NOTICE OF PUBLIC HEARING

A public hearing will be held by the Detroit City Planning Commission in the Committee of the Whole Room, 13th floor, Coleman A. Young Municipal Center, 2 Woodward Avenue, Detroit, Michigan 48226 at the date and time listed below. Both in-person and virtual attendance are options to participate. Pursuant to public health guidelines and limited room capacity, if anyone has cold, flu, or COVID symptoms, virtual attendance is strongly encouraged. To attend the meeting virtually, please use the link toward the end of this notice.

THURSDAY, MARCH 6, 2025, AT 6:00 PM

The public hearing is being held to consider the request of Tina Castleberry to amend Article XVII, Section 50-17-60, District Map No. 58 of the 2019 Detroit City Code, Chapter 50, Zoning, to show a B2 (Local Business and Residential) zoning classification where a R3 (Low Density Residential) zoning classification is currently shown at 4213 and 4225 West Davison Avenue, generally bounded by West Davison Avenue to the north, Petoskey Avenue to the east, Waverly Avenue to the south, and Broadstreet Avenue to the west. The location of the proposed rezoning is indicated as the shaded area on the accompanying map.

The proposed map amendment is being requested in order to permit a seasonal outdoor garden center. The existing R3 zoning classification does not allow for commercial uses as a by-right or conditional use.

R3 – Low Density Residential

This district promotes and encourages town and terrace house development, courts, and garden apartments. This district is intended to be used primarily on local thoroughfares thereby encouraging a suitable environment for family life. Uses permitted by right include, but are not limited to, single- and two-family dwellings, townhouses, multi-family dwellings, and community facilities necessary to serve a residential district.

B2 – Local Business and Residential

This district provides for the day-to-day consumer goods and services required to serve a small residential area. High-traffic generating and traffic-oriented uses are restricted because of their obvious undesirable influence on adjacent residential areas.

Zoning ordinance amendments require approval by the City Council following a separate public hearing conducted by the Council. The Council considers the matter upon receipt of a report and recommendation from the City Planning Commission. This Zoning Ordinance map amendment request is being considered consistent with the provisions of Article III, Divisions 2, 3, and 4 of Chapter 50 of the 2019 Detroit City Code, the Detroit Zoning Ordinance.

All interested persons are invited to be present and be heard as to their views. Persons making oral presentations are encouraged to submit written copies, for the record, to the City Planning Commission via

U.S. Mail at the above address or e-mail at cpc@detroitmi.gov. Public comment/testimony may be given at the appropriate times when called for during the meeting.
