

WHEREAS, In 1931, Congress enacted the Davis-Bacon Act, a Federal law which requires government contractors to pay construction workers the local "prevailing wage". Its goal was to outlaw wage exploitation, since public contracts go to the lowest bidder; and

WHEREAS, Eighty-four years later, Michigan State Legislature, by its introduction of an alternative to HB 4052 (H-2), and the newly introduced SB 337, have unleashed a full on assault on labor, by this attempt to systematically eliminate the prevailing wage protections currently applicable in Michigan law; and

WHEREAS, The mission of the Detroit City Council is to promote the economic, cultural and physical welfare of Detroit's citizens through its Charter-mandated legislative functions; and

WHEREAS, The Michigan Home Rule City Act, MCL 117.1 *et seq*, recognizes the lawful and proper powers of local City government to make local laws, adapt to local conditions, and provide transparent and accountable governance of local communities; and

WHEREAS, H-2, will, if enacted, limit the powers of local government bodies regarding the regulation of terms and conditions of employment for employees of nonpublic employers. It essentially strips away local control over enacting employment related policies that require any of the following:

- Regulates the relationship between an employer and its employees or potential employees, if the regulation contains requirements exceeding those imposed by state or federal law.
- Regulates information an employer or potential employer must request, require, or exclude on an application for employment from an employee or potential employee.
- Requires an employer to pay an employee a wage higher than the state minimum hourly wage or the federal minimum wage (unless the federal minimum is lower than the state minimum wage).
- Regulates work stoppage or strike activity of employers and their employees or the means by which employees can organize.
- Requires an employer to provide paid or unpaid leave time.
- Regulates hours and scheduling that an employer is required to provide to employees.
- Requires an employer or its employees to participate in any educational apprenticeship or training program.
- Requires an employer to provide any specific fringe benefit or any other benefit for which the employer would incur an expense.
- Regulates or creates administrative or judicial remedies for wage, hour, or benefit disputes.

WHEREAS, In most instances because of proximity to the issues, local government is more knowledgeable and better able to assess specific needs and prescribe such standards and regulations for their own local community than is State government in Lansing; and the overly broad proposed legislation undercuts many carefully considered existing development and economic policies; and

WHEREAS, Under H-2 and SB 337, Detroit and all other local municipal governments in Michigan would be deprived of any and all legal power to mandate, require or regulate such local issues, which would be inappropriate and inadvisable. NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council strongly urges the Michigan Municipal League and other municipalities join in vigorously opposing Substitute for HB 4052 (H-2) and SB 337; and NOW THEREFORE BE IT FINALLY

RESOLVED, That copies of this resolution shall be transmitted to the Mayor and Corporation Counsel, the City's State lobbyists, the Governor and the Detroit delegation in the State Legislature.

CITY OF DETROIT

INDIVIDUAL EMPLOYMENT CONTRACT

THIS CONTRACT made this 21st day of May 2015, by and between the CITY OF DETROIT, a municipal corporation acting by and through the Mayor's Office of the City of Detroit ("the City") and James Craig, Chief of Police ("Chief Craig").

I. RE-APPOINTMENT OF CHIEF CRAIG

WHEREAS, Effective July 1, 2013, Chief Craig was appointed Chief of Police of the City of Detroit Police Department, by the City's Emergency Manager ("EM"), pursuant to EM Order No. 11, for a two (2) year term, through June 30, 2015; and

WHEREAS, Chief Craig desires to continue on in his role and duties as Chief of Police of the City of Detroit Police Department; and

WHEREAS, The Mayor has determined that the re-appointment of Chief Craig to the position of Chief of Police of the City of Detroit Police Department is in the best interests of the health, safety and welfare of the people of the City; now

THEREFORE, The Mayor hereby re-appoints Chief Craig to the position of Chief of Police of the City of Detroit Police Department.

II. SCOPE OF SERVICES

Chief Craig has the authority to and shall carry out the duties of Chief of Police for the City of Detroit Police Department, as set forth in Section 7-806 of the Detroit

City Charter, EM Order 11, and in accordance with all applicable federal, state and local laws, in a satisfactory and proper manner, and shall devote such time, attention, skill, knowledge and professional ability as is necessary to most effectively and efficiently carry out and perform the duties set forth above.

III. CONTRACT TERM

A. This Contract is effective for a term of two (2) years, commencing July 1, 2015, through June 30, 2017 ("Initial Term").

B. Automatic Renewal. Either the Mayor or Chief Craig can provide written notice of non-renewal of the contract by June 30, 2016. If neither party provides such written notice, the contract will be automatically extended for one year, through June 30, 2018. In each subsequent year, the contract will be automatically renewed for an additional one year term unless either party provides written notice of non-renewal at least 12 months prior to the then-current Extended Term.

C. Section 7-805 of the Detroit City Charter provides that the Chief of Police serves at the pleasure of the Mayor. In the event that the Mayor exercises the authority to remove Chief Craig without cause, Chief Craig shall receive from the City the remaining balance of his compensation through the end of the Extended Term.

D. In the event that Chief Craig resigns without cause and takes a position with another law enforcement agency during the Extended Term, Chief Craig shall pay the City the remaining balance of his compensation through the Extended Term.

IV. COMPENSATION

For the life of the Contract the City agrees to pay Chief Craig an annual salary of \$225,000, as well as the ordinary and typical fringe benefits to which other mayoral appointees are entitled, including but not limited to holiday pay, sick pay, vacation pay, retirement benefits, pension benefits, and insurance benefits.

V. COMPLIANCE WITH LOCAL LAWS

Chief Craig shall comply with all applicable laws, ordinances, and codes of the federal, state, and local governments, including the City's Fair Employment Practices Ordinance, being Ordinances 205G, Section 2-7-6.1 et. seq. of the City of Detroit Municipal Code, and Chief Craig shall save the City harmless with respect to any damages arising from any violation of the same by him.

VI. CONFLICT OF INTEREST

Chief Craig covenants that he presently has no personal or financial interest, and shall not acquire any such interest, direct or indirect, which would conflict in any manner or degree with the performance of the services under this Contract. Chief Craig further covenants that in the performance of this Contract no person having any such interest shall be employed. Chief Craig further covenants that no offi-

cer, member or employee of the City and no other public official who exercises any functions or responsibilities in the review or approval of the undertaking or carrying out of this Contract has any personal or financial interest, direct or indirect, in this Contract or in the proceeds thereof.

VII. DEBT TO AGENCY

Chief Craig covenants that he is not, and will not become, in arrears to the City upon contract, debt, or any other obligation to the City including real property, personal property and income taxes.

IN WITNESS WHEREOF, the City and Chief Craig, by and through their duly authorized officers and representatives, have executed this Contract.

Sec. 25-2-195. Redford Branch-Detroit Public Library Historic District.

(a) A historic district to be known as the Redford Branch-Detroit Public Library Historic District is established in accordance with the provisions of this article.

(b) This historic district designation is hereby certified as being consistent with the Detroit Master Plan.

(c) The boundaries of the Redford Branch-Detroit Public Library Historic District are as shown on the map on file in the office of the City Clerk, and are as follows: on the north, the centerline of West McNichols Road; on the east, the centerline of vacated Chapel Avenue; on the south, the centerline of the vacated alley running east-west between Burgess Avenue and Chapel Avenue; and on the west, the centerline of Burgess Avenue. Commonly known as 21511 West McNichols Road.

(d) The defined elements of design, as provided for in Section 25-2-2 of this Code, shall be as follows:

(1) *Height.* The single building is one and one-half (1-1/2) stories in height, including a tall attic story.

(2) *Proportion of building's front façade.* The front facade is wider than it is tall. A bay window is taller than it is wide.

(3) *Proportion of openings within the façade.* The front (north) façade of the single building is composed of approximately thirty (30) percent openings, with side (east and west) façades containing approximately ten (10) percent openings, and rear (south) façade containing about forty (40) percent openings.

(4) *Rhythm of solids to voids in the front façade.* Although a large bay window lends an overall asymmetrical character to the front (north) façade, the rhythm of solids to voids is regular, with a centered, Gothic-arched doorway, flanked by small window openings, in turn flanked by larger window openings in the end bays of the façade. The side (east and west) façades also have a regular rhythm of solids to voids. The rear (south) façade has an irregular rhythm of solids to voids.

(5) *Rhythm of spacing of buildings on streets.* Not applicable due to single building district.

(6) *Rhythm of entrance and/or porch projections.* The front (north) façade contains a single porch projection: an unenclosed porch fronted by six (6) projecting steps. This porch is centered on the façade. The rear (south) entrance is topped by a shed-roof overhang.

(7) *Relationship of materials.* The building is faced with seam-face Plymouth granite and topped by a gable roof covered in slate. Stone defines roof coping, door and window surrounds, as well as a bay window. Roof brackets and front doors are composed of wood. The roof is highlighted by copper flashing, gutters, and downspouts. Windows are leaded glass with stone mullions.

(8) *Relationship of textures.* The building walls consist of granite blocks of various sizes, adding texture to the façade, with smooth stone surrounds, mullions, and coping providing a contrast. A slate roof is also rich in texture.

(9) *Relationship of colors.* Blocks of granite which comprise the building façade vary in color from reddish to yellowish hues. Copper elements have oxidized to bright green. Slate roofing tiles are varying shades of grey. Windows, with a high degree of transparency, appear dark in the daytime.

(10) *Relationship of architectural details.* The building is English Gothic in style. The front (north) façade features a prominent, projecting bay at its west end. Centered above the bay window is a stone medallion depicting a blank shield and, rising above, a centered flagpole. The eastern bay is simpler in arrangement, with four mullioned windows and a subtle forward projection. The central bay is defined by a recessed, compound Gothic-arched doorway; above paired, paneled doors is a scroll-shaped decoration in stone with the words carved in relief. "AD 1925/REDFORD BRANCH/DETROIT PUBLIC LIBRARY." Flanking the doorway are two carved, stone lanterns. Large decorative brackets support a shed roof overhang on the rear (south). A tall, arched window, set within a compound Gothic arch, exists on the east end of the building, the lower portion of the window closed with stone.

(11) *Relationship of roof shapes.* Ends of the side-gable roof are highlighted by projecting, triangular parapets. On the western bay of the front (north) façade, a tall bay window is topped by a flat roof with coping. An off-center, slope chimney projects above the roofline. On the rear (south) façade are a shed dormer and a projecting cross gable.

(12) *Walls of continuity.* No wall of continuity exists within the district.

(13) *Relationship of significant landscape features and surface treatments.* Mature maple, oak, and basswood trees occupy much of the space to the south of the building. A freestanding, internally-

illuminated sign stands at the east end of the site. Small wood benches are located to the west of the building and face the circular driveway.

(14) Relationship of open space to structures. The building is surrounded on all sides by open or landscaped space.

(15) Scale of façade and façade elements. A steep roofline presents a broad and highly-visible side-gable slate roof to view from the public right-of-way. The dominant feature of the façade is its large, western, projecting bay window. A recessed central doorway is smaller in scale, but also prominent. Other decorative medallions and decorative lanterns are smaller in scale, viewable by a pedestrian approaching the building.

(16) Directional expression of front elevation. The front elevation of the building is somewhat vertical in expression due to the presence of a Gothic-arched central doorway, tall bay window, and pronounced pediments at the gable ends.

(17) Rhythm of building setbacks. The building features a shallow setback from the public right-of-way, with front steps leading directly to a public sidewalk.

(18) Relationship of lot coverage. The building occupies approximately twenty (20) percent of its lot, with an open area with circular driveway to the west of the building, a smaller grassy yard to the east of the building, and a rear yard with mature trees to the south of the building.

(19) Degree of complexity within the façade. The degree of complexity is high due to the contrast of textures and colors.

(20) Orientation, vistas, overviews. The building is oriented toward the north, with its primary entrance facing McNichols Road. It is situated atop a slight rise from grade level that necessitates a slight wood retaining wall on its north and south sides.

(21) Symmetric or asymmetric appearance. The building is mostly symmetrical in appearance, with the exception of a large bay window on its western bay.

(22) General environmental character. The district consists of one (1) building facing north onto McNichols Road. The building was once typical of a neighborhood in which many houses have since been replaced by larger institutional and commercial buildings. The building is situated at a prominent intersection in Detroit's Old Redford neighborhood, formerly the village of Redford.

Section 2. All ordinances or parts of ordinances, or resolutions, in conflict with this ordinance are repealed.

Section 3. This ordinance is declared necessary for the preservation of the public peace, health, safety, and welfare of the people of the City of Detroit.

Section 4. This ordinance shall be given immediate effective upon publication in accordance with Section 4-118 of the 2012 Detroit City Charter.

Honorable City Council:

Re: Modification, Assumption and Consent Agreement. Development: Parcel 429; generally bounded by St. Antione, Kirby, Ferry and Chrysler Freeway (I-75).

On April 26, 2006, your Honorable Body authorized the sale of the above-captioned real property to Nailah, LLC, a Michigan Limited Liability Company, under a Development Agreement ("Development Agreement") for the purpose of constructing twelve (12) duplex residences.

On March 10, 2015, your Honorable Body authorized a modification of the Development Agreement from twelve (12) duplex residences to fifty-eight (58) townhouses and approved an extension of the completion period of the development until December 31, 2017.

Nailah, LLC has combined the properties originally conveyed by the City with other private properties to form the Nailah Commons Project, which includes the fifty-eight (58) units. The owners of Nailah, LLC have created Nailah Commons, LLC, a Michigan Limited Liability Company, and seek the City's approval to transfer the properties to Nailah Commons, LLC and assign them the interests of Nailah, LLC under the Development Agreement.

Under the terms and conditions of a proposed Modification, Assumption and Consent Agreement, Nailah Commons, LLC shall 1) complete the modified development by December 31, 2017; 2) assume the obligations of the Development Agreement and 3) be sub-

ject to all the conditions and restrictions to which Nailah, LLC is subject with respect to the properties.

We hereby request that your Honorable Body adopt the attached resolution authorizing and approving a Modification, Assumption and Consent Agreement by and among Nailah, LLC, Nailah Commons, LLC and the City of Detroit.

Respectfully submitted,

Honorable City Council:

Re: Surplus Property Sale — 11536 Gunston.

The City of Detroit acquired as tax reverted property from the Wayne County Treasurer, 11536 Gunston, located on the South side of Gunston, between Bradford and Gunston, a/k/a 11536 Gunston. This property consists of a single-family residential structure, located on an area of land measuring approximately 4,225 square feet and is zoned R-1 (Single-Family Residential District).

The purchaser proposes to rehabilitate the property for use as a "Single Family Residential Dwelling". This use is permitted as a matter of right in a R-1 zone.

We request your Honorable Body's approval to accept the Offer to Purchase and approve the property sale resolution with a Waiver of Reconsideration and authorize the Mayor of the City of Detroit, or his authorized designee, to issue a Quit Claim Deed to Jeffrey Scarber, for the sales price of \$1,100 on a cash basis plus an \$18.00 deed recording fee.

Honorable City Council:

Re: Resolution Approving a Commercial Rehabilitation Exemption Certificate, on Behalf of Woodward and Erskine, LLC at 3152 Woodward Avenue, Detroit, MI, in Accordance with Public Act 210 of 2005. (Related to Petition #507).

On May 21, 2015, a public hearing in connection with approving a Commercial Rehabilitation Exemption Certificate for the above-captioned property was held before your Honorable Body. All interested persons and organizations were given an opportunity to be heard. No impediments to the approval of this certificate were presented during the hearing.

Woodward and Erskine, LLC has submitted satisfactory evidence that they possess the necessary financial resources required to develop this property in accordance with Public Act 210 of 2005 ("the Act") and the Development Agreement for the project.

Respectfully submitted,

JOHN SAAD

Manager — Development Division

By Council Member Benson:

Whereas, Woodward and Erskine, LLC has filed with the City Clerk an Application for a Commercial Property Rehabilitation Exemption Certificate, under Public Act 210 of 2005 ("the Act") in City of Detroit Commercial Property Rehabilitation District in the manner and form prescribed by the Michigan State Tax Commission; and

Whereas, This City Council is a Qualified Local Governmental Unit as defined by the Act; and

Whereas, This City Council on May 12, 2015 established by Resolution a Commercial Property Rehabilitation District in the vicinity of 3152 Woodward Avenue, Detroit, Michigan, after a Public Hearing held, in accordance with the Act; and

Whereas, The taxable value of the property proposed to be exempt plus the aggregate taxable value of property already exempt under the Act and under Public Act 210 of 2005 does not exceed 5% of the total taxable value of property in the City of Detroit; and

Whereas, The Applicant is not delinquent in any taxes related to the facility; and

Whereas, The Application is for Commercial property as that term is defined in Section 2(h) of the Act, which property is owned by the Applicant, or for which Applicant has an enforceable pur-

chase agreement to acquire the property; and

Whereas, Commencement of the rehabilitation of the subject facility did not occur before the establishment of the Commercial Property Rehabilitation District; and

Whereas, The Application relates to a rehabilitation program that when completed constitutes a rehabilitated facility within the meaning of the Act and which is situated within the aforesaid City of Detroit Commercial Property Rehabilitation District; and

Whereas, Completion of the rehabilitation is calculated to, and will at the time the Certificate is issued, have the reasonable likelihood of increasing and/or retaining employment, increasing commercial activity, revitalizing an urban area, or increasing the number of residents in the community in which the facility is located; and

Whereas, The rehabilitation includes improvements aggregating 10% or more of the true cash value of the property at the commencement of the rehabilitation as provided by the Act; and

Whereas, This City Council has granted until of December 1, 2016 for the completion of the rehabilitation; and

Whereas, On May 21, 2015, in the City Council Committee Room, 13th Floor, Coleman A. Young Municipal Center, Detroit, Michigan, a formal public hearing was held on aforesaid application, at which time the Applicant, the Assessor, the general public, and representatives of the affected taxing units had an opportunity to be heard; and

Whereas, Notice was given by certified mail to the Detroit Board of Education, the City of Detroit Board of Assessors, the Wayne County Board of Commissioners, Wayne County Community College, the Wayne County Intermediate School District, the Huron-Clinton Metropolitan Authority, the Applicant, and by publication to the general public, informing them of the receipt of the Application, the date and location of the Public Hearing, and the opportunity to be heard;

Now Therefore Be It

Resolved, That it is hereby found and determined that the granting of a Commercial Property Rehabilitation Exemption Certificate, considered together with the taxable value of Commercial Property Rehabilitation Exemption Certificates and Industrial Facilities Exemption Certificates if previously granted and currently in force, will not have the effect of substantially impeding the operation of the local governmental unit or impairing the financial soundness of any other taxing unit which levies an ad valorem property tax with the City of Detroit; and be it further

Resolved, That it is hereby found and determined that the Applicant has complied with the requirements of the Act; and be it further

Resolved, That the application of Woodward and Erskine, LLC, for a Commercial Property Rehabilitation Exemption Certificate, in the City of Detroit Commercial Property Rehabilitation District is hereby approved for a period of Ten (10) years from completion of the facility, with the certificate beginning December 31, 2016 and the certificate expiring December 31, 2026, in accordance with the provisions of the Act; and be it finally

Resolved, That in the event Woodward and Erskine, LLC is not owner of the subject property at the time of the City's approval of this Resolution, the Certificate shall not be considered officially approved by the City until Woodward and Erskine, LLC is the owner of the subject property; and be it further

Resolved, That the City Clerk shall forward said application to the Michigan State Tax Commission as provided by the

Act once it has been confirmed that Woodward and Erskine, LLC is owner of the subject property; and be it further

Resolved, That the rehabilitation of the facility shall be completed no later than December 1, 2016, unless an extension of that time period is granted by this City Council, which extension shall be granted if this City Council determines that the rehabilitation of the facility is proceeding in good faith and the proposed extension is reasonable; and be it finally

Resolved, That the City of Detroit's Planning and Development Department and City Assessor's Office are hereby authorized to enter into, substantially in the form attached hereto, a Commercial Property Rehabilitation Exemption Certificate Agreement and attached Summary of Procedures for the purpose of establishing the operating procedures for and implementing the aforesaid Certificate.

April 20, 2015

Honorable City Council:

Re: Request to Accept and Appropriate Department of Justice Office of Justice/Wayne County Sheriff's Office 2014 Justice Assistance Grant (JAG).

The Department of Justice (DOJ) Office of Justice awarded Wayne County Sheriff's Office a 2014 Justice Assistance Grant (JAG) in the amount of \$1,567,159. Over the past few years, the Detroit Police Department has partnered with the Wayne County Sheriff's Office (WCSD) as part of the Sexual Assault Team. The WCSD has served as the grant's fiscal agent. As a result of the award, the Detroit Police Department will receive \$1,084,607. The JAG grant was budgeted for \$1,000,000. In addition, the Detroit Police Department was awarded an increase of \$84,607. There is no match requirement for this grant. The grant period is October 1, 2013 through September 30, 2017.

With this funding, the Detroit Police Department will continue its goal of technology acquisition. This is a reimbursement grant.

If approval is granted to accept and appropriate this funding, Kellie Russell, Associate Director, will be the fiduciary agent for the grant. The cost center is 372413 and the appropriation number is 13708.

I respectfully ask your approval to accept and appropriate funding in accordance with the attached resolution.

Honorable City Council:

Re: Petition No. 2991 — Ss. Peter and Paul Jesuit Church and Warming Center request to address the proposed construction of an exterior egress stair and accessible ramp in the Right-of-Way for the Saints Peter and Paul Jesuit Church and Warming Center located at 438 St. Antoine Street.

Petition No. 2991 — Ss. Peter and Paul Jesuit Church and Warming Center whose address is 438 St. Antoine Street, Detroit, Michigan 48226 request to install and maintain an encroachment with a stair and handicap ramp at the existing building entrance on St. Antoine Street, 50 feet wide.

The request is being made as part of a renovation plan for the Warming Center including exterior and interior work. The handicap ramp is needed to provide access for the disabled.

The petition was referred to the City Engineering Division — DPW for investigation and report. This is our report.

The request was approved by Street Maintenance — DPW and Sanitation — DPW. Street Design — DPW has approved the request provided a minimum width of 5 feet is maintained for pedestrians.

Traffic Engineering Division — DPW (TED) reports being involved. TED originally objected to the proposed encroachment because the proposed layout did not maintain the necessary 5 feet for pedestrian traffic. TED recommended the requested stair and handicap ramp be adjusted to allow a minimum 5 feet clear sidewalk. Subsequently, the layout plans were revised and TED reports no objec-

tion, provided certain requirements are met. The TED requirements have been made a part of the attached resolution.

Detroit Water and Sewerage Department (DWSD) reports having facilities in the encroachment area, but has no objection provided the DWSD encroachment provisions are followed. The DWSD provisions have been made a part of the resolution.

DTE Energy Gas reports involvement, but not objection provided the encroachment will not affect the existing Gas Service Line to 438 St. Antoine Street. The attached resolution contains a provision protecting the existing Gas Service Line.

All other involved City Departments and privately owned utility companies reported no objections. Provisions protecting all utilities in the encroachment area are a part of the resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,
RICHARD DOHERTY, P.E.,
City Engineer

City Engineering Division — DPW
By Council Member Benson:

Resolved, That the Department of Public Works, City Engineering Division is hereby authorized and directed to issue permits to Ss. Peter and Paul Jesuit Church and Warming Center whose address is 438 St. Antoine, Detroit, Michigan 48226 or their assigns for an encroachment with a stairway and handicap ramp on the east side of St. Antoine Street, 50 feet wide, south of Larned Avenue, 60 feet wide and north of Jefferson Avenue, 210 feet wide, and described as: Land in the City of Detroit, Wayne County, Michigan being part of St. Antoine Street, 50 feet wide beginning 9.0 feet south of the south line of Larned Avenue, 60 feet wide, and ending 36.33 feet south of the south line of Larned Avenue and being 5.00 feet or less in width, and adjoining Lot 4, south of Larned Avenue "Plat of part of the Antoine Beaubien Farm" as recorded in Liber 27, Page 197 of Deeds, Wayne County Records.

Provided, That if there is any cost for the removing and/or rerouting of any utility facilities, it shall be done at the expense of the petitioner and/or property owner; and be it further

Provided, By approval of this petition the Detroit Water and Sewerage Department (DWSD) does not waive any of its rights to its facilities located in the right-of-way, and at all times, DWSD, its agents or employees, shall have the right to enter upon the right-of-way to maintain, repair, alter, service, inspect, or install its facilities. All cost incident to the damaging, dismantling, demolishing, removal and replacement of structures or other

improvements herein permitted and incurred in gaining access to DWSD's facilities for maintenance, repairing, alteration, servicing or inspection caused by the encroachment shall be borne by the petitioner. All costs associated with gaining access to DWSD's facilities, which could normally be expected had the petitioner not encroached into the right-of-way, shall be borne by DWSD; and be it further

Provided, That all construction performed under this petition shall not be commenced until after (5) days written notice to DWSD. Seventy-two (72) hours notice shall also be provided in accordance with P.A. 53 1974, as amended, utilizing the MISS DIG one call system; and be it further

Provided, That construction under this petition is subject to inspection and approval by DWSD forces. The cost of such inspection shall, at the discretion of DWSD, be borne by the petitioner; and be it further

Provided, That if DWSD facilities located within the right-of-way shall break or be damaged as the result of any action on the part of the petitioner, then in such event the petitioner agrees to be liable for all cost incident to the repair, replacement, or relocation of such broken or damage DWSD facilities; and be it further

Provided, That the petitioner shall hold DWSD harmless for any damages to the encroaching device constructed or installed under this petition which may be caused by the failure of DWSD's facilities; and be it further

Provided, That if at any time in the future the petitioner shall request removal and/or relocation of DWSD's facilities in the right-of-way being encroached upon the petitioner agrees to pay all costs for such removal and/or relocation; and be it further

Provided, That the contractor call MISS DIG 72 hours prior to starting any underground construction where they plan the underground encroachment; and be it further

Provided, That the encroachment shall not affect the Existing Gas Service Line that feeds #438 S. St. Antoine Ct. Otherwise contact Michcon Gas Company Public Improvement Department: Jay Williams at 313 389-7303 (Supervisor) or Laura Forrester at 313 389-7261 (Gas Planner), for the estimated cost of the Michcon services in abandoning/removing and/or relocating, including the survey, design and drawing of the Michcon facilities.

Provided, That the petitioner maintain a minimum clear sidewalk width of 5 feet in front of the stairway and handicap ramp at all times to allow for pedestrian traffic.

Provided, That the petitioner shall also be responsible to construct sidewalk adja-

cent to/around the existing electric vault located south of the proposed encroachment; and the sidewalk shall be finished and made flush (level) with the sidewalk surrounding it.

Provided, That Ss. Peter and Paul Jesuit Church and Warming Center or its assigns shall apply to the Buildings and Safety Engineering Department for a building permit prior to any construction. Also, if it becomes necessary to open cut public streets, bore, jack, occupy or barricade city rights-of-way for maintenance of encroachments such work shall be according to detail permit application drawings submitted to the City Engineering Division — DPW prior to any public right-of-way construction; and further

Provided, That the necessary permits shall be obtained from the City Engineering Division — DPW and the Buildings and Safety Engineering Department. The encroachments shall be constructed and maintained under their rules and regulations; also in accord with plans submitted to and approved by these departments; including the Public Lighting Department (if necessary), and the Traffic Engineering Division — DPW (if necessary); and further

Provided, That all cost for the construction, maintenance, permits and use of the encroachments shall be borne by Ss. Peter and Paul Church and Warming Center and further

Provided, That all costs incurred by privately owned utility companies and/or city departments to alter, adjust, and/or relocate their existing utility facilities located in close proximity to the encroachments shall be borne by Ss. Peter and Paul Jesuit Church and Warming Center or its assigns. Should damages to utilities occur Ss. Peter and Paul Jesuit Church and Warming Center or its assigns shall be liable for all incidental repair costs and waives all claims for damages to the encroaching installations; and further

Provided, That Ss. Peter and Paul Jesuit Church and Warming Center shall file with the Finance Department and/or City Engineering Division — DPW an indemnity agreement in form approved by the Law Department. The agreement shall save and protect the City of Detroit from any and all claims, damages or expenses that may arise by reason of the issuance of the permits and faithful or unfaithful performance by the petitioner of the terms thereof. Further, Ss. Peter and Paul Jesuit Church and Warming Center shall agree to pay all claims, damages or expenses that may arise out of the maintenance of the proposed encroachments; and further

Provided, That no other rights in the public streets, alleys or other public place shall be considered waived by this permission which is granted expressly on the

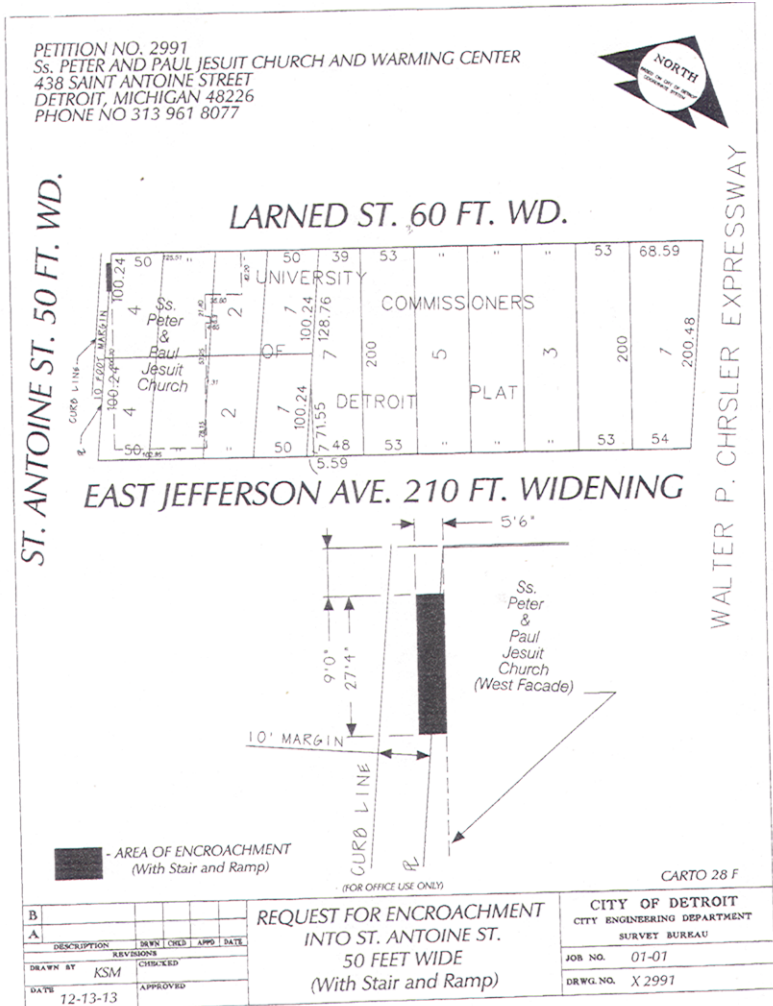

condition that said encroachment shall be removed at any time when so directed by the City Council, and the public property affected shall be restored to a condition satisfactory to the City Engineering Division — DPW; and further

Provided, This resolution is revocable at the will, whim or caprice of the City Council, and Ss. Peter and Paul Jesuit Church and Warming Center acquires no

implied or other privileges hereunder not expressly stated herein; and further

Provided, That the encroachment permits shall not be assigned or transferred without the written approval of the City Council; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution and indemnity agreement with the Wayne County Register of Deeds.

Honorable City Council:

Re: Permission to accept a donation of a Hewlett Packard 500 Plotter from the Bureau of Alcohol Tobacco and Firearms Detroit Field Division.

The ATF Detroit Field Division Special

Agent Jacqueline K. Holmes, Division Operations Officer, has offered to donate a used Hewlett Packard 500 Plotter to the Detroit Police Department's Crime Intelligence Unit. Additionally, plotter paper and ink will also be donated. There is no expectation to return the plotter. The Crime Intelligence Unit currently has a 15 year old plotter that has been discontinued. The plotter no longer functions and has been out of warranty for approximately 8 years. The plotter parts and ink are no longer available for purchase. The donated plotter, purchased in 2005, is currently valued at \$995.00, and would be used to print precinct and city maps that we currently are unable to print.

Therefore, I now request approval from your Honorable Body to accept the donation and adopt the enclosed resolution.

If you have any questions or concerns regarding this matter, please feel free to contact me at 596-1803, Monday through Friday, 8:00 A.M. to 5:00 P.M.

Sincerely,
 JAMES E. CRAIG
 Chief of Police

Re: Petition No. 374 — General Development Company, request "Vacation to Easement" for a portion of Scotten Avenue near Clark Street and Michigan Avenue.

Petition No. 374 of General

Development Company, request to vacate and convert to easement a part of Scotten Avenue, 66 feet wide, lying south of Michigan Avenue; 120 feet wide and north of Brandon Avenue, 60 feet wide.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

The requested closure of Scotten Avenue was made to facilitate an industrial real estate development. General Development Company is working with Chrysler Corporation LLC, to build a new 190,000 square foot Logistics Facility in the Clark Street Industrial Park.

Department of Public Works — Traffic Engineering Division (TED) initially objected to the vacation and conversion to easement of the requested portion of Scotten Avenue, because the closure would cause a dead end situation to the traffic on Scotten Avenue. The requested closure was revised to a temporary closure of Scotten Avenue, and TED has no objection to the temporary closure provided certain conditions were met.

The General Development Company and Chrysler Corporation LLC found the terms of the closure unacceptable. General Development Company redesigned the proposed development on private property making the closure of Scotten Avenue unnecessary.

Respectfully submitted,

Re: Petition No. 2065 — Najo Properties LLC, request for permanent alley closure abutting property located at 13701-13749 W. Eight Mile Rd., Detroit, MI, to stop illegal dumping and theft.

Petition No. 2065 — Najo Properties LLC, request to vacate and convert to easement the east-west alley, 18 feet wide in the block bounded by Norfolk Avenue, 50 feet wide, West Eight Mile

Road, 204 feet wide, Lesure Avenue, 60 feet wide and Tracy Avenue, 60 feet wide.

This request is being made in order to provide security and prevent illegal dumping.

The request was approved by the Solid Waste Division — DPW, and Traffic Engineering Division — DPW. The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

All involved City Departments, including the Public Lighting Department, and privately owned utility companies have reported no objections to the conversion of the public rights-of-way into a private easement for public utilities. Provisions protecting utility installations are part of the attached resolution.

Detroit Water and Sewerage Department (DWSD) has no objection to the conversion to easement. The specific DWSD provisions for easements are included in the resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,
RICHARD DOHERTY, P.E.
City Engineer

City Engineering Division — DPW
By Council Member Benson:

Resolved, All of east-west alley, 18 feet wide in the block bounded by Norfolk Avenue, 50 feet wide, West Eight Mile Road, 204 feet wide, Lesure Avenue, 60 feet wide and Tracy Avenue, 60 feet wide, lying northerly of and adjoining the North line of Lots 130 and 183, and lying southerly of and adjoining the South line of Lots 123 through 129, both inclusive "Derby Subdivision of N.E.1/4 of N.E.1/4 of Section 6, T.1S.,R.11E. Greenfield Township, Wayne County, Michigan" as recorded in Liber 38, Page 85 of Plats, Wayne County Records.

Be and the same is hereby vacated as a public alley and converted into a private easement for public utilities of the full width of the alley, which easement shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said alley and by their heirs, executors, administrators and assigns, forever to wit:

First, Said owners hereby grant to and for the use of the public an easement or right-of-way over said vacated public alley herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in a public alley in the City of Detroit, with the right to ingress and egress at any time to and over said easement for the purpose above set forth,

Second, Said utility easement or right-

of-way in and over said vacated alley herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit, water main, gas line or main, telephone or light pole or any utility facility placed or installed in the utility easement or right-of-way. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for ingress and egress at any time to and over said utility easement with any necessary equipment to perform the above mentioned task, with the understanding that the utility companies shall use due care in such crossing or use, and that any property damaged by the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition,

Third, Said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, concrete slabs or driveways, retaining or partition walls, shall be built or placed upon said easement, nor change of surface grade made, without prior approval of the City Engineering Division — DPW,

Fourth, That if the owners of any lots abutting on said vacated alley shall request the removal and/or relocation of any existing poles or other utilities in said easement; such owners shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners,

Fifth, That if any utility located in said property shall break or be damaged as a result of any action on the part of said owners or assigns (by way of illustration but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns shall be liable for all costs incidental to the repair of such broken or damaged utility; and

Provided, That an easement, the full width of the existing right-of-way, is reserved for the Detroit Water and Sewerage Department for the purpose of installing, maintaining, repairing, removing, or replacing any sewers, water mains, fire hydrants and appurtenances, with the right of ingress and egress at any time to, and over said easement for the purpose above set forth; and be it further

Provided, That free and easy access to the sewers, water mains, fire hydrants and appurtenances within the easement is required for Detroit Water and Sewerage Department equipment, including the use of backhoes, bull dozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for

the alteration or repair of the sewer or water main facilities; and be it further

Provided, That the Detroit Water and Sewerage Department retains the right to install suitable permanent main location guide post over its water mains at reasonable intervals and at points deflection; and be it further

Provided, That said owners of the adjoining property, for themselves, their heirs and assigns, agree that no building or structure of any nature whatsoever, including porches, patios, balconies, etc., shall be built upon or over said easement, or that no grade changes or storage of materials shall be made within said easement without prior written approval and agreement with the Detroit Water and Sewerage Department; and be it further

Provided, That if any time in the future, the owners of any lots abutting on said vacated alley shall request the removal and/or relocation of the aforementioned utilities in said easement, such owners shall pay all costs incident to such

removal and/or relocation. It is further provided that if sewers, water mains, and/or appurtenances in said easement shall break or be damaged as a result of any action on the part of the owner, or assigns, then in such event, the owner or assigns shall be liable for all costs incident to the repair of such broken or damaged sewers and water mains, and shall also be liable for all claims for damages resulting from his action; and be it further

Provided, That if it becomes necessary to remove the paved alley returns at the entrances (into Lesure Avenue and/or Tracy Avenue), such removal and construction of new curb and sidewalk shall be done under city permit and inspection according to City Engineering Division — DPW specifications with all costs borne by the abutting owner(s), their heirs or assigns; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

Honorable City Council:

Re: Petition No. 441 — Giffels Webster, requesting the vacation of public streets and alleys in the area(s) of Carrie, St. Cyril, Georgia and Huber; Sherwood, St. Cyril, Miller, Georgia; and, Winfield, St. Cyril, Huber and Grinnell; all in order to re-develop parcels as defined in the I-94 Industrial Park Project.

Petition No. 441 of "Giffels Webster", 28 W. Adams, Suite 1200, Detroit, Michigan 48226, in behalf of the Economic Development Corporation of the City of Detroit (the "EDC") respectfully request to vacate (outright) all of the public streets and alleys within the area bounded by Carrie Street (50 feet wide), Georgia Street (60 feet wide), Huber Street (66 feet wide) and St. Cyril Street (50 feet wide); Also, the area bounded by Winfield Street (50 feet wide), Huber Street (50 feet wide), Grinnel Street (50 feet wide) and St. Cyril Street (50 feet wide); Also, the area bounded by Sherwood Street (50 feet wide), St. Cyril Street (50 feet wide), Miller Street (50 feet wide) and Georgia Street (50 feet wide); all as part of the I-94 Industrial Park Project ("the Project").

"The Project" is being undertaken by the "EDC" and will involve the development of a modern industrial park originally designated as one of six (6) Renaissance Zones established by the State of Michigan.

Many of the streets and alleys have been previously vacated as part of Phase One which covered all of Parcel Area 1 and a portion of Parcel Area 5, by resolution adopted on September 10, 2003; J.C.C. Pgs. 2757-62. This being Phase two of "the Project", is requesting to vacate (outright) those rights-of-way not previously vacated within Parcel Area 5; Parcel Area 6; Parcel Area 4 and a portion of Parcel Area 4.

The Traffic Engineering Division — DPW has no objection to the outright vacation of the public streets and alleys within the "the Project" provided that the "EDC" owns all the property adjacent to those rights-of-way to be vacated. The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

"The Project" was approved and established by the Detroit City Council on

August 4, 1999, to redevelop a blighted area of the City of Detroit into a modern Industrial Park. A Second Amendment of the Resolution of Necessity for "the Project" was approved by the Honorable City Council July 28, 2009, J.C.C. Pgs. 1808-1817, therefore authorizing the City's power of eminent domain and declaring this project as a public improvement for the benefit and use of the public. Also, your Honorable City Council has previously approved the "Funding Agreement" and "Transfer of Land Agreement" with "the EDC".

In order to implement and facilitate the accomplishment of certain changes in public rights-of-way, such as vacation and removal of streets, alleys or other public ways, and certain utilities and facilities, both public and private, the attached resolution respectfully request the approval of your Honorable Body authorizing the City of Detroit to require that these right-of-way changes take place.

A waiver of reconsideration is respectfully requested.

Respectfully submitted,
RICHARD DOHERTY, P.E.

Honorable City Council:
Re: Petition No. 476 — The Lofts at Rivertown Condominium Association, request for an Encroachment permit to install a new fence, following right-of-way guidelines once the bridge reconstruction project has

been completed in February or March, 2015.
Petition No. 476 — The Lofts at Rivertown Association request to install and maintain an encroachment in the public right-of-way on the north side of Jefferson Avenue, 120 feet wide between Beaufait Avenue, 71 feet wide and Bellevue Avenue, 66 feet wide. The proposed encroachment is for a security fence.
The requested encroachment with a fence is to provide security to and from the Jefferson Avenue building entrance and the secured parking lot located on Beaufait Avenue.
The petition was referred to the City

Engineering Division — DPW for investigation (utility clearance and review) and report. This is our report.

The request was approved by the Solid Waste Division — DPW. The Traffic Engineering Division — DPW (TED) reports involvement, but have no objection to the petitioner's request provided certain provisions are met. The TED provisions have been made a part of the resolution.

Detroit Water and Sewerage Department (DWSD) reports no objection to the encroachment provided that the provisions for encroachments are strictly followed.

All other City Departments and private-owned utility companies have reported no objections. Provisions protecting utility installations are part of the attached resolution.

City Engineering Division — DPW remains concerned that this private fence on the public sidewalk utilizes over half the width of the sidewalk, and diverts pedestrians toward the curb and the adjacent traffic flow.

I am forwarding the attached resolution for your consideration without a recommendation.

Respectfully submitted,
RICHARD DOHERTY, P.E.,
City Engineer

City Engineering Division — DPW
By Council Member Benson:

Resolved, The City Engineering Division — DPW is hereby authorized and directed to issue permits to "The Lofts at Rivertown Condominium Association" and/or their assigns, to install and maintain encroachments with a security fence in the sidewalk on the north side of Jefferson Avenue, 120 feet wide between Beaufait Avenue, 71 feet wide and Bellevue Avenue, 66 feet wide on property described as: Land in the City of Detroit, Wayne County, Michigan being part of Jefferson Avenue, 120 feet wide, beginning 74.4 feet westerly of the westerly line of Bellevue Avenue, 66 feet wide, and ending 29.9 feet easterly of the easterly line of Beaufait Avenue, 71 feet wide and being 7.00 feet or less in width and adjoining the southerly line of Lots 1, 2, 3 and 4 "Henry Russell's Subdivision of the S. part of Block 4 Beaufait Farm, P.C. 19 Hamtramck (now Detroit), Wayne County, Mich." as recorded in Liber 4, Page 67 of Plats, Wayne County Records; also adjoining the southerly line of Lots 1 and 2 "Desnoyers Subdivision of the N.E.ly 1/2 of S.W.ly 1/2 Private Claim 19, confirmed to Lewis Beaufait" as recorded in Liber 1, Page 221 of Plats, Wayne County Records.

Provided, That by approval of this petition/request the Detroit Water and Sewerage Department (DWSD) does not waive any of its rights to its facilities locat-

ed in the street, and at all time, DWSD its agents or employees, shall have the right to enter upon the street to maintain, repair, alter, service, inspect, or install its facilities. All cost incident to the damaging, dismantling, demolishing, removal and replacement of structures or other improvements herein permitted and incurred in gaining access to DWSD's facilities for maintenance, repairing, alteration, servicing or inspection by DWSD shall be borne by the petitioner. All cost associated with gaining access to DWSD's facilities, which could normally be expected had the petitioner not encroached into the street shall be borne by DWSD; and further

Provided, That all construction performed under this petition shall not be commence until after (5) days written notice to DWSD. Seventy-two hours notice shall also be provided in accordance with P.A. 53 1974, as amended, utilizing the MISS DIG one call system; and further

Provided, That construction under this petition is subject to inspection and approval by DWSD forces. The cost of such inspection shall, at the discretion of DWSD, be borne by the petitioner; and further

Provided, That if DWSD facilities located within the street shall break or be damaged as the result of any action on the part of the petitioner, then in such event the petitioner agrees to be liable for all cost incident to the repair, replacement, or relocation of such broken or damages DWSD facilities; and further

Provided, The petition shall hold DWSD harmless for any damage to the encroaching device constructed or installed under this petition, which may be caused by the failure of DWSD's facilities; and further

Provided, That if at any time in the future the petitioner shall request removal and/or relocation of DWSD's facilities in the street being encroached upon the petitioner agrees to pay all cost for such removal and/or relocation; and further

Provided, That a minimum clear sidewalk width of 6.00 feet shall be maintained adjacent to (south of) the proposed encroachment at all times.

Provided, That the petitioner shall file with the Finance Department and/or City Engineering Division — DPW an indemnity agreement in a form approved by the Law Department. The agreement shall save and protect the City of Detroit from any and all claims, damages or expenses that may arise by reason of the issuance of the permits and faithful or unfaithful performance by the petitioner of the terms thereof. Further, the petitioner shall agree to pay all claims, damages, or expenses that may arise out of the maintenance of the proposed encroachments; and further

Provided, All costs for the construction, maintenance, permits, and use of the project encroachment(s) within the said public right-of-way shall be borne by the petitioner. The installation and maintenance of said encroachment(s) shall comply with the rules and regulations of the City Engineering Division — DPW (in conjunction with Buildings and Safety Engineering Department, if necessary), and Traffic Engineering Division — DPW; and further

Provided, If it becomes necessary to repair or replace the utilities located or to be located in the public right-of-way, also if it becomes necessary to repair or replace the Jefferson Avenue bridge, by the acceptance of this permission, the project encroachment(s) owners for themselves, their heirs or assigns, waive claims for any damages to the encroaching installations and agree to pay the costs incurred in their removal, if their removal becomes necessary, and to restore the property affected to a condition satisfactory to the City Engineering Division — DPW (in conjunction with Buildings and Safety Engineering Department, if necessary) at the encroachment owner's expense; and further

Provided, That said permittee shall be subject to any tax under the provisions of the General Property Tax Act, which may be levied against it pursuant to law; and further

Provided, That no rights in the public streets, alleys or other public places shall be considered waived by this permission which is granted expressly on the condition that said encroachment shall be removed at any time when so directed by the City Council, and the public property affected shall be restored to a condition satisfactory to the City Engineering Division — DPW; and further

Provided, That said permits issued by the City Engineering Division — DPW and/or the Buildings and Safety

Engineering Department are granted with the distinct understanding that in the event the City Charter, or Detroit Code(s), or ordinance(s), or resolution(s), or City policies (governing the placement of encroachments in public right-of-ways are amended to provide for the levying thereafter, of a fee, charge or rental, to be hereafter determined upon, for the occupancy of public streets, alleys or other public places, that the permittee will pay said fee, charge or rental provided for in said Charter, or code(s), or ordinance(s), or resolution(s), or policies; also said permittee does hereby bind itself thereunto, and accept said permits on the conditions hereby imposed, and in the event said permittee shall contest the validity of said Charter, or code(s), or ordinance(s), or resolution(s), or policies of said fee, charge or rental, or upon refusal to pay same, these permits shall immediately become void; and further

Provided, This resolution is revocable at the will, whim or caprice of the City Council, and permittee hereby waives any right to claim damages or compensation for removal of encroachment(s), and further, that the permittee acquires no implied or other privileges hereunder not expressly stated herein; and further

Provided, The installation and maintenance of encroachment with the security fence lying within said area referred to herein shall be construed as acceptance of this resolution by "The Lofts at Rivertown Condominium Association" and/or their assigns; and further

Provided, That the project encroachment(s) permit shall not be assigned or transferred without the written approval of the City Council; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution and indemnity agreement (if attached) with the Wayne County Register of Deeds.

RESOLUTION URGING THE DUGGAN ADMINISTRATION TO SUPPORT EXISTING EMPLOYEES DURING THE PROCESS OF RESTRUCTURING CITY GOVERNMENT

By COUNCIL MEMBER BENSON, Joined By COUNCIL MEMBERS SPIVEY, CASTANEDA-LOPEZ, LELAND, and COUNCIL PRESIDENT JONES:

WHEREAS, Over the next several years, the City of Detroit will undergo restructuring initiatives throughout its organization; and

WHEREAS, These restructuring efforts will have an impact on the staffing needs of the City necessitating the shifting, laying off and hiring of employees; and

WHEREAS, To the extent possible, current employees, who have been weathering the storm caused by the financial collapse of the City, should be shielded from further negative impacts; and

WHEREAS, In some instances current employees will have to vie for positions within their department against individuals from the general public. When those hiring decisions are made, current City employees should be given a slight preference considering the lack of training and educational opportunities available to City employees in the past; and

WHEREAS, To the extent possible, the shifting of employees from one position to another should be done without creating a separation of employment with the City; these employees should be treated as transfers, thus avoiding the rehiring process. Additionally where current employees are delinquent in payment owed to the City, the City should institute a payroll deduction to allow an employee to remain employed while ensuring the payment of obligations. NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council urges the Duggan Administration to develop policies that help lessen any negative impacts on those current City employees whose positions will be changed as a result of the restructuring efforts by: (1) providing those employees with a slight preference when hiring decisions are made, (2) avoiding separation of employment so that the rehiring process is not triggered, and (3) creating a payroll deduction for the payment of delinquent tax obligations; NOW BE IT FINALLY

RESOLVED, A copy of this resolution be forwarded to the Mayor's Office, the Chief Financial Officer, the Office of Innovation and Technology, the Human Resources Department and the Restructuring Review Committee.

Re: Request to Accept and Appropriate State of Michigan, Department of Community Health Crime Victim Services Grant.

The State of Michigan, Department of Community Health Crime Victim Services, Victim of Crime Assistance (V.O.C.A.) Grant has been awarded to the Detroit Police Department for \$736,573. The V.O.C.A. grant was budgeted for \$731,453 for the 2014-15 Fiscal Year. In addition, the Detroit Police Department was awarded an increase of \$5,120. There is a 20% in-kind cash match requirement for this grant. The grant period is October 1, 2014 through September 30, 2015.

The V.O.C.A. Grant will allow the Rape/Homicide Counseling Center to enhance and expand local services to victims of rape and homicide crimes. This is a reimbursement grant.

If approval is granted to accept and appropriate this funding, Kellie Russell, Associate Director, will be the fiduciary agent for the grant. The cost center is

372546 and the appropriation number is 13704.

I respectfully ask your approval to accept and appropriate funding in accordance with the attached resolution.

Re: Authorization to submit a grant application to the United States Department of Transportation for construction of the Inner Circle Greenway, a bike/walkway project.

The Department of Public Works is hereby requesting authorization from the Detroit City Council to submit a TIGER FY 2015 Discretionary Grant application to the United States Department of Transportation. This grant application is for the construction of the Inner Circle Greenway, a bike/walkway project. The amount being sought is \$22.8 million and the department will pursue the required \$5.7 million in matching funds from third party sources and/or possibly by issuing bonds. The total project cost is \$28.5 million.

The TIGER FY 2015 Discretionary Grant will enable the department to:

- Implement a portion of the City of

Detroit's Non-motorized Transportation Plan.

- Construct the Inner Circle Greenway, a bike and walkway project, which utilizes existing abandoned railways to create a circular non-motorized path around the city core (Inner Circle Greenway Project).
- Link a 26 mile long bike/walkway to existing 170 miles of bike/walkway projects.

We respectfully request your approval to submit the grant application by adopting the attached resolution. In addition, a Waiver of Reconsideration is requested to allow the Department of Public Works to proceed in a timely manner.

May 4, 2015

Honorable City Council:

Re: Resolution endorsing an application to the United States Department of Transportation (USDOT) for a Grant under a program known as TIGER Discretionary Grants (TIGER FY 2015) to complete the Inner Circle Greenway.

In 2006, the City of Detroit, adopted a Non-Motorized Transportation Master Plan. Since that time there have been numerous additions to the City's growing network of non-motorized pathways, including the expansion of the Riverwalk, the opening of the Dequindre Cut, and the approximately 170 miles of bike lanes or paths. Current projects include 11 additional miles of bike lanes and the Link Detroit Multimodal Enhancement Plan including Dequindre Cut North, which will expand the existing Cut from Gratiot to Mack. The completion of these projects are only the beginning of an important opportunity for the City; to utilize existing abandoned railways to create a circular non-motorized path entirely around the City's core. This concept has been identified at the Inner Circle Greenway project.

Essential to the revitalization of this project is the construction of a non-motorized pathway that will follow in part an existing abandoned railroad line formerly known at the Detroit Transfer Rail Road which stretches from a point near the intersection of Joseph Campau and McNichols, west to Intervale, and then south to Lonyo, a total distance of more than eight miles. Other sections, some of them already completed will form the roughly circular path, a map of which is provided as an attachment to this communication.

It is fully understood that the City is not in a position to financially underwrite the cost of this construction. To make the creation of this non-motorized trail possible the City will apply for a grant from the United States Department of Transportation (USDOT) under a program known as TIGER Discretionary Grants (TIGER FY 2015).

It should be emphasized that it is not just construction that will be funded without any City General Fund. The entire project, including land acquisition (already funded through a Federal Transportation Alternative Program and Michigan Department of Natural Resources Trust Fund grant) construction and maintenance, will be funded, utilizing the successful model employed in the past for the Riverwalk and Dequindre Cut Projects.

In order to make the necessary application to the USDOT, an endorsement by the City Council is required. For this purpose we have attached a proposed reso-

lution and we request that the City Council would take timely favorable action on this resolution so that we will meet the June 5, 2015 deadline for submittal.

Respectfully submitted,
RON BRUNDIDGE

Director

Department of Public Works

By Council Member Benson:

Whereas, the City of Detroit adopted a Non-motorized Transportation Master Plan ("Master Plan") in June of 2006; and

Whereas, The Master Plan contemplated that the City would from time to time take advantage of opportunities that might occur to acquire abandoned railroad rights of way for re-use as non-motorized pathways, commonly known as Greenways, and

Whereas, The City is in the process of acquiring a portion of the line that was once known as the Detroit Transfer Railroad ("DTRR") that will be added to other sections already in existence to form a circular non-motorized path known as the Inner Circle Greenway, and

Whereas, Construction of the Inner Circle Greenway can only be accomplished with the assistance of a grant from the TIGER FY 2015 program of the United States Department of Transportation (USDOT).

Now Therefore Be It Resolved, That the City, acting by and through the City Council, authorizes the Department of Public Works to submit an application to the USDOT for the purpose of seeking a grant from the TIGER FY 2015 Program to be used by the City to construct the Inner Circle Greenway.

And Be It Further Resolved, That the City Council hereby expresses its support for the construction of a Greenway that, along with other pathways that have already been developed or that are in the planning state, will form a roughly circular, non-motorized route throughout neighborhoods on both the east and west sides of the City.

Centers for Disease Control and Prevention, approximately 81,300 non-fatal injuries and 31,672 deaths involving guns occur every year. This works out to about three hundred eight shootings and eighty six deaths every day; and

WHEREAS, Guns are the most common weapon used in domestic violence against women, and access to firearms increases the risk of homicide by more than five times; and

WHEREAS, It is imperative that there be greater public awareness of this serious issue, and more must be done to increase activity at the local, state, and national levels; and

WHEREAS, This is not an attack on the Second Amendment, or an attempt to curb gun rights, but the level of enforcement for laws already on the books has been inadequate to stop gun violence in America. According to the FBI, more than two-thirds of murders nationwide are committed by criminals using handguns. In addition, according to statistics from the Centers for Disease Control and Prevention, the leading cause of death for African Americans aged 25 to 34 is homicide committed by firearm; and

WHEREAS, In April of this year, U.S. District Court Judge Terrence Berg, himself a victim of a gun crime, called for an end to "the scourge of gun violence" during a rally for peace in Detroit. There are numerous controlled studies demonstrating that school based counseling and violence prevention programs are effective at teaching students how to resolve conflicts and problems without resorting to violence. Prevention must begin early to be most effective; and

WHEREAS, No one person, Detroit's Mayor, City Council, state legislature, or organization can solve this problem. The entire community must work together to take control of gun violence. To help curb gun violence throughout the City of Detroit, everyone needs to be involved; and

WHEREAS, Recognition of the month of June as Gun Violence Awareness Month by the City of Detroit will increase efforts to protect all Detroiters, especially those who are disproportionately affected by such violence, by furthering the dialogue with our local, state and federal partners to examine the causes of gun violence and create meaningful solutions in an effort to prevent gun violence from peaking in the summer; NOW THEREFORE BE IT

RESOLVED, That Detroit City Council recognizes every June as Gun Violence Awareness Month in the City of Detroit.

Permit

Honorable City Council:

To your Committee of the Whole was referred Petition of Chevrolet Detroit Belle Isle (#635), to hold the "Detroit Belle Isle Grand Prix Street Festival." After consultation with the Mayor's Office and careful consideration of the request, your Committee recommends that same be granted in accordance with the following resolution.

Respectfully submitted,
MARY SHEFFIELD
Chairperson

By Council Member Sheffield:

Resolved, That subject to approval of Buildings and Safety Engineering & Environmental, Business License Center, DPW — City Engineering Division, Fire, Health and Wellness Promotion, Municipal Parking, and Police Departments, permission be and is hereby granted to Chevrolet Detroit Belle Isle (#635), to hold the "Detroit Belle Isle Grand Prix Street Festival" at Campus Martius and Cadillac Square, May 27, 2015 from 5 p.m. to 8 p.m.; with temporary street closure on Woodward Ave. northbound to Randolph. Set up 9 a.m., tear down 8 p.m.

Resolved, That the Buildings & Safety Engineering Department is hereby authorized and directed to waive the zoning restrictions on said property during the period of the festival, and further

Provided, That the sale of food and soft drinks is held under the direction and inspection of the Health Department, and further

Provided, That the required permits be secured should any tents or temporary installations such as Liquefied Petroleum Gas Systems be used, and further

Provided, That said activity is conducted under the rules and regulations of the Health, Consumer Affairs, Public Works, Transportation, Fire, Recreation and Buildings & Safety Engineering Departments and the supervision of the Police Department, and further

Provided, That the site be returned to its original condition at the termination of its use, and further

Provided, That the banners are erected no earlier than two (2) weeks prior to the event and they are to be removed the day after the event, and further

Provided, That the design, method of installation and location of banners shall not endanger persons using the highway or unduly interfere with the free movement of traffic, and further

Provided, That an overhead banner shall have a minimum bottom height of 18 ft. above the pavement, shall not be placed closer than 10 ft. on either side of traffic signals, and shall not be placed so

as to obstruct a clear view of traffic signals or other signals or other traffic control devices, and further

Provided, That the banner shall not have displayed thereon any legend or symbol which is intended to be an imitation of or resembles, or which may be mistaken for, a traffic control device, or which attempts to direct the movement of traffic, and further

Provided, That the banner shall not have displayed thereon any legend or symbol which may be construed to advertise, promote the sales of or publicize any merchandise or commodity or to be political in nature, and shall not include flashing lights that may be distracting to motorists, and further

Provided, That banners are placed on Public Lighting Department poles as not to cover traffic control devices, and further

Provided, That banners are installed under the rules and regulations of the concerned departments, and further

Provided, That petitioner assumes full responsibility for the installation and removal of the banners, and further

Provided, That such permission is granted with the distinct understanding that petitioner assumes full responsibility for any and all claims, damages or expenses that may arise by reason of the granting of said petition, and further

Provided, That this resolution is revocable at the will, whim or caprice of the City Council.

**TESTIMONIAL RESOLUTION
IN MEMORIAM
GREAT GRAND MASTER
DELFO RD GEORGE FORT
YELLOW TIGERS FIGHTING SOCIETY
April 15, 1961 — May 12, 2015**

By COUNCIL MEMBER LELAND:

WHEREAS, Great Grand Master Delford George Fort received his first Black Belt from Tiger Chung's Karate School. In 1973 through passion, discipline, and his love for the martial arts, in his mother's basement located at 9075 N. Martindale, he founded the Yellow Tigers Fighting Society and developed the YoChin Ryu Karate System. In 1979, Grand Master Fort joined the Alkebu-lan Martial Arts Federation and earned his second Black Belt in Tang Soo Do under the leadership of Mnfudishi Marvis Coffield; and

WHEREAS, Great Grand Master Fort had a vision for the Yellow Tigers to be more than a fighting society. He laid the foundation for the organization and through community awareness it blossomed from its humble beginnings to a full fledged community organization. Operating solely on the efforts of volunteers and the institutions founding members, the Yellow Tigers began offering a variety of martial arts programs across the City of Detroit; and

WHEREAS, Great Grand Master Fort was also a founding member of the International Body Guard Service and worked for popular entertainers such as: New Edition, Jodeci, CeCe Peniston, Luther Vandross, Cyndi Lauper, Snoop Dogg, Van Halen, Bon Jovi, Phil Collins, and Genesis only to name a few. From this experience, he became a Detroit Police Officer receiving several commendations for bravery. One specifically for saving the life of an unconscious infant; and

WHEREAS, Great Grand Master Fort continued his love for the arts and music and was a founding member of Yellow Tigers Productions, Yellow Tigers Records, and Beats Beats. From his partnership, he formed the group SPX-90 and went on to produce the local hit "Gumby Live", and this led to a record deals with Gold Key Records. SPX-90 was also considered to produce the soundtrack for the "Gumbi Movie); and

WHEREAS, Great Grand Master Fort received many awards for his activism and community service initiatives. He

received, the Spirit of Detroit, the House of Representatives of Michigan Recognition Award, a Proclamation from the City of Taylor - for hosting The Spirit of Detroit National Karate Championships, one of the largest Karate Tournaments in Michigan, a Lifetime Achievement Award from the World Council of Professional Martial Artist, and Recognition from the Chicago Land Black Belt Coalition. He was also inducted into the Youth Karate Ka Hall of Fame and the D-Lux Hall of Fame; and

WHEREAS, On May 11, 2015 Great Grand Master Delford George Fort was called from labor to reward, leaving to cherish his memory and legacy his children Marcus, Caleb, Brionna, Dale, Briana, and Storm. NOW THEREFORE BE IT

RESOLVED, The Office of Councilman Gabe Leland and the Detroit City Council Members expresses their deepest sympathy and hereby join family and friends in celebrating the life and legacy of Great Grand Master Delford George Fort, founder of the Yellow Tigers Fighting Society. May the memories of his love, dedication to community and hard work be remembered and continue to fill the hearts of many that loved him.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Leland, Castaneda-Lopez, Sheffield, Spivey, Tate, and President Jones — 8.

**ST. CHRISTOPHER CHURCH "BLUE
MASS" RECEPTION OF HONOR
NATIONAL POLICE WEEK —
May 11-May 16, 2015**

By COUNCIL MEMBER LELAND:

WHEREAS, St. Christopher Church was established in 1941 on the far West-side of Detroit in the Warrendale area. St. Christopher has a long history of serving the needs of the community. The rich tradition of service with many outreach programs and community building projects are changing lives in the community; and

WHEREAS, St. Christopher Church has gradually become a pillar in the community providing outreach activities to continue the unity between church and residents maintaining a strong support system; and

WHEREAS, St. Christopher Church wanted to do something extra special in recognition of National Police Week to honor the men and women who serve our community every day with distinction and honor. These brave men and women put on a uniform or a suit every day to carry out an often thankless job in conditions that are sometimes described as a "war zone"; and

WHEREAS, St. Christopher Church wants to send a message that the church and community appreciate the hard and diligent work performed on a daily basis by thousands of dedicated police officers that serve with distinction and honor every single day without a simple "Thank you" for their sacrifices; and

WHEREAS, St. Christopher Church has adopted a title in the Parish, "Familiam Dei" (We are one "family of God"); and

WHEREAS, St. Christopher Church honors today Detroit Police Chief James Craig, Detroit Police Captain. NOW THEREFORE BE IT

RESOLVED, That Council Member Gabe Leland and the Members of the Detroit City Council hereby express their gratitude to Father Jaime Hinojos and St. Christopher Church for their continued contributions to the community and the enhancement of the surrounding district.

**TESTIMONIAL RESOLUTION
FOR**

**EVANGELIST SHERRIE EDWARDS-
HEATH**

By COUNCIL MEMBER SPIVEY:

WHEREAS, Evangelist Sherri Edwards-Heath daughter of the late Administrative Assistant Nick S. Edwards, Sr., and Mother Regina Rose Edwards. Sherri is the fourth of five children, and is Saved, Sanctified and filled with the precious gift of the Holy Ghost. Evangelist Edwards-Heath has been in the Church of God in Christ all of her life. She grew up at Bailey Temple COGIC, under the leadership of the late Bishop J. S. Bailey, and in 1971, her father, the late Supt. Nick S. Edwards was appointed pastor of the New Testament COGIC, where she worshipped until his death, in 2009; and

WHEREAS, Evangelist Sherri Edwards-Heath has served as an Assistant Sunday School Teacher, Prayer and Bible Band Teacher, YPWW Teacher, and a Sunshine Band worker. As a child she participated in the Sunshine Band as a teen in the Purity Class. Sherri is a secretary for the Women's Department of Southwest Michigan First Jurisdiction, Praise & Worship Leader at Second Ebenezer Church's 8:00 a.m. service, and is an anointed soloist and speaker; and

WHEREAS, Evangelist Sherri Edwards-Heath attended the Missionary Alliance Auxiliaries Institute (MAAI), and was part of the first graduating class in 2000, however, she did not accept the call on her life until September, 2005 when she received her Evangelist Missionary license. Sherri

started singing when she was nine years old. She has a unique style blended with rich overtones of Gospel which complement the skill, range, and control of an accomplished vocalist; and

WHEREAS, Evangelist Sherri Edwards-Heath has earned a Bachelors Degree in Music Education and Master of Arts Degree in Education Administration from Marygrove College, she also obtained a Master of Science Degree in Computer and Information Systems from the U of D Mercy, and an Education Specialist Certificate in Instructional Technology from Wayne State. In August of 2013, she met and began a courtship with Pastor Charles L. Heath, Jr., and they married in November, 2014, and she has been an asset to the Ministry of Second Chance COGIC. Evangelist Edwards-Heath continues to seek God for direction concerning her life and is resting on the promise of God; "there is nothing too hard for Him!" NOW THEREFORE BE IT

RESOLVED, The Detroit City Council joins in with family, friends and Second Chance Christian Ministries COGIC,

Elder Charles L. Heath, Jr., Pastor, as they celebrate their Women's Day with First Lady Sherri Edwards-Heath as their Chairperson and keynote speaker.

Honorable City Council:
Re: Renewal of MOU with State of Michigan self-insurance of vehicle fleet.

The City of Detroit self-insures its vehicle fleet. In 2014, the State of Michigan advised that, due to the City's bankruptcy, the state was reluctant to allow the City to continue to self-insure. The state required the City to investigate the possibility of buying insurance coverage in the open market, but the quotations were not economically advantageous.

Ultimately, the state allowed the city to continue to self-insure, but required the City to execute an MOU. In the MOU, the city and state agreed on how pre-petition MVA claims would be handled. The City also agreed to hire a third party administrator to handle no-fault claims involving the City's vehicle fleet. Kevyn Orr executed the 2014 MOU, a copy of which is attached as exhibit A.

The State very recently advised that it wishes to renew the MOU. This needs to be done by June 2, 2015, so that the City's self-insurance certificate will continue in force after the current expiration date of June 8.

The proposed 2015 MOU is attached as exhibit B. Its terms are consistent with the 2014 MOU. We ask that for Council's approval to execute the 2015 MOU.

Sincerely,
CHUCK RAIMI

Deputy Corporation Counsel
RESOLUTION

By Council Member Spivey:

Resolved, That the Council approves the execution of the 2015 Memorandum of Understanding between the State of Michigan and City of Detroit, authorizing the City to continue to self-insure its motor vehicle fleet, in the form attached as exhibit B to the communication to Council seeking this resolution.

EXHIBIT 1

MEMORANDUM OF UNDERSTANDING
Between the
MICHIGAN DEPARTMENT OF INSURANCE AND FINANCIAL SERVICES, THE CITY OF DETROIT

and the
MICHIGAN DEPARTMENT OF TREASURY
Regarding
RENEWAL OF THE CITY OF DETROIT'S NO-FAULT SELF-INSURANCE CERTIFICATE

I. PURPOSE AND BACKGROUND

1. The purpose of this Memorandum of Understanding (MOU) is to describe the agreements between the Michigan Department of Insurance and Financial Services (DIFS), the City of Detroit (City), and the Michigan Department of Treasury (Treasury) concerning the conditions under which the Director of DIFS (Director) will exercise her discretion to renew the City's certificate and to self-insure against motor vehicle-related claims that arise under Chapter 31 of the Michigan Insurance Code (Chapter 31) and for which Chapter 31 mandates insurance coverage. Motor vehicle-related claims that arise under Chapter 31 and for which Chapter 31 mandated insurance coverage are referred to hereafter as "No-Fault Claims," and the certificate issued by the Director to self-insure against these claims is referred to as a "No-Fault Self-Insurance Certificate."

2. On August 7, 2014, the City submitted to the Director an application to renew its No-Fault Self Insurance Certificate under the authority of section 3101d of the Michigan Insurance Code, MCL 500.3101d. If approved and issued by the Director, the No-Fault Self-Insurance Certificate will enable the City to comply with state laws requiring insurance on the motor vehicles owned by, registered to, and/or operated by the City.

3. Effective January 1, 2013, the Michigan Legislature provided statutory qualifications for the issuance of a No-Fault Self-Insurance Certificate (and transferred issuance authority from the Michigan Secretary of State to the Director) by enacting 2012 PA 204, MCL 500.3101d.

4. MCL 500.3101d(1) provides that “[a] person in whose name more than 25 motor vehicles are registered may qualify as a self-insurer by obtaining a certificate of self-insurance issued by the commissioner (now Director) under subsection (2).” Under subsection (2), the Director “may, in his or her discretion . . . issue a certificate of self-insurance to the person if the (Director) is satisfied that the person has and will continue to have the ability to pay judgments obtained against the person.”

5. Consistent with the foregoing defined terms, the Director interprets this statutory requirement to apply to the City’s ability to pay No-Fault Claims only, i.e., claims that must be covered by insurance under Chapter 31 and therefore fall within the scope of a No-Fault Self-Insurance Certificate. Accordingly, the statute governing the issuance or renewal of No-Fault Self-Insurance Certificates grants the Director discretion to issue a certificate to “a person” (which includes the City, see MCL 500.114) as long as the Director is satisfied that the person has and will continue to have the ability to pay No-Fault Claims against it.

6. Additional rules applicable to No-Fault Self-Insurance Certificates are contained in R257.531-257.540 of the Michigan Administrative Code, entitled “Certificates of No-Fault Self-Insurance.”

7. As reported in the City’s application and widely publicized, on July 18, 2013, the City filed a voluntary petition for relief under Chapter 9 of the United States Bankruptcy Code. The bankruptcy case was assigned Case No. 13-53846 and remains pending before the Honorable Steven W. Rhodes in the United States Bankruptcy Court, Eastern District of Michigan.

8. The City’s ongoing bankruptcy and current financial condition validate the Director’s legitimate concerns as to whether the City has and will continue to have the ability to pay No-Fault Claims against it, both in full and in a timely manner. Barring the agreements and satisfaction of the conditions set forth in this MOU, the Director would be justified in exercising her discretion to deny the City’s application under MCL 500.3101d(2) and R257.538.

9. However, in reliance on the City’s and Treasury’s agreements contained in this MOU and satisfaction of the conditions outlined below, the Director will renew the City’s No-Fault Self Insurance Certificate under the authority vested by MCL 500.3101d.

II. AGREEMENTS AND CONDITIONS

A. THE CITY

1. The previous authority granted to the City to self-administer its No-Fault Claims is terminated. The City will contract with a DIFS-approved service provider/third-party administrator to manage its No-Fault Claims both pre- and post-bankruptcy petition to ensure appropriate and timely payment of benefits.

2. During the Certificate Term (defined in paragraph II.C.1 below) the City will provide DIFS with quarterly reports of No-Fault Claim liabilities and payments.

3. All No-Fault Claims against the City, whether arising pre- or post-bankruptcy petition, must be handled and paid by the City in full (if determined valid) in the ordinary course of business. The City will amend its Plan for the Adjustment of Debts to reflect its intention to pay 100% of the determined value of all valid No-Fault Claims, as follows:

“From and after the Effective Date, the City will continue to administer (either directly or through a third party administrator) and pay valid pre-petition Claims for liabilities with respect to which the City is required to maintain insurance coverage pursuant to MCL § 500.3101 in connection with the operation of the City’s motor vehicles, as follows: (1) Claims for personal protection benefits as provided by MCL § 500.3107 and MCL § 500.3108, for which insurance coverage is required by MCL § 500.3101(1), shall be paid in full, to the extent valid, provided, however, that the City will not be liable for or pay interest or attorneys’ fees under MCL § 500.3142 or MCL § 500.3148 on pre-petition Claims for personal protection benefits; (2) tort claims permitted by MCL § 500.3135, for which residual liability insurance coverage is required by MCL § 500.3101(1) and MCL § 500.3131, shall be paid, to the extent valid, only up to the minimum coverage specified by MCL § 500.3009(1), i.e., up to a maximum of (a) \$20,000 because of bodily injury to or death of one person in any one accident, and subject to that limit for one person, (b) \$40,000 because of bodily injury to or death of two or more persons in any one accident and (c) \$10,000 because of injury to or destruction of property of others in any accident; and (3) Claims for property protection benefits under MCL § 500.3121 and MCL § 500.3123 shall be paid, to the extent valid, only up to the maximum benefits specified in MCL § 500.3121; provided, however, for the avoidance of doubt, to the extent any valid Claim subject to subsections 2 and 3 above exceeds the applicable payment limits, the excess claim amount shall be treated as an Other Unsecured Claim or a Convenience Claim (as applicable). Nothing in the Plan shall discharge, release or relieve the City from any cur-

rent or future liability with respect to Claims subject to insurance coverage pursuant to MCL § 500.3101 or Claims within the minimum coverage limits in MCL § 500.3009(1). The City expressly reserves the right to challenge the validity of any Claim subject to this Section [IV.O.], and nothing herein shall be deemed to expand the City's obligations or claimants' rights with respect to these Claims under Stated Law."

4. The City will purchase an excess insurance policy for its No-Fault Claims with a specific retention of no greater than \$1,000,000 or an amount determined to be actuarially appropriate. The excess insurance policy must be written by a carrier authorized to transact such business in this state and comply with the requirements of R 257.537.

5. The City will accept and process any No-Fault Claims against it that have been filed against the Michigan Assigned Claims Plan, for adjudication and payment in the ordinary course subject to the provisions of paragraph II.A.3 above.

6. During the entire Certificate Term, the City will deposit in escrow with Treasury, to be held on behalf of DIFS: (a) the \$15.2 million reserved for the City's current No-Fault Self-Insurance Certificate; or (b) such other amount determined by DIFS to be actuarially appropriate (the DIFS Escrow), to ensure the City's ability to pay No-Fault Claims during the Certificate Term. The DIFS Escrow will be funded by transferring the required escrow amount from existing funds in the City's Self-Insurance Escrow Account maintained by Treasury. Funds on deposit in the DIFS Escrow may be requisitioned by the City only for the payment of valid No-Fault Claims, and any request by the City to requisition funds from the DIFS Escrow will be subject to DIFS's review and prior approval and compliance with the terms of this MOU. The City does not anticipate requisitioning any funds from the DIFS Escrow during the Certificate Term because it intends to adjudicate and pay valid No-Fault Claims in the ordinary course of business. However, if during the Certificate Term the City requests, and DIFS approves, any requisition of funds from the DIFS Escrow to pay the City's valid No-Fault Claims, the City will promptly replenish any funds disbursed in accordance with the schedule agreed to by DIFS and the City at the time the requisition request is approved.

7. The City will take all reasonable and necessary steps to investigate No-Fault Claims, and will seek to eliminate fraudulent or wasteful spending and ensure that claim payments are calculated correctly and paid only to claimants whose claims are valid, due and owing.

8. If, after conducting reasonable due

diligence, the City determines and submits documentary evidence to the Director evidencing that the conditions contained in paragraphs II.A.1 and/or II.A.4 above cannot be satisfied despite its best efforts, the Director may in her discretion waive or modify the condition(s) or impose a reasonably equivalent alternative.

B. TREASURY

1. Treasury will transfer the required funds and maintain the DIFS Escrow on behalf of DIFS in accordance with the provisions of paragraph II.A.6 above.

2. Treasury will maintain the DIFS Escrow funds in a separate and distinct Escrow account, and will not commingle the DIFS funds with other City self-insurance funds or accounts.

3. Upon approval and instructions by DIFS, Treasury will disburse amounts from the DIFS Escrow to the City or other designated payee(s).

C. DIFS

1. DIFS will issue the City a No-Fault Self-Insurance Certificate for a period of one year, beginning June 9, 2014 at 12:01 a.m. and ending June 8, 2015 at 11:59 p.m. (the Certificate Term).

2. DIFS will perform its responsibilities under the Michigan Insurance Code.

III. EFFECTIVE DATE AND DURATION

1. This MOU goes into effect when each party has signed it and shall remain in effect during the entire Certificate Term.

The undersigned authorized representatives of the parties have caused this MOU to be executed as of the dates indicated by each signature:

EXHIBIT B
MEMORANDUM OF UNDERSTANDING
Between the
MICHIGAN DEPARTMENT OF
INSURANCE AND FINANCIAL SERVICES,
THE CITY OF DETROIT
and the
MICHIGAN DEPARTMENT OF TREASURY
Regarding
RENEWAL OF THE
CITY OF DETROIT'S NO-FAULT
SELF-INSURANCE CERTIFICATE

I. PURPOSE AND BACKGROUND

1. The purpose of this Memorandum of Understanding (MOU) is to describe the agreements between the Michigan Department of Insurance and Financial Services (DIFS), the City of Detroit (City), and the Michigan Department of Treasury (Treasury) concerning the conditions under which the Director of DIFS (Director) will exercise his discretion to renew the City's certificate to self-insure against motor vehicle-related claims that arise under Chapter 31 of the Michigan Insurance Code (Chapter 31) and for which Chapter 31 mandates insurance coverage. Motor vehicle-related claims that arise under Chapter 31 and for which Chapter 31 mandated insurance coverage are referred to hereafter as "No-Fault Claims," and the certificate issued by the Director to self-insure against these claims is referred to as a "No-Fault Self-Insurance Certificate."

2. On _____, the City submitted to the Director an application to renew its No-Fault Self Insurance Certificate under the authority of section 3101d of the Michigan Insurance Code, MCL 500.3101d. If approved and issued by the Director, the No-Fault Self-Insurance Certificate will enable the City to comply with state laws requiring insurance on the motor vehicles owned by, registered to, and/or operated by the City.

3. Effective January 1, 2013, the Michigan Legislature provided statutory qualifications for the issuance of a No-Fault Self-Insurance Certificate (and transferred issuance authority from the Michigan Secretary of State to the Director) by enacting 2012 PA 204, MCL 500.3101d.

4. MCL 500.3101d(1) provides that "[a] person in whose name more than 25 motor vehicles are registered may qualify as a self-insurer by obtaining a certificate of self-insurance issued by the [Director] under subsection (2)." Under subsection (2), the Director "may, in his or her discretion . . . issue a certificate of self-insurance to the person if the [Director] is satisfied that the person has and will continue to have the ability to pay judgments obtained against the person."

5. Consistent with the foregoing defined terms, the Director interprets this statutory requirement to apply to the

City's ability to pay No-Fault Claims only, i.e., claims that must be covered by insurance under Chapter 31 and therefore fall within the scope of a No-Fault Self-Insurance Certificate. Accordingly, the statute governing the issuance or renewal of No-Fault Self-Insurance Certificates grants the Director discretion to issue a certificate to "a person" (which includes the City, see MCL 500.114) as long as the Director is satisfied that the person has and will continue to have the ability to pay No-Fault Claims against it.

6. Additional rules applicable to No-Fault Self-Insurance Certificates are contained in R257.531-257.540 of the Michigan Administrative Code, entitled "Certificates of No-Fault Self-Insurance."

7. As reported in the City's application, the City filed a voluntary petition for relief under Chapter 9 of the United States Bankruptcy Code on July 18, 2013 before the Honorable Steven W. Rhodes in the United States Bankruptcy Court, Eastern District of Michigan (Case No. 13-53846). On November 7, 2014, the City's bankruptcy plan was approved, resolving Case No. 13-53846.

8. The City's recent bankruptcy and reported financial condition validate the Director's legitimate concerns as to whether the City has and will continue to have the ability to pay No-Fault Claims against it, both in full and in a timely manner. Barring the agreements and satisfaction of the conditions set forth in this MOU, the Director would be justified in exercising his discretion to deny the City's application under MCL 500.3101d(2) and R257.532.

9. However, in reliance on the City's and Treasury's agreements contained in this MOU and satisfaction of the conditions outlined below, the Director will renew the City's No-Fault Self Insurance Certificate under the authority vested by MCL 500.3101d.

II. AGREEMENTS AND CONDITIONS

A. THE CITY

1. The City's authority to self-administer its No-Fault Claims remains terminated (See Memorandum of Understanding for Renewal of City of Detroit's No-Fault Self-Insurance Certificate — Certificate Term June 9, 2014 - June 8, 2015). Therefore, the City will continue its services contract with York Risk Services Group, Inc. (or another DIFS-approved service provider/third-party administrator) to manage its No-Fault Claims both pre- and post-bankruptcy petition to ensure appropriate and timely payment of benefits.

2. During the Certificate Term (defined in paragraph II.C.1 below) the City will provide DIFS with quarterly reports of No-Fault Claim liabilities and payments. In addition, DIFS shall have the authority to communicate directly with the third-party administrator required under paragraph

II.A.1 to monitor its management and payment of the City's No-Fault Claims, both pre- and post-bankruptcy petition.

3. All pre-petition No-Fault Claims against the City shall be handled and paid by the City as set forth in Article IV, Section S of the Eighth Plan of Adjustment entered in the City's bankruptcy proceeding. All post-petition No-Fault Claims against the City shall be paid by the City in full (if determined valid) in the ordinary course of business.

4. The City will accept and process any No-Fault Claims against it that have been filed against the Michigan Assigned Claims Plan, for adjudication and payment in the ordinary course subject to the provisions of paragraph II.A.3 above.

5. The City will take all reasonable and necessary steps to investigate No-Fault Claims, and will seek to eliminate fraudulent or wasteful spending and ensure that claim payments are calculated correctly and paid only to claimants whose claims are valid, due and owing.

6. To ensure the City's ability to pay No-Fault Claims during the entire Certificate Term, the City will deposit in escrow with Treasury, to be held on behalf of DIFS: (a) the \$18.8 million reserved for the City's current No-Fault Self-Insurance Certificate, or such other amount determined by DIFS to be actuarially appropriate (the Reserves); and (b) \$2,761,787 as a reasonable equivalent alternative to excess insurance coverage (Reasonable Equivalent Alternative). The Reserves and Reasonable Equivalent Alternative, totaling \$21,561,787, (collectively referred to hereafter as the DIFS Escrow) will be funded by transferring the required amount from existing funds in the City's Self-Insurance Escrow Account maintained by Treasury. Funds on deposit in the DIFS Escrow may be requisitioned by the City only for the payment of valid No-Fault Claims, and any request by the City to requisition funds from the DIFS Escrow will be subject to DIFS's review and prior approval and compliance with the terms of this MOU. The City does not anticipate requisitioning any funds from the DIFS Escrow during the Certificate Term because it intends to adjudicate and pay valid No-Fault Claims in the ordinary course of business. However, if during the Certificate Term the City requests, and DIFS approves, any requisition of funds from the DIFS Escrow to pay the City's valid No-Fault Claims, the City will promptly replenish any funds disbursed in accordance with the schedule agreed to by DIFS and the City at the time the requisition request is approved.

B. TREASURY

1. Treasury will transfer the required funds and maintain the DIFS Escrow on behalf of DIFS in accordance with the provisions of paragraph II.A.6 above.

2. Treasury will maintain the DIFS Escrow funds in a separate and distinct Escrow account, and will not commingle the DIFS funds with other City self-insurance funds or accounts.

3. Upon approval and instructions by DIFS, Treasury will disburse amounts from the DIFS Escrow to the City or other designated payee(s).

C. DIFS

1. DIFS will issue the City a No-Fault Self-Insurance Certificate for a period of one year, beginning June 9, 2015 at 12:01 a.m. and ending June 8, 2016 at 11:59 p.m. (the Certificate Term).

2. DIFS will perform its responsibilities under the Michigan Insurance Code.

III. EFFECTIVE DATE AND DURATION

1. This MOU goes into effect when each party has signed it and shall remain in effect during the entire Certificate Term.

ADDENDUM 1

to

MEMORANDUM OF UNDERSTANDING

Between the

MICHIGAN DEPARTMENT OF INSURANCE AND FINANCIAL SERVICES, THE CITY OF DETROIT

and the

MICHIGAN DEPARTMENT OF TREASURY

Regarding

RENEWAL OF THE

CITY OF DETROIT'S NO-FAULT SELF-INSURANCE CERTIFICATE

I. PURPOSE AND BACKGROUND

1. This Addendum 1 serves to amend

the terms of the August 8, 2014 Memorandum of Understanding (MOU) between the Michigan Department of Insurance and Financial Services (DIFS), the City of Detroit (City), and the Michigan Department of Treasury (Treasury).

2. Pursuant to paragraph 11.A.4 of the MOU, the City was required to purchase an excess insurance policy for its No-Fault Claims with a specific retention of no greater than \$1,000,000 or an amount determined to be actuarially appropriate.

3. However, paragraph II.A.8 of the MOU provides that "[I]f, after conducting reasonable due diligence, the City determines and submits documentary evidence to the Director evidencing that the conditions contained in paragraphs II.A.1 and/or II.A.4 above cannot be satisfied despite its best efforts, the Director may in her discretion waive or modify the condition(s) or impose a reasonably equivalent alternative."

4. On September 15, 2014, the City submitted correspondence requesting the Director exercise her discretion to waive or modify the condition(s) contained in paragraph II.A.4 or impose a reasonably equivalent alternative (Request).

5. Through the Request, which includes supporting documentary evidence, the City asserts that, after reasonable due diligence, it has determined that the condition contained in paragraph II.A.4 cannot be satisfied despite its best efforts.

6. The Director has considered the Request and decided to exercise her discretion to impose a reasonably equivalent alternative to the condition contained in paragraph II.A.4.

II. AGREEMENTS AND CONDITIONS

1. Pursuant to paragraph II.A.8, as a reasonable equivalent alternative to the condition contained in paragraph II.A.4, the Director requires that the City escrow an additional \$2,761,787 (Reasonable Equivalent Alternative), in addition to the monies required to be escrowed in paragraph II.A.6.

2. Pursuant to paragraph II.A.6, DIFS has determined that it is actuarially appropriate for the City to be required to hold \$18,800,000 in reserves (DIFS Escrow) to ensure the City's ability to pay No-Fault Claims during the Certificate Term.

3. Therefore, pursuant to the terms of the MOU and this Addendum 1, the City is required to hold a total of \$21,561,787 in reserves, (DIFS Escrow of \$18,800,000 pursuant to paragraph II.A.6, and the Reasonable Equivalent Alternative of \$2,761,787 pursuant to paragraphs II.A.4 and II.A.8), to ensure the City's ability to pay No-Fault claims for the Certificate Term.

4. Paragraph II.A.2 shall be revised to provide as follows:

During the Certificate Term (defined in

paragraph II.C.1 below), the City will provide DIFS with quarterly report of No-Fault Claim liabilities and payments. In addition, DIFS shall have the authority to communicate directly with the third-party administrator required under paragraph II.A.1 to monitor its management and payment of the City's No-Fault Claims, both pre- and post-bankruptcy petition.

5. All other terms of the MOU remain unchanged.

III. EFFECTIVE DATE AND DURATION

1. This Addendum 1 shall be effective when each party has signed it and shall remain in effect during the entire Certificate Term.

The undersigned authorized representatives of the parties have caused this Addendum to be executed as of the dates indicated by each signature:

Law Department

June 2, 2015

Honorable City Council:

Re: Proposed Emergency Ordinance to Amend Chapter 33 of the 1984 Detroit City Code, *Minors*, Article III, *Regulation of Minors in Public Places and Adult Responsibility for Violation*, for expanded curfew for the Detroit River Days and the Detroit Annual Fireworks Display.

On behalf of the Police Department, I am pleased to submit the attached proposed emergency ordinance which has been approved as to form.

Pursuant to the applicable provisions of the 2012 Detroit City Charter, the above-referenced proposed emergency ordinance is being submitted to your Honorable Body for consideration. This proposed ordinance amends Chapter 33 of the 1984 Detroit City Code, *Minors*, Article III, *Regulation of Minors in Public Places and Adult Responsibility for Violation*, by adding Sections 33-3-14, 33-3-15, and 33-3-16 to provide for a superseding curfew for all minors on the evening of the scheduled date for the 2015 Detroit Annual Fireworks Display, or on any rescheduled date for this event, and on the three evenings of the Detroit River Days.

This proposed ordinance has two significant changes from prior years:

(1) Based on experiences from recent River Day festivals, the Police Department is urging that the expanded curfew for the Fireworks be extended to the three days of the River Day festival.

(2) After review of recent case law, the Law Department is recommending the inclusion of additional exceptions to the curfew. These additional provisions, set forth in Section 33-3-16, subsections 5 through 9, provide exceptions for minors on the sidewalk in front of their home, minors involved in emergencies or constitutionally protected activity such as interstate travel or freedom of speech, assembly or exercise of religion, and minors on errands for the parents, with written permission.

The Police Department has data to support the necessity of the expanded curfew, and together with the Law Department requests the opportunity to present this information to your Honorable Body at the public hearing for the ordinance.

Thank you for your consideration. The Police Department and the Law Department are available to answer any questions that you may have concerning this proposed emergency ordinance.

Respectfully submitted,
MELVIN BUTCH HOLLOWELL
Corporation Counsel

By Council Member Benson:

AN EMERGENCY ORDINANCE to amend Chapter 33, *Minors*, Article III, *Regulation of Minors in Public Places and Adult Responsibility for Violations*, of the 1984 Detroit City Code by adding Sections 33-3-14, 33-3-15, and 33-3-16 to provide for a superseding curfew for all minors (A) beginning at 6:00 p.m. on each of the following days and continuing until 6:00 a.m. on the morning after each of the following days, being the Detroit River Days: Friday, June 19, 2015, Saturday, June 20, 2015, and Sunday, June 21, 2015; and (B) beginning at 6:00 p.m. on Monday,

June 22, 2015 (being the scheduled date for the Detroit Annual Fireworks Display, or any rescheduled date) and continuing until 6:00 a.m. the following morning, (C) with limited exceptions during the specified curfew periods for any minor: 1) accompanied by his or her parent or legal guardian, 2) at or traveling to or from his or her place of employment, 3) at or traveling to or from an education or training program, 4) at or traveling to or from an organized sponsored recreational or civic activity supervised by adults, 5) involved in an emergency, such as a fire or motor vehicle accident, 6) on the sidewalk in front of the minor's home, 7) on an errand at the minor's parents direction, with detailed permission slip containing the parent's telephone contact number for verification, 8) engaged in interstate travel from, to or through Detroit, and 9) participating in activities protected by the United States and Michigan Constitutions, such as freedom of speech, assembly, and exercise of religion.

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

Section 1. DECLARATION OF EMERGENCY

The Detroit City Council, upon receipt of testimony and evidence from the Detroit Police Department and others, and after public hearing, upon due consideration makes the following findings:

(A) On the day of and especially the evening of the Detroit Annual Fireworks Display that takes place on the Detroit River there have been numerous incidents of harassment, nuisance, vandalism, and violence committed by persons at the viewing, parking, and public places of the City before, during, and after the fireworks display;

(B) On the days and especially the evenings of the Detroit River Days that take place along the Detroit River there have been numerous incidents of harassment, nuisance, vandalism, and violence committed by persons at or near the venue of the Detroit River Days, which is generally along the Detroit River from Hart Plaza to William G. Milliken State Park;

(C) These acts of harassment, nuisance, vandalism, and violence have been committed, in part, by unsupervised minors before and during the City's regular curfew hours for minors and have endangered the peace, health, safety, and welfare of the People of the City of Detroit, and the many persons traveling from outside the City limits to attend these annual events, in particular unsupervised minors;

(D) There exist public peace, health, safety, and welfare needs for effectively

governing the conduct of such minors as it pertains to harassment, nuisance, vandalism, and violence for the purpose of alleviating and eliminating these problems;

(E) Due to law enforcement considerations and logistics concerns, a City-wide curfew is necessary to enhance the public peace, health, safety, and welfare for the thousands of persons who attend these annual events;

(F) Due to the fact that spectators begin to gather in the viewing areas in advance of the commencement of the Detroit Annual Fireworks Display on the day of the event, the regular curfew hours for minors provided for in the City's Curfew Ordinance, codified in Chapter 33, Article III of the Detroit City Code, are not sufficient to alleviate and curtail criminal activity by unsupervised minors in the fireworks display viewing areas;

(G) Experience has shown that during the Detroit River Days the regular curfew hours for minors provided for in the City's Curfew Ordinance, codified in Chapter 33, Article III of the Detroit City Code, are not sufficient to alleviate and curtail criminal activity by unsupervised minors, and to adequately safeguard unsupervised minors not engaged in criminal activity;

(H) The peace, health, safety, and welfare of minors and the community-at-large will benefit from additional curfew controls for minors in the City during the Detroit Annual Fireworks Display and during the Detroit River Days;

(I) The curfew for minors in the City provides for reasonable exceptions during the specified curfew period to allow for minors accompanied by their parent or legal guardian, for minors at or traveling to and from places of employment, education and training facilities, and sponsored activities under adult supervision, for minors involved in emergencies or constitutionally protected activities such as interstate travel or freedom of speech, assembly or exercise of religion, for minors on the sidewalks in front of their homes, and for minors sent on errands by their parents if the minors have proper written permission.

Section 2. Chapter 33, *Minors*, Article III, *Regulation of Minors in Public Places and Adult Responsibility for Violations*, of the 1984 Detroit City Code is amended by adding Sections 33-3-14, 33-3-15, and 33-3-16, to read as follows:

**CHAPTER 33. MINORS
ARTICLE III. REGULATION OF
MINORS IN PUBLIC PLACES AND
ADULT RESPONSIBILITY FOR
VIOLATIONS**

DIVISION 2. CURFEW

Sec. 33-3-14. Additional Definitions.

The definitions provided in this section supplement the definitions provided for in Section 33-3-1. The following words and

phrases shall have the meanings respectively ascribed to them by this section:

Detroit Annual Fireworks Display means the annual fireworks at the Detroit River, sponsored by the Parade Company, typically on or about the fourth Monday in June.

Detroit Annual Fireworks Display Curfew means the period of time commencing at 6:00 p.m. on the Detroit Annual Fireworks Display Day and continuing until 6:00 a.m. the next morning.

Detroit Annual Fireworks Display Day means Monday, June 22, 2015, or any rescheduled date for the Detroit Annual Fireworks Display.

Detroit River Days shall mean the three day festival hosted by the Detroit Riverfront Conservancy along the Detroit River, generally between Hart Plaza and the William Milliken State Park, on June 19, 20 and 21, 2015.

Detroit River Days Curfew means the period of time commencing at 6:00 p.m. on each of the following days and continuing until 6:00 a.m. on the morning after each of the following days: Friday, June 19, 2015, Saturday, June 20, 2015, and Sunday, June 21, 2015.

Emergency Curfew means the Detroit Annual Fireworks Display Curfew and the Detroit River Days Curfew.

Sec. 33-3-15. Emergency.

(a) The provisions of this section shall supersede the curfew hours for minors provided for in Section 33-3-11.

(b) During the Emergency Curfew it shall be unlawful for a minor, as defined in Section 33-3-1, to be on any public street, sidewalk, alley, park, playground, vacant lot, or at any other unsupervised public place in the City.

Sec. 33-3-16. Exceptions to Emergency Curfew.

(a) The provisions of this section shall supersede the curfew exceptions provided for in Section 33-3-48 to the extent that Section 33-3-48 conflicts with Sections 33-3-14, 33-3-15, or 33-3-16.

(b) The curfew restrictions of Section 33-3-15 shall not apply to a minor (defined in Section 33-3-1) who is:

(1) Accompanied by his or her parent or legal guardian; or

(2) Working at, going to, or returning from a place of employment, provided that:

(a) The minor's hours of employment do not violate state law; and

(b) The minor possesses a signed statement issued by his or her employer within the previous thirty (30) days setting forth the minor's hours of employment and the location of the employment; and

(c) The minor's travel to and from the employment location is without detour or stop; or

(3) Attending, going to, or returning from an educational or training program, provided that:

(a) The minor possesses proof of enrollment in a public or private school, college, or other educational institution licensed or recognized as an educational institution by the Michigan Department of Education or by another federal, state, or City agency; and

(b) The minor's travel to and from the program is without detour or stop; or

(4) Attending, going to, or returning from an organized sponsored recreational activity or an activity sponsored by a school, religious, or civic organization, by a public organization or agency, or by another similar organization or entity, which activity is supervised by adults, provided that:

(a) The minor possesses proof of attendance, enrollment, or participation in the sponsored activity; and

(b) The minor's travel to and from the activity is without detour or stop; or

(5) Involved in an emergency, meaning unforeseen circumstances, or the resulting status or condition, requiring immediate action to safeguard life, limb, or property. The term includes, but is not limited to, fires, natural disasters, automobile accidents, or other similar circumstances.

(6) On the sidewalk directly abutting a place where he or she resides with a parent; or

(7) On an errand at the direction of a parent, provided that:

(a) The minor has in his or her possession a writing signed by the parent containing the following information: the name, signature, address and telephone number of the parent authorizing the errand, the telephone number where the parent may be reached during the errand, the name of the minor, and a brief description of the errand, the minor's destination(s) and the hours the minor is authorized to be engaged in the errand, and

(b) The parent confirms the authorized errand if contacted; or

(8) Involved in interstate travel through, or beginning or terminating in, the City of Detroit; or

(9) Exercising First Amendment rights protected by the United States Constitution or by Article I of the Michigan Constitution, such as the free exercise of religion, freedom of speech and the right of assembly.

Secs. ~~33-3-14~~ 33-3-17 — 33-3-20. Reserved.

Section 3. All ordinances, or parts of ordinances, that conflict with this ordinance are suspended during the Emergency Curfew (as defined in Section 2 of this ordinance, Sec. 33-3-14), only.

Section 4. This ordinance is declared necessary for the preservation of the public peace, health, safety, and welfare of the People of the City of Detroit.

Section 5. In accordance with Section 4-116 of the 2012 Detroit City Charter,

this ordinance shall be given immediate effect and become effective upon publication.

Section 6. In accordance with Section 4-116 of the 2012 Detroit City Charter, this ordinance shall expire on the sixty-first (61st) day after enactment unless re-enacted as an emergency ordinance. The expiration of this ordinance shall not affect any enforcement actions or penalties for violations of this ordinance.

April 22, 2015

Honorable City Council:

Re: Request to Accept and Appropriate
State of Michigan Fiscal Year 2014
Homeland Security Grant Program.

The U.S. Department of Homeland Security has awarded the City of Detroit Homeland Security & Emergency Management with Fiscal Year 2014 Homeland Security Grant for The Urban Areas Security Initiative (UASI) for \$598,846 and The State Homeland Security Program (SHSP) for \$68,957. There is no match requirement for this grant. The grant period is September 1, 2014 through May 31, 2016.

The objective of the grant is to support the building, sustainment, and delivery of core capabilities essential to achieving the National Preparedness System (NPG) of a secure and resilient Nation. The funding allotted to the department will be utilized to support activities, planning, organization, equipment, training and exercise needs of high-threat that relate to the prevention of, protection from, mitigation of, response to, and recovery from terrorism. This is a reimbursement grant.

If approval is granted to accept and appropriate this funding, Kellie Russell, Associate Director, will be the fiduciary agent for the grant. The cost centers are 336314 for UASI and 336214 for SHSP and the appropriation number is 14038 for both.

I respectfully ask your approval to accept and appropriate funding in accordance with the attached resolution.

Sincerely,
NICHELLE HUGHLEY
Director

RESOLUTION REGARDING IMMIGRANT HERITAGE MONTH

By COUNCIL MEMBER CASTANEDA-LOPEZ, Joined By COUNCIL MEMBER SPIVEY:

WHEREAS, Generations of immigrants from every corner of the globe have built our country's economy and created the unique character of our nation;

WHEREAS, Immigrants continue to grow businesses, innovate and strengthen our economy, as well as create American jobs in Detroit, Michigan;

WHEREAS, Immigrants have provided the United States with unique social and cultural influence, fundamentally enriching the extraordinary character of our nation;

WHEREAS, Despite these countless contributions in building and enriching our nation, immigrants have frequently been overlooked and undervalued throughout our history and continuing to the present day;

WHEREAS, Immigrants have been tireless leaders not only in securing their own rights and access to equal opportunity, but also campaigning to create a fairer and more just society for all Americans; NOW THEREFORE BE IT

RESOLVED, The Detroit City Council annually designates the month of June as "Immigrant Heritage Month."

**RESOLUTION BY MOTHERS OF
MURDERED CHILDREN (MOMC) TO
RECOGNIZE JUNE 6, 2015, AS
STANDING FOR PEACE AND
JUSTICE DAY**

By COUNCIL MEMBER SHEFFIELD:

WHEREAS, Gun violence has claimed the lives of more than 30,000 men, women and children in recent years, guns were used to murder 11,000 people in 2010 in the United States, the latest year for which and 73,000 were rushed to hospital emergency rooms for gunshot wounds, according to the Centers for Disease Control and Prevention. Doctor and public health specialist say gun violence is at epidemic levels, calling it major public health threat; and

WHEREAS, The Doctors for America organization headquartered in Washington D.C., states that: 87 people die and over 180 are injured every day due to gunshot wounds; and

WHEREAS, The above statistics may not even capture the numbers of inner city youth who are killed daily. While homicide is the leading cause of death among young African American males between 14 and 25 years of age, such information is rarely included in the national debate about the epidemic of gun violence in America; and

WHEREAS, According to a 2013 report by the Children's Defense Fund (CDF), in 2010, 2,694 children and teens died from guns in the United States, which amounts to one child or teen every three hours and 15 minutes, seven every day and 51 every week. As in the gun deaths in 2010, this is equal to one child every 30 minutes, 50 every day, and 351 children every week, in addition, more than six times as many children and teens, 18,270, suffered non-fatal gun injuries; and

WHEREAS, State legislative bodies across America have become stages for protests and testimony from families of people cut down by bullets, juxtaposed to lawmakers, sparring over second amendment freedoms. All across the country, tens of thousands of voiceless parents

have lost and are losing their children to senseless violence, without our elected officials proactively and responsibly addressing this issue; and

WHEREAS, In the 1970s, in an effort to protect our citizens, including our children, the federal government created the Consumer Product Safety Commission (CPSC). The CPSC developed standards for products of all types, except guns. In 1976, an amendment to the CPSC Act, states that the CPSC shall make no ruling or order that restricts the manufacture or sale of guns or ammunition. As a result, the CPSC can regulate teddy bears and toy guns, but not real guns, despite the fact they are one of the most lethal consumer products; and

WHEREAS, America has laws to protect our children from products, activities, or situations that may cause them harm or injury before they reach the age of majority, which is in most cases 18 or 21. We make it illegal for them to purchase substances such as alcohol and tobacco. We limit activities such as driving, serving in the military and even marriage without parental consent, but we haven't done enough to protect our children and teens from access to illegal guns; and

WHEREAS, For over 30 years, homicide, primarily gun violence, has been the leading cause of death among American males between the ages of 14-25 years of age. It is the second leading cause for death among Latino youth in the same age group; and

WHEREAS, Urban communities of color, overwhelmingly, bear the brunt of gun violence in America, yet the U.S. Department of Justice's report titled "Vision 21", which is calling for reform to the Victims of Crime Act, clearly identifies African American males and their families, as among the population of crime victims; in America who are under served, encounter barriers to accessing services and are most frequently denied services; and

WHEREAS, In February, 2014, President Barack Obama launched "My Brother's Keeper" initiative, in response to "America's numbness" to the plight of young African American males; and

WHEREAS, Congress allowed the 1994 ban on assault weapons to sunset, despite a drop in gun deaths and broad public support for the ban by a rate of 71% and

WHEREAS, The U.S. Congress has willfully and consistently blocked the effectiveness of the Centers for Disease Control and Prevention (CDC), by cutting and blocking funding to the agency to support research into the behavioral, mental health and the social economic issues that contribute to the homicide and gun violence crisis in America. In addition,

Congress has consistently under-funded and instituted structural restrictions that prevent the Bureau of Alcohol, Tobacco and Firearms (ATF) from effectively carrying out its oversight role of the firearms industry; and

WHEREAS, For over 30 years, Congress has blocked the passage of bills that would have constituted sensible gun laws to curtail the proliferation and access to illegal guns in America, such as:

- a requirement to report lost and stolen guns
- the enactment of an assault weapons and high capacity magazine ban
- closing the "Gun Show Loophole"
- closing the "Fire Sale Loophole"
- the repeal of the Tiahrt Amendment, which restricts access of state and local law enforcement to gun trace data; and

WHEREAS, The National League of Cities (NLC), represents and advocates for 19,000 cities, towns and villages, representing more than 218 million Americans in our country and has crafted a NLC National Municipal Policy on Public Policy on Public Safety; and

WHEREAS, Cities United, the crime prevention arm of the NLC, launched by Philadelphia Mayor Michale Nutter and New Orleans Mayor Mitch Landrieu, is a national effort to reduce violent deaths among African American males. Its vision is that mayors and other municipal leaders across the country, will form partnerships with other local officials, community leaders, families, youth, funders and other stakeholders, to champion strategies that reduce violence and violence-related deaths among African American males; and

WHEREAS, The United States Congress has failed to enact measures that would protect the first Amendment rights of all American citizens, the right to life, liberty and the pursuit of happiness; and

WHEREAS, We declare homicide in America as a National Health Crisis and we demand our duly elected members of Congress come together in a bipartisan manner to address this crisis, to enact legislation and promote policies that protect the rights of all Americans to live in safe environments free from random and needless gun violence; NOW THEREFORE BE IT

RESOLVED, That Detroit City Council declares Saturday, June 6, 2015, "Standing for Peace and Justice Day", in the City of Detroit.

ANDERSON CHARLEY BEE

By COUNCIL MEMBER JONES:

WHEREAS, It is with great pleasure and privilege that we, the members of the Detroit City Council, recognize and bestow homage upon the late, Anderson Charley Bee, who transitioned from this earth to eternity on March 6, 2015, peacefully in the comfort of his home with his grandchildren; and

WHEREAS, Anderson Charley Bee, was born on September 19, 1920 to Nathan and Ardean Bee in Eudora, Arkansas and was the eldest of three children. "Andy", as known lovingly by many, was fortunate enough to graduate from Piney Wood Academy. Anderson moved to Detroit, Michigan in 1940. He worked for Hi-Grade Packing before being hired at Chrysler Corporation until he went into the U.S. Army during WWII. After being discharged from the serviced he returned home and was able to return to work at Chrysler; and

WHEREAS, Anderson Charley Bee, shortly thereafter married Callie, who was the love of his life for sixty-four years. Anderson and Callie raised five children. He attended Second Baptist Church until they broke away and attended Renaissance Missionary Baptist Church. He lived by Christian teachings and there was no one he wouldn't help. Anderson was able to continue to work hard at Chrysler Jefferson Plant and moved up the ranks to Supervisor, where he retired after thirty-three years of service; and

WHEREAS, Anderson Charley Bee enjoyed gardening and watching people enjoy the fruit of his labor. Whether on land or water, Anderson was an avid fisherman who loved music and a deck of cards. His favorites being jazz and pinochle. Those who will forever keep his memory tucked within the hearts: (son) Willie J. Lewis, (brother) Albert Bee (Louise), 9 grandchildren, 14 great-grandchildren, 16 great-great-grandchildren and 3 great-great-great-grandchildren. May his legacy live on through the live of his family and friends. NOW THEREFORE BE IT

RESOLVED, The Detroit City Council and the office of Council President Brenda Jones, hereby expresses its deepest condolences and awards this Testimonial Resolution in Memoriam to the family of the late, Anderson Charley Bee.

Adopted as follows:

Yeas — Council Members Ayers, Leland, Castaneda-Lopez, Sheffield, and President Jones — 5.

Nays — None.

**RESOLUTION
IN MEMORIAM
FOR**

REV. ORTHEIA BARNES-KENNERLY

By COUNCIL PRESIDENT JONES:

WHEREAS, It is with great pleasure and privilege that we, the members of the Detroit City Council, recognize and bestow homage upon the late Rev. Ortheia Barnes-Kennerly, who was granted her angel wings on May 15, 2015; and

WHEREAS, Barnes-Kennerly, blessed with a powerful contralto voice, grew up single gospel music in her church choir, moving into the R&B world in her teens along with her older brother, J.J. Barnes. Known for most of her public life as Ortheia, many people first became aware of her in the late 1960s when she was appearing in local clubs and other venues, usually as an opening act. Ortheia was friendly with many of Motown Records artists and opened shows for performers such as Stevie Wonder, Marvin Gaye and Gladys Knight. She often sang backup for Aretha Franklin, including a White House performance in 2002 and videos for the singles "Jumpin' Jack Flash" and "Another Night." Ortheia Barnes' remained a regular presence at Detroit clubs and on radio and television through the decades, and was frequently called on to perform at special civic occasions, including events attended by such notables as Bishop Desmond Tutu, Nelson Mandela and Pope John Paul II. With a following of fans that spanned across the globe, her recognition as an international entertainer would take her to places far and wide; and

WHEREAS, In 1990, she opened Ortheia's Place nightclub on Detroit's west side, described as a "full-service arts venue" showcasing jazz, blues, comedy, poetry readings and dinner theater. During the past two decades, Barnes-Kennerly transitioned into a career as a motivational speaker and pastor of SpiritLove Ministries International, as well as serving as a faith-based outreach coordinator for several political programs. In 2005, she ran for Detroit City Council and also served as the Legislative Director for former Councilwoman JoAnn Watson. Ortheia has made many important community contributions and her strong desire to serve led her to work with a wide array of civic and charitable non-profit organizations. She also became active in causes for the benefit of Kenya, a country in East Africa, helping to dig wells for four villages which supplied water for over 32,000 people. She was featured in commercials and had a radio show and cable television show. Barnes-Kennerly was the recipient of numerous honors and awards for her distinguished leadership and her service to the broader community; and

WHEREAS, Rev. Ortheia Barnes-Kennerly was more than a highly respected veteran R&B jazz singer; she was a devoted wife and mother, community activist, entrepreneur, political and public affairs consultant, ordained minister, and a well-spoken woman of integrity and peace, and above all, a true professional. She had a heart of gold and a kindness and sincerity that matched her remarkable talent. Rev. Ortheia Barnes-Kennerly was truly passionate about life, she loved people and she certainly loved Detroit. NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council and office of Council President Brenda Jones, hereby joins with family and friends in honoring the legacy of Rev. Ortheia Barnes-Kennerly and her outstanding achievements.

Adopted as follows:

Yeas — Council Members Ayers, Castaneda-Lopez, Leland, Sheffield, and President Jones — 5.

Nays — None.

TESTIMONIAL RESOLUTION FOR NADIRAH MUHAMMAD

By COUNCIL PRESIDENT JONES:

WHEREAS, It is with great pleasure and privilege that we, the members of the Detroit City Council, recognize and bestow due honor upon Nadirah Muhammad, a loving daughter, wife and mother, exemplary physical education teacher and health instructor at DPS Westside Academy High School, and a compassionate humanitarian; and

WHEREAS, Nadirah Muhammad donated a kidney organ, giving the ultimate gift of life to one of her students, 18-year-old A'Ja Booth, in an amazing and selfless act of loving-kindness and courage. A'Ja suffered from a kidney disease in which protein leaks out of the kidneys into the body. For the last four years, she had to undergo grueling dialysis treatments three days a week. A'Ja had been waiting for a suitable donor kidney for a year. Last May, Mrs. Muhammad noticed a book A'Ja had written to chronicle her health struggles and to help guide other young people who may be nervous or fearful about the process of kidney dialysis. After reading the book, Nadirah immediately decided to volunteer to get tested to see if she could donate one of her kidneys. Prior to meeting A'Ja, she had already put on her license to be an organ donor. Following months of testing, doc-

tors determined that she and A'Ja were a perfect match. The transplant surgery was a success; and

WHEREAS, Nadirah Muhammad is a modest and humble woman who appreciates the accolades and adulation, but believes that donating her organ to A'Ja was a humanitarian gesture and a normal everyday thing that people should do, if they can do it. According to the National Kidney Foundation, 1 in 3 Americans are at risk for kidney disease. Many people who need transplants of organs and tissues cannot get them because of a shortage of donations. Certain racial and ethnic populations, for example, African Americans, Asians and Pacific Islanders, and Hispanic/Latinos are at greater risk. Although organs are not matched according to race and ethnicity, and people of different races frequently match one another, all individuals waiting for an organ transplant will have a better chance of receiving one if there are large numbers of donors from their racial/ethnic background; and

WHEREAS, Nadirah Muhammad represents the very best of who we are as Detroiters and exemplifies what is possible when we extend ourselves in sacred service to others. NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council, and office of Council President Brenda Jones, acknowledges Nadirah Muhammad in recognition of her remarkable show of love, courage and tremendous sacrifice in donating this life-saving gift that has kept illness from standing in the way of a young woman's dreams.

Adopted as follows:

Yeas — Council Members Ayers, Leland, Castaneda-Lopez, Sheffield, and President Jones — 5.

Honorable City Council:

Re: Summit Medical Group, PLLC et al. vs. City of Detroit. Case No.: 14-010024-NF (SLdeJ). Matter No.: A20000.003406.

On May 12, 2015, a case evaluation panel evaluated the above-captioned lawsuit and awarded Forty-Nine Thousand Five Hundred Dollars (\$49,500.00) in favor of plaintiff. The parties have until June 9, 2015 to either accept or reject the case evaluation. Failure to file a written acceptance or rejection within this period constitutes a rejection.

Based upon our review of the facts and particulars of this lawsuit, which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body, it is our considered opinion that acceptance of the case evaluation award is in the best interest of the City of Detroit.

We, therefore, request your Honorable Body to authorize acceptance of the case evaluation award; and, in the event that plaintiff accepts the award, to direct the Finance Director to issue a draft in the amount of Forty-Nine Thousand Five Hundred Dollars (\$49,500.00) payable to Summit Medical Group, PLLC, Summit Physicians Group, PLLC, Summit Diagnostic Services, PLLC and their attorneys, Haas and Goldstein P.C., to be delivered upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in Lawsuit No. 14-010024-NF, approved by the Law Department.

Planning & Development Department
May 19, 2015

Honorable City Council:

Re: Petition No. 617 — Temple Plaza, Inc. for Outdoor Café Permit at 210 Bagley.

The above named petitioner has requested permission for Outdoor Café Service. This service will convene every April 1st through November 30th, for a period of three (3) years, from the date of your Honorable Body's approval.

The Department of Public Works/City Engineering Division (DPW/CED) who has jurisdiction over temporary encroachment on City right-of-ways has approved this request contingent upon the petitioners compliance with applicable City ordinance related to outdoor café activities and the remittance of the annual use-permit fee to the Permit Section of the DPW/CED.

The Institute for Population Health (IPH) has approved this petition, subject to the petitioner's strict adherence to the 1999 Food Code, Food Law of 2000 and City Ordinance, Chapter 21. No outdoor grilling is permitted without approval from The Institute of Population Health Food Safety Division.

Approval from the Detroit Police Liquor License Bureau is contingent upon the final action given by the City Council towards the above-referenced petition. Prior approval from the Central District Precinct does not cover serving liquor in outdoor café area until the Detroit Police Liquor License Bureau has given approval.

The Planning and Development Department (P&DD) is not aware of any objections from any other City Agencies involved. It is the recommendation of the P&DD that the petitioner's request be granted subject to the terms and conditions provided in the attached Resolution and that this service will convene every April 1st through November 30th for a period of three years (3) from the date of your Honorable Body's approval.

Respectfully submitted,

JOHN SAAD, P.E.

Engineering Services Coordinator

By Council Member Leland:

Resolved, That the Department of Public Works — City Engineering Division (DPW/CED) is hereby authorized and

directed to issue a Use-permit to Temple Plaza, Inc., Detroit "permittee", whose address is at 210 Bagley, Detroit, Michigan 48226, to install and maintain an outdoor café, which will convene every April 1st through November 30th, for a period of three (3) years from the date of your Honorable Body's approval, contingent upon licensee of such premises obtaining approval of the Michigan Liquor Control Commission, if necessary, and compliance with applicable City Ordinance in connection with outdoor café activities, prior to the issuance of said use permit; and

Provided, That the café meets the regulations set by the "Outdoor Café Guidelines" as adapted by the City Council and guided by Chapter 58, Section 50-2-8.1 of the City Code; and

Provided, That the petitioner obtains all necessary licenses and permits every year from Departments having jurisdiction over Outdoor Café process; and

Provided, That said activities are conducted under the rules and regulations of the Department of Transportation, Department of Public Works and the supervision of the Police Department; and

Provided, That the sale of food and soft drinks is held under the direction and inspection of the Institute of Population Health; and

Provided, That the "permittee" remit the required annual fee(s) to DPW/CED for issuance of a use-permit and confirm license of the establishment in compliance with the City Code; and

Provided, That the "permittee", prior to obtaining said permit, file an indemnity agreement in a form approved by the Law Department, saving and protecting the City of Detroit harmless from any or all claims, damages or expenses that may arise by reason of the issuance of said permit and the faithful performance by the "permittee" of the terms thereof; and in addition, to pay all claims, damages or expenses that may arise out of the maintenance of said encroachments; and

Provided, That the filing of said indemnity agreement for this current year shall be construed as acceptance of this Resolution by the "permittee"; and

Provided, That the permit is revocable at the will, whim and caprice of the City Council; and hereby expressly waives any right to claim damages or compensation for removal of encroachment, and further, that "permittee" acquires no implied or other privileges hereunder not expressly stated herein; and

Provided, That no other rights in the public streets, alley or other public places shall be considered waived by this permission which is granted expressly on the condition that said encroachment shall be removed at the expense of the "per-

mittee" at any time when so directed by City Council, and that the public property so affected shall be restored to a condition satisfactory to the DPW/CED by said "permittee" at its expense; and

Provided, That the permit shall not be assigned or transferred without a written approval of the City Council; and

Provided, That the petitioner follow the mandated minimum six (6) foot wide pedestrian clearance on the sidewalk, free of all obstacles such as existing planters, parking meters, utility poles, transformer boxes, etc., to allow for pedestrian movement; and

Provided, That the designated outdoor seating area shall be properly identified through the use of railings in order to regulate and control the serving of liquor within the perimeter of the café; and

Provided, That if any tent or other enclosure is to be utilized on the subject site, the applicant shall secure prior approval from Buildings and Safety Engineering Department and the Department of Public Works/City Engineering Division; and

Provided, That all railing equipment and fixtures shall be removed from the public right-of-way during the months of non-operation and placed in storage; and

Provided, That a certified copy of this Resolution shall be recorded with the Office of the Register of Deeds for Wayne County at the "permittee's" expense;

Adopted as follows:

Yeas — Council Members Ayers, Benson, Cushingberry, Jr., Leland, Sheffield, Spivey, Tate, and President Jones — 8.

Nays — None.

Honorable City Council:

Re: Review and Approval of NSP 1/ HOME Award and Adjustments to NSP 1 Awards, Modifications, and Subordination.

The City of Detroit, through the Housing and Revitalization Department ("HRD"), has continued to work closely with the U.S. Department of Housing and Urban Development ("HUD"), in making required obligations and disbursements of City NSP funds to close-out program by June 30, 2015. HRD issued a NOFA in February, 2015 to assist in making allocations for "ready to proceed projects" with remaining NSP 1 funding (in addition to other available including HOME and CDBG). Four respondents submitted requests for funding during the early submission period of the NOFA. HRD's review of those projects determined that only one project, Hartford Village was ready to proceed at this time with an allocation \$1,450,000 in HOME funds and \$650,000 in NSP 1 funds or NSP 1 pro-

gram income. Two projects: Homebase Veterans, Owen Apartments, and Continental Homes each required LIHTC funding from the State of Michigan to proceed (an additional project application was incomplete). The Department will continue to review these projects with other projects (14) received during the regular review period.

HRD is also working with four developers of NSP 1 Homebuyer projects to sale project homes prior to the project close. Those developers include Bailey Development, Citadel of Praise, Ferlito Construction, and Kodiak Landarc. Homebuyer assistance will be provided to assist income eligible purchaser to buy the homes.

Finally, HRD has agreed to subordinate its HOME loan to allow a developer, Addison Apartments I Limited Partnership, to refinance with a new lender at a better rate. No additional funding is required and the terms of the HOME loan will remain the same.

HRD issues a Request for Proposals ("RFP") to solicit projects and development partners to receive development funds. Proposals are ranked according to developer capacity and experience, funding leveraged, "readiness to proceed" and projected impact on Detroit neighborhoods and housing markets.

Consistent with the new process adopted by City Council in 2012 for approving awards and development partners for the NSP and HOME programs, the Department is requesting that your Honorable Body review and approve the attached list.

We request approval of the attached resolution with a waiver of reconsideration so additional housing investments and neighborhood reinvestment through the HOME program can continue. Should you have questions or require additional information, please do not hesitate to contact me.

Respectfully submitted,
DARWIN L. HEARD
Manager II

By Council Member Leland:

Whereas, The City of Detroit has received annual allocation of HOME funds and allocations for NSP 1 funds including NSP 1 program income from the U.S. Department of Housing and Urban Development ("HUD") through the Planning and Development Department for the purpose of creating affordable housing opportunities in Detroit neighborhoods; and

Whereas, The City Council authorized the Mayor's Designee pursuant to EM Order No. 38, paragraph 13, on behalf of the City of Detroit, Planning and Development Department to accept and utilize Housing and Urban Development (HUD) HOME and NSP 1 funds according

to HUD regulations during the City's annual Budgeting process, and

Whereas, The City Council also authorized the Budget Director to appropriate HUD HOME, NSP 1 and NSP 1 Program Income funds and establish appropriation numbers, and

Whereas, The Finance Director was also authorized to establish necessary accounts, honor vouchers and payrolls in accordance with the Planning and Development Department requests and HUD regulations,

Resolved, That the City Council approves HOME and NSP Loans and/or grants for the attached list of Developers and/or borrowers in the amount indicated on the attached list, provided that loan amounts may vary by not more or less than 10%, and

Resolved, That the Mayor's Designee pursuant to EM Order No. 38, paragraph 13, is authorized to process, prepare and execute all loan and grant documents required to close, secure, and use HOME and/or NSP funds according to HUD regulations for the approved list of developers and borrowers; and

Finally Resolved, That the Mayor's Designee pursuant to EM Order No. 38, paragraph 13, is authorized to process, prepare, and execute all loan and grant documents required to increase or modify HOME and NSP Loans, Grants, and/or Mortgages and or subordinate HOME funds according to HUD regulation for the approved list of developers and borrowers.

Waiver of Reconsideration per motions before adjournment.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Cushingberry, Jr., Leland, Sheffield, Spivey, Tate, and President Jones — 8.

Nays — None.

RESOLUTION

By COUNCIL MEMBER LELAND:

WHEREAS, Petitioner Adams Advertising Sign (#674) has requested a permanent LED advertising sign; and

WHEREAS, Section 61-6-65 of the Detroit Zoning Ordinance prohibits advertising signs within the area bounded by Grand Boulevard and Section 61-6-57 prohibits advertising signs within 500', measured radially, from any City of Detroit Historic District NOW THEREFORE BE IT

RESOLVED, The Buildings, Safety Engineering, and Environmental Department has denied its request.

RESOLUTION APPROVING THE WEST VERNOR & SPRINGWELLS BUSINESS IMPROVEMENT DISTRICT ASSESSMENT AS PROVIDED IN ITS AMENDED ZONE PLAN

By COUNCIL MEMBER LELAND:

WHEREAS, In accordance with Public Act 260 of 2001, the Detroit City Council approved the creation of the West Vernor & Springwells Business Improvement District (BID) along with its Zone Plan on July 16, 2007 for an operating period of 7-years; and

WHEREAS, The Zone Plan included an assessment to be levied for 7-years to fund BID projects for the benefit of property owners within the Zone Area. These projects include safety and security services, bilingual outreach to the community, cleaning and beautification efforts, marketing and economic development as well as capital improvements; and

WHEREAS, Pursuant to MCL 125.990h, assessment revenues were levied by the City of Detroit in July of 2008 through July of 2014 and remitted to the BID; and

WHEREAS, In October, 2013, Public Act 260 of 2001 was amended to reflect a 10-year operating period rather than the 7-year period in the original statute, transforming the 7-year West Vernor & Springwells Business Improvement District into a 10-year Business Improvement Zone by operation of law; and

WHEREAS, The statutory extension of the operating period had no effect on the 7-year assessment authorized by the property owners in the BID and approved by the Detroit City Council; and

WHEREAS, The BID has approved, by a majority vote of property owners on April 23, 2015, to amend the projects set forth in its Zone Plan, to expand the Zone Area and authorize three additional years of assessments to fund the activities of the BID until the expiration of its 10-year operating period; and

WHEREAS, Pursuant to MCL 125.990j, City Council must approve any Zone Plan Amendment modifying an assessment; and NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council hereby approves the amended Zone Plan of the West Vernor & Springwells Business Improvement District (BID) inclusive of the 3-year assessment to allow the BID to capture funds for use in the amended Zone Area during the final years of its current 10-year operating period; and BE IT FURTHER

RESOLVED, That the Detroit City Council supports the efforts of the BID to improve the aesthetics, economic health and vibrancy of its Zone Area as it has a positive impact on and is an essential component of greater prosperity not only

in Southwest Detroit but the entire City of Detroit; and BE IT FINALLY

RESOLVED, That a copy of this resolution be forwarded to the Mayor's Office, Finance Department Assessment Division as well as the West Vernor & Springwells Business Improvement District.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Cushingberry, Jr., Leland, Sheffield, Spivey, Tate, and President Jones — 8.

Honorable City Council:

Re: Traffic Signal Removal at Sixteen
(16) Locations.

The following sixteen (16) signalized intersections are currently operating on full time "STOP control" mode in compliance with the Michigan Manual of Uniform Traffic Control Devices (MMUTCD) and are scheduled for removal due to changes in traffic conditions.

The traffic volumes, accident reports and physical conditions were analyzed prior to placing the signals on full time flashing operation. The traffic volumes have dropped significantly over the years at these locations. As a result, currently none of the MMUTCD warrants are satisfied and therefore, continued operation of the traffic signals is no longer justified. Moreover, being unwarranted, these traffic signals will pose unnecessary liability for City unless removed.

The traffic signals were placed in 24-hour flash mode for a minimum of 90 days beginning at flashing date listed in the table below. During this time period, further evaluation of the intersections was completed; the evaluation included a review of vehicle and pedestrian volumes, crash data and overall intersection operation. The table below illustrates the crash data for each intersection for an equal time period before and after flashing. Crash analyses at the sixteen (16) intersections did not indicate any significant increase in correctable (angle) crashes.

No.	Location	Flashing Date	Crashes Before Flashing			Crashes After Flashing			
			Angle	Rear End	Other	Total	Angle	Rear End	Other

As such, the Department of Public Works respectfully requests the adoption of the attached resolution for the removal of the traffic signals at the above mentioned sixteen (16) locations based on the following:

1. Traffic volumes no longer meet warranting criteria for signalization.
2. Pedestrian activity does not warrant signalization.

3. No correctable crash pattern exists at the intersections.

Respectfully submitted,
RON BRUNDIDGE
 Director

Department of Public Works
 By Council Member Benson:

Honorable City Council:
 Re: Traffic Control Devices Installed and Discontinued.

We are submitting a list of traffic control devices dated September 16, 2014-October 15, 2014, to your Honorable Body for approval.

The attached list shows traffic control devices installed, and those discontinued during the period of September 16, 2014-October 15, 2014.

Respectfully submitted,
 RON BRUNDIDGE
 Director

Department of Public Works
 By Council Member Benson:

Resolved, That the traffic regulations, as listed in Communication from the Department of Public Works dated September 16, 2014-October 15, 2014, and the discontinuance of restrictions as listed therein, be and the same are hereby approved and confirmed and further

Resolved, That any regulation or restriction in conflict with the foregoing be and the same is hereby rescinded.

Provided, That the traffic regulations adopted pursuant to the ordinance provisions of Section 55-2-1, 55-2-2, and 55-2-3 of Chapter 55, Article 2, of the Code of Detroit and properly indicated by signs, signals, markings, or other devices as authorized by the ordinance provisions, and further

Provided, The traffic regulations listed in the communication above referred to shall be kept on file by the City Clerk in her office for reference and for inspection.

Honorable City Council:		
Re: Traffic Control Devices Installed and Discontinued.		
We are submitting a list of traffic control devices dated October 16, 2014 - November 15, 2014, to your Honorable Body for approval.		
The attached list shows traffic control devices installed, and those discontinued during the period of October 16, 2014 - November 15, 2014.		
Respectfully submitted,		
RON BRUNDIDGE		
Director		
Department of Public Works		
By Council Member Benson:		
Resolved, That the traffic regulations, as listed in Communications from the Department of Public Works dated October 16, 2014 - November 15, 2014, and the discontinuance of restrictions as listed therein, be and the same are hereby approved and confirmed and further		
Resolved, That any regulation or restriction in conflict with the foregoing be and the same is hereby rescinded.		
Provided, That the traffic regulations adopted pursuant to the Ordinance provisions of Section 55-2-1, 55-2-2, and 55-2-3 of Chapter 55, Article 2, of the Code of Detroit and properly indicated by signs, signals, markings, or other devices as authorized by the ordinance provisions, and further		
Provided, The traffic regulations listed in the communication above referred to		

shall be kept on file by the City Clerk in her office for reference and for inspection.

Honorable City Council:

Re: Traffic Control Devices Installed and Discontinued.

We are submitting a list of traffic control devices dated November 16, 2014-December 15, 2014, to your Honorable Body for approval.

The attached list shows traffic control devices installed, and those discontinued during the period of November 16, 2014-December 15, 2014.

Respectfully submitted,
RON BRUNDIDGE

Director

Department of Public Works

By Council Member Benson:

Resolved, That the traffic regulations, as listed in Communication from the Department of Public Works dated November 16, 2014-December 15, 2014, and the discontinuance of restrictions as listed therein, be and the same are hereby approved and confirmed and further

Resolved, That any regulation or restriction in conflict with the foregoing be and the same is hereby rescinded.

Provided, That the traffic regulations adopted pursuant to the ordinance provisions of Section 55-2-1, 55-2-2, and 55-2-3 of Chapter 55, Article 2, of the Code of Detroit and properly indicated by signs, signals, markings, or other devices as authorized by the ordinance provisions, and further

Provided, The traffic regulations listed in the communication above referred to shall be kept on file by the City Clerk in her office for reference and for inspection.

Honorable City Council:

Re: Petition No. 502, Baseline Property Investments, LLC, request to dedicate the use of the R.O.W. located at W. Eight Mile Road on the corners of Burt Rd. and Pierson St. for private parking.

Petition No. 502 — Baseline Property Investments, LLC request to vacate and convert to easement the west 20 feet of Pierson Avenue, 100 feet wide, and the east 20 feet of Burt Road, 126 feet wide from West Eight Mile Road, 204 feet wide to the east-west public alley, 20 feet wide, being the first alley south of West Eight Mile Road.

This request is being made in order to create more parking spaces for a planned new development on West Eight Mile Road.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

The request was approved by the Solid Waste Division — DPW, and Traffic Engineering Division — DPW.

All involved City Departments, including the Public Lighting Department, and privately owned utility companies have reported no objections to the conversion of the public rights-of-way into private easements for public utilities. Provisions protecting utility installations are part of the attached resolution.

Detroit Water and Sewerage Department (DWSD) has no objection to the conversion to easement. The specific DWSD provisions for easements are included in the resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,
RICHARD DOHERTY, P.E.

City Engineer
City Engineering Division — DPW
By Council Member Benson:

Resolved, That the east 20 feet of Pierson Avenue, 100 feet wide, lying west of and adjoining the west line of Lot 394, and the west 20 feet of Burt Road, 126 feet wide, lying east of and adjoining the east line of Lot 384, all in "Harry Slatkin's Subdivision No. 2 of part of the N 1/2 of Section 3, T.1S., R.10E., City of Detroit, Wayne County, Michigan" as recorded in Liber 73, Page 24 of Plats, Wayne County Records;

Be and the same are hereby vacated

as a public streets and converted into a private easements for public utilities, the full 20 foot width, which easements shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said streets and by their heirs, executors, administrators and assigns, forever to wit:

First, Said owners hereby grant to and for the use of the public an easement or right-of-way over said vacated public streets herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in a public right-of-way in the City of Detroit, with the right to ingress and egress at any time to and over said easement for the purpose above set forth,

Second, Said utility easements or rights-of-way in and over said vacated streets herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit, water main, gas line or main, telephone or light pole or any utility facility placed or installed in the utility easement or right-of-way. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for ingress and egress at any time to and over said utility easement with any necessary equipment to perform the above mentioned task, with the understanding that the utility companies shall use due care in such crossing or use, and that any property damaged by the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition,

Third, Said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, concrete slabs or driveways, retaining or partition walls, shall be built or placed upon said easements, nor change of surface grade made, without prior approval of the City Engineering Division — DPW,

Fourth, That if the owners of any lots abutting on said vacated streets shall request the removal and/or relocation of any existing poles or other utilities in said easements; such owners shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners,

Fifth, That if any utility located in said property shall break or be damaged as a result of any action on the part of said owners or assigns (by way of illustration but not limitation) such as storage of

excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns shall be liable for all costs incidental to the repair of such broken or damaged utility; and

Provided, That an easement, the full width of the existing right-of-way, is reserved for the Detroit Water and Sewerage Department for the purpose of installing, maintaining, repairing, removing, or replacing any sewers, water mains, fire hydrants and appurtenances, with the right of ingress and egress at any time to, and over said easement for the purpose above set forth; and be it further

Provided, That free and easy access to the sewers, water mains, fire hydrants and appurtenances within the easement is required for Detroit Water and Sewerage Department equipment, including the use of backhoes, bull dozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of the sewer or water main facilities; and be it further

Provided, That the Detroit Water and Sewerage Department retains the right to install suitable permanent main location guide post over its water mains at reasonable intervals and at points deflection; and be it further

Provided, That said owners of the adjoining property, for themselves, their heirs and assigns, agree that no building or structure of any nature whatsoever, including porches, patios, balconies, etc.,

shall be built upon or over said easement, or that no grade changes or storage of materials shall be made within said easement without prior written approval and agreement with the Detroit Water and Sewerage Department; and be it further

Provided, That if any time in the future, the owners of any lots abutting on said vacated streets shall request the removal and/or relocation of the aforementioned utilities in said easement, such owners shall pay all costs incident to such removal and/or relocation. It is further provided that if sewers, water mains, and/or appurtenances in said easement shall break or be damaged as a result of any action on the part of the owner, or assigns, then in such event, the owner or assigns shall be liable for all costs incident to the repair of such broken or damaged sewers and water mains, and shall also be liable for all claims for damages resulting from his action; and be it further

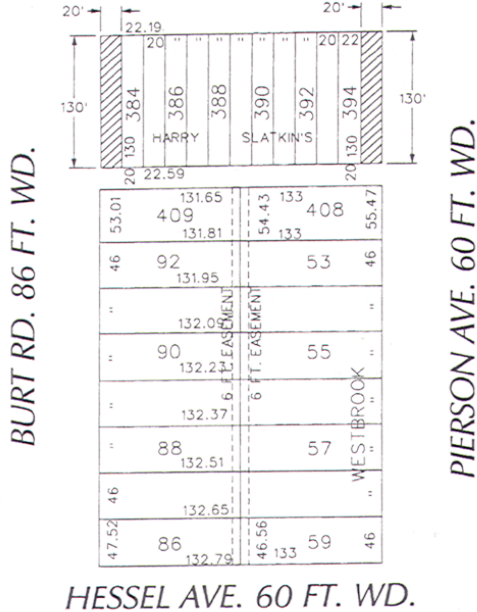

Provided, That if it becomes necessary to work in the remaining public right-of-way, any removal and construction of new curb and sidewalk shall be done under city permit and inspection according to City Engineering Division — DPW specifications with all costs borne by the abutting owner(s), their heir or assigns; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

**Department of Public Works
 City Engineering Division**

May 8, 2015

Honorable City Council:
 Re: Approval of Amendments to Under-
 ground Easements.

The Department of Public Works is requesting this Honorable Body approve amendments of easements to each of Sprint Communications Company, CenturyLink Communications, LLC, and Teleport Communications America, LLC for underground utility facilities in portions of the Woodbridge Street and Riopelle Street rights-of-way. These entities are

currently easement holders under grants of easements on former rail parcels now owned by the City of Detroit and The Economic Development Corporation of the City of Detroit and the relocation of their easements to the public right-of-way is necessary in order to accommodate a planned development project in the current easement areas.

A resolution consistent with the above is submitted for your consideration. We also respectfully request that your Honorable Body adopt the attached resolution with a waiver of reconsideration.

Respectfully submitted,
 RICHARD DOHERTY, P.E.

City Engineer
 City Engineering Division — DPW
 By Council Member Benson:

Whereas, The City of Detroit (the "City") previously acquired the parcels of land depicted on Exhibit A (the "Rail Parcels")

from Grand Trunk Western Railroad Incorporated (“GTWRI”); and

Whereas, Certain of the Rail Parcels are currently owned by the City and certain of the Rail Parcels are owned by The Economic Development Corporation of the City of Detroit (the “EDC”); and

Whereas, Prior to conveying the Rail Parcels to the City, GTWRI granted certain easements and/or leasehold rights to certain parties for the purpose of allowing the installation and maintenance of fiber optic cables and related facilities in the Rail Parcels, as further described in such agreements executed by GTWRI and the respective grantees (each, such agreement, an “Easement Agreement”); and

Whereas, The City and the EDC are GTWRI’s successors in interest under the Easement Agreements; and

Whereas, The current easement holders under the Easement Agreements are Sprint Communications Company (“Sprint”), CenturyLink Communications, LLC (as successor in interest to Litel Telecommunications Corporation and Qwest Communications Corporation) (“CenturyLink”), and Teleport Communications America, LLC (as successor in interest to TCG Detroit) (“Teleport”, and, collectively with Sprint and CenturyLink, the “Easement Holders”); and

Whereas, Pursuant to the terms of the Easement Agreements, the City and the EDC requested that each of the Easement Holders relocate its respective facilities from the Rail Parcels to the adjacent public right of way;

Whereas, The new easement area proposed for Sprint is depicted in the attached Exhibit B; the new easement area proposed for CenturyLink is depicted in the attached Exhibit C and C-1; and the new easement area proposed for Teleport is depicted in the attached Exhibit D (for each, the “New Easement Area”); and

Whereas, The City, the EDC, and each of the Easement Holders propose to enter into an amendment to such Easement Holder’s respective Easement Agreement to memorialize the location of its New Easement Area and release such Easement Holder’s interest in the easement area from which it relocated its facilities.

Now, Therefore, Be It Resolved, That the New Easement Area for each of Sprint, CenturyLink, and Teleport is hereby approved; and be it further

Resolved, That the Director of the Department of Public Works is authorized to execute and deliver to each Easement Holder an amendment to such Easement Holder’s respective Easement Agreement memorializing its New Easement Area and releasing the existing easement areas, and to execute and deliver such other instruments as may be necessary or convenient to carry out the intents and purposes hereof; and be it further

Resolved, That the amendments to the Easement Agreements will be considered confirmed when executed by the Director of the Department of Public Works and approved by the Corporation Counsel; and be it finally

Resolved, That the Director of the Department of Public Works is authorized to execute any required instruments to make and incorporate technical amendments or changes to the amendments to Easement Agreements (including but not limited to corrections to or confirmations of legal descriptions or easement locations) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise during the term of the Easement Agreements, provided that the changes do not materially alter the substance or terms of the Easement Agreements.

MARTIN C. DUNN PROFESSIONAL SURVEYOR #30001

10.00 feet into both East Grand River Avenue, 60 feet wide, and Library Avenue, 71 feet wide.

The petition was referred to the City Engineering Division — DPW for investigation and report. This is our report.

This request is being made by the next owner of the property since the previously passed resolutions regarding the encroachments may not be transferred or assigned without the written approval of Detroit City Council.

Your Honorable Body agreed to the transfer of the encroachment permit to Sequoia LB King LLC in a resolution, approved by the Emergency Manager of the City of Detroit on June 11, 2014 (Petition 197). Sequoia LB King LLC did not end up acquiring the property, so the new purchaser is making the same request for transfer of the permit.

On June 5, 1991 (J.C.C. pages 1234-1236), a resolution was passed unanimously by the Honorable City Council authorizing and directing the City Engineering Department to issue permits to "Annis Historic Properties Development" to maintain the existing basement areaway encroachments extending approximately 10 feet into both East Grand River Avenue, 60 feet wide, and Library Avenue, 71 feet wide.

The investigation and report from June 5, 1991 states: Since October 8, 1935 (J.C.C. page 1903) the City Council directed the Buildings and Safety Engineering Department to reject any new building plans for public property areaway encroachments. However, the encroaching basement areaways of the subject building (formerly the Annis Furs Building) have existed since 1911 (believed to be the year the building was originally built). Further, there are no retrievable records available that prove the original owners had City Council permission to construct and maintain the existing encroachment basement areaways.

The investigation and report from June 5, 1991 then states: Therefore, it is the recommendation of the City Engineering Department in conjunction with the Buildings and Safety Department that the pre-1935 existing encroaching basement areaways can be permitted and maintained by a "grandfather clause" (subject to the terms and conditions commonly applied to pre-1935 approved areaways within the Governor and Judges Plan).

Therefore, it is the recommendation of DPW — City Engineering Division to allow the transfer of the existing basement areaway encroachments on the same basis and under the same conditions as previously approved by the City Council resolution of June 5, 1991.

All other City Departments have reported that they have no objections to the existing encroachments. Provisions pro-

tecting utility installations and public safety are incorporated into the resolution.

An appropriate resolution granting the petition is attached for consideration by your Honorable Body.

Respectfully submitted,
RICHARD DOHERTY, P.E.,
City Engineer

City Engineering Division — DPW
By Council Member Benson:

Whereas, Since October 8, 1935 (J.C.C. page 1903) the City Council has directed the Buildings, Safety Engineering and Environmental Department to reject any new plans for public property areaway encroachments; and

Whereas, The encroaching basement areaways of the L. B. King Building (formerly the Annis Furs Building) located at 1274 Library Avenue have existed possibly since 1911 (believed to be the year the building was originally built); and

Whereas, There are no retrievable records available that prove the original (1911) owners had City Council permission to construct and maintain the existing encroaching basement areaways; and

Whereas, It is the recommendation of the Department of Public Works, City Engineering Division that the pre-existing (prior to October 8, 1935) encroaching basement areaways can be permitted and maintained by a "grandfather clause" (subject to terms and conditions commonly applied to pre-1935 approved areaways within the Governor and Judges Plan); and

Whereas, The permit for encroachment was transferred to Sequoia LB King LLC in a resolution passed by your Honorable Body and approved by the Emergency Manager of the City of Detroit on June 11, 2014 in accordance with EM order No. 3 dated April 11, 2013; and now the new property owner, Curis 1274 Library LLC, is requesting the permit be transferred to them as is appropriate; Therefore Be It

Resolved, That the Department of Public Works, City Engineering Division is hereby authorized and directed to issue permits to Curis 1274 Library LLC to maintain the existing (pre-1935) encroaching basement areaways extending underground approximately 10.00 feet into both East Grand River Avenue, 60 feet wide, and Library Avenue, 71 feet wide, abutting property described as follows:

Land in the City of Detroit, Wayne County, Michigan being Lot 62 of the "Plan of the Section Numbered Seven on the City of Detroit in the Territory of Michigan, confirmed by the Governor and Judges" as recorded in Liber 34, Page 544 of Deeds, Wayne County Records; commonly known as 1274 Library Avenue;

Provided, The maintenance of the existing basement areaway encroach-

ments shall be subject to the rules, regulations, permits and annual inspection of the Buildings, Safety Engineering and Environmental Department as required by the Building Code. Also the maintenance of the public sidewalk above the existing basement areaway encroachments shall be according to the permits, specifications, and inspection of the Department of Public Works — City Engineering Division as required by Detroit Code Section 50-4-24; and further

Provided, The City and all utility companies retain their rights to service, inspect, maintain, repair, install, remove or replace utilities within the public rights-of-way; and further

Provided, By approval of this petition the Detroit Water and Sewerage Department (DWSD) does not waive any of its rights to its facilities located in the right-of-way, and at all time, DWSD, its agents or employees, shall have the right to enter upon the right-of-way to maintain, repair, alter, service, inspect, or install its facilities. All costs incident to the damaging, dismantling, demolishing, removal and replacement of structures or other improvements herein permitted and incurred in gaining access to DWSD's facilities for maintenance, repairing, alteration, servicing or inspection caused by the encroachment shall be borne by the petitioner. All costs associated with gaining access to DWSD's facilities, which could normally be expected had the petitioner not encroached into the right-of-way, shall be borne by DWSD; and be it further

Provided, That all construction performed under this petition shall not be commenced until after (5) days written notice to DWSD. Seventy-two (72) hours notice shall also be provided in accordance with P.A. 53 1974, as amended, utilizing the MISS DIG one call system; and be it further

Provided, That construction under this petition is subject to inspection and approval by DWSD forces. The cost of such inspection shall, at the discretion of DWSD; be borne by the petitioner; and be it further

Provided, That if DWSD facilities located within the right-of-way shall break or be damaged as the result of any action on the part of the petitioner, then in such event the petitioner agrees to be liable for all costs incident to the repair, replacement or relocation of such broken or damaged DWSD facilities; and be it further

Provided, That the petitioner shall hold DWSD harmless for any damages to the encroaching device constructed or installed under this petition which may be caused by the failure of DWSD's facilities; and be it further

Provided, That if at any time in the future the petitioner shall request removal

and/or relocation of DWSD's facilities in the right-of-way being encroached upon the petitioner agrees to pay all costs for such removal and/or relocation; and be it further

Provided, That the contractor call MISS DIG 72 hours prior to starting any underground construction where they plan the underground encroachment; and be it further

Provided, That all cost for the construction, maintenance, permits and use of the encroachments shall be borne by Curis 1274 Library LLC; and further

Provided, That all costs incurred by privately owned utility companies and/or city departments to alter, adjust, and/or relocate their existing utility facilities located in close proximity to the encroachments shall be borne by Curis 1274 Library LLC or its assigns. Should damages to utilities occur, Curis 1274 Library LLC or its assigns shall be liable for all incidental repair costs and waives all claims for damages to the encroaching installations; and further

Provided, That Curis 1274 Library LLC shall file with the Finance Department and/or City Engineering Division — DPW an indemnity in form approved by the Law Department. The agreement shall save and protect the City of Detroit from any and all claims, damages or expenses that may arise by reason of the issuance of the permits and the faithful or unfaithful performance by Curis 1274 Library LLC of the terms thereof. Further, Curis 1274 Library LLC shall agree to pay all claims, damages or expenses that may arise out of the maintenance of the property encroachments; and further

Provided, That no other rights in the public streets, alleys or other public place shall be considered waived by this permission which is granted expressly on the condition that said encroachments shall be removed at any time when so directed by the City Council, and the public property affected shall be restored to a condition satisfactory to the City Engineering Division — DPW; and further

Provided, That said permits issued by the Department of Public Works — City Engineering Division and/or Buildings, Safety Engineering and Environmental Department are granted with the distinct understanding that in the event that the City Charter, or Detroit Code(s), or ordinances, or resolution(s), or City policies (governing the maintenance of areaway or vault encroachments within the public rights-of-way in the Governor and Judges Plan) are amended to provide for the levying thereafter, of a fee, charge, or rental, to be hereinafter determined upon, for the occupancy of the public streets, alleys or other public places, that the permittee will pay said fee, charge, or rental provided for in said City Charter, or Detroit Code(s), or

ordinances, or resolution(s), or City policies; also said permittee does hereby bind itself thereunto, and to accept said permits on the conditions hereby imposed, and in the event said permittee shall contest the validity of said City Charter, or Detroit Code(s), or ordinances, or resolution(s), or City policies of said fee, charge or rental, or upon refusal to pay same, these permits shall immediately become void; and further

Provided, This resolution is revocable at the will, whim or caprice of the City Council, and Curis 1274 Library LLC acquires no implied or other privileges

hereunder not expressly stated herein; and further

Provided, That the encroachment permits shall not be assigned or transferred without the written approval of the City Council; and further

Provided, The filing of the Indemnity Agreement and the securing of the necessary permit(s) referred to herein shall be construed as acceptance of this resolution by the permittee; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution and indemnity agreement with the Wayne County Register of Deeds.

May 14, 2015

Honorable City Council:

Re: Petition No. 542 — “Giffels Webster”, in behalf of Corked Tusk Development LLC, request the vacation of 0.3 feet of the public street and 0.1 feet of the public alley rights-of-way adjacent to 1260 Library Street, however it was determined by the City Engineer that in the best interest of the City of Detroit that the request be treated as an encroachment.

Petition No. 542 of “Giffels Webster”, 28 W. Adams, Ste. 1200, Det., MI., 48226, in behalf of “Corked Tusk Development LLC”, whose address is 645 Griswold St., Ste. 4300, Detroit, Michigan 48226, originally requested the vacation of certain rights-of-way, however it was determined by the City Engineering Division/DPW that in the best interest of the City of Detroit the petition request be investigated as encroachments. Therefore, the petitioner respectfully request to maintain existing façade encroachments described as being 0.3 feet into Library Street (71 feet wide) and 0.1 feet into the north-south public alley (20 feet wide) all between Gratiot and E. Grand River Avenue(s), adjacent to 1260 Library Street.

The minor pre-existing encroachments where created by improvements to the façade of the building made by the previous owner. The encroachments are minor and will not interfere, alter or adjust current vehicular and pedestrian paths.

The request was approved by Planning and Development Department and the Traffic Engineering Division — DPW. The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

All other involved City departments and privately owned utility companies have reported no objections to the requested encroachments. I am recommending adoption of the attached recommending.

Respectfully submitted,
RICHARD DOHERTY, P.E.

City Engineer

City Engineering Division — DPW
By Council Member Benson:

Resolved, The City Engineering Division — DPW is hereby authorized and directed to issue permits to “Corked Tusk Development LLC”, whose address is 645 Griswold St., Ste. 4300, Detroit, Michigan 48226, to maintain existing façade encroachments described as being 0.3 feet into Library Street (71 feet wide) and 0.1 feet into the north-south public alley (20 feet wide) all between Gratiot and E. Grand River Avenue(s), adjacent to 1260 Library Street described as:

That 0.3 foot part of Library Street (71 feet wide) lying westerly of and abutting the west line of the North 45.00 feet of Lot 61 and that 0.1 foot part of the north-south public alley (20 feet wide) lying easterly of and abutting the east line of the North 45.00 feet of Lot 61 all between Gratiot Avenue and E. Grand River Avenue, of the “Plat of Section 7 Governor and Judges Plan” City of Detroit, County of Wayne, State of Michigan, as recorded in Liber 34, Page 544, Deeds, Wayne County Records;

Whereas, The Traffic Engineering Division — DPW requires that the Façade encroachment(s) not impede pedestrian and vehicular access, nor interfere with the maintenance of the public rights-of-way including utility company and Fire Department access, and

Provided, That “Corked Tusk Development LLC”, whose address is 645 Griswold St., Ste. 4300, Detroit, Michigan 48226, or its assigns shall apply to the Buildings and Safety Engineering Department for a building permit prior to any construction; and further

Provided, That the necessary permits shall be obtained from the City Engineering Division — DPW and the Buildings and Safety Engineering Department. The encroachments shall be constructed and maintained under their rules and regulations; also in accord with plans submitted to and approved by the Traffic Engineering Division — DPW (if necessary); and further

Provided, That all costs for the construction, maintenance, permits and use of the encroachments shall be borne by the “Corked Tusk Development LLC”, or its assigns; and further

Provided, That all costs incurred by privately owned utility companies and/or city departments to alter, adjust, and/or relocate their existing utility facilities located in close proximity to the encroachments, shall be borne by the “Corked Tusk Development LLC”, or its assigns. Should damages to utilities occur the “Corked Tusk Development LLC”, or its assigns shall be liable for all incidental repair costs and waives all claims for damages to the encroaching installations; and further

Provided, That the “Corked Tusk Development LLC”, shall file with the Finance Department through the City Engineering Division — DPW, an indemnity agreement in form approved by the City of Detroit Law Department. The agreement shall save and protect the City of Detroit from any and all claims, damages or expenses that may arise by reason of the issuance of the permits and the faithful or unfaithful performance by the “Corked Tusk Development LLC”, of the terms thereof. Further, the “Corked Tusk Development LLC”, shall agree to pay all claims, damages or expenses that may

arise out of the maintenance of the proposed encroachments; and further

Provided, The property owned by the "Corked Tusk Development LLC", or its assigns and the encroachments shall be subject to proper zoning or regulated use (Board of Zoning Appeals Grant); and further

Provided, That no other rights in the public streets, alleys or other public place shall be considered waived by this permission which is granted expressly on the condition that said encroachments shall be removed at any time when so directed by the City Council, after reasonable consideration, and the public property affected shall be restored to a condition satisfactory to the City Engineering Division — DPW; and further

Provided, This resolution is revocable at the will, whim or caprice of the City

Council, and the "Corked Tusk Development LLC", acquires no implied or other privileges hereunder not expressly stated herein, however, there shall be no revocation or termination of the permit to allow the encroachments without a resolution from the Detroit City Council directing such revocation or termination before revoking such permit, the City Council may consider engineering reports and studies from City departments and owners of the parking structure; and further

Provided, That the encroachment permit shall not be assigned or transferred without the written approval of the City Council; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds

May 14, 2015

Honorable City Council:

Re: Request to accept an increase in appropriations for Children's Special Health Care Services — Care Coordination.

The Michigan Department of Community Health has awarded an increase to the City of Detroit Health and Wellness Promotion Department for FY 2015 with Children's Special Health Care Services — Care Coordination in the amount of \$70,000. There is no match requirement.

The objective of the grant is to provide assistance in coverage for certain special medical care and treatment for certain diagnoses for children. The additional funding allotted to the department will be utilized for this purpose. This grant is a part of the Public Health Services Local Comprehensive Agreement.

If approval is granted to accept the

increase and appropriate accordingly, Kellie Russell, Associate Director, will be the fiduciary agent for the grant. The cost center is 252978 and appropriation number is 13923.

I respectfully ask your approval to accept the increase in appropriations funding in accordance with the attached resolution.

*WAIVER OF RECONSIDERATION (No. 10) per motions before adjournment.

By Council Member Benson:

AN EMERGENCY ORDINANCE to amend Chapter 33, *Minors*, Article III, *Regulation of Minors in Public Places and Adult Responsibility for Violations*, Division 2, *Curfew*, of the 1984 Detroit City Code by adding Sections 33-3-14 and 33-3-15 to provide for a superseding curfew for all minors beginning at 6:00 p.m. on Monday, June 22, 2015 (being the scheduled date for the Detroit Annual Fireworks Display, or any rescheduled date) and continuing until 6:00 a.m. the following morning, applicable city-wide.

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

Section 1. DECLARATION OF EMERGENCY

The Detroit City Council, upon receipt of testimony and evidence from the Detroit Police Department and others, and after public hearing, upon due consideration makes the following findings:

(A) On the day of and especially the evening of the Detroit Annual Fireworks Display that takes place on the Detroit River there have been numerous incidents of harassment, nuisance, vandalism, and violence committed by persons at the viewing, parking, and public places of the City before, during, and after the fireworks display;

(B) These acts of harassment, nuisance, vandalism, and violence have been committed, in part, by unsupervised minors before and during the City's regular curfew hours for minors and have endangered the peace, health, safety, and welfare of the People of the City of Detroit, the many persons traveling from outside the City limits to attend this annual event, and in particular unsupervised minors;

(C) There exist public peace, health, safety, and welfare needs for effectively governing the conduct of such minors as it pertains to harassment, nuisance, vandalism, and violence for the purpose of alleviating and eliminating these problems;

(D) Due to law enforcement considerations and logistics concerns, a City-wide curfew is necessary to enhance the public peace, health, safety, and welfare for the thousands of persons who attend this annual event;

(E) Due to the fact that spectators begin to gather in the viewing areas in advance of the commencement of the

Detroit Annual Fireworks Display on the day of the event, the regular curfew hours for minors provided for in the City's Curfew Ordinance, codified in Chapter 33, Article III of the Detroit City Code, are not sufficient to alleviate and curtail criminal activity by unsupervised minors in the fireworks display viewing areas;

(F) The peace, health, safety, and welfare of minors and the community-at-large will benefit from additional curfew controls for minors in the City during the Detroit Annual Fireworks Display;

(G) The curfew for minors in the City provides for reasonable exceptions during the specified curfew period to allow for minors accompanied by their parent, legal guardian, or responsible adult, for minors at or traveling to and from places of employment, education and training facilities, and sponsored activities under adult supervision, for minors involved in emergencies or constitutionally protected activities such as interstate travel or freedom of speech, assembly or exercise of religion, for minors on the sidewalks in front of their homes, and for minors sent on errands by their parents if the minors have proper written permission.

Section 2. Chapter 33, *Minors*, Article III, *Regulation of Minors in Public Places and Adult Responsibility for Violations*, Division 2, *Curfew*, of the 1984 Detroit City Code is amended by adding Sections 33-3-14 and 33-3-15, to read as follows:

**CHAPTER 33. MINORS
ARTICLE III. REGULATION OF
MINORS IN PUBLIC PLACES AND
ADULT RESPONSIBILITY FOR
VIOLATIONS**

DIVISION 2. CURFEW

Sec. 33-3-14. Additional Definitions.

For the purposes of this emergency ordinance only, the definitions provided in this section supplement the definitions provided in Section 33-3-1. The following words and phrases shall have the meanings respectively ascribed to them by this section:

Detroit Annual Fireworks Display means the annual fireworks at the Detroit River, sponsored by the Parade Company, typically on or about the fourth Monday in June.

Detroit Annual Fireworks Display Curfew means the period of time commencing at 6:00 p.m. on the Detroit Annual Fireworks Display Day and continuing until 6:00 a.m. the next morning.

Detroit Annual Fireworks Display Curfew Zone means the entire city.

Detroit Annual Fireworks Display Day means Monday, June 22, 2015, or any rescheduled date for the Detroit Annual Fireworks Display.

Sec. 33-3-15. Curfew.

(a) The provisions of this section shall supersede the curfew hours for minors provided for in Section 33-3-11.

(b) During the Detroit Annual Fireworks Display Curfew it shall be unlawful for a minor, as defined in Section 33-3-1, to be on any public street, sidewalk, alley, park, playground, vacant lot, or at any other unsupervised public place in the Detroit Annual Fireworks Display Curfew Zone.

Secs. 33-3-14 33-3-16 — 33-3-20. Reserved.

Section 3. All ordinances, or parts of ordinances, that conflict with this ordinance are suspended during the Detroit Annual Fireworks Display Curfew (as defined in Section 2 of this ordinance, Sec. 33-3-14), only.

Section 4. This ordinance is declared necessary for the preservation of the public peace, health, safety, and welfare of the People of the City of Detroit.

Section 5. In accordance with Section 4-116 of the 2012 Detroit City Charter, this ordinance shall be given immediate effect and become effective upon publication.

Section 6. In accordance with Section 4-116 of the 2012 Detroit City Charter, this ordinance shall expire on the sixty-first (61st) day after enactment unless reenacted as an emergency ordinance. The expiration of this ordinance shall not affect any enforcement actions or penalties for violations of this ordinance.

AN EMERGENCY ORDINANCE to amend Chapter 33, *Minors*, Article III, *Regulation of Minors in Public*

Places and Adult Responsibility for Violations, Division 2, Curfew, of the 1984 Detroit City Code by adding Sections 33-3-16 and 33-3-17 to provide for a superseding curfew for all minors beginning at 8:00 p.m. on each of the following days and continuing until 6:00 a.m. on the morning after each of the following days, being the Detroit River Days: Friday, June 19, 2015, Saturday, June 20, 2015, and Sunday, June 21, 2015, applicable only in the area within and bounded by the Detroit River, Third Street, the Lodge Freeway (M-10), the Fisher Freeway (I-75), the extension of the Fisher Freeway (I-75) easterly to Gratiot Avenue, Gratiot Avenue, Vernor Highway, Chene Street, Atwater Street, and Chene Park.

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

Section 1. DECLARATION OF EMERGENCY

The Detroit City Council, upon receipt of testimony and evidence from the Detroit Police Department and others, and after public hearing, upon due consideration makes the following findings:

(A) The Detroit River Days has become a very popular festival along the Detroit River, attracting many Detroit residents and visitors.

(B) In addition to the many visitors to the Detroit River Days, the area in the general proximity of the Detroit River Days has become a destination for a substantial number of unsupervised minors.

(C) On the days and especially the evenings of the Detroit River Days there have been numerous incidents of harassment, nuisance, vandalism, and violence committed by persons at or near the venue of the Detroit River Days, which is generally along the Detroit River from Hart Plaza to William G. Milliken State Park;

(D) These acts of harassment, nuisance, vandalism, and violence have been committed, in part, by unsupervised minors before and during the City's regular curfew hours for minors and have endangered the peace, health, safety, and welfare of the People of the City of Detroit, the many persons traveling from outside the City limits to attend this annual event, and in particular unsupervised minors;

(E) There exist public peace, health, safety, and welfare needs for effectively governing the conduct of such minors as it pertains to harassment, nuisance, vandalism, and violence for the purpose of alleviating and eliminating these problems;

(F) Experience has shown that during the Detroit River Days the regular curfew hours for minors provided for in the City's Curfew Ordinance, codified in Chapter 33,

Article III of the Detroit City Code, are not sufficient to alleviate and curtail criminal activity by unsupervised minors, and to adequately safeguard unsupervised minors;

(G) Due to law enforcement considerations and logistics concerns, a curfew specific to the dates, times, and vicinity of the Detroit River Days, that is, a curfew starting at 8:00 p.m. and limited in geographical area to the zone defined in this ordinance, is necessary to enhance the public peace, health, safety, and welfare for the thousands of persons who attend this annual event;

(H) The peace, health, safety, and welfare of minors and the community-at-large will benefit from additional curfew controls for minors in the City during the Detroit Annual Fireworks Display and during the Detroit River Days;

(I) The curfew for minors provides for reasonable exceptions during the specified curfew period to allow for minors accompanied by their parent, legal guardian, or responsible adult, for minors at or traveling to and from places of employment, education and training facilities, and sponsored activities under adult supervision, for minors involved in emergencies or constitutionally protected activities such as interstate travel or freedom of speech, assembly or exercise of religion, for minors on the sidewalks in front of their homes, and for minors sent on errands by their parents if the minors have proper written permission.

TESTIMONIAL RESOLUTIONS AND SPECIAL PRIVILEGE

TESTIMONIAL RESOLUTION FOR

REV. GERMANY BENNETT, JR. "10th Pastoral Anniversary"

By COUNCIL PRESIDENT JONES:

WHEREAS, It is with great pleasure and privilege that we, the members of the Detroit City Council, recognize and bestow due honor upon Rev. Germany Bennett, Jr., a dynamic, energetic minister and Pastor of True Oracles of God Ministries in Detroit, Michigan for ten years; and

WHEREAS, Rev. Germany Bennett, Jr., heeded the Lord's word and the "Oracles of God Ministry" was founded. Armed with the Bible, a few loyal members of his family, Pastor Bennett started teaching Bible study at 23300 Greenfield in Oak Park, Michigan. As with everything, he chose the "Oracles of God Ministry" to proceed in a different direction, and the name was changed to "True Oracles of God Ministries" to better reflect this vision; and

WHEREAS, In 2012, Pastor Germany Bennett, Jr., personally developed curriculums for each department that would help the church as a whole run more effectively and efficiently. This year, Pastor and First Lady, who are truly an example of continued success of business in their personal lives, are empowering their gift of business negotiations by seeking and securing True Oracles next Church location that will be able to house the up-and-coming ministries of service, training and

programs in the works. The church has given the Bennett's the "Green Light" to take them higher; and

WHEREAS, Under Rev. Germany Bennett, Jr. and First Lady's leadership, the church has accomplished many tasks, such as: State Fair Community Block Club Association, Financial Planning Workshops, A Step Ahead Youth Tutoring Services, Summer Breakfast and Lunch Programs for Kids, Soup Kitchen and True Oracles of God Ministries Travel Club. Pastor Bennett led his church under great opposition and against every wile of the devil, but he has stood on God's Word to build up God's house! This could not have been accomplished without our First Lady Kimberly Bennett, who works continuously by his side. They stand as an example of what can be done when two spiritual people labor and co-exist in the call of the Lord, as one. NOW THEREFORE BE IT

RESOLVED, That the Office of Council President Brenda Jones and the Detroit City Council joins with family, friends and members of True Oracles of God Ministries in celebrating your 10th Pastoral Anniversary. May the Lord continue to Bless your endeavors.

TESTIMONIAL RESOLUTION FOR

MR. VAN FOX

By COUNCIL PRESIDENT JONES:

WHEREAS, It is with great pleasure and privilege that we, the members of the Detroit City Council, recognize and bestow due honor upon Van Fox, President of MHT Housing Inc. and Continental Management LLC; and

WHEREAS, For over twenty years, MHT Housing has earned credibility as a developer through its commitment to provide quality affordable housing, both in Michigan and the Pacific Northwest. MHT is now one of the largest non-profit development companies in the state of Michigan. MHT is committed to excellence and takes pride in developing sustainable apartment communities that enhance and revitalize neighborhoods. In the last five years, the company has purchased, renovated or built new construction of eight developments totaling 900 units within the City of Detroit. These efforts have also provided construction and architectural related jobs, as well as permanent jobs to fully staff each property; and

WHEREAS, Currently, Van Fox is fully renovating the historic Jennings Hospital building on Jefferson Avenue in Detroit into an elegant affordable senior housing apartment community, Jennings Senior

Housing. This property was vacant and abandoned for years before he proposed this project to provide much needed housing for senior citizens. The project will also preserve the historic qualities of the building as guided by the National Park Service and the State Historic Preservation Office. In 2003, Mr. Fox created his own management company, Continental Management LLC. In 2013, he was recognized as "Executive of the Year" by the Detroit Metropolitan Apartment Association (DMAA) and the Property Management Association of Michigan. In addition, Continental Management had received recognition as one of the "Top 100 Workplaces" by the Detroit Free Press for the past five consecutive years (2010-2014) and is a three time winner of the "Management Company of the Year" by the Detroit Metropolitan Apartment Association. Continental manages over sixty affordable housing developments and is now poised to expand its mission through joint venturing with partners throughout the country; and

WHEREAS, Focusing his efforts on Detroit, Van Fox has revolutionized the look of affordable housing with well-maintained landscaping and curb appeal that incorporates sculptures, flags and original artwork, giving the residents a comfortable living experience and a sense of pride in their apartment homes. He continues to develop new concepts and funding initiatives to keep MHT Housing and Continental Management properties safe by providing security personnel, security cameras and gated communities, as well as establishing partnerships with the Detroit Police Department. Van Fox is a champion of community service who is known for his leadership and philanthropic spirit. Some of his volunteer initiatives include participating in neighborhood cleanups, landscaping playgrounds, donating school supplies, providing scholarships and tutoring programs, adopting families for the holidays, Continental Management funded two Detroit gun buy-back programs in 2010 and 2011, and MHT funded and renovated a home in 2012 for a Detroit Police Officer through its Detroit Spirit Home Giveaway program. NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council and Office of Council President Brenda Jones, recognizes Van Fox for his achievements within the affordable housing development and management sectors and his significant contributions to make a difference in the Detroit community and beyond.

TESTIMONIAL RESOLUTION FOR ARETHA FRANKLIN

By COUNCIL PRESIDENT JONES:

WHEREAS, It is with great pleasure and privilege that we, the members of the Detroit City Council, recognize and bestow honor upon the legendary musical and cultural icon known the world over, the reigning and undisputed "Queen of Soul" Aretha Franklin; and

WHEREAS, Born on March 25, 1942 in Memphis, Tennessee, Aretha Louise Franklin is one of four children born to the union of Barbara Siggers and Clarence LaVaughn (C. L.) Franklin. She is the mother of four sons. Prior to her fifth birthday, the family moved to Detroit, Michigan. She began her career singing gospel at her father, Rev. C. L. Franklin's church as a child. In 1960, at the age of eighteen, Franklin embarked on a secular career, recording for Columbia Records. Following her signing to Atlantic records in 1967, she achieved commercial acclaim and success with songs such as *Respect*, *You Make Me Feel Like a Natural Woman* and *Think*. These hits and more helped her to gain the title "The Queen of Soul" by the end of the 1960s decade. Aretha has often been described as a great singer and musician due to "vocal flexibility, interpretive intelligence, skillful piano-playing, her ear and her experience. She has a powerful "Mezzo-soprano" voice and has been praised for her arrangements and interpretations of other artists' hit songs; and

WHEREAS, On February 16, 1968, Franklin was honored with a day in her honor and was greeted by longtime friend, Rev. Dr. Martin Luther King, Jr., who gave her the Southern Christian Leadership Conference (SCLC) Drum Beat Award for Musicians, just two months prior to his death. In June 1968, she appeared on the cover to time Magazine. Her success expanded during the early 1970s in which she recorded several top Ten singles, as well as the acclaimed albums, *Spirit in the Dark*, *Young, Gifted & Black* and her gospel album, *Amazing Grace*, which sold over two million copies. Franklin received her star on the Hollywood Walk of Fame in 1979. In 1980, Aretha signed with Arista Records and that same year gave a command performance at the Royal Albert Hall in front of Queen Elizabeth. She also made an acclaimed guest role appearance as a waitress in the comedy musical, *The Blues Brothers*. In 1985, inspired by her desire to have a "younger sound" in her music, her fourth Arista album, *Who's Zoomin' Who*, became her first album to be certified platinum, after selling well over a million copies; and

WHEREAS, Aretha Franklin eventually recorded a total of 112 charted singles on *Billboard*, 77 Hot 100 entries, 17 top ten pop singles, 100 R&B entries

and 20 number-one R&B singles, becoming the most charted female artist in the chart's history. She has been honored throughout her career including 18 Grammy Awards (and counting), a Grammy Lifetime Achievement, Grammy Living Legend, 1987 induction into the Rock and Roll Hall of Fame, 2005 UK Music Hall of Fame, and the 2012 GMA Gospel Music Hall of Fame. In 1998, Aretha won international acclaim for singing the opera aria, "*Nessum Dorma*," at the Grammys of that year, replacing Luciano Pavarotti. She is one of the best-selling female artists of all time, having sold over seventy-five million records worldwide. Her powerful, distinctive gospel-honed vocal style has influenced countless singers across multi-generations, justifiably earning her Rolling Stone magazine's No. 1 placing on the list of "*The Greatest Singers of All Time*" and No. 9 on the list of "*100 Greatest Artists of All Time*." Franklin performed The Star Spangled Banner with Aaron Neville and Dr. John for Super Bowl XL, held in her hometown of Detroit in February 2006. She later made international headlines for performing *My Country 'Tis of Thee* at President Barack Obama's inaugural ceremony with her church hat going viral online. Franklin has been granted honorary doctorate degrees from numerous universities and colleges. In 2011, under her own label, Aretha's Records, she issued the album, *Aretha: A Woman Falling Out of Love*; and

WHEREAS, Aretha has created an amazing legacy that spans an incredible six decades, from her first recording as a teenage gospel star, to her 2014 RCA Records release, *Aretha Franklin sings the Great Diva Classics*. The Queen puts her indelible stamp on ten songs previously recorded by other female artists — and in her own inimitable way (as she has time and time again), she makes each one her own. Marking a glorious reunion with music industry legend Clive Davis, with whom she worked for the longest period of her recording career, Aretha Franklin continues her time-honored tradition of creating new music that is innovative, vital and fresh. NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council and office of council President Brenda Jones, hereby presents this Testimonial Resolution to Aretha Franklin, the "Queen of Soul" as a gesture of admiration and respect and in recognition of her outstanding musical achievements.

Adopted as follows:

TESTIMONIAL RESOLUTION FOR

REVEREND C.L. FRANKLIN

By COUNCIL PRESIDENT JONES,
Joined By COUNCIL MEMBER
CUSHINGBERRY, JR.:

WHEREAS, It is with great pleasure and privilege that we, the members of the Detroit City Council, recognize and bestow honor upon the late, great Clarence LaVaughn Franklin also known as Rev. C.L. Franklin, a highly respected preacher, civil rights activist and recording minister. Rev. Franklin made a tremendous mark on African-American history in both the religious and secular realms; and

WHEREAS, C.L. Franklin was born in Sunflower County, Mississippi on January 22, 1915. At the age of twelve, he joined St. Peter's Rock Baptist Church in Cleveland, Mississippi and was baptized by Rev. John Anderson. He began his ministerial journey at the early age of fourteen, describing the call to ministry in his own words by saying, "After being adequately exposed to the church and the gospel, I had a strong and compelling urge that the ministry was the thing for me." From that day forward, he diligently and totally involved himself in the ministry. Rev. Franklin received his adolescent education at public schools in Cleveland, Mississippi. After graduating from high school, he enrolled in the Howe School of Religion, a denominational religious school in Memphis, Tennessee. He earned a Bachelor's degree at LeMoyné College and studied for one year at the University of Buffalo in New York and one year at the Extension School of the University of Michigan; and

WHEREAS, Rev. Franklin pastored many churches throughout his lifetime. For a while he served as a full-time circuit preacher in Mississippi. He eventually was the official pastor of four churches at the same time, preaching at a different church every Sunday. Dr. Franklin also served as pastor of New Salem Baptist Church in Memphis, Tennessee and Friendship Baptist Church in Buffalo, New York. Shortly thereafter, he was called to pastor at New Bethel Baptist Church in Detroit, Michigan, where he pastored for thirty-eight years. The word of his outstanding talent as a minister spread and demand grew rapidly for him to preach at churches throughout the country. His accomplishments while pastor of New Bethel had not only a profound impact on his congregation, but also the City of Detroit. In 1951, he started a weekly radio broadcast in the city which was soon picked up by a radio station in Nashville with a powerful signal. These broadcasts enhanced Franklin's popularity immensely on a national level. On a larger scale, in the 1950s and 1960s, he became involved in politics and the civil rights

movement. He urged voters to go out to the polls and vote and worked to end discriminatory practices against black United Auto Workers (UAW) members in Detroit. One of his greatest accomplishments was co-organizing the "Freedom March" in June, 1963 with his friend, the late Rev. Dr. Martin Luther King, Jr. which proceeded the "March on Washington." This is where Dr. King first delivered his famous "I Have a Dream" speech. Rev. Franklin was also involved in the Urban League, NAACP and the Southern Christian Leadership Conference (S.C.L.C.) and he was the Chairman of the Evangelistic Board of the 6.8 million member National Baptist Convention U.S.A., Inc. for more than ten years. Former Detroit Mayor, Coleman A. Young renamed Linwood (the street the church is located on) as C.L. Franklin Boulevard and a park near his home after him; and

WHEREAS, In addition to his fame as a preacher, Rev. Franklin was known for his fine singing voice. The man with the "Golden Voice," is considered to be one of the greatest speakers of the 20th Century. He was a well-versed and experienced person who had walked with the great men and women of his day. Dr. Franklin conversed with geniuses and traveled extensively around the world. His sermons and music evoked waves of emotion from anyone listening. He was one of the first ministers to place his sermons on records, under the Chess Recording Company banner. Dr. Franklin recorded a total of seventy-six live record albums. His first album in 1953 was "The 23rd Psalms." His second, and one of his most famous albums was "The Eagle Stirs Her Nest." These albums were sold by the millions. He featured his daughter, Aretha Franklin, on a 1956 album that marked her initial entry into the recording world. In 2011, "The Eagle Stirs Her Nest" was added to the National Recording Registry of the Library of Congress. On July 27, 1984, Rev. C.L. Franklin made his transition. NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council and office of Council President Brenda Jones, hereby joins with family, friends and fans in honoring the life of Rev. C.L. Franklin and his outstanding legacy.

REVEREND CECIL LaRONE
FRANKLIN**

By COUNCIL PRESIDENT JONES,
Joined By COUNCIL MEMBER
CUSHINGBERRY, JR.:

WHEREAS, Born on March 31, 1940 in

Memphis Tennessee, Rev. Cecil LaRone Franklin was a young child when his family moved to Detroit, Michigan. He received his adolescent education in the Detroit Public Schools system, graduating from Northern High School. While at Northern, he excelled in swimming and received trophies and several gold and silver medals for his athletic abilities. He also participated in several musical activities with his childhood best friend, Smokey Robinson; and

WHEREAS, Cecil and Aretha Franklin, started on the road together with their father, Rev. C.L. Franklin. Aretha was singing while Cecil was driving, working the door and taking tickets. Driven by his quest for knowledge, Cecil gave up traveling and enrolled at Morehouse College in Atlanta, Georgia, majoring in Religion/Philosophy with a minor in Accounting. He was extremely proud to be a "Morehouse Man" and was active on the debate team and various extra-curricular activities. While in Atlanta, he became involved in the Civil Rights Movement and along with Jesse Jackson, became intricately engaged with "Operation Breadbasket" and the Southern Christian Leadership Conference (SCLC). In later years, he would help his father, Rev. C.L. Franklin organize the 1963 "Freedom March" in Detroit, Michigan, where Rev. Dr. Martin Luther King, Jr., first delivered his famous "I Have a Dream" speech. In 1961, Cecil completed his undergraduate studies at Morehouse, serving as Valedictorian of his class, graduating with the honor of Cum Laude. Returning briefly to Detroit, he decided to serve his country and enlisted in the U.S. Air Force for four years. During this time, Franklin was stationed in Washington, D.C. and attended Howard University at night. While in Washington, he met his future wife, Earline Henry. After he was discharged, they were united in marriage on April 30, 1967 in Detroit, Michigan. To this union, one daughter, Cristal Aretha Franklin was born; and

WHEREAS, Being a very religious person, Cecil felt the call to the ministry and was ordained on August 30, 1963. He first served as his father's associate minister and was subsequently became the assistant pastor of New Bethel Baptist Church. Rev. Cecil Franklin served in this capacity for three years before assuming the managerial duties for his sister, the famous Aretha Franklin, at the request of his father, Rev. C.L. Franklin. What was intended to be a temporary assignment, lasted for twenty years (1969-1989) and Cecil's expertise in managing Aretha was immediately recognized. He handled all of her show business affairs and through his skillful, high degree of business acumen, he successfully negotiated several multi-million dollar contracts for Aretha. In addition, he orchestrated her comeback suc-

cess to the top of the record charts on Arista Records. In 1980, by way of a request for a "Command Performance" at the Royal Albert Hall, Cecil along with Aretha, was formally presented to Queen Elizabeth and Prince Charles. They were also requested to meet and perform for former President, Jimmy Carter; and

WHEREAS, No matter where they were on the road, he always on Sunday would try to find a church. He never got away from the ministerial part of his life. Rev. Cecil Frankling continued his evangelical ministry, preaching across the United States, while still performing his managerial duties with Aretha. Rev. Cecil LaRone Franklin was unselfishly dedicated to his entire family and was a great provider to his wife Earline and daughter Cristal. He made his transition on December 26, 1989. NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council and office of Council President Brenda Jones, hereby joins with family, friends and supporters in honoring the life and legacy of Rev. Cecil Franklin.

TRUE CHURCH MINISTRIES

22nd Pastoral & Church Anniversary

By COUNCIL PRESIDENT JONES:

WHEREAS, It is with great pleasure and privilege that we, the members of the Detroit City Council, recognize and bestow honor upon True Church Ministries and the Pastor and Founder, Dr. Gregory Tukes, in observance of their 22nd Anniversary; and

WHEREAS, IN 1992, having submitted to the holy call of the pastorate, True Church Ministries was birthed in the heart of a young minister by the name of Gregory Tukes. Shortly thereafter, Pastor Tukes, his wife, Dr. Angela Tukes, their two daughters and a group of charter members organized and after much prayer, opened the doors of True Church Ministries on June 6, 1993 in a small, rented wing of a Lutheran church. After two months, the ministry shared a sanctuary with another church until they were able to purchase a tiny edifice on the corner of Pinewood and Schoenherr. As the congregation increased in membership, a new annex was built that housed restrooms and a space to hold meetings. Later, a paved parking lot was added; and

WHEREAS, Pastor Tukes is a gifted and prophetic teacher who strongly believes that a right relationship with God is key to salvation, abundant living and victory in everyday life. His congregation

is proud to follow him and his teachings have not only enriched the members, but countless others; and

WHEREAS, Through the faithful efforts and sacrifice of the congregation and trust in God, True Church Ministries built its current sanctuary, called "The Cathedral of Faith" in 1997. The edifice is a beautiful picturesque building with a magnificent cathedral ceiling. Several building renovation projects have been completed through the years. Dr. Gregory Tukes was consecrated to the office of apostle in 2009 under Apostle John Eckhart. In 2010, he received his Doctorate degree in Pastoral Care from the Minnesota Graduate School of Theology. In September 2011, Dr. Tukes began his service as a chaplain for the Wayne County Sheriff's Office; and

WHEREAS, Today, the church complex encompasses an entire block, serving as an oasis of hope in the community. True Church Ministries has proven itself to be a fine religious institution that is fulfilling the vital task of ministering and helping to meet the needs of the community. NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council and Office of Council President Brenda Jones, wishes to congratulate Dr. Gregory Tukes, Dr. Angela Tukes and the entire congregation of True Church Ministries on the occasion of their 22nd Church Anniversary service.

**RESOLUTION
IN MEMORIAM
LABINUS KENNEDY**

By COUNCIL MEMBER JONES:

WHEREAS, We, the members of the Detroit City Council, solemnly pause today to honor the memory of the late Labinus Kennedy, who transitioned from this earth to eternity on May 14, 2015; and

WHEREAS, Born in Detroit, Michigan on July 21, 1928, Labinus Kennedy was welcomed into the world by two loving parents, Charles and Onsee Kennedy. After graduating from Southwestern High School, he enlisted in the United States Navy. He obtained the rank of First Class Petty Officer with a Military Occupational Specialty (MOS) of Meteorologist. While on active duty, he was also an avid boxer and participated in many amateur bouts. Labinus received an honorable discharge. In 1962, he was united in marriage to Freddie Mae and the couple was blessed with one son, Jasiri (Jai). He continued his pursuit of higher education at the Detroit Institute of Technology, earning a Bachelor's degree in Accounting in 1965. Through the years, the couple moved

back and forth between Detroit and different cities in California to care for their ailing parents; and

WHEREAS, In 1972, Labinus Kennedy obtained a Master's degree in Business Administration from Pepperdine University in Los Angeles, California. A very astute Student, he went on to obtain a second Master's degree in Administrative Management in 1974 from Windsor University. In 1977, he received CPA certification as a Certified Public Accountant. Mr. Kennedy enjoyed working with taxes and was an Agent and Supervisory Auditor with the Internal Revenue Service. His extensive employment experience included: Accredited Tax Advisor for the Accreditation Council for Accountancy and Taxation, Director of the Small Business Administration, Deputy Assessor, Lead Instructor for the Department of Energy, and Manager for Housing and Urban Development (HUD). Although he officially retired in 2000, he continued to do tax preparation for both business and individuals. Labinus had many professional accomplishments throughout his life, including co-authoring several audit manuals for the Department of Energy, and his work with the department lead to several landmark decisions with legal cases before the California Supreme Court. In addition, he helped to start up numerous small businesses in Southern California during the 1970s and early 1980s; and

WHEREAS, Labinus Kennedy was steadfast, driven and deeply rooted in his unwavering faith and conviction and exemplified the role of a devoted man of God. In 2000, he joined the Wyoming Avenue Church of Christ, where he participated in many activities including the preparation, planning and building of the new church and teaching bible class. He especially enjoyed teaching the youth and often referred to them as "his kids." After moving to California, he was an active member of the congregations at the Church of Christ in Orland and the Cordova Church of Christ in Rancho Cordova. Labinus Kennedy has left an indelible mark on the Detroit area and beyond. He has ensured that the values and traditions by which he lived would exist in the hearts of those he cherished for years to come. NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council and the Office of Council President Brenda Jones, hereby expresses its deepest condolences and joins with family and friends in honoring the life and legacy of Labinus Kennedy.

**TESTIMONIAL RESOLUTIONS
AND SPECIAL PRIVILEGE**

**TESTIMONIAL RESOLUTION
FOR
PASTOR ROBERT LEE ROSE
Caring Temple Missionary
Baptist Church**

By COUNCIL MEMBER LELAND:

WHEREAS, Robert Lee Rose was born to humble beginnings on August 29, 1932 in Leeds, Alabama. Robert was a part of the great Northern migration through the 1950's when African American men from the south came looking for a better quality of life. Robert was employed with The General Motors Corporation, Cadillac Division, shortly after arriving in Detroit in 1952 and retired after 32 years of stellar service; and

WHEREAS, Robert Lee Rose was called to the ministry in the fall of 1984 and served as an associate minister under Pastor Julius Eason at the New Hope Missionary Baptist of Southfield, MI; and

WHEREAS, Pastor Rose being obedi-

ent to his spiritual call, established "The Caring Temple Missionary Baptist Church" of Detroit, MI in 1989. His love for God's people and the less fortunate inspired him to spearhead many community outreach initiatives which include: The Caring Community Center, Youth Arts programs, and the Community Food Pantry; and

WHEREAS, Pastor Rose returned to school to earn his Bachelor's degree in Divinity. Today, he is a sought after speaker and bible study instructor whose wisdom and down to earth style captivate audiences from every background. In addition, Pastor Rose has served as President of the Baptist Ministers Conference of Detroit as well as Dean of the Southern Baptist College, Detroit campus; and

WHEREAS, Pastor Rose has been honored by many community leaders and organizations which include: a Special Tribute from Michigan State Representative Hansen Clark, Gleaners of Southeast Michigan, Korean War Veterans, The General Motors Corporation for Service Excellence, and the Detroit Police Department; and

WHEREAS, Pastor Rose envisions a community built on integrity, strong families, Unity, and Christian Love. He continues to forge forward, even at the tender age of 83, demonstrating God's love, discipleship, and true compassion for his fellow Man. NOW THEREFORE BE IT

RESOLVED, Council Member Gabe Leland and the Members of the Detroit City Council hereby express their gratitude to Pastor Robert Lee Rose of Caring Temple Missionary Baptist Church for being a pillar in the community and having love and passion to give back.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Cushingberry, Jr., Leland, Sheffield, Spivey, Tate, and President Jones — 8.

Nays — None.

And the Council then adjourned.

BRENDA JONES
President

JANICE M. WINFREY,

STANDING COMMITTEE REPORTS

**City of Detroit
Office of Budget**

June 2, 2015

Honorable City Council:
Re: Tax Statement.

In accordance with Section 18-2-24 of the City Code, the Budget Department is submitting a statement of the amounts to be raised by taxation in Fiscal Year 2015-16, formally known as the Tax Statement. Also submitted is a 2% Limitation

Statement based upon 2014 equalized valuations. We request a waiver of reconsideration.

Respectfully submitted,
PAMELA C. SCALES
Budget Director

By Council Member Ayers:

Resolved, That the foregoing Tax Statement hereby be made a part of this resolution and be hereby adopted by a majority vote of all the members of this Body, the City Council of the City of Detroit; that the said Tax Statement shall be the basis for the levy and collection of taxes.

Resolved, That the Board of Assessors of the Finance Department cause the amount of all taxes in dollars and cents to be rateably assessed and to cause the assessment roll to be prepared in accordance with the foregoing Tax Statement.

Honorable City Council:

Re: Resolution Approving an Obsolete Property Rehabilitation Exemption Certificate, on Behalf of 207 East Baltimore, LLC at 207 East Baltimore, Detroit, MI, in Accordance with Public Act 146 of 2000. (Related to Petition #397)

On June 11, 2015, a public hearing in connection with approving an Obsolete Property Rehabilitation Exemption Certificate for the above-captioned property was held before your Honorable Body. All interested persons and organizations were given an opportunity to be heard. No impediments to the approval of this certificate were presented during the hearing.

207 East Baltimore, LLC, has submitted satisfactory evidence that they possess the necessary financial resources required to develop this property in accordance with Public Act 146 of 2000 ("the Act") and the Development Agreement for the project.

Respectfully submitted,
JOHN SAAD

Manager — Development Division
By Council Member Leland:

Whereas, 207 East Baltimore, LLC, has filed with the City Clerk an Application for an Obsolete Property Rehabilitation Exemption Certificate, under Public Act 146 of 2000 ("the Act") in City of Detroit Obsolete Property Rehabilitation District in the manner and form prescribed by the Michigan State Tax Commission; and

Whereas, This City Council is a Qualified Local Governmental Unit as defined by the Act; and

Whereas, This City Council on February 3, 2015, established by Resolution an Obsolete Property Rehabilitation District in the vicinity of 207 East Baltimore, Detroit, Michigan, after a Public Hearing held, in accordance with the Act; and

Whereas, The taxable value of the property proposed to be exempt plus the aggregate taxable value of property

already exempt under the Act and under Public Act 146 of 2000 does not exceed 5% of the total taxable value of property in the City of Detroit; and

Whereas, The Applicant is not delinquent in any taxes related to the facility; and

Whereas, The Application is for obsolete property as that term is defined in Section 2(h) of the Act, which property is owned by the Applicant; and

Whereas, Commencement of the rehabilitation of the subject facility did not occur before the establishment of the Obsolete Property Rehabilitation District; and

Whereas, The Application relates to a rehabilitation program that when completed constitutes a rehabilitated facility within the meaning of the Act and which is situated within the aforesaid City of Detroit Obsolete Property Rehabilitation District; and

Whereas, Completion of the rehabilitation is calculated to, and will at the time the Certificate is issued, have the reasonable likelihood of increasing and/or retaining employment, increasing commercial activity, revitalizing an urban area, or increasing the number of residents in the community in which the facility is located; and

Whereas, The rehabilitation includes improvements aggregating 10% or more of the true cash value of the property at the commencement of the rehabilitation as provided by Section 2 (l) of the Act; and

Whereas, This City Council has granted until September 30, 2016 for the completion of the rehabilitation; and

Whereas, On June 11, 2015, in the City Council Committee Room, 13th Floor, Coleman A. Young Municipal Center, Detroit, Michigan, a formal hearing was held on aforesaid application, at which time the Applicant, the Assessor, the general public, and representatives of the affected taxing units had an opportunity to be heard; and

Whereas, Notice was given by certified mail to the Detroit Board of Education, the City of Detroit Board of Assessors, the Wayne County Board of Commissioners, Wayne County Community College, the Wayne County Intermediate School District, the Huron-Clinton Metropolitan Authority, the Applicant, and by publication to the general public, informing them of the receipt of the Application, the date and location of the Public Hearing, and the opportunity to be heard;

Now Therefore Be It

Resolved, That it is hereby found and determined that the granting of an Obsolete Property Rehabilitation Exemption Certificate, considered together with the taxable value of Obsolete Property Rehabilitation Exemption Certificates and Industrial Facilities Exemption

Certificates if previously granted and currently in force, will not have the effect of substantially impeding the operation of the local governmental unit or impairing the financial soundness of any other taxing unit which levies an ad valorem property tax within the City of Detroit; and be it further

Resolved, That it is hereby found and determined that the Applicant has complied with the requirements of the Act; and be it further

Resolved, That the application of 207 East Baltimore, LLC, for an Obsolete Property Rehabilitation Exemption Certificate, in the City of Detroit Obsolete Property Rehabilitation District is hereby approved for a period of Twelve (12) years from completion of the facility, with the certificate beginning December 31, 2016 and the certificate expiring December 31, 2028, in accordance with the provisions of the Act; and be it further

Resolved, That the City Clerk shall forward said application to the Michigan State Tax Commission as provided by the Act, and be it further

Resolved, That the rehabilitation of the facility shall be completed no later than September 30, 2016, unless an extension of that time period is granted by this City Council, which extension shall be granted if this City Council determines that the rehabilitation of the facility is proceeding in good faith and the proposed extension is reasonable; and be it finally

Resolved, That the City of Detroit's Planning and Development Department and City Assessor's Office are hereby authorized to enter into, substantially in the form attached hereto, an Obsolete Property Rehabilitation Exemption Certificate Agreement and attached Summary of Procedures for the purpose of establishing the operating procedures for and implementing the aforesaid Certificates.

Honorable City Council:

Re: Resolution Approving an Obsolete Property Rehabilitation District, in the area of 3800 Woodward Avenue, Detroit, MI., in accordance with Public Act 146 of 2000 for The Roxbury Group on behalf of The Plaza Midtown, LLC (Petition #569).

On June 11, 2015, a public hearing in connection with establishing an Obsolete Property Rehabilitation District was held before your Honorable Body. No impediments to the establishment of the District were presented at the public hearing.

Please find attached, a resolution and legal description, which will establish an Obsolete Property Rehabilitation District in the area of 3800 Woodward Avenue, Detroit, MI. in accordance with Public Act 146 of 2000 ("the Act"). Such establishment will materially assist in the development of the site in accordance with the plans of the developer of the property.

Respectfully submitted,
JOHN SAAD

Manager — Development Division
By Council Member Leland:

Whereas, Pursuant to Public Act No. 146 of 2000 ("Act 146"), this City Council has the authority to establish "Obsolete Property Rehabilitation Districts" within the boundaries of the City of Detroit; and

Whereas, The Roxbury Group on behalf of The Plaza Midtown, LLC has requested that this City Council establish an Obsolete Property Rehabilitation District in the area of 3800 Woodward Avenue, Detroit, Michigan, the area being more particularly described in the map and legal description attached hereto; and

Whereas, The aforesaid property is obsolete property in an area characterized by obsolete commercial property or commercial housing property; and

Whereas, Act 146 requires that, prior to establishing an Obsolete Property Rehabilitation District, the City Council shall provide an opportunity for a hearing on the establishment of the District, at which a representative of any jurisdiction levying *ad valorem taxes*, or any owner of real property within the proposed District, or any other resident or taxpayer of the

City of Detroit may appear and be heard on the matter; and

WHEREAS, A public hearing was conducted before City Council on June 11, 2015, for the purpose of considering the establishment of the proposed Obsolete Property Rehabilitation District described in the map and legal description attached hereto; and

Whereas, No impediments to the establishment of the proposed District were presented at the public meeting.

Now Therefore Be It

Resolved, That Obsolete Property Rehabilitation District, more particularly described in the map and legal description attached hereto, is hereby approved and established by this City Council in accordance with Act 146.

F. Legal Description:
