

Start recycling at home

Join thousands of your neighbors who keep their city clean and protect their environment by recycling.

The City of Detroit offers free curbside recycling to all **single-family homes and buildings with up to 4 residential units.**

There are three ways to get your recycling cart

Contact one of our partners to attend or organize an event with your community

Contact one of our partners to attend or organize a workshop with your community or group. Attendees will receive their first cart for free.

- Zero Waste Detroit (313) 986-2990
- Green Living Science (313) 871-4000 ext 3 info@GreenLivingScience.org

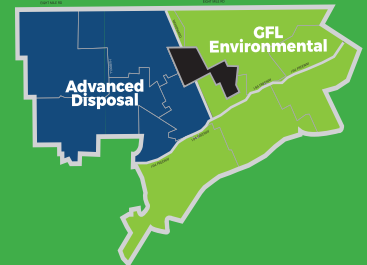

Play the Recycling Challenge Educational Game online

Find the game at DetroitRecycles.org.

Drag and drop each item into the correct container. When you win the game, you can request your free cart.
