose bushes and annual flowers. This is less than the 4,092 square feet required, and the interior landscaping provisions of the zoning ordinance require that the landscaping be truly interior, not along the parking lot edges, and also that the interior landscaping include sixteen shade trees. The casino requests that City Council, as part of the SD5 site plan review approve both the deficient screening and the deficient interior landscaping to allow the creation of more parking spaces, citing a lack of available parking during peak times. On land zoned other than PD or SD5, a variance, which is what this requests equates to, would have to be approved by the Board of Zoning Appeals.

The petitioners cite security concerns as the reason for not being able to provide the interior shade trees or perimeter trees and shrubs, fearing that the screening will reduce the ability of their security patrols to see into the site and the required interior shade trees will destroy the sight lines of the parking lot security cameras. This is of particular concern given that this lot is at an edge of the casino site along the service drive. They also note that the lot will be used over night, when the hedges would create shadows and places potentially for an individual to hide.

**SURROUNDING LAND USES AND ZONING**

- To the north: Casino, SD5
- To the south: Vacant parcel, R2
- To the east: John C. Lodge Freeway
- To the west: Commercial use and vacant DPS school, B6 (General Services District) and R2

**MASTER PLAN REVIEW**

The Master Plan "future general land use" designation for this area is SC (Special Commercial), which is consistent with the casino use.

**PUBLIC HEARING RESULTS**

At the September 6, 2012 public hearing on this matter, no members of the public spoke. Commissioners discussed the request to install less interior and perimeter landscaping that is required.

**REVIEW**

The CPC reviewed the site plan in accordance with the SD5 design criteria of the Zoning Ordinance (Section 61-11-265), the site plan review criteria of Article III, Division 5, Subdivision D, and the PD

District design criteria of 61-11-15. The CPC found that the site plan meets those criteria, with the exception of the off-street parking lot screening and interior landscaping requirements, which City Council has the authority to waive in the PD and SD5 zoning districts.

**ANALYSIS**

With regard to the site plan review for the entire parking lot, staff is sensitive to the security concerns of the petitioner. The lot is the most remote in the casino complex, and its use at night does trigger security concerns. Obviously, employee safety is a top priority. Providing additional security to the lot when it is used is a possibility but, of course, is a financial consideration. The casino is short of parking during some peak times and special events and is essentially land locked to provide more parking on site. However, these are the standards that other businesses are held to and upon which the initial approval was conditioned when the permit was pulled. The subject area has little non-casino or Brinks (the property owner to the west) traffic passing it.

**RECOMMENDATION**

At their September 20, 2012 meeting, the CPC took action to recommend approval of the site plan for the parking lot, with the condition that the interior and perimeter landscaped areas be landscaped with rose bushes and flowers, consistent with the other planting beds in the casino complex.

December 14, 2012

Honorable City Council:

Re: Special District Review, Flagstar Bank, 500 Woodward Avenue, for installation of a business sign on the One Detroit Center in a PCA (Public Center Adjacent/Restricted Center Business District) zoning classification.

The staff of the City Planning Commission (CPC) has received a sign permit application for a business sign to be affixed to the One Detroit Building at 500 Woodward Avenue. The PCA (Public Center Adjacent/Restricted Central Business District) zoning classification in which the site is located calls for City Council approval of the location and design of exterior modifications following the review and recommendation of CPC (Section 61-11-96 of the Zoning Ordinance). CPC and Planning and Development Department (PDD) staff are reviewing the application.

**PROPOSED SIGN**

The wall sign is proposed to be located on the building corner at Woodward and East Congress Avenues. The sign would be for Flagstar Bank and would say "Flagstar Bank." It is proposed to be mounted vertically, with the bottom ten (10) feet above grade. It is proposed to be ten (10) feet tall by two (2) feet wide in size, for a total of 20 square feet in size and would be internally lit, with a red background and white letters.

**REVIEW**

In accordance with the PCA provisions of the Zoning Ordinance (Section 61-11-97), reviews of proposed construction or modifications, such as this proposed sign should be conducted in light of the following criterion, "Signage and graphics should be tastefully designed to be visually appealing and in character with surrounding development; they should provide needed information, direction and orientation in a clear and concise manner." CPC and PDD staffs have reviewed the proposed sign and find it to be consistent with this criteria.

The building currently contains a "PWC" sign, and a large animated monument sign was recently approved for the site. This animated sign is being litigated, as the applicant desires a larger sign than was approved. Sec. 3-7-5(a) of the City Code allows up to 500 square feet of busi-

ness signage, except in zoning districts that require City Council approval of plans, such as this one.

City Council originally took up the City Planning Commission (CPC)'s recommendation for the requested Harbortown PD Modification at the Planning and Economic Development standing committee on September 20, 2012. Per Sec. 61-3-17 of the Detroit Zoning Ordinance, if City Council doesn't vote on the ordinance by January 18, 2013, it is deemed to have been denied. As you have done in the past on other CPC recommended ordinances, Council can act by resolution to continue its review period of the ordinance for a specified period of time.

Please find attached a resolution to continue your review of this matter. It is staff's understanding that the petitioner, Arkan Jonna, is meeting with representatives from the various resident groups at the Harbortown complex to attempt to understand their specific complaints and to seek to understand how he can address them. ## Planning & Development Department

October 16, 2012

Honorable City Council:

Re: Rescission of Land Sale. Development: 11031 Shoemaker.

On February 24, 2009 (Detroit Legal News, April 1, 2009, Page 8), your Honorable Body authorized the sale of the above-captioned property to Environmental and Technical Controls, Inc., a Michigan Corporation, for the purpose of

redeveloping the property into their corporate headquarters and maintenance facility.

Since that time, the purchaser has failed to comply with the terms of the executed Development Agreement dated January 11, 2010.

We, therefore, request that your Honorable Body rescind the sale to Environmental and Technical Controls, Inc., a Michigan Corporation, making it available to other interested parties.

Respectfully submitted,

ROBERT ANDERSON

Director

By Council Member Jenkins:

Resolved, That despite numerous attempts since 2010, Environmental and Technical Controls has been unable to secure the capital necessary to undertake and complete the proposed project.

Resolved, That due to Environmental and Technical Control's inability to demonstrate project readiness set forth in the executed Development Agreement, P&DD is hereby canceling the project.

And be it further

Resolved, That in accordance with the foregoing communication, the authority to purchase and develop 11031 Shoemaker, more particularly described in the attached Exhibit A, with Environmental and Technical Controls, Inc., a Michigan Corporation, be rescinded.

### Invocation

Our Father in heaven we thank You for another opportunity to be together, waking us up this morning allowing Your grace and Your mercy to extend unto us. Father, I pray first for those who have suffered tonight in the cold that You will be with them as they go through this blistering weather; please allow shelters to be in place for individuals to go who do not have a home. My purpose for being here today is to pray for City Council. I am asking, Lord, that You will each of these members wisdom and an understanding heart. Our city, in many times the Detroit News says we are in trouble but, Lord; there is nothing to big that You cannot conquer. In order for You, Lord, to be activated in such a way, we need harmony and a unity of purpose and a unity of mission; so bring

the personalities, bring the preferences and experiences together for the mission of the city whether it is financial, economical or relating to building of things.

We ask for a spirit of unity, togetherness, and a spirit of oneness. Lord, I am not so concern about numbers and figures but I am concern about our children has a future and a hope. Lord, as we come together this morning, we pray that whatever we had this weekend that may bring in a spirit of disunity that we will check it at the door and Your presence will be here. Lord, we are a city on the move, a city determined to beat the odds. We serve an awesome God. A God who can turn anything into everything; Lord, we ask for Your presence and power but most of all we ask that You will bring us together united in Jesus name. Amen.

**PUBLIC COMMENT**

**Mr. Cunningham** provided information to senior citizens for obtaining a hardship form and a form for poverty exemption. These forms are available on the eighth floor in the Coleman A. Young Municipal Center and forms must be submitted by March. The values of homes are only five, six or seven thousand dollars but the City assesses them at \$30,000. Valentine Day of every year you should take pictures of your community and go to a local realtor and get what the houses are selling for in the area and speak your voice at the March Board of Review.

**Larry Wiggins** asked that Council reconsider their vote to rescind the Shoemaker Development Agreement. We have completed the second round of our capital investment and we are prepared to close on this property. This information has been provided to Council Members.

**PRESIDENT PUGH:** My recommendation is to start the process over again with Planning and Development Department. It is too late for Council to rescind the Agreement but it is not too late for you to perhaps start the process over.

**Jane Garcia, Chairperson of the LASED Board of Directors (Latin Americans for Social and Economic Development):** MDOT proposals that were submitted by many organizations particular LASED and approved in October 2011 have not received a letter to proceed. It has been very difficult for the grass root organizations to continue to give services with no money coming in. We have a proposal that we received in 2003; we have the first "OK" but not the

remaining. Do I need to ask for a hearing? We have been very patient in asking for the money that was given back in 2003. I brought a copy for your review and I stress that the money has been spent and these are very bad times for the non-profits but we still have people in need and they still need the service.

**WATSON:** Council will send a message to the Planning and Development Office and we will use our influence to make sure that all of the organizations who have been awarded Block Grants by City Council vote receive letters to proceed.

**JENKINS:** Ms. Dabish from my office will get the information and we will work with you to work through whatever the issues are to get the funding released for you.

**JONES:** Also, let us have someone from City Planning Commission speak with her.

**Mr. Mark Esho** states that his brother, who owns land at 14201 W. Eight Mile, was denied permission to open up a dealership by the Board of Zoning. He states they have owned the property for two years and have paid taxes on the property and taxes are up to date.

**Robert Oraha did not speak.**

**JENKINS:** Buildings, Safety Engineering and Environmental denied this request because our ordinance says there cannot be more than one car lot within 1000 feet. Now Buildings, Safety Engineering and Environmental is saying that this permit; a request for this rezoning was before the ordinance which passed October, 2012. They are saying that this was in the system before the ordinance was amended and adopted so they should be grandfather in.

**Mr. Bolger** For this business to open, City Council would have to amend the text of the zoning ordinance to say used car lots are conditional use on land zone B2 or they would have to change the zoning map from B2 to B4 which is the issue before City Council now.

**Eric Delma McCoggle:** I live in the 48201 area and I am having a problem changing my residence. I moved from the NSO approximately eight months ago and I am trying to see what conditions apply to me.

**PRESIDENT PUGH:** We will have Ms. Carol Banks help you and point you in the right direction.

**Mr. Hines:** Ms. Watson was correct in asking for an investigation of all the contracts. Detroit City Government is a service institute that recognizes its subordination.

**Cindy Darrah** supports and asks citizens to support Krystal Crittendon for Mayor if you are low income and meet the

poverty level, you can have your taxes waived completely, I think. If you do it by the first of March, they will waive your taxes for March, July and December but you will have to reapply next March.

Honorable City Council:  
Re: Emerald Springs II — Payment in Lieu of Taxes (PILOT).

The Detroit Housing Commission (DHC) will be entering into a forty-five (45) year ground lease with Emerald Springs II Limited Dividend Housing Association Limited Partnership. The Partnership will be redeveloping a part of the former Charles Terrace housing site, which will consist of 48 multifamily residential units comprising single-family, duplex and town house style structures. The unit mix will contain 1, 2, 3 and 4-bedrooms with floor plans ranging from 1000 to 1400 square feet. A community building has been constructed in 2012 on Phase 1A, to be used by Phases IA, IB and II, and will also house the property management services. The development will contain both public housing and Low Income Housing Tax Credit units.

Financing for this development will be made possible through tax exempt bonds issued by the Michigan State Housing Development Authority to fund a Construction Loan in the amount of \$5,100,000 from JPMorgan Chase Bank for 24 months at 71% of Adjusted LIBO Rate plus 275 bps; permanent mortgage in the amount of \$7,430,623 from the Detroit Housing Commission for 45 years with interest accruing at 1/2% on the outstanding principal balance; and an estimated \$3,263,000 from Low Income Housing Tax Credit investment proceeds.

In order to make this development economically feasible, it is necessary for it to receive the benefits of tax exemption under Section 15a of the State Housing Development Authority Act of 1996, (P.A. 346, as amended, MCLA 125.1415A).

All units in the development will be restricted to households whose incomes are at or below 60% of the area median income adjusted for family size. Residents of the public housing units, through a project based subsidy will pay approximately 30% of their gross income as rent. Five percent of the units will be equipped for those with mobility impairments and 2 percent will be equipped for those with hearing or sight impairments.

Adoption of the resolution by your Honorable Body will therefore satisfy the requirements of Public Act 346 and City

Ordinance 9-90, as amended, by establishing a ten percent (10%) service charge for this project.

Respectfully submitted,  
ALVIN F. HORHN  
Assessor

By Council Member Cockrel, Jr.:

Whereas, Pursuant to the provisions of Act 346 of the Public Acts of 1996, as amended, a request for exemption from property taxes by Nick Kolb, Development Officer on behalf of Midwest Capital Investments-Amwick Housing, LLC has been filed, and it has been determined that said sponsors have formed a Limited Dividend Housing Association Limited Partnership; and

Whereas, Said sponsors are constructing 48 rental units, which is part of the redevelopment of the former Charles Terrace Public Housing Complex. The project is being financed by JP Morgan Chase Bank, Detroit Housing Commission, Michigan State Housing Development Authority, and Low Income Housing Tax Credit Program; and

Whereas, The purpose of the project is to serve low to moderate-income families, the description of the property is as Exhibit "A".

Now, Therefore, Be It

Resolved, That the said described premises are henceforth entitled to be exempt from taxation but subject to the provisions of a service charge for payment in lieu of taxes as set forth in Act No. 346 of the Public Acts of 1996, as amended, being MCLA 125, 1401, et Seq., MSA 16114 (1) et., seq., and be it further

Resolved, That said described premises shall be allowed a payment in lieu of taxes, (PILOT) or service charge of ten percent (10%) of the annual net shelter rent obtained from the project per City Ordinance 9-90 as amended, having taken effect, and be it further

Resolved, That arrangement to have collections of a payment in lieu of taxes from Emerald Springs II Limited Dividend Housing Association Limited Partnership, be established upon occupancy of the premises with exemption to begin the subsequent year and continue for future years with respect to the described property and that all necessary journal entries with respect to the same be prepared by the Chief Financial Officer, and be it further

Resolved, That the City Clerk furnish the Finance Department — Assessment Division two certified copies of this resolution.

Re: Fareed Baksh vs. City of Detroit, Department of Public Works. File No.: 14616 (CM).

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential attorney-client privileged memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that a settlement in the amount of Eighty Thousand Dollars (\$80,000.00) is in the best interest of the City of Detroit.

We, therefore, request authorization to settle this matter in the amount of Eighty Thousand Dollars (\$80,000.00) and that your Honorable Body authorize and direct the Finance Director to issue a draft in that amount payable to Fareed Baksh and his attorney, Steven L. Hirsch, to be delivered upon receipt of properly executed Releases and Order of Dismissal in Workers Compensation Claim #14616, approved by the Law Department.

Honorable City Council:

Re: Sheree Horton vs. City of Detroit & Howard Nash. USDC Case No. 2:11-cv-14750.

On December 3, 2012, this matter was submitted to case evaluation and the panel issued an award of \$20,000 in favor of the plaintiff and against the defendant City of Detroit. The parties have until February 7, 2013 to either accept or reject the case evaluation. The failure to file a written acceptance or rejection within this period constitutes a rejection. If all parties accept the case evaluation, judgment will be entered in that amount, which includes all fees, costs and interest to the date of judgment. If a party rejects the evaluation, the case proceeds to trial, however the party rejecting the case evaluation must pay additional sanctions if the trial results are not favorable.

We, therefore, request your Honorable Body to authorize settlement of this matter in the amount of Twenty Thousand Dollars and 00/100 (\$20,000.00) and that your Honorable Body authorize and direct the Finance Director to issue a draft in that amount payable to Sheree Horton and Robert Sosin, her attorney, to be delivered upon receipt of properly executed Releases and a Stipulation and Order of Dismissal entered in the lawsuit filed in the United States District Court for the Eastern District of Michigan Southern Division Case No. 2:11-cv-14750 as approved by the Law Department.

WHEREAS, The United States government is currently confronting major decisions regarding our nation's budget and fiscal priorities; and

WHEREAS, The American economy continues its slow and inadequate recovery from the Great Recession; twenty million people want to work full time but cannot; unemployment stubbornly remains at 8 percent, and a weak economy undermines the nation's social fabric and deprives future generations of the opportunity to live rich and fulfilling lives; and

WHEREAS, The Michigan economy is struggling and according to the U.S. Bureau of Labor Statistics in the Detroit-Livonia-Dearborn, MI area as of November, 2012 the unemployment rate was 11 percent; and

WHEREAS, Social Security, Medicare, and Medicaid are central to the vitality of the middle class and keep millions of Americans out of poverty and federal investments in education and infrastructure are essential to the nation's future prosperity; and

December 14, 2012

Honorable City Council:

Re: Request to rezone the subject block of W. Eight Mile, commonly identified as 14201, 14213, 14239 and 14243 generally bounded by W. Eight Mile Road on the south side of W. Eight Mile Road between Ardmore Avenue and Freeland Avenue from a B2 (Local Business and Residential District) zoning classification to a B4 (General Business District) zoning classification (RECOMMEND DENIAL).

On November 15th and December 6th, 2012, the City Planning Commission (CPC) held public hearings on the subject rezoning request. Below are the findings of the CPC which are the basis for our recommendation of denial.

#### **BACKGROUND**

Mr. Rami Orah, submitted a petition via the City Clerk's office to amend Article XVII, District Map No. 64 of Chapter 61 of the 1984 Detroit City Code, the Detroit Zoning Ordinance, to show a B4 (General Business District) zoning classification where a B2 (Local Business and Residential District) zoning classification is presently shown on the subject block of W. Eight Mile Road, commonly identified as 14201, 14213, 14239 and 14243 generally bounded by W. Eight Mile Road to the north, Ardmore Avenue to the east, Pembroke Avenue to the south and Freeland Avenue to the west. Please see the attached for a map showing the location of the property.

The subject area consists of four parcels; three of which are owned by the petitioner and the fourth identified as 14243 West Eight Mile Road, owned by Dr. Thomas W. Moses. Dr. Moses had provided a written letter of consent allowing Mr. Orah to serve as petitioner on his behalf for the subject rezoning, which would have changed the zoning of the land where Dr. Moses' chiropractic practice is located, however, allowing it to remain a by-right use in the B4 General Business District zoning classification as it is in the B2 Local Business and Residential District zoning classification. The property identified as 14201 West Eight Mile Road, currently the site of a one-story masonry commercial structure previously utilized as an office building, has sat vacant for approximately nine years. 14213 West Eight Mile Road is currently developed as a twenty (20) space parking lot, which was used as accessory parking for both the now vacant office building located at 14201 West Eight Mile Road, as well as the now vacant commercial structure located at 14239 West Eight Mile Road, which has recently been purchased by the petitioner, after having sustained fire damage.

By Council Member Jenkins:

Whereas, The Detroit City Council through the Michigan Zoning Enabling Act, Public Act 110 of 2006, has the authority to regulate the development and use of land in the City of Detroit through the enactment of zoning ordinances; and

Whereas, The Detroit City Planning Commission acting as the zoning commission for the City of Detroit held two public hearings, one on November 15th and the other on December 6th, 2012 to consider the rezoning request of Mr. Rami Orah to amend Article XVII, District Map No. 64 of Chapter 61 of the 1984 Detroit

City Code, the Detroit Zoning Ordinance, to show a B4 (General Business District) zoning classification where a B2 (Local Business and Residential District) zoning classification is presently shown on the subject block, commonly identified as 14201, 14213, 14239 and 14243 W. Eight Mile Road generally bounded by W. Eight Mile Road to the north, Ardmore Avenue to the east, Pembroke Avenue to the south and Freeland Avenue to the west; and

Whereas, Compelling testimony was presented to the City Planning Commission at public hearing in support of retaining the existing B2 zoning on West Eight Mile Road that was established in the 1970s as a result of a broad community-based initiative (The B2-B4 Study) to downzone the major commercial streets in a 9-square mile portion of northwest Detroit (including the subject property) so as to minimize the adverse effects often associated with the higher intensity uses permitted in the B4 District; and

Whereas, The stated purpose for the proposed rezoning was the establishment of a used car sales lot, which is a prohibited use in a B2 District; and

Whereas, The recently enacted ordinance No. 26-12 provides that used car lots not be established within 1,000 feet of exiting used car lots (Sec. 61-12-91); and

Whereas, 14201 West Eight Mile is located less than 1,000 feet from an existing used car lot across West Eight Mile Road in the City of Oak Park; and

Whereas, It is the formal policy of the Buildings, Safety Engineering and Environmental Department to consider spacing requirements, such as the 1,000-foot spacing between used car lots, as applicable regardless of zoning jurisdiction, consistent with the spirit of the Michigan Planning Enabling Act (MCL 125.3841), Michigan Zoning Enabling Act (MCL 125.3103, MCL 125.3502), and Detroit Zoning Ordinance (Sec. 61-3-9); and

Whereas, In its recommendation of denial of the rezoning of 14201 West Eight Mile Road submitted to the Detroit City Council, the City Planning Commission found that, among other factors, because the site is less than 1,000 feet from an existing used motor vehicles sales lot the rezoning request fails to satisfy approval criterion 61-3-80(2) for consistency with the stated purposes of the Zoning Ordinance.

Now, Therefore, Be It

Resolved, That the Detroit City Council votes to DENY the request of Rami Orah to amend Article XVII, District Map No. 64 of Chapter 61 of the 1984 Detroit City Code, the Detroit Zoning Ordinance, to show a B4 (General Business District) zoning classification where a B2 (Local

Business and Residential District) zoning classification is presently shown on the subject block of W. Eight Mile Road, commonly identified as 14201, 14213, 14239 and 14243 W. Eight Mile Road generally bounded by W. Eight Mile Road to the north, Ardmore Avenue to the east, Pembroke Avenue to the south and Freeland Avenue to the west; and

Adopted as follows:

Yeas — Council Members Brown, Cockrel, Jr., Jenkins, Jones, Kenyatta, Spivey, Tate, and Watson — 8.

Nays — Council President Pugh — 1.

**City Planning Commission**

December 28, 2012

Honorable City Council:

Re: Motor City Casino request to rezone 1240 Pine Street from PD to SD5 to legalize the existing parking lot generally located on the west side of the Lodge Freeway Service Drive and north of (vacated) Pine Street (RECOMMEND APPROVAL).

Motor City Casino (MCC) was issued a building permit to build a surface parking lot in the area bounded by Spruce Street, Brooklyn Street and the Lodge Freeway Service Drive on December 1, 2011. This replaces a gravel-surfaced lot that was officially used by employees. The land is zoned SD5 (Special Development District — Casinos) and PD (Planned Development). The portion of the site between vacated Pine Street and the vacated east-west alley south of Pine Street is incorrectly shown as R2 due to a scrivener's error. Separately, a resolution has been submitted to correct this. This area was shown as parking at the time of the rezonings to PD and SD5. MCC has since constructed the parking lot but without the interior landscaping that was shown on the permit drawings, required in Sec. 61-14-223 and with less right-of-way screening that is required in Sec. 61-14-221.

The parcel requested to be rezoned, known as 1240 Pine Street (0.23 acres in size), is surrounded on three sides by the existing SD5 zoning district. It is generally bounded by vacated Pine Street, the Lodge Freeway Service Drive, the vacated alley south of Spruce Street, and a line approximately 150 feet east of Brooklyn Avenue. It was omitted from the rezoning to SD5 that affected the surrounding properties because it was not owned at the time by the casino (Ord. No. 35-05, effective December 13, 2005 and Ord. No. 41-06, effective December 6, 2006).

**PROPOSED DEVELOPMENT**

The parking lot is proposed to have a total of 186 parking spaces, obviously many more than will fit on this single parcel. It is used by employees on all shifts as an overflow parking lot when there are big events at the Sound Board or conventions

hosted at the complex. It is presently developed with a five-foot buffer, landscaped with grass, along the northern and southern edges. The western edge south of vacated alley south of Spruce Street, across from the adjacent commercial and school uses, is landscaped with shrubs. Between that alley and Spruce Street there are no shrubs or trees, both of which are required along all public streets. Fifteen trees have been planted in the berm adjacent to the Lodge Service Drive. Presently, there is no interior landscaping as defined by the ordinance.

Proposed is 4,345 square feet of interior and edge landscaping, consisting of juniper bushes. This is more than the 4,092 square feet required for interior landscaping (the Zoning Ordinance requires that the landscaping be truly interior, not along the parking lot edges), and also that the interior landscaping include sixteen shade trees. The casino requests that City Council, as part of the SD5 site plan review, approve both the deficient screening and the deficient interior landscaping to allow the creation of more parking spaces, citing a lack of available parking during peak times. On land zoned other than PD or SD5, a variance, which is what this request equates to, would have to be approved by the Board of Zoning Appeals.

The petitioners cite security concerns as the reason for not being able to provide the interior shade trees or perimeter trees and shrubs, fearing that the screening will reduce the ability of their security patrols to see into the site and the required interior shade trees will destroy the sight lines of the parking lot security cameras. This is of particular concern given that this lot is at an edge of the casino site along the service drive. They also note that the lot will be used over night, when the hedges would create shadows and places potentially for an individual to hide.

**PUBLIC HEARING RESULTS**

At the September 6, 2012 public hearing on this matter, no members of the public spoke. Commissioners discussed the request to install less interior and perimeter landscaping than is required.

**SURROUNDING LAND USES AND ZONING**

- To the north: Casino, SD5
- To the south: Vacant parcel, R2
- To the east: John C. Lodge Freeway
- To the west: Commercial use and vacant DPS school, B6 (General Services District) and R2

**MASTER PLAN REVIEW**

The Master Plan "future general land use" designation for this area is SC (Special Commercial), which is consistent with the casino use.

**REVIEW**

In accordance with the SD5 design

criteria of the Zoning Ordinance (Section 61-11-265), reviews of proposed developments in the SD5 district should be conducted in light of the following relevant criteria, with staff's analysis following in italics:

(1) The proposed development shall be consistent with and promote the goals of the City's Master Plan of Policies; *the proposed rezoning is consistent with the "Special Commercial" designation indicated in the Master Plan.*

(3) The proposed development shall be appropriate to and compatible with surrounding development in terms of scale, form, massing, land use, general appearance, function, signage, and lighting recognizing the unique functional characteristics for a casino or casino complex; *The parking use has been present on the site for several years. The form of the lot, with the reduced perimeter landscaping is certainly better than what was previously on the site but not up to the usual casino standards or zoning ordinance requirements.*

(6) The proposed development shall contain quality urban design elements and design features including those which promote public safety, facilitate maintenance and repair and provide appropriate screening and buffers; *The shrubs and trees on the edge are intended to act as a screen and to be quality urban design elements. As proposed, these are obviously deficient from what are required.*

#### ANALYSIS

The requested rezoning of the parcel from PD to SD5 is reasonable. It unifies the zoning to one, appropriate classification, and is consistent with the Master Plan. The use of the parcel for parking continues that use for the land previously zoned PD.

With regard to the site plan review for the entire parking lot, staff is sensitive to the security concerns of the petitioner. The lot is the most remote in the casino complex, and its use at night does trigger security concerns. Obviously, employee safety is a top priority. Providing additional security to the lot when it is used is a possibility but, of course, is a financial consideration. The casino is short of parking during some peak times and special events and is essentially landlocked to provide more parking on site. However, these are the standards that other businesses are held to and upon which the initial approval was conditioned when the permit was pulled. The subject area has little non-casino or Brinks (the property owner to the west) traffic passing it.

CPC staff's recommendation of approval-with-condition attempts to respect the casino's security concerns while expecting a landscaping solution that more closely reflects the spirit and intent of the Zoning Ordinance.

#### RECOMMENDATION

On September 20, 2012, the City Planning Commission took action to recommend approval of the requested rezoning and the site plan as submitted, with the condition that the interior and perimeter landscaped areas be landscaped with rose bushes and flowers, consistent with the other planting beds in the Motor City Casino complex.

Respectfully submitted,  
MARCELL R. TODD, JR.

By Council Member Jenkins:

**AN ORDINANCE to amend Chapter 61 of the 1984 Detroit City Code, 'Zoning,' commonly known as the Detroit Zoning Ordinance, by amending Article XVII, District Map No. 3, to show an SD5 (Special Development District for Casinos) zoning classification where a PD (Planned Development District) zoning classification is currently shown on property located at 1240 Pine Street in the area generally bounded by Pine Street, Brooklyn Street, Spruce Street and the John C. Lodge Freeway.**

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

**Section 1.** Chapter 61, Article XVII, of the 1984 Detroit City Code, 'Zoning,' commonly known as the Detroit Zoning Ordinance, is amended as follows:

District Map No. 3 is amended to show an SD5 (Special Development District for Casinos) zoning classification where a PD (Planned Development District) zoning classification is currently shown on property at 1240 Pine Street in the area generally bounded by Pine Street, Brooklyn Street, Spruce Street and the John C. Lodge Freeway, more specifically described as:

The easterly 39 feet of the westerly 49 feet on the south line, being the easterly 73.1 feet of the westerly 83.1 feet on the north line, of lots 7 through 9, Block 16, of the "Subdivision of the LaBrosse Farm, lying between the Chicago and Grand River Roads, into city lots in the Western addition of the City of Detroit," as recorded in Liber 14, page 414 of Deeds Wayne County Records.

Commonly known as 1240 Pine Street, tax parcel 06000684-7.

The City Council approve the design proposal shown in the site plans, building elevations, the other preliminary development proposal documents for the Motor City Casino parking lot development in the drawings prepared by Cynthia Silveri and dated "August 4, 2012", subject to the following condition:

1. That the interior and perimeter landscaped areas be landscaped with rose

bushes and flowers, consistent with the other planting beds in the Motor City Casino complex.

**Section 2.** All ordinances or parts of ordinances, or resolutions or parts of resolutions, in conflict with this ordinance are repealed.

**Section 3.** This ordinance is declared necessary for the preservation of the public peace, health, safety, and welfare of the people of the City of Detroit.

Re: Request for Public Hearing for Mark Beard & Sarah Cox, Petition #2609; Application to Establish an Obsolete Property Rehabilitation District, in the area of 499 W. Alexandrine, Detroit, Michigan in accordance with Public Act 146 of 2000.

The Planning & Development Department and the Finance Department have reviewed the application of Mark Beard & Sarah Cox, and find that it satisfies the

criteria set forth by P.A. 146 of 2000 and would be consistent with development and economic goals of the Master Plan.

Prior to acting upon a resolution to recommend approval, a public hearing must be held, and the City Clerk must provide written notice of the public hearing to the assessor and to the governing body of each taxing unit that levies an ad valorem tax within the eligible district, said notice to be made **not less than 10 days or more than 30 days** prior to your Honorable Body's adoption of said resolution.

We request that a Public Hearing be scheduled on the issue of approving the application to establish an Obsolete Property Rehabilitation District. Attached for your consideration, please find a resolution establishing a date and time for the public hearing.

Respectfully submitted,  
MARJA M. WINTERS  
Deputy Director

By Council Member Jenkins:

Whereas, Pursuant to Public Act No. 146 of 2000 ("the Act") this City Council may adopt resolution which approves the application of an Obsolete Property Rehabilitation District within the boundaries of the City of Detroit; and

Whereas, Mark Beard & Sarah Cox have made application for an Obsolete Property Rehabilitation District whose boundaries are particularly described in the legal description and illustrated in the map attached hereto; and

Whereas, Prior to such approval, the City Council shall provide an opportunity for a Public Hearing, at which Public Hearing on such adoption of a resolution providing such tax exemption, at which Public Hearing representatives of any taxing authority levying *ad valorem* taxes within the City, or any other resident or taxpayer of the City of Detroit may appear and be heard on the matter.

Now Therefore Be It

Resolved, That on the February 14, 2013 in the City Council Committee Room, 13th floor, Coleman A. Young Municipal Center, a Public Hearing be held on the above described application and be it finally

Resolved, That the City Clerk shall give notice of the Public Hearing to the general public and shall give written notice of the Public Hearing by certified mail to all taxing authorities levying an *ad valorem* tax within the City of Detroit, such notices to be provided **not less than 10 and no more than 30 days** prior to the public hearing.

Re: Kirco Ventures, LLC., Request for the Establishment of an Industrial Development District in the area bounded by Marquette (N), Rosa Parks (W), Trumbull (E) and Grand Trunk Railroad (S) Detroit, Michigan, in accordance with Public Act 198 of 1974. (Petition No. 2622).

Representatives of the Planning and Finance Departments have reviewed the above referenced petition of the following entity which requires the establishment of an Industrial Development District under Public Act 198 of 1974 as amended ("the Act").

Based on discussions with company representatives and examination of the submitted application, we are convinced this company meets the criteria for tax relief as set forth in the Act.

Type of Business: Warehousing and distribution of Medical Supplies

Estimated Capital Investment: \$37 Million Dollars

Employment: The capital investment will leverage 109 retained jobs, create 97 new full-time employees and add 56 temporary construction jobs.

We respectfully request that a Public Hearing be scheduled, in accordance with the attached resolution and legal description, for the purpose of considering the establishment of an Industrial Development District.

#### Law Department

November 19, 2012

Honorable City Council:

Re: Proposed Ordinance to Amend Chapter 55 of the 1984 Detroit City Code, *Traffic and Motor Vehicles*, by amending Article VIII, *Size, Weight, and Load of Vehicles*.

The above-referenced proposed ordinance was requested by the Police Department after the Michigan Vehicle Code was amended to increase the fines for overweight trucks on highways and streets of this state. As permitted by state law, the City of Detroit enacted its own Motor Vehicle Code, which is codified in Chapter 55 of the 1984 Detroit City Code, *Traffic and Motor Vehicles*. As such, in order to issue violations to operators and owners of overweight vehicles, which contain increased fines as permitted under state law, Chapter 55, Article VIII, *Size, Weight, and Load of Vehicles*, must be amended to mirror the changes in state law. Because Chapter 55, Article VIII, was last updated by Ordinance No. 528-H, effective November 19, 1982 — exactly 30 years ago today — it was necessary for the Law Department to revise the entire article to make our City Code commensurate with state law.

Pursuant to the applicable provisions of the 2012 Detroit City Charter, the above-referenced proposed ordinance is being submitted to your Honorable Body for consideration and passage. The proposed ordinance has been approved as to form.

This proposed ordinance amends Chapter 55 of the 1984 Detroit City Code, *Traffic and Motor Vehicles*, by amending Article VIII, *Size, Weight, and Load of Vehicles*, by recodifying the article into Division 1, *In General*, which shall consist of Sections 55-8-1, 55-8-2, 55-8-3, 55-8-4, 55-8-5, 55-8-6, 55-8-7, 55-8-8 and 55-8-9, and Division 2, *Width, Height and Length*, which shall consist of Sections 55-8-11, 55-8-12, 55-8-13, 55-8-14, 55-8-15, 55-8-16, 55-8-17 and 55-8-18, and Division 3, *Weights, Loads, and Wheel Pressures*, which shall consist of 55-8-21, 55-8-22, 55-8-23, 55-8-24, 55-8-25, 55-8-26, 55-8-27, 55-8-28 and 55-8-29, by repealing Sections 55-8-24.5, 55-8-30, 55-8-31, 55-8-32, 55-8-33 and 55-8-34; by repealing Sections 55-8-1, 55-8-2, 55-8-3, 55-8-4, 55-8-5, 55-8-7, 55-8-8, 55-8-9, 55-8-21, 55-8-22, 55-8-23, 55-8-24, 55-8-25, 55-8-26, 55-8-27, 55-8-28, 55-8-29

and adding substitute Sections 55-8-1, 55-8-2, 55-8-3, 55-8-4, 55-8-6, 55-8-7, 55-8-8, 55-8-9, 55-8-21, 55-8-22, 55-8-23, 55-8-24, 55-8-25, 55-8-26, 55-8-27, 55-8-28 and 55-8-29; and by adding Sections 55-8-5, 55-8-11, 55-8-12, 55-8-13, 55-8-14, 55-8-15, 55-8-16, 55-8-17 and 55-8-18, to make this article commensurate with Sections 693, 710, and 716 through 726b of the Michigan Vehicle Code, being MCL 257.693, MCL 257.710, and MCL 257.716 through MCL 257.726b. repealing Sections 55-8-24.5, 55-8-30, 55-8-31, 55-8-32, 55-8-33 and 55-8-34; by repealing Sections 55-8-1, 55-8-2, 55-8-3, 55-8-4, 55-8-6, 55-8-7, 55-8-8, 55-8-9, 55-8-21, 55-8-22, 55-8-23, 55-8-24, 55-8-25, 55-8-26, 55-8-27, 55-8-28, 55-8-29 and adding substitute Sections 55-8-1, 55-8-2, 55-8-3, 55-8-4, 55-8-6, 55-8-7, 55-8-8, 55-8-9, 55-8-21, 55-8-22, 55-8-23, 55-8-24, 55-8-25, 55-8-26, 55-8-27, 55-8-28, 55-8-29, 55-8-28 and 55-8-29; and by adding Sections 55-8-5, 55-8-11, 55-8-12, 55-8-13, 55-8-14, 55-8-15, 55-8-16, 55-8-17 and 55-8-18, to read as follows:

**CHAPTER 55.  
TRAFFIC AND MOTOR VEHICLES  
ARTICLE VIII. SIZE, WEIGHT, AND  
LOAD OF VEHICLES  
DIVISION 1. GENERALLY IN  
GENERAL**

**Sec. 55-8-1. Width.**

(a) ~~The total outside width of a vehicle or the load on a vehicle shall not exceed ninety six (96) inches except as otherwise provided in this section.~~

(b) ~~The total outside width of a farm tractor or farm implement or machinery shall not exceed one hundred eighty six (186) inches. An agricultural implement wider than one hundred eight (108) inches shall not be moved on the highway between the hours of sunset and sunrise.~~

(c) ~~The total outside width of a load of a vehicle hauling concrete pipe or unprocessed logs, pulpwood, or wood bolts shall not exceed one hundred eight (108) inches.~~

(d) ~~When pneumatic tires, in substitution for the same type or other type of tires, have been or are placed upon a vehicle in operation upon the effective date of this chapter, the maximum width from the outside of one wheel and tire to the outside of the opposite wheel and tire shall not exceed one hundred two (102) inches, but in that event the outside width of the body of the vehicle or the load on the vehicle shall not exceed ninety six (96) inches.~~

(e) ~~The total outside width of a bus shall not exceed one hundred two (102) inches.~~

(f) ~~Notwithstanding any other provision of this chapter, a vehicle or farm tractor, farm implement or machinery shall not exceed beyond the center line of a state trunk line high except when legally authorized by law. If the width of the farm implement or machinery would make it impossible to stay away from the center line, a permit shall be obtained from the department of transportation.~~

(g) ~~This section shall not apply to vehicles or loads operating under a permit issued pursuant to sections 55-8-8 and 55-8-27. REPEALED.~~

**Sec. 55-8-1. Definitions.**

For the purpose of this article, the following words and phrases shall have the

meanings respectively ascribed to them by this section:

Agricultural commodities means those plants and animals useful to human beings produced by agriculture and includes, but is not limited to, forages and sod crops, grains and feed crops, field crops, dairy and dairy products, poultry and poultry products, Cervidae, livestock, including breeding and grazing, equine, fish, and other aquacultural products, bees and bee products, berries, herbs, fruits, vegetables, flowers, seeds, grasses, nursery stock, mushrooms, fertilizer, livestock bedding, farming equipment, and fuel for agricultural use, but does not mean trees and lumber.

Authorized agent means a City of Detroit employee who:

(1) Is not a police officer assigned to the Detroit Police Department Weights and Measures Division; and

(2) Is authorized by the Chief of Police to issue tickets in accordance with this article and Section 1-1-9(g) of this Code.

Axle means the common axis of rotation of one (1) or more wheels on a vehicle, whether power driven or freely rotating, and whether in one (1) or more segments, and regardless of the number of wheels carried thereon.

Axle load means the weight of the wheels, axle, vehicle and load on the axle as determined by means of either portable or stationary scales approved and sealed by the Michigan Department of Agricultural as a legal weighing device that is used by the Detroit Police Department to determine axle loads.

Bus means a motor vehicle designed for carrying sixteen (16) or more passengers, including the driver but does not mean a school bus.

Civil infraction means an act or omission prohibited by law which is not a crime as defined in Section 5 of the Michigan Penal Code, MCL 750.5, and for which civil sanctions may be ordered.

Designated highway or street means a highway or street approved by the Director of the Department of Public Works with respect to a highway or street under its jurisdiction.

Gross combination weight rating means:

(1) The value specified by the manufacturer as the loaded weight of a combination vehicle; or

(2) In the absence of a value specified by the manufacturer, the gross vehicle weight rating of the power unit plus the total weight of the towed unit and any load on that unit.

Gross vehicle weight rating means the value specified by the manufacturer as the loaded weight of a single vehicle.

Gross weight means the weight of a vehicle without load plus the weight of any load thereon.

Hazardous material means explosives, flammable gas, flammable compressed gas, nonflammable compressed gas, flammable liquid, oxidizing material, poisonous gas, poisonous liquid, irritating material, etiologic material, radioactive material, corrosive material, or liquefied petroleum gas.

Highway or street in the City means the entire width between the boundary lines of every way publicly maintained when any part thereof is open to the use of the public for purpose of vehicular travel.

In bulk means an amount of product or material of 3,500 water gallons or more in a single containment system.

Length means the total length of a vehicle, or combination of vehicles, including any load the vehicle is carrying, but does not mean devices described in 23 CFR 658.16 and 23 CFR Part 658, Appendix D. A safety or energy conservation device shall be excluding from a determination of length only if it is not designed or used for the carrying of cargo, freight, or equipment. Semi-trailers and trailers shall be measured from the front vertical plane of the foremost transverse load supporting structure to the rearmost transverse load supporting structure. Vehicle components not excluded by law shall be included in the measurement of the length, height, and width of the vehicle.

Lift axle means an axle on a vehicle that can be raised or lowered by mechanical means.

Logs means sawlogs, pulpwood, or tree length poles.

Maximum axle load means the gross weight over the axle which includes vehicles and load.

Mobile home means any of the following:

- (1) A pre-built housing module;
- (2) The term as defined in Section 2 of the Michigan Mobile Home Commission Act, MCL 125.2302; or
- (3) A section of a mobile home as the term is defined in Subsection 2 of this definition.

Park model trailer means a vehicle that meets all of the following:

- (1) Is built on a single chassis, mounted on wheels, and designed to be towed by a motor vehicle from time to time; and
- (2) Depending on its size, may require a special highway movement permit under Section 719a of the Michigan Vehicle Code, MCL 257.719a, to be towed on a highway or street in the City; and
- (3) Is designed to provide recreational, seasonal, or temporary living quarters; and
- (4) When used as recreational, seasonal, or temporary living quarters, may be connected to utilities necessary for the operation of installed fixtures and appliances; and

(5) Is not a mobile home as that term is defined in Section 2 of the Michigan Mobile Home Commission Act, MCL 125.2302.

Pole-trailer means every vehicle without motive power designed to be drawn by another vehicle and attached to the towing vehicle by means of a reach, or pole, or by being boomed or otherwise secured to the towing vehicle, and ordinarily used for transporting long or irregular shaped loads such as poles, pipes or structural members capable, generally, of sustaining themselves as beams between the supporting connections.

Public utility means a public utility under the jurisdiction of the Michigan Public Service Commission or a transmission company.

Public utility vehicle means a vehicle owned or operated by a public utility, or operated by a subcontractor on behalf of a public utility.

School bus means every motor vehicle, except station wagons, with a manufacturers' rated seating capacity of sixteen (16) or more passengers, including the driver, owned by a public, private, or governmental agency and operated for the transportation of children to or from school, or privately owned and operated for compensation for the transportation of children to or from school.

Semi-trailer means every vehicle with or without motive power, other than a pole-trailer, designed for carrying persons or property and for being drawn by a motor vehicle and so constructed that some part of its weight and that of its load rests upon or is carried by another vehicle.

Tandem axle means two (2) axles spaced more than three (3) feet, six (6) inches and less than nine (9) feet apart.

Tandem axle assembly means a tandem axle so attached to the vehicle wherein an attempt is made by the connection mechanism to distribute the weight equally between the two (2) axles.

Tandem axle weight means the total weight transmitted to the road by two (2) or more consecutive axles, the centers of which may be included between parallel transverse vertical planes spaced more than forty (40) inches but not more than ninety-six (96) inches apart, extending across the full width of the vehicle.

Trailer means every vehicle with or without motive power, other than a pole-trailer, designed for carrying property or persons and for being drawn by a motor vehicle and so constructed that no part of its weight rests upon the towing vehicle.

Trailer coach means every vehicle primarily designed and used as temporary living quarters for recreational, camping, or travel purposes and drawn by another vehicle.

Transmission company means either

an affiliated transmission company or an independent transmission company as those terms are defined in Section 2 of the Michigan Electric Transmission Line Certification Act, MCL 460.562.

*Truck* means a motor vehicle designed, used, or maintained primarily for the transportation of property.

*Truck tractor* means every motor vehicle designed and used primarily for drawing other vehicles, and not so constructed as to carry a load other than a part of the weight of the vehicle and load so drawn, except that a truck tractor and semi-trailer engaged in the transportation of automobiles may transport motor vehicles on part of the power unit.

*Vehicle* means every device in, upon, or by which any person or property is or may be transported or drawn upon a highway, except devices exclusively moved by human power or used exclusively upon stationary rails or tracks.

*Vehicle engaged in interstate operation* means any motor carrier of passengers or property for hire, which holds operating authority issued by the United States Department of Transportation.

**Sec. 55-8-2. Height.**

No vehicle, unloaded or with load, shall exceed a height of thirteen (13) feet six (6) inches. **REPEALED.**

**Sec. 55-8-2. Compliance with article; responsibility for violation; unspecified violation in section deemed to be civil infraction; general civil and criminal penalties for violation of this article.**

(a) It shall be unlawful for any operator, owner, or lessee of a vehicle to operate, or to cause or permit any of his or her employees or agents to operate, a vehicle on any highway or street in the City contrary to the provisions of this article.

(b) An operator, owner, or lessee of a vehicle shall comply in all aspects as to width, height, length, weight, load, wheel pressure, and other requirements set forth in the article and shall be responsible for any civil infraction or misdemeanor violation that is issued as a result of the vehicle not being in compliance.

(c) Unless a violation is declared to be a misdemeanor in this article, it is civil infraction for a person to drive or move, or for the owner to cause or permit to be driven or moved, a vehicle or vehicles on any highway or street in the City in violation of this article.

(d) Where a violation of this article is not specified to be either a civil infraction or a misdemeanor, the violation is deemed to be a civil infraction and a person found responsible for said civil infraction shall be punished by a fine of one hundred dollars (\$100.00).

(e) Where a violation of a section in this article is declared to be a misdemeanor and a penalty is not delineated, a

person convicted of said misdemeanor shall be punished by a fine of not more than five hundred dollars (\$500.00), or by imprisonment for not more than ninety (90) days, or both in the discretion of the court.

**Sec. 55-8-3. Length.**

(a) A vehicle, except a trailer or semi-trailer, including load, shall not exceed a total length of forty (40) feet. However, impact absorbing bumpers, installed on the vehicle itself shall not be considered part of the vehicle for purposes of determining maximum length allowable under this subsection. A combination of truck tractor and trailer or semi-trailer including load shall not exceed a total length of fifty-five (55) feet, except that a combination of truck tractor, semi-trailer and trailer or truck and semitrailer or trailer or a combination of truck tractor and two (2) semitrailers including load may exceed a total length of fifty-nine (59) feet but shall not exceed a total length of sixty-five (65) feet. A combination of truck tractor, semi-trailer and trailer or truck and semitrailer or trailer or a truck tractor and two (2) semitrailers including load, exceeding fifty-nine (59) feet in length, unless designed and used exclusively to transport assembled motor vehicles or bodies, recreational vehicles or boats, may be operated only on such highways and routes approved by the department of transportation. A person may operate a combination of truck tractor and semitrailer or of sixty (60) feet or less including load if the semitrailer is forty-eight (48) feet or less in length, except semitrailers having energy-saving devices or mechanical heating or refrigeration devices. A truck or other motor vehicle shall not haul more than one trailer and one (1) semitrailer or more than two (2) semitrailers in combination at any one time except that a farm tractor may haul two (2) wagons or trailers or garbage and refuse haulers may, during daylight hours, haul up to four (4) trailers for garbage and refuse collection purposes, not exceeding in any combination a total length of fifty-five (55) feet at a speed not to exceed fifteen (15) miles per hour.

(b) If a combination of two (2) semitrailers is pulled by a truck or truck tractor, a fifth wheel connecting assembly which conforms with motor carrier safety rules promulgated by the state public service commission shall be used on each semitrailer.

(c) A train of vehicles or a vehicle operated alone shall not carry a load extending more than three (3) feet beyond the front of the train of vehicles or vehicle.

(d) Notwithstanding any other provisions of this section, a person may operate a combination of truck tractor and trailer or semitrailer, designed and used exclusively to transport assembled motor

vehicles or bodies, recreational vehicles, or boats, which does not exceed a total length of sixty (60) feet. The load on the combination of vehicles may extend an additional three (3) feet beyond the front and four (4) feet beyond the rear thereof. A person may operate a combination of truck tractor, semitrailer and trailer or truck and semitrailer or trailer designed and used exclusively to transport assembled motor vehicles or bodies, recreational vehicles, or boats, which does not exceed a total length of sixty five (65) feet. The load on the combination of vehicles may extend an additional three (3) feet beyond the front and four (4) feet beyond the rear thereof. Any combination exceeding sixty (60) feet in length may be operated only on such routes approved by the state transportation department and the city department of transportation.

(e) A combination of vehicles shall not have more than eleven (11) axles.

(f) Notwithstanding any other provisions of this section, a number of motor vehicles, wholly or partially assembled, may be transported over the streets of Detroit in combination, utilizing one tow bar or three (3) saddle mounts with full mount mechanisms and utilizing the motive power of one of the vehicles in combination. The combination may not exceed the maximum length of sixty five (65) feet for the transportation of assembled motor vehicles, and the vehicles in such combination shall be adequately and securely fastened together in compliance with regulations of the state and of any federal agency having jurisdiction over the transportation. If motor vehicles are towed by means of triple saddle mounts, the towed vehicles shall have brakes acting on all wheels which are in contact with the roadway. A combination exceeding fifty five (55) feet in length may be operated only on such highways and routes approved and designate for that operation by the state transportation department and the department of transportation of the city.

(g) The total gross weight of any sixty five (65) foot combination of vehicles shall not exceed a ratio of four hundred (400) pounds per engine net horsepower delivered to clutch or its equivalent specified in the SAE handbook published by the Society of Automotive Engineers, Inc. (1977). **REPEALED.**

**Sec. 55-8-3. Non-applicability of article; operation of wrecker, disabled vehicle, and trailer; noncompliance; violations; special civil penalty.**

(a) The provisions of this article governing size, weight, and load do not apply:

- (1) To a fire apparatus;
- (2) To an implement of husbandry;
- (3) To a boat lift or oversized hydraulic boat trailer that is owned and operated by a marina or water craft dealer and is used

exclusively in a commercial boat storage operation and incidentally moved upon a highway;

(4) To a combination of vehicles described in, and under the conditions provided by, Subsection (b) of this section; or

(5) To a vehicle operated under the terms of a special permit issued under Section 55-8-7 of this Code.

(b) A wrecker and a disabled vehicle, or a wrecker and a combination of a disabled vehicle and one (1) trailer, that exceed the size and weight limitations in this article may be operated upon the highways or streets in the City under the following conditions:

(1) The wrecker is specifically designed for such towing operations, is equipped with flashing, oscillating, or rotating amber or red lights as permitted under Section 698 of the Michigan Vehicle Code, MCL 257.698, and is capable of utilizing the lighting and braking systems of the disabled vehicle, or combination of disabled vehicles, where those systems are operational;

(2) For a combination of disabled vehicles, the wrecker is issued a special permit under Section 55-8-7 of this Code where each trip beginning from the place of original disablement of the combination of disabled vehicles is twenty-five (25) miles or less. The special permit is valid for the entire towing distance as provided for in this subsection, and the operator of the wrecker may remove the disabled vehicles from the highway or street at any lawful point of his or her choosing within that distance;

(3) For a single disabled vehicle, the wrecker is issued a special permit under Section 55-8-7 of this Code for the transport of the disabled vehicle. A wrecker operator is not subject to mileage limitations for a special permit issued for purposes of this subsection;

(4) The wrecker does not operate on any highway, road, street, or structure included on a list provided by the Michigan Department of Transportation unless the disabled vehicle or combination of vehicles is located on one (1) of those highways, roads, streets, or structures; or

(5) The owner or operator of a wrecker who does not comply with Subsection (b)(4) of this section is responsible for a civil infraction and shall pay a civil fine of not less than \$250.00 or more than \$500.00. The civil fine imposed under this subsection is in addition to any fine that may be imposed under either Section 55-8-7 of this Code. *Special Permit Required for Operation of Oversize or Overweight Vehicles on Any Highways or Streets in the City, or Section 55-8-23 of this Code, Stopping Vehicle for Weighing; Violation; Penalties.*

**Sec. 55-8-4. Projecting load on a passenger-type vehicle.**

A passenger-type vehicle shall not be operated on a highway with a load carried on the vehicle extending beyond the line of the fenders on the left side of the vehicle nor extending more than six (6) inches beyond the line of the fenders on the right side of the vehicle. **REPEALED.**

**Sec. 55-8-4. Enforcement of article; temporary detention; arrest.**

(a) Any police officer of the Detroit Police Department Weights and Measures Division, or any authorized agent, as defined in Section 55-8-1 of this Code, who has reason to believe that the height, length, or weight of a vehicle or load is in violation of Sections 55-8-12, 55-8-13, 55-8-23, 55-8-24, or 55-8-25 of this Code, may require the driver of the vehicle to stop, and the officer may investigate, weigh, or measure the vehicle or load. Where after personally investigating, weighing, or measuring the vehicle or load, the officer determines that the height, length, or weight, of a vehicle or load are in violation of the requirements of Sections 55-8-12, 55-8-13, 55-8-23, 55-8-24, or 55-8-25 of this Code, the officer may temporarily detain the driver of the vehicle for purposes of making a record or vehicle check, may make an arrest for the violation, and may proceed as otherwise provided for in this article.

(b) A peace officer of any county, city, village or township of this state may exercise authority and powers outside of his or her own county, city, village or township when enforcing this Code on a highway or street which is on the boundary of the county, city, village or township the same as if in his or her county, city, village or township.

**Sec. 55-8-5. Reserved. REPEALED.**

**Sec. 55-8-5. Regulation of highways and streets by local authorities; designated by appropriate signage.**

(a) With respect to any highway or street under its jurisdiction, the City of Detroit may by ordinance or resolution:

(1) Prohibit the operation of trucks or other commercial vehicles on any designated highway or street;

(2) Impose limitations as to the weight of trucks or other commercial vehicles on any designated highway or street;

(3) Provide that only certain highways or streets in the City may be used by trucks or other commercial vehicles; and

(4) Prohibit stops of vehicles with a semi-trailer longer than fifty (50) feet within their jurisdiction unless the stop occurs along appropriately designated routes, or is necessary for emergency purposes or to reach shippers, receivers, warehouses, and terminals along designated routes.

(b) Any prohibitions, limitations, or truck route designations established

under Subsection (a) of this section shall be designated by appropriate signs placed on the highways or streets. The design and placement of the signs shall be consistent with the requirements of Section 608 of the Michigan Vehicle Code, MCL 257.608.

**Sec. 55-8-6. Flags and lights on loads extending beyond vehicles.**

Whenever the load on any vehicle shall extend more than four (4) feet beyond the rear of the bed or body thereof, there shall be displayed at the end of such load in such position as to be clearly visible at all times from the rear of such load, a red flag not less than twelve (12) inches both in length and width; except, that between one-half hour after sunset and one-half hour before sunrise, there shall be displayed at the end of any such load a red light plainly visible under normal atmospheric conditions at least five hundred (500) feet from the rear of such vehicle. **REPEALED.**

**Sec. 55-8-6. Prohibition and restriction of trucks operating, where posted, on highways and streets in the City.**

Upon the erection of proper signs sufficient to apprise the ordinarily observant person, it shall be unlawful to operate, permit or cause to be operated, upon any of the highways or streets in the City, any truck, as defined in Section 55-8-1 of this Code, provided, that in accordance with the posted signs, any such truck may be operated upon such highways or streets in the City for the shortest possible distance when necessary to serve any property located within or upon such highways or streets or contiguous thereto or when necessary to cross such highways or streets.

**Sec. 55-8-7. Fenders or bumpers required on certain vehicles extending beyond rear axle.**

A motor vehicle, trailer or semitrailer whose frame or body extends more than sixty (60) inches beyond the rear of the rear axle thereof and is more than forty-two (42) inches above the roadway shall be not operated on the highway unless equipped with a fender or bumper on the extreme rear of such frame or body. Such bumper shall extend downward from the rear of such frame or body to within thirty (30) inches of the roadway and be of substantial construction. **REPEALED.**

**Sec. 55-8-7. Special permit required for operation of oversize or overweight vehicles on any highways or streets in the City.**

(a) In its discretion, the Police Department may issue, upon application in writing and good cause being shown, a special permit, which authorizes the applicant to operate upon, or remove from, a highway or street in the City a vehicle or combination of vehicles that are:

(1) Of a size, weight, or load exceeding the maximum specified in this article according to the following classifications:

a. Class "A": Not over fifteen (15) tons gross, single axle weight, but over sixty-five (65) feet overall in length, or over ninety-six inches (96) overall in width or over thirteen (13) feet six (6) inches overall in height, or projecting over three (3) feet in front or over four (4) feet in rear. Before a special permit shall be issued, the applicant shall obtain and deliver to the Buildings, Safety Engineering, and Environmental Department a surety bond in the sum of one thousand five hundred dollars (\$1,500.00), which is approved by the Corporation Counsel, in order to indemnify or reimburse the City of Detroit for damages that arises out of the use of City highways or streets; or

b. Class "B": Over fifteen (15) tons gross, single axle weight or over eighty (80) feet overall in length, or over twelve (12) feet overall in width, or over fifteen (15) feet overall in height, or projecting over five (5) feet in front or over twenty (20) feet in rear. Before a special permit shall be issued, the applicant shall obtain and deliver to the Buildings, Safety Engineering, and Environmental Department a surety bond in the sum of one thousand five hundred dollars (\$1,500.00), which is approved by the Corporation Counsel, in order to indemnify or reimburse the City of Detroit for damages that arises out of the use of City highways or streets. A vehicle, which carries Class "B" loads:

(i) Is subject to an annual inspection by the Department of Public Works to demonstrate the vehicle's ability to carry such loads. In accordance with Section 9-507 of the 2012 Detroit City Charter, the Director of the Department of Public Works shall establish an inspection fee, which shall be approved by City Council through adoption of a resolution; and

(ii) Shall travel at the time of day and over the specified street route designated in the permit and be accompanied by an inspector from the Department of Public Works;

(2) Otherwise not in conformity with the provisions of this article.

(b) The application for a special permit shall be on a form provided by the City of Detroit Police Department and specifically described the vehicle or vehicles and load to be operated or moved and the particular route over which the subject vehicle or vehicles will travel.

(c) The Police Department may also issue such special permits upon payment of a fee that authorizes the operation of the following:

(1) Traction engines or tractors having movable tracks with transverse corrugations upon the periphery of those movable tracks on farm tractors;

(2) Other farm machinery otherwise prohibited under this article; or

(3) A vehicle of a size or weight otherwise prohibited under this article that is hauling farm machinery to or from a farm.

(d) Any permit issued under this section shall specify the trip or trips and date or dates, including the time of day or night traveled, for which it is to be valid, and, when necessary, the Police Department may restrict or proscribe conditions of operation of such vehicle or vehicles to protect public safety or to ensure against undue damage to the road foundations, surfaces, structure or installations and require a reasonable inspection fee and such other security as may be deemed necessary to compensate for any damages caused by such movement. A special permit may be issued on an annual basis.

(e) Except as otherwise provided in this section, the fee for a single trip shall be fifty dollars (\$50.00) and for multiple trips, or on an annual basis, shall be one hundred dollars (\$100.00).

(f) A special permit for any vehicle or combination of vehicles of a size exceeding the maximum specified in this article, but not exceeding the normal loading maximum specified in this article, or are otherwise not in conformity with this article, shall be fifteen dollars (\$15.00) for a single trip and thirty dollars (\$30.00) for multiple trips or on an annual basis.

(g) After issuance, every special permit shall be carried in the respective vehicle, or combination of vehicles, and shall be available for inspection by any police officer or authorized agent.

(h) Any special permit to move a mobile home under this section and a person who is issued a special permit to move a mobile home under this section are subject to Section 55-8-14 of this Code.

**Sec. 55-8-8. Special permit required for operation of oversize or overweight vehicles over city highways.**

~~(a) The department of transportation may, in its discretion, upon application in writing and good cause being shown therefor, issue a special permit in writing authorizing the applicant to operate or remove a vehicle or combination of vehicles of a size or weight of vehicle or load exceeding the maximum specified in this article or otherwise not in conformity with the provisions of this article upon any highway under the jurisdiction of the city. The application shall specifically describe the vehicle or vehicles to be operated or moved and the particular route over which the vehicle or vehicles will travel.~~

~~(b) The department of transportation may also issue such special permits authorizing the operation upon a highway of traction engines or tractors having movable tracks with transverse corrugations~~

upon the periphery of those movable tracks on farm tractors or other farm machinery, the operation of which upon a highway would otherwise be prohibited under this chapter.

(c) Any permit issued under this section shall specify the trip or trips and date or dates, including the time of day or night travel, for which it is to be valid, and the department of transportation may restrict or prescribe conditions of operation of such vehicle or vehicles when necessary to protect the safety of the public or to insure against undue damage to the road foundations, surfaces, structure or installations and may require a reasonable inspection fee and such other security as may be deemed necessary to compensate for any damages caused by such movement. A permit may be issued on an annual basis.

(d) However, except in extraordinary cases, permits allowing operation of vehicles whose weight of vehicle or load exceeds the maximums specified in this article shall be issued only to vehicles manufactured prior to the effective date of this article, specifically to accommodate overweight loads, and shall not allow the operation of such vehicles after December 31, 1987.

(e) A person may transport telephone, telegraph, or electric poles of a greater length than otherwise authorized over the highways in the construction, maintenance, or repair of telephone, telegraph or electric lines, if a permit is first secured from the department of transportation.

(f) A person may transport concrete pipe of a greater width than otherwise authorized over highways, if a permit for each project is first secured from the department of transportation.

(g) Every such permit shall be carried in the vehicle or combination of vehicles to which it refers and such permit shall be open to inspection by any police officer or authorized agent of the department of transportation, and no person shall violate any of the terms or conditions of such special permit. **REPEALED.**

**Sec. 55-8-8. Information to be painted or permanently attached on certain commercial vehicles and towing or platform bed wrecker service vehicles; use of removable devices; effect of compliance with federal identification requirements; exemptions; penalties.**

(a) All commercial vehicles with a single or combination gross weight rating or total gross weight of more than five thousand (5,000) pounds and all towing or platform bed wrecker road service vehicles in operation upon any highway or street in the City shall have the name, city, and state or the registered logo or emblem of the registered owner of the vehicle, and lessee of the vehicle where the vehicle is being operated under lease,

painted or permanently attached on each side of the vehicle in letters of not less than three (3) inches in height, not lower than the bottom edge of the door. This information shall be in sharp color contrast to the background.

(b) Except for towing or platform bed wrecker road service vehicles, the identification requirements of Subsection (a) of this section, may be met through the use of removable devices which meet the requirements of Subsection (a) of this section. These devices shall be of durable construction and securely attached to each side of the motor truck or truck tractor. The removable devices shall be attached so that the identification is in a horizontal position.

(c) A vehicle in compliance with the identification requirements of the federal motor carrier safety regulations, 49 CFR Parts 390-399, is considered to be in compliance with this section.

(d) This section does not apply to a truck eligible for, and registered under, a farm or manufacturer license plate, that has a gross vehicle weight of not less than ten thousand (10,000) pounds.

**Sec. 55-8-9. Applicability of article.**

The provisions of this article shall not apply to fire apparatus, to implements of husbandry incidentally moved upon the highway or to a vehicle operated under a permit issued under section. **REPEALED.**

**Sec. 55-8-9. Trucks hauling semi-trailers used for transporting passengers for sightseeing purposes; speed limitation; safety equipment; inspection.**

(a) Notwithstanding Sections 55-8-12 and 55-8-13 of this Code, a truck may be used to haul no more than four (4) semi-trailers for the purpose of transporting passengers for sightseeing purposes, with the approval of the Department of Public Works, where the truck is to be operated not more than three (3) miles beyond the boundaries of the City or exceeds a speed of twenty-five (25) miles per hour.

(b) A truck and semi-trailers described in this section shall meet the following requirements:

(1) Be equipped with hazard warning lights and slow-moving vehicle emblems as described in Section 688 of the Michigan Vehicle Code, MCL 257.688;

(2) Be equipped with safety belts as described in Section 710e of the Michigan Vehicle Code, MCL 257.710e, for each individual seat; and

(3) Adhere to any applicable federal safety standards.

(c) A driver of a truck regulated by this section shall secure the proper group vehicle designation and any endorsement required on his or her operator's or chauffeur's license before operating a truck regulated by this section.

(d) A truck and semi-trailer used as

described in this section shall be inspected annually by the Michigan State Police.  
**Sec. 55-8-10. Reserved.**

**DIVISION 2. WIDTH, HEIGHT, AND LENGTH**

**Sec. 55-8-11. Maximum outside width of vehicles or loads; operation or movement of boat lifts and trailers; violations.**

(a) Except as otherwise provided for in this section, the total outside width of a vehicle or the load on a vehicle shall not exceed 96 inches.

(b) A person may operate or move an implement of husbandry of any width on a highway or street in the City as required, designed, and intended for farming operations, including the movement of implements of husbandry being driven or towed and not hauled on a trailer, without obtaining a special permit for an excessively wide vehicle or load under Section 55-8-7 of this Code. The operation or movement of the implement of husbandry shall be in a manner so as to minimize the interruption of traffic flow. A person shall not operate or move an implement of husbandry to the left of the center of the roadway from one-half (1/2) hour after sunset to one-half (1/2) hour before sunrise, under the conditions specified in Section 639 of the Michigan Vehicle Code, being MCL 257.639, or at any time visibility is substantially diminished due to weather conditions. A person operating or moving an implement of husbandry shall follow all traffic regulations.

(c) The total outside width of the load of a vehicle hauling concrete pipe, agricultural products, or unprocessed logs, pulpwood, or wood bolts shall not exceed 108 inches.

(d) Except as provided in Subsections (b) and (e) and this subsection, where a vehicle that is equipped with pneumatic tires is operated on a highway or street in the City, the maximum width from the outside of one (1) wheel and tire to the outside of the opposite wheel and tire shall not exceed 102 inches, and the outside width of the body of the vehicle or the load on the vehicle shall not exceed 96 inches, provided, that a truck and trailer or a tractor and semi-trailer combination hauling pulpwood or unprocessed logs may be operated with a maximum width of not to exceed 108 inches in accordance with a special permit issued under Section 55-8-7 of this Code.

(e) The total outside body width of a bus, a trailer coach, a trailer, a semi-trailer, a truck camper, or a motor home shall not exceed 102 inches. However, an appurtenance of a trailer coach, a truck camper, or a motor home that extends not more than 6 inches beyond the total outside body width is not a violation of this section.

(f) Except when authorized by law, a

vehicle shall not extend beyond the center line of any street or highway of the City. Except as provided in Subsection (b) of this section, where the width of the vehicle makes it impossible to avoid the center line, a permit shall be obtained under Section 55-8-7 of this Code.

(g) The Director of the Department of Public Works may designate a highway or street in the City on which a person may operate a vehicle or vehicle combination that is not more than 102 inches in width, including load, the operation of which would otherwise be prohibited by this section. The Director making the designation may require that the owner or lessee of the vehicle or of each vehicle in the vehicle combination secure a permit before operating the vehicle or vehicle combination. This subsection does not restrict the issuance of a special permit under Section 55-8-7 of this Code for the operation of a vehicle or vehicle combination. This subsection does not permit the operation of a vehicle or vehicle combination described in Section 55-8-24 of this Code from carrying a load described in that section where the operation would otherwise result in a violation of that section.

(h) A person may move or operate a boat lift of any width or an oversized hydraulic boat trailer owned and operated by a marina or water craft dealer in a commercial boat storage operation on a highway or street in the City under a multiple-trip permit issued on an annual basis as specified under Section 55-8-7 of this Code. The operation or movement of the boat lift or trailer shall minimize the interruption of traffic flow. It shall be used exclusively to transport a boat between a place of storage and a marina or in and around a marina. A boat lift or oversized hydraulic boat trailer may be operated, drawn, or towed on a highway or street in the City only when transporting a vessel between a body of water and a place of storage or when traveling empty to or from transporting a vessel. A boat lift shall not be operated on limited-access highways. A person moving or operating a boat lift or oversized hydraulic boat trailer shall follow all traffic regulations and shall ensure the route selected has adequate power and utility wire height clearance.

(i) In accordance with Section 55-8-2 of this Code, the operator, or owner, of the vehicle may be charged with a violation of this section.

**Sec. 55-8-12. Height; violations.**

(a) A vehicle that is unloaded or with load shall not exceed a height of thirteen (13) feet six (6) inches.

(b) In accordance with Section 719(1) of the Michigan Vehicle Code, MCL 257.719(1), the owner of a vehicle that collides with a lawfully established bridge or viaduct is liable for all damage and injury resulting from a collision caused by

the height of the vehicle, whether or not the clearance of the bridge or viaduct is posted.

(c) In accordance with Section 55-8-2 of this Code, the operator, or owner, of the vehicle may be charged with a violation of this section.

**Sec. 55-8-13. Length; combinations; connecting assemblies; lighting devices; weight; violations.**

(a) Lengths described in this section shall be known as the normal length maximum. Except as provided in Subsection (b) of this section, the following vehicles and combinations of vehicles shall not be operated on a highway or street in the City in excess of these lengths:

(1) A single vehicle: 40 feet;

(2) A crib vehicle on which logs are loaded lengthwise of the vehicle: 42.5 feet;

(3) A single bus or motor home: 45 feet;

(4) Articulated buses: 65 feet;

(5) Notwithstanding any other provision of this article, a combination of a truck and semi-trailer or trailer, or a truck tractor, semi-trailer, and trailer, or truck tractor and semi-trailer or trailer, designed and used exclusively to transport assembled motor vehicles or bodies, recreational vehicles, or boats, that does not exceed a length of 65 feet. Stinger-steered combinations shall not exceed a length of 75 feet. The load on the combinations of vehicles described in this subsection may extend an additional three (3) feet beyond the front and four (4) feet beyond the rear of the combinations of vehicles. Retractable extensions used to support and secure the load that do not extend beyond the allowable overhang for the front and rear shall not be included in determining length of a loaded vehicle or vehicle combination;

(6) Truck tractor and semi-trailer combinations: no overall length, the semi-trailer not to exceed 50 feet;

(7) Truck and semi-trailer or trailer: 59 feet;

(8) Except as provided in Subsection (9) of this section, truck trailer, semi-trailer, and trailer, or truck tractor and two (2) semi-trailers: 59 feet;

(9) A truck tractor, semi-trailer, and trailer, or a truck-tractor and two (2) semi-trailers, in which no semi-trailer or trailer is more than 28-1/2 feet long: 65 feet. This subsection only applies while the vehicle is being used for a business purpose reasonably related to picking up or delivering a load and only where each semi-trailer or trailer is equipped with a device or system capable of mechanically dumping construction materials or dumping construction materials by force of gravity; and

(10) More than one (1) motor vehicle, wholly or partially assembled, in combination, utilizing one (1) tow bar or three (3)

saddle mounts with full mount mechanisms and utilizing the motive power of one (1) of the vehicles in combination: not to exceed 55 feet.

(b) Notwithstanding Subsection (a) of this section, the following vehicles and combinations of vehicles shall not be operated on a highway or street in the City in excess of these lengths:

(1) Truck tractor and semi-trailer combinations: no overall length limit, the semi-trailer not to exceed 53 feet. All semi-trailers longer than 50 feet shall have a wheelbase of 37.5 to 40.5 feet plus or minus 0.5 foot, measured from the kingpin coupling to the center of the rear axle or the center of the rear axle assembly. A semi-trailer with a length longer than 50 feet shall not operate with more than three (3) axles on the semi-trailer;

(2) Truck and semi-trailer or trailer combinations: 65 feet, provided, that a person may operate a truck and semi-trailer or trailer designed and used to transport saw logs, pulpwood, and tree length poles that does not exceed an overall length of 70 feet or a crib vehicle and semi-trailer or trailer designed and used to transport saw logs that does not exceed an overall length of 75 feet. A crib vehicle and semi-trailer or trailer designed to and used to transport saw logs shall not exceed a gross vehicle weight of 164,000 pounds. A person may operate a truck tractor and semi-trailer designed and used to transport saw logs, pulpwood, and tree length wooden poles with a load overhang to the rear of the semi-trailer which does not exceed 6 feet where the semi-trailer does not exceed 50 feet in length;

(3) Notwithstanding Subsection (c)(4) of this section, a truck tractor with a log slasher unit and a log saw unit: no overall limit where the length of each unit does not exceed 28.5 feet, or the overall length of the log slasher unit and the log saw unit, as measured from the front of the first towed unit to the rear of the second towed unit while the units are coupled together, does not exceed 58 feet. The coupling devices of the truck tractor and units set forth in this subsection shall meet the requirements established under the Michigan Motor Carrier Safety Act of 1963, MCL 480.11 through 480.25;

(4) Truck tractor and two (2) semi-trailers, or truck tractor, semi-trailer, and trailer combinations: no overall length limit, where the length of each semi-trailer or trailer does not exceed 28.5 feet each, or the overall length of the semi-trailer and trailer, or two (2) semi-trailers as measured from the front of the first towed unit to the rear of the second towed unit while the units are coupled together does not exceed 58 feet; and

(5) More than one (1) motor vehicle, wholly or partially assembled, in combina-

tion, utilizing one (1) tow bar or three (3) saddle mounts with full mount mechanisms and utilizing the motive power of one (1) of the vehicles in combination: not to exceed 75 feet.

(c) The following combinations and movements are prohibited:

(1) A truck shall not haul more than one (1) trailer or semi-trailer, and a truck tractor shall not haul more than two (2) semi-trailers or one (1) semi-trailer and one (1) trailer in combination at any one (1) time, provided, that a farm tractor may haul two (2) wagons or trailers, or garbage and refuse haulers may, during daylight hours, haul up to four (4) trailers for garbage and refuse collection purposes, not exceeding in any combination a total length of 55 feet and at a speed limit not to exceed fifteen (15) miles per hour.

(2) A combination of vehicles or a vehicle shall not have more than eleven (11) axles, except when operating under a valid permit issued by the City pursuant to Section 55-8-7 of this Code;

(3) Any combination of vehicles not specifically authorized under this section is prohibited;

(4) Except as provided in Subsection (b)(3) of this section, a combination of two (2) semi-trailers pulled by a truck tractor, unless each semi-trailer uses a fifth wheel connecting assembly that conforms to the requirements of the Michigan Motor Carrier Safety Act of 1963, MCL 480.11 through MCL 480.25;

(5) A vehicle or a combination of vehicles shall not carry a load extending more than three (3) feet beyond the front of the lead vehicle; and

(6) A vehicle described in Subsections (a)(7) and (b)(5) of this section employing triple saddle mounts unless all wheels that are in contact with the roadway have operating brakes.

(d) All combinations of vehicles under this section shall employ connecting assemblies and lighting devices that are in compliance with the Michigan Motor Carrier Safety Act of 1963, MCL 480.11 through MCL 480.25.

(e) The total gross weight of a truck tractor, semi-trailer, and trailer combination or a truck tractor and two (2) semi-trailers combination that exceeds 59 feet in length shall not exceed a ratio of four hundred (400) pounds per engine net horsepower delivered to clutch or its equivalent specified in the handbook published by the Society of Automotive Engineers, Inc. (SAE), 1977 Edition.

(f) In accordance with Section 55-8-2 of this Code, the operator, or owner, of the vehicle may be charged with a violation of this section.

**Sec. 55-8-14. Towing vehicle with mobile home or park model trailer attached; operating restrictions; permits; transportation requirements;**

**additional requirements for transporting mobile homes; violations; special civil penalty.**

(a) Notwithstanding any other provisions of this article, a person shall not operate a towing vehicle to which a mobile home or park model trailer is attached on a street or highway in the City, where that mobile home or park model trailer is more than 45 feet in length or more than 60 feet in length when combined with the towing vehicle, is more than 12-1/2 feet in height, and has an actual body width of more than 102 inches at base rail, unless that person possesses either of the following:

(1) A permit issued by the Department of Public Works under this section; or

(2) A permit issued pursuant to Section 55-8-7 of this Code.

(b) The Department of Public Works may issue to a mobile home or park model trailer transport company, to a mobile home or park model trailer manufacturer, or to a mobile home or park model trailer dealer an annual permit to move on any highway or street in the City, in the ordinary course of that company's, manufacturer's, or dealer's business, a mobile home or park model trailer that conforms to each of the following:

(1) The mobile home or park model trailer is not more than 12 feet wide; and

(2) The actual body length of the mobile home or park model trailer is not more than 80 feet and the combined length of the mobile home or park model trailer and towing vehicle is not more than 105 feet, or the total length of a combination of mobile homes or park model trailers is not more than 80 feet and the total length of a combination of mobile homes or park model trailers and towing vehicle is not more than 105 feet.

(c) A special permit may be issued, pursuant to Section 55-8-7 of this Code, for the movement of a mobile home or park model trailer on any highway or street in the City where the width of that mobile home or park model trailer conforms to both of the following:

(1) The mobile home or park model trailer is not more than 16 feet wide plus normal appurtenances or eaves that extend not more than 6 inches from any side of the mobile home or park model trailer; and

(2) The length of the mobile home or park model trailer complies with Subsection (b)(2) of this section.

(d) A person operating a towing vehicle under Subsection (c) of this section shall transport a mobile home or park model trailer only on the lane farthest to the right of that person. A person shall not move a mobile home or park model trailer that is 14 or more feet in width including an eave of 2 feet when the wind velocity exceeds 25 miles per hour.

(e) A special permit shall not be issued under Section 55-8-7 of this Code, for purposes of Subsections (b) or (c) of this section, for the transport of a mobile home or park model trailer on a Saturday, Sunday, legal holiday, from the noon before until the noon after the holiday, or during the hours between sunset and sunrise.

(f) The Department of Public Works shall provide, and a person operating a towing vehicle shall comply with, all of the following in a permit issued under this section:

(1) The date, day, and time period during which a mobile home or park model trailer subject to the permit may be moved on a highway;

(2) Notice that the permit is conditioned upon its holder's compliance with the terms of the permit and applicable law;

(3) Notice that the operator of a towing vehicle transporting the mobile home or park model trailer shall operate the towing vehicle on a highway or street in the City as follows:

(i) At a safe speed and in a safe manner that will not impede motor traffic;

(ii) Only when the surface condition of the highway or street is not slippery; and

(iii) In compliance with seasonal load restrictions.

(4) For a mobile park model trailer and towing vehicle that, when combined, are more than 80 feet in length or more than 12 feet wide, all of the following:

(i) Notice that the mobile home or park model trailer shall be equipped with two (2) flashing amber lights on the rear of the mobile home or park model trailer and one (1) flashing amber light on the top of the towing vehicle;

(ii) Notice that the mobile home or park model trailer shall be equipped with stop lights and directional lights on the rear of the mobile home or park model trailer;

(iii) Notice that signs with the words "oversize load" shall be displayed on the front bumper of the towing vehicle and the back of the mobile home or park model trailer or, in the case of mobile homes or park model trailers that are 16 feet wide, notice that signs with the words "16-ft wide load" shall be displayed on the front bumper of the towing vehicle and the back of the mobile home or park model trailer;

(iv) Notice that the signs identified in Subsection (f)(4)(iii) of this section shall be of durable material, in good condition, with black lettering on interstate yellow background, and that each letter shall be of block lettering not less than 12 inches high at the front and not less than 16 inches high at the rear of the unit; and

(v) Notice that a vehicle escort is required on those roads where the Michigan State Police consider escort vehicles necessary for highway safety.

(g) Signs and other special identifica-

tion for escort vehicles shall conform to the Michigan Department of Transportation requirements for all escort vehicles for oversized loads.

(h) For a mobile home or park model trailer being moved pursuant to this section or Section 55-8-7 of this Code, the distance between mobile home or park model trailer axle centers shall not be less than 34 inches. The axles and tires shall meet standards established by the Michigan Department of Transportation.

(i) This section does not grant or give authority to the Michigan Department of Transportation that did not exist on May 1, 1982, in accordance with 23 USC 127.

(j) All mobile homes transported on any highway or street in the City that are more than 14-1/3 feet wide, plus normal appurtenances that extend no more than 6 inches, and an eave that extends no more than 2 feet from the width of the mobile home, are subject to the following additional requirements:

(1) Two escort vehicles shall escort the towing vehicle and mobile home on all two-lane roads and on those roads where the Michigan State Police consider two (2) escort vehicles necessary for highway safety;

(2) Each towing vehicle shall be equipped with a radio or other device that allows for continuous communication between the towing vehicle and each escort vehicle;

(3) The person transporting the mobile home shall have in effect a liability insurance policy covering personal injury and property damage and having policy limits of not less than one million dollars (\$1,000,000); and

(4) The towing vehicle and mobile home shall not exceed a speed of 45 miles per hour or 10 miles per hour below the posted speed limit, whichever is lower.

(k) Any person who operates a towing vehicle and violates this section is responsible for a civil infraction or the owner of the towing vehicle may be charged with a violation of this section. The operator or owner may be assessed a fine of not more than five hundred (500.00) dollars.

**Sec. 55-8-15. Passenger vehicle or pickup truck towing vehicle or trailer; drawbar or other connection; coupling devices and safety chains; pickup truck with fifth wheel assembly; conditions for towing additional trailer or semi-trailer; speed limit requirements.**

(a) Except as otherwise provided in Subsection (e) of this section, a passenger vehicle or a pickup truck shall not be driven upon a highway drawing or having attached to the passenger vehicle or pickup truck more than one (1) vehicle or trailer.

(b) The drawbar or other connection between two (2) vehicles, one (1) of which

is towing or drawing the other on a highway, shall not exceed fifteen (15) feet in length from one (1) vehicle to the other. Where the connection consists of a chain, rope, or cable, there shall be displayed upon the connection a red flag or other signal or cloth not less than twelve (12) inches both in length and width.

(c) A vehicle or trailer towed or drawn by a vehicle shall be attached to the vehicle with forms of coupling devices in a manner so that when the combination is operated in a linear alignment on a level, smooth, paved surface, the movement of the towed or drawn vehicle or trailer does not deviate more than three (3) inches to either side of the path of the towing vehicle that tows or draws it. The vehicle or trailer shall also be connected to the towing vehicle by suitable safety chains or devices, one (1) on each side of the coupling and at the extreme outer edge of the vehicle or trailer. Each chain or device and connection used shall be of sufficient strength to haul the vehicle or trailer when loaded. In the case of an implement of husbandry with a gross vehicle weight rating or gross combination weight rating of ten thousand (10,000) pounds or less, the safety chains or devices required under this subsection shall conform to the federal motor carrier safety regulations requirements contained in 49 C.F.R. 393.70(d)(5).

(d) A pickup truck with a fifth wheel assembly shall not tow a semi-trailer unless the fifth wheel assembly conforms to the standards prescribed in the Michigan Motor Carrier Safety Act of 1963, being MCL 480.11 to 480.25.

(e) Notwithstanding Subsection (a) of this section, a pickup truck with a towing rating equal to, or greater than, the weight being towed, equipped with a fifth wheel assembly that conforms with the standards prescribed in the Michigan Motor Carrier Safety Act of 1963, being MCL 480.11 to 480.25, towing attached with a semi-trailer designed for recreational living purposes may tow an additional trailer or semi-trailer under the following conditions:

(1) The additional trailer or semi-trailer shall be attached pursuant to Subsection (c) of this section. The safety chains described in subsection (c) shall be securely attached at the extreme outer edge of the attached trailer or semi-trailer with a locking mechanism. The towing vehicle hitch shall be of substantial material and shall be attached in a proper and skillful manner to the frame of the towing vehicle;

(2) The total length of the pickup truck, semi-trailer designed for recreational living purposes, and additional trailer or semi-trailer, and load, shall not exceed sixty-five (65) feet on any highways in this state; and

(3) The gross weight of the additional trailer or semi-trailer towed or drawn shall not exceed the empty weight of the pickup truck or the empty weight of the semi-trailer.

(f) For the purposes of this section, a pickup truck towing a semi-trailer and additional trailer shall be considered a passenger vehicle and shall comply with the speed limit requirements of Section 627(5) of the Michigan Vehicle Code, MCL 257.627(5).

**Sec. 55-8-16. Passenger-type vehicle; projected load.**

A passenger-type vehicle shall not be operated on a highway or street in the City with a load carried on the vehicle extending beyond the line of the fenders on the left side of the vehicle or extending more than six (6) inches beyond the line of the fenders on the right side of the vehicle.

**Sec. 55-8-17. Flags and lights on loads extending beyond vehicles.**

Whenever the load on any vehicle shall extend four (4) feet, or more, beyond the rear of the bed or body, there shall be displayed at the extreme end of such load in a position as to be clearly visible at all times from the rear, a red flag not less than twelve (12) inches square, so hung that the entire area is visible to the driver of a vehicle approaching from the rear, provided, that between one-half (1/2) hour after sunset and one-half (1/2) hour before sunrise, there shall be displayed at the end of any such load a red light plainly visible under normal atmospheric conditions at least five hundred (500) feet from the rear of the vehicle. The red light shall be in addition to the red rear lights required upon every vehicle.

**Sec. 55-8-18. Fenders or bumpers required on certain vehicles extending beyond rear axle.**

A motor vehicle, trailer or semi-trailer whose frame or body extends more than sixty (60) inches beyond the rear of the rear axle thereof and is more than forty-two (42) inches above the roadway shall be not operated on a highway or street in the City unless equipped with a fender or bumper on the extreme rear of such frame or body. Such bumper shall extend downward from the rear of such frame or body to within thirty (30) inches of the roadway and be of substantial construction.

**Secs. 55-8-19 — 55-8-20. Reserved.**

**DIVISION 23. WEIGHTS, LOADS, AND WHEEL PRESSURES**

**Sec. 55-8-21. "Freight-carrying motor vehicle" and "motor truck" defined.**

Wherever the terms "freight-carrying motor vehicle," or "motor truck" are used in this division, it shall be construed to include all motor vehicles propelled otherwise than by muscular power and which are used for pulling or carrying freight, including also vehicles or trailers or semi-trailers pulled or towed by self-propelled

~~vehicles, but excluding motor vehicles used for the transportation of passengers only, and cars of railways and other motor vehicles running only upon fixed rails or tracks. REPEALED.~~

**Sec. 55-8-21. City license or other permit required; exceptions; violation; penalty.**

(a) Except as provided in Subsections (c), (d) and (e) of this section, the owner or operator of every vehicle regulated by this division, which has a gross weight, including the weight of the vehicle and of the load to be carried, of eight thousand (8,000) pounds or more, shall obtain an annual City permit by written application to the Buildings, Safety Engineering, and Environmental Department Business License Center. The applicant shall provide the following information on the City's application form:

- (1) Owner's name and address;
- (2) Vehicle manufacturer;
- (3) State license number;
- (4) Type of business;
- (5) Rated capacity of the vehicle in tons;
- (6) Vehicle weight without freight;
- (7) Number of wheels;
- (8) Number of tires; and
- (9) Width of all tires.

(b) Every vehicle required to be licensed under this section shall have attached in some conspicuous place, a license decal embossed with "City of Detroit License No. \_\_\_\_\_, 20 \_\_\_\_", and, as specified by this division, containing the name and address of the company, and the actual weight of the vehicle including the equipment and the weight of the load capacity.

(c) Any vehicle engaged in interstate operation, or registered with or for which a fee is paid to the Michigan Public Service Commission, shall not be required to obtain the license specified in this section.

(d) Any vehicle used in an intercity operation shall not be required to obtain a license specified in this section if the municipality where it is registered requires such vehicle to obtain a license or permit and pay a fee similar to that specified in this section.

(e) Any vehicle paying a license or registration fee under Section 30-1-18 of this Code shall not be required to pay the fee specified in this section or any fee be payable for any trailer or semi-trailer.

(f) An application fee shall be charged for the processing and issuance of a license under this division. A fee schedule for the license shall be established by the Buildings, Safety Engineering, and Environmental Department based on the cost of issuance, enforcement, and administration of the licensing regulations and approved by the City Council. The fee schedule shall be posted at the

Department's Business License Center.

(g) Each licensee shall pay an annual application fee for each license renewal, upon the expiration date of the current license.

(h) Upon payment of the application fee and approval of the license application by the department, an annual license shall be issued.

(i) Licenses issued under this section shall expire on annual basis and, upon application, be renewed by the Buildings, Safety Engineering, and Environmental Department.

(j) A person who violates this section is guilty of a misdemeanor punishable in accordance with Section 55-8-2(e) of this Code.

**Sec. 55-8-22. Compliance with division; penalty.**

(a) ~~It shall be unlawful for any operator of a motor truck or owner of a motor truck to operate or to cause or permit any of his agents or employees to operate any freight-carrying motor vehicle on any pavement in the public streets or alleys of the city contrary to the provisions of this division. They shall comply in all respects as to equipment, weight, width of tires, weight of load and all other matters set forth in this division.~~

(b) ~~An owner or operator of a vehicle or a lessee of the vehicle of an owner-operator who causes or allows a vehicle to be loaded and driven or moved on a street, highway or alley of the city in violation of any of the weight restrictions contained in this article is responsible for a civil infraction and shall be assessed a civil fine in an amount equal to two cents (\$0.02) per pound for each pound of excess load over one thousand (1,000) pounds when the excess is two thousand (2,000) pounds or less; four cents (\$0.04) per pound of excess load when the excess is over two thousand (2,000) pounds but not over three thousand (3,000) pounds; six cents (\$0.06) per pound for each pound of excess load when the excess is over three thousand (3,000) pounds but not over four thousand (4,000) pounds; eight cents (\$0.08) per pound for each pound of excess load when the excess is over four thousand (4,000) pounds but not over five thousand (5,000) pounds; ten cents (\$0.10) per pound for each pound of excess load when the excess is over five thousand (5,000) pounds. However, the court shall have discretionary power as to the amount of the civil fine within the schedule provided by this section and may impose the civil fine provided in section 55-2-31 for a civil infraction where at the time of the violation the vehicle, or trailer did not exceed the total weight which would be lawful for each unit by a proper distribution of the load upon the various~~

axles supporting each unit. No fine imposed under this section shall exceed five hundred dollars (\$500.00). **REPEALED.**

**Sec 55-8-22. Wheel and axle loads; normal loading maximum; reduction of maximum axle load on concrete pavements during March, April and May; seasonal weight restrictions; exemptions; violation.**

(a) The maximum axle load shall not exceed the number of pounds designated in the following provisions, which shall be known as the normal loading maximum, that prescribe the distance between axles:

(1) Where the axle spacing is nine (9) feet or more between axles, the maximum axle load shall not exceed eighteen thousand (18,000) pounds for vehicles equipped with high pressure pneumatic or balloon tires;

(2) Where the axle spacing is less than nine (9) feet between two (2) axles but more than three and one-half (3-1/2) feet, the maximum axle load shall not exceed thirteen thousand (13,000) pounds for high pressure pneumatic or balloon tires; and

(3) Where the axle are spaced less than three and one-half (3-1/2) feet apart, the maximum axle load shall not exceed nine thousand (9,000) pounds per axle.

(b) When normal loading is in effect, the City may designate certain highways or streets, or sections of those highways or streets, which are under its jurisdiction; bridges and road surface are adequate for heavier loading, and revise a designation as needed, on which the maximum tandem axle assembly loading shall not exceed sixteen thousand (16,000) pounds for any axle of the assembly, where there is no other axle within nine (9) feet of any axle of the assembly.

(c) On a legal combination of vehicles, only one (1) tandem axle assembly shall be permitted on the designated highways or streets in the City at the gross weight of sixteen thousand (16,000) pounds per axle, where there is no other axle within nine (9) feet of any axle of the assembly, and where no other tandem axle assembly in the combination of vehicles exceeds a gross weight of thirteen thousand (13,000) pounds per axle. On a combination of truck tractor and semi-trailer having not more than five (5) axles, two (2) consecutive tandem axle assemblies shall be permitted on the designated highways or streets in the City at a gross weight of sixteen thousand (16,000) pounds per axle, where there is no other axle within nine (9) feet of any axle of the assembly.

(d) Notwithstanding Subsection (c) of this section, on a combination of truck tractor and semi-trailer having not more than five (5) axles, two (2) consecutive sets of tandem axles may carry a gross

weight not to exceed seventeen thousand (17,000) pounds on any axle of the tandem axles where there is no other axle within nine (9) feet of any axle of the tandem axles and where the first and last axles of the consecutive sets of tandem axles are not less than thirty-six (36) feet apart and the gross weight does not exceed eighty thousand (80,000) pounds to pick up and deliver agricultural commodities between the national truck network, or designated highway or street, and any other highway or street in the City. This subsection is not subject to the maximum axle load of Subsections (a), (b), and (c) of this section. For purposes of this subsection, a "tandem axle" means two (2) axles spaced more than forty (40) inches but not more than ninety-six (96) inches apart or two (2) axles spaced more than three and one-half (3.5) feet but less than nine (9) feet apart. This subsection does not apply during that period when reduced maximum loads are in effect pursuant to Subsection (f) of this section.

(e) The normal size of tires shall be the rated size as published by the manufacturers, and the maximum wheel load permissible for any wheel shall not exceed seven hundred (700) pounds per inch of width of tire.

(f) Except as provided for in this subsection, during the months of March, April, and May in each year, the maximum axle load allowable on concrete pavements or pavements with a concrete base is reduced by twenty-five percent (25%) from the maximum axle load as specified in this article, and the maximum axle load allowable on all other types of highways or streets in the City during these months are reduced by thirty-five percent (35%) from the maximum axle load as specified. The maximum wheel load shall not exceed five hundred and twenty-five (525) pounds per inch of tire width on concrete and concrete base or four hundred and fifty (450) pounds per inch of tire width on all other highways or streets in the City during the period the seasonal road restrictions are in effect. This subsection does not apply to vehicles transporting agricultural commodities or any public utility vehicle on a highway or street in the City. The City of Detroit shall post the following information on the Department of Public Works City Engineering Division page of the City's website:

(1) The dates when the seasonal restrictions are in effect; and

(2) The names of the highways and streets in the City to which the seasonal restrictions apply.

(g) With respect to highways and streets under its jurisdiction, the City of Detroit may suspend the restrictions imposed by this section where conditions of the highways or streets in the City, or the public health, safety and welfare, war-

rant suspension, and impose the restricted loading requirements of this section on any designated highway or street at any other time that the conditions of the highway or street require doing so.

(h) For the purpose of enforcing this article, the gross weight of a single vehicle and load, or a combination of vehicles and loads, shall be determined by weighing individual axles or groups of axles, and the total weight on all the axles shall be the gross weight. In addition, the gross axle weight shall be determined by weighing individual axles or by weighing a group of axles and dividing the gross weight of the group of axles by the number of axles in the group. For purposes of Subsection (k) of this section, the overall gross weight on a group of two (2) or more axles shall be determined by weighing individual axles or several axles, and the total weight of all the axles in the group shall be the overall gross weight of the group.

(i) The loading maximum in this subsection applies to interstate highways and the Director of the Department of Public Works may designate a highway or street in the City, or a section of the highway or street in the City, for the operation of vehicles having a gross weight of not more than eighty thousand (80,000) pounds which do not exceed any of the following:

(1) Twenty thousand (20,000) pounds on any one (1) axle, including all enforcement tolerances;

(2) A tandem axle weight of thirty-four thousand (34,000) pounds per axle including all enforcement tolerances; or

(3) An overall gross weight on a group of two (2) or more consecutive axles equaling:

$$W = 500 \left( \frac{LN}{N-1} + 12N + 36 \right)$$

where W equals overall gross weight on a group of two (2) or more consecutive axles to the nearest five hundred (500) pounds, L equals distance in feet between the extreme of a group of two (2) or more consecutive axles, and N equals number of axles in the group under consideration, provided, that two (2) consecutive sets of tandem axles may carry a gross load of thirty-four thousand (34,000) pounds each where the first and last axles of the consecutive sets of tandem axles are not less than thirty-six (36) feet apart. The gross weight shall not exceed eighty thousand (80,000) pounds; including all enforcement tolerances. Except for five (5) axle truck tractor, semi-trailer combinations having two (2) consecutive sets of tandem axles, vehicles having a gross weight in excess of eighty thousand

(80,000) pounds, or in excess of the vehicle weight determined by application of the formula in this subsection, are subject to the maximum axle load of Subsections (a), (b), and (c) of this section. Except as otherwise provided for in this section, vehicles transporting agricultural commodities shall have weight load maximums as set forth in this subsection.

**Sec. 55-8-23. City permit required; exceptions.**

(a) Every motor truck or motor vehicle regulated by this division having a gross weight including the weight of the vehicle and of the load to be carried of eight thousand (8,000) pounds or more shall have an annual City permit, obtainable from the department of consumer affairs, bureau of license and permits. The application form shall supply the following information:

(1) Owner's name and address;

(2) Manufacturer of motor truck or motor the vehicle;

(3) Annual state license number;

(4) Character of business;

(5) Rated capacity in tons;

(6) Vehicle weight or tare;

(7) Number of wheels;

(8) Number of tires;

(9) Width of all tires.

(b) Every such motor truck or motor vehicle shall have attached in some conspicuous place, a license sticker marked "City of Detroit License No. \_\_\_\_\_, 10 \_\_\_\_\_," and also giving the name and address of the company, the actual weight of the motor truck or motor vehicle including the equipment and the weight of the load capacity as specified by this division.

(c) Any motor truck or motor vehicle engaged in interstate operation or registered with or for which a fee is paid to the state Michigan Public Service Commission shall not be required to obtain this license specified in this section. For the purpose of this section the words "any motor truck or motor vehicle engaged in interstate operation" shall mean any motor carrier of passengers or property for hire holding operating authority issued by the Interstate Commerce Commission.

(d) Any motor truck or motor vehicle used in intercity operation shall not be required to obtain a license specified in this section if the municipality in which it is registered shall require such vehicle to obtain a permit and pay a fee similar to that specified in this section.

(e) Any motor truck or motor vehicle paying a license or registration fee under Section 30-1-18 shall not be required to pay the fee specified in this section nor shall any fee be payable for any trailer or semitrailer.

(f) An application fee shall be charged for the processing and issuance of a license under this article division. A fee schedule shall be established by the

~~Director of the consumer affairs department based on the cost of issuance, enforcement and administration of the licensing regulations. Council shall be notified of any new fee schedule thirty (30) days before any such fee schedule shall be posted. The new fee schedule shall go into effect unless council shall disapprove the change by resolution before the fee schedule is posted. This fee schedule shall be posted at the license bureau.~~

~~(g) Each licensee shall pay an annual application fee for each license renewal, upon the expiration date of the current license.~~

~~(h) Upon payment of the application fee and approval of the license application by the department an annual license shall be issued.~~

~~(i) Such city licenses shall become effective January 1, 1981 and shall be renewed every twelve (12) months thereafter. Owners currently holding a valid license or permit under this section which expires July 1, 1981, shall apply for a new license on January 1, 1981 which shall be issued to them at the rate of seven dollars and fifty cents (\$7.50) to reflect the license's new expiration date. REPEALED.~~

**Sec. 55-8-23. Stopping vehicle for weighing; violation; penalties.**

(a) A police officer, or authorized agent, as defined in Section 55-8-1 of this Code, having reason to believe that the weight of a vehicle and load is unlawful may require the driver to stop and submit to a weighing of the vehicle by either portable or stationary scales approved and sealed by the Michigan Department of Agriculture as a legal weighing device and may require that the vehicle be driven to the nearest weight station of the Michigan Department of Transportation for the purpose of allowing the police officer, or authorized agent, to determine whether the vehicle is loaded in conformity with this article.

(b) When the officer, or authorized agent determines, upon weighing a vehicle and load, that the weight is unlawful, the officer, or authorized agent, may require the driver to stop the vehicle in a suitable place and remain standing until that portion of the load is shifted or removed as necessary to reduce the gross axle load weight of the vehicle to the limit permitted under this article. All material unloaded as provided under this subsection shall be cared for by the owner or operator of the vehicle at the risk of the owner or operator. A judge or magistrate imposing a civil fine and costs under this section that are not paid in full immediately or for which a bond is not immediately posted in double the amount of the civil fine and costs shall order the driver or

owner to move the vehicle at the driver's own risk to a place of safekeeping within the City, inform the judge or magistrate in writing of the place of safekeeping, and keep the vehicle until the fine and costs are paid or sufficient bond is furnished or until the judge or magistrate is satisfied that the fine and costs will be paid. The officer, or authorized agent, who has determined, after weighing a vehicle and load, that the weight is unlawful, may require the driver to proceed to a judge or magistrate at the 36th District Court. Where the judge or magistrate is satisfied that the probable civil fine and costs will be paid by the owner or lessee, the judge or magistrate may allow the driver to proceed, after the load is made legal. Where the judge or magistrate is not satisfied that the owner or lessee, after a notice and a right to be heard on the merits is given, will pay the amount of the probable civil fine and costs, the judge or magistrate may order the vehicle to be impounded until trial on the merits is completed under conditions set forth in this section for the impounding of vehicles after the civil fine and costs have been imposed. Removal of the vehicle, and forwarding, care, or preservation of the load shall be under the control of and at the risk of the owner or driver. Vehicles impounded shall be subject to a lien, subject to a prior valid bona fide lien of prior record, in the amount of the civil fine and costs and, where the civil fine and costs are not paid within ninety (90) days after the seizure, the judge or magistrate shall certify the unpaid judgment to the County of Wayne Prosecutor, who shall proceed to enforce the lien by foreclosure sale in accordance with procedure authorized in the case of chattel mortgage foreclosures.

(c) Subject to Subsection (d) of this section, an owner of a vehicle or a lessee of the vehicle of an owner-operator, or other person, who causes or allows a vehicle to be loaded and driven or moved on a highway, when the weight of that vehicle violates Section 55-8-22 of this Code is responsible for a civil infraction and shall pay a civil fine in an amount equal to:

(1) Three (3) cents per pound for each pound of excess load over one thousand (1,000) pounds when the excess is two thousand (2,000) pounds or less;

(2) Six (6) cents per pound of excess load when the excess is over two thousand (2,000) pounds but not over three thousand (3,000) pounds;

(3) Nine (9) cents per pound for each pound of excess load when the excess is over three thousand (3,000) pounds but not over four thousand (4,000) pounds;

(4) Twelve (12) cents per pound for each pound of excess load when the

excess is over four thousand (4,000) pounds but not over five thousand (5,000) pounds;

(5) Fifteen (15) cents per pound for each pound of excess load when the excess is over five thousand (5,000) pounds but not over ten thousand (10,000) pounds; or

(6) Twenty (20) cents per pound for each pound of excess load when the excess is over ten thousand (10,000) pounds.

(d) Where the a judge or magistrate of the 36th District Court determines that the motor vehicle or the combination of vehicles was operated in violation of this section, the court shall impose a fine as follows:

(1) Where the court determines that the motor vehicle, or the combination of vehicles, was operated in such a manner that the gross weight of the vehicle, or combination of vehicles, would not be lawful by a proper distribution of the load upon all the axles of the vehicle or the combination of vehicles, the court shall impose a fine for the violation according to the schedule provided for in Subsection (c) of this section; or

(2) Where the court determines that the motor vehicle, or the combination of vehicles, would be lawful by a proper distribution of the load upon all of the axles of the vehicle or the combination of vehicles, but that one (1) or more axles of the vehicle exceeded the maximum allowable axle weight by four thousand (4,000) pounds or less, the court shall impose a misload fine of two hundred dollars (\$200.00) per axle. Not more than three (3) axles shall be used in calculating the fine to be imposed under this subsection. This subsection does not apply to a vehicle subject to the maximum loading provisions of Section 55-8-22(i) of this Code or to a vehicle found to be in violation of a special permit issued under Section 55-8-7 of this Code; or

(3) Where the court determines that the motor vehicle, or the combination of vehicles, would be lawful by a proper distribution of the load upon all of the axles of the vehicle or the combination of vehicles, but that one (1) or more axles of the vehicle exceeded the maximum allowable axle weight by more than four thousand (4,000) pounds, the court shall impose a fine for the violation according to the schedule provided in Subsection (c) of this section.

(e) A driver or owner of a commercial vehicle with other vehicles or trailers in combination, a truck or truck tractor, a truck or truck tractor with other vehicles in combination, or any special mobile equipment who fails to stop at or bypasses any scales or weighing station is guilty of a misdemeanor punishable in accordance with Section 55-8-2(e) of this Code.

(f) For purposes of this article, a police officer, or authorized agent, shall not stop a truck or vehicle in movement upon a highway or street in the City unless driving a duly marked vehicle, clearly identifying the vehicle as one from the Detroit Police Department.

(g) A driver or owner of a vehicle who knowingly fails to stop when requested or ordered to do so by a police officer, or authorized agent, and submit to a weighing of the vehicle and load by means of a portable scale, is guilty of a misdemeanor punishable by imprisonment for not more than ninety (90) days, or a fine of not more than one hundred dollars (\$100.00), or both in the discretion of the court.

(h) A driver or person who dumps his or her load when ordered to submit to a weigh, or who otherwise attempts to commit or commits an act to avoid a vehicle weigh, is guilty of a misdemeanor punishable in accordance with Section 55-8-2(e) of this Code.

**Sec. 55-8-24. Restrictions as to weight.**

(a) For the purposes of this division, the following words and phrases shall have the meanings respectively ascribed to them by this section:

~~Axle shall mean the common axis of rotation of one or more wheels, whether power driven or freely rotating, and whether in one or more segments, and regardless of the number of wheels thereon. The steering axle of any vehicle shall be counted as axle number one, and all other axles shall be consecutively numbered therefrom toward the rear of the vehicle.~~

~~Axle load shall mean the weight of the wheels, axle, vehicle and load thereon as determined by means of either portable or stationary scales used officially to determine axle loads.~~

~~Gross vehicle weight shall mean the combined weight of the vehicle and the load thereon.~~

~~Maximum axle load shall mean the gross weight over the axle which includes vehicles and load.~~

~~Spacing between axles shall mean the distance from axle center to axle center.~~

~~Tandem axle shall mean two (2) axles spaced more than three (3) feet, six (6) inches and less than nine (9) feet apart, one in front of the other.~~

~~Tandem axle assembly shall mean a tandem axle as attached to the vehicle wherein an attempt is made by the connecting mechanism to distribute the weight equally between the two (2) axles.~~

~~Vehicle shall mean any motor truck, motor vehicle, truck tractor, semitrailer, trailer or any combination thereof.~~

(b) The maximum axle load shall not exceed the number of pounds designated in the following provisions which prescribe the distance between axles:

(1) When the axle spacing is nine (9) feet or more between axles, the maximum axle load shall not exceed eighteen thousand (18,000) pounds for vehicles equipped with high pressure pneumatic or balloon tires.

(2) When the axle spacing is less than nine (9) feet between two (2) axles but more than three and one half (3 1/2) feet, the maximum axle load shall not exceed thirteen thousand (13,000) pounds for high pressure pneumatic or balloon tires.

(3) When two (2) axles are spaced less than three and one half (3 1/2) feet apart, the maximum load thereof shall not exceed nine thousand (9,000) pounds per axle.

(4) Subdivisions (1), (2), and (3) shall be known as the normal loading maximum.

(c) The department of transportation with respect to highways under their jurisdiction shall have the authority to designate certain highways, or sections thereof where bridges and road surfaces are adequate for heavier loading, which designation may be revised as needed, on which the maximum tandem axle of the assembly loading shall not exceed sixteen thousand (16,000) pounds for any axle of the assembly.

(d) Except as provided in subsection (i), on any legal combination of vehicles, only one tandem axle assembly shall be permitted on such designated highways at the gross permissible weight of sixteen thousand (16,000) pounds for any such axle and no other tandem axle assembly in such combination of vehicles shall exceed a gross weight of thirteen thousand (13,000) pounds for any such axle. When the maximum gross weight of a combination of vehicles with load does not exceed seventy three thousand two hundred eighty (73,280) pounds, two (2) tandem axle assemblies shall be permitted on such designated highways at a gross permissible weight of sixteen thousand (16,000) pounds for any such axle.

(e) The normal size of tires shall be the rated size as published by the manufacturers and the maximum wheel load permissible for any wheel shall not exceed seven hundred (700) pounds per inch of width of tire.

(f) During the months of March, April, and May in each year, the maximum axle load allowable on concrete pavements, or pavements with a concrete base, shall be reduced by twenty five (25) per cent from the maximum axle loads as specified heretofore in this article, and the maximum axle loads allowable on all other types of roads during these months shall be reduced by thirty five (35) per cent from the maximum axle load as herein specified. The maximum wheel load shall not exceed five hundred and twenty five (525) pounds per inch of tire width on con-

crete and concrete base or four hundred and fifty (450) pounds per inch of tire width on all other roads during the period the seasonal road restrictions are in effect.

(g) The department of public works, may suspend the restrictions imposed by this section when and where in its discretion conditions of the highways or the public health, safety, and welfare so warrant and may impose the restricted loading requirements of this section on designated highways at any other time that the conditions of the highway may require.

(h) For the purpose of enforcement of this section, the gross weight of a single vehicle and load or a combination of vehicles and loads shall be determined by weighing individual axles or groups of axles and the total weight on all the axles shall be the gross vehicle weight. In addition, the gross axle weight shall be determined by weighing individual axles or by weighing a group of axles and dividing the gross weight of the group of axles by the number of axles in the group. Pursuant to subsection (i) the maximum individual axle weight of a group of axles may be determined by computing the gross weight of the group of axles and dividing the gross weight by the number of axles in the group. However, when determining the gross vehicle or combination of vehicles weight in accordance with the provisions of subsection (i), axles spaced nine (9) feet or more apart shall not be considered in the same group.

(i) The department of public works may designate a highway, or a section there, for the operation of vehicles having a gross weight of not more than eighty thousand (80,000) pounds which do not exceed any of the following:

(1) Twenty thousand (20,000) pounds on any one (1) axle.

(2) A tandem axle weight of seventeen thousand (17,000) pounds per axle including all enforcement tolerances.

(3) An overall gross weight on a group of two (2) or more consecutive axles equaling:

$$W = 500 \left( \frac{LN}{N-1} + 12N + 36 \right)$$

Where W equals overall gross weight on a group of two (2) or more consecutive axles to the nearest five hundred (500) pounds, L equals distance in feet between the extreme of a group of two (2) or more consecutive axles and N equals number of axles in the group under consideration; except that two (2) consecutive sets of tandem axles may carry a gross load of seventeen thousand (17,000) pounds per axle each if the first and last axles of the

consecutive sets of tandem axles are not less than thirty six (36) feet apart, and the gross vehicle weight does not exceed eighty thousand (80,000) pounds including all enforcement tolerances. Except for five axle truck tractor, semitrailer combinations having two (2) consecutive sets of tandem axles, vehicles having a gross weight in excess of eighty thousand (80,000) pounds or in excess of the vehicle weight determined by application of the formula in this subsection shall be subject to the maximum axle loads of subsections (b)(1), (2), and (3).

(j) Notwithstanding any other provision of this section, a truck tractor pulling a semitrailer and trailer combination or a truck tractor pulling two (2) semitrailers shall not transport, except between the hours of midnight to 6:00 a.m. on routes and at times designated by the department of state police, a flammable liquid, in bulk, which has a flash point at or below seventy (70) degrees Fahrenheit within a county having a population of six hundred thousand (600,000) or more. In addition, a truck, a truck pulling a trailer, or a truck tractor pulling a semitrailer shall not transport, except between the hours of midnight to 6:00 a.m. on routes and at times designated by the department of state police, a flammable liquid, in bulk which has a flash point at or below seventy (70) degrees Fahrenheit, in a quantity of more than nine thousand (9,000) gallons within a county having a population of six hundred thousand (600,000) or more. The exceptions provided by this subsection for transport on routes designated by the department of state police shall be construed to permit that transport only for the purpose of picking up or delivering a flammable liquid at a supply depot.

(k) Notwithstanding any other provision of this section, a truck, truck pulling a trailer, truck tractor pulling a semitrailer, a truck tractor pulling a semitrailer and trailer combination, or a truck tractor pulling two (2) semitrailers shall not transport a flammable liquid, in bulk, which has a flash point at or below seventy (70) degrees Fahrenheit within this state, unless the truck, truck and trailer combination, truck tractor and semitrailer combination, truck tractor, semitrailer and trailer combination, or truck tractor and two (2) semitrailer combinations meet safety standards as determined by the department of state police.

(l) Notwithstanding any other provision of this section, a truck tractor pulling a semitrailer and trailer combination or a truck tractor pulling two (2) semitrailers shall transport a flammable liquid, in bulk, which has a flash point at or below seventy (70) degrees Fahrenheit within this state. In addition, a truck, a truck pulling a trailer, or a truck tractor pulling a semitrailer shall not transport flammable liquid,

in bulk, which has a flash point at or below seventy (70) degrees Fahrenheit in this state, in a quantity of more than nine thousand (9,000) gallons. This subsection shall not take effect until November 1, 1983.

(m) Notwithstanding any other provision of this section, a truck, a truck pulling a trailer, or a truck tractor pulling a semitrailer shall not transport a flammable liquid, in bulk, which has a flash point at or below seventy (70) degrees Fahrenheit in this state if the truck, truck and trailer combination, or truck tractor and semitrailer combination has a capacity of more than nine thousand five hundred (9,500) gallons. This subsection shall not take effect until November 1, 1983. **REPEALED.**

**Sec. 55-8-24. Construction or loading of vehicle to prevent spillage on highway or street; loading of vehicle which is not completely enclosed; operation of vehicle equipped with front-end loading device with protruding tine; violation; penalties.**

(a) A person shall not drive or move a vehicle on a highway or street in the City unless the vehicle is so constructed or loaded as to prevent its contents from dropping, sifting, leaking, blowing off, or otherwise escaping from the vehicle. This requirement does not apply to a vehicle transporting agricultural commodities or horticultural products when hay, straw, silage, or residue from a product, but not including the product itself, or when materials such as water used to preserve and handle agriculture commodities or horticultural products while in transportation, escape from the vehicle in an amount that does not interfere with other traffic on a highway or street in the City. The tailgate, faucets, and taps on a vehicle shall be securely closed to prevent spillage during transportation whether the vehicle is loaded or empty, and the vehicle shall not have any holes or cracks through which material can escape. Any highway maintenance vehicle engaged in either ice or snow removal shall be exempt from this section.

(b) Actual spillage of material on the highway or street in the City, or proof of that spillage, is not necessary to prove a violation of this section.

(c) Except as provided in this section, a vehicle carrying a load, other than logs or tubular products, which is not completely enclosed shall meet either of the following requirements:

(1) Have the load covered with firmly secured canvas or a similar type of covering. A device used to comply with the requirement of this subsection shall not exceed a width of one hundred and eight (108) inches or by design or use have the capability to carry cargo by itself; or

(2) Have the load securely fastened to

the body or the frame of the vehicle with binders of adequate number and of adequate breaking strength to prevent the dropping off or shifting of the load.

(d) A company which, or individual who, loads or unloads a vehicle or causes a vehicle to be loaded or unloaded, with knowledge that the vehicle is to be driven on a highway or street in the City in a manner so as to cause a violation of Subsection (a) of this section shall be *prima facie* liable for a violation of this section.

(e) Subsection (c) of this section does not apply to a person operating a vehicle to transport agricultural commodities or to a person operating a farm truck or implement of husbandry transporting sand, gravel, and dirt necessary in the normal operation of a farm, provided, that a person operating a vehicle to transport agricultural commodities or sand, gravel, and dirt in the normal operation of the farm who violates Subsection (a) or (d) of this section is guilty of a misdemeanor punishable in accordance with Section 55-8-2(e) of this Code.

(f) Subsection (c)(1) of this section does not apply to a motor vehicle transporting items of a load that, because of their weight, will not fall off the moving vehicle and that have their centers of gravity located at least six (6) inches below the top of the enclosure, or to a motor vehicle carrying metal that, because of its weight and density, is so loaded as to prevent the metal from dropping or falling off the moving vehicle.

(g) Subsection (c)(1) of this section does not apply to motor vehicles and other equipment engaged in work upon the surface of a highway or street in the City in a designated work area.

(h) A person shall not drive or move on a highway or street in the City a vehicle equipped with a front end loading device with a tine protruding parallel to the highway or street beyond the front bumper of the vehicle unless the tine is carrying a load designed to be carried by the front end loading device. This subsection does not apply to a vehicle designed to be used, or being used, to transport agricultural commodities, to a vehicle en route to a repair facility, or to a vehicle engaged in construction activity.

**Sec. 55-8-24.5. Elected gross weight.**

(a) "Elected gross weight" means the empty weight of a vehicle or combination of vehicles, fully equipped for service, plus the weight of the maximum load which the owner has elected to carry on each vehicle or combination vehicles.

(b) The registration plate displayed on a vehicle registered on the basis of elected gross weight shall indicate the elected gross weight for which the vehicle is registered.

(c) If the offense of the licensee con-

sists in hauling on the registered vehicle a gross weight more than one thousand (1,000) pounds in excess of the elected gross weight specified on the owner's registration certificate, the owner or operator will be subject to the fines specified in section 55-8-22. For the purpose of this section, the gross weight of a vehicle or combination of vehicles may be determined by weighing the individual axles or group of axles and the total weight on all axles shall be the gross vehicle weight. **REPEALED.**

**Sec. 55-8-25. Restriction as to tires.**

(a) All freight carrying motor vehicles operating upon the public streets and alleys of the city shall have tires of rubber or other material of equal resiliency. Tires shall be considered defective and the use thereof shall not be permitted if the rubber or other material has been reduced by wear to a thickness of less than one inch, or if such tires have been so worn or otherwise damaged as to cause metal contact or pounding upon the pavement of the probability of accident.

(b) No vehicle equipped with solid tires shall be driven or propelled over any street in the city at a speed in excess of twenty (20) miles per hour. **REPEALED.**

**Sec. 55-8-25. Restrictions on transportation of flammable liquids and gases; violations; special criminal penalty; enforcement.**

(a) A truck pulling a trailer, a truck tractor pulling a semi-trailer and trailer combination, or a truck tractor pulling two (2) semi-trailers shall not transport a flammable liquid, in bulk, which has a flash point at or below 70 degrees Fahrenheit upon the highways or streets in the City.

(b) A truck pulling a trailer, a truck tractor pulling a semi-trailer and trailer combination, or a truck tractor pulling two (2) semi-trailers shall not transport a flammable gas or a compressed flammable gas, in bulk, as defined by 49 C.F.R. Parts 100 to 180, upon the highways or streets in the City.

(c) A truck or a truck tractor pulling a semi-trailer shall not transport a flammable liquid, in bulk, which has a flash point at or below 70 degrees Fahrenheit upon the highways or streets in the City, unless the truck or the semi-trailer has a water capacity of less than 13,800 gallons. This subsection does not apply to those vehicles registered with the Michigan State Police Motor Carrier Division on or before January 1, 1986.

(d) A truck or truck tractor pulling a semi-trailer shall not transport a flammable liquid, in bulk, which has a flash point at or below 70 degrees Fahrenheit in a quantity of more than 13,400 gallons.

(e) The owner or driver of a vehicle that transports, or a shipper who loads a vehicle with a flammable liquid, flammable gas, or compressed flammable gas in vio-

lation of this section is guilty of a misdemeanor, punishable by a fine of not more than three thousand dollars (\$3,000.00), or by imprisonment for not more than ninety (90) days, or both in the discretion of the court.

(f) This section shall be enforced only by a police officer.

(g) Commercial motor vehicles transporting hazardous material shall comply with the Michigan Motor Carrier Safety Act of 1963, being MCL 480.11 to 480.25.

**Sec. 55-8-26. Restrictions as to anti-skid or nonslip devices.**

No freight carrying motor vehicles shall be operated upon the streets or alleys in the City which shall be equipped with any anti skid or nonslip device, so constructed that any rigid or nonflexible portion of the same comes in contact with the pavement. **REPEALED.**

**Sec. 55-8-26. Prohibition on vehicles carrying hazardous material on certain highways and streets in the City; special civil penalty.**

(a) Any vehicle used for the hauling or distribution of hazardous material, as defined in Section 55-8-1 of this Code, upon the John C. Lodge Freeway shall be prohibited between West Larned and Griswold Streets, which includes the portion of said freeway going under Cobo Center, and between Wyoming and West Eight Mile Road being the portion of said freeway with continuous high vertical walls, but not including services drives.

(b) Any truck pulling a trailer, a truck tractor pulling a semi-trailer and trailer combination, or a truck tractor pulling two (2) semi-trailers, which is full, is prohibited from transporting hazardous material, as defined in Section 55-8-1 of this Code, using the John C. Lodge Freeway to travel south of the Howard Street exit.

(c) Any truck pulling a trailer, a truck tractor pulling a semi-trailer and trailer combination, or a truck tractor pulling two (2) semi-trailers, which is full, transporting hazardous material, as defined in Section 55-8-1 of this Code, south of Forest Avenue, shall be limited to a routing via East and West Vernor Highway.

(d) All deliveries of Class I Liquids shall be prohibited south of Forest Avenue from any truck pulling a trailer, a truck tractor pulling a semi-trailer and trailer combination, or a truck tractor pulling two (2) semi-trailers, which are full, and all deliveries of Class II and III-A Liquids from such vehicles may be made in that area only when special permission has been granted by the Fire Marshal.

(e) Any driver or owner of a vehicle who violates this section is responsible for a civil infraction punishable by a fine of not more than five hundred dollars (\$500.00). **Sec. 55-8-27. Extraordinary loads.**

(a) For the purpose of this division, all loads of materials of every name or

nature which, by reason of their construction or formation, cannot be reduced in size or weight, are termed extraordinary loads.

(b) A special permit shall be issued by the environmental protection and maintenance department for those loads either temporary or annual, according to the following classifications:

(1) Class "A": Not over fifteen (15) tons gross, single axle weight, but over sixty five (65) feet overall in length, or over eight (8) feet overall in width or over thirteen (13) feet overall in height, or projecting over three (3) feet in front or over thirteen (13) feet in rear. Temporary permit, no charge. Annual permit, ten dollars (\$10.00) (to cover all vehicles owned by any one applicant). A bond of one thousand five hundred dollars (\$1,500.00) shall be paid to the city.

(2) Class "B": Over fifteen (15) tons gross, single axle weight or over eighty (80) feet overall in length, or over twelve (12) feet overall in width, or over fifteen (15) feet overall in height, or projecting over five (5) feet in front or over twenty (20) feet in rear. Temporary permit will issue for each load in class "B" upon deposit of a sum sufficient to cover cost of inspection and permit; a refund to be made of any excess of monies over actual cost of inspection and permit. A bond of twenty five hundred dollars (\$2,500.00) shall be furnished to the city.

(e) All vehicles carrying loads in class "B" shall be accompanied by an inspector of the environmental protection and maintenance department and shall travel at the time of day and over the specified street route designated in the permit.

(d) Vehicles used to carry loads in class "B" are subject to annual inspection by the environmental protection and maintenance department, to prove ability to carry such loads. A fee of five dollars (\$5.00) shall be collected for making an inspection of each vehicle. **REPEALED.**

**Sec. 55-8-27. Axle weight requirements; weighting of vehicles equipped with lift axles.**

(a) The axle weight requirements of this article do not apply to a vehicle equipped with lift axles during the period in which axles are raised to negotiate an intersection, driveway, or other turn and until the lift axles are fully engaged after the period of time or the distance necessary to negotiate that intersection, driveway, or other turn. The vehicles shall be weighed only after the lift axles have been fully lowered and under operational pressure.

(b) Where a vehicle is to be weighed to determine whether the vehicle is being operated in violation of this article and the vehicle is equipped with lift axles that have been raised to allow the vehicle to negotiate an intersection, driveway, or

other turn, the vehicle shall be weighed only after the lift axles have been fully lowered and are under operational pressure as provided in Subsection (a) of this section.

**Sec. 55-8-28. Prevention of shifting or falling cargoes—General; metal articles.**

(a) *Application and scope of section.* This section applies to trucks, truck tractors, semi-trailers, full trailers and pole trailers. Each of those motor vehicles must, when transporting cargo, be loaded and equipped to prevent the shifting or falling of the cargo in the manner prescribed by the rules in subsection (b) of this section. In addition, each cargo-carrying motor vehicle must conform to the applicable rules in subsections (2), (3) and (4) of this section.

(b) *Base protection components.* Each cargo-carrying motor vehicle must be equipped with devices providing protection against shifting or falling cargo that meet the requirements of either subsections (1), (2), (3) or (4) below:

(1) *Option A.* The vehicle must have sides, sideboards, or stakes, and a rear endgate, endboard or stakes. Those devices must be strong enough and high enough to assure that cargo will not shift upon or fall from the vehicle. Those devices must have no aperture large enough to permit cargo in.

(2) *Option B.* The vehicle must have at least one tiedown assembly that meets the requirements of section 55-8-10 for each ten (10) linear feet of lading or fraction thereof. (However, a pole or an expandable trailer transporting metal articles under the special rules in subsection (c) of this section is required only to have two (2) or more of these tiedown assemblies at each end of the trailer.) In addition, the vehicle must have as many additional tiedown assemblies meeting the requirements of section 55-8-10 as are necessary to secure all cargo being transported either by direct contact between the cargo and the tiedown assemblies or by tunnage which is in contact with the cargo and is secured by tiedown assemblies.

(3) *Option C (for vehicles transporting metal articles only).* A vehicle transporting cargo which consists of metal articles must conform to either the rules in subsections (1), (2) or (4) of this subsection (b), or the special rules for transportation of metal articles set forth in subsection (c) of this section.

(4) *Option D.* The vehicle must have other means of protecting against shifting or falling cargo which are similar to and at least as effective as, those specified in subsections (1), (2) or (3) of this subsection.

(c) *Special rules for metal articles:*

(1) *Scope of the rules.* The rules in this

subsection apply to a motor vehicle transporting cargo consisting of metal articles if that vehicle does not conform to the rules in subsections (1), (2) or (4) of subsection (b) of this section.

(2) *Application of other sections.* A motor vehicle transporting property consisting of metal articles must, regardless of whether the rules in this paragraph apply to it, conform to the rules in section 55-8-10 (relating to securement systems), section 55-8-11 (relating to blocking and bracing of cargo), and section 55-8-12 (relating to front end structure requirements).

(3) *Coils.* Whenever a motor carrier transports one or more coils of metal, the coils shall be secured in the following manner:

a. *Coils with eyes vertical.* One of more coils which are grouped and loaded side by side in a transverse or longitudinal row must be secured by:

1. A tiedown assembly against the front of the coil or row of coils restraining against forward motion; and

2. A tiedown assembly against the rear of the coil or row of coils, restraining against rearward motion; and

3. A tiedown assembly over the top of each coil or transverse row of coils, restraining against vertical motion. The same tiedown assembly shall not be used to comply with more than one of the requirements of subsections 1, 2 or 3 of this subsection (3)a.

b. *Coils with eyes crosswise.* Each coil or transverse row of coils loaded side by side and having approximately the same outside diameters must be secured by:

1. A tiedown assembly through the eye of each coil, restricting against forward motion and making an angle of less than forty five (45) degrees with the horizontal when viewed from the side of the vehicle;

2. A tiedown assembly through the eye of each coil, restricting against rearward motion and making an angle of less than forty five (45) degrees with the horizontal when viewed from the side of the vehicle; and

3. Timbers, having a nominal cross section of four (4) by four (4) inches or more and a length which is at least seventy five (75) per cent of the width of the coil or row of coils, tightly placed against both the front and rear sides of the coil or row of coils and restrained to prevent movement of the coil or coils in the forward and rearward directions; and

4. If coils are loaded to contact each other in the longitudinal direction and relative motion between coils, and between coils and the vehicle, is prevented by tiedown assemblies and timbers:

(i) Only the foremost and rearmost coils must be secured with timbers; and

(ii) A single tiedown assembly, restricting against forward motion, may be used

to secure any coil except the rearmost one, which must be restrained against rearward motion.

e. Coils with eyes lengthwise. A coil or transverse row of coils having approximately equal outside diameters and loaded side by side or a longitudinal row of coils having approximately equal outside diameters and loaded end to end must be secured as follows:

1. The coil or coils must be restrained against side by side and fore and aft movement by:

(i) Two (2) or more tiedown assemblies through the bye of each coil or longitudinal row; or

(ii) One or more tiedown assemblies, crossing from one side of the vehicle to the other, through the eye of each coil or longitudinal row of coils in a transverse row.

2. Timbers having nominal cross section of four (4) by four (4) inches or more must be tightly placed against the sides of each coil or against the outboard sides of each transverse row of coils which are loaded side by side so that the timbers restrain against side to side movement.

d. Timber which is used for blocking must be sound lumber which is free of defects (such as knots or cracks) that materially reduce its strength.

e. Timbers need not be used on vehicles which have depressions in the floor or are equipped with other restraining devices which perform the functions specified for timbers by the rules in this section.

f. As used in this section, the term "nominal," when used to describe timber, means commercially dressed sizes generally designated by the dimensions indicated.

g. No person shall sell or deliver metal products unless the person in charge of the vehicle used in delivering such material shall have in his possession a delivery ticket or bill of lading or packing slip showing the net weight of each individual coil or bundle of metal being transported. Weight markings on such document shall be deemed to be the net weight of such coils or bundles and evidence thereof.

(4) *Miscellaneous metal articles.* Whenever a motor carrier transports metal articles consisting of cut to length bars, plates, rods, sheet and tin mill products, billette, blooms, ingots, slabs, structural shapes or pipe, and other tubular products and these articles, either individually or as a combination of articles banded or boxed together and handled as a single unit, the article shall be secured in the following manner:

a. A single article, a group of articles, or a combination of articles loaded side by side across the width of the vehicle must be secured by at least one tiedown assembly over its top for at least every

eight (8) feet of its length and at least two (2) tiedown assemblies securing each individual article or combination of articles banded or otherwise secured together and handled as a single unit. However, articles which individually have a length of eight (8) feet or less and which are securely butted against each other in the fore and aft direction may be secured by metal angles secured by tiedown assemblies, or they may be secured by a timber having a nominal cross section of four (4) by four (4) inches or more placed longitudinally over the articles and secured by tiedown assemblies. Tiedown assemblies may not be located beyond the ends of the article which they secure.

b. If articles are tiered and each tiered article rests securely on the one beneath it, the tier may be secured by the same manner as a single level of these articles is secured in accordance with the rules in this section.

e. Pole trailers must either comply with the requirements of subsections a. and b. of this subsection (a)(4) or have at least two (2) tiedown assemblies securing the load to the forward bolster and at least two (2) tiedown assemblies securing the load to the rear bolster.

d. The rules in this subsection do not apply to special loads consisting of machinery or fabricated structural items, such as beams, girders and trusses, which are fastened by special methods. However, those loads must be securely and adequately fastened to the vehicle.

(d) *Special rule for special-purpose vehicles.* The rules in this section do not apply to a vehicle transporting one or more articles which, because of their size, shape or weight, must be carried on special-purpose vehicles or must be fastened by special methods. However, any article carried on that vehicle must be securely and adequately fastened to the vehicle.

(e) *Special rule for intermodal cargo containers.* Containers designed for the transportation of containerized, intermodal cargo and having integral securement devices must be fastened to the chassis of the motor vehicle with securement devices that prevent them from being unintentionally unfastened. The securement devices must restrain the container from moving more than one half inch forward, more than one half inch aft, more than one half inch to the right, more than one half inch to the left or more than one inch vertically. **REPEALED.**

#### **Sec. 55-8-28. Restrictions concerning tires.**

(a) All freight-carrying motor vehicles operating upon the highways or streets in the City shall have tires of rubber or other material of equal resiliency.

(b) A person shall not operate a freight-carrying motor vehicle on the high-

ways or streets in the City with a tire in use that is unsafe in accordance with Section 710 of the Michigan Motor Vehicle Code, being MCL 257.710.

**Sec. 55-8-29. Same — Securement systems.**

(a) *Application and scope.* The rules in this section apply to tiedown assemblies (including chains, cables, steel straps and fiber webbing), other securement devices, and attachment or fastening devices used in conjunction therewith, which are used to secure cargo to motor vehicles in transit, all devices which are used to secure cargo to a motor vehicle in transit under the rules in this subpart must conform to the requirements of this section.

(b) *Tiedown assemblies.* Except for integral securement devices of containers for the transportation of containerized, intermodal cargo which conform to the rules in section 55-8-9(e), the aggregate static breaking strength of the tiedown assemblies used to secure an article or group of articles against movement in any direction must be at least one and one-half times the weight of that article or group of articles. Chain used as a component of a tiedown assembly must conform to the requirements of the November, 1975, edition of The National Association of Chain Manufacturers' welded chain specifications applicable to all types of chain. Only Types No. 1001 Grade 80 Alloy Steel Chain, No. 1002 Grade 70 Binding Chain, No. 3001 Grade 43 High Test Chain or No. 3002 Grade 28 Proof Coil Chain shall be used for tiedown assemblies. The embossed marking (i.e., manufacturers' coded stamp in chain) will be used to establish the breaking strength of chain. Chain not embossed will be deemed to be low grade chain unless such chain bears an identification tag permanently affixed by a qualified firm or person certifying the chains rated breaking strength. Steel strapping used as a component of a tiedown assembly must conform to the requirements of Federal Specifications No. QQ S 781 (1696). Steel strapping that is one inch wide or wider must have at least two (2) pairs of crimps in each seal and, when end-over-end lap joints are formed, must be sealed with at least two (2) seals.

(c) *Load binders and hardware.* The strength of load binders and hardware that are part of or used in conjunction with a tiedown assembly must be equal to, or greater than the minimum breaking or tensile strength specified for that tiedown assembly in subsection (b) of this section.

(d) *Attachment to the vehicle.* The hook, bolt, weld or other connector by which a tiedown assembly is attached to a vehicle, and the mounting place and means of mounting the connector, must be at least as strong as the tiedown assembly when that connector is loaded

in any direction in which the tiedown assembly may load it.

(e) *Winches or other fastenings.* The anchorages of a winch or other fastening device mounted on a vehicle and used in conjunction with a tiedown assembly must have a combined tensile strength equal to or greater than the strength of the tiedown assembly.

(f) *Adjustability.* A tiedown assembly and its associated connectors and attachment devices must be designed, constructed and maintained so that the driver of an in-transit vehicle can tighten them. However, the rules in this subsection do not apply to a securement system in which the tiedown assembly consists of steel strapping or to a tiedown assembly which is not required by the rules in this section. **REPEALED.**

**Sec. 55-8-29. Restrictions concerning anti-skid or nonslip devices.**

Freight-carrying motor vehicles shall not be operated upon the highways or streets in the City with any anti-skid or nonslip device, so constructed that any rigid or nonflexible portion of the same comes in contact with any highway or street in the City.

**Sec. 55-8-30. Same — Blocking and bracing.**

(a) *Protection against longitudinal movement.* When a motor vehicle carries cargo that is not firmly braced against a front end structure that conforms to the requirements of section 55-8-12, the cargo must be secured so that when the vehicle decelerates at a rate of twenty (20) feet per second per second, the cargo will remain on the vehicle and will not penetrate the vehicle's front end structure.

(b) *Protection against lateral movement.* When a vehicle carries cargo that may chift sideways in transit, the cargo must either be securely blocked or braced against the sides, sideboards or stakes of the vehicle or be secured by devices that conform to the requirements of subsection (b)(2), (b)(3) or (b)(4) of section 55-8-9. **REPEALED.**

**Sec. 55-8-31. Same — Front end structure.**

(a) *General Rule:*

(1) Except as provided in subsection (g) of this section, every cargo-carrying motor vehicle must be equipped with a header board or similar device of sufficient strength to prevent load shifting and penetration or crushing of the driver's compartment.

(2) Every cargo-carrying motor vehicle must have a front end structure that conforms to the rules in this section.

(b) *Location.* The front end structure must be located between the vehicle's cargo and the vehicle's driver.

(c) *Height and width.* The front end structure must extend either to a height of

four (4) feet above the floor of the vehicle or to a height at which it blocks forward movement of any item of cargo being carried on the vehicle, whichever is lower. The front end structure must have a width which is at least equal to the width of the vehicle or which blocks forward movement of any item of cargo being transported on the vehicle, whichever is narrower.

(d) *Strength.* The front end structure must be capable of withstanding the horizontal forward static load specified in either subsection (1) or (2) of this subsection.

(1) For a front end structure less than six (6) feet in height, a horizontal forward static load equal to one half of the weight of the cargo being transported on the vehicle uniformly distributed over the entire portion of the front end structure that is within four (4) feet above the vehicle's floor or that is at or below a height above the vehicle's floor at which it blocks forward movement of any item of the vehicle's cargo, whichever is less.

(2) For a front end structure six (6) feet in height or higher, a horizontal forward static load equal to four tenths of the weight of the cargo being transported on the vehicle uniformly distributed over the entire front end structure.

(e) *Penetration resistance.* The front end structure must be designed, constructed and maintained so that it is capable of resisting penetration by any item of cargo that contacts it when the vehicle decelerates at a rate of twenty feet per second. The front end structure must have no aperture large enough to permit any item of cargo in contact with the structure to pass through it.

(f) *Substitute devices.* The requirements of this section may be met by the use of devices performing the same functions as a front end structure, if the devices are at least as strong as, and provide protection against shifting cargo at least equal to, a front end structure which conforms to these requirements.

(g) *Exemptions.* The following motor vehicles are exempt from the rules in this section:

(1) A vehicle which is designed and used exclusively to transport other vehicles, if each vehicle it transports is securely tied down by devices that conform to the requirements of section 55-8-10.

(2) A pole trailer or semi trailer being towed by a truck tractor that is equipped with a front end structure that conforms to the rules in this section.

(3) A full trailer being towed by a vehicle that is equipped with a front end structure that conforms to the requirements of this section for a front end structure.

(4) A full trailer being towed by a vehicle that is loaded in such a manner that the cargo on the towing vehicle conforms

to the requirements of this section for a front end structure.

(h) *Illustrations.* Illustrations included in the publication "Cargo Securement on Motor Vehicles, 1974 Revision," published by The American Trucking Association are incorporated by reference herein.

(i) *Violations.* The driver, owner, lessee or other person having control of vehicles referred to herein shall be liable for any violation. **REPEALED.**

**Sec. 55-8-32. Vehicles carrying flammable liquids, explosives, etc., prohibited on John C. Lodge Freeway.**

No person shall operate or cause to be operated any motor truck or other vehicle used for the hauling or distribution of explosives or hauling and distribution in bulk of compressed, oxidizing, toxic, flammable gases or flammable liquids upon the John C. Lodge Freeway between West Larned and Griswold Streets, which includes the portion of such freeway going under Cobo Hall and between Wyoming and Eight Mile Road, being the portion of such freeway with continuous high vertical walls, but not including service drives. **REPEALED.**

**Sec. 55-8-33. Posted streets.**

Upon the erection of proper signs sufficient to apprise the ordinarily observant person, it shall be unlawful to operate, permit or cause to be operated, upon any of the streets, avenue, roads, alleys, or other public ways set out in this section, any "truck," as that term is defined in the Michigan Vehicle Code, and as provided on the posted signs; provided, that any such truck may be operated upon such streets, avenues, roads, alleys or other public ways for the shortest possible distance when necessary to serve any property located within or upon such streets, avenues, roads, alleys or other public ways or contiguous thereto or when it is necessary to cross such streets, avenues, roads, alleys or other public ways. **REPEALED.**

**Sec. 55-8-34. Enforcement of provisions.**

(a) Any member of the weights and measures division of the city shall have authority to inspect, weigh or measure any vehicle.

(b) When the sealer or one of his assistants in the weights and measures division or any person designated by them, shall demand that weights asserted or shown by the delivery ticket be verified, it shall be the duty of the person delivering the substance or materials to submit to a weighing of the same by means of portable scales or to convey the vehicle forthwith to the nearest suitable stationary public or private scales in the city, where the owner thereof shall consent to such use, and thereby permit the verifying of the weights asserted or show on the delivery ticket. If the sealer or his/her designate finds such vehicle or the load on the

~~vehicle loaded in violation of the provisions of this article, he/she may order any excess load to be removed or any cargo to be properly secured at that time and place. After delivery of such substance or materials, the driver when so requested by the scaler, shall return forthwith the vehicle used to the same designated scale, and submit to the verifying of the weight of such vehicle; provided, that nothing contained in this article shall be construed to bar a complaint for any violation. **REPEALED.**~~

**Secs. 55-8-30 — 55-8-40. Reserved.**

**Section 2.** All ordinances, or parts of ordinances, that are in conflict with this ordinance are repealed.

**Section 3.** This ordinance is declared necessary for the preservation of the peace, health, safety, and welfare of the People of the City of Detroit.

**Section 4.** Where this ordinance is passed by a two-thirds (2/3) majority of City Council Members serving, it shall be given immediate effect and shall become effective upon publication in accordance with Section 4-118(1) of the 2012 Detroit City Charter. Where this ordinance is passed by less than two-thirds (2/3) majority of City Council Members serving, it shall become effective thirty (30) days after publication in accordance with Section 4-118(2) of the 2012 Detroit City Charter.

December 3, 2012

Honorable City Council:  
 Re: Address: 6751 Woodmont. Name: Marwan Chami. Date ordered removed: March 13, 2012 (J.C.C. page 474).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on November 21, 2012 revealed the building is secured and appears to be sound and repairable.

The owner has paid all taxes and is current.

The proposed use of the property is owner's use and occupancy.

This is the first deferral request for this property.

Therefore, it is recommended that the demolition order be deferred for a period of three months subject to the following conditions:

1. The building shall be maintained in accordance with the vacant property ordinance and securely barricaded until rehabilitation is complete and occupied. All relevant permits for rehabilitation work shall be obtained. Rehabilitation is to be complete within six months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection
- Certificate of Inspection, required for all residential rental properties.

2. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

3. The yards shall be maintained clear of weeds, junk and debris at all times.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been maintained and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not maintained, we may proceed with demolition without further hearings. And, pursuant to the Property Maintenance Code we will issue a Building Violation Notice.

A request for deferral exceeding four must be made by petition to City Council through the office of the City Clerk.

Respectfully submitted,  
DAVID BELL

**Detroit Police Department**

November 2, 2012

Honorable City Council:

Re: Request Permission to Enter into Three Agreements Regarding the Organized Crime Drug Enforcement Task Forces.

The Detroit Police Department (DPD) Criminal Investigations Bureau (CIB) is requesting to enter into three Agreements with the United States Department of Justice, Drug Enforcement Administration (DEA) as part of the Organized Crime Drug Enforcement Task Force (OCDETF). Through these agreements, a DPD officer(s) will participate in OCDETF investigations, strategic initiatives and prosecutions, specifically OCDETF Initiative Numbers GL-MIE-0483, GL-MIE-0422 and GL-MIE-0460.

The Organized Crime Drug Enforcement Task Forces (OCDETF) Program was established in 1982 to mount a comprehensive attack against organized drug traffickers. Today, the OCDETF Program is the centerpiece of the United States Attorney General's drug strategy to reduce the availability of drugs by disrupting and dismantling major drug trafficking organizations and money laundering organizations and related criminal enterprises. The Program operates nationwide and combines the resources and unique expertise of numerous federal agencies in a coordinated attack against major drug trafficking and money laundering organizations.

The OCDETF strategy, under the direction of the Deputy Attorney General, aims to focus federal drug resources on reducing the flow of illicit drugs and drug proceeds by identifying and targeting the major trafficking organizations, eliminating the financial infrastructure of drug organizations by emphasizing financial

investigations and asset forfeiture, redirecting federal drug enforcement resources to align them with existing and emerging drug threats and conducting expanded, nationwide investigations against all the related parts of the targeted organizations.

If approval is granted to accept this funding, Deputy Chief Paul Welles, of the Criminal Investigations Bureau, would serve as the project director.

Participation requires the approval of your Honorable Body, via adoption of the attached resolution. The Board of Police Commissioners has been notified of the funding and approved participation.

If you have any questions or concerns regarding this matter, please feel free to contact me at 596-1800, Monday through Friday, 9:00 a.m. to 5:00 p.m.

**Historic Designation Advisory Board**

January 18, 2013

Honorable City Council:

Re: Petition #2594, Belle Isle Conservancy/ Carolyn Huff, requesting historical designation of Belle Isle Park.

This request for historic designation is on our list of proposals for local designation. The proposed Belle Isle Park Historic District is 982 acres of unique island park, and includes the entire Detroit Boat Club and Yacht Club complexes and the MacArthur Bridge also known as the Belle Isle Bridge. The section which approaches the bridge along East Jefferson Avenue will also be included in the proposed historic district. The park is located in the Detroit River upstream from downtown Detroit. The study will provide a complete

updated inventory of all the resources (historic and non-historic) within the proposed historic district. The park was designed by geni of the 20th century such as Cass Gilbert, Frederick Olmsted, George Mason, Mary Chase Perry Stratton, Albert Kahn and Ero Saarinen. Reasonable grounds for the study have been provided in that the property has been officially listed on the National Register of Historic Places. A resolution directing the Historic Designation Advisory Board to conduct a study is attached.

Should your Honorable Body adopt that resolution, you must appoint two persons to serve as *ad hoc* members of the Advisory Board in connection with the matter. Staff is working with the petitioners to identify such persons and will provide you with two names and the appropriate resolution, as the information becomes available.

Staff is available to answer any questions you may have.

Respectfully submitted,  
MARCELL R. TODD, JR.

Director

By Council Member Watson:

WHEREAS, The City Council has received a request to designate Belle Isle Park, 982 acres of unique island park, including the entire Detroit Boat Club and Yacht Club complexes and the MacArthur Bridge also known as the Belle Isle Bridge. The section which approaches the bridge along East Jefferson Avenue will also be included in the proposed historic district. The park is located in the Detroit River upstream from downtown Detroit as a historic district, and

WHEREAS, The City Council finds that there are reasonable grounds for such a request, NOW THEREFORE, BE IT

RESOLVED, That the City Council hereby directs the Historic Designation Advisory Board, a study committee, to conduct studies to determine whether the above-mentioned property meets the criteria for local historic designation and to issue appropriate reports in accordance with the Michigan Local Historic Districts Act and Chapter 25, Article II of the 1984 Detroit City Code, AND BE IT FINALLY

RESOLVED, That an interim designation be placed upon Belle Isle Park while the study is underway.

**CONSENT AGENDA**

NONE.

**MEMBER REPORTS:**

**Council Member JoAnn Watson:** A request to Deputy Edward Keelean, Corporation Counsel, Law Department, for an updated aggregated report of all outstanding debts (public & private).

**Council Member James Tate:** It has been stated that residents who wish to sign positions for Council Members running at large can only sign two of those positions. Is that true?

**Deputy Clerk Hudson:** I am not sure if that is true. I have not heard that but I will definitely check with the Director of Election Mr. Baxter and I will get back with you.

**Council Member Andre Spivey:** Reminder to citizens that because it is very cold, our warming centers at Cass Community Services and Operation Get-Down are available from 7:00 to 7:00.

I was in Washington this weekend and it was a moving experience. I hope that the Mayor, Council and Congressional delegation will capitalize on the President mentioning the safety of our children in Detroit, Appalachia and Newtown. If we do not capitalize Detroit being on the President's mind then that is all of our faults. We are not where we need to be as a city but I am very optimistic that we will get there. Looking at security, public service, public transportation, the people and plethora of cranes in Washington, D.C. this could be the City of Detroit. Washington came with some pains. With growth come pain; with growth come change.

**Council President Charles Pugh:** This is an opportunity; the President of the United States acknowledges that crime is in our city. It is better to have your problem acknowledged by the President than not. This is an opportunity for our Congressional Delegation, U.S. Senators and Mayor to talk to President Obama.

**Council Member Brenda Jones:** When will the Mayor have his next Community meeting and when will the Mayor do the State of the City?

**A. Hollier, (Mayor's Office):** The State of the City will be February 13 and I will get you an answer for the next Mayor's community meeting. I will get the information to the location of the State of the City. It will not be in the Erma Henderson Auditorium.

**Jones:** Today, the Chief Judge and someone from the State will be at the skill trades meeting to discuss the driver's responsibility fee.

Has the towing contract and the process been cleared where there was a discrepancy between the Police

Commissioners and Administration? Has the Law Department opined?

**Lewis Smith (Law Department):** I will follow up.

**Council Member Andre Spivey:** When will we receive a breakdown of the new Detroit Police Department restructuring? Some Departments are receiving notices of a certain date in February or March that they will no longer be in existence.

**A. Hollier, (Mayor's Office):** I will have an answer for all Colleagues this afternoon.

**Council Member Kenneth Cockrel, Jr.:** The next meeting of Detroit City Council Green Task Force will be this Thursday at 3:00 pm. in the Committee of the Whole Room, CAYMC.

**Council Member Saunteel Jenkins:** The next Youth Violence Prevention Task Force Meeting will be next week Wednesday, January 30 at Brightmoor Community Center at 14451 Burt Road at 5:30 p.m. We will work on a letter campaign; it is a youth effort to write letters and get petitions signed to support the president's agenda to enact more gun safety laws.

I think we spend too much money on settlements. As a body, we need to do a better job of scrutinizing these settlements and voting "no" to force them to go back to the table to do something different.

**Council Member Kenneth Cockrel, Jr.:** I agree. If you look at the accumulative impact of all of these settlements that we pay, we are getting nickel and dime to death. This is something that Council should re-engage with the Law Department. This may be something that Internal Operations may discuss in one of their meeting when the Mayor appoints a new Corporation Counsel.

**Council President Charles Pugh:** Maybe this would be something we could have a privilege document on what the strategy would be and then have a close session base on that.

**Council Member Gary Brown:** Maybe the strategy could be reducing budgets when people go outside their budgeted amount for Risk Management.

Every time I have gone to Washington you get the same message; stop asking for more money without having a comprehensive plan to utilize the money. I heard from our lobbyist in Washington that Gary Peters hit the ground running trying to find dollars for Detroit. I sent the Lobbyist a letter asking for a military solution to City Airport and received a response immediately.

**Council Member JoAnn Watson:** I believe we may want to direct Research and Analysis Division, City Planning Commission Director and Fiscal Analysis who worked with the development of the Marshal Plan which looked at security, economy, greening of Detroit and the environmental impact. They looked at developing capital for our young people so that they will not have to move out of the city to get a fresh start. A blueprint has already been prepared representing the holistic needs and the future opportunities of the City.

**Council Member Saunteel Jenkins:** Detroit is one of six (6) cities chosen by the President and the Justice Department for grants relating to youth violence which has been in the works for two and a half years. Saul Green was the one leading that effort before he left. Annie Ellenton is working on it now. We, as a city, are behind compared to what the other cities are doing. We can get there but it is going to require accepting that we cannot continue to do things the way we have always done them. Change is hard and it requires sacrifice on the parts of everyone. Washington did not get there by doing what took them into receivership in the first place.

**Council Member JoAnn Watson:** But the citizens still cannot vote there. Taxation without representation — we do not want that in Detroit.

**Council Member Saunteel Jenkins:** We were not talking about taking away the citizen vote.

**ADOPTION WITHOUT  
COMMITTEE REFERENCE  
NONE.**

**COMMUNICATIONS FROM THE CLERK

by the Mayor.**

**FROM THE CLERK**

January 22, 2013

This is to report for the record that, in accordance with the City Charter, the portion of the proceedings of January 8, 2013, on which reconsideration was waived, was presented to His Honor, the Mayor, for approval on January 9, 2013, and same was approved on January 16, 2013.

Also, That the balance of the proceedings of January 8, 2013, was presented to His Honor, the Mayor, on January 14, 2013 and same was approved on January 22, 2013.

Also, That my office was served with the following papers issued out of Wayne

**TESTIMONIAL RESOLUTION FOR**

**BROTHER MARK STEWART TILLMAN  
34th General President Alpha Phi  
Alpha Fraternity Incorporated**

By COUNCIL MEMBER SPIVEY:

WHEREAS, Brother Mark Stewart Tillman has dedicated over two decades of service to making Alpha Phi Alpha Fraternity a leader in the eyes of the membership it serves and the community at large. Brother Tillman offers leadership that encompasses integrity, humility, commitment, motivation, versatility, accountability and dedication, as he endeavors to maintain Alpha's brand. Brother Tillman was initiated on November 22, 1985, into Beta Phi Chapter located on the campus of Dillard University in New Orleans, Louisiana; and

WHEREAS, Brother Tillman has served as the immediate past vice president of the Midwestern region. Under his leadership, he focused on supporting chapters so they can focus on promoting the mission of Alpha Phi Alpha. He provided an environment for brothers to re-engage themselves with the fraternity and invested in the talent of our membership. He continues to provide a vehicle to attract new partners and showcase what Alpha Phi Alpha has to offer; and

WHEREAS, Brother Tillman has served as a leader in many capacities. He was an area director in Detroit, Michigan, and led the state of Michigan as the district director in which the district achieved one hundred percent (100%) of the chapters in good standing under his leadership. To this day, Michigan is considered a model district in the region; and

WHEREAS, Brother Tillman has over 20 years of membership in Gamma Lambda Chapter in Detroit, Michigan. He continually serves his chapter as a tireless contributor to its programs, service projects, and brotherhood activities. He has represented his chapter as a delegate to conventions, at every level, and has been a chapter officer in six chapter administrations; and

WHEREAS, Outside of Alpha Phi Alpha, Brother Tillman has over 20 years of information technology experience and combined service with the Hewlett-Packard Company (HP) through an acquisition of Electronic Data Systems (EDS).

He is a technology consultant and lead offering engineer in which he leads a global team of systems engineers to design, build and test server platform solutions; and

WHEREAS, Brother Tillman is a native of New Orleans, Louisiana. He completed his bachelor's degree in computer science at Dillard University in 1988. To ensure balance with Alpha Phi Alpha and his personal life, Brother Tillman is celebrating over 15 years of marriage to his wife, Velicia. He is also a three-time mentor with Big Brothers Big Sisters of America. He attends Sacred Heart Catholic Church in Detroit, and in his leisure time, he is an outdoor enthusiast who enjoys camping, water sports, cycling, motorcycle riding and exercising. NOW THEREFORE BE IT

RESOLVED, That the Honorable members of the Detroit City Council congratulate you on being installed as the 34th General President of Alpha Phi Alpha Fraternity Incorporated. Thank you for your personal dedication of developing leaders, promoting brotherhood and academic excellence, while providing service and advocacy for communities on a local, national and global level.

**TESTIMONIAL RESOLUTION Honoring the 100th Anniversary of the Birth of**

**MOTHER ROSA LOUISE PARKS**

By COUNCIL MEMBER WATSON.

WHEREAS, Mother Parks was born Rosa Louise McCauley on February 4, 1913 in Tuskegee, Alabama to the proud parentage of James McCauley, a carpenter and Leona McCauley, a school teacher. At the age of two she, her mother and younger brother, Sylvester, moved to live with her grandparents on their farm in Pine Level, Alabama. When she was 11 years old her mother enrolled her in the Montgomery Industrial School for Girls, a private school founded by progressive and liberal minded women from the Northern States in the United States. The school operated under a belief system that fostered selfworth, which was consistent with young Rosa's upbringing; and

WHEREAS, After attending Alabama State Teachers College, Mrs. Parks met and in 1932 married Raymond Parks and they settled in Montgomery. The couple joined the local chapter of the NAACP in 1944 and worked quietly for many years to improve the plight of People of Color in the segregated South. Mr. and Mrs. Parks served as NAACP investigators in the case of Recy Taylor, an Alabama woman who was kidnapped and raped by six white men. Two all white, all male juries refused to indict the men. Some scholars consider this case the launching pad for

the activism that led to the modern day Civil Rights Movement. Mrs. Parks, during an interview reported, "I worked on numerous cases with the NAACP, but we did not get the publicity. There were cases of flogging, peonage, murder, and rape. We didn't seem to have too many successes. It was more a matter of trying to challenge the powers that be, and to let it be known that we did not wish to continue being second-class citizens"; and

WHEREAS, In August of 1955, Mother Rosa Parks, along with her husband Raymond Parks attended the Highlander Folk School, which was a center located in Tennessee, for social justice training. On December 1, 1955, Mrs. Parks' display of civil disobedience by refusing to give up her seat to a white male passenger on a bus Montgomery, Alabama, was an heroic challenge to the city's segregation laws. Mother Parks was arrested, jailed and on December 5, 1955, she was found guilty of violating Montgomery's bus ordinance and fined \$14. The bus incident led to the formation of the Montgomery Improvement Association, led by the young Pastor of the Dexter Avenue Baptist Church, Rev. Dr. Martin Luther King, Jr. The Association called for a boycott of the city-owned bus company. The boycott lasted 381 days and brought Mother Rosa Parks, Dr. King, and their cause to the attention of the world. The NAACP consulted with two brilliant attorneys that they regularly worked with, Robert Carter and Thurgood Marshall. The case was filed in U.S. District Court in February of 1956; and on November 13, 1956, the U.S. Supreme Court declared Alabama's racial segregation laws for public transit unconstitutional. It stated that the bus segregation laws in the City of Montgomery "deny and deprive plaintiffs and other Negro citizens similarly situated of the equal protection of the law and due process of law secured by the Fourteenth Amendment" (Browder vs. Gayle, 1956). It took one month after the ruling for the decision to reach the City of Montgomery, Alabama and the boycott ended the very next day; and

WHEREAS, The ruling by the U.S. Supreme Court put an end to racial segregation on public transportation, but it did not end racial prejudice. Violence broke out all across the South. Mother Parks, as a result of her arrest, was fired from her job at the Montgomery Fair department store and Mr. Parks left his job voluntarily after his employer informed him that he was not to discuss his wife or her legal troubles. Later that year, in 1957, Mr. and Mrs. Parks left Alabama and moved to Hampton, Virginia where Mother Parks found employment at the Hampton Institute. They moved again, that same year and settled in Detroit, Michigan; and

WHEREAS, In 1965, Mother Rosa L. Parks was hired by the newly-elected U.S.

Representative — Congressman John Conyers, Jr. She held the position of Legislative Assistant in his office until 1988, when she retired. After her retirement, Mrs. Parks continued to work for social justice and equality. After the death of her husband in 1977, Mrs. Parks (along with Elaine Eason Steele) co-founded the Rosa and Raymond Parks Institute for Self-Development and Social Change. The Institute sponsors an annual summer program for teenagers called "*Pathways to Freedom*". The youth tour the country and learn the history of their country and of the civil rights movement. In 1980 the Detroit News and Detroit Public Schools established the Rosa L. Parks Scholarship Foundation to honor Mrs. Parks; and

WHEREAS, Mother Rosa Parks continued to be a drum major for justice throughout the remainder of her life. She worked on behalf of the Southern Christian Leadership Council, which established an annual Rosa Parks Freedom Award in her honor. She worked and advocated for the implementation of Reparations and used her voice to oppose South African apartheid. She was a supporter of *Keep the Vote — No Takeover* and filed an amicus brief to support the Right to Vote in Detroit. She was a proponent of Planned Parenthood and women's rights. Mother Parks was honored on September 9, 1996, by President William Jefferson Clinton, with the highest honor that can be bestowed by the executive branch, the Presidential Medal of Freedom. The U.S. legislative branch also presented her with their highest award in 1997, the Congressional Gold Medal. Time Magazine in 1999 named Rosa Parks one of the 20 most influential people of the 20th century; and

WHEREAS, Mrs. Parks spent most of her years residing in the City of Detroit, where she died on October 24, 2005 peacefully at her home at the age of 92. After her death, her casket was placed in the rotunda of the United States Capitol for two days, so the nation could pay its respects to the woman whose courage changed the lives of so many. She is the only woman and second African American in history to lie in state at the Capitol, an honor usually reserved for Presidents; and NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council honors the *Centennial Anniversary* of the "Queen Mother of the Civil Rights Movement," Mother Rosa Louise Parks, who is universally celebrated and revered for her life-long leadership as Mother of the Civil Rights Movement.

# CITY COUNCIL

(ADJOURNED SESSION)

(All action of the City Council appearing herein is subject to reconsideration and/or approval of the Mayor.)

Detroit, Friday, January 25, 2013

Pursuant to adjournment, the City Council met at 9:15 A.M. and was called to order by President Charles Pugh.

Present — Council Members Brown, Cockrel, Jr., Jenkins, Jones, Kenyatta, Spivey, Tate, Watson, and President Pugh — 9.

There being a quorum present, the City Council was declared to be in session.

## Taken from the Table

Council Member Jones moved to take from the table an ordinance to amend Chapter 13 of the 1984 Detroit City Code, Civil Service and Personnel Regulations, Article II, Hours of Work and Method of Payment, by amending Section 13-2-18, Reduction in hours for City employees due to revenue shortfall; authorization and implementation; parity required for non-union Executive and Legislative Branch City employees; section not applicable to City elected officials; commensurate action on 36th District Court budget, to authorize a continuation of reduction in hours for all non-union Executive Branch and Legislative Branch City employees to terminate not later than January 31, 2014, at 11:59 P.M., etc., laid on the table January 16, 2013.

The Ordinance was then placed on the order of third reading.

THIRD READING OF ORDINANCE.

The title to the Ordinance was read a third time.

The Ordinance was then read.

The question being "Shall this Ordinance Now Pass?"

The Ordinance was passed, a majority of the Council Members present voting therefore as follows:

By Council Members Spivey:

**AN ORDINANCE to amend Chapter 13 of the 1984 Detroit City Code, *Civil Service and Personnel Regulations*, Article II, *Hours of Work and Method of Payment*, by amending Section 13-2-18, *Reduction in hours for City employees due to revenue shortfall; authorization and implementation; parity required for non-union Executive and Legislative Branch City employees; section not applicable to City elected officials; commensurate action on 36th District Court budget*, to authorize a contin-**

uation of reduction in hours for all non-union Executive Branch and Legislative Branch City employees to terminate not later than December 31, 2013, at 11:59 p.m., which: 1) will continue the policy established under this section for the prior reduction in hours that the Mayor and the City Council cooperate to ensure that the reduction in hours is shared by both branches of City government so that all non-union Executive Branch City employees and all non-union Legislative Branch City employees receive the same reduction in hours during the effective dates of any Executive Order and of any City Council resolution; 2) will reiterate that this section does not apply to City elected officials whose compensation is determined by the Elected Officials Compensation Commission, but that City elected officials may voluntarily return a commensurate portion of their salary, as a gift, to the City's General Fund; and 3) will continue the policy established under this section for the prior reduction in hours that, while this section is implemented through Executive Order of the Mayor for non-union Executive Branch City employees and through resolution of the City Council for non-union Legislative Branch City employees, the City is required, as the funding unit for the 36th District Court, to take action, in accordance with Sections 8-201 through 8-213 of the 2012 Detroit City Charter, to decrease the Court's budget in an amount that is commensurate and reflective of a ten percent (10%) reduction in hours for the Court's non-judicial employees, provided, that the 36th District Court remains solely responsible, as required by the Michigan Revised Judicature Act, being MCL 600.1 *et seq.*, and Michigan Supreme Court Administrative Order No. 1998-5, for allocating appropriated City funds for Court operations; and to eliminate the requirement that step increases and merit increases continue during the reduction in hours.

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

**Section 1.** Chapter 13 of the 1984 Detroit City Code, *Civil Service and Personnel Regulations*, Article II, *Hours of Work and Method of Payment*, be amended by amending Section 13-2-18, *Reduction in hours for City employees due to revenue shortfall; authorization and implementation; parity required for non-union Executive and Legislative Branch City employees; section not applicable to*

City elected officials; commensurate action on 36th District Court budget, to read as follows:

**CHAPTER 13. CIVIL SERVICE AND PERSONNEL REGULATIONS  
ARTICLE II. HOURS OF WORK AND METHOD OF PAYMENT**

**Sec. 13-2-18. Reduction in hours for City employees due to revenue shortfall; authorization and implementation; parity required for non-union Executive and Legislative Branch City employees; section not applicable to City elected officials; commensurate action on 36th District Court budget.**

(a) Due to fiscal difficulties incurred by an actual or a projected shortfall in revenue, all non-union Executive and Legislative Branch City employees shall be required to take a reduction in hours, through budget-required furlough, as defined in Section 13-2-1 of this Code, which shall be implemented as follows:

(1) The pay period to commence reduction in hours, the percentage in reduction of hours, and the pay period to terminate reduction in hours shall be delineated:

(a) For non-union Executive Branch City employees by the Mayor through the issuance of an Executive Order; and

(b) For non-union Legislative Branch City employees by the City Council through adoption of a resolution;

(2) The resulting reduction in pay from the reduction in hours shall not reduce the City employee's hourly pay rate set forth in the current Official Compensation Schedule, as amended, or the applicable Official Compensation Schedule that is in effect during the next fiscal year;

(3) The implementation of this section shall not change the accrual of vacation leave time, sick leave time, and non-banked time, including holiday, excused-time days, funeral leave, and jury duty for any City employee who is affected by this section;

(4) Where hours to be worked are reduced, the resulting reduction in compensation or wages shall not exceed ten (10) percent (10%) of the actual compensation established by the Official Compensation Schedule of the affected City employee as of July 1st of the current fiscal year, or the actual compensation established by the Official Compensation Schedule for the affected City employee as of July 1st of the next fiscal year, if the reduction in hours is extended as provided for in Subsection (a)(7) of this section;

~~(5) All non-union City employees shall continue to receive step increases or merit increases as specified in the current Official Compensation Schedule as amended, or in the applicable Official Compensation Schedule if the reduction in hours is extended as provided for in~~

~~Subsection (a)(7) of this section, based upon the compensation rate or compensation as set forth in the Official Compensation Schedule for the affected employee as of July 1st of the current fiscal year, or the actual compensation established by the Official Compensation Schedule for the affected employee as of July 1st of the next fiscal year, if the reduction in hours is extended as provided for in Subsection (a)(7) of this section, provided, that the compensation, compensation rate, or actual compensation for the affected City employee shall be adjusted to reflect the reduction in hours after the merit increase or step increase is added to the previous compensation, compensation rate, or actual compensation;~~

~~(6)(5) The implementation of this section shall not be a factor for purposes of pension computation under Chapter 47 of this Code, Retirement Systems, for any non-union City employee who is affected by this section; and;~~

~~(7)(6) Any reduction in hours implemented pursuant to this section shall terminate not later than June 30, 2012 December 31, 2013, at 11:59 p.m.~~

(b) It is the intent of this section that all non-union Executive Branch City employees and all non-union Legislative Branch City employees receive a reduction in hours for the same length of time during the effective dates of any Executive Order or any City Council resolution and that the Mayor and the City Council cooperate to ensure that the reduction in hours is taken by City employees in both branches of City government for the same length of time, provided, that the Mayor and the City Council may elect to place their administrators, administrative personnel, and other non-union City employees on different schedules for their reduction in hours.

(c) This section shall not apply to City elected officials whose compensation is determined by the Elected Officials Compensation Commission in accordance with Section 5c of the Michigan Home Rule City Act, MCL 117.5c, and Chapter 2, Article III, Division 2, of this Code, provided, that neither state law nor this Code prohibit City elected officials from voluntarily returning their salary, or a portion thereof, that is commensurate with the reduction in hours for administrators, administrative personnel, and other non-union employees, as a gift to the City's general fund.

(d) When this section is implemented through Executive Order of the Mayor for non-union Executive Branch City employees and through resolution of the City Council for non-union Legislative Branch City employees, the City, as the funding unit for the 36th District Court, shall take action, in accordance with Sections 8-201

through ~~8-211~~ 8-213 of the ~~1997~~ 2012 Detroit City Charter, to decrease the Court's budget in an amount that is commensurate and reflective of a ten percent (10%) reduction in hours for the Court's non-judicial employees, provided, that the 36th District Court remains solely responsible, as required by the Michigan Revised Judicature Act, being MCL 600.1 *et seq.*, and by Michigan Supreme Court Administrative Order No. 1998-5, for allocating appropriated City funds for Court operations.

**Section 2.** All ordinances, or parts of ordinances, that conflict with this ordinance are repealed.

**Section 3.** This ordinance is declared necessary for the preservation of the public peace, health, safety, and welfare of the People of the City of Detroit.

**Section 4.** Where this ordinance is passed by a two-thirds (2/3) majority of the City Council Members serving, it shall be given immediate effect and shall become effective upon publication in accordance with Section 4-118(1) of the 2012 Detroit City Charter. Where this ordinance is passed by less than two-thirds (2/3) majority of City Council Members serving, it shall become effective thirty (30) days after publication in accordance with Section 4-118(2) of the 2012 Detroit City Charter.

**VOTING ACTION MATTERS**

**OTHER MATTERS:**

**COMMUNICATIONS FROM MAYOR AND OTHER GOVERNMENTAL OFFICIALS AND AGENCIES:**

**PUBLIC COMMENT:**

• **Mother Holmes** — Prayed for the City of Detroit and the Honorable City Council.

• **Ed McNeil**: — Spoke about the tragedy of the Belle Isle discussion; referenced the four (4) consulting firms that were given contracts passed by the Council; layoffs, freezing of pension etc.

• **Cecily McClellan** — Opposes the sell of Belle Isle and if the State would give the City the money owed there would be no debt.

• **Bill McMasters** — Taxpayers United

— Indicated that all of these actions are new layers of government without tax power; without the vote of the people. The Michigan Municipal League indicates that Detroit taxpayers are paying more than anyone else.

• **Angela King** — Why are we voting on the Belle Isle lease?

• **Tommie Summerville** — Requested help with DTE bill dating back to 2005 he received regarding property purchased in 2008.

• **Dawn DeRose** — Opposes the sell of Belle Isle; indicated that it was very inequitable to the City of Detroit and the Council should put the people first.

• **Stephen Boyle** — Belle Isle lease is no lease because there is no revenue paid to the City of Detroit.

• **Ethan Vinson** — Chairman of the Belle Isle Conservancy Construction Committee — Says that he is aware of the needs of the island; feels that the lease makes sense because you can convert monies to needed departments.

• **Jocelyn Harris** — Jefferson Chalmers CDC — Against the selling of Belle Isle.

• **Cunningham** — Suggested that everyone should come down to CAYMC and go to 8th floor to get your property taxes lowered; you have three weeks; because the City has been over pricing property taxes. He is also against the lease.

• **Valerie Glenn** — Everything that the administration and Governor are doing is illegal; sited Section 4.5 in the Charter. Pay close attention Detroit.

• **Mike Morris** — Very passionate about DDOT and PLD, these are under authorities makes him very sad. Belle Isle is the heart of the City of Detroit.

Honorable City Council:

Re: Katie Crawford vs. City of Detroit.  
Case No. 12-003542-NF (SLdeJ).  
Matter No.: A20000.0033542.

On December 12, 2012, a case evaluation panel evaluated the above-captioned lawsuit and awarded Twelve Thousand Dollars (\$12,000.00) in favor of Plaintiff. The parties have until January 9, 2013, to either accept or reject the case evaluation. Failure to file a written acceptance or rejection within this period constitutes a rejection.

Based upon our review of the facts and particulars of this lawsuit, which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body, it is our considered opinion that acceptance of the case evaluation award is in the best interest of the City of Detroit.

We, therefore, request your Honorable Body to authorize acceptance of the case evaluation award; and, in the event that Plaintiff accepts the award, to direct the Finance Director to issue a draft in the amount of Twelve Thousand Dollars (\$12,000.00) payable to Katie Crawford and her attorneys, Christopher Trainor & Associates, to be delivered upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in Lawsuit No. 12-003542-NF, approved by the Law Department.

**Taken from the Table**

Council Member Jenkins moved to take from the table a Chapter 61 of the 1984 Detroit City Code, 'Zoning,' commonly known as the Detroit Zoning Ordinance, by amending Article XVII, District Map No. 41, to show a P1 (Open Parking District) zoning classification where an R2 (two-Family Residential) zoning classification is currently shown at 3932 Porter, generally located at the northeast corner of Porter Street and Hubbard Avenue, to

allow for an accessory parking lot with landscaping and an opaque fence to serve the residents of the existing apartment building located at 1250 Hubbard, an apartment building located at the southeast corner of Hubbard Avenue and Porter Street, laid on the table January 15, 2013, which motion prevailed.

The Ordinance was then placed on the order of third reading.

THIRD READING OF ORDINANCE.

The title to the Ordinance was read a third time.

The Ordinance was then read.

The question being "Shall this Ordinance Now Pass?"

The Ordinance was passed, a majority of the Council Members present voting therefore as follows:

Re: Correction of Scrivener's Error on Zoning Map No. 3 (RECOMMEND APPROVAL).

It has come to the attention of City Planning Commission (CPC) staff that zoning map number 3, contained in Chapter 61, Article XVII, contains a

scrivener's error, incorrectly identifying the area bounded by Pine Street, Brooklyn Avenue, the Lodge Freeway Service Drive, and the now-vacated alley south of and parallel to Pine Street as being zoned R2 (Two Family Residential District) where that piece of property was rezoned for Motor City Casino to SD5 (Special Development District — Casinos) by Ordinance No. 16-05. This is adjacent to the area for which a rezoning from PD to SD5 is being requested.

Attached is a resolution to correct that error. Please contact Mr. Gregory Moots of my staff at 224-2110 with any questions.

**NEW BUSINESS**

**Finance Department  
Board of Assessors**

January 16, 2013

Honorable City Council:

Re: Scotten Park LDHALP — Payment in Lieu of Taxes (PILOT).

The Southwest Housing Solutions Corporation, the project sponsor has garnered funding commitments for the construction and permanent financing for the above-captioned residential community in the amount of \$6,659,417.00. These rental unit will be constructed within Southwest Detroit to provide permanent, safe and decent housing for

Detroit's homeless and special needs population of low-income persons and families.

Scotten Park LDHA is a 32 unit new construction residential community that will offer permanent supportive housing to individuals and families who have special needs or are homeless. These sites are ideal locations for this purpose and a legal description of this property is attached.

Scotten Park LDHA has been awarded a Low income Housing Tax Credit Reservation for 2013, which will provide the equity required for the project's economic feasibility. Based upon the developer's proposed rents levels, three units will be reserved for individuals and families earning 30% or less of the area median income. Eight units will be set aside for individuals and families earning 40% or less of the area income. Five units will be set aside for individuals and families earning 50% or less of the area median income. Sixteen units will be set aside for individuals and families earning 60% or less of the area median income.

In order to make this development economically feasible, it is necessary for it to receive the benefits of tax exemption under Section 15a of the State Housing Development Authority Act of 1996, (P.A. 346, as amended, MCLA 125.1415A).

All units in the development will be restricted to households whose incomes are at or below 60% of the area median income adjusted for family size. Residents of the public housing units, through a project based subsidy will pay approximately 30% of their gross income as rent. Five percent of the units will be equipped for those with mobility impairments and 2 percent will be equipped for those with hearing or sight impairments.

Adoption of the resolution by your Honorable Body will therefore satisfy the requirements of Public Act 346 and City Ordinance 9-90, as amended, by establishing a ten percent (10%) service charge for this project.

Respectfully submitted,  
ALVIN F. HORHN  
Assessor

By Council Member Cockrel, Jr.:

Whereas, Pursuant to the provisions of Act 346 of the Public Acts of 1996, as amended, a request for exemption from property taxes from Southwest Housing Solutions Corporation has been filed, and it has been determined that said sponsors have formed a Limited Dividend Housing Association Limited Partnership; and

Whereas, Said sponsors are constructing 32 rental units, which is being financed in part thru the Michigan State Housing Development Authority and the Federal Home Loan Bank.

Whereas, The purpose of the project is to serve low to moderate-income families, the description of the property is as Exhibit "A".

Now, Therefore, Be It

Resolved, That the said described premises are henceforth entitled to be exempt from taxation but subject to the provisions of a service charge for payment in lieu of taxes as set forth in Act No. 346 of the Public Acts of 1996, as amended, being MCLA 125, 1401, et Seq., MSA 16114 (1) et., seq., and be it further

Resolved, That said described premises shall be allowed a payment in lieu of taxes, (PILOT) or service charge of eight percent (8%) of the annual net shelter rent obtained from the project per City Ordinance 9-90 as amended, having taken effect, and be it further

Resolved, That arrangement to have collections of a payment in lieu of taxes from Scotten Park Limited Dividend Housing Association Limited Partnership, be established upon occupancy of the premises with exemption to begin the subsequent year and continue for future years with respect to the described property and that all necessary journal entries with respect to the same be prepared by the Chief Financial Officer, and be it further

Resolved, That the City Clerk furnish the Finance Department - Assessment Division two certified copies of this resolution.

**RESOLUTION  
IN MEMORIAM  
FOR**

**TED GATZAROS**

By ALL COUNCIL MEMBERS:

WHEREAS, On January 10, 2013 the City of Detroit lost a top-notch business leader, and true advocate for Detroit, Ted Gatzaros. He was one of Detroit's most unique, vivacious and ardent business leaders and champions; and

WHEREAS, Ted, a native of northern-Greece, first arrived in the United States as a teenager. He had humble beginnings in the U.S., but he never shied away from hard work. Ted started out painting buildings in downtown Detroit and pursued an engineering degree at Wayne State University. Ted would go on to start a contracting business along with Jim Pappas. Ted's vision and commitment to the City of Detroit saw him help lead a number of important real estate developments including the International Center Building at 400 Monroe, the Antheneum Suite

Hotel and the Marquette, Blount and Murphy-Telegraph buildings; and

WHEREAS, Ted was a generous contributor to many civic and charitable associations. These include holding board seats on the Detroit Economic Growth Corporation, the Detroit Medical Center and the Central Business District Association. Ted was also a supporter and advisor to many local, state and national political figures. His energy and leadership was most recently recognized in 2012 by Northwood University which awarded he and his wife Maria with Honorary Doctorate Degrees; and

WHEREAS, In 1988 Ted helped lead efforts that eventually resulted in the approval and opening of Detroit's three present-day casinos — paving the way for the creation of thousands of jobs in Detroit. Ted was also one of Detroit's leading restaurateurs. He partnered to open his first restaurant in Cadillac Tower, selling it five years later and shortly thereafter he and his partner opened up Pegasus Taverna in Greektown. His portfolio of restaurants include three area Fishbone's, Wah-Hoo Chinese Restaurant and most recently he opened the refurbished London Chop House together with his son Nico; and

WHEREAS, Ted's interests and contributions transcended his business career. He was an amazing cook who enjoyed hosting and sharing his culinary skills. Ted enjoyed fishing near his home and reading books on economics and politics. His grandchildren were the object of his unconditional affection and love. Ted's many successful business ventures are only exceeded by his devotion to his friends and family. Mourning his passing is his wife and business partner Maria, his children Nico and Ellena, son-in-law Christos Moisesides and three grandchildren; and NOW THEREFORE BE IT

RESOLVED, That Detroit City Council Member Saunteel Jenkins and the entire Detroit City Council hereby join family, friends, and the City of Detroit in honoring the life of Mr. Ted Gatzaros. A true visionary, whose hard work, talents and commitment leave a lasting legacy for our city and our nation.

BROWNIE LOIS MAYBERRY**

By COUNCIL MEMBER JONES:

WHEREAS, Brownie Lois Butler-Mayberry's life began August 19, 1929 in Columbia, Tennessee. She was born to the union of the late Isabelle Fleming-Butler and Alvin A. Butler, Sr.; and

WHEREAS, After graduating from College Hill High School, Brownie was united in matrimony on February 16, 1949 to the late John William Mayberry. Together they brought five beautiful children into this world; Maurice Wayne and Donald Alan who both preceded her in death, Valerie Diane, Debra Tavané and Denise Erica; and

WHEREAS, Music was Brownie's passion and she was an accomplished pianist who worked for Grinnell Brothers Music. She had many talented students to her credit. She loved various musical genres including classical, popular, country-western and of course her all time favorites, spiritual hymns. Brownie absolutely loved to sing "Because He Lives". Brownie was also a prolific writer with published work, she composed poetry and was an avid patron of the arts; and

WHEREAS, Brownie exemplified the role of a devoted Christian. As a young girl, she was introduced to the Methodist church where she began her skills as a pianist. She eventually was baptized into the Church of Christ in Columbia, Tennessee. Brownie continued her Christian journey after moving to Detroit, where she attended the Ford Avenue Church of Christ (now known as the Ford-Linwood Church of Christ). Brownie was one of the original pioneers which helped to establish the Wyoming Avenue Church of Christ; and

WHEREAS, In 1966, the Wyoming Avenue Church of Christ building was complete and Brownie moved her membership and dedicated her life to support her new church home. It was at Wyoming that she enjoyed many years of commitment serving as a choir director, a baptism committee member, mentor, an excellent bible scholar and a faithful member; and

WHEREAS, Brownie loved her family and friends, she leaves to cherish her memory: three daughters, Valerie Diane Davis of Ft. Worth, Texas; Debra Morgan (Gerald) of Detroit, Michigan and Denise Schackelford of Ft. Worth, Texas; one daughter-in-law, Sandra Mayberry (the late Donald Mayberry) of Farmington Hills, Michigan; ten grandchildren, two great-grandchildren and a host of nieces, nephews, cousins and friends. NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council, Office of Councilwoman Brenda Jones, hereby joins with family in honoring the legacy of Brownie Lois Mayberry. May we continue to always remember and honor her.

**REVEREND GERALD T. MILLER**

By COUNCIL PRESIDENT PUGH:

WHEREAS, The Detroit City Council proudly acknowledges Reverend Gerald T. Miller on his Installation as Senior Pastor of Elyton Missionary Baptist Church on Sunday, January 27, 2013. Reverend Miller, an anointed man of God was licensed to ministry on February 11, 1996, and was ordained on October 8, 2000, under the leadership of Reverend Dr. Edward L. Branch, of Third New Hope Baptist Church in Detroit, Michigan; and

Whereas, Reverend Miller has served as a minister of the Gospel for more than 15 years. He has served in many capacities in Christendom and at Third New Hope Baptist Church. From 1996 to 2000 he served as Youth Pastor and provided leadership for more than 300 youth, which has had a positive effect on the lives of many young people. In addition, he started and developed a successful ministry, "Young Men United in Christ" to inspire young men ages 12 to 18 to achieve success in life. Reverend Miller also served as Minister of Christian Education for the Layman of the BM&E State Convention; and

WHEREAS, Reverend Miller has a passion for outreach ministry. He has devoted more than 11 years of service as a preacher/lecturer at the Detroit Rescue Mission, Ryan Correction Facility, and the Better Way Prison Ministry. He has been the recipient of numerous community services awards, including a City of Detroit Award and the Reverend Martin Luther King Jr. Award; and

WHEREAS, Reverend Miller's most recent ministry appointment was at Third New Hope Baptist Church, where he served as Assistant Pastor to Reverend Dr. Edward L. Branch. Currently, he serves as Pastor Elect to Elyton Missionary Baptist Church, where he delivers the Word of God to God's people in a very thoughtful and creative way so that they can receive it, learn of God and apply the principles of God's Word to their everyday lives. Reverend Miller loves his family, he is happily married to his lovely wife Diane Miller for 24-1/2 years, and they are the proud parents of four chil-

dren, eight grandchildren, and two great grandchildren. NOW, THEREFORE BE IT RESOLVED, That the City of Detroit Council hereby joins the congregation of Elyton Missionary Baptist Church in extending congratulations to Reverend Gerald T. Miller on occasion of his Pastoral Installation Service. We commend you and pray for your continuous commitment to inspire and enlighten Detroiters.

**PUBLIC COMMENT:**

**MARIE THORNTON:** Her has concerns re: The Institute for Population Health, Frazer Kanson is a nominee for the Institute; she feels he poses a conflict of interest.

**DAWN DeROSE:** Her concerns re: the State lease proposal for Belle Isle. Everyone wants the City to collect any fees. She would like regular status reports from Council. The City needs revenue to keep control of the park.

**MR. CUNNINGHAM:** He has concerns re: lowering property tax in the City. He would like to see the process to do so cut in half. DTE is also a monopoly. Call the Public Commission Complaint Line at 1-800-292-9555.

**MS. HART-ROBINS:** She would like to know the status of Henry Ford Hospital.

She feels their group cannot move onto final negotiations relative to a contract they want to obtain. She would like them to create a proposed document relative to truck traffic.

**MR. HINDS:** Belle Isle public utilities should be maintained by the Water & Sewerage Department. All other contracts and leases should be made void. A vote of the people is needed if outside contractors are used.

**MRS. PERSON:** She supports City Ownership of Belle Isle. She wants Council to do the right thing for Detroit citizens.

**VALERIE GLENN:** She has concerns with Contract No. 2874833, which deals with a lease agreement for Belle Isle.

**CICELY McCLELLEN:** She feels Belle Isle should not be managed by the State. Council has the ability to fund Belle Isle by recommending fees solely for the island.

**EMMANUEL TOE:** He has concerns regarding high school drop outs. He appreciates what Council did to the Considine Center; wishes that could be done with other recreation centers in the City.

A19000.00 (FMEB).

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that a settlement in the amount of Thirty-Seven Thousand Five Hundred Dollars and No Cents (\$37,500.00) is in the best interest of the City of Detroit.

We, therefore, request authorization to settle this matter in the amount of Thirty-Seven Thousand Five Hundred Dollars and No Cents (\$37,500.00) and that your Honorable Body direct the Finance Director to issue a draft in that amount payable to Weiner & Associates, PLLC, his attorneys, and Kenneth Holt, to be delivered upon receipt of properly execut-

ed Releases and Stipulation and Order of Dismissal entered in Lawsuit No. 11-012446 NI, approved by the Law Department.

Honorable City Council:

Re: Nelson Walker vs. City of Detroit. Case Nos. 12-004561-NO (SLdeJ). Matter No.: A19000.004018.

On January 15, 2013, a case evalua-

tion panel evaluated the above-captioned lawsuit and awarded Twenty Five Thousand Dollars (\$25,000.00) in favor of Plaintiff. The parties have until February 12, 2013 to either accept or reject the case evaluation. Failure to file a written acceptance or rejection within this period constitutes a rejection.

Based upon our review of the facts and particulars of this lawsuit, which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body, it is our considered opinion that acceptance of the case evaluation award is in the best interest of the City of Detroit.

We, therefore, request your Honorable Body to authorize acceptance of the case evaluation award; and, in the event that Plaintiff accepts the award, to direct the Finance Director to issue a draft in the amount of Twenty Five Thousand Dollars (\$25,000.00) payable to Nelson Walker and his attorneys, The Thurswell Law Firm, PLLC, to be delivered upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in Lawsuit No. 12-004561-NO, approved by the Law Department.

## ARTICLES OF INCORPORATION OF THE PUBLIC LIGHTING AUTHORITY

These Articles of Incorporation are executed and adopted by the City Council of the City of Detroit for the purpose of establishing a Public Lighting Authority pursuant to Act 392 of the Public Acts of Michigan of 2012.

### Article I Name

The name of the corporation and Authority is the Public lighting Authority (the "Authority").

## **Article II Definitions**

As used in these Articles of Incorporation, the following words have the following meanings:

**Section 1.** The “Act” means Act 392 of the Public Acts of Michigan of 2012, and such amendments as may be hereinafter adopted.

**Section 2.** “Authority” means the Public Lighting Authority incorporated under these Articles of Incorporation pursuant to the Act.

**Section 3.** “Best Value” means a contract and procurement process to be followed by an authority that encourages and considers bids from locally headquartered companies and that considers use of the local workforce.

**Section 4.** “Board” or “Authority Board” means the Board of Directors of the Authority.

**Section 5.** “Bonds” mean bonds and notes issued by the Authority and includes any Ancillary Facility (as defined in Act) or other financing instruments entered into by the Authority if the facilities are permitted by the contract entered into between the City and the Authority.

**Section 6.** “City” means the City of Detroit, located in Wayne County, Michigan.

**Section 7.** “City Council” means the City Council of the City of Detroit.

**Section 8.** “Lighting System” or “System” means plants, works, instrumentalities, and properties used or useful in connection with providing lighting and necessary resources and appurtenances for the System.

**Section 9.** “Mayor” means the Mayor of the City of Detroit.

**Section 10.** “Utility Users Tax” means the tax levied by the City authorized by Utility Users Tax Act.

**Section 11.** “Utility Users Tax Act” means the City Utility Users Tax Act, Act 100 of the Public Acts of Michigan of 1990, as last amended by Act 393 of the Public Acts of Michigan of 2012.

## **Article III Purpose and Intent**

**Section 1.** It is the intent of these Articles of Incorporation to provide an equitable and reasonable method and means of financing, operating, and maintaining a Lighting System to supply lighting in sufficient quantities to the City.

**Section 2.** The City, by majority vote of its City Council, hereby incorporates the Authority comprising the territory within its respective limits for acquiring, constructing, consolidating, purchasing, operating or maintaining a municipally owned Lighting System. The Authority is a public municipal corporation with the rights, powers, and duties as provided by the Act.

**Section 3.** The powers of the Authority shall be carried out in a manner authorized by the Act.

**Section 4.** Nothing in the Act or these Articles of Incorporation shall be construed as transferring the ownership of any Lighting System assets to the Authority unless the transfer is specified in these Articles of Incorporation and the transfer is ratified in accordance with all applicable laws.

**Section 5.** A transfer of ownership or operational control of a Lighting System to the Authority shall not be considered a sale, lease, or disposal of any kind of an asset by the City under any state or local law.

## **Article IV Franchises**

**Section 1.** Nothing in these Articles of Incorporation shall be considered to alter the laws and regulations regarding utility franchises unless explicitly stated. The creation of the Authority shall not be considered to create a new franchise as long as the Authority only provides service within the City and any area that the City may be serving or permitted to serve under law on the effective date of the Act.

## **Article V Powers, Duties and Limitations**

**Section 1.** The Authority is a public municipal corporation. The Authority is a public body corporate with the power to sue and be sued in any court of this state. The Authority possesses all the powers necessary to carry out the purposes of its incorporation. The enumeration of any powers in the Act or in these Articles of Incorporation shall not be construed as a limitation on the Authority's general powers.

**Section 2.** The Authority may do any of the following:

- a. Adopt bylaws for the regulation of the Authority's affairs and the conducting of its business.
- b. Adopt an official seal and alter the seal at its pleasure.
- c. Maintain an office at a place or places within the City as it may designate.
- d. Sue and be sued in its own name, plead and be impleaded.
- e. Determine the location of any project constructed by it under the Act and determine

- in its discretion and without reference to any other provisions of the Act or any other law, the design, standards, and the materials of construction, and construct, maintain, repair, and operate the project.
- f. Issue Bonds of the Authority for any of its corporate purposes under those means as provided by the Act.
  - g. Adopt and promulgate rules and regulations for the use of any project operated or constructed by it under the provisions of the Act.
  - h. Acquire, hold, lease and dispose of real and personal property in the exercise of its powers and the performance of its duties under the Act.
  - i. Engage engineering, legal, and other professional services as considered necessary to effectuate the purpose of the Authority.
  - j. Enter into contracts for any purpose necessary or incidental to its purposes under the act, including, but not limited to contracts with the City necessary for financing the Lighting System.
  - m. The Authority shall possess all powers necessary to carry out the purpose of its incorporation, including any powers authorized by the Act or the incidental power necessary thereto.

**Section 3.** The Authority shall maintain its books and records and its funds on an enterprise fund basis. The Authority shall not pay any net proceeds or profits to the City, but may pay the City for services provided.

**Section 4.** Following the appointment of the Authority Board, the Board shall implement a Best Value supply chain and procurement practice and shall annually report thereon to the City Council.

#### **Article VI** **Authority Board**

**Section 1.** The Authority shall be directed and governed by a Board of Directors consisting of 5 members appointed as provided by the Act.

**Section 2.** The Board shall consist of members with the qualifications as required by the Act. Such Board members shall be appointed and serve terms of service as provided by the Act.

**Section 3.** Each Board member shall make such certifications as required by the Act. A person shall not begin service as a Board member until he or she completes and files the certification with the Michigan Attorney General as required under this Article.

**Section 4.** If the required certification is not filed by a Board member as required by the Act as described in a report of the Michigan Attorney General, the term of office for that Board member who fails to make the required certification as required by the Act shall automatically terminate as required by the Act.

#### **Article VII** **Authority Organization**

**Section 1.** Within 30 days following the appointment of the last Board member to the Board, the Board shall hold its first meeting.

**Section 2.** At its first meeting, the Board shall select a chairperson, treasurer, and any other officers as the Board considers necessary. The Board shall require the treasurer to post a suitable bond of not less than \$100,000.00 issued by a responsible bonding entity, with the cost of the premium of the bond paid for by the Authority.

**Section 3.** The Board shall select, employ, and fix the compensation for employees of the Board and contract for those engineering, legal, and other professional services that the Board considers necessary to effectuate the purposes of the Authority.

**Section 4.** A majority of the members of the Board constitute a quorum for the purpose of conducting business and exercising powers of the Authority. Official action may be taken by the Authority upon the vote of a majority of the Board members present.

**Section 5.** The Board shall adopt rules and bylaws governing its procedures and the holding of meetings. The Board shall designate an office or location within the City as its principal place of business.

**Section 6.** The business of the Board shall be conducted at a public meeting of the Board held in compliance with the Open Meetings Act, 1976 PA 267, MCL 15.261 to 15.275. Public notice of the time, date, and place of the meeting shall be given in the manner required by the Open Meetings Act, 1976 PA 267, MCL 15.261 to 15.275. After organization, the Board shall adopt a schedule of regular meetings and adopt a regular meeting date, place, and time.

**Section 7.** The Board shall keep a written or printed record of each meeting, which record and any other document or record prepared, owned, used, in the possession of, or retained by the Authority in the performance of an official function shall be made available to the public in compliance with the Freedom of Information Act, 1976 PA 442, MCL 15.231 to 15.246.

**Section 8.** The Board shall provide for a system of accounts for the Authority to conform to a uniform system required by law and for the auditing of the account of the

Authority. The Board shall obtain an annual audit of the Authority by an independent certified public accountant and report on the audit and auditing procedures in the manner provided by Sections 6 to 13 of the Uniform Budgeting and Accounting Act, 1968 PA 2, MCL 141.426 to 141.433. The audit also shall be in accordance with generally accepted government auditing standards and shall satisfy federal regulations relating to federal grant compliance audit requirements.

**Section 9.** The Board shall provide a monthly progress report to the Mayor and the City Council and shall make that monthly progress report available on the Authority's internet website.

**Section 10.** The Board shall provide an annual progress report to the chairpersons of the Michigan Senate and House Government Operations Committees and shall make that annual progress report available on the Authority's internet website. The annual progress report shall detail the Authority's operating revenues, expenditures, vendor contracts, and all major decisions on lighting within the City, including all rulings concerning the future locations of streetlights within the City.

#### **Article VIII Lighting System Planning**

**Section 1.** On or before March 15 after the creation of the Authority, and on or before March 15 of every second year after the creation of the Authority, the Board shall prepare and submit to the City Council a plan for the next 3 succeeding fiscal years. The plan shall contain all of the following:

- a. The number and placement of streetlights in the City.
- b. A budget that includes, but is not limited to, the following:
  - i. Anticipated expenses of administration, operation, and maintenance of the Authority and the Lighting System.
  - ii. Any reserve to be established for the administration, operation, and maintenance of the Authority and the Lighting System.
  - iii. A statement showing the amounts necessary to retire all principal and interest on any Bonds of the Authority maturing during the applicable fiscal years.
  - iv. A plan to implement Best Value practices.
  - v. Any other item specified in these Articles of Incorporation.
- c. The budget prepared by the Authority shall provide that any money derived from the collection of rates and charges shall be applied and used by the Authority in the following manner and in the following priority:
  - i. To provide for the payment during each fiscal year of all current expenses of administration, operation, and maintenance as may be necessary to preserve the Lighting System in good repair and working order, including payments required under Bonds incurred in accordance with the authorization contained in the Act.
  - ii. In the discretion of the Board, there may be set aside during each fiscal year money to provide a reserve fund for replacements or major repairs and improvements not anticipated or considered to be a part of current expenses of administration, operation, or maintenance of the Lighting System.

**Section 2.** The City Council may vote to accept or reject the plan as provided by the Act. The City Council does not have the power to amend the plan in any respect. Unless the City Council votes to reject the plan within 45 days of its submittal, the plan is considered approved.

**Section 3.** If the City Council rejects the plan as provided in Section 2, the Authority shall revise the plan and shall submit the revised plan to the City Council within 30 days of the vote that rejected the plan as provided by the Act.

**Section 4.** The City Council may vote to accept or reject the revised plan within 30 days of its submittal as provided by the Act. Unless the City Council votes to reject the revised plan, the revised plan is considered approved as provided by the Act.

**Section 5.** If the City Council votes to reject the revised plan, the City Council must contemporaneously adopt, by a vote of at least 2/3 of the members of the City Council elected and serving, a resolution that includes a list of items that, if altered, would result in a vote to adopt the plan as provided by the Act. Failure to adopt a resolution in compliance with this Section is considered acceptance of the revised plan by the City Council as provided by the Act.

**Section 6.** If the City Council votes to reject the revised plan and submits the required resolution as provided in Section 5, the Authority shall prepare a final proposed plan not more than 20 days following the vote to reject the revised plan. The final proposed plan shall be sent to the Mayor, and the Mayor shall make the final proposed plan available on the City's internet website as soon as is practicable. The final proposed plan shall also be made available at a public hearing to be held not more than 10 days after the final proposed plan is complete. Public comment shall be taken at the public hearing concerning the final proposed plan. On or after the tenth day after the public hearing, the Authority shall vote on the final proposed plan.

**Section 7.** Except as otherwise provided in this Section, if 2/3 of the Board members of the Authority vote to adopt the final proposed plan, it is adopted. If the final proposed plan incorporates a majority of the items identified in the appropriate resolution or resolutions adopted by the City Council, then the final proposed plan is adopted if approved by a majority vote of the Board of Directors of the Authority.

**Section 8.** If a plan is not adopted on or before July 1 of the year in which a plan is required to be prepared under Section 1, then the adopted plan shall be the final proposed plan, except that all changes identified in the resolution of the City Council submitted under Section 5 are considered amendments to the final proposed plan so that the plan as adopted contains all changes listed in the resolution from the City Council.

**Section 9.** A plan adopted by the Board may be amended by a vote of 4 of the 5 members on the Board as provided by the Act.

#### **Article IX Fiscal Year**

**Section 1.** Unless the Board, by resolution, establishes a different fiscal year, the fiscal year of the Authority shall commence on July 1 of each year and end on the following June 30.

#### **Article X Employment Relations**

**Section 1.** The City has the responsibility, authority, and right to manage and direct on behalf of the public the services performed or exercised as provided in these Articles of Incorporation to the extent the Articles of Incorporation are consistent with, and not otherwise limited by, the Act.

**Section 2.** The contents or language of these Articles of Incorporation shall be a permissive subject of collective bargaining between the City and a bargaining representative of its employees. If the City and a bargaining representative of its employees engage in collective bargaining before these Articles of Incorporation are approved and the City and that bargaining representative reach an agreement on issues that would obligate an entity that will function as an employer the Authority, these Articles of Incorporation shall include those obligations.

**Section 3.** Nothing in these Articles of Incorporation creates an employment relationship between the existing employees of the City and the Authority.

**Section 4.** The Authority shall be effective through these Articles of Incorporation at least 180 days before the actual transfer of an City personnel and equipment. Before the Authority's effective date, the City shall affirm in writing to the Authority those City employees, if any, who will be transferred to the Authority.

**Section 5.** If any City employees who are to be transferred to the Authority are represented by a labor organization, those employees are subject to their previous terms and conditions of employment until those terms and conditions of employment are modified in accordance with 1947 PA 336, MCL 423.201 to 423.217, or for 6 months after the transfer to the Authority, whichever is earlier. Negotiations on a collective bargaining agreement with the Authority shall begin no later than 180 days before the date that such represented City employees, if any, transfer to the Authority.

**Section 6.** Subject to Section 7, a representative of the City employees or group of employees who previously represented or was entitled to represent the City employees or group of employees under 1947 PA 336, MCL 423.201 to 423.217, shall continue to represent the City employees or group of employees if those employees or group of employees are transferred to the Authority.

**Section 7.** This Section does not limit the rights of City employees, under applicable law, to assert that a bargaining representative protected by Section 6 is no longer their representative. The employees of the Authority are eligible as of the day the Authority becomes effective through these Articles of Incorporation to choose their representative under 1947 PA 336, MCL 423.201 to 423.217. This Section does not extend the time limits as approved in Section 4.

**Section 8.** If multiple labor organizations assert the right to represent all or part of the Authority's workforce or where a substantial portion of the transferred employees were not previously represented, in the absence of a voluntary mutual agreement, at the request of any party or on the initiative of the Michigan employment relations commission the Michigan employment relations commission shall conduct a representation election.

**Section 9.** In the absence of a voluntary mutual agreement, the Authority's workforce shall be merged by using a single seniority list in accordance with the Act. Disputes concerning the single seniority list or its use shall be heard in the manner provided for by the Act.

**Section 10.** Nothing in this Section requires the City or the Authority to assume a collective bargaining agreement between another local government and its employees.

**Section 11.** An employee who left the employ of the City to enter the military service of the United States shall have the same employment rights as to the City or the Authority as he or she would have had under 1951 PA 263, MCL 35.351 to 35.356.

**Article XI**  
**Authority Borrowing and Bonds**

**Section 1.** For the purpose of constructing, acquiring, improving, enlarging, or extending a Lighting System, including the payment of engineering, legal, and financing expenses, and after the establishment of the initial service rates and the execution of contracts for the provision of construction services, purchase of power, and other related activities within the corporate limits of the Authority, the Authority may borrow money and issue Bonds and Notes for the purposes provided by the Act subject to limitations provided by the Act. The Authority may also enter into Ancillary Facilities and Contracts, including trust indentures and contracts with the City relating to such Bonds and Notes as provided by the Act.

**Article XII**  
**Public Purpose**

**Section 1.** The property of the Authority is public property devoted to an essential public and governmental purpose. Income of the Authority is for a public and governmental purpose.

**Section 2.** Except as otherwise provided in this Section or by law, the property of the Authority and its income, activities, and operations are exempt from all taxes and special assessments of this state or a political Subsection of this state. Property of the Authority and its income, activities, and operations that are leased to private persons are not exempt from any tax or special assessment of this state or a political subdivision of this state. Property of the Authority is exempt from any ad valorem property taxes levied under the General Property Tax Act, 1893 PA 206, MCL 211.1 to 211.155, or other law of this state authorizing the taxation of real or personal property, The Authority is an entity of government for purposes of Section 4a(1)(a) of the General Sales Tax Act, 1933 PA 167, MCL 205.54a, and Section 4(1)(h) of the Use Tax Act, 1937 PA 94, MCL 205.94.

**Article XIII**  
**Implementation**

**Section 1.** As provided in the Utility Users Tax Act, upon the formation of the Authority, notwithstanding any ordinance of the City to the contrary, the City shall pay \$12,500,000.00 annually to the Authority from the proceeds of the Utility Users Tax. If the Authority issues Bonds pursuant to a contract with the City and pledges revenues from Utility Users Tax, those revenues shall be deposited and used as provided Utility Users Tax Act. After a contract is entered into with the City relating to Bonds pursuant to the Utility Users Act, the trustee, after setting aside funds as required by the trust indenture, shall pay to the Authority \$12,500,000.00, less the amount set aside. The trust indenture shall provide that the remaining revenues be returned to the City. Nothing in these Articles of Incorporation shall obligate the City to remit to the Authority more than is collected from taxes levied under the Utility Users Tax Act.

**Section 2.** As provide by the Utility Users Tax Act, notwithstanding any ordinance of the City, if the City enters into a contract with the Authority, all of the following shall apply:

- a. The City shall send notice to each public utility and resale customer (each as defined in the Utility Users Tax Act) to remit taxes collected under the Utility Users Tax Act to a trustee until notified by that trustee to return the funds to the City.
- b. After receiving a notice described in subdivision (a), each public utility and resale customer so notified shall remit taxes as directed by the notice to the trustee until notified by the trustee to remit taxes to the City.
- c. The trustee shall notify each public utility and resale customer to remit taxes collected under the Utility Users Tax Act to the City within 45 days of the retirement of debt service on the Bonds issued by the Authority.

**Section 3.** Notwithstanding any ordinance of City, any utility, resale customer, other entity, or person that collects a tax or any money represented to be a tax authorized under the Utility Users Tax Act holds the amount so collected in trust for the benefit of the City, or for Bondholders secured by a pledge with the Authority.

**Article XIV**  
**Best Value Objectives**

**Section 1.** The Board shall provide for a contract and procurement process to be followed by the Authority that encourages and considers bids from locally headquartered companies and that considers use of the local workforce.

**Article XV**  
**Miscellaneous**

**Section 1.** The Authority may acquire property for a Lighting System by purchase, construction lease, gift, or devise, either within or outside the City. The Authority may hold, manage, control, sell, exchange, or lease the property, except that if the property at issue was purchased, constructed, gifted, devised, leased, or otherwise came into the Authority's ownership or control from the City, the Authority may not sell, exchange, or otherwise dispose of the property unless the other party to the transaction is the City so that the property will return to the ownership of the City.

**Section 2.** The City Council may advance or loan to the Authority any money required for administrative expenses or for the purpose of obtaining maps plans, designs, specifications, and cost estimates of a proposed Lighting System. An advance or loan shall be included as a part of any Bond issue by the Authority under the Act and repaid to the City upon the sale of the Bonds.

**Section 3.** The powers granted under the Act and these Articles of Incorporation are in addition to those granted by any charter or statute.

**Section 4.** The Act and these Articles of Incorporation shall be liberally construed in the interest of the public health, safety, and welfare of the persons and property within the City.

**Section 5.** These Articles of Incorporation may be amended by a majority vote of the City Council in the same manner that these Articles of Incorporation were adopted; provided, however, that no such amendment shall impair any obligation related to Bonds.

**Section 6.** One printed copy of these Articles of Incorporation certified as a true copy by the person or persons designated by the certification, with the date and place of the publication, shall be filed with the Michigan Secretary of State and the Wayne County Clerk. The Authority shall become effective upon the filing with the Secretary of State and the County Clerk. The City Clerk shall publish these Articles of Incorporation in a newspaper that is used for publication of other legal notices of the City.

**Section 7.** The validity of the Authority is conclusively presumed unless questioned in an original action filed in the Michigan Court of Appeals within 60 days after the creation of the Authority.

The foregoing Articles of Incorporation were adopted by the City Council of the City of Detroit, Wayne County Michigan, at a meeting held on the 5th day of February, 2013.

**Taken from the Table**

Council Member Jenkins moved to take from the table a proposed ordinance to amend Chapter 61 of the 1984 Detroit City Code, 'Zoning,' commonly known as the Detroit Zoning Ordinance, by amending Article XVII, District Map No. 43, to show a P1 (Open Parking District) zoning classification where an R2 (Two-family Residential) zoning classification is currently shown on the four vacant lots generally located to the north of Michigan Avenue on the northwest corner of Jackson Street and 35th Street located at 3881, 4007, 4013 and 4019 35th Street to allow for an accessory parking lot with landscaping and an opaque fence to serve the existing 5716 Wellness Center located on Michigan Avenue and 35th Street, laid on the table January 15, 2013, which motion prevailed.

(Effective on the eighth (8) day after publication.)

The Ordinance was then placed on the order of third reading.

**THIRD READING OF ORDINANCE.**

The title to the Ordinance was read a third time.

The Ordinance was then read.

The question being "Shall this Ordinance Now Pass?"

The Ordinance was passed, a majority of the Council Members present voting therefore as follows:

Adopted as follows:

**City Planning Commission**

January 26, 2013

Honorable City Council:

Re: Zoning Ordinance, Chapter 61, Article XVII, District Map No. 3 — Request of Midtown Detroit Inc. and the Planning and Development Department to rezone 627, 635, 643, 655, 667, and 677 West Alexandrine Avenue from an R5 (Medium Density Residential District) zoning classification to an SD1 (Special Development District, Residential/Commercial) zoning classification. (Recommend approval).

**BACKGROUND AND PROPOSED DEVELOPMENT**

Midtown Detroit Inc. and the Planning and Development Department are requesting to show an SD1 (Special Development District, Residential/Commercial) zoning classification where an R5 (Medium Density Residential District) zoning classification is shown on Map No. 3 of Chapter 61, Article XVII of the 1984

Detroit City Code, Zoning, for the area generally bounded by West Alexandrine Street, the north-south alley east of Third Avenue, the east-west alley south of West Alexandrine Street, and the rear lot line of the commercial properties on the west side of Second Avenue. The specific addresses are 627, 635, 643, 655, 667, and 677 West Alexandrine.

This proposed change is being requested to facilitate the conversion of an existing building to a "bar," Alley Wine, and to generally allow residential-commercial (mixed-use) developments in the area. Bars are prohibited in R5, but permitted on a conditional basis in SD1.

The SD1 zoning district, as it is presently described in the Zoning Ordinance, allows a mixture of uses, focusing on residential. If the subject properties are rezoned, the current residential uses in the subject area would continue as conforming uses. It should be noted that a broad amendment to the SD1 and SD2 (Special Development District, Commercial/Residential) zoning districts is in the process of being prepared. Parallel with this proposed West Alexandrine map amendment, a very brief text amendment to the zoning ordinance has been concurrently prepared to declassify bars as a regulated use in the SD1 district.

**MASTER PLAN REVIEW**

The Master Plan "future general land use" designation for this area is RLC (Residential/Local Commercial). Insofar as the Planning and Development Department (P&DD) is a co-petitioner for this rezoning, CPC staff understands the proposed rezoning to be consistent with the Master Plan. P&DD is custodian of the Master Plan.

**PUBLIC HEARING RESULTS**

At the November 1, 2012 City Planning Commission public hearing on this matter, five (5) persons spoke, four (4) in support and one (1) in opposition. The concern expressed was with regard to the use of the alley to access the site. Also discussed was the proposed "bar" use, but the rezoning would of course, allow any of the 21 by-right and the 31 conditional uses allowed in SD1, and there is no guarantee that the proposed use will open. That particular use is subject to a special land use hearing, and specific operational conditions would be imposed then. At a previous community meeting concern was expressed by an adjacent resident about potential noise from the commercial uses allowed in the SD1 district.

**ANALYSIS**

The CPC finds the requested rezoning of the parcels from R5 to SD1 to be reasonable. The Midtown area is becoming reinvigorated and allowing a mixture of commercial and residential uses is desir-

able. This rezoning is seen as the first step in a much larger rezoning of the Midtown area west of Woodward Avenue to SD1 and SD2. This will likely be undertaken upon completion of the text amendments to SD1 and SD2.

**REVIEW**

In accordance with the rezoning approval criteria of the Zoning Ordinance (Sections 61-3-80), reviews of proposed rezonings should be conducted in light of the following relevant criteria, with staff's analysis following in italics:

(1) Whether the proposed amendment corrects an error or meets the challenge of some changing condition, trend or fact; *the Midtown area is being redeveloped, and the vision is for more mixed-use development.*

(2) Whether the proposed amendment is consistent with the Master Plan and the stated purposes of this Zoning Ordinance; *Yes.*

(6) Whether the proposed amendment will have significant adverse impacts on other property that is in the vicinity of the subject tract; *The potential addition of commercial uses to the existing residential area must be carefully evaluated. The areas immediately east, west, and south of the subject area are presently commercial, so this will not be a new element in the area.*

(7) The suitability of the subject property for the existing zoning classification and proposed zoning classification; *It appears appropriate.*

(8) Whether the proposed rezoning will create an illegal "spot zone." *No.*

**RECOMMENDATION**

The City Planning Commission (CPC) finds the request to be in compliance with the rezoning criteria and evidence of strong public support. The CPC took action at it November 15, 2012 meeting to recommend the approval of the requested rezoning from R5 to SD1.

**City Planning Commission**

January 26, 2013

Honorable City Council:

Re: Zoning Ordinance Map Amendment (Chapter 61, Article XVII, Map No. 25 of the 1984 Detroit City Code) — request to rezone five (5) parcels identified as 9607, 9615, 9621, 9627 and 9641 Traverse Avenue generally bounded by Grinnell Avenue to the north, Grace Avenue to the east, Traverse Avenue to the south and Raymond Avenue to the west, from an R1 (Single-Family Residential District) to an M2 (Restricted Industrial District) zoning classification (RECOMMEND APPROVAL).

**BACKGROUND**

A rezoning request to amend District Map No. 25, which presently shows an R1 (Single-Family Residential District) zoning classification, to show an M2 (Restricted Industrial District) zoning classification, has been submitted by Mrs. Karen Flisnik of Purvis and Foster, Inc. Boilers and Pressure Vessels to allow for the construction of a storage warehouse facility to store vehicles, steel and machinery as a part of their ongoing operations on the parcel identified as 9640 Grinnell Avenue utilizing the existing footprint of the previously demolished structure, which is con-

sidered a by-right manufacturing and industrial use in the M2 district zoning classification (per Sec. 61-10-37(25) and Sec. 61-10-37(28) of the Zoning Ordinance).

The subject area consists of five parcels, one of which was purchased from the City of Detroit's Planning and Development Department on February 3, 2012 (9607 Traverse Avenue). The remaining parcels are identified as 9615, 9621, 9627, 9641 Traverse Avenue. 9607 Traverse Avenue, previously was the site of a one-story masonry commercial structure (formerly Chucky's Trucking), which sat vacant and blighted for a number of years. Once purchased by the petitioner the structure was demolished in April of 2012. The site since has been cleared and prepped for construction.

Presently, the subject properties are located directly to the south of an open east-west alley which runs from Grace Avenue to Raymond Avenue, south of the primary location of the Purvis and Foster warehouse, offices and operations. The subject property is currently zoned R1 (Single-Family Residential), which does not allow for "Wholesaling, warehousing, storage buildings, or public storage house" uses.

Construction of a new storage warehouse facility on the lot at 9607 Traverse is being sought due to the growing demand for the petitioner's services, which has caused them to outgrow their current warehouse facility located at 9640 Grinnell Avenue. Since 1932 Purvis & Foster, Inc. has serviced hospitals, schools, churches, apartment complexes, commercial buildings, marine, locomotive and industrial facilities in the Detroit and surrounding southeast Michigan areas for all their welding, and broiler service and repair needs. The remaining parcels (9615, 9621, 9627 and 9641 Traverse Avenue) will remain fenced, landscaped maintained and be utilized for green space.

#### **SCOPE AND IMPACT OF THE PROPOSAL**

Section 61-3-80 of the Detroit Zoning Ordinance lists eight criteria that must be considered in making recommendations and decisions on rezoning requests. The current zoning classification of R1 does not allow for the construction of a "storage warehouse facility." The proposed zoning of M2 does allow for construction of a new storage warehouse facility along with 104 other civic, institutional, retail, service, commercial, manufacturing and light industrial uses on a by-right basis.

#### ***Suitability of the Property***

One of the aforementioned criteria for rezonings states, "The suitability of the subject property for the existing zoning classification and proposed zoning classification." Zoning Map No. 25 generally shows a mix of R1 (Single-Family

Residential) and M2 (Restricted Industrial District) zoning classifications comprised primarily of scattered residential and contiguous tracts of industrial and/or manufacturing uses on the north, south, east and west for several blocks of the subject property. This section of Traverse Avenue is primarily developed with industrial complexes with a mix of single-family homes with very few vacant residential and commercial lots. An M2 (Restricted Industrial District) zoning classification is generally located to the north of the subject property along Grinnell Avenue which runs east and west for several blocks. To the east of the subject properties on land zoned R1 there are currently commercial, industrial and residential uses among which include Able Demolition and Disposal. Immediately to the west of the subject properties on land also zoned R1 are commercial, industrial and parking uses which include but not limited to Williams Electric and Motor City Electric companies.

In the near future the City Planning Commission (CPC) may be seeking to rezone a larger portion of this area to bring the aforementioned establishments as well as others into conformance with the Master Plan of Policies.

#### ***Land Use***

The CPC notes that an M2 (Restricted Industrial District) zoning classification is an appropriate designation consistent with the main property located at 9640 Grinnell, which will allow for the construction and operation of a warehouse and/or storage building on a by-right basis and that M2 is the least intensive zoning district classification considering the desired intent of the petitioner.

#### ***Significant Impact on Other Property***

The CPC is of the opinion that the rezoning of this property and the potential development, which is pending, would add to the stability of the surrounding community by providing an occupied structure along with a gated green space on land which was previously vacant and blighted. The proposed development will create temporary construction jobs as well as provide additional space for a growing company, which presently provides full-time employment opportunities for residents in the area and the City of Detroit in general.

#### **CITY PLANNING COMMISSION PUBLIC HEARING**

On October 4, 2012, the City Planning Commission held a public hearing on the subject rezoning request. Two members of the public spoke in favor of the proposed request. No one spoke in opposition to the proposed request. The Commissioners raised no major questions or comments about the proposed project.

#### **MASTER PLAN CONFORMANCE**

The subject site is located within the

Airport area of Neighborhood Cluster 1 of the Detroit Master Plan of Policies. The Future Land Use map for this area shows Low-Medium Residential for the subject property. Mr. Evans of the Planning and Development Department was present at the CPC public hearing and verbally reported that there were no objections to the proposed rezoning request and that due to the nature of the request and proposed development no amendment to the Master Plan of Policies would be necessary.

#### RECOMMENDATION

On October 18, 2012 the City Planning Commission voted to recommend **APPROVAL** of the rezoning request to amend District Map No. 25, Article XVII, Chapter 61 of the 1984 Detroit City Code to show an M2 zoning classification where an R1 zoning classification is presently shown on five (5) parcels identified as 9607, 9615, 9621, 9627 and 9641 Traverse Avenue generally bounded by Grinnell Avenue to the north, Grace Avenue to the east, Traverse Avenue to the south and Raymond Avenue to the west. The Zoning Ordinance map amendment has been approved as to form by the Law Department and is attached for your consideration.

## City Planning Commission

January 26, 2013

Honorable City Council:

Re: Request by Midtown Detroit Inc. for a text amendment to the Detroit Zoning Ordinance, Chapter 61 of the 1984 Detroit City Code, to exempt establishments for the sale of beer or intoxicating liquor for consumption on the premises ("bars") located in the SD1 (Special Development District, Residential/Commercial) zoning district from being "Regulated Uses". (Recommend approval).

### SCOPE OF THE ORDINANCE

Midtown Detroit Inc. is requesting a text amendment to Sec. 61-3-253 of the Detroit Zoning Ordinance, which is Chapter 61 of the 1984 Detroit City Code, to exempt establishments for the sale of beer or intoxicating liquor for consumption on the premises ("bars") located in the SD1 (Special Development District, Residential/Commercial) zoning district from being "Regulated Uses." Specifically, Sec. 61-3-253(4) would read "Establishment for the sale of beer or intoxicating liquor for consumption on the premises, outside the Central Business District and outside the SD1, SD2 and SD5 Districts" (See attached ordinance). This would remove the spacing requirement between such uses when located in this zoning district, among others.

### REGULATED USES

The Zoning Ordinance classifies ten land uses under the rubric of Regulated Uses:

- (1) Brewpub outside the Central Business District and microbrewery outside the Central Business District and small distillery outside the Central Business District that serve alcohol for consumption on the premises
- (2) Cabaret, outside the Central Business District and SD5 District
- (3) Dance hall, public, outside the Central Business District
- (4) Establishment for the sale of beer or intoxicating liquor for consumption on the premises, outside the Central Business District and outside the SD2 and SD5 Districts
- (5) Hotel, outside the Central Business District and SD5 District
- (6) Lodging house, public
- (7) Motel
- (8) Pawnshop
- (9) Plasma donation center
- (10) Secondhand store and second-hand jewelry store.

Chapter 61 further specifies that not more than two Regulated Uses should be located within a 1,000-foot radius. This spacing requirement is designed to avoid the creation of a "skid row" type area — a corridor of blight and deterioration — and the over-concentration of potentially deleterious uses in a given neighborhood.

Where a Regulated Use is proposed in

an area already over-concentrated by Regulated Uses, the applicant typically has to go through a special land use hearing at the Buildings, Safety Engineering and Environmental Department for consideration of the land use and then a subsequent public hearing at the Board of Zoning Appeals for a variance from the location/spacing requirement.

### PUBLIC HEARING RESULTS

At the November 1, 2012 City Planning Commission (CPC) public hearing on this matter, there was discussion about the existing controls on Regulated Uses. Staff explained that Regulated Uses, and specifically "bars" in the SD1 zoning classification, require a special land use hearing. It is at those hearings where location-specific issues could be addressed. One member of the public spoke, who also raised concerns about the perceived allowance of "bars" on a by-right basis in neighborhoods. Staff explained that bars would still require a special land use hearing at the Buildings Safety Engineering and Environmental Department. (If a bar provided live entertainment or allowed patron dancing, the zoning Ordinance would classify it as a cabaret, which is a use that is prohibited in the SD1 District.

### RATIONALE

This request for a text amendment is in conjunction with the R5 (Medium Density Residential District) to SD1 (Special Development District, Residential/Commercial) rezoning being requested for West Alexandrine between Second and Third Avenues. One of the likely developments in that area is a bar, and Midtown Detroit Inc. feels that given the redevelopment of the Midtown area and the influx of restaurants and bars into the area, removing the spacing requirements will facilitate the opening of more venues.

In the Central Business District and the SD2 (Special Development District, Commercial/Residential) district, "bars" are already exempted from being a Regulated Use, and the anticipated rezoning request for the broader Midtown area will be to SD1 and SD2 — SD1 along the east-west streets that are more residential in nature, and SD2 for the more commercial north-south streets, like Woodward, Cass, Second, and Third Avenues.

### ANALYSIS

When considering an amendment to the text of the zoning ordinance, Sec. 61-3-59 lists the approval criteria. They are, with staff's comments following in italics:

- (1) Whether the proposed amendment is consistent with the stated purposes of this Zoning Ordinance. *It does appear to be,*
- (2) Whether the proposed amendment will protect the health, safety, or general welfare of the public. *Given the nature of the area, removing the spacing requirement for bars should not harm the public. The use will still require a special land use*

hearing, so the public will have the opportunity to voice their opinion as to whether the use is appropriate for a given site.

(3) Whether the proposed amendment corrects an error or meets the challenge of some changing condition, trend or fact. *The community organization feels that the nature of the area is changing and there is less fear of bars creating a "skid row" atmosphere, requiring the spacing requirement.*

The City Planning Commission anticipates future requests for rezonings to SD1 and the compatibility of those area with the requested accommodation via this text amendment, with the nature of the district. The amendment is consistent with text amendment criteria and seems reasonable.

**RECOMMENDATION**

The CPC took action at its November 15, 2012 meeting to recommend the approval of the requested text amendment.

Whereas, Kirco Ventures, LLC. has requested that this City Council establish an Industrial Development District in the area bounded by Marquette (N), Rosa Parks (W), Trumbull (E) and Grand Trunk

Railroad (S) Detroit, Michigan, the area being more particularly described in the map and legal description attached hereto; and

Whereas, Act 198 requires that, prior to establishing an Industrial Development District, the City Council shall provide an opportunity for a hearing on the establishment of the District, at which a representative of any jurisdiction levying *ad valorem taxes*, or any owner of real property within the proposed District, or any other resident or taxpayer of the City of Detroit may appear and be heard on the matter; and

Whereas, A public hearing was conducted before City Council on January 24, 2013, for the purpose of considering the establishment of the proposed Industrial Development District described in the map and legal description attached hereto; and

Whereas, No impediments to the establishment of the proposed District were presented at the public hearing.

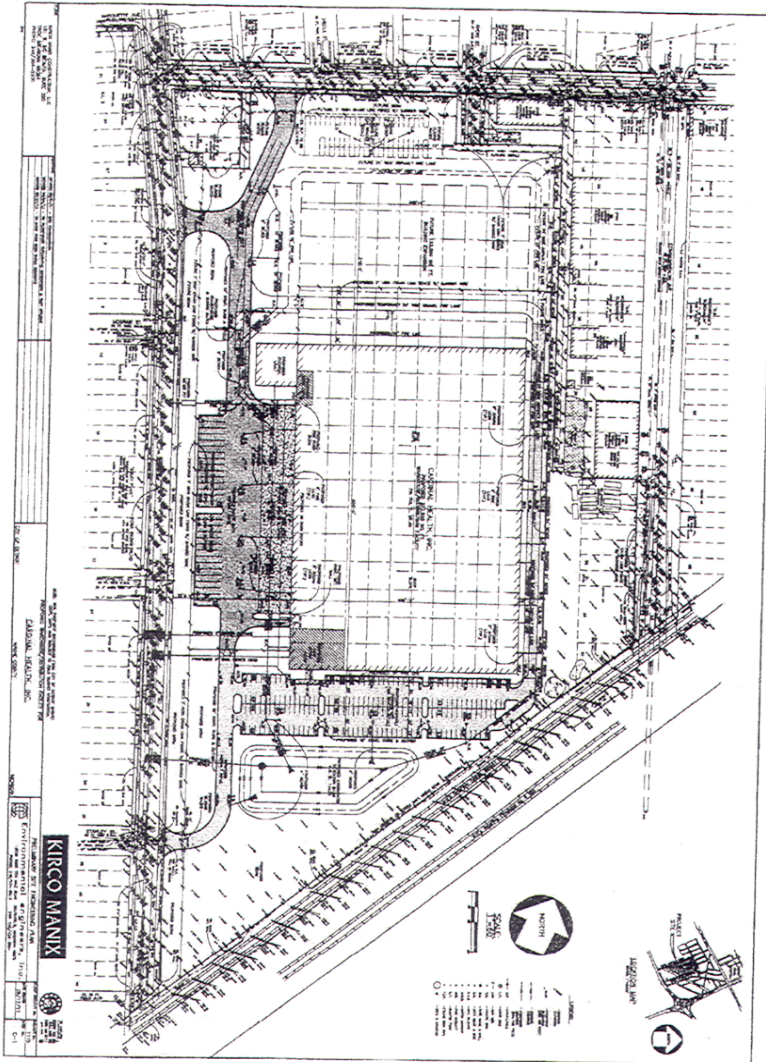

Now Therefore Be It

Resolved, That the Industrial Development District more particularly described in Exhibit A, attached hereto, is hereby approved and established by this City Council in accordance with Public Act 198 of 1974.

**City Planning Commission**

January 26, 2013

Honorable City Council:

Re: Special District Review, for installation of two on-premises business signs on the Joe Louis Arena in a PC (Public Center District) zoning classification (Departmental Report).  
 The staff of the City Planning Com-

mission (CPC) is reviewing a sign permit application for two (2) business signs to be affixed to the Joe Louis Arena at 600 Civic Center Drive. The building permit was submitted on behalf of Olympia Entertainment. The PC (Public Center District) zoning classification in which the site is located calls for City Council approval of the location and design of exterior modifications following the review and recommendation of CPC (Section 61-11-76 of the Zoning Ordinance). CPC and Planning and Development Department (PDD) staff are finalizing our respective reviews to the application.

**PROPOSED SIGN**

The wall signs are proposed to be located over the stairways on the eastern

and western sides of the buildings. The size of each sign is 26 feet by 95 feet, 2,470 square feet. The size of the signs has been reduced from what was initially requested. The contents of the signs would change, but would always relate to the premises, making them on-premises business signs (as opposed to off-premises advertising). Because the building is located in a zoning district that requires City Council approval of building permits, it's not limited to the usual 500 square feet of total business signage.

**REVIEW**

In accordance with the PC provisions of the Zoning Ordinance (Section 61-11-77), reviews of proposed construction or modifications, such as this proposed sign, should be conducted in light of the following criterion, "Signage and graphics should be tastefully designed to be visually appealing and in character with surrounding development; they should provide needed information, direction and orientation in a clear and concise manner." The proposed sign meets this criterion.

Sec. 3-7-5(a) of the City Code allows up to 500 square feet of business signage, except in zoning districts that require City Council approval of plans, such as this one.

**RECOMMENDATION**

CPC staff has completed its review of the proposed sign, as has the Planning and Development Department staff. We find that the signs would be in keeping with the spirit and intent of the PCA zoning district. Therefore, staff recommends approval of the location and design of the proposed sign. Please find attached the appropriate resolution to effectuate your Honorable Body's approval.

By Council Member Jenkins:

Whereas, Olympia Entertainment, Inc. desires to install two (2) on premises business signs on Joe Louis Arena at 600 Civic Center Drive on land zoned PC (Public Center District); and

Whereas, The site is subject to the Special District Review and the site plan review provisions of Section 61-11-76 and 61-11-62, respectively, of the Zoning Ordinance of the City of Detroit; and

Whereas, The PC zoning district classification requires that exterior alteration of any existing building, structure, or premises, or part thereof, be reviewed by the Planning and Development Department and by the City Planning Commission for consistency with the spirit, purpose, and intent of the district and that those modifications be approved by resolution of the

City Council following the receipt of a written report and recommendation from the City Planning Commission; and

Whereas, The Planning and Development Department and the City Planning Commission staff have reviewed the proposal in order to ensure that the proposed development is in keeping with the spirit, purpose and intent of the PC zoning district classification; and

Whereas, The City Planning Commission staff has reviewed the proposal in order to ensure that the proposed development meets the criteria set forth for site plan approval in Article III, Division 5, Subdivision D of the Zoning Ordinance; and

Whereas, Olympia Entertainment Inc. is responsible for maintaining the structural integrity of the metal panel and its back-up system to which the signs/vinyl mesh and its frame are attached, and

Whereas, The petitioner has agreed to reduce the amount of signage substantially from what was first proposed;

Now, Therefore, Be It Resolved, That the Detroit City Council approves the proposed installation of two (2) on premises business signs on the Joe Louis Arena at 600 Civic Center Drive, described in the foregoing communication from the City Planning Commission staff dated January 26, 2013 and depicted in the building permit application dated "January 16, 2013", with installation details prepared by Metro Detroit Signs and authorizing the Buildings Safety Engineering and Environmental Department to issue sign permits consistent herewith.

Re: Neighborhood Stabilization Program ("NSP 1") Amendment to the HUD Consolidated Plan: Activity Change Budget Revision.

The Planning and Development Department (P&DD) respectfully requests that your Honorable Body review and approve the attached resolution authorizing an Amendment to the 2008 HUD Consolidated Plan for the Neighborhood Stabilization Program ("NSP1").

The purpose of the amendment is to assist in facilitating the changes in restructuring the Neighborhood Stabilization Program 1. Specifically, the activity changes reflect a modification in three (3) of six (6) budgeted activities shown below.

	<b>Current Amount</b>	<b>Proposed Amount</b>
Acquisition	\$ 2,587,961.00	\$ 2,587,961.00
Administration	2,191,618.00	500,000.00
Demolition	18,000,000.00	19,941,618.00
Disposition	1,773,196.00	1,773,196.00
New Construction	4,578,000.00	4,578,000.00
Rehabilitation	<u>18,006,915.00</u>	<u>17,756,915.00</u>
<b>Total</b>	<b>\$47,137,690.00</b>	<b>\$47,137,690.00</b>

These changes are necessary to ensure that all funds will be expended by the March 19, 2013 deadline. In essence, the changes reflect decreases to the Administration and Rehabilitation lines and an increase to the demolition line. To date, \$33,759,501.99 has been expended, leaving a balance of \$13,378,188.01 to expend by the deadline. All units under construction are expected to be completed by January 31, 2013.

We respectfully request the authorization of this change to amend the 2008 HUD Consolidated Plan for the stated purpose by approval of the attached resolution. This activity change amendment was posted on the City's website for the requisite fifteen (15) day period beginning on December 22, 2012. The City has been in conversation with HUD about these changes. Upon City Council's approval, it will be transmitted to HUD for final approval. Thank you for your time and consideration.

Re: Request for Public Hearing for Amerco Real Estate Company (d/b/a U-Haul), Application for a Commercial Rehabilitation Exemption Certificate at 899 W. Baltimore, Detroit, MI 48202, in accordance with Public Act 210 of 2005. (Related to Petition #2512).

The Planning & Development Department and the Finance Department have reviewed the application of Amerco Real Estate Company, and find that it satisfies the criteria set forth by P.A. 210 of 2005 and would be consistent with development and economic goals of the Master Plan.

Prior to acting upon a resolution to recommend approval, a public hearing must be held, and the City Clerk must provide written notice of the public hearing to the assessor and to the governing body of each taxing unit that levies an ad valorem tax within the eligible district.

We request that a Public Hearing be scheduled on the issue of approving the application for the Commercial Rehabilitation Exemption Certificate. Attached for your consideration, please find a resolution establishing a date and time for the public hearing.

Respectfully submitted,  
MARJA M. WINTERS

#### Planning & Development Department

January 15, 2013

Honorable City Council:

Re: Request for Public Hearing to Establish a Commercial Rehabilitation District on behalf of Woodward Willis, LLC, in the area 4209 and 4219 Woodward, and 22 and 34 W. Willis, Detroit, Michigan, 48201 in accordance with Public Act 210 of 2005. (Petition #2399)

The Planning and Development Department has reviewed the request of Woodward Willis, LLC. to establish a Commercial Rehabilitation District, and find that it satisfies the criteria set forth by Public Act 210 of 2005 and that it would be consistent with development and economic goals of the Master Plan.

Per Public Act 210 of 2005, prior to acting upon the resolution to approve a district, a public hearing must be held, and the City Clerk must provide written notice of the public hearing to the assessor and to the governing body of each taxing unit that levies an ad valorem tax within the eligible district, **said notice to be made not less than 10 days or more than 30 days** prior to your Honorable Body's adoption of said resolution.

We request that a public hearing be scheduled on the issue of adopting a resolution to establish a new commercial rehabilitation district. Attached for your consideration, please find a resolution establishing a date and time for the public hearing.

Respectfully submitted,  
MARJA M. WINTERS  
Deputy Director

By Council Member Jenkins:

Whereas, Pursuant to Public Act No. 210 of 2005 ("the Act") this City Council may adopt resolution which approves the request to establish a Commercial Rehabilitation District within the boundaries of the City of Detroit; and

Whereas, Woodward Willis, LLC, has requested that a Commercial Rehabilitation District be established as particularly described in the legal description and illustrated in the map attached hereto; and

Whereas, Prior to such approval, the City Council shall provide an opportunity for a Public Hearing, at which Public Hearing on such adoption of a resolution providing such tax exemption, at which Public Hearing representatives of any taxing authority levying *ad valorem* taxes within the City, or any other resident or taxpayer of the City of Detroit may appear and be heard on the matter.

Now Therefore Be It

Resolved, That on Thursday, February 28, 2013 at 10:30 A.M. in the City Council Committee Room, 13th floor, Coleman A. Young Municipal Center, a Public Hearing be held on the above described application, and be it finally

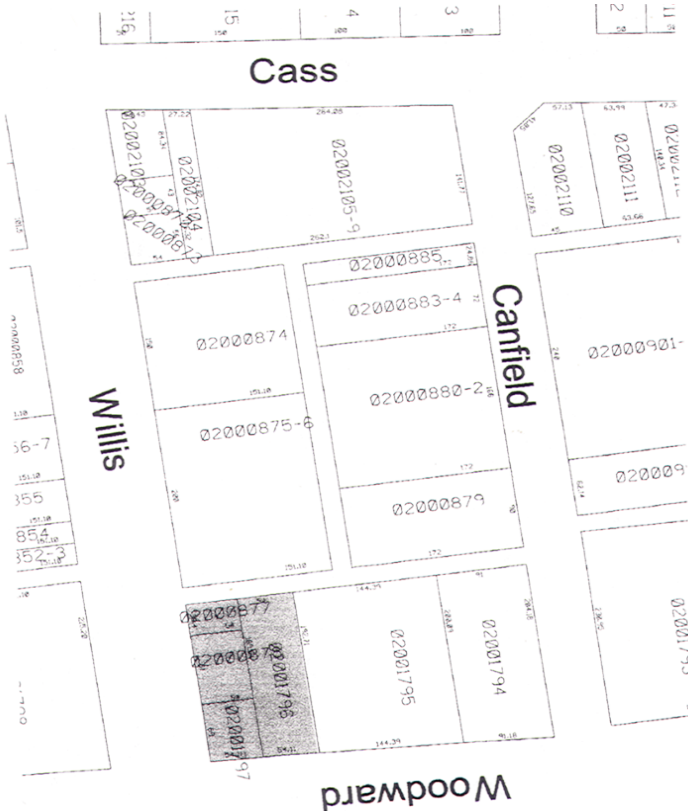

Resolved, That the City Clerk shall give notice of the Public Hearing to the general

public and shall give written notice of the Public Hearing by certified mail to all taxing authorities levying an *ad valorem* tax within the City of Detroit, **such notices to be provided not less than 10 days or more than 30 days** before the date of the hearing.

January 7, 2013

Honorable City Council:

Re: Petition No. 2274 — LeRoy Thornton, request to vacate alley abutting Northside of McNichols between Harlow and Oakfield.

Petition No. 2274 of "LeRoy Thornton", whose address is 17500 West McNichols Road, Detroit, MI, request for permission to temporary close the east-west public alley, 18 feet wide, in the block bounded by Santa Maria Avenue, 60 feet wide, West McNichols Road, 96 feet wide, Harlow Avenue, 80 feet wide, and Oakfield Avenue, 60 feet wide to prevent the illegal dumping of trash and break ins at the rear of buildings.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

All involved City departments and privately owned utility companies have reported no objections to the proposal, provided they have the right to ingress and egress at all times to their facilities.

You will find attached an appropriate resolution, for your Honorable Body's consideration, authorizing the City Engineering Division — DPW to allow the closure of the East-West public alley, 18 feet wide, on a temporary basis (for a period of five (5) years) to expire on February 1, 2018.

Respectfully submitted,

**RICHARD DOHERTY**

City Engineer

City Engineering Division — DPW  
By Council Member Brown:

The City Engineering Division — DPW is hereby authorized and directed to issue a permit to LeRoy Thornton, at 17500 West McNichols Road, Detroit, Michigan to temporary close the east-west public alley, 18 feet wide, in the block bounded by Santa Maria Avenue, 60 feet wide, West McNichols Road, 96 feet wide, Harlow Avenue, 80 feet wide, and Oakfield Avenue, 60 feet wide, lying Northerly of and abutting the north line of Lots 1 through 11, both inclusive, and lying Southerly of and abutting the south line of Lots 116 and 141, all in "Ternes Superhighway Subdivision" of fractional Section 5, T.1S., R.13E., City of Detroit, Wayne County, Michigan, as recorded in Liber 61, Page 72, Plats, Wayne County Records; on a temporary basis to expire on February 1, 2018;

Provided, That the permit shall be issued after the City Clerk has recorded a certified copy of the resolution with Wayne County Register of Deeds; and

Provided, That the petitioner shall file with the Finance Department and/or City Engineering Division — DPW an indemnity agreement in form approved by the Law

Department. The agreement shall save and protect the City of Detroit harmless from all claims, damages or expenses that may arise by reason of the issuance of permits and the faithful or unfaithful performance by the petitioner of the terms thereof. Further, the petitioner shall agree to pay all claims, damages or expenses that may arise out of the maintenance of the temporary public alley closing; and

Provided, The property owned by the petitioner and adjoining the temporary public alley closing shall be subject to the proper zoning or regulated use (Board of Zoning Appeals Grant) over the total width and length of the alley; and

Provided, No buildings or other structures of any nature whatsoever (except necessary barricades), shall be constructed on or over the public rights-of-way. The petitioner shall observe the rules and regulations of the City Engineering Division — DPW. The City of Detroit retains all rights and interests in the temporarily closed public rights-of-way. The City and all utility companies retain their rights to service, inspect, maintain, repair, install, remove or replace utilities in the temporarily closed public rights-of-way. Further, the petitioner shall comply with all specific conditions imposed to ensure unimpeded 24-hour-per-day access to the City and utility companies; and

Provided, The petitioner's fence, gate and barricade installations shall provide 13 feet horizontal and 15 feet vertical clearance(s) for utility maintenance vehi-

cles and must only be installed in such a way to not prohibit pedestrian traffic within the sidewalk space; and

Provided, This resolution does not permit the storage of materials, displays of merchandise, or signs within the temporarily closed public rights-of-way. Further, the placement of materials, merchandise, or signs on any adjacent temporary area is prohibited; and

Provided, That at the expiration of the permit, all obstructions shall be removed at the petitioner's expense. The public property shall be restored to a condition satisfactory to the City Engineering Division — DPW by the petitioner at the petitioner's expense; and

Provided, This resolution is revocable at the will, whim or caprices of the Detroit City Council without cause. The petitioner waives the right to claim damages or compensation for removal of encroachments. Further, the permittee acquires no implied or other privileges hereunder not expressly stated herein. If this permit is continued for the five (5) year period, the City Council may (upon written request and if the circumstances justify accordingly) grant an extension thereto; and

Provided, This permit shall not be assigned or transferred without the written approval of the Detroit City Council; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

Re: Address: 17123 Hayes. Name: Jasmine McMorris. Date ordered removed: July 1, 2008 (J.C.C. p. 1781).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on January 3, 2013 revealed the building is secured and appears to be sound and repairable.

The owner has paid all taxes and is current.

The proposed use of the property is rehabilitation and rental. This is the first deferral request for this property.

Therefore, it is recommended that the demolition order be deferred for a period of three (3) months subject to the following conditions:

1. The building shall be maintained in accordance with the vacant property ordinance (see attachments) and securely barricaded until rehabilitation is complete and occupied. All relevant permits for rehabilitation work shall be obtained. Rehabilitation is to be complete within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection
- Certificate of Inspection, required for all residential rental properties

2. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

3. The yards shall be maintained clear of weeds, junk and debris at all times.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been maintained and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not maintained, we may proceed with demolition without further hearings. And, pursuant to the Property Maintenance Code we will issue a Blight Violation Notice.

A request for deferral exceeding four must be made by petition to City Council through the office of the City Clerk.

The proposed use of the property is rental property. This is the first deferral request for this property.

Therefore, it is recommended that the demolition order be deferred for a period of three (3) months subject to the following conditions:

1. The building shall be maintained in accordance with the vacant property ordinance (see attachments) and securely barricaded until rehabilitation is complete and occupied. All relevant permits for rehabilitation work shall be obtained. Rehabilitation is to be complete within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection
- Certificate of Inspection, required for all residential rental properties

2. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

3. The yards shall be maintained clear of weeds, junk and debris at all times.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been maintained and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not maintained, we may proceed with demolition without further hearings. And, pursuant to the Property Maintenance Code we will issue a Blight Violation Notice.

A request for deferral exceeding four must be made by petition to City Council through the office of the City Clerk.

**Recreation Department**

November 29, 2012

Honorable City Council:

Re: Authorization to Utilize Revenue from Contract 2873020 for Capital Improvements at Belle Isle & Other Detroit Parks.

The Detroit Recreation Department ("Recreation") has entered into a revenue contract (CPO 2873020) with C3 Presents, LLC to produce the Orion Music + More Festival on Belle Isle for a period of several days during the summers of 2013, 2014 and 2015. The contract is being presented to Council for approval simultaneously with the attached resolution.

Revenue from the contract is guaranteed at \$100,000 for 2013, \$100,000 for 2014 and \$250,000 for 2015. Additional revenue may be achieved if admissions, sponsorships and food/beverage sales from the festival hit certain marks.

Recreation is hereby requesting authorization from Detroit City Council to accept all revenues from Contract 2873020 in Appropriation 13607 for the purposes of utilizing the revenue to make capital improvements on Belle Isle and at various other Detroit parks. Specifically, the revenue would be utilized 50% for capital improvements at Belle Isle and 50% for capital improvements at other Detroit parks.

The Recreation Department requests authorization to set up Appropriation No. 13607 for this purpose.

We respectfully request your approval to create Appropriation 13607 to accept these revenues, as well as approval to expend the funds as indicated above by adopting the attached resolution with a Waiver of Reconsideration.

#### Finance Department Administration

January 23, 2013

Honorable City Council:

Re: Short-term Parking Agreement between City of Detroit, by and through its Finance Department, as Lessor, and the State of Michigan for the Department of Technology, Management & Budget, as Lessee — 811 Abbott Street, Detroit, Michigan.

Enclosed is a proposed resolution authorizing execution of a parking agreement with the State of Michigan (the "State") for fifty (50) designated parking spaces in the parking structure located at 811 Abbott Street, Detroit, Michigan (the "Agreement"). As you know, the State's crime lab will occupy a portion of the Public Safety Headquarters and will be owned by the State.

The parties are agreeing to enter into this Agreement in the short term in order to permit time for the parties to negotiate and execute a long-term lease agreement. A summary of the terms of the Agreement can be found below:

**Premises:** Fifty (50) designated parking spaces in the parking structure located at 811 Abbott Street, Detroit, Michigan.

**Term:** On a month-to-month basis for a period not to exceed twelve (12) months.

**Termination:** Either party may terminate the Agreement upon providing thirty (30) days written notice of termination.

**Monthly Installment of Rent:** \$2,500.00/month

**Designated Use:** Parking for use by the State, and the State's tenants and occupants at the State's Crime Lab in the Public Safety Headquarters.

Please approve the enclosed resolution authorizing execution of the Agreement. Lastly, a waiver or reconsideration is requested. Thank you in advance for your consideration of this matter. Should you have any questions, please do not hesitate to contact me.

Respectfully submitted,

CHERYL R. JOHNSON, CPA

Group Executive/Finance Director

By Council Member Brown:

Whereas, The City of Detroit (the "City") is the owner of the seven-story parking garage located at 811 Abbott Street, Detroit, Michigan (the "Garage"); and

Whereas, The State of Michigan, through its Department of Technology, Management & Budget (the "State"), will own and operate a forensic science laboratory within the Detroit Public Safety Headquarters located at 1301 Third Street, Detroit, Michigan (the "Lab"); and

Whereas, The State has requested the right to use up to fifty (50) designated parking spaces in the Garage (the "Parking Spaces") for the exclusive use by the State for the tenants and occupants at the Lab;

Whereas, The availability of the Parking Spaces is necessary to induce the State to acquire, construct, and operate the Lab;

Whereas, The City and the State are desirous of entering into an agreement for the State's use of the Parking Spaces for \$2,500.00 per month, for up to 12 months commencing on the earlier of date the State completes construction of the Lab or January 1, 2014, and upon such other terms and conditions as the City and the

State may agree and as are not inconsistent with this resolution (the "Parking Agreement").

Now, therefore, be it

Resolved, That the City of Detroit is authorized to grant to the State of Michigan the right to use the Parking Spaces described in the Parking Agreement, in accordance with this resolution and the Parking Agreement; and be it further

Resolved, That the Finance Director is authorized to execute the Parking Agreement and such other documents as may be necessary or convenient for the consummation of the transaction pursuant to and in accordance with this resolution and the Parking Agreement.

A Waiver of Reconsideration is Requested.

Adopted as follows:

Yeas — Council Members Brown, Cockrel, Jr., Jenkins, Jones, Kenyatta, Spivey, Tate, Watson, and President Pugh — 9.

**TESTIMONIAL RESOLUTIONS AND  
SPECIAL PRIVILEGE  
TESTIMONIAL RESOLUTION  
FOR  
COLONEL RODNEY WILLIAMS, MPA,  
JD, LLM**

**The Michigan National Guard**

By COUNCIL MEMBER BROWN:

WHEREAS, Colonel Rodney Williams has announced his retirement from the Michigan Air National Guard effective February 5, 2013. Col. Williams began his military career in 1984 with the Army in which he served both in the Army Reserve and Michigan Army National Guard. While serving with the Army he held critical assignment such as Assistant Staff Judge Advocate for the 177th Military Police Brigade and as an aide de camp for the Michigan Adjutant General, Maj. Gen. E. Gordon Stump. In 1994, he transferred to the Michigan Air National Guard and was assigned as the 127th Wing's Deputy Staff Judge Advocate. During his tenure as staff judge advocate, he was assigned to Tyndale Air Force Base, Fla., in support of Operation Noble Eagle where he analyzed components of air and space principles and synchronized multiservice core competencies to capitalize on joint operational capabilities. Colonel Williams was recognized by the North American Aerospace Defense Command for flawlessly articulating the rules of engagement during real and numerous scenario driven events; and

WHEREAS, In 2005, Col. Williams' leadership and legal expertise were integral to Michigan's involvement and success when Michigan volunteered to transport Hurricane Katrina evacuees to Battle Creek Air National Guard Base for med-

ical screening and temporary housing at Fort Custer Training Center. More than 250 evacuees were assisted during the real-world scenario. Later that year, Col. Williams was reassigned as the 127th Wing Mission Support Group Commander at Selfridge Air National Guard Base. As the largest Mission Support Group in the nation, Col. Williams achieved astounding results while providing support for more than 22 base tenants, 4,900 active duty, civilians, and National Guard and Reserve personnel. Col. Williams developed six groundbreaking operational plans and achieved 94% combat readiness standard in support of Operation Iraqi Freedom, Operation Enduring Freedom, and Global War on Terrorism, Air Expeditionary Forces, and Operation Noble Eagle. In 2008, the Mission Support Group achieved a 98% Unit Compliance Inspection rating and the contract and honor guard offices were named "best seen in the Air Force"; and

WHEREAS, In 2010, Col. Williams was selected to serve as the director of the Michigan National Guard Human Resource Office with oversight and responsibility of 2,200 full-time employees. In 2012, Col. Williams served as a senior advisor to the adjutant general of Michigan on programs and events that advance military principles for Detroit area youth. During this time he also served on the Detroit based Veterans Task Force and chaired a subcommittee on veteran's employment. Upon retirement from the Michigan Air National Guard, Col. Williams will continue his full-time employment with the US Department of Veterans Affairs. He is married to the former Lisa Leggs. They have three children, Langston, Danielle, and Lauryn. NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council hereby commends the exemplary military service and accomplishments of Colonel Rodney Williams and congratulates him on his retirement from the Michigan Air National Guard.

By COUNCIL PRESIDENT PUGH,  
Joined by COUNCIL MEMBER TATE:

WHEREAS, James E. Garrett was born on November 22, 1945, in River Rouge, Michigan. He was loved by family, friends and colleagues. He generously shared his professional expertise with everyone in

the community. He was well respected as an accountant and a HIV/AIDS advocate; and

WHEREAS, James was a Certified Public Accountant for over 15 years with a focus in the healthcare industry. His career began as the In-Charge Accountant at Arthur Anderson, one of the eight largest accounting firms in the United States. He later worked as a Senior Auditor at Blue Cross Blue Shield of Michigan and Barrow, Coleman, Aldridge & Company. With his magnificent accounting talent, James became a partner with Barrow, Aldridge & Company and Mayo & Garrett, P.C. In 1991, he founded his own accounting firm, James E. Garrett & Associates; and

WHEREAS, James was very compassionate about community service. He demonstrated this passion by his membership on various community boards such as: Detroit Wayne County Mental Health Board; Kirkwood Mental Health; Ryan White Part A HIV/AIDS Planning, and the Financial Director for the City of River Rouge, where he served for four years. His commitment did not end with community organizations, James also served in the United States Army with the Rank SP4 (T) in Korea; and

WHEREAS, James was a devout Christian. He attended First Baptist Church of Ecorse, where he served as a Deacon. He also served as a Deacon and Treasurer at Gordy Memorial Church of God In Christ, and was affiliated with the Downriver Ministerial Alliance. James enjoyed fishing, cooking, playing card games, and gardening. However, closest to James' big heart was traveling. He knew the true value of living a good life. His warmth, kindness, and bright smile will never be forgotten. He leaves a remarkable legacy. NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council hereby joins family and friends in celebrating the life of James E. Garrett. May memories of his love, faith, compassion, and generosity continue to fill the hearts of the lives he touched.

### Invocation

Kind, and wonderful Father,

We thank you for allowing us the strength and the ability to gather this morning to participate in the governing affairs of your people. We recognize that it was you oh King that woke us up this morning and granted us grace thus far.

Now Lord, we petition you for your wisdom. We ask that you magnify yourself here amongst your people. Swell your presence that as we are gathered, we remain confident that your will is yet perfect. Grant these chosen women and men that you purposed, the wisdom to navigate strategizes of deception; summon the resources to resurrect the broken spirit of this city, and the ability to see again the vision that lies deep within.

Master, we cancel EVERY assignment of those who would harm and rape the revenue of the righteous, and command your blessings to fall on this city and in this room. Have your way my Lord. We praise you and exalt you for you are worthy.

In Jesus's name. . . .

#### Law Department

February 5, 2013

Honorable City Council:

Re: Proposed Resolution Authorizing Continued Reduction of Hours for Non-Union Legislative Branch Appointees and Employees in Order to Partially Address City of Detroit's Revenue Shortfall and Fiscal Challenge.

In accordance with City Code Section 13-2-18(a), as amended by Ordinance No. 02-13 effective February 4, 2013, Mayor Dave Bing has issued Executive Order No 2013-1 on February 5, 2013. Executive Order No. 2013-1 orders a reduction in hours for non-union Executive Branch appointees and employees commencing with the pay period that includes February 11, 2013.

City Code Section 13-2-18(a)(1)(b) provides that reduction in hours for non-union Legislative Branch appointees and employees shall be implemented through adoption of a resolution. Furthermore, City Code Section 13-2-18(b) states that "It is the intent of this section that all non-union Executive Branch City employees and all non-union Legislative Branch City employees receive a reduction in hours for the same length of time during the effective dates of any Executive Order or any City Council resolution and that the Mayor and the City Council cooperate to ensure that the reduction in hours is taken by City employees in both branches of City government for the same length of time . . ."

It is recognized that compensation of elected officials can only be set by the Elected Officials Compensation Commission. However, as an indication of shared sacrifice, Mayor Bing has committed to voluntarily donate ten percent

(10%) of his mayoral salary back to the City's general fund. The attached proposed resolution contains similar language for the members of your Honorable Body, and a request for the City Clerk to join the Mayor and the City Council in donating ten percent salary back to the City.

City Code Section 13-2-18(a)(6), as amended, provides that any reduction in hours implemented pursuant to the section shall terminate not later than January 31, 2014 at 11:59 p.m. In order for the full 26 budget-required furlough days to be implemented before the expiration date, it is necessary that they commence with the pay period that includes February 11, 2013. Accordingly, it is respectfully requested that your Honorable Body consider and adopt the attached proposed Resolution with a waiver of reconsideration at the earliest possible date.

We are available to answer any questions that you may have concerning this matter. Thank you for your consideration.

Respectfully submitted,

**EXECUTIVE ORDER NO. 2013-1**  
**TO: ALL DEPARTMENT DIRECTORS,**  
**AGENCY HEADS, BOARDS, COMMISSIONS,**  
**CITY COUNCIL MEMBERS**  
**AND THE CITY CLERK**

**SUBJECT: REDUCTION OF HOURS FOR**  
**NON-UNION EXECUTIVE BRANCH**  
**APPOINTEES AND EMPLOYEES**

**DATE: February 5, 2013**

Pursuant to the powers vested in me by the 1963 Michigan Constitution, the 2012 Detroit City Charter, and Section 13-2-18 of the 1984 Detroit City Code, as amended by Ordinance No. 02-13 effective February 4, 2013, I, Dave Bing, Mayor of the City of Detroit, do hereby establish a temporary reduction in hours and resulting pay for non-union Executive Branch appointees and employees.

#### 1. Necessity.

Due to the economic crisis facing the City of Detroit, it has become necessary to take immediate drastic steps in order to reduce personnel and payroll expenses. As an indication of shared sacrifice, I am voluntarily foregoing ten percent (10%) of my annual salary as Mayor for the duration of the budget-required furloughs established through this executive order by donating it back to the General Fund.

#### 2. Application.

This reduction in hours shall apply to all non-union Executive Branch appointees and employees.

#### 3. Implementation.

##### **a) Administrative and Administrator Roster Employees.**

For the A, B and C payrolls, the scheduled work hours for all non-union Executive Branch appointees and employees on the

Administrative or Administrator Rosters shall be reduced by a maximum of ten percent (10%), or twenty-six (26) work days, in a 12-month period. This reduction in hours shall comply with the *Budget-Required Furlough Schedule* issued by the Mayor's Office.

**b) Non-union Executive Branch Employees Not on Administrative or Administrator Rosters.**

For the A, B and C payrolls, the hours for non-union Executive Branch employees who are not on the Administrative or Administrator Rosters shall be reduced by a maximum of ten percent (10%), or twenty-six (26) 8-hour work days, or two hundred eight (208) hours, in a 12-month period. This reduction shall be in compliance with the *Budget-Required Furlough Schedule* issued by the Mayor's Office.

**c) Budget-Required Furlough Days.**

To the extent possible all Executive Branch departments and offices, including the Mayor's Office and the Office of the City Clerk, shall be closed on budget-required furlough days with advance notice provided both to employees and to the public. Where an individual non-union Executive Branch appointee or employee is required to work on a budget-required furlough day, a substitute budget-required furlough day shall be scheduled for the individual.

**d) Pay Periods Affected.**

Pursuant to City Code Section 13-2-18(a)(1)(a), and subject to the maximums set forth in paragraphs 3a and 3b, above, budget-required furlough days will commence with the pay period including February 11, 2013, and will terminate with the pay period including January 31, 2014.

**4. Departmental Directives.**

As necessary, departmental directives may be issued to assist in the implementation and on-going management of budget-required furlough days.

**5. Expiration Date.**

In accordance with City Code Section (13-2-18(a)(6)), this Executive Order shall expire at 11:59 p.m. January 31, 2014.

**6. Effective Date.**

This Executive Order is effective today, February 5, 2013.

DAVE BING  
Mayor

**RESOLUTION  
AUTHORIZING REDUCTION OF  
HOURS FOR NON-UNION  
LEGISLATIVE BRANCH APPOINTEES  
AND EMPLOYEES IN ORDER TO  
PARTIALLY ADDRESS THE CITY OF  
DETROIT'S REVENUE SHORTFALL  
AND FISCAL CHALLENGE**

By Council Member Jones:

Whereas, Due to fiscal difficulties incurred by an actual or a projected shortfall in revenue, on January 25, 2013, the Detroit City Council passed Ordinance No. 02-13, effective February 4, 2013,

which, amended City Code Section 13-2-18 to authorize (1) the Mayor of the City of Detroit, through issuance of an Executive Order, for non-union Executive Branch appointees and employees, and (2) the Detroit City Council, through adoption of a resolution, for non-union Legislative Branch appointees and employees, to implement up to a ten percent (10%) reduction in hours through budget-required furlough days implemented until January 31, 2014; and

Whereas, It is incumbent upon all sectors of City government to undertake the necessary measures to address the present revenue shortfall and fiscal challenge; and

Whereas, This Detroit City Council has demonstrated in both words and actions the necessity that such sacrifices by our workforce, whom we respect and honor for their diligence, dedication and service, need to be prefaced by making commensurate sacrifices among ourselves and our staff; and

Whereas, That while elected officials compensation is set by the Election Officials Compensation Commission, elected officials, including the Mayor, the City Clerk, and the members of the City Council may voluntarily return a portion of their salary as a gift to the City's General Fund; and

Whereas, In accordance with City Code Section 13-2-18(a), on February 5, 2013, Mayor Dave Bing issued Executive Order No. 2013-1, which ordered a ten percent (10%) reduction in hours for non-union Executive Branch appointees and employees; and

Whereas, In Executive Order No. 2013-1, Mayor Bing has committed as an indication of shared sacrifice to donate 10% of his mayoral salary to the City's general fund for the duration of the reduction of hours required by the Executive Order; and

Whereas, City Code Section 13-2-18(a)(6) provides that any reduction in hours implemented pursuant to the section shall terminate not later than January 31, 2014 at 11:59 p.m.;

Now, Therefore, Be It

Resolved, That, pursuant to City Code Section 13-2-18, the Detroit City Council authorizes that, in accordance with the same reduction in hours and resulting pay for non-union Executive Branch appointees and employees that will be effective in accordance with Executive Order No. 2013-1, all Legislative Branch, appointees, employees, and contractual staff shall have their hours and resulting pay reduced by ten percent (10%) through January 31, 2014 by the implementation of twenty-six (26) furlough days, commencing with the pay period including February 11, 2013, and ending with the pay period including January 31, 2014; and

**Be It Further**

Resolved, The members of the Detroit City Council individually and collectively announce their intention through the process of donating ten percent (10%) of their salaries back to the General Fund starting on the same effective dates, and through the same furlough process, that they intend to impose upon themselves the same sacrifice that they are asking of their non-union, contractual and appointed staff appointees; and

**Be It Finally,**

Resolved, That the Detroit City Council calls upon the Detroit City Clerk to request that she join the Mayor and the City Council members in committing to voluntarily donating ten percent (10%) of her salary back to the General Fund starting on the same effective dates, and through the same furlough process, as set forth in Executive Order 2013-1.

Re: Howard Peoples vs. City of Detroit. Case Nos. 11-014710-NF (SLdeJ). Matter No.: A37000.007590.

On November 14, 2012, a case evaluation panel evaluated the above-captioned lawsuit and awarded One Hundred Ninety Eight Thousand Dollars (\$198,000.00) in favor of plaintiff. The parties have until December 12, 2012 to either accept or reject the case evaluation. Failure to file a written acceptance or rejection within this period constitutes a rejection.

Based upon our review of the facts and particulars of this lawsuit, which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body, it is our considered opinion that acceptance of the case evaluation award is in the best interest of the City of Detroit.

We, therefore, request your Honorable Body to authorize acceptance of the case evaluation award; and, in the event that plaintiff accepts the award, to direct the Finance Director to issue a draft in the amount of One Hundred Ninety Eight Thousand Dollars (\$198,000.00) payable to Howard Peoples and his attorneys, Freedman Lessing Kutinsky & Freedman P.C., to be delivered upon receipt of properly executed Releases and Stipulation

Honorable City Council:

Re: Request for Public Hearing regarding the approval of an application for a Tax Exemption Certificate for Integrated Manufacturing and Assembly, LLC., in accordance with Public Act 328 of 1998.

Representatives of the Planning and Development and Finance Departments have reviewed the application of the following company, which requests City Council approval of a Tax Exemption Certificate for New Personal Property and Equipment.

Based on discussions with the company, and the examination of the submitted application, we are convinced this company meets the criteria for tax relief as set forth by Public Act 328 of 1998.

Company: Integrated Manufacturing and Assembly, LLC.

Address: 6555 E. Davison, Detroit, Michigan 48212

Type of Business: Tier II Automotive Supplier

Investment Amount: \$7.2 Million Dollars  
Employment: 126 New Jobs

We request that a public hearing be held for the purpose of considering City Council approval of a New Personal Equipment Tax Exemption Certificate.

Respectfully submitted,

MARJA M. WINTERS  
Deputy Director

By Council Member Jenkins:

Whereas, Integrated Manufacturing and Assembly, LLC., has filed an Application for Exemption of New Personal Property, under Public Act 328 of 1998 ("the Act") in the City of Detroit, Brownfield Redevelopment Zone in the manner and form prescribed by the Michigan State Tax Commission; and

Whereas, The City of Detroit meets the definition of an "Eligible Local Assessing District" under Public Act 328 of 1998, Section 7(g), by virtue of containing an eligible distressed area as defined by Section 7(f)(i), in accordance with PA 346 of 1966, Section 11; and

Whereas, This City Council is a Qualified Local Governmental Unit as defined by the Act; and

Whereas, This City Council on April 23, 1998 established by Resolution a Brownfield Redevelopment Zone in accordance with Michigan Public Act 381 of 1996; and

Whereas, The applicant, Integrated Manufacturing and Assembly, LLC., meets the definition of an "Eligible Business" as defined by PA 328 of 1998 and is engaged primarily in automotive parts manufacturing at the location 6555 E. Davison, Detroit, MI; and

Whereas, The new personal property was not placed in the facility within the qualified district prior to approval of the exemption by the City Council of the City of Detroit; and

Whereas, 6555 E. Davison, Detroit, Michigan is within the Brownfield Redevelopment Zone; and

Whereas, The installation/use of the new personal property did not occur before the establishment of the Brownfield Redevelopment Zone; and

Whereas, The Applicant is not delinquent in any taxes related to the facility, including taxes owed on existing personal property; and

Whereas, At the time the Certificate is issued, have the reasonable likelihood of increasing and/or retaining employment, increasing commercial activity, revitalizing an urban area, or increasing the number of residents in the community in which the facility is located; and

Whereas, On Thursday, February 28, 2013 at 10:45 a.m., in the City Council Committee Room, 13th Floor, Coleman A. Young Municipal Center, Detroit, Michigan, a public hearing was held on said application, at which time the Applicant, the Assessor and representatives of the affected taxing units had an opportunity to be heard; and

Whereas, Notice was given by certified mail to the Detroit Board of Education, the City of Detroit Board of Assessors, the Wayne County Board of Commissioners, Wayne County Community College, the Wayne County Intermediate School District, the Huron-Clinton Metropolitan Authority, the Applicant, informing them of the receipt of the Application, the date and location of the discussion, and the opportunity to be heard;

Whereas, The City and the Applicant have entered into a New Personal Property Tax Exemption Certificate Agreement as required;

Now Therefore Be It

Resolved, That it is hereby found and determined that the granting of a new Personal Property Exemption Certificate, considered together with the taxable value of Obsolete Property Rehabilitation

Exemption Certificates and Industrial Facilities Exemption Certificates if previously granted and currently in force, will not have the effect of substantially impeding the operation of the local governmental unit or impairing the financial soundness of any other taxing unit which levies an ad valorem property tax with the City of Detroit, and be it further

Resolved, That it is hereby found and determined that the Applicant has complied with the requirements of Public Act 328; and be it further

Resolved, That it is hereby found and determined that the Applicant has entered into a written agreement with the City of Detroit memorializing the commitments made upon which the granting of this Certificate is based, as required, which Agreement is hereby approved; and be it further

Resolved, That the application of Integrated Manufacturing and Assembly, LLC., for a new Personal Property Exemption Certificate, in the City of Detroit is hereby approved for a period of twelve (12) years, expiring December 31, 2025; in accordance with the provisions of Public Act 328; and be it finally

Resolved, That the City Clerk shall forward said Application to the Michigan State Tax Commission as provided by the Act.

**Water and Sewerage Department  
Office of the Director**

February 5, 2013

Honorable City Council:

Re: Petition No. 2612. Phase II of the Emerald Spring Estates Development, Construction of 8 Inch Diameter Water Main.

In response to a request for information from the Office of the City Clerk, dated November 16, 2012, the Detroit Water and Sewerage Department (DWSD) submits the following.

The construction plans for 8 inch diameter water main for Emerald Springs Phase II development were reviewed by DWSD and Michigan Department of Environmental Quality (MDEQ). DWSD received the approved permit application for the water main from MDEQ on December 3, 2012. With regards to DWSD's interests, our comments are as follows:

- DWSD has no objection to the construction of the water main for the subject project described in the accompanying application, provided that the attached provisions are strictly followed. After the City Council has acted on this petition, please send a copy of the Council resolution to DWSD, 735 Randolph, Room 506.

I trust this addresses your concerns. Should you require any additional information, please contact my office.

Respectfully submitted,

SUE F. McCORMICK

Director

By Council Member Brown:

Resolved, That the petitioner (Petition No. 2612) shall design and construct the proposed water main and make connections to the existing public water main as required by the Detroit Water and Sewerage Department (DWSD); and further

Provided, That the plans for the proposed water main shall be prepared by a registered engineer; and further

Provided, That DWSD is hereby authorized to review the drawings for the proposed water main and to issue the permit for the construction of the water main; and further

Provided, That the entire work is to be performed in accordance with plans and specifications approved by DWSD and constructed under the inspection and approval of DWSD; and further

Provided, That the entire cost of the proposed water main construction, including inspection, survey, design, and engineering shall be borne by the petitioner; and further

Provided, That the petitioner shall deposit with DWSD, in advance of engineering, inspection and survey, such amount as DWSD deems necessary to cover the costs of these services; and further

Provided, That the petitioner shall grant the City of Detroit a satisfactory easement for the water mains; and further

Provided, That the petitioner shall provide DWSD with as-built drawings of the proposed water main; and further

Provided, That the petitioner shall provide a one (1) year warranty for the proposed water main once they are constructed; and further

Provided, That upon satisfactory completion, the water mains shall become City property and become part of the City sewer system and any existing water mains that were abandoned shall belong to the petitioner and will no longer be the responsibility of the City.

**RESOLUTION  
 SUPPORTING PARTICIPATION IN THE  
 MILLENNIAL MAYORS CONGRESS**

By Council Member Brown on behalf of Council President Pugh:

Whereas, The Millennial Mayors Conference is a voluntary, consensus-driven regional partnership of city officials and young leaders who work together to address metropolitan issues; and

Whereas, By incorporating the ideas and perspectives of southeast Michigan's young residents into public problem solving, the Millennial Mayors Congress creates opportunities to significantly innovate local governance and grow a culture of civic engagement throughout the region; and

Whereas, The City of Detroit and the Millennial Mayors Congress recognizes the health and vibrancy of the region's urban core is essential to greater regional prosperity and competitiveness; and

Whereas, The City of Detroit and the Millennial Mayors Congress believes that metropolitan Detroit's ability to retain and attract young adults (approximately 18-35 years old) is vital to economic prosperity; and

Whereas, The Millennial Mayors Congress recognizes the ability of southeast Michigan's local governments to cooperate is essential to resolving region-wide challenges; and

Whereas, Communities participating in the Millennial Mayors Congress sent at

least two delegates to serve on the Congress, including a Local Government Representative and a Millennial Representative appointed by the municipality's legislative body; and

Now, Therefore Be It

Resolved, That the Detroit City Council hereby supports the City of Detroit's participation in the Millennial Mayors Congress in an effort to increase regional cooperation and empower young leaders to take an active role in shaping their communities and metropolitan Detroit; and

Be It Further

Resolved, That the Detroit City Council will appoint representative to serve on the Millennial Mayors Congress; and

Be it Finally

Resolved, That a copy of this resolution be forwarded to the Mayor's Office as well as the Millennial Mayors Congress.

Adopted as follows:

Yeas — Council Members Brown, Cockrel, Jr., Jenkins, Spivey, Tate, Watson, and President Pugh — 7.

**RESOLUTION**

By COUNCIL MEMBER SPIVEY:

RESOLVED, In keeping with the requirements of the Open Meetings Act, MCL 15.268(H), a Closed Session of the Detroit City Council is hereby called for Thursday, February 14, 2013 at 9:00 a.m. for the purpose of consulting with attorneys from the Law Department and Research and Analysis Division to a report submitted by the Law Department dated February 8, 2013 entitled *Citizens United Against Corrupt Government vs Detroit City Council; (Case No. 13-001669-AW)*.

Adopted as follows:

Yeas — Council Members Brown, Cockrel, Jr., Jenkins, Spivey, Tate, Watson, and President Pugh — 7.

Nays — None.

**Taken from the Table**

Council Member Saunteel Jenkins moved to take from the Table an ordinance to amend Chapter 61 of the 1984 Detroit City Code, "Zoning," commonly known as the Detroit Zoning Ordinance, by amending Article XVII, District Map No. 11 to modify the PD (Planned Development District) zoning classification established by Ordinance 512-H on property generally bounded by Wight Street (extended), the Coast Guard facility, the Detroit River, and East Harbortown Drive, known as 250 E. Harbortown Drive, to provide for a 5-story apartment building, associated parking lot, and community building, laid on the table October 9, 2012, which motion prevailed.

Adopted as follows:

Yeas — Council Members Brown, Cockrel, Jr., Jenkins, Spivey, Tate, Watson, and President Pugh — 7.

Nays — None.

\*WAIVER OF RECONSIDERATION (No. 1), per motions before adjournment. Title to the Ordinance was confirmed.

Respectfully submitted,

ANDRE DUPERRY

Chief Procurement Officer

Finance Dept./Purchasing Div.

By Council Member Tate:

Resolved, That Contract No. **2705292** referred to in the foregoing communication dated January 31, 2013 be hereby and is approved.

Adopted as follows:

Yeas — Council Members Brown, Cockrel, Jr., Jenkins, Spivey, Tate, Watson, and President Pugh — 7.

Nays — None.

\*WAIVER OF RECONSIDERATION (No. 2), per motions before adjournment.

**RESOLUTION**

By Council Member Tate:

Whereas, The Recreation Department has requested authorization from the City Council to submit three applications for financial assistance — in the amount of \$600,000, to the State of Michigan Department of Natural Resources Trust Fund to create park upgrades in Coleman Young Park and Dorais Park, and in the amount of \$45,000 to the Recreation Passport Grant to create park improvements to the In-Town Youth Camp in Rouge Park; and

Whereas, The Recreation Department will have \$250,000 available in its 2013-14 General Fund allocation for capital improvements for the required City match for the Trust Fund request, and \$11,250 for the required City match for the Recreation Passport Grant request.

Now, Therefore Be It

Resolved, That the Director of the Recreation Department be and is hereby authorized to apply for above project.

Adopted as follows:

Yeas — Council Members Brown, Cockrel, Jr., Jenkins, Spivey, Tate, Watson, and President Pugh — 7.

Nays — None.

\*WAIVER OF RECONSIDERATION (No. 3), per motions before adjournment.

**RESOLUTION REGARDING THE  
COMMUNITY ACTION AGENCY  
SELECTION PROCESS**

By Council Member Tate:

Whereas, Detroit City Council has approved a resolution that would ultimately de-designate the Detroit Department of Human Services as the Community Action Agency (CAA) servicing the City of Detroit; the de-designation is scheduled to occur when a new CAA is designated; and

Whereas, Although, the selection process was scheduled to conclude during the summer/early fall of 2012, no CAA has been chosen to date; and

Whereas, There was a bidding process established to select a new CAA, but the bids did not garner the kind of results that were originally anticipated. Critical examination of the responses reveal that the kind of agency sought needed to better clarified; and

Whereas, The Michigan Department of Health and Human Services has requested input from the City Council to guide the decisions being made regarding the selection of a new CAA; and

Whereas, City Council was presented with five (5) potential categorical options to select from. City Council has chosen to support an option that would open up the bid process to smaller Detroit-based agencies that are willing to fulfill the spirit of the designation and embrace the large changes that will be required by the agency; and

Whereas, The current Workforce Investment Action regulation requires that a Tripartite Board be created to govern the Community Action Agency. This board is made up of three categories of individuals: local government; low-income community members; and religious, business and industry members serving the community. The Tripartite Board once established, will have to govern the organization's entire operation, so if an existing organization is chosen this Tripartite Board could supplant the organization's existing board; and

Whereas, Although, the City Council is willing to select a category from the options provided, it is felt that a vital option was missing from the five proffered; this sixth option would allow the City of Detroit to maintain its CAA designation until after the City's general election. I all likelihood, the City of Detroit will have new leadership within a year's time

and the new Administration should be given the opportunity to create a plan for the delivery of services to the poor and disadvantaged.

Now, Therefore Be It

Resolved, The Detroit City Council supports tailoring the bid package to attract smaller Detroit-based non-profits that are more likely to reinvent themselves to become a CAA by supplanting their existing governing structure and creating a Tripartite Board because it is thought that would be willing to truly fulfill the spirit of the designation; and

Be It Further

Resolved, The Detroit City Council also urges the State to allow the City of Detroit to retain its CAA designation until after the newly elected Mayor is put in place and given an opportunity to decide whether that Administration is desirous to keep the Detroit Department of Human Services; and

Be It Finally

Resolved, That a copy of this resolution be sent to the Michigan Department of Human Services, the Mayor's Office and the Detroit Department of Human Services (DDHS).

**TESTIMONIAL RESOLUTIONS AND SPECIAL PRIVILEGE:**

Council Member Watson, on behalf of Council President Pugh, moved for adoption of the following resolution:

**RESOLUTION IN MEMORIAM LEOLA ALLEN**

By COUNCIL PRESIDENT PUGH Joined By COUNCIL MEMBER SPIVEY:

WHEREAS, Leola Allen was loved by family and friends. she generously shared of her time and confidently shared of her

wisdom — especially with family. Her laughter and kindness was contagious and continues to live through the fond memories of the many lives she touched; and

WHEREAS, Leola Washington, the eldest of six children, was born on February 3, 1939, in Sumpter, South Carolina to the union of the late Samuel and Carrie Washington; and

WHEREAS, In pursuit of a better life, the family moved to Brooklyn, New York in 1940. Leola was a product of the Brooklyn Public School System. At a young age, Leola gave her life to Christ as a member of Washington Temple Church of God in Christ, where she later joined the church choir, thusly inspiring the creation of an original singing group, The Vocalaires. In 1952, at the tender age of 13, and while serving as lead singer of the Vocalaires, Leola landed the group a performance at the historic Apollo Theater of Harlem New York. This ultimately led to a recording contract with Decca Records. Over the next several years, the vocalaires toured extensively, produced and recorded three original songs and sang backup for the late Rock and Roll legendary singer, Elvis Presley; and

WHEREAS, In 1958, Leola met the love of her life Mr. Eugene Allen while on a blind date. Two years later, the two were joined together in holy matrimony. To this union two children were born, LaSonja and Lisa. In 1965, the family moved to Detroit, Michigan. Shortly after, she landed a job with National Bank of Detroit, where she worked and held numerous positions for 30 years. She later became a member of Ebenezer African Methodist Episcopal Church, where she served as president of the church choir; and

WHEREAS, Leola enjoyed life to its fullest. She inherited the spiritual birthright and assignment of "Matriarch" of the family, a sacred responsibility she enjoyed. As the matriarch, she loved hosting family gatherings, parties, cooking, singing, playing bid whist, and traveling, but her greatest love was her family. Leola will be sorely missed by her loving husband Eugene Alley; two daughters, Lasonja and Lisa; three grandchildren, Tony, Terrell and Chevon, two great-grandchildren, Terrell Jr., and Lillah; one sister, Gladys; one brother, Sam; sister-in-law, Yvonne and a host of nieces nephews, cousins, friends and loved ones. Her warmth, kindness, and bright smile will never be forgotten. NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council hereby joins family and friends in celebrating the life of Leola Allen;. May memories of her love, faith, compassion and generosity continue to fill the hearts of the many lives she touched.

**TESTIMONIAL RESOLUTION  
FOR  
JULIE DASH  
Filmmaker**

By COUNCIL MEMBER WATSON:

WHEREAS, The Detroit City Council is pleased to welcome celebrated filmmaker Julie Dash to our great city as the 2013 Bob Allison (Allesee) Endowed Professor in Media in the Department of Communication, Wayne State University, conducting a master class in film production for the winter semester, and

WHEREAS, Dash is in residence January-April, 2013 leading two courses in the Department of Communication and participating in a series of public screenings and special events in Detroit's mid-town cultural district, and

WHEREAS, Ms. Dash, recognized for her talents as a screenwriter, director, author and producer, is distinguished as director of the first film by an African American woman to receive a general theatrical release in the United States. This landmark first feature *Daughters of the Dust* (1991) was named to the National Film Registry in 2004 by the Library of Congress. Today it is one of only 625 American films to receive this designation as a national treasure, and

WHEREAS, Dash began her film studies at the Studio Museum in Harlem in 1969, receiving her B.A. in film production from the City College of New York in 1974. She went on to become a fellow at the American Film Institute's Center for Advanced Film Studies before earning her M.F.A. in film and television production at UCLA in 1985. In 1977 she made *The Diary of an African Nun*, a film based on a short story by Alice Walker, which won a student award from the Directors Guild of America. Dash's critically acclaimed short film *Illusions* (1982) won the Black Filmmakers Foundation Jury Prize for Best Film of the Decade. Her 2004 short film *Brothers of the Borderland* is on permanent exhibition at the National Underground Railroad Freedom Center Museum in Cincinnati, Ohio, and

WHEREAS, Her roster of television films includes the romantic thriller *Incognito* (1999), the domestic drama *Funny Valentines* (1999), *Love Song* (2000), featuring R&B singer Monica Arnold, and *The Rosa Parks Story* (2002), starring Angela Bassett, which was nominated for an NAACP Image Award. She has directed music videos for Tony! Toni! Toné!, Keb' Mo', Peabo Bryson, Adriana Evans, Sweet Honey in the Rock and

Tracy Chapman. She is slated to direct the feature film *Tupelo 77*, which is scheduled to begin production in summer 2013, and

WHEREAS, The City Council joins Wayne State University in saluting Dash at a special event on Thursday, January 24, as WSU's Department of Communication and the Friends of the Detroit Film Theatre present *An Evening with Film Director Julie Dash* and screening of the Emmy-nominated and Image Award winning film *The Rosa Parks Story* (2002), which Dash presents February 2. Dash returns to the Detroit Film Theatre in March and April as guest curator of a series of influential films: Paul Marino and Kurt Norton's *These Amazing Shadows* on March 30, Marcel Camus' Academy Award-winning film *Black Orpheus* on April 6, and the powerful film by Shirley Clarke *The Cool World* on April 20, and

WHEREAS, The retrospective continues on February 9 at the Charles H. Wright Museum of African American History with a slated screening of *Funny Valentines* (1999) starring Afre Woodard, CCH Pounder and Loretta Devine, and culminates February 15 at the N'Namdi Center for Contemporary Art with an evening of selected film shorts, and

WHEREAS, Julie Dash's work has helped transform the landscape of American Cinema as an artist of such clear vision and integrity, destined to create a synergy of creativity and inspiration. The insights she brings from the vantage point of her experience in both independent and Hollywood industry motion picture production will be invaluable to our student aspiring filmmakers as well as to the Detroit community, THEN BE IT THEREFORE

RESOLVED, That the Detroit City Council extends greetings and welcome to filmmaker, Julie Dash and we extend congratulations on her being selected as the 2013 Bobby Allison (Allesee) Endowed Professor in Media in the Department of Communications, Wayne State University.

**RESOLUTION  
IN MEMORIAM FOR  
TED TALBERT**

**Journalist, Historian, Producer,  
Filmmaker**

By COUNCIL MEMBER WATSON:

WHEREAS, Born in Detroit, Mr. Ted Talbert was a graduate of Northern High School, where he was valedictorian for the Class of 1961. After graduation, Mr. Talbert attended Mt. San Antonio College near Los Angeles. Afterward, he performed comedy routines in New York City, and

WHEREAS, By the early 1970s, Mr. Talbert tapped into his interest in journalism and began writing and producing documentaries. He was well known for his films on Detroit's history, particularly the African-American community, and

WHEREAS, His penetrating, well-crafted documentaries have made Ted Talbert one of the best documentary television producers in the country. For the past 30 years, Talbert's artistic style and knowledge of history have helped viewers understand the social, economic and political experiences of Michigan's African American community, and

WHEREAS, Talbert has written and produced 30 films for most of the television stations in Detroit, but he has been with WDIV-TV, Channel 4, since 1989. His straightforward, accurate presentation of history has resulted in many awards, including four Emmys. He was honored with the Detroit Emmy Award for "Letterman of the Law," a documentary about athletes who become lawyers. He has been honored with the Achievement of Merit Award from Ohio State University and the Meritorious Achievement Award from the Detroit chapter of the Tuskegee Airmen. The common thread in all of Talbert's works concerns the struggles and successes of African Americans — heroes, champions and ordinary people, and

WHEREAS, Talbert's passion to document the African American experience led to the Joe Louis Video Memorial at the Cobo Convention Center. The room features his award-winning documentary, "And Still the Champ," a film showing Joe Louis as a winner inside and outside the ring. He is one of the founders of the Joe Louis Hall of Fame. In addition to being a fine journalist and historian, Talbert shares his talent and experiences with younger journalists. He has lectured at the University of Missouri School of Journalism, Wayne State University, Wayne County Community College, as well as other regional high schools, and

WHEREAS, Mr. Ted Talbert was inducted into Michigan's Journalism Hall of Fame in 2000. He is credited with producing some of the best documentaries in the country. "Talbert's artistic style and knowledge of history have helped viewers understand the social economic and political experience of Michigan's African-American community," his induction text reads Mr. Talbert who collected historical words, images and sounds — all of which have captured African American society. He used these to teach people about history ignored by most media, and in doing so, he fought ignorance, racism and injustice, and

WHEREAS, About 15 years ago, Mr. Talbert began honoring community leaders and other with a Brown Bomber

Jacket for contributions to the community and society. In 2011, President Barack Obama received one on his visit to Detroit for Labor Day. NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council extends its heartfelt sympathy to the family of the late Ted Talbert and acknowledges the larger-than-life legacy of Mr. Talbert and we thank him for sharing his extraordinary gifts as a journalist, historian, producer, and filmmaker.

Present — Council Members Brown, Cockrel, Jr., Jenkins, Jones, Spivey, Tate, Watson, and President Pugh — 8.

### Invocation

Heavenly Father,

As we gather here today, we come to You asking for Your guidance, wisdom, and support throughout this meeting. Help us to engage in meaningful discussion; allow us to grow closer as a group and nurture the bonds of community. Father, fill us with Your grace, as we make decisions that might affect the security and peace of the people who live and work in Detroit and the surrounding areas. Father continue to remind us that the satisfaction gained in working together to lay the groundwork for rebuilding Detroit, that all that we do today, all that we accomplish, is for the pursuit of truth for the greater glory of You, and for the service of humanity. Father, You guide and govern everything with order and love. Look upon this assembly of our city council and fill them with the spirit of Your wisdom. May the council always act in accordance with Your will and all of their decisions be concerned with the peace and well-being of all. We pray today that You will be pleased with what is done here. We thank You for Your presence. Amen.

## VOTING ACTIONS MATTERS

### OTHER MATTERS

#### COMMUNICATIONS FROM MAYOR AND OTHER GOVERNMENTAL OFFICIALS AND AGENCIES PUBLIC COMMENT

**VALERIE GLENN:** I am representing 'Free Detroit No Consent', which is a broad based coalition of communities, unions and concerned citizens. I am here today on behalf of that organization and myself. I'm concerned about the events in this room on February 12, 2013 and indicate that under the mandate of 'Free Detroit No Consent' we oppose the misuse of police powers and police brutality. We feel that you were operating outside the color of law, it was an abuse of power; pattern and practice of abuse; creation of a riot type atmosphere.

**SANDRA HINES:** I'm looking at what is happening in the City, all of our assets; after we maintained this City because our fellow other folks didn't want to live next to us; didn't want to ride on the buses with other; didn't want to deal with us. They left the City and they left it to us and projected that when they left it we were going to tear it up and shut it down and it appears that what they projected as come true. All our assets have been given away and they have been given away by this body.

**PASTOR ELLEN BENNETT:** I was sent here by a spirit of God, if you can understand that, he put me on radio to pray for this City, the Council, the Mayor, the pastors and leaders. I love this City in 2011 the spirit of God told me that this is a takeover and that has come true. I'm disturbed that we are not speaking up for ourselves. I'm disturbed that spiritual leaders are not coming forth to speak up because we are the voice of God.

**MRS. PERSONS:** I'm here on behalf of last Tuesday. I went to church Wednesday to ask God to forgive me because I have never acted up that badly in a City Council meeting when I know that you are not going doing anything anyway. It just upset me the way things have been going on. I don't appreciate being put out of here and other people can stay. We pay taxes; we come down here every week to see about having our City get right. Where is all of our money? We stayed here, they left. They don't care about you. As soon as you get rid of us, every last one of you will be gone.

**STEVE OGDEN:** I am before you today to

request an amendment to a resolution that is before you this morning on a signage manner on the 1st National Bldg. There is a new coffee emporium. A New York entrepreneur moved back to the City to open a shop in the 1st National Bldg. and is having issue around a signage matter. It is a historical issue and last Wednesday, the Historic District Commission ruled in favor of the option that we had originally put forward. That open is not available today for you to vote on, so we would like to amend the resolution to include that option.

**Council President Pugh:** Mr. Ogden did you look at option 3 and 4?

**Ogden:** We did, the 1st option is the corporate logo of the entity that is coming into town. The best option that we determined was the best option for them was option 1.

**Pugh:** I was looking at option 3 which looks like you can have the company's logo but just on a surface that is in front of the marble. I am wondering why they can't do that.

**Ogden:** The challenge with option 3 is we are trying to also light the sign and we have to wire through a very difficult process and option 3 inhibits that process and we would have to incur a great deal of cost in order to re-route an easy fix on any options other than option 1.

**Pugh:** We are going to talk with our Chair and you are saying that you have information that disqualifies the first floor and that option 1, where they need to drill into the marble to light to sign?

**Ogden:** All of the 5 options drill into the marble; the column is a historic feature according to regulatory bodies here. We've sought that out and determined, with the help of the law department to show us where in the City Code where that is and no one has been able to do that.

**Council Member Jenkins:** I looked at the building and the pilasters, I am not an expert on historic preservation, but looking at the building and the sign options, I don't see how any of them will preserve the integrity of the building. I spoke with the law department and they don't believe that approving the 1st option would be any type of violation. I'm recommending that we amend the resolution to add option 1.

**ALFRED BARRON:** I would like your help in obtaining the deed to the property I bought on Frederick. I bought 6 lots last year and paid \$1680.00. I have been waiting for over a year to get my deed to this property.

**Jenkins:** You can put it on as a line item on Planning and Economic Development Standing Committee. I

apologize to you if my office told you to come down here to get this on as a line item. There was no need for you to come down here.

**Pugh:** Mr. Hollier from the Mayor's Office is going to talk to you and find out where in the process your deed is.

**MR. HAGGERTY:** I deal with lectures and workshops, this Friday at 5:00 p.m., I'm trying to gather City officials and residents of the City and discuss some solutions to this violence and crime in our City. Churches have to play a part in this. I am extending an invitation to the Council this Friday for about 45 minutes because I can't say it all in a minute and a half. I have some flyers and it is in today's paper. I give lectures and workshops on youth violence prevention and bullies. It will be at Second Timothy Baptist Church, at 4903 Maxwell on the corner of E. Warren; between Warren and Mack. My phone number is 313-658-2381.

**MS. JACKSON:** I have three questions, one to Mrs. Winfrey; will there be any changes in the voting process for the elections this year? The other question is for Mr. Brown; are you still entertaining the thought of leasing Belle Isle? The third question would be to the entire Council; how do you plan to improve the safety in the City of Detroit?

**Janice Winfrey, Detroit City Clerk:** The changes that you can expect for this upcoming election will be Council by district and the Police Commissioners by district, following the same districts as the Council. Those are the changes that you can expect.

**Pugh:** Those questions are too difficult to answer in the time that we have.

**DELIA ENWRIGHT:** I am President of Local 1023 from ASFMC. I represent civilians within the Police Department who are non-supervisory. I received lay-off notices for ten 911 operators who are normally at 103, are now down to 83 with leaves of absence. Ten of them would put this City at critical. It will be a mess. Most of them are now working 16 hours a day often forced to do so.

I received lay-off notices for 2 people from rap counseling and victims' assistance even though they are 100% funded by a Federal grant. I received 2 lay-off notices from identification section even though we all know that they are under the consent decree from 2001 and the City gets fined huge amounts of money that can't be matched by 2 of their lay-offs when they can't process a prisoner on time.

I received lay-off notices for 5 telephone crime reporting operators who

keep 2 people in a scout car from having to drive to someone's house to take a report when it's a non-emergency and there are 41 police officers sitting at telephone crime reporting making an average of \$48-50,000 a year doing their jobs and you are going to lay-off telephone crime reporting operators who make between \$11 and \$14 an hour doing the same job. I want to know if Council will look into this, those positions are normally exempted; it's going to cause a hazard to the public

**Council Member Brown:** This Council did raise that issue with the Mayor's Office, with Chris Andrews and others with regards to the last time we had lay-offs in the Police Department or furloughs days. They were laying off prisoners detention officers and replacing them with police officers that make twice as much as the civilians do and were on overtime to do it.

**I will recommend that the clerk line item this issue for Public Health and Safety so that we can address it** at our next meeting; get the administration in to articulate what the exemption policy will be. There should be no civilians because for every one that they furlough or lay-off they are going to have to replace the function with a police officer. It absolutely makes no sense to have virtual precincts; to close precincts that are community centers for the community and then put 41 police officers in crime reporting. You can't put those light duty police officers in the precincts and open them up. You are not saving anything by laying off civilians. It's costing you more money.

There should be no civilians laid-off there should be more hired because for everyone you put in that position you are replacing the police officer that's sitting behind a desk doing clerical administrative jobs. It's fiscally irresponsible to lay-off civilians in the Police Department at this time when they are providing a service and a function that a uniformed officer with a badge and gun could be in a scout car doing. The civilians can't patrol, they make half the salary of what police officers make and we've been talking about this for 3 years; 3 years about how to get more officers out in the street. The lay-off of civilians is going totally in the wrong direction

**We will line it.** I will try to raise the issue today when I leave the table with the Mayor's Office and try to get it resolved.

**MS. ENWRIGHT:** I appreciate you and also with the 911; the E911 funds that come in to cover 911, laying off ten people there is scary and TSRU that you are talking about, there are already about fourteen people, maybe more,

under budget. They are at forty-nine; they should be in the sixties.

**MS. BENNETT:** Prayed for the Council, Mayor and the City of Detroit.

**KEITH HINES:** Last week it was very interesting the way I was dragged on the floor and out of the Council chamber with an overly excessive use of police force. Mayor Bing threatened to shut down some parks because the Belle Isle issue didn't go. His so-called future city has something called the Cleveland Code and I have the code with. It gives the people around all those parks that he threatened to close the right to sue if it brings down their property values; individual lawsuits against the City. There is a document that I produced relative to the Wayne County Downtown Regional Authority, 3 days later RAD tells Mr. Kenyatta that it is not illegal for you to request the documents its just that RAD is refusing to provide you with the documents. We are talking about the deeds between Simon's Pizza and the City.

**RICHARD MACK:** I am coming to address line item 19 on the New Business Agenda with respect to the budget requested furlough days. What is not being told that the City came to the Unions and the Unions came forward with over a \$100,000,000 in savings; concessions. We still don't know why that tentative agreement was signed but not ratified by Council. Today it would be a travesty for this Council to approve a 10% cut. First of all it says on certain employees, we don't know who those employees are. What typically happens with furlough days; which is why the Mayor, the COO, Chris Brown and all the others last year said furloughs are a bad idea. The people who are doing the furloughs are those who already are not doing overtime; they are usually making around \$30,000 a year. Remember they already have a 10% cut in their base wage, so you have these 600 people, whoever they are, going from 30 to 27 and now they are going to be shouldering the burden of going another \$3,000 while the other employees continue working overtime. This union has said that we are trying to get rid of all of these disputes; we are trying to sit down and get a full contract. We have better ways to get at the \$3,000,000 in savings the City claims it needs as opposed to leaning on 600 helpless, \$27,000 a year employees, as oppose to spreading it across. There are better ways to do this. We can recapture the tens of millions of dollars lost in the health care savings where the City bungled the role out of that. We've been telling the City. There is a

meeting set up between the City and the ASFMC Unions this week. How is it that we are at an impasse where we are not trying to resolve all of these issues. Some of the unions in the coalition that they are going to be imposing on haven't even met with the unions yet about the specifics of what it is that the City needs. I think it is unfortunate for this body to be asked to evaluate something we have no knowledge of, we don't know who is going to be impacted; just being asked to vote on it yes or no under fear that the Governor is going do something. We say that you don't consider this today and ask the City to continue talking with the unions like it has claimed that it wants to do because a resolution is close.

Re: Physiomatrix vs. City of Detroit. Case No.: 11-011 031 NF. File No.: A20000.003242 (DB).

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that a settlement in the amount of Eighteen Thousand Dollars (\$18,000.00) is in the best interest of the City of Detroit.

We, therefore, request authorization to settle this matter in the amount of Eighteen Thousand Dollars (\$18,000.00) and that your Honorable Body direct the Finance Director to issue a draft in that amount payable to Gary Blumberg, its attorney, and Physiomatrix, Inc., to be delivered upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in Lawsuit No. 11-011 031 NF, approved by the Law Department.

Re: Hugh Lusk vs. City of Detroit. Case No. 12-005623-NF (SLdeJ). Matter No.: A20000.003382.

On January 28, 2013, a case evaluation panel evaluated the above-captioned lawsuit and awarded Eighteen Thousand Five Hundred Dollars (\$18,500.00) in favor of Plaintiff. The

parties have until February 25, 2013, to either accept or reject the case evaluation. Failure to file a written acceptance or rejection within this period constitutes a rejection.

Based upon our review of the facts and particulars of this lawsuit, which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body, it is our considered opinion that acceptance of the case evaluation award is in the best interest of the City of Detroit.

We, therefore, request your Honorable Body to authorize acceptance of the case evaluation award; and, in the event that Plaintiff accepts the award, to deem such acceptance as a settlement and to direct the Finance Director to issue a draft in the amount of Eighteen Thousand Five Hundred Dollars (\$18,500.00) payable to Hugh Lusk and his attorneys, Goren, Goren & Harris, to be delivered upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in Lawsuit No. 12-005623-NF, approved by the Law Department.

A. 1. The parties shall submit to arbitration all matter in controversy raised in the above-named lawsuit.

2. Plaintiff shall recover a minimum amount of One Dollar (\$1.00).

The maximum amount of any award to the Plaintiff shall not exceed the amount of Sixty Thousand Dollars (\$60,000.00).

3. Any award under \$0.00 shall be interpreted to be in the amount of \$1.00.

Any award in excess of \$60,000.00 shall be interpreted to be in the amount of \$60,000.00.

There shall be no costs, fees, attorney fees or interest taxable with respect to the award rendered by the arbitrators.

The award of the arbitrators shall represent a full and final settlement of any amounts due and owing to Plaintiff for any and all claims arising out of the incident which occurred on or about February 28, 2011 at or near Schaefer at Grove; however, limited judicial review may be obtained in a Michigan Federal District Court or Michigan Circuit Court of competent jurisdiction (a) in accordance with the standards for review of arbitration awards as established by law; or (b) on the ground that the arbitrators committed an error of law.

B. Promptly after the arbitrators announce their decision, the Law Department shall inform City Council in writing of that decision.

C. Upon certification by the Law Department that the arbitrators have announced a decision requiring the City to pay part or all \$60,000.00 to the Plaintiff, the Finance Director is authorized to issue a draft drawn upon the proper account in favor of Sharon Pettway and her attorneys, Romano Law, P.C., in the amount of the arbitrators' award, but said draft may not be less than One Dollar (\$1.00) and shall not exceed Sixty Thousand Dollars (\$60,000.00).

Honorable City Council:

Re: Rescission of Transfer of Jurisdiction of 5601, 5815 and 5851 W. Jefferson (Revere Copper & Brass) to DWSD for Failure of Consideration; and Transfer of Jurisdiction to P&DD.

On June 30, 2008, this Honorable Body adopted a resolution approving the designation of the Detroit Water and Sewerage Department as the department to manage and maintain the real property commonly known as "Revere Copper & Brass," located at 5601, 5815, and 5851 W. Jefferson, and as more particularly described on the attached Exhibit A.

The Revere Copper & Brass site is approximately 28.663 acres, and is zoned M-4 (Intensive Industrial District). The property was valued in 2008 at \$5 million. The transfer of jurisdiction of the Revere Copper & Brass site from the Planning and Development Department to DWSD was in consideration of DWSD's payment of \$5 million. DWSD has delayed, refused, and failed to pay the \$5 million it agreed to pay in exchange for the transfer of jurisdiction of the Revere Copper & Brass site to DWSD. Accordingly, I hereby request this Honorable Body RESCIND the resolution adopted on June 30, 2008.

In accordance with City Code §14-8-3, I have designated the Planning and Development Department as the department to manage and maintain the Revere Copper & Brass site and I am hereby requesting that your Honorable Body adopt the attached resolution which approves this designation.

Respectfully submitted,

#### City Planning Commission

February 11, 2013

Honorable City Council:

Re: The proposal to amend Chapter 61 of the 1984 Detroit City Code, Zoning, with regard to provisions for Urban Agriculture (Recommend approval).

On December 6, 2012, the City Planning Commission (CPC) voted to recommend approval of the proposal to amend Chapter 61 of the 1984 Detroit City Code, Zoning, with regard to provisions for Urban Agriculture.

#### OVERVIEW

It is well known that Detroit has a vigorous grassroots urban agriculture movement. Detroit is noted internationally for the community initiative in this regard and

its response to the expanse of vacant land in the city. There are probably over 1,000 community, school and institutional gardens, and even more backyard gardens. The number of community gardens continues to grow with a few projects being closer to small scale farming that community gardening. There is also increased interest in using vacant land in the city for large-scale commercial farming. The largest proposal to-date is for a de facto tree farm of approximately 144 acres consisting of more than 1,500 city lots Hantz Woodlands). Currently, the City Code neither defines nor sets standards for community gardening or commercial agriculture.

Detroit's community, school, family and church gardens range in size from backyard plots to about two acres or approximately 14 average city lots. The number of community gardens increases yearly. There are also at least six small farms, the largest being seven acres, that produce food specifically for sale through markets, direct sale to restaurants and others, through Community Supported Agriculture (CSA) shares and/or for soup kitchens and emergency food providers. In addition to agriculture activity taking place by methods of growing outdoors directly from the soil, there is growing interest in indoor growing systems, as well as fish farming.

Detroit growers are producing a variety of vegetables, fruits, and herbs. So much is being grown that small farmers' markets are being established throughout the city. Ten farmers' markets were operating once a week, throughout the 2012 growing season.

Thus, all of the current and proposed activity necessitated devising a comprehensive ordinance to deal with various types and aspects of urban agriculture. It should be noted that legalizing the keeping of chickens, rabbits, and bees was also discussed. However, it was decided to bring forth an ordinance focusing on plant cultivation (along with fish farming) first and give special attention to keeping animals as part of subsequent consideration and next steps.

#### **BACKGROUND**

##### **The Urban Agriculture Workgroup (UAW)**

In 2009, as a result of issues raised by CPC staff regarding the need for policy and codes to facilitate and regulate agriculture in Detroit, City Council charged the CPC with the responsibility of moving forward with devising that which was deemed necessary to allow agriculture to take place with certain provisions and protections. CPC staff began to research codes and policies from other cities, and in August of 2009, convened the Urban Agriculture Workgroup, to review and give input on proposed codes and policies for the City of Detroit.

The initial group of stakeholders for the workgroup included individuals from organizations and institutions having long-standing status in the community working to promote urban agriculture and food security in Detroit, as well as representatives from City departments. Members included representatives from the Detroit Black Community Food Security Network; the Greening of Detroit; Earthworks Urban Farm; Michigan State University; Wayne State University; and City departments including Planning and Development; Recreation; Health and Wellness Promotion; and, Buildings, Safety Engineering and Environmental.

The efforts of the workgroup were stalled for more than a year, when in early 2010, during our research, staff became aware of local authority issues that would arise as a result of the Michigan Right To Farm Act; and staff worked with a number of State agencies, organizations, the Law and Planning departments at WSU, as well as the City's Law Department to resolve our concerns and issues (to be discussed later in this report). However, anticipating our concerns to be resolved at some point, the workgroup was reconvened in October of 2011, with an expanded membership, to complete its review of, and give input on, all aspects of the ordinance that is now before the Commission.

The expanded Urban Agriculture Workgroup consists of representatives from the following organizations, agencies, City departments and private interests: Freedom Freedom Community Garden; Earthworks Urban Farm; Detroit Black Community Food Security Network; Greening of Detroit; Neighbors Building Brightmoor; Hantz Woodlands; Recovery Park; Genesis HOPE Community Development Corporation; Community Development Advocates of Detroit (CDAD); Lower Eastside Action Plan (LEAP); Detroiters Working for Environmental Justice (DWEJ); Green Door Initiative; Wayne State University (Law and Planning departments); Michigan State University (Extension); Michigan Department of Agriculture and Rural Development (MDARD); as well as representatives from the City including: the Planning and Development Department; Buildings, Safety Engineering and Environmental Department; Law Department; Detroit Water and Sewerage Department; and, the Detroit City Council Research and Analysis Division.

We anticipate that the UAW will be an ongoing advisory group (with added members) as the City continues to devise regulations and policies for agriculture; as well as dealing with additional programmatic and other activities associated with helping agriculture in Detroit to succeed.

##### **Issues Raised During the UAW Review**

There were a few issues/concerns raised during the discussions on the proposed ordinance that could not be resolved through the ordinance; namely concerns about the use of pesticides, other chemicals and genetically modified seeds and plants; as well as requirements for soil testing. MDARD provided State expertise on both the topic of pesticides and soil testing.

State law prohibits any municipality from devising an ordinance that conflicts with the State law on pesticides (Act 451, Part 83). This means that municipalities cannot choose which pesticides to prohibit. State law is based on the research and recommendations of the Environmental Protection Agency. The community of growers in Detroit is a well-organized network and it is probably safe to assume that the vast majority of Detroit growers (community gardens and farms) employ methods of pest control and increasing soil productivity that would have the least amount of impact to people and the environment. Prohibition of GMO (genetically modified organisms) seeds and plants is not practicable at this time. Detection and enforcement is beyond the capability of the City.

With regard to soil testing, most existing community gardens and farms have access to soil testing through the Garden Resource Program and/or know how and where to send soil samples for testing. The City does not have the capability to interpret the result of soil tests; however, obtaining a soil test, with interpretation will be part of the site plan review process for all urban farms.

It is still our intent to continue to explore ways to address these concerns. In the short term, we will work with MSU, MDARD, and our local experts to develop a "best practices manual" for urban gardens and urban farms. The manual will address the issues and practices for which we are not able to develop specific standards. For the long term, we will continue to study these issues with the UAW and partner with other organizations to work towards better knowledge of impacts and possible need for legislative changes.

The keeping of animals, specifically chickens, rabbits and honey bees was also discussed at length. Presently, City Code prohibits owning, harboring, keeping, maintaining, selling or transferring farm or wild animals (Section 6-1-3 Animal Control, Regulation and Care). Our original intent was to propose an amendment to the City Code to allow for certain farm animals under specific conditions. However, most community concern about urban agriculture is related to animals. Additionally, how animals should be regulated, which departments should hold what responsibilities, and other concerns brought us to the conclusion that farm ani-

mals and beekeeping would take more time and should be handled as an independent ordinance amendment. Thus, it was decided to bring on the cultivation (and fish farming) ordinance amendments forward at this time. Once this proposed ordinance is passed, we will revisit devising an ordinance regulating animals and honey bees.

#### **Public Engagement/Community Outreach and Inter-departmental Review**

In an effort to educate and get feedback from the general public on urban agriculture generally, and the provisions of the proposed ordinance specifically, CPC staff (partnering with the Detroit Food Policy Council) held three community meetings in September, 2012. The meetings included a gallery of photos with explanations of the new uses, in which zoning districts they would be allowed, and whether or not a public hearing was required. A presentation was given that covered the history and current state of urban agriculture in Detroit, an overview of the ordinance, and the ordinance approval process. The presentation was followed by a question and answer session. Nearly 200 persons in total attended the meetings held at three different locations: St. Maron Social Hall on St. Jean at Kercheval, Tabernacle Missionary Baptist Church on W. Grand Boulevard at Grand River, and at Greater Grace Temple on West Seven Mile near Telegraph.

Concerns raised included: access to City water and the possibility of reduced rates; the use of pesticides and GMOs; soil quality and testing; large farming operations; and farm animals (some in support and some against).

Following the community outreach, staff also engaged City departments to give a final review of the proposed draft. The only substantive change made to the original draft was to eliminate the proposed Agriculture Review Committee (devised for the purpose of reviewing projects of a certain size and/or those seeking a rezoning to an Agriculture Planned Development). Instead, all urban farms and all agriculture uses specified as conditional uses would be subject to Site Plan Review. The proposed site plan review process will require submittal of information specific to agricultural uses (including information about soil testing) and will include CPC staff as part of the review body, with other departments and experts included as necessary.

#### **SCOPE OF THE ORDINANCE**

The proposed urban agriculture ordinance adds a number of new uses to the Zoning Ordinance's existing zoning districts. It also establishes specific use standards and procedures of approval for these new uses. Specifically, the proposed ordinance would add:

- Definitions of several terms — aqua-

culture, aquaponics, compost, farmers' market, farm stand, greenhouse, hoop-house or high tunnel, hydroponics, nursery, orchard, rainwater catchment system, tree farm, urban farm, and urban garden;

- Specifications of the permissibility of urban agricultural land uses in the several zoning district classifications — whether permitted by-right or on a conditional basis;

- Requirement that urban farms and any conditional urban agricultural use be subject to site plan review; clarification as to appropriate site plan reviewers for urban agricultural uses; specification of submittal requirements for urban agricultural site plan review;

- Specific use standards for urban agricultural uses; and

- Specification of standards for accessory uses and accessory structures.

#### **Addendum to the Ordinance**

Upon further review of the proposed urban agriculture ordinance, staff discovered some minor, but important, changes that would improve the proposed ordinance and its integration into the existing Zoning Ordinance. Therefore, staff presented an addendum to the proposed ordinance during the CPC public hearing.

The City Planning Commission voted to accept the following additional changes to Chapter 61, Zoning, of the Detroit City Code:

- To address the existence of multiple versions of the use greenhouse/nursery:

- Remove the use "Greenhouse or nursery with stock for retail sales." (§§61-9-36(9), 61-9-62(13), 61-9-76(15), 61-9-116(17), 61-10-16(18), 61-10-36(18), 61-10-56(18), 61-10-76(18), 61-10-106(17), 61-12-50, 61-12-168, 61-14-48, 61-16-162, Appendix Div. 7.

- Replace the use "Greenhouse or nursery, wholesale sales only, including landscape contractors" with "Contractor yard, landscape or construction," newly specified use to be permitted in the same districts and on the same basis as wholesale greenhouses/nurseries heretofore (§§61-9-117(8), 61-10-17(3), 61-10-37(11), 61-10-57(14), 61-10-77(17), 61-10-97(17), 61-11-107(13), 61-12-61, 61-14-52, 61-16-112, Appendix Div. 7.

- Create a definition for "Contractor yard, landscape or construction." (§61-16-53 — Contractor yard, landscape or construction) Note: "construction contractor yard was inadvertently omitted from the list of permitted uses when the land use term "Trade services, general" was written into the new Zoning Ordinance adopted in 2005.

- Exclude retail greenhouses (i.e., garden centers) from the definition of greenhouse; garden centers to be treated as a "store of a generally recognized retail nature for the sale of new merchandise." (§§61-16-92, 61-16-175)

- Eliminate the proposed new definition, "nursery." (§61-16-142)

- Add "or for transplant" to the definition of "Tree farm":

- "Tree farm: Any parcel of land used to raise or harvest trees for wood products, Christmas trees, or for transplant, where forest products are sold on-site or transported to market. A tree farm as a principal use is considered an urban farm. (§61-16-182)

- To address the role of City review and procedure in dealing with specific concerns about agricultural projects and their impact on surrounding land uses:

- Add language to include the City Planning Commission, Department of Public Works, the Detroit Water and Sewerage Department, the Buildings, Safety Engineering and Environmental Department, the Planning and Development Department, and other departments and agencies as necessary, in site plan review of agricultural proposals. (§61-3-141, 61-3-142)

- Expand the applicability of site plan review to include any "orchard" and any group of more than ten (10) trees grown as "Christmas trees" (§61-3-113-(11)).

- Clarify the definition of "orchard" by specifying that an orchard consists of more than ten (10) trees: "The establishment, care, and harvesting of more than ten (10) fruit or nut bearing trees...." (§61-16-143).

- Expand the setback provisions to specify a fifteen (15)-foot setback between any orchard or group of more than ten (10) trees grown as "Christmas trees" and any lot line of a lot developed with a residential, public/civic/institutional, retail/service/commercial, or manufacturing/industrial land use (§61-12-329).

These changes are reflected in the draft ordinance that is before your Honorable Body for consideration.

#### **Nonconforming Uses and the Right to Farm Act**

In addition to the changes listed above, the proposed ordinance would also recognize certain existing urban agricultural operations as nonconforming uses that are subject to the nonconforming use regulations of Article XV of the Zoning Ordinance. The City is required to include this nonconforming use provision in the urban agriculture ordinance in order to fulfill the requirements of the administrative exemption that was granted to large municipalities by the Michigan Commission of Agriculture and Rural Development in December, 2011. The Commission exempted large locales by declaring that each of the eight existing Generally Accepted Agricultural Management Practices (GAAMPs) established under the Act did "not apply in municipalities with a population of 100,000 or more in which a zoning ordinance has been

enacted to allow for agriculture *provided that the ordinance designates existing agricultural operations present prior to the ordinance's adoption as legal non-conforming uses as identified by the Right to Farm Act for purposes of scale and type of agricultural use*" (emphasis added).

In order for Detroit's urban agriculture ordinance to comply with the Commission's terms of exemption, the non-conforming use provision must be included. The proposed ordinance language clarifies the meaning of "scale" and "type," establishes the procedure for granting nonconforming use status to an existing agricultural use, states that any change in scale or type will cause an operation to lose its nonconforming use status, and confirms that agricultural uses that are prohibited elsewhere in the City Code will not be given nonconforming status (e.g., farm animals, which are prohibited in Section 61-1-3 of the City Code). Furthermore, any pre-existing agricultural use that happens to conform to zoning district use permissibility and to the proposed agricultural development standards will be considered *conforming* and will not be given nonconforming status.

#### **DETROIT MASTER PLAN OF POLICIES**

CPC staff is working with P&DD on the needed amendment to the City's Master Plan to appropriately reference urban agriculture as an activity envisioned as desirable for the city. A public hearing on the Master Plan amendment will be convened at the CPC subsequent to the statutorily mandated 42-day notice and comment period afforded to interested parties including the 21 municipalities abutting Detroit.

#### **CITY PLANNING COMMISSION PUBLIC HEARING**

On December 6, 2012, the City Planning Commission held a public hearing on the proposed amendment. Twenty-four (24) members of the public spoke. Only two persons spoke in opposition. Two (2) letters of support were received.

#### **CRITERIA FOR ZONING ORDINANCE TEXT AMENDMENTS**

The Zoning Ordinance requires text amendments to meet three general criteria, as well as specific criteria related to new land uses, regulations, or standards. Staff finds that the proposed text amendment meets the stated general criteria, as listed below.

*(1) Whether the proposed amendment is consistent with the stated purposes of this Zoning Ordinance;*

The general purpose of the Zoning Ordinance is to promote and protect the public health, safety, and general welfare (Sec. 61-1-4). The proposed text amendment will accomplish this goal by allowing new agricultural uses that will permit people to produce their own healthy food and also to sell the food they produce,

which provides economic opportunity, thereby improving health and general welfare. At the same time, the ordinance would impose reasonable regulations in order to protect safety and the general welfare. The care with which these proposed regulations have been crafted and vetted through a transparent and public process addresses a specific purpose of the Zoning Ordinance (Sec. 61-1-5) by aiming to protect all parts of the city from the harmful encroachment by incompatible uses.

*(2) Whether the proposed amendment will protect the health, safety, or general welfare of the public;*

See (1), above.

*(3) Whether the proposed amendment corrects an error or meets the challenge of some changing condition, trend or fact.*

This proposed ordinance addresses a pressing need that has developed since the Zoning Ordinance was drafted years ago. Urban agriculture has been increasingly looked to as a way to address concerns about food security, health, economic opportunity, community building, and use of vacant land, among others. As a result, community gardens and both non- and for-profit farms have been established around the city. Many of these agricultural uses are not legal. Moreover, the City has received many requests to establish legal agricultural uses of various sizes. Often these requests involve the purchase of City-owned land. However, the City has a stated policy that it will not sell land for uses that are not permitted by the zoning ordinance. Therefore, this text amendment is needed in order to address a new strong demand for urban agriculture projects in Detroit.

The Zoning Ordinance also requires that the addition of specific land uses to the zoning districts be the most appropriate way to address the proposed land uses; that proposed regulations and standards be the most appropriate way to address any problems; and that the amendment be enforceable.

The CPC's staff considered different scenarios and options to address the need to allow urban agriculture in Detroit and determined that the present proposal to add additional uses to the lists of permissible uses in existing zoning district classifications is the most appropriate way to introduce agricultural uses to the zoning ordinance. Additionally, the proposed regulations and standards were crafted with the participation of a working group made up of diverse stakeholders. Given the extensive input received from agricultural experts, City departments, the Detroit urban agriculture community, and members of the public, the City Planning Commission finds that the proposed regulations are the most appropriate way to address urban agriculture in the city. Last,

there were many aspects of urban agriculture that were considered for inclusion in the ordinance (e.g., soil testing, pesticides, genetically-modified organisms, etc.), but were excluded because of the necessity of drafting an enforceable ordinance. The proposed ordinance provides a balance between appropriate regulation and enforceability.

**RECOMMENDATION**

Based on the finding that the proposed text amendment meets the Zoning Ordinance criteria and the December 6, 2012 action of the CPC in support of the proposed amendment; the CPC recommends that your Honorable Body adopt the proposed ordinance amendment to the Detroit Zoning Ordinance.

Honorable City Council:

Re: Zoning Ordinance Text Amendment for Urban Agriculture.

The report and recommendation of the City Planning Commission in support of the proposed Zoning Ordinance text amendment for urban agriculture, dated February 11, 2013 was referred to the Planning and Economic Development standing committee at the formal session of February 12, 2013.

However, the report did not include the attachment of the summary and ordinance which had been sent to the Law Department for its review and approval as to form. The draft summary and ordinance is attached hereto. We understand from the Law Department that the approved ordinance should be available soon, at which time your Honorable Body can introduce it and schedule the Charter-mandated public hearing.

Respectfully submitted,  
**MARCELL R. TODD, JR.**  
 Director

**SUMMARY**

This text amendment to the Detroit Zoning Ordinance, Chapter 61 of the 1984 Detroit City Code, for urban agriculture provides for the following:

- Definitions of several terms — aquaculture; aquaponics; compost; contractor yard, landscape or construction; farmers' market; farm stand; greenhouse; hoop-house or high tunnel; hydroponics; orchard; rainwater catchment system; tree farm; urban farm; and urban garden.
- Specifications of the permissibility of urban agricultural land uses in the several zoning district classifications — whether

permitted by right or on a conditional basis.

- Elimination of the use "greenhouse or nursery with stock for retail sales" and replacement of the use "greenhouse or nursery, wholesale sales only, including landscape contractors" with a new use "contractor yard, landscape or construction;" permitted in the same districts and on the same basis as the use it is replacing.

- Requirement that urban farms, orchards, any group of ten trees or more grown as Christmas trees, and any conditional urban agricultural use be subject to site plan review; clarification as to appropriate site plan reviewers for urban agricultural uses; specification of submittal requirements for urban agricultural site plan review.

- Specific use standards for urban agricultural uses.

- Specification of standards for accessory uses and accessory structures.

- Recognition of certain pre-existing agricultural operations as nonconforming uses and procedures for confirmation of legal, nonconforming use status.

By Council Member XXXX:

**AN ORDINANCE to amend Chapter 61 of the 1984 Detroit City Code, 'Zoning,' commonly known as the Detroit Zoning Ordinance, by adding Secs. 61-3-128, 61-12-77, 61-12-326, 61-12-327, 61-12-328, 61-12-329, 61-12-330, 61-12-331, 61-12-332, 61-12-333, 61-12-334, 61-12-335, 61-12-336, 61-12-337, 61-12-338, 61-12-339, 61-12-411, 61-12-412, 61-12-413, and 61-15-24 and by amending Secs. 61-3-113, 61-3-121, 61-3-141, 61-3-142, 61-8-18, 61-8-24, 61-8-38, 61-8-44, 61-8-58, 61-8-64, 61-8-78, 61-8-98, 61-8-118, 61-9-18, 61-9-36, 61-9-38, 61-9-58, 61-9-62, 61-9-76, 61-9-78, 61-9-84, 61-9-104, 61-9-116, 61-9-117, 61-9-118, 61-10-16, 61-10-17, 61-10-18, 61-10-24, 61-10-36, 61-10-37, 61-10-38, 61-10-44, 61-10-56, 61-10-57, 61-10-58, 61-10-64, 61-10-76, 61-10-77, 61-10-78, 61-10-84, 61-10-97, 61-10-98, 61-10-104, 61-11-11, 61-11-74, 61-11-94, 61-11-106, 61-11-107, 61-11-108, 61-11-114, 61-11-168, 61-11-174, 61-11-188, 61-11-194, 61-11-204, 61-11-230, 61-12-50, 61-12-61, 61-12-168, 61-14-48, 61-14-52, 61-16-33, 61-16-53, 61-16-81, 61-16-92, 61-16-103, 61-16-112, 61-16-143, 61-16-161, 61-16-162, 61-16-175, 61-16-182, and 61-16-191 to provide for the following:**

- Definitions of several terms — aquaculture; aquaponics; compost; contractor yard, landscape or construction; farmers' market; farm stand; greenhouse; hoop-house or high tunnel; hydroponics; orchard; rainwater catchment system; tree farm; urban farm; and urban garden.
- Specification of the permissibility of urban agricultural land uses in the several

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

**Section 1.** Chapter 61 of the 1984 Detroit City Code, “Zoning,” commonly known as the Detroit Zoning Ordinance, is amended by adding Secs. 61-3-128, **61-12-77**, 61-12-326, 61-12-327, 61-12-328, 61-12-329, 61-12-330, 61-12-331, 61-12-332, 61-12-333, 61-12-334, 61-12-335, 61-12-336, 61-12-337, 61-12-338, 61-12-339, 61-12-411, 61-12-412, 61-12-413, and 61-15-24 and by amending Secs. 61-3-113, 61-3-121, 61-3-141, 61-3-142, 61-8-18, 61-8-24, 61-8-38, 61-8-44, 61-8-58, 61-8-64, 61-8-78, 61-8-98, 61-8-118, 61-9-18, 61-9-36, 61-9-38, 61-9-58, 61-9-62, 61-9-76, 61-9-78, 61-9-84, 61-9-104, 61-9-116, 61-9-117, 61-9-118, 61-10-16, 61-10-17, 61-10-18, 61-10-24, 61-10-36, 61-10-37, 61-10-38, 61-10-44, 61-10-56, 61-10-57, 61-10-58, 61-10-64, 61-10-76, 61-10-77, 61-10-78, 61-10-84, 61-10-97, 61-10-98, 61-10-104, 61-11-11, 61-11-74, 61-11-94, 61-11-106, 61-11-107, 61-11-108, 61-11-114, 61-11-168, 61-11-174, 61-11-188, 61-11-194, 61-11-204, 61-11-230, 61-12-50, 61-12-61, 61-12-168, 61-14-48, 61-14-52, 61-16-33, 61-16-53, 61-16-81, 61-16-92, 61-16-103, 61-16-112, 61-16-143, 61-16-161, 61-16-162, 61-16-175, 61-16-182, and 61-16-191 as follows:

## CHAPTER 61. ZONING

### ARTICLE III.

#### REVIEW AND APPROVAL PROCEDURES (PART 1)

#### DIVISION 5. SITE PLAN REVIEW

##### Subdivision A. General.

##### Sec. 61-3-113. Applicability.

Applications for proposed develop-

ments that meet any one (1) or more of the applicability criteria in this section shall be reviewed through the site plan review process. Developments that do not meet any of the applicability criteria in this section shall be reviewed by the Buildings, Safety Engineering and Environmental Department through its permitting process. However, site plan review is not required for the construction or alteration of an individual single- or two-family dwelling.

(1) New construction that involves any one (1) of the following:

(a) Any new development that has more than twenty thousand (20,000) square feet of gross floor area, except that on land zoned M1, M2, M3, M4, or M5, the threshold for industrial uses shall be fifty thousand (50,000) square feet of gross floor area; or

(b) Projects with multiple principal structures on one zoning lot.

(c) Any multiple-family residential or loft development with more than twelve (12) dwelling units.

(d) Site Condominium developments.

(e) Projects in a one hundred (100) year floodplain.

(f) Any parking structure as defined in Sec. 61-16-151 of this Code.

(g) Any motor vehicle salesroom or sales lot for the sale of used vehicles.

(2) Additions and/or major structural alterations that involve any of the following:

(a) Any development that has not more than twenty thousand (20,000) square feet of gross floor area where the addition or alteration results in a cumulative total of more than twenty thousand (20,000) square feet of gross floor area, considering existing floor area and proposed additions, except that on land zoned M1, M2, M3, M4, or M5, the threshold for industrial uses shall be fifty thousand (50,000) square feet of gross floor area.

(b) An increase of twenty-five percent (25%) or more in gross square footage to an existing building that contains more than twenty thousand (20,000) square feet of gross floor area, except that on land zoned M1, M2, M3, M4, or M5, the threshold for industrial uses shall be fifty thousand (50,000) square feet of gross floor area.

(c) Projects in a one hundred (100) year floodplain.

(3) Any development with a lot area of more than one (1) acre in cumulative total (considering existing lot area and any proposed additional lot area), except that on land zoned M1, M2, M3, M4, or M5, the threshold for industrial uses shall be three (3) acres.

(4) Substantial changes in use within any building that has more than twenty thousand (20,000) square feet of gross floor area or of any use with a lot area of more than one (1) acre, except that on

land zoned M1, M2, M3, M4, or M5, the threshold for industrial uses shall be fifty thousand (50,000) square feet of gross floor area and three (3) acres. For purposes of site plan review, a substantial change in use is one that involves the establishment of a use from one of the major land use classifications that are set out in ARTICLE XII of this Chapter which are residential, public/civic/institutional, retail/service/commercial, manufacturing/industrial, and other, where the use immediately preceding the new use was from a different major land use classification.

(5) Any Conditional, Regulated, or Controlled land use and any case before the Board of Zoning Appeals as the body of first jurisdiction.

(6) Any use that has drive-up or drive-through facilities or a walk-up component.

(7) Animated signs as provided for in Sec. 61-6-71 of this Code.

(8) Projects within any PD, SD1, SD2, SD3, or SD5 District. However, in the SD1, SD2, SD3, and SD5 Districts, alterations to an existing structure, that do not involve additions or major structural alterations, qualify for "expedited review" as provided for in Sec. 61-3-121 of this Code.

(9) Projects within the SD4 District that involve the following four (4) utility uses: electric transformer station; gas regulator station; telephone exchange building; water works, reservoir, pumping station, or filtration plant.

(10) Projects seeking approval under the Alternative Residential Development Options provisions of ARTICLE XIII, DIVISION 3 of this Chapter.

(11) All urban farms; orchards, any group of ten (10) trees or more grown as Christmas trees; and all other agricultural uses specified as a conditional use in Sec. 61-12-77 of this Code.

(Ord. No. 11-05, §1, 5-28-05; Ord. No. 20-05, §1, 5-29-05; Ord. No. 34-05, §1, 12-06-05; Ord. No. 26-12, §1, 11-21-12)

#### **Subdivision B. Submission Requirements.**

#### **Sec. 61-3-121. Applicability; ~~Expedited~~ review.**

Urban farms and other agriculture uses requiring site plan review are subject only to the submission requirements as specified in Sec. 61-3-128 of this Code.

Plans that are subject to review solely by virtue of the provisions of Sec. 61-3-113(5) and Sec. 61-3-113(6) of this Code may be expedited by review limited to the Planning and Development Department and the Buildings, ~~and~~ Safety Engineering and Environmental Department, with the exception of farms and other agricultural uses, which shall always include the City Planning Commission. Similarly, in the SD1, SD2, SD3, SD4, and SD5 Districts, plans which relate to alterations to an existing structure, that do not involve additions or major structural alterations, may

be expedited by review limited to the Planning and Development Department or City Planning Commission, as appropriate, Advisory review by other such departments as is usually undertaken pursuant to Sec. 61-3-141 of this Code is not required in such cases of expedited review. The submittal requirements that apply in cases of expedited review are limited to those specified in Sec. 61-13-122, Sec. 61-3-123, Sec. 61-3-125, and Sec. 61-3-126 of this Code, with the exception of urban farms and other agricultural uses which shall meet the submittal requirements as specified in Sec. 61-3-128 of this Code only. The appropriate review body is authorized to tailor the information that is required by this subdivision to the site under consideration.

(Ord. No. 11-05, §1, 5-28-05; Ord. No. 20-05, §1, 5-29-05)

#### **Sec. 61-3-128. Submittal requirements for Urban Farms and other agricultural uses.**

Plans for urban farms and other agriculture uses shall include the following:

(1) Name, address, and telephone number of the applicant;

(2) Project name;

(3) Project address;

(4) Gross site area;

(5) Legal description with land area in square feet or acres;

(6) Location map showing:

(a) Site location;

(a) Delineated locations and boundaries of wetlands;

(b) Locations of all lakes, streams, rivers, creeks, brooks, ponds;

(c) Location of all existing structures on subject parcel and all structures within one hundred (100) feet of subject parcel;

(d) Delineated locations of sensitive land uses such as residences, schools, churches, hospitals, convalescent homes, child care facilities, hotels or motels, public parks, and similar community facilities within one hundred (100) feet of the subject parcel;

(8) A site plan that depicts or discloses the following specific information where applicable:

(a) Crop areas and general description of proposed crops;

(b) Location, description, and dimensions of proposed structures;

(c) Setbacks;

(d) Fencing or walls;

(e) Location of compost piles;

(f) Ingress and egress;

(g) Location of loading areas;

(h) Location of trash containers and/or dumpsters;

(i) Location of storage structures and items to be stored;

(9) A narrative that describes the following as applicable:

(a) The types, methods of application, and storage of proposed pesticides, herbicides, fertilizers and any other chemicals that will be used as part of the operation and process;

(b) The type of machinery and equipment proposed or any other facet of the proposed operation, especially as regards external emissions, such as noise, vibration, smoke, odor, dust, dirt, or other externality that may be a nuisance to adjacent surrounding land uses;

(c) Environmental impact of the proposed operation, especially with regard to air quality, water quality, soil erosion and sedimentation;

(d) Types of vehicles, hours and frequency of use and the proposed access routes;

(e) Waste-handling and disposal procedures for such as manure, organic and non-organic matter, and waste water;

(f) The use of a stormwater management plan, dust management plan, soil erosion plan, and other necessary plans and procedures;

(g) Evaluation of existing soil conditions and plans to mitigate soil issues, as necessary, and/or demonstration of how methods of cultivation and crops are protected from possible negative impacts;

(h) The applicant's compliance with any existing land use grants at other locations, and the operation's compliance with environmental, zoning, City of Detroit Master Plan, and any other applicable regulations, plans, and policies.

**Subdivision C. Authority to Review and Approve Site Plans.**

**Sec. 61-3-141. Planning and Development Department.**

Within the following zoning districts, the Planning and Development Department shall have the power to review and approve preliminary and final site plans: R1, R2, R3, R4, R5, R6, B1, B2, B3, B4, B5, B6, M1, M2, M3, M4, M5, P1, TM, PR, W1, SD1, SD2, SD3, and SD4 with less than three (3) acres. The Buildings, ~~and~~ Safety Engineering and Environmental Department is authorized to participate in the review of all site plans. The Planning and Development Department shall involve other such departments as deemed necessary for proper site plan review, including, but not limited to, ~~the Department of environmental affairs and the Recreation Department;~~ review of agricultural uses shall also include the City Planning Commission, the Department of Public Works, the Detroit Water and Sewerage Department, and other departments and agencies as necessary.

(Ord. No. 11-05, §1, 5-28-05; Ord. No. 20-05, §1, 5-29-05)

**Sec. 61-3-142. City Council.**

Within the following zoning districts, the City Council shall have the power to review and approve site plans, after recommendation from the City Planning Commission: PD, PC, PCA, SD4 with three (3) acres or more, and SD5. The City Planning Commission shall involve other such departments, as deemed necessary, for proper site plan review including, but not limited to, the Buildings, Safety Engineering and Environmental Department and the Recreation Department; review of agricultural uses shall also include the Planning and Development Department, the Department of Public Works, the Detroit Water and Sewerage Department, and other departments and agencies as necessary. Any preliminary site plan approval by City Council shall be indicated by the adoption of a resolution, or in the case of a PD District, by the passing of an ordinance. The City Council may delegate final site plan approval to the City Planning Commission, which shall act consistent with its bylaws.

**ARTICLE XI. SPECIAL PURPOSE ZONING DISTRICTS AND OVERLAY AREAS**

**DIVISION 2. PD PLANNED DEVELOPMENT DISTRICT**

**Sec. 61-11-11. Description.**

This district will permit planned developments throughout the City and will be particularly useful in urban renewal areas. Such planned developments shall be substantially in accord with the goals and objectives of the Master Plan, by having a major land use that corresponds to the most general category of land use, which are Residential, ~~Public/Civic/Institutional, Retail/Service/Commercial and Local Services, Manufacturing and Industrial, Mixed Use, Parks and Open Space~~ and Other, proposed in the Master Plan for the area involved. Such planned developments shall provide a desirable environment for the uses proposed and shall not be out of harmony with their general surroundings. The regulations of the district are designed to accomplish this by permitting flexibility in overall development while ensuring adequate safeguards and standards for public health, safety, convenience, and general welfare and, where applicable, encouraging historic preservation. Developers in both private and urban renewal areas are advised to confer with the Planning and Development Department or the City Planning Commission before investing large amounts of time and energy in preparing plans and proposals. The review and approval procedures for developments on land zoned PD are specified in ARTICLE III, DIVISION 4 of this Chapter.

(3) Oats, wheat, and rye, (in order to prevent rodents) except when used as a winter cover crop and not grown to full maturity.

**Sec. 61-12-327. Sale of farm products.**

Sale of farm products grown or produced at urban gardens and urban farms is allowed as an accessory use at a farm stand located on the property of the urban garden or urban farm from which the farm product is grown or produced as defined in Sec. 61-16-81. Sale of farm products grown or produced at urban gardens and urban farms is also allowed at farmers' markets as defined in Sec. 61-16-81 and subject to the provisions of Sec. 61-12-77, or directly to public or private entities, retail or wholesale.

**Sec. 61-12-328. Trash storage.**

Trash containers shall be located to the rear of the property unless the Department of Public Works determines that another location creates less impact on the adjacent properties.

**Sec. 61-12-329. Setback and height requirements.**

Garden-, farm-, and other agriculture-related buildings and structures must comply with the accessory structure setback and height requirements in ARTICLE XIII, Division 1 of this Chapter, with the exception of rear yard requirements.

Cultivation must comply with the following additional setback requirements:

(1) Crop areas must be set back at least five (5) feet from all property lines. The required setback must be covered with ground plants, which may include grasses (including native species and ornamental grasses).

(2) Orchards, and any group of ten (10) trees grown as Christmas trees, shall be set back at least fifteen (15) feet from the lot line of any lot developed with a residential, public/civic/institutional, retail/service/commercial, or manufacturing/industrial land use.

**Sec. 61-12-330. Lighting.**

Lighting, if provided, shall be shielded so that all directly emitted light falls within the property.

**Sec. 61-12-331. Signage.**

All signs are subject to ARTICLE VI of this Chapter.

**Sec. 61-12-332. Notice to abutting property owners and/or occupants.**

All urban gardens permitted on a conditional use basis and all urban farms shall provide each abutting property owner or occupant, and/or the first nearest property owner or occupant of an occupied dwelling or business, written notice of the garden or farm owner's or owner's agent's name, address, and telephone number for the urban garden or urban farm, no less than thirty (30) days prior to the start of any agricultural development or site preparation. The notice shall include a description of the planned agricultural use.

**Sec. 61-12-333. Property maintenance.**

(a) The property shall be maintained free of high grass (with the exception of purposely cultivated native species, which shall be allowed), weeds or debris. Dead garden plants shall be regularly removed; and in any instance, no later than November 30th of each year.

(b) Cultivated areas shall be prevented from encroaching onto adjacent properties or onto the public right-of-way.

(c) The property shall generally be maintained in an orderly and neat condition.

**Sec. 61-12-334. Drainage.**

The property shall be maintained so as to prevent the free flow of stormwater, irrigation water, chemicals, dirt, or mud across onto adjacent lots, properties, public streets, or alleys.

**Sec. 61-12-335. Nuisance; general.**

Agricultural operations shall not be detrimental to the physical environment or to public health and general welfare by reason of excessive production of noise, smoke, fumes, vibrations, or odors. All operating equipment, such as fans, shall be located or buffered so as to prevent unreasonably high noise levels at any point on the property boundary.

**Sec. 61-12-336. Motorized and other equipment; storage; noise; hours of operation.**

(a) Tools, supplies, and machinery shall be stored in an enclosed structure or removed from the property daily. All chemicals and fuels shall be stored off the ground, in an enclosed, locked structure when the site is unattended.

(b) Motorized equipment within a residential zoning district or residential planned development district shall be restricted to hours beginning at 8:00 A.M. and ending at 8:00 P.M. Equipment, such as fans, necessary for the operation of greenhouses is exempted from this provision.

**Sec. 61-12-337. Restroom facilities.**

If temporary restroom facilities are provided on site, they shall be screened on at least three (3) sides from public view by an opaque impact-resistant fence of sufficient height to screen the facility.

**Sec. 61-12-338. Compost piles.**

Compost piles, as defined in Sec. 61-16-53 of this Code, must be located as close as is practicable to the rear crop setback (five [5] feet from the property line) and at least twenty (20) feet from the nearest principal residential structure.

**Sec. 61-12-339. Compliance with other regulations.**

Agricultural operations shall comply with all applicable local, state, and federal regulations.

**Sec. 61-16-81. Words and terms (Fa-Fg).**

(Ord. No. 11-05, §1, 5-28-05) (Ord. No. 34-05, §1, 12-06-05)

Family	<p>[1] One person, or a group of two (2) or more persons living together, and interrelated by bonds of consanguinity, marriage, legal adoption, or guardianship, and occupying the whole or part of a dwelling as a separate housekeeping unit with a common and a single set of culinary facilities. The persons thus constituting a family may also include domestic servants employed solely on the premises. It may also include not more than four (4) foster children provided that the home is licensed as a foster home by the State of Michigan. [2] Two persons, interrelated by bonds of consanguinity, marriage, legal adoption, or guardianship, and one person not so interrelated, occupying the whole or part of a dwelling as a separate housekeeping unit with a common and a single set of culinary facilities. [3] Two persons not interrelated by bonds of consanguinity, marriage, legal adoption, or guardianship, provided that such group lives together and occupies a dwelling as a single housekeeping unit with a single set of culinary facilities, and provided that both members of the group have full access to all portions of the dwelling.</p> <p>A dwelling occupied under the provisions of this definition shall not be operated as a rooming house or an adult foster care home or child caring institution. [See also "functional family"]</p>
Family Day Care Home	A licensed day care center as an accessory use in a residential dwelling unit where at least one (1) but fewer than seven (7) minor children are received for care and supervision for periods of less than twenty-four (24) hours a day, unattended by a parent or legal guardian, except children related to an adult member of the family by blood, marriage, or adoption. Family Day Care Home includes a home that gives care to an unrelated minor child for more than four (4) weeks during a calendar year. For the purpose of this definition, "Private Home" means a private residence where the licensee or registrant permanently resides as a member of the household, which residency shall not be contingent upon caring for children. Notwithstanding its status as an

(Ord. No. 34-05, §1, 12-06-05)	accessory use, a family day care home requires a permit. A family day care home may not operate unless also licensed by the Michigan Department of Human Services.
Family, Functional	A group of persons that does not otherwise meet the definition of "family," living in a dwelling unit as a single house-keeping unit and intended to live together as a group for the indefinite future. This definition shall not include any club, fraternity, hotel, motel, rooming house or any other group of persons whose association is temporary or commercial in nature. (See Sec. 61-12-117 for specific use regulations that may apply to dwelling units occupied by a functional family.)

<u>Farm Stand</u>	<u>A temporary structure, accessory to an urban garden or urban farm for the display and sale of vegetables or produce, flowers, orchard products, locally-produced packaged food products and similar non-animal products grown of produced on the general property of the urban garden or urban farm upon which the stand is located.</u>
<b>Subdivision H. Letter "G"</b>	
<b>Sec. 61-16-92. Words and terms (Gn-Gz).</b> (Ord. No. 11-05, §1, 5-28-05; Ord. No. 01-10, §1, 04-01-10)	
Governmental Service Agency	A facility, generally operated by an agency of the government, that provides assistance, benefits, licenses, or advisory services to members of the public. These services may include counseling, legal aid, vocational rehabilitation, aid to the handicapped, welfare, or other social services.
Grade, Established	For purposes of regulating and determining the height or bulk of a building or structure, the term "established grade" shall mean the elevation of the sidewalk grade as fixed by the City. In those cases where no sidewalk exists or when the natural level of the ground is higher or lower than the grade established by the City Engineer, the average natural level of the ground shall be taken as the established grade.
Grade, Existing or Natural	The vertical elevation of the existing ground surface prior to excavation or filling.
Grade plane	A reference plane representing the average of finished ground level adjoining the building at exterior walls. Where the finished ground level slopes away from the exterior walls, the reference plane shall be established by the lowest points within the area between the building and the lot line or, where the lot line is more than six (6) feet from the building, between the building and a point six (6) feet from the building.
<u>Greenhouse</u>	<u>A building or structure whose roof and sides are made largely of glass or other transparent or translucent material and in which the temperature and humidity can be regulated for the cultivation of plants for personal use and/or for subsequent sale. A greenhouse may or may not be a permanent structure. Garden centers are not greenhouses. Garden centers, which may include a nursery or greenhouse as an accessory use, import most of the items sold — items such as plants, potting soil, and garden equipment. Garden centers shall be considered "stores of a generally recognized retail nature" for regulatory purposes.</u>

Gross Floor Area	The sum of the gross horizontal floor areas including: Areas occupied by fixtures and equipment for display or sale of merchandise, and mezzanines and other partial floor areas. Such area shall be measured from the exterior faces of exterior walls or from the centerline of walls separating two buildings or structures, excluding stairwells at each floor, elevator shafts at each floor, floors or parts of floors devoted exclusively to vehicular parking or loading, and all floors below the first or ground floor, except when used for or intended to be used for service by customers, patrons, clients, patients, or tenants.
Group "A" Cabaret.	A establishment open to the public which sells or serves alcoholic beverages for consumption on the premises with or without food, and either allows dancing with or without live entertainment, or provides three (3) or more live entertainers at one (1) time with or without dancing.
Group "B" Cabaret.	An establishment which sells or serves alcoholic beverages for consumption on the premises with or without food, and is a club, as define within Section 107 of the Michigan Liquor Control Act, being MCL 436.1107(3), which is licensed by the Michigan Liquor Control Commission.
Group "C" Cabaret.	An establishment open to the public which sells or serves alcoholic beverages for consumption on the premises with or without food, provides only one (1) or two (2) entertainers at one time, and does not allow dancing.

Group Day Care Home  (Ord. No. 34-05, §1, 12-06-05)	An accessory use to a private home, licensed by the Michigan Department of Human Services, where more than six (6) but not more than twelve (12) minor children are given care and supervision for periods of less than twenty-four (24) hours a day unattended by a parent or legal guardian, except children related to an adult member of the family by blood, marriage, or adoption. Group day care home includes a home that gives care to an unrelated minor child for more than four (4) weeks during a calendar year. Notwithstanding its status as an accessory use, a group day care home requires a permit.
Group Living (Use Category)	Residential occupancy of a dwelling unit by a group of people who do not meet the definition of Household Living. The size of the group may be larger than the average size of a family. Tenancy is arranged on a monthly or longer basis. Uses where tenancy may be arranged for a shorter period are not considered residential. They are considered to be a form of transient lodging (see the Retail Sales and Service and Community Service categories). Generally, Group Living structures have a common eating area for residents. The residents may receive care, training, or treatment, as long as the care givers also reside at the site. Examples include the following uses: <ul style="list-style-type: none"> <li>• Adult foster care facility</li> <li>• Assisted living facility</li> <li>• Convalescent, nursing, or rest home</li> <li>• Emergency shelter</li> <li>• Fraternity or sorority house</li> <li>• Residential substance abuse service facility</li> <li>• Rooming house</li> <li>• Shelter for victims of domestic violence</li> </ul> Lodging where tenancy may be arranged for periods of less than thirty (30) days is to be considered a hotel or motel use and classified in the Retail Sales and Service category.

	Lodging where the residents meet the definition of a “family” and where tenancy is arranged on a month-to-month basis, or for a longer period is classified as Household Living. Facilities for people who are under judicial detainment and under the supervisor of sworn officers are included in the Detention Facilities category.
<b>Subdivision I. Letter “H”</b>	
<b>Sec. 61-16-103. Words and terms (Hh-Hz).</b> (Ord. No. 11-05, §1, 5-28-05)	
Home Occupation	A business, profession, occupation or trade, conducted within a dwelling unit by a resident of the dwelling unit. Such occupation is incidental and subordinate to use of the dwelling for residential purposes.
<u>Hoophouse or High Tunnel</u>	<u>An unheated structure whose roof and sides are made largely of transparent or translucent material (not glass) for the purpose of the cultivation of plants for personal use and/or for subsequent sale.</u>
Horizontal Surface “A”	A circular plane, one hundred fifty (150) feet above the established airport elevation and having a radius of fifteen thousand (15,000) feet from the airport reference point.
Horizontal Surface “B”	A nearly rectangular plane, two hundred (200) feet above ground level, and longitudinally centered on the extended centerline of the major north-south runway at Detroit City Airport. Said plane begins at the periphery of horizontal surface “A”, extends in both northerly and southerly directions to the City limits, and is four miles wide, <i>i.e.</i> , two miles on either side of the extended runway centerline.
Hospice	Facilities providing in-patient care for individuals suffering from a terminal illness.
Hospital (Use Category)	Uses providing medical or surgical care to patients and offering overnight care. Examples include medical centers, hospitals, and hospices. Uses that provide exclusive care and planned treatment or training for psychiatric, alcohol, or drug problems, where patients are residents of the program, are classified in the Group Living category. Medical clinics or offices that provide care where patients are generally not kept overnight are classified as Offices.
Hotel	A building, or part of a building, or a group of buildings, on a single zoning lot, designed for or primarily occupied by transients: that contains more than ten (10) rooming or dwelling units, and where fewer than twenty-five percent (25%) of said units are independently accessible from the outside without the necessity of passing through the main lobby of the building. The term includes any such building or building group that is designated by the operator as a motor lodge, motor inn, or any other title intended for identification as providing lodging for compensation, and that is with or without a general kitchen and public dining room for the use of the occupants. Hotels are subject to licensing by the Business License Center, subject to the provisions of Chapter 44 of this Code.
House Trailer	Same as Trailer Coach. See “Recreational Vehicle” (See Sec. 61-16-161.)
Household Living (Use Category)	Residential occupancy of a dwelling unit by a “family” Tenancy is arranged on a month-to-month or longer basis. Uses where tenancy may be arranged for a shorter period are not considered residential. Examples include the following uses: <ul style="list-style-type: none"> <li>• Loft</li> <li>• Mobile home park</li> <li>• Multiple-family dwelling</li> <li>• Residential use combined in structures with permitted commercial uses</li> </ul>

	<p>Examples include the following uses:</p> <ul style="list-style-type: none"> <li>• Boarding school</li> <li>• Child caring institution</li> <li>• Dormitory</li> <li>• Penal or correctional institution; detention facility</li> <li>• Pre-release Adjustment Center</li> </ul>
<p>Intensification of Use</p> <p>(Ord. No. 20-05, §1, 5-29-05)</p>	<p>An intensification of use occurs where a use is added to an existing land use without the physical expansion of the building, structure, lot, or gross floor area.</p> <p>As an example: where a commercial use, regulated use, controlled use, or nonconforming use that occupies a single-story building were to add an additional use under the same roof, and that additional use is reached through the same entrance as the original use and the additional use is not separated from the original use by a tenant separation wall, then it would be considered an intensification of the original use even though the gross floor area had not been increased.</p> <p>However, where a land use that occupies a single-story building were to subdivide its floor area by a tenant separation wall and were to provide a separate entrance from the outside to the subdivided space, it would not be considered an intensification of the original use, but rather the establishment of a new principal use at a different address.</p>
<p>Intermodal freight terminal</p>	<p>The site at which freight is transferred between railroad flat cars and trucks, typically involving containers or trailers.</p>
<p>Instrument Approach Surface and Non-Instrument Approach Surface Having a Runway at Least five thousand (5,000) Feet in Length</p>	<p>A plane longitudinally centered on the extended runway centerline beginning at each end of the runway and extending five hundred (500) feet outward at the elevation of the approach ends of the runway and then sloping upward at a slope ratio of one (1) to forty (40) to an altitude of one hundred fifty (150) feet above the established airport elevation. The instrument approach area surface is one thousand (1,000) feet wide for the first five hundred (500) feet and then expands uniformly to a width of three thousand one hundred (3,100) feet at a distance of six thousand five hundred (6,500) feet from the end of the runway.</p>
<p>Intensity of Land Use</p>	<p>The intensity of a land use shall be based on the zoning district where the specified land use initially appears in the zoning ordinance as a use permitted as a matter of right. For example, a land use first listed as a matter of right use in ARTICLE X of this Chapter (industrial zoning districts) shall be deemed more intensive than a land use first listed as a matter of right use in ARTICLE IX (business districts), and a land use first listed as a matter of right use in ARTICLE IX shall be more intensive than a land use first listed as a matter of right use in ARTICLE VIII (residential districts).</p> <p>Similarly, within a given Article, zoning districts bearing a higher number shall be deemed more intensive than districts bearing a lower number; for example, a use first permitted as a matter of right in the M4 District, shall be deemed more intensive than a use first permitted as a matter of right in the M2 District. For a land use not permitted in any zoning district as a matter of right, but exclusively as a Conditional Use, the intensity of that land use in comparison to another shall be determined according to the zoning districts where the two land uses are first conditionally permitted.</p>

Towing Service Storage Yard  (Ord. No. 04-12-, §1, 3-30-12)	Any private storage lot or yard of a towing enterprise where inoperable or distressed motor vehicles are temporarily held for retrieval or redemption by their owner, whether such enterprise is a contractor for a Police Department precinct or not. Such storage yards shall not function as a junkyard; no stripping or dismantling or outdoor storage of parts is permitted; no sale of used auto parts is permitted; no stacking of vehicles is permitted. Towing service storage yards shall be considered a principal use of the land except when same vehicles are awaiting repairs or service at a facility located on the same zoning lot, in which case they operate as an accessory use of the land. Any land use previously classified as a "Police Department authorized abandoned vehicle storage yard" shall now be considered a "Towing service storage yard" without need for issuance of any additional permit or change of use.
Town house	One of three or more attached single-family dwelling units, each having its own entrance, and each extending from the basement to the roof and having no side yards except end units which have one (1) side yard.

<p>Toxic Substance Disposal Facility (Ord. No. 20-05, §1, 5-29-05)</p>	<p>A facility that disposes of, destroys, or incinerates "PCB," or "PBB" substances, as defined in the Toxic Substances Control Act (TSCA) and applicable Michigan law.</p>

Honorable City Council:

Re: Special District Review, Roasting Plant, 660 Woodward Avenue, for installation of five (5) business signs (including commercial graphics) on the First National Building in a PCA (Public Center Adjacent/Restricted Central Business) zoning classification. (Updated Report and Recommendation.)

The above captioned request appeared

before the Planning and Economic Development Standing Committee this past Thursday, February 14, 2013. The matter was forwarded to the Formal Session in anticipation of getting additional information from the Law Department (Law), Planning and Development Department (P&DD) and the City Planning Commission (CPC) staff in response to the related action of the Historic District Commission (HDC) described below. Herein is submitted our updated report and revised recommendation.

**BACKGROUND**

A coffee house, the Roasting Plant, has located in the First National Building at the corner of Woodward and Cadillac Square. The site falls within the confines of a PCA (Public Center Adjacent/Restricted Central Business) zoning district, which requires approval by your Honorable Body following review and recommendation from P&DD and CPC staff. It also falls within the Financial District Historic District and requires the review and approval of the HDC. Given the dual approvals required of this circumstance and the petitioner's desire to expedite this request, a coordinated review among P&DD, HDC, CPC and the Historic Designation Advisory Board (HDAB) staff was orchestrated.

Accompanying this report are graphics depicting five (5) options for the primary sign. Option #1 was deemed aesthetically unappealing and un-approvable based upon Sec. 3-7-3(a)(2) of the City Code which states:

*A business sign shall not cover or conceal architectural features of a building including, but not limited to, windows arches, sills, moldings, cornices and transoms;*

It was the consensus of the reviewers that the spirit and intent of this portion of the City Code would not allow for the sign as depicted in Option #1 as the letters would be affixed to the face of the building covering or concealing a portion of the pilaster (the vertical feature that mimics a column) that separates the window bays. Additionally each letter being individually

affixed to the face would result in more penetrations to the granite surface of the wall.

Typically, in instances such as this, signs would honor the architecture of the building placing horizontal signage on the header (the horizontal element directly above the window) and not transgress the intersecting plain of the pilaster (the vertical feature). This can be seen with the existing temporarily installed "Roasting Plant" sign above the revolving door on Woodward façade (Figure 1). Likewise, a plain pilaster might be suitable for vertical signage or a light fixture as illustrated in Figure 3, unless the pilaster were otherwise embellished with decorative treatment such as fluting.

Option 3 was seen as potentially approvable as the letters of the sign would be carried on a support that would project away from the face of the building, while this would obstruct the view of the pilaster from most angles, the affected portion of the pilaster would not be covered directly by affixed letters as with Option 1 and could be seen from underneath. While some thought this might create a better aesthetic, there was not consensus as to its compliance with the particular provision of City Code. As a result the staff found Options 2, 4 and 5 approvable with a preference for Option 4.

**HISTORIC DISTRICT COMMISSION ACTION**

On Wednesday, February 13th, the signage request was presented to the HDC at its regular meeting. HDC staff presented a recommendation consistent with the conclusions of the coordinated review expressed above. however, the HDC which has primary purview over Chapter 25 (history) of the City Code concluded that only a very small portion of the pilaster would be covered or concealed, despite the protestations of staff.

The HDC's unexpected action, being in conflict with the P&DD and CPC staff recommendation presented to your Honorable Body in our February 8, 2013 report, created two concerns: how to proceed, given HDC's interpretation of the Code, and the potential for City Council's action to conflict with the action taken by HDC. As to the former concern, Law and CPC conclude that the final interpretation of Sec. 3-7-3(a)(2) is not with the HDC as their primary purview is with Chapter 25 of the Code. HDC may approve something that is allowable under Chapter 25 (History), but is in conflict with other provisions of the City Code such as Chapter 3 (Advertising and Signs). As to the latter concern, Law informs us that the staff of the HDC is authorized to reconcile such conflicts when they arise. Therefore, if Council were to authorize something other than Option 1 it would not result in further delay in the issuance of a permit.

**REVISED REVIEW AND RECOMMENDATION**

The varied interpretations of Sec. 3-7-3(a)(2) of the Code has raised some concerns among the reviewing agencies. The intent of this Code provision is to protect and ensure the integrity of architectural features from the intrusive or deleterious application of signs. If this were a window, medallion (Fig. 2), archway, decorative cornice of the like, the conflict would be more readily apparent. Since this is a pilaster with a plain face, the conflict is not so apparent. The Code says the business signs should not cover or conceal any architectural feature. however, in this particular situation, as noted above, appropriately sized and placed signage could be properly placed on the pilaster as existing examples indicate (Fig. 3). the conflict here is not really the covering of a feature, but rather the intersection of a horizontally oriented sign with a vertical feature, the pilaster, that is intended to separate and define horizontal features (Fig. 4). The function of the pilaster and its relationship to other components is compromised by Option 1.

Therefore, with this understanding CPC staff will concede that Options 1 and 3 may be approvable based upon a reasoned interpretation of the Code that is unique to this circumstance but divergent from the spirit and intent of the (Chapter 3) provision. However, given that a corresponding evaluation of the aesthetics is also within the purview of the PCA special district review we would support the addition of Option 3 to the list of approvable options. (Option 3 in our estimation creates a new setting to receive the sign, thereby leaving more of the façade behind the sign intact and producing a more aesthetically appealing solution.)

Although the preference of CPC staff is for Option 4 or (in light of the above) Option 3, staff recommends approval of the attached resolution approving a sign permit of the applicant's choice consistent with Options 2, 3, 4 or 5.

Honorable City Council:  
 Re: Site Plan Review, Concentra, 2630 East Jefferson Avenue, for Installation of Two (2) Business Signs and Replacement of Awnings in an SD4 (Special Development District,) Riverfront Mixed Use) Zoning Classification.  
 The staff of the City Planning Commission (CPC) has received a sign permit application on behalf of Concentra for two (2) business signs to be affixed to

the building formerly housing Fuddrucker's, located at 2630 East Jefferson Avenue at Chene Street. Also proposed is the replacing of four awnings. The SD4 (Special Development District, Riverfront Mixed Use) zoning classification in which the site is located calls for City Council approval of the location and design of exterior modifications following the review and recommendation of CPC (Section 61-11-238 of the Zoning Ordinance). On Thursday, February 7, 2013, the City Planning Commission authorized CPC staff to address this matter on the Commissions behalf. As the site is over three (3) acres, approval of plans by City Council via resolution is required.

**PROPOSED SIGNS**

Two on-premises wall (business) signs are proposed to be located on the building, on the north façade over the entrance and on the west façade. These are for the

proposed Concentra medical clinic, and the signs would say "Concentra Urgent Care".

The signs would be internally-lit box signs, with a colored background and white, translucent letters. The western one is proposed to be 34 feet by 30 inches, for a total of 119 Square feet, while the northern one would be 14 feet 8 inches by four feet, for a total of 59 square feet. A small sign of three (3) feet by nine (9) inches tall is also proposed over the entrance. A total of 187 square feet of signage is proposed. A total of 200 square feet of signage would be allowed, due to the 200 linear feet of store frontage. Four awnings are also proposed to be replaced to match the applicants orange and blue logo colors.

**REVIEW**

In accordance with the SD4 provisions of the Zoning Ordinance (Section 61-11-237), reviews of proposed construction or modifications, such as signage, should be conducted "to ensure harmony with the policies of the Detroit Master plan as applied." The proposed signs appear to meet this requirement, as do the awnings.

February 8, 2013

Honorable City Council:

Re: Special District Review for the First National Building at 660 Woodward Avenue, for exterior changes in a PCA (Public Center Adjacent/ Restricted Central Business District) zoning classification.

The staff of the City Planning Commission (CPC) has received a building permit application for the First National Building at 660 Woodward Avenue for the bricking in of 4 (four) windows that face the "courtyard" formed by the north/south alley east of Woodward Avenue and the east/west alley north of East Congress Street. The PCA (Public Center Adjacent/Restricted Central Business District) zoning classification in which the site is located calls for City Council approval of the location and design of exterior modifications following the review and recommendation of CPC (Section 61-11-96 of the Zoning Ordinance).

**PROPOSED CHANGE**

The four windows in question have been covered over for many years and are only visible when walking down the alley. The request is to properly fill them in with brick that matches the rest of the building. They are being covered because the long-vacant interior space will be occupied by retail tenants who desire to use that wall for display or coolers.

**Review**

In accordance with the PCA provisions of the Zoning ordinance (Section 61-11-97), it is staff's opinion that the proper filling-in of windows facing an alley will not negatively impact any of the listed PCA standards.

This building is located within the historically-designated Financial District; hence it is possible that the Historic District Commission will also be reviewing the proposed change. If so, City Council will likely want to delay it's decision until they act.

mit application to remove by bricking-in four (4) windows facing the interior alley on the First National Building at 660 Woodward Avenue, on land zoned PCA (Public Center Adjacent/Restricted Business District); and

Whereas, The site is subject to the Special District Review provisions of Section 61-11-96 of the Zoning Ordinance of the City of Detroit; and

Whereas, The PCA zoning district classification requires that exterior alteration of any existing building, structure, or premises, or part thereof, be reviewed by the Planning and Development Department and by the City Planning Commission for consistency with the spirit, purpose, and intent of the district and that those modifications be approved by resolution of the City Council following the

receipt of a written report and recommendation from the City Planning Commission (CPC); and

Whereas, The Planning and Development Department and the City Planning Commission staffs have reviewed the proposal in order to ensure that the proposed change is in keeping with the spirit, purpose and intent of the PCA zoning district classification;

Now, Therefore Be It

Resolved, That the Detroit City Council approves the proposed removal of four windows at 660 Woodward Avenue, described in the foregoing communication from the City Planning Commission staff dated February 8, 2013 and depicted in the illustrations prepared by Sache Construction with the date of November 19, 2012.

 February 7, 2013

Honorable City Council:

Re: Petition #647, Al-Hajjah Ayisha Mustafah, request for local historic designation of Masjid Wali Muhammad Temple located at 11529 Linwood and the appointment of *ad hoc* representatives in connection with this matter.

This request for historic designation is on our list of proposals for historic designation. The proposed Masjid Wali Muhammad Temple Historic District will include the building, which is located at 11529 Linwood. Reasonable grounds for the study have been provided in that the building has been officially determined to be eligible for the National Register of Historic Places. A resolution directing the Historic Designation Advisory Board to conduct a study is attached.

Should your Honorable Body adopt that resolution, you must appoint two persons to serve as *ad hoc* members of the Advisory Board in connection with the matter. The Advisory Board staff is happy to provide two names for your consideration:

Dawud Muhammad  
 16166 Wildemere Street  
 Detroit, MI 48221

Tony Williamson  
 1506 Chicago Boulevard  
 Detroit, MI 48206

A resolution of appointment is attached for your consideration.

Staff is available to answer any questions you may have.

Respectfully submitted,  
 MARCELL R. TODD, JR.

 February 12, 2013

Honorable City Council:

Re: Petition #2594, Belle Isle Conservancy/Carolyn Huff, requesting historical designation of Belle Isle Park.

This request for historic designation is on our list of proposals for local designation. The proposed Belle Isle Park Historic District is 982 acres of unique island park, and includes the entire Detroit Boat Club and Yacht Club complexes and the MacArthur Bridge also known as the Belle Isle Bridge. The section which approaches the bridge along East Jefferson Avenue will also be included in the proposed historic district. The park is located in the Detroit River upstream from downtown Detroit. The study will provide a complete updated inventory of all the resources (historic and non-historic) within the proposed historic district. The park was designed by geni of the 20th century such as Cass Gilbert, Frederick Olmsted, George Mason, Mary Chase Perry Stratton, Albert Kahn and Ero Saarinen. Reasonable grounds for the study have been provided in that the property has been officially listed on the National Register of Historic Places. A resolution directing the Historic Designation Advisory Board to conduct a study is attached.

Your Honorable Body must appoint two persons to serve as *ad hoc* members of the Advisory Board in connection with the matter. Staff has worked with the petitioners and identified two recommended *ad hoc* board members. A resolution appointing these *ad hoc* board members is attached.

Staff is available to answer any questions you may have.

Honorable City Council:

Re: Resolution Approving an Obsolete Property Rehabilitation District, in the area of 499 W. Alexandrine, Detroit, Michigan, in accordance with Public Act 146 of 2000 on behalf of Mark Beard and Sarah Cox. (Petition #2609).

On Thursday, February 14, 2013, a public hearing in connection with establishing an Obsolete Property Rehabilitation District was held before your Honorable Body. No impediments to the establishment of the District were presented at the public hearing.

Please find attached a resolution and legal description, which will establish an Obsolete Property Rehabilitation District in the area of 499 W. Alexandrine, Detroit, Michigan, in accordance with Public Act 146 of 2000 ("the Act"). Such establishment will materially assist in the development of the site in accordance with the plans of the developer of the property.

We request your Honorable Body's approval of the resolution with a Waiver of Reconsideration.

Respectfully submitted,

MARJA M. WINTERS

Deputy Director

By Council Member Jenkins:

Whereas, Pursuant to Public Act No. 146 of Public Acts of 2000 ("Act 146"), this City Council has the authority to establish "Obsolete Property Rehabilitation Districts" within the boundaries of the City of Detroit; and

Whereas, Mark Beard and Sarah Cox, have requested that this City Council establish an Obsolete Property Rehabilitation District in the area of 499 W. Alexandrine, Detroit, Michigan, the area being more particularly described in the map and legal description attached hereto; and

Whereas, The aforesaid property is obsolete property in an area characterized by obsolete commercial property or commercial housing property; and

Whereas, Act 146 requires that, prior to establishing an Obsolete Property Rehabilitation District, the City Council shall provide an opportunity for a hearing on the establishment of the District, at which a representative of any jurisdiction levying *ad valorem* taxes, or any owner of real property within the proposed District, or any other resident or taxpayer of the City of Detroit may appear and be heard on the matter; and

Whereas, A public hearing was conducted before City Council on February 14, 2013, for the purpose of considering the establishment of the proposed

Obsolete Property Rehabilitation District described in the map and legal description attached hereto; and

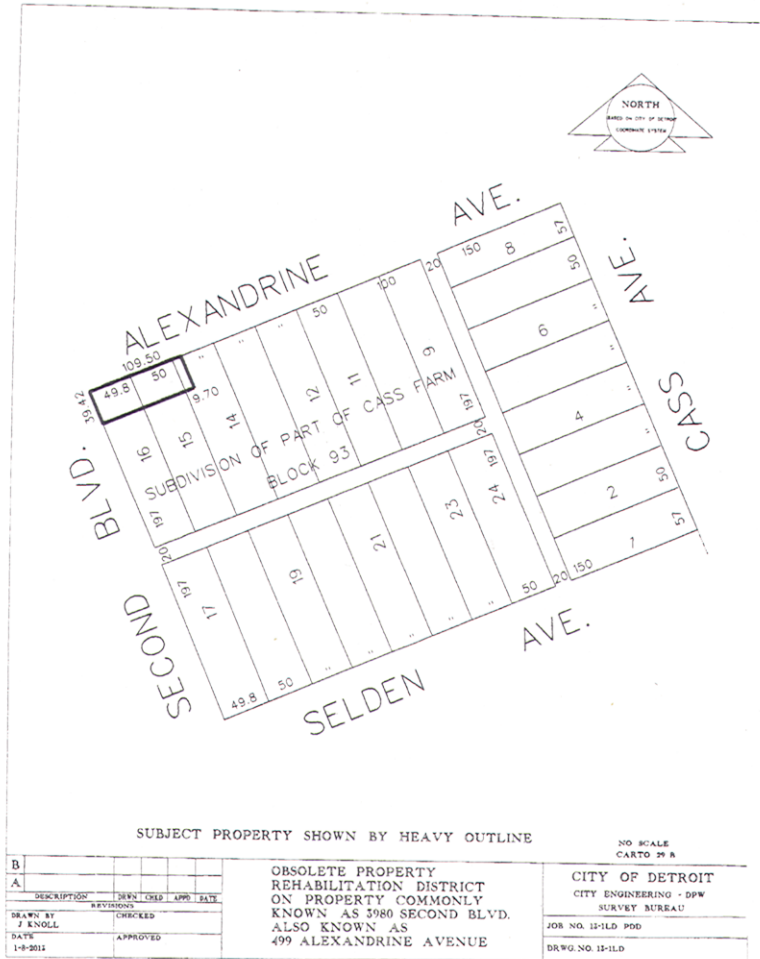

Whereas, No impediments to the establishment of the proposed District were presented at the public hearing;

Now Therefore Be It

Resolved, That Obsolete Property Rehabilitation District, more particularly described in Exhibit A attached hereto, is hereby approved and established by this City Council in accordance with Act 146 with a Waiver of Reconsideration.

Honorable City Council:

Re: Petition No. 2410 — Infuz LTD, request to encroach on the city sidewalk at Jefferson Chevrolet at 2130 E. Jefferson Avenue, Detroit, MI 48207.

Petition No. 2410 of "Infuz LTD", on behalf of Jim and Brian Tellier of Jefferson Chevrolet request permission to construct

and maintain a signage encroachment 30 feet in length and 7.5 feet wide in the south side of East Jefferson Avenue, 120 feet wide, right-of-way between St. Aubin Avenue, 72 feet wide, and Dubois Street, 42 feet wide. This encroachment will provide a fresh renovation and beautiful facility to the downtown area.

The encroachment petition was referred to the City Engineering Division — DPW for investigation and report. This is our report.

The Public Lighting Department (PLD) reports no structure or barricades can be built over PLD installations or on existing utility easement areas. As per PLD requirements, any structure proposed to be built shall maintain 10 feet horizontal clearance from the overhead PLD lines and installations, also any structure proposed to be built shall maintain a minimum of 3 feet horizontal clearance and 12 feet vertical clearance from the PLD conduit bank and manholes. The contractor should take necessary precautions not to damage PLD utilities, if they plan to use heavy earth moving equipment. The contractor will be liable for any damages to any PLD underground facilities. PLD needs unrestricted rights with 24 hour heavy vehicle accesses to the areas requested for encroachment area to be maintained for PLD facilities.

Detroit Water and Sewerage Department (DWSD) reports no objections to the encroachment provided that the provisions within the resolution for encroachment is strictly followed.

Traffic Engineering Division — DPW reports no objection to the request to encroach provided that the encroachment must be completely cantilevered and not have any support at grade level, a minimum of 12.00 feet clear height and under clearance must be maintained at ground level, and a minimum of 6.00 feet wide clear sidewalk must be maintained at all times.

All other involved City departments and privately owned utility companies request the petitioner(s) make use of "Miss Dig" facilities before the construction of the fence and sign take place.

There is an appropriate resolution, granting the encroachment petition, attached for consideration by your Honorable Body.

Respectfully submitted,

City Engineer

City Engineering Division — DPW  
By Council Member Brown:

Whereas, The City Engineering Division — DPW is hereby authorized and directed to issue permits to Jim and Brian Tellier of Jefferson Chevrolet (owners) and his/her assigns to install and maintain encroachments within East Jefferson Avenue, 120 feet wide, with the intentions

to construct and place signage on building. The encroachment of the signage will all be within approximately 7.50 feet north from the south property line of East Jefferson Avenue, 120 feet wide, and 30.00 feet in length adjacent to the following described property:

Being on the South side of East Jefferson Avenue, 120 feet wide, and between St. Aubin Avenue, 72 feet wide, and Dubois Street, 42 feet wide, lying adjacent to Lot 3 in the "Subdivision of the St. Aubin Farm South of Jefferson Avenue, Detroit, Michigan, March 9th, 1858 as recorded in Liber 1, Page 35, Plats, Wayne County Records;

Provided, That by approval of this petition the Detroit Water and Sewerage Department (DWSD) does not waive any of its rights to its facilities located in the street, and at all time, DWSD, its agents or employees, shall have the right to enter upon the street to maintain, repair, alter, service, inspect, or install its facilities. All cost incident to the damaging, dismantling, demolishing, removal and replacement of structures or other improvements herein permitted and incurred in gaining access to DWSD's facilities for maintenance, repairing, alteration servicing or inspection by DWSD shall be borne by the petitioner. All costs associated with gaining access to DWSD's facilities, which could normally be expected had the petitioner not encroached into the street shall be borne by DWSD, and be it further

Provided, That all construction performed under this petition shall not be commenced until after (5) days written notice to DWSD. Seventy-two (72) hours notice shall also be provided in accordance with P.A. 53 1974, as amended, utilizing the Miss Dig one call system, and be it further

Provided, That construction under this petition is subject to inspection and approval by DWSD forces. The cost of such inspection shall, at the discretion of DWSD, be borne by the petitioner, and be it further

Provided, That if DWSD facilities located within the street shall break or be damaged as the result of any action on the part of the petitioner, then in such event the petitioner agrees to be liable for all costs incident to the repair, replacement or relocation of such broken or damaged DWSD Facilities, and be it further

Provided, That the petitioner shall hold DWSD harmless for any damage to the encroaching device constructed or installed under this petition which may be caused by the failure of DWSD's Facilities, and be it further

Provided, That the encroachment must be completely cantilevered and not have any support at grade level, a minimum of 12.00 feet clear height and under clearance must be maintained at ground level,

and a minimum of 6.00 feet wide clear sidewalk must be maintained at all times, and be it further

Provided, That no structure or barricades can be built over PLD installations or on existing utility easement areas. As per PLD requirements, any structure proposed to be built shall maintain 10 feet horizontal clearance from the overhead PLD lines and installations, also any structure proposed to be built shall maintain a minimum of 3 feet horizontal clearance and 12 feet vertical clearance from the PLD conduit bank and manholes. The contractor should take necessary precautions not to damage PLD utilities, if they plan to use heavy earth moving equipment. The contractor will be liable for any damages to any PLD underground facilities. PLD needs unrestricted rights with 24 hour heavy vehicle accesses to the areas requested for encroachment area to be maintained for PLD facilities, and be it further

Provided, "Jim and Brian Tellier of Jefferson Chevrolet (owners)" or its assigns shall apply to the Buildings and Safety Engineering Department for a building permit prior to any construction. Also, if it becomes necessary to open cut public streets, bore, jack, occupy or barricade city rights-of-way for maintenance of encroachments such work shall be according to detail permit application drawings submitted to the City Engineering Division — DPW prior to any public right-of-way construction; and further

Provided, That the necessary permits shall be obtained from the City Engineering Division — DPW and the Buildings and Safety Engineering Department. The encroachments shall be constructed and maintained under their rules and regulations; also in accord with plans submitted to and approved by these departments; including the Public Lighting Department (if necessary), and the Traffic Engineering Division — DPW (if necessary); and further

Provided, That all cost for the construction, maintenance, permits and use of the encroachments shall be borne by "Jim and Brian Tellier of Jefferson Chevrolet (owners)" or its assigns; and further

Provided, That all costs incurred by privately owned utility companies and/or city departments to alter, adjust, and/or relocate their existing utility facilities located in close proximity to the encroachments shall be borne by "Jim and Brian Tellier of Jefferson Chevrolet (owners)" or its assigns. Should damages to utilities occur "Jim and Brian Tellier of Jefferson Chevrolet (owners)" or its assigns shall be liable for all incidental repair costs and

waives all claims for damages to the encroaching installations; and further

Provided, If it becomes necessary to repair or replace the utilities located or to be located within the public rights-of-way, by acceptance of this permission, "Jim and Brian Tellier of Jefferson Chevrolet (owners)" (owners) for themselves, or their assigns, (by acceptance of permits for construction near underground utility lines, conduits, or mains) waives all claims for damages to the encroaching installations and agree to pay all costs incurred in their removal (or alteration), if removal (or alteration) becomes necessary; and further

Provided, That "Jim and Brian Tellier of Jefferson Chevrolet (owners)" shall file or have on record with the Finance Department and/or City Engineering Division — DPW an indemnity in form approved by the Law Department. The agreement shall save and protect the City of Detroit from any and all claims, damages or expenses that may arise by reason of the issuance of the permits and the faithful or unfaithful performance by "Jim and Brian Tellier of Jefferson Chevrolet (owners)" of the terms thereof. Further, "Jim and Brian Tellier of Jefferson Chevrolet (owners)" shall agree to pay all claims, damages or expenses that may arise out of the maintenance of the proposed encroachments; and further

Provided, The property owned by "Jim and Brian Tellier of Jefferson Chevrolet (owners)" and the encroachment shall be subject to proper zoning or regulated use (Board of Zoning Appeals Grant); and further

Provided, That no other rights in the public streets, alleys or other public place shall be considered waived by this permission which is granted expressly on the condition that said encroachments shall be removed at any time when so directed by the City Council, and the public property affected shall be restored to a condition satisfactory to the City Engineering Division — DPW; and further

Provided, This resolution is revocable at the will, whim or caprice of the City Council, and "Jim and Brian Tellier of Jefferson Chevrolet (owners)" acquires no implied or other privileges hereunder not expressly stated herein; and further

Provided, That the encroachment permits shall not be assigned or transferred without the written approval of the City Council; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution and indemnity agreement with the Wayne County Register of Deeds.

Honorable City Council:  
 Re: Citizens United Against Corrupt Government vs. Detroit City Council.  
 Case No.: 13-001669-AW. File No.: A52000.GEN (JDN).

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered

opinion that a settlement in the amount of Two Thousand Five Hundred Dollars (\$2,500.00) is in the best interest of the City of Detroit.

We, therefore, request that your Honorable Body direct the Finance Director to draw a warrant upon the proper account in favor of Citizens United Against Corrupt Government and its attorney, Andrew A. Paterson, in the total amount of Two Thousand Five Hundred Dollars (\$2,500.00) in full payment of any and all claims which Citizens United Against Corrupt Government may have against the Detroit City Council, as set forth in Case No. 13-001669-AW filed in the Circuit Court for the County of Wayne, State of Michigan, and that said amount be paid upon receipt of properly executed Release and a Stipulated Order Dismissing Action Pursuant To Settlement, in sub-

stantially the form submitted herewith, in Case No. 13-001669-AW filed in the Circuit Court of Wayne, State of Michigan, approved by the Law Department.

Respectfully submitted,  
 JAMES D. NOSEDA  
 Supervising Assistant  
 Corporation Counsel

Approved:

EDWARD V. KEELEAN  
 Acting Corporation Counsel

By Council Member Jones:

Resolved, That settlement in the above matter be and is hereby authorized by payment of the sum of Two Thousand Five Hundred Dollars (\$2,500.00) to Citizens United Against Corrupt Government and the entry of a stipulated order in substantially the form appended hereto.

Resolved, That the Finance Director is authorized and directed to draw a warrant upon the proper account in favor of Citizens United Against Corrupt Government and its attorney, Andrew A. Paterson, in the total amount of Two Thousand Five Hundred Dollars (\$2,500.00) in full payment for any and all claims which Citizens United Against Corrupt Government may have against the Detroit City Council, as set forth in Case No. 13-001669-AW filed in the Circuit Court for the County of Wayne, State of Michigan, and that said amount be paid upon receipt of properly executed Release and entry of the stipulated order of dismissal in Case No. 13-001669-AW.

### RESOLUTION

Re: Appointments to the Public Lighting Authority.

Whereas, Municipal Lighting Authority Act, Act 392 of 2012, was passed by the State Legislature on December 19, 2012 and became effective December 27, 2012; and

Whereas, Municipal Lighting Authority Act, Act 392 of 2012 was enacted for the purpose of creating lighting authorities to operate lighting systems; and

Whereas, The Act requires that local municipalities adopt Articles of Incorporation of the Public Lighting Authority that will create a Public Lighting Authority in Detroit for the purpose of acquiring, owning, improving, enlarging, extending, constructing, operating, or maintaining a lighting system and provide lighting service; and

Whereas, City Council has approved

the Articles of Incorporation of the Public Lighting Authority in accordance with Section 9 of the Act; and

Whereas, The Public Lighting Authority will consist of five members, two appointed by the City Council, two appointed by the Mayor and a fifth member jointly appointed by City Council and the Mayor; and

Whereas, The Detroit City Council voted February 19, 2013 to select its candidates to fill its two (2) appointments to the Public Lighting Authority;

Now, Therefore Be It

Resolved, That the Detroit City Council appoints John L. Davis and Marvin Beatty to the Public Lighting Authority; and

Be It Further

Resolved, That the Detroit City Council appoints Michael Einheuser as the joint appointment by City Council and the Mayor; and

Be It Further

Resolved, That pursuant to the provisions of the Act, these terms will expire on December 31, 2013; and

Be It Finally

Resolved, That the City Clerk submit a copy of this resolution to the Mayor's Office.

Adopted as follows:

Yeas — Council Members Brown, Cockrel, Jr., Jenkins, Jones, Spivey, Tate, Watson, and President Pugh — 8.

Nays — None.

### RESOLUTION RESCHEDULING CITY COUNCIL PUBLIC HEALTH AND SAFETY STANDING COMMITTEE

Whereas, Pursuant to Mayor Bing's Executive Order 2013-1 along with a substantially similar resolution passed by City Council, both call for the establishment of Budget-Required Furlough Days, which results in a 10% pay reduction, or (26) days without pay within a 12-month period, and

Whereas, The Administration has established a calendar of Budget-Required Furlough Days which impacts the meeting schedule of the Public Health and Safety Standing Committee, and

Whereas, The Proposed Rules of Order for the Detroit City Council requires that meeting dates be set/amended by resolution,

Now, Therefore Be It

Resolved, That the Public Health and Safety Committee meeting dates affected by the scheduled Budget Required Furlough Days will move their current meeting date and time to Tuesdays at 2:00 p.m.; and

Be It Finally

Resolved, That the City Clerk shall post the meeting notice change in accordance with the Open Meetings Act.

Adopted as follows:

Yeas — Council Members Brown, Cockrel, Jr., Jenkins, Jones, Spivey, Tate, Watson, and President Pugh — 8.

Nays — None.

**Permit**

Honorable City Council:

To your Committee of the Whole was referred petition of United Irish Societies (No. 2536) 55th Annual Detroit St. Patrick Parade. After consultation with the Mayor's Office, Police, Fire, Public Works, Health, Buildings, Safety and Engineering/Business License Departments and careful consideration of the request, your Committee recommends that same be granted in accordance with the following resolution.

Respectfully submitted,  
**GARY BROWN**  
Chairperson

By Council Member Brown:

Resolved, That subject to approval of the Transportation Department permission be and is hereby granted to United Irish Societies (No. 2536) to host the 55th Annual Detroit St. Patrick's Parade, March 10, 2013; with temporary street closures on Michigan.

Resolved, That the Buildings and Safety Engineering and Environmental Department is hereby authorized to waive the zoning restrictions on said property during the period of the event.

Provided, That the required permits be secured should any tents or temporary installations such as Liquefied Petroleum Gas Systems be used, and further

Provided, That the sale of food and soft drinks is held under the direction and inspection of the Health Department, and further

Provided, That said activity is conducted under the rules and regulations of the concerned departments and the supervision of the Police Department and in compliance with applicable ordinances, and further

Provided, That such permission be granted with the distinct understanding that petitioner assumes full responsibility for any and all claims, damages and expenses that may arise by reason of the granting of said petition, and further

Provided, That the site be returned to its original condition after said activity.

Provided, That this resolution is revocable at the will, whim or caprice of the City Council.

#### Detroit Police Department

January 18, 2013

Honorable City Council:

Re: Request to Accept an Award from the Michigan State Police for the Juvenile-Focused Community Policing/Community Prosecution Byrne Justice Assistance Grant (Byrne JAG) for Fiscal Year 2013.

The Michigan State Police (MSP) has awarded the Detroit Police Department (DPD) **\$100,000.00, with no cash match** for the Juvenile-Focused Community Policing/Community Prosecution Byrne Justice Assistance Grant (Byrne JAG). The Award number is MSP #72436-1-13-B. The project period is October 1, 2012 to September 31, 2013.

The Juvenile-Focused Community Policing/Community Prosecution program is designed to foster proactive, problem-oriented interventions to combat juvenile

delinquency. Acceptable initiatives include youth mentoring and community service activities, evidence-based drug/violence prevention programs, youth academies, counseling services, and events that facilitate parent and community engagement. Strategies should be comprehensive and may also include services for parents or other caregivers as well. Interactions between law enforcement and youth should be viewed as positive in nature and seen as a reward and not punishment.

If approval is granted to accept this funding, Officer Monica Evans of the Criminal Investigations Bureau (CIB), will serve as the project director. The appropriation number is #13615.

I recommend that the CIB be granted permission to accept the grant funding from the MSP and further recommend that the Chief of Police endorse the attached letters.

Participation requires the approval of your Honorable Body, via adoption of the attached resolution. The Board of Police Commissioners has been notified of the funding and approved participation.

If you have any questions or concerns regarding this matter, please feel free to contact me at 596-1800, Monday through Friday, 9:00 a.m. to 5:00 p.m.

Sincerely,  
CHESTER L. LOGAN

Honorable City Council:

Re: Permission to Accept a Data Driven Approaches to Crime and Traffic Safety (DDACTS) Grant from the Michigan State Police.

The Detroit Police Department (DPD) has been selected to receive **\$50,000.00** from the Michigan State Police (MSP) for a Driven Approaches to Crime and Traffic Safety (DDACTS) Project. The overall grant budget is set at **\$55,555.00, with a 10% local match of \$5,555.00** on the part of the city. The match will come in the form of officers' time devoted towards the project. The time period for the grant is October 1, 2012 through September 30, 2013. The MSP Award Number is 72437-1-13-B. Sergeant Rodger Johnson, of Organized Crime, will serve as the project director for the grant. The appropriation number for the grant is 13593.

DDACTS integrates location-based crime and traffic crash data to establish effective and efficient methods for deploying law enforcement and other resources. Using geo-mapping to identify areas through temporal and spatial analysis that have high incidences of crime and crashes, DDACTS employs targeted traffic enforcement strategies. By saturating locations of high crime and crash incidences rates with highly visible traffic enforcement, DDACTS communities play a simultaneous dual role: fighting crime and reducing traffic crashes and traffic violations. Drawing on the deterrent value of highly visible law enforcement presence through increased patrol and the knowledge that crimes often involve the use of motor vehicles; the goal of DDACTS is to reduce the incidence of crime, crashes and traffic violations in Michigan communities.

The model's focus on collaboration with law enforcement, community member and organizations reinforce the crucial role that partnerships play in reducing social harm and improving quality of life. Building on this collaboration, DDACTS positions traffic enforcement as a logical rationale for a highly visible law enforcement presence in a community.

Participation requires the approval of your Honorable Body, via adoption of the attached resolution. The Board of Police Commissioners has been notified of the funding and approved participation.

If you have any questions or concerns regarding this matter, please feel free to contact me at 596-1800, Monday through Friday, 9:00 a.m. to 5:00 p.m.

January 8, 2013

Honorable City Council:

Re: Proposed Initiative for Marathon Petroleum Company (MPC) to provide funds to pay for work zone traffic enforcement for the M-85 (Fort Street) Bascule Bridge Replacement over the Rouge River.

On December 4, 2012, the Marathon Petroleum Company (MPC) indicated in the attached letter that they had funds available to pay overtime costs up to **\$500,000.00, with no cash match** for Detroit Police Department (DPD) Officers to provide traffic enforcement in the vicinity of the M-85 (Fort Street) during the Bascule Bridge Replacement. The existing bridge is in poor condition and is currently restricted to one lane in each direction. It is anticipated that the bridge crossing will be closed to traffic for 18 months to 2 years.

The MPC anticipates that the closure of the Bascule Bridge will hamper response times for emergency services and proposes to assist by funding additional police patrols in the 48217 area code adjacent to the MPC Detroit Refinery. These patrols will consist of two DPD officers working an eight hour shift, at varying times of the day, seven days a week, for a minimum of 75 weeks. The duration of the project may vary. These patrols would be on overtime and would not exceed the budgeted allowance.

In order to reimburse the City of Detroit for their expenses, the MPC would require a monthly invoice from DPD. In addition to

the invoice, DPD would provide information such as: daily details, names of the officers that worked the assignment, their overtime rates, dates worked, enforcement locations, arrests, citizen contacts, traffic stops, radio service calls, citations, and general community patrol contacts. Reimbursements would be made to the DPD based upon the existing overtime rate for police officers. A DPD sergeant will oversee the project and administrative costs are factored into the funding. Commander John Serda, of the Fourth Precinct, would serve as the project director for the initiative.

Approval of this proposal will be a benefit to the City of Detroit in that it will allow for a visible increase in patrol presence in the area without impacting the city's budget. This increase in presence and visibility can be expected to impact not only traffic violations, but criminal activity as well. In addition, the safety of workers and residents in the construction area and the nearby vicinity will be enhanced by targeted traffic enforcement. Finally, by providing a closer working relationship between the MPC and the Detroit Police Department, the likelihood of the establishment of similar cooperative efforts will be increased.

Participation requires the approval of your Honorable Body, via adoption of the attached resolution. The Board of Police Commissioners has been notified of the funding and approved participation.

If you have any questions or concerns, regarding this matter, please feel free to contact me at 596-1800, Monday through Friday, 9:00 a.m. to 5:00 p.m.

Honorable City Council:

Re: Permission to accept donated equipment from the Detroit Public Safety Foundation (DPSF).

On November 20, 2012, the Detroit Public Safety Foundation (DPSF) indicated in an attached letter that they wished to donate equipment, valued at \$17,888.27, to the Detroit Police Department's (DPD) Canine Unit. DPD Canine has determined that the equipment would be an asset to the Department and seeks to accept this donation. An itemized list of equipment to be donated accompanied the letter. There is no cost to the Department for this donation.

The Board of Police Commissioners has already approved this request. Therefore, I now request approval from your Honorable Body to accept the donation and adopt the enclosed resolution.

If you have any questions or concerns regarding this matter, please feel free to contact me at 596-1800, Monday through Friday, 9:00 a.m. to 5:00 p.m.

Re: Permission to accept a Byrne Criminal Justice Innovation (BCJI), Detroit Eastern District Initiative (DEDI) Grant from the Detroit Crime Commission (DCC).

The Detroit Police Department (DPD) has been selected to receive **\$365,721.96 in grant funding, with no required match**, from the U.S. Department of Justice, Office of Justice Programs, Bureau of Justice Assistance. Officers from DPD's Eastern District will assist in planning and implementing a Byrne Criminal Justice Innovation (BCJI) Program entitled "Detroit Eastern District Initiative (DEDI)." Recognizing that community safety is essential to neighborhood revitalization, BCJI resources are targeted specifically at persistently distressed neighborhoods that have significant crime challenges that generate a significant proportion of crime or type of crime within the larger community or jurisdiction impeding broader neighborhood development goals. The BCJI Program requires a consortium of "cross-sector" partners to include community stakeholders, law enforcement, and local research partner. This cross-sector partnership will complete an integrated planning phase to analyze the crime issue using data and will develop a coordinated response that includes both place-based and community-oriented strategies to address the crime issue.

The time period for the grant is October 1, 2012 through September 30, 2015. The Federal Award Number is 2012-AJ-BX-0002. Commander Steven Dolunt, of the Eastern District, will serve as the project director for the grant. The Detroit Crime Commission (DCC) will serve as the fiscal agent for the DEDI grant. The appropriation number for the grant is 13591.

Participation requires the approval of your Honorable Body, via adoption of the attached resolution. The Board of Police Commissioners has been notified of the funding and approved participation.

1940. Leola was a product of the Brooklyn Public School system. At a young age, Leola gave her life to Christ as a member of Washington Temple Church of God in Christ, where she later joined the church choir, thusly inspiring the creation of an original singing group, The Vocalaires. In 1952, at the tender age of 13, and while serving as lead singer of the *Vocalaires*, Leola landed the group a performance at the historic Apollo Theater of Harlem New York. This ultimately led to a recording contract with Decca Records. Over the next several years, the *Vocalaires* toured extensively, produced and recorded three original songs and sang backup for the late Rock and Roll legendary singer, Elvis Presley; and

WHEREAS, In 1958, Leola met the love of her life, Mr. Eugene Allen while on a blind date. Two years later, the two were joined together in holy matrimony. To this union two children were born LaSonja and Lisa. In 1965, the family moved to Detroit, Michigan. Shortly after, she landed a job with National Bank of Detroit, where she worked and held numerous positions for 30 years. She later became a member of Ebenezer African Methodist Episcopal Church, where she served as president of the church choir; and

WHEREAS, Leola enjoyed life to its fullest. She inherited the spiritual birthright and assignment of "*Matriarch*" of the family, a sacred responsibility she enjoyed. As the Matriarch, she loved hosting family gatherings, parties, cooking, singing, playing bid whist, and traveling, but her greatest love was her family. Leola will be sorely missed by her loved husband Eugene Allen; two daughters LaSonja and Lisa; three grandchildren, Tony, Terrell and Chevron; two great-grandchildren, Terrell, Jr., and Lailah; one sister, Gladys; one brother, Sam; sister-in-law, Yvonne and a host of neices, nephews, cousins, friends and loved ones. Her warmth, kindness, and bright smile will never be forgotten. NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council hereby joins family and friends in celebrating the life of Leola Allen. May memories of her love, faith, compassion, and generosity continue to fill the hearts of the many lives she touched.

**TESTIMONIAL RESOLUTION  
FOR**

**DR. KHALIL GIBRAN MUHAMMAD**

By COUNCIL PRESIDENT PUGH:

WHEREAS, Detroit City Council welcomes Dr. Khalil Gibran Muhammad, Director of the Schomburg Center for

Research in Black Culture and former Associate Professor of History at Indiana University to the Second Annual Black History Month Lecture for The Association for the Study of African American Life and History, on February 28, 2013; and

WHEREAS, Dr. Khalil Gibran Muhammad hails from a distinguished family lineage; as the great grandson of the Honorable Elijah Muhammad, the founder of the seminal Nation of Islam; as well as, the son of the Pulitzer Prize-winning New York Times photographer, Ozier Muhammad. Dr. Khalil Muhammad graduated from the University of Pennsylvania with a Bachelor of Arts in Economics in 1993. He further his education at Rutgers University, where he received his PhD in American History — specializing in 20th Century U.S. and African American History. In addition, he spent two years as an Andrew W. Mellon Postdoctoral Fellow at the Vera Institute of Justice, a non-profit criminal justice reform agency in New York City, before joining the faculty of Indiana University; and

WHEREAS, Dr. Khalil Gibran Muhammad is widely recognized as a groundbreaking historiographer for his insightful examination of the pernicious bias against the moral character of African American as a whole from reconstruction through the 21st Century via the misuse of statistics. He is a native of Chicago's south side and an award — winning author whose brilliant correction of mainstream historical bias culminated in his book *The Condemnation of Blackness: Race, Crime and the Making of Modern Urban America*, published by the *Harvard University Press*. This masterpiece won him the John Hope Franklin Award for American Studies, in 2011. Currently, he is completing his much

anticipated, second book, *Disappearing Acts: The End of White Criminality in the Age of Jim Crow*, the book traces the historical roots of the changing demographics of crime and punishment so evident today. His scholarship has been featured in the *Washington Post*; *San Francisco Chronicle*; *Atlanta Journal Constitution*; *History News Network*; *thedefendersonline.com*; and on National Public Radio and Pacifica Radio. Dr. Khalil Muhammad served as Associate Editor of *The Journal of American History*, and was recently appointed to the Editorial Board of *Transition Magazine*, published by the W.E.B. Du Bois Institute at Harvard University. NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council hereby honors and salutes Dr. Khalil Gibran Muhammad for his contribution to the study of African American History. May his remarkable work continue to be an inspiration to us all.

## Human Resources Department Labor Relations Division

February 15, 2013

Honorable City Council:

Re: Implementation of Budget Required Furlough (BRF) Days for Certain Unionized Employees.

The City of Detroit has been engaged in negotiations with various unions regarding BRF days without resolution (see attached, Schedule A). The BRF proposal presented to the unions by the City was proposed in response to the financial crisis the City is experiencing at this time and mirrors the amended furlough ordinance imposed on non-union employees, approved by this body on February 4, 2013.

In a letter dated December 5, 2012, the City requested to meet with relevant bargaining groups for the purpose of negotiating BRF days. More than a reasonable period of bargaining has transpired and it appears the positions of the parties have become fixed pertaining to the BRF days. Negotiations have not resulted in the parties reaching any agreement. Further, additional bargaining sessions would not be productive because it is clear that the parties are deadlocked and at impasse. On February 6, 2013, the City notified each union leader that it would impose the City's last proposal on the BRF days. On Monday, February 11, 2012, after a presentation by the Administration regarding implementation of the BRF days, the Financial Advisory Board passed a resolution confirming that the BRF proposal was in compliance with Annex D of the Financial Stability Agreement, as required by that document (see attached Resolution).

In accordance with the City's practice, we are therefore recommending that your Honorable Body approve the reduction in the standard work hours to achieve a ten

percent (10%) wage reduction in the form of twenty-six (26) mandatory Budget Required Furlough (BRF) days off without pay, for the specified bargaining units, as set forth in the attached Schedule A, effective immediately.

We further respectfully request that your Honorable Body adopt the following resolution with a Waiver of Reconsideration.

Respectfully submitted,  
LAMONT D. SATCHEL, ESQ.

Labor Relations Director  
By Council Member Jones:

Resolved, That employees in the specified bargaining units, on the attached Schedule A, shall receive a ten percent (10%) wage reduction in the form of twenty-six (26) mandatory Budget Required Furlough (BRF) days off without pay for a one year period and be it further

Resolved, That the Finance Director is hereby authorized to honor payrolls and vouchers in accordance with this resolution and letter.
