STREETScape**

Feedback from April 2018 Community Meeting

MOBILITY

Safety is the #1 concern

There is great interest in re-establishing the
parade route

Broadstreet is an important north-south connection in
the neighborhood.

Need better parking solutions along Dexter.

Feedback from May 2018

Focus groups

MOBILITY

- Community members present felt that closing Broadstreet at Davison was the best option to increase safety.
- Many people were interested in activating vacant spaces for gathering spaces.
- Community members were interested in Elmhurst as a potential Greenway connector.

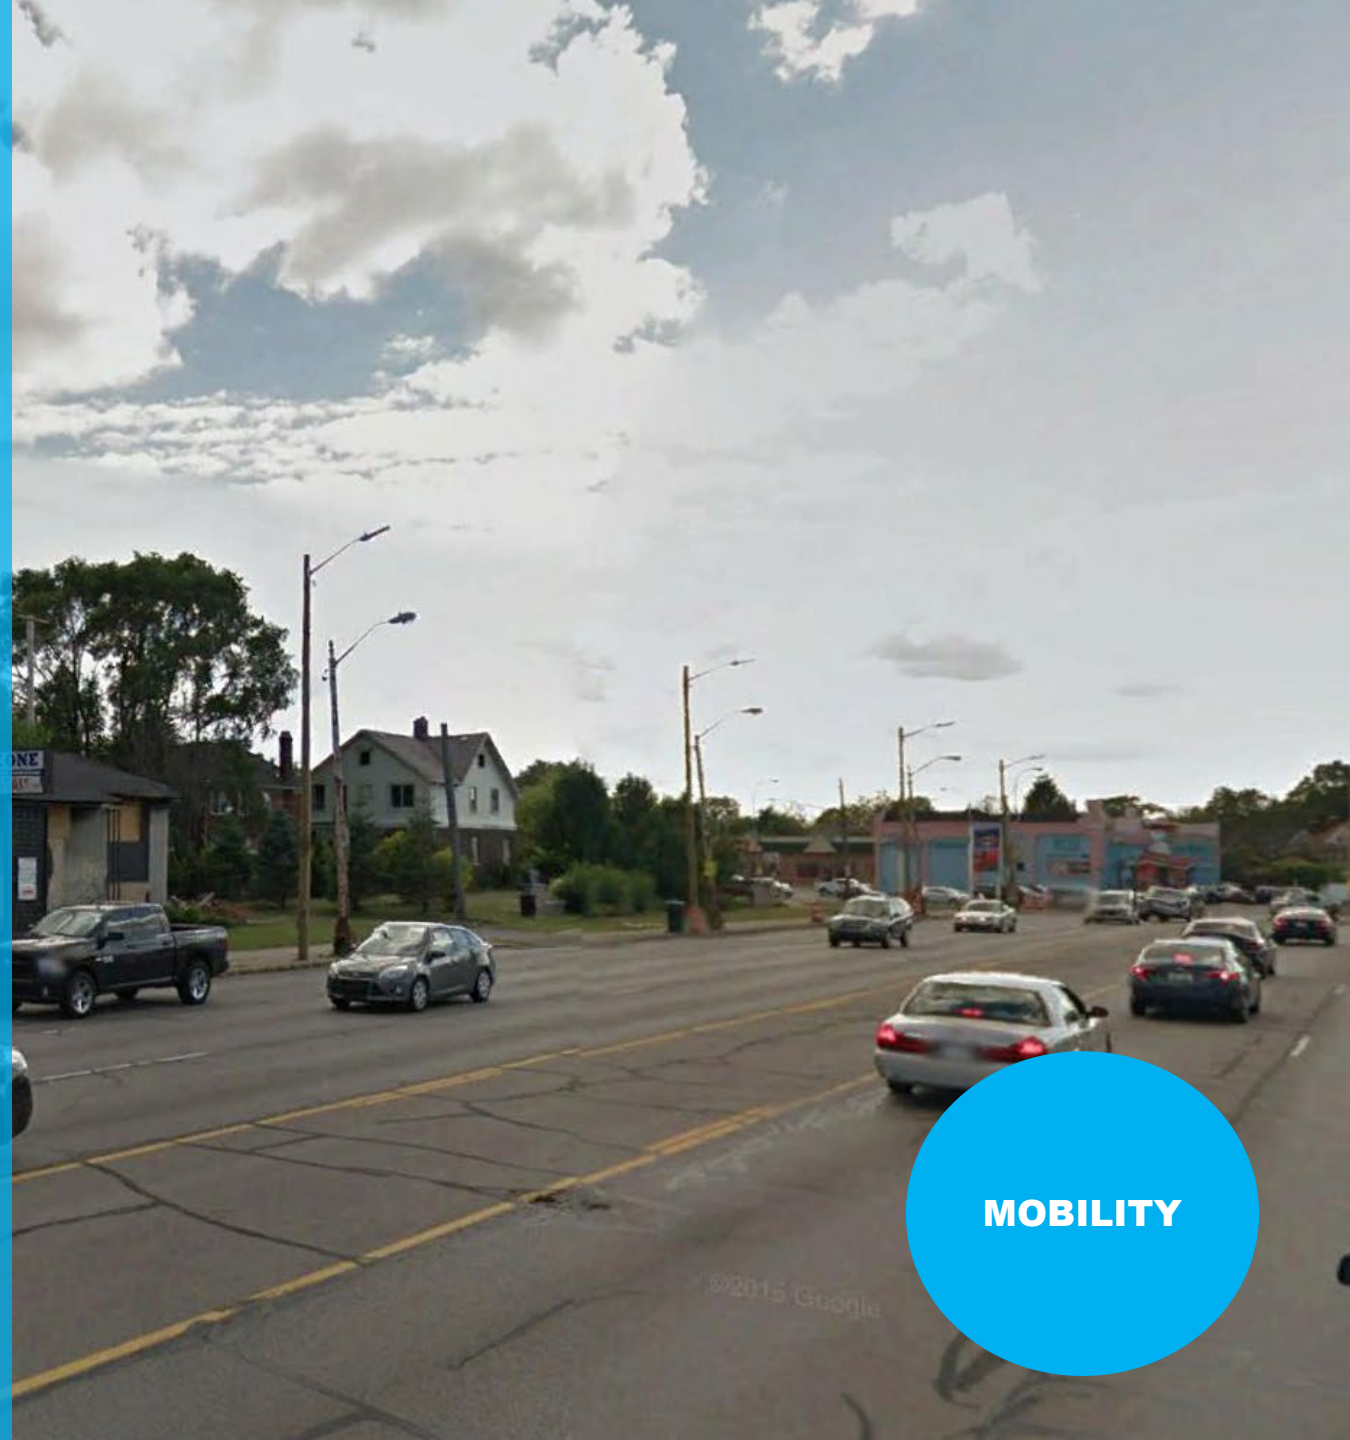

STREETSCAPE CONCEPT

CONNECTIONS TO
INCREASE TRAVELER
SAFETY AND ENHANCE
RETAIL CORRIDORS**

Mobility Goals

1. Make the street attractive for new business opportunities
2. Improve connections to make it easier to travel to and from the neighborhood for all users
3. Modify the street to reduce vehicular and pedestrian crashes

MOBILITY

Invest in Dexter Avenue

Enhance and attract retail opportunities

Streetscape: The visual elements of a street, including the road, adjoining buildings, sidewalks, street furniture, trees and open spaces, etc, that combine to form the street's character.

These elements can be used to manage traffic in order to increase safety and support retail activity.
